The verse is RV. x. 10. 8, without variant. The comm. reads *eke* at end of **a**; he explains *tū́yam* in **c** by *tūrṇam*, and supplies *ramasva*: 'hasten to enjoy thyself.'

10. By nights, by days one may pay reverence (*daçasy*) to him; the sun's eye may open (*?ún mimīyāt*) for a moment; with heaven, with earth paired, of near connection; — Yamī must bear the unbrotherly (*ájāmi*) [conduct] of Yama.

RV. x. 10. 9 differs from our text only by reading in **d** *bibhṛyāt;* and this reading the translation implies, *vivṛhāt* seeming unexplainable save as a corruption, suggested by the forms of *vi-vṛh* in the two preceding verses. The connection of the verse is very loose, and the sense of **b** especially doubtful. One is tempted to emend to *mimīlyāt;* but *ā́ mimīyāt* is found in TB. iii. 6. 13 ⌊2d *prāiṣa*⌋, explained by its commentary as meaning *āgatya praviçeyuḥ*. Our comm. explains *ún m-* as *ūrdhvaṁ gacchet* (the RV. comm. as *ud etu*). Our comm. further reads at the end *ajāmis*, and understands it of Yamī. The adjectives in **c** are dual; the comm. supplies "earth with heaven and heaven with earth." ⌊Cf. Weber, *Sb*., p. 823.⌋

11. Verily there shall come those later ages (*yugá*) in which next of kin (*jāmí*) shall do what is unkinly ⌊*ájāmi*⌋. Put thine arm underneath a hero (*vṛṣabhá*); seek, O fortunate one, another husband than me.

The verse is, without variant, RV. x. 10. 10. *Upa barbṛhi* in **c** means 'make an *upabárhaṇa* (cushion, pillow) of.' Our comm. regards the anomalous *barbṛhi* ⌊*Gram.* § 1011 a⌋ as *barbṛ* + *hi*, *-bṛ-* being for *-bṛh-* by Vedic license.

12. What should brother be when there is no protector? or what sister, when destruction impends (*ni-gam*)? Impelled by desire, I prate thus much; mingle thou thy body with my body.

The first half-verse apparently means that the matter of near kindred is overborne in importance by the consideration of her loneliness and of the necessity for continuing their race. The verse agrees throughout with RV. x. 10. 11. The comm. renders *-mūtā* in **c** by *mūrchitā*.

13. I am not thy protector here, O Yamī; I may not mingle my body with thy body; with another than me do thou prepare enjoyments; thy brother wants not that, O fortunate one.

All our mss. save Op.K. accent *yámi* in **a**; SPP. reports only one of his as doing so. RV. x. 10. 12 is in our text expanded into two verses, its second half being our **c**, **d**, without variant. The comm. reads *nūnam* for *tanūm* in **b**; he explains *nāthám* in **a** by *abhimatārthasampādakas*.

14. Verily, I may not mingle my body with thy body; they call him wicked (*pāpá*) who should approach his sister. That is not consonant

(?*asaṁyát*) with my mind [and] heart, that I, a brother, should lie in a sister's bed (*çáyana*).

The first half-verse ⌊cf. vs. 13⌋ is RV. x. 10. 12 **a**, **b**, which latter, however, reads in **a** *te tanvā̀ tanvàṁ sám.* All the mss. leave *çayīya* at the end unaccented, and both editions read accordingly; we ought in ours to have made the necessary emendation to *çáyīya.* The mss. vary in **c** between *ásaṁyat*, *asaṁyát*, *ásaṁyát*, and *asaṁyat;* SPP. gives in his text *ásaṁyat*, which is better than our *asaṁyát;* the *pada*-text divides *asam°yat.* The comm. reads instead *asuṁ yat*, and supplies a verb, *apaharet*, to govern *asum.*

15. A weakling (?*batá*), alas, art thou, O Yama; we have not found mind and heart thine; verily, another woman shall embrace thee, as a girth a harnessed [horse], as a twining plant (*líbujā*) a tree.

RV. x. 10. 13 varies from this only by reading (as also our Bp.) in **d** *ṣvajāte.* The translation given of *kakṣyè 'va yuktám* agrees with the comm. (also the comm. to RV.), which renders *yuktam* by *svasambaddham açvam.* Pāda **b** evidently alludes to 14 **c**, where Yama talks of his mind and heart. If *batás* is a genuine word (the metrical disarray intimates corruption), it looks like being the noun of which the common exclamation *bata* is by origin the vocative. The RV. Anukr. takes no notice of the defective meter; ours requires the verse to be read as only 40 syllables, which is possible ($10+9:10+11=40$); ⌊**c** and **d** are good *triṣṭubh* pādas and **b** has a *triṣṭubh* cadence⌋.

16. Another man, truly, O Yamī, another man shall embrace thee, as a twining plant a tree; either do thou seek his mind or he thine; then make for thyself very excellent concord (*saṁvíd*).

RV. x. 10. 14 has for **a** the much better version *anyám ū ṣú tváṁ yamy anyá u tvā̆m*, and in **b** again *ṣvajāte.* Our D., and a single ms. of SPP's (with the comm.), also have *anyam* ⌊at the beginning⌋, and SPP. accordingly admits *anyám* into his text, in spite of the absence of *tvám.* But the comment on the Prāt. three times (under ii. 97; iii. 4; iv. 98) reads *anya ū ṣu*, and it cannot well be questioned that this is the true text of our AV. Our P.M.E. accent again *yámi.* The Anukr. takes no notice of the lacking syllable in **a**; ⌊perhaps it balances **c** against **a**⌋.

17. Three meters the poets extended (?*vi-yat*) — the many-formed one, the admirable, the all-beholding; waters, winds, herbs — these are set (*árpita*) in one being (*bhúvana*).

The verse is extremely obscure, in meaning and in connection. The mss. vary much as regards the accent of *pururūpam;* two of ours (O.D.) and several of SPP's accent *-rū́p-*, which, as it is found in other texts, the latter has very properly admitted in his edition. The comm. renders *ví yetire* by *yatnaṁ kṛtavantaḥ.* The Anukr. takes no notice of the irregularity of the meter. ⌊Concerning this *prakṣipta*-verse, "glossenartige Parallelstelle," see Weber, *Sb.* 1895, p. 819 note, and p. 828.⌋

18. The bull yieldeth (*duh*) milks for the bull with the milking of the sky (*dív*), he the unharmable son (?*yahvá*) of Aditi; everything knoweth he, like Varuṇa, by thought (*dhī́*); he, sharing the sacrifice (*yajñíya*), sacrificeth to the seasons that share the sacrifice.

The verse is RV. x. 11. 1, whose only variant is *yajatu* for *-ti* in **d**. The comm. explains *vṛ́ṣā* as Agni, and *vṛ́ṣṇe* as the sacrificer, *dóhasā* as = *dohanasādhanena yajñādinā*, *yahvás* as *mahān* and qualifying *vṛ́ṣā* together with *ádābhyas*, while *ádites* means "indivisible" and qualifies *divás*, which is ablative: the general sense being that the god procures rain for his worshiper. His understanding of **c** agrees with the translation given above. Compare Pischel's version of the verse and general explanation of the RV. hymn in *Ved. Stud.* i. 183 ff.; his exposition is excessively ingenious and extremely unsatisfactory.

19. Prateth the Gandharvī and watery woman; in the noise of the noisy one (*nadá*) let [her] protect our mind; let Aditi set us in the midst of what is desired (? *iṣṭá*); our oldest brother shall first speak out.

RV. x. 11. 2 has for sole variant *me* for *nas* in **b**. The comm. to the first half-verse appears to be defective; but it certainly understands the goddesses Bhāratī and Sarasvatī to be intended in **a**; *iṣṭasya* is either *phalasya* or *yāgasya*; the "brother" is Agni. ⌊Pischel discusses the RV. verse at *Ved. Stud.* i. 183.⌋

20. She now, the excellent, rich in food, full of glory — the dawn hath shone for man (*mánu*), full of light (*svàr-*); since they have generated for the council [as] *hótṛ* Agni, the eager one, after the will (*krátu*) of the eager ones.

This is RV. x. 11. 3, without variant. The comm. renders *kṣumátī* in **a** by *mantrarūpaçabdavatī*, and *vidáthāya* (of course) by *yajñāya*, and understands *ánu krátum* as "for each several ceremony."

21. Then that mighty (*vibhū́*) conspicuous drop did the bird, the lively falcon, bring at the sacrifice; if the Aryan tribes (*víç*) choose the wondrous one, Agni, [as] *hótṛ*, then prayer (*dhī́*) was born.

RV. x. 11. 4 differs only by reading *iṣitás* in **b**. The comm. makes a couple of references, to TB. iii. 2. 1¹ and TS. vi. 1. 6¹, where the legends of the bringing of soma from heaven by the falcon are given. Prāt. iii. 25 notes the short final of *ádha* in **a** and **d**.

22. Ever art thou pleasant (*raṇvá*), as pastures to him that enjoys (*puṣ*) them, being, O Agni, well sacrificed to with the offerings of man (*mánus*); or when, active, praiseworthy, having won the strength (*vā́ja*) of the inspired one (*vípra*), thou approachest with very many.

RV. x. 11. 5 differs only by reading *ukthyàm* at end of **c**. The construction and meaning of the second half-verse are difficult and obscure. The comm. explains *çaçamānas* by *çaṅsan yajamānam praçaṅsan* (similarly the comm. to RV.); and *bhūribhis* as "accompanied by many desires or else by many gods" (RV. comm. only the latter).

23. Send thou up the (two) fathers, [as] a lover, unto enjoyment (*bhága*). The welcome one (*haryatá*) desires to sacrifice; he sends from the heart; the bearer (*váhni*) speaks out; the merry one (? *makhá*) does a good work; the Asura shows might (*taviṣy*); he trembles with purpose (? *matī́*).

The verse is RV. x. 11. 6, without variant. It is extremely obscure, and the general sense, as well as the meaning of several words, is in a high degree doubtful; the translation given is no more than mechanical. ⌊Cf. Weber, p. 829.⌋ The 'two fathers' (parents) are declared by the comm., probably rightly, to be heaven and earth; *jāras* is explained as *ādityas*, and *ā* as = *iva*. Or, alternatively, *jāras* is "praiser," coming from *jarā* "praise," and to *ā* is to be supplied *hvayati*. The *iṣyati* is made = *icchati; vahni* is Agni; *makhas* is *makhasādhano maṅhanīyo vā; taviṣyate* is *vardhiṣyate*. All this is of interest only as showing that no help is to be obtained from the native exegetes.

24. Whatever mortal hath seen thy favor, O Agni, son of power, he is renowned exceedingly; acquiring (*dhā*) food (*íṣ*), borne by horses, he, lightful, vigorous, passes (*?ā-bhūṣ*) the days (*dív*).

RV. x. 11. 7 reads in **a** *ákṣat*, of which our *ákhyat* is doubtless only a corruption. Our Bp. and one of SPP's authorities have *akṣat*. The comm. renders *ā bhūṣati* by *ābhavati;* ⌊he adds alternatively: *bhūṣati* = *bubhūṣati*, *dyumān* . . . *bhavitum icchati*⌋. In **b** he reads *abhi* instead of *ati*.

25. Hear us, O Agni, in thy seat, thy station; harness the speedy chariot of the immortal (*amṛ́ta*); bring to us the two firmaments (*ródasī*), parents of the gods; be thou of the gods never (*mā́kis*) away; mayest thou be here.

The verse is RV. x. 11. 9 (and 12. 9), without variant. The comm. comfortably supplies *saṁghe* in **d** to govern the genitive *devānām*. Then, as alternative explanation, he understands *bhūs* and *syās* as third persons, and *mā́kis* as "no one."

26. That, O Agni, this meeting may take place (*bhū*), divine, among the gods, worshipful, thou reverend one, and that thou mayest share out treasures, O self-ruling one, do thou enjoy here our portion filled with good things.

The verse is, without variant, RV. x. 11. 8 (also found in MS. iv. 14. 15).

27. Agni hath looked after the apex of the dawns, after the days, [he] first, Jātavedas; a sun, after the dawns, after the rays; after heaven-and-earth he entered.

28. Agni hath looked forth to meet the apex of the dawns, to meet the days, [he] first, Jātavedas, and to meet the rays of the sun in many places; to meet heaven-and-earth he stretched out.

These two verses we had above as vii. 82. 4, 5. They are here again written out in full by two of our mss. (O.R.). ⌊Cf. my introduction, above, p. 815.⌋

29. Heaven and earth, first by right, truth-speaking, are within hearing, when the god, making mortals to sacrifice, sits as *hótṛ*, going to meet his own being (*ásu*).

The verse is RV. x. 12. 1, without variant. Some of our mss. (Bp.Bs.Op.) read *abhisrāvé* in **b**. The comm. explains the word by *stotuḥ çravaṇayogye*.

30. A god, encompassing the gods with right, carry thou first our offering, understanding [it]; smoke-bannered by the fuel, light-beaming, a pleasant, constant *hótṛ*, skilled sacrificer with speech.

The verse is RV. x. 12. 2, without variant. The majority of SPP's mss., with one of ours (Op.), read *bhā́rcīko* in **c**. Neither our Anukr. nor that of the RV. notes the deficiency of a syllable in **a**.

31. I praise (*arc*) your (du.) work unto increase, ye ghee-surfaced ones; O heaven-and-earth, hear me, ye two firmaments (*ródasī*); when days, O gods, went to the other life (*ásunīti*), let the two parents (*pitárā*) sharpen us here with honey.

The rendering is only mechanical, the obscurity of the verse being unresolved. It is RV. x. 12. 4, which, however, reads for **c** *áhā yád dyā́vó 'sunītim áyan.* Our mss. and the authorities of SPP. vary in **c** between *devā́s*, *dévās*, and *devās;* SPP. reads *devā́s*, with ⌊at least⌋ two of his; our *dévās* is not defensible; the translation implies *devās.* The comm. makes the word the subject of *ā́yan*, taking *áhā* (p. *áhā*) as for *ahaḥsu;* he explains *devās* by *stotāras* or *ṛtvijas.* Our Bp. is the only *pada*-ms. that reads (with the RV. *pada*) *ápaḥ* in **a**; the others have *ā́paḥ;* but, as the comm. gives the former, SPP. adopts it in his text. A majority of SPP's mss. accent *ghṛtásnū*, but only one of ours (O.) does so.

32. If the god's immortality (*amṛ́ta*) is easy to appropriate for the cow, thence those who are born maintain themselves on the broad [earth]; all the gods go after that sacrificial formula of thine, when the hind yields (*duh*) the ghee, heavenly liquor (*vā́r*).

The verse is RV. x. 12. 3, without variant. It is all extremely obscure, especially the first pāda, which admits of being rendered in half-a-dozen different ways; the translation given is purely tentative. The comm. gives little help. The *pada*-text does not divide or otherwise change *svā́vṛk*, which indicates that its makers did not see in the word the formation *su-ā-vṛj*, which is plausibly seen in it by western scholars and by our comm. The latter takes *urvī́* (p. *urvī́ íti*) as dual, but in the Prāt. it is quoted by the comment (to i. 74) as example of a locative in *ī*, which it doubtless is. Our comm. derives *yájus* first from root *yuj* and makes it = *karman; devās* is again, as above (vs. 31), *stotāras*, *ṛtvijas.* ⌊With the expression *divyáṁ vā́ḥ*, applied to ghee, compare the expression at x. 4. 3, *vā́r ugrám*, applied to snake-venom, which may well be called a 'terrible fluid': but see note to x. 4. 3.⌋

33. Why forsooth hath the king seized (*grah*) us? what have we done in transgression of (*áti*) his ordinance (*vratá*)? who discerns [it]? for even Mitra, swerving the gods, like a song of praise (*çlóka*), is the might also of them that go.

The verse is RV. x. 12. 5, without variant. The second half-verse, especially the last pāda, is bafflingly obscure. The accent of *ásti*, as well as the absence of other construction for *mitrás*, strongly indicates that the whole of the second half-verse forms one sentence; in which case *vā́jas* is perhaps most probably a corruption. The comm. understands *rā́jā* in **a** as Yama, and *jagṛhe* as signifying his "acceptance" of offerings — which is very ill guessed; doubtless it is Varuṇa (so Ludwig; the RV. comm. makes it

Agni). He then renders *juhurāṇás* most absurdly by *āhvayan*, ⌊saying that "the root *hvṛ* 'crook' is here used in the sense of root *hū* 'call'"⌋. He reads in **d** (as do some of the mss., including our O.Op.R.) *yātān*, as accus. of the pple *yāta*, qualifying *devān* understood, rendering *devān abhigacchato no 'smān rakṣitum!* and so on. The version of the line given above is of course mechanical only.

34. Hard to reverence (?*durmántu*) here is the name of the immortal, that she of like sign should become of diverse form; whoso shall reverence Yama with proper reverence (?*sumántu*), him, O Agni, exalted one, do thou protect, unremitting.

This verse is found also as RV. x. 12. 6, without variant, but the RV. comm. passes it without notice, as if recognizing it as not genuine. It is very strange to find repeated here as **b** vs. 2 **b**, above, as the connection this time does not explain the feminine words in it. The comm. first explains (like Grassmann) the pāda as quoted from the other verse; but goes on to add other interpretations. He defines *durmántu* by *durmananaṁ durvacam.*

35. In whom the gods revel at the council, maintain themselves in Vivasvant's seat — they placed light in the sun, rays in the moon: the two, unfailing, wait upon (*pari-car*) the brightness (*dyotaní*).

The verse is x. 12. 7, without variant. The comm. separates *yásmin* from *vidáthe*, supplying *agnāu* for the former to qualify (the RV. comm. does the same); perhaps rather *manmani* is to be inferred from the following verse. ⌊W. suggests by a note to his ms. as an alternative for **a**, 'In what council the gods revel.'⌋ Our comm. also explains, in **d**, *dyotanīm* by *dyotamānam agnim*, and it reads *ajasram*, understanding it adverbially; *aktūn* in **c** is either *raçmīn* or *rātrīs*. ⌊This vs. and the next are discussed by Foy, KZ. xxxiv. 228.⌋

36. In what secret (*apīcyà*) devotion (*mánman*) the gods go about (*sam-car*) — we know it not; may Mitra, may Aditi, may god Savitar declare us here guiltless to Varuṇa.

The verse is RV. x. 12. 8, without variant. Our comm. explains *mánmani* by *mantavye sthāne varuṇākhye.*

37. O companions, we would supplicate (*ā-çās*) worship (*bráhman*) for Indra, possessor of the thunderbolt, to praise, indeed, the most manly, the daring.

The verse is RV. viii. 24. 1 (also SV. i. 390), which reads in **a** *çiṣāmahi* (SV. *-he*), and inserts in **c** *vas* after *ū ṣú*, as required by the meter. The comm's text (but not his exposition) also has the *vas*. Our Anukr. takes no notice of the lack of a syllable in the pāda. The comm. explains *ā́ çiṣāmahe* by *āçāsmahe*, and supplies *kartum;* he renders *stuṣé* by either *stāumi* or *stotum*. The particles *ū ṣú* are included in the prescriptions of Prāt. ii. 97; iii. 4; iv. 98. ⌊Weber, *Sb.* 1895, p. 819 n., can assign no reason why vss. 37–38 should appear here.⌋

38. For thou art famed for might (*çávas*), for Vṛitra-slaying, a Vṛitra-slayer; thou out-bestowest the bounteous with thy bounties, O hero.

The verse is RV. viii. 24. 2, and without variant, if, with SPP., we read *çrutás* at end of **a**. Our text has *çritás*, with a part of the mss.; they vary between *çrutás* (our

O.Op.D.R., and half of SPP's; also the comm.), *çritás* (our P.M.T., and two of SPP's), and *çṛtás* (our Bp.Bs.E.I.K.Kp., and three or four of SPP's authorities) — which last is doubtless only a careless variant of *çritás*. The translation given above implies *çrutás*. The comm. perhaps reads in **b** *vṛtrahatye 'va*.

39. Thou goest over the earth as a *ṣtegá* over the ground; let winds blow here on the great earth (*bhū́mi*) for us; Mitra for us there (*átra*), Varuṇa, being joined, hath let loose heat (*çóka*), as fire does in the forest.

RV. x. 31. 9 corresponds, but has very considerable differences of reading: in **a**, *eti pṛthvī́m;* for **b**, *mīḷhaṁ ná vā́to ví ha vāti bhū́ma;* in **c**, *yátra* (for *no átra*) and *ajyámānas* (for *yuj-*); in **d**, *'gnír v-*. Part of the AV. mss. also have *'gnír v-* (our O.R., and nearly half of SPP's), which accordingly might well be adopted in the text; but SPP., like our edition, reads *agnír v-*. One or two of our mss. (Op.R.s.m.) read in **d** *asṛṣṭa* (*vyàs-*), and so do a minority of SPP's; and the latter gives in his *saṁhitā*-text *vyásṛṣṭa*, but (apparently by an oversight) in his *pada*-text *ví : asṛṣṭa;* one sees no reason at all for the accentuation of the verb ⌊in the AV. text, with its *átra*⌋.* Our text is plainly an unintelligent corruption of an unintelligible verse. The RV. comm. guesses *raçmisaṁghāty ādityaḥ* to be the meaning of the ⌊very rare⌋ *stegá*, but only on the ground of a worthless etymology. Our comm. is defective here, but the lacuna is filled up by the editor, who makes it signify "a frog"! ⌊a meaning possibly suggested by the passage at TS. v. 7. 11 (which is parallel to VS. xxv. 1)⌋. Ludwig conjectures "a plowshare" ⌊and Weber follows him⌋. Our *pada*-text reads in **b** *mahī́ íti*, and the case is quoted under Prāt. i. 74 as that of a locative in *ī;* our comm. renders it ⌊alternatively⌋ by *mahatīm;* he also renders *vyásṛṣṭa* by *nāçayatu!* The *ṁ* of *pṛthivī́ṁ* is ⌊almost or quite illegible⌋ in our text. The Anukr. takes no notice of the metrical irregularities of the verse (10 + 11 : 12 + 11 = 44).

*⌊The RV. reads *vy ásṛṣṭa*, and has the difficult *pada*-reading *ví : ásṛṣṭa :* here the RV's accentuation of *ásṛṣṭa* is accounted for by the RV's *yátra;* and the accent of *ví* is to be put with the remarkable cases (some thirty) mentioned by W., *Gram.* § 1084 a, whether we regard it as a blunder helped by the wavering tradition as to *átra*, *yátra*, or not. (Cf. what is said about "blend-readings" under xiv. 2. 18 and, just below, under xviii. 1. 42.) Whitney's Bp. follows the RV. in giving *ví : ásṛṣṭa* and his Bs. has *vyásṛṣṭa :* cf. the *ví : ádadhus* of xix. 6. 5 a.⌋

40. Praise thou the famed sitter on the hollow of men (*jána*), the terrible king, formidable assailant (?*upahatnú*); being praised, O Rudra, be gracious to the singer; let thine army (?*sényа*) lay low (*ni-vap*) another than us.

The verse corresponds to RV. ii. 33. 11 (also found in TS. iv. 5. 10^{3}, without variant from RV.), which reads in **a–b** *-sádaṁ yúvānam mṛgáṁ ná bh-*, and, for **d**, *'nyáṁ te asmán ní vapantu sénāḥ*. The substitution in our text of *sényam* for *sénās* at the end throws into confusion sense and construction. The comm. first takes it as = *senās*, and then as accus. qualifying *anyám* and signifying *tava senārham*, in the latter case supplying *senās* as subject of the verb. *Gartasádam* he takes first in the Nirukta sense of *çmaçānasaṁcaya*, and then in its "ordinary" (*prasiddha*) meaning, adding *tasyā 'raṇye saṁcārād gartasadanaṁ yujyate.* The Kāuç. (85. 19) uses the verse in connection with the digging of a hollow (*garta*) in the middle of the measured space at the *piṇḍapitṛyajña*, and the scattering into it of a number of heterogeneous substances.

Our comm., by some rare and strange oversight, makes no mention of this *viniyoga*, and so does not take it into account in the explanation of the verse. Apparently it is only the occurrence of *gartasad* in the verse that suggests the use; of real applicability to the situation there is none.

41. On Sarasvatī do the pious call; on Sarasvatī, while the sacrifice is being extended; on Sarasvatī do the well-doers call: may Sarasvatī give what is desirable to the worshiper (*dāçvā́ṅs*).

RV. x. 17. 7 is the same verse, but makes better meter by having *ahvayanta* for *havante* in **c**; and the comm. agrees with it. Verses 41-43, with others to Sarasvatī (vii. 68. 1-2; also xviii. 3. 25), are used by Kāuç. (81. 39) in the *pitṛmedha* ceremony, accompanying offerings to Sarasvatī. ⌊And they recur below, as noted under vs. 43.⌋ The Anukr. takes no notice of the deficiency of a syllable in 41 **c**, and 42 **a**, nor of the excess of two syllables in 43 **a**.

42. On Sarasvatī do the Fathers call, arriving at the sacrifice on the south; sitting on this *barhís* do ye revel; assign thou to us food (*íṣas*) free from disease.

Here again the RV. version (x. 17. 9 **a**, **b**, 8 **c**, **d**) makes the meter good by inserting ⌊or rather (cf. vs. 59), by not omitting⌋ *yā́m* in **a** before *pitáras* (and hence accenting *hávante* *); it also accents *dakṣiṇā́* in **b**, as other texts do; two of our mss. (O.s.m.Op.) do the same, with the majority of SPP's, whence the latter adopts *dakṣiṇā́* in his edition; it is undoubtedly the correct reading ⌊as is explicitly stated also by the comm. to xix. 13. 9, page 325^{21}⌋. RV. also avoids the change of subject in the second line by reading *mādayasva* in **c**. *⌊It is interesting to note that SPP's C^p accents *hávante*, as if the missing *yā́m* were not missing: cf. my note about "blend-readings" under xiv. 2. 18, and the end of my note under xviii. 1. 39; also note to 4. 57.⌋

43. O Sarasvatī, that wentest in company (*sarátham*) with the songs (*ukthá*), with the *svadhā́s*, O goddess, reveling with the Fathers, assign thou to the sacrificer here a portion of refreshment (*íḍ*) of thousandfold value, abundance of wealth.

Here, once more, the AV. disturbs the meter by the intrusion into **a** of *ukthāís*, which is wanting in the RV. version (x. 17. 8 **a**, **b**, 9 **c**, **d**). ⌊RV. reads *yájamāneṣu* in **d**.⌋ The three Sarasvatī verses are repeated below as xviii. 4. 45-47. The comm. gives *annasya* as equivalent of *iḍā́s*.

44. Let the lower, let the higher, let the midmost Fathers, the soma-drinking (?*somyá*), go up; they who went to life (*ásu*), unharmed (*avṛká*), right-knowing — let those Fathers aid us at our calls.

The verse is found, without variant, as RV. x. 15. 1, VS. xix. 49, and in TS. ii. 6. 12^3, MS. iv. 10. 6. It is used twice by Kāuç. in the funeral book: once (80. 43) at the piling of the funeral pile, and once (87. 14), in the *piṇḍapitṛyajña*, at the digging of a pit for receiving certain offerings. Verses 44-46 appear together (87. 29) in the latter ceremony with the bringing in of certain water-pots ⌊i.e. the pouring in (of their contents)?⌋. In Vāit. (30. 14), vss. 44 and 45, with 51, and 3. 44, 45, are prescribed to be repeated after the pouring of *surā* into a perforated vessel, in the *sāutrāmaṇī* ceremony; and again, vss. 44-46 accompany (37. 23) the binding of a victim to the sacrificial post in the *puruṣamedha*.

45. I have won hither (*ā-vid*) the beneficent Fathers, both the grandson and the wide-striding of Vishṇu; they who, sitting on the *barhís*, partake of the pressed drink with *svadhā́* — they come especially hither.

The verse is, without variant, RV. x. 15. 3, VS. xix. 56, and found in TS. ii. 6. 12^3 and MS. iv. 10. 6 (MS. puts *yé* after *svadháyā* in c). Our comm. is uncertain from which root *vid* to make *avitsi*, and casts no light on the obscure second pāda; he renders *āgamiṣṭhās* either by *āgamaya* or *āgacchantu*. The abbreviated form *barhiṣádas* (p. *barhi∘sádaḥ*) is one of those quoted by the Prāt. comment as aimed at by rules ii. 59; iv. 100. For the use of the verse by Kāuç. and Vāit., see under vs. 44.

46. Be this homage today to the Fathers, who went first, who went after, who are seated in the space (*rájas*) of earth, or who are now in regions (*díç*) having good abodes (*suvṛjána*).

The verse is RV. x. 15. 2, which, however, reads in b *úparāsas*, and in d *vikṣú;* and with it in both respects read the corresponding verses in TS. ii. 6. 12^4 and MS. iv. 10. 6; also VS. xix. 68 (but this, with our E., has *námo 'stu* in a). Ppp. also gives the verse in book ii., reading in b *ye parāsaṣ pareyuḥ*, and in d *suvṛjināsu vikṣu.* Some of our mss. (P.M.I.R.T.), and one of SPP's, agree with RV. in reading *úparāsas;* the comm. divides *u parāsas;* and our E. has *vikṣú*, while P.M. give *divikṣú*, and I. *prikṣú.* For the use of the verse in Kāuç. and Vāit. with vss. 44–45, see under 44; it also (or else, more probably, 4. 51 : see under that verse) is prescribed alone (80. 51) to accompany the scattering of *darbha*-grass in preparing the funeral pile.

47. Mātalī with the *kavyás*, Yama with the Añgirases, Brihaspati increasing with the *ṛ́kvans* ('praisers'); both they whom the gods increased and who [increased] the gods — let those Fathers aid us at our calls.

RV. x. 14. 3 has the first three pādas, but, instead of repeating our 44 d, reads for the fourth *svā́hā 'nyé svadháyā 'nyé madanti;* and TS. (ii. 6. 12^5) and MS. (iv. 14. 16) agree with it in so doing.

48. Sweet verily is this [*sóma*], and full of honey is this; strong (*tīvrá*) verily is this, and full of sap is this; and no one soever overpowers in conflicts (*āhavá*) Indra, having now drunk of it.

The verse is RV. vi. 47. 1, without real variant; its applicability in the funeral book is not apparent, and neither Kāuç. nor Vāit. uses it. Part of our mss. (O.R.K.), with nearly all SPP's, combine at the beginning *svādúṣ k-*, which RV. also has; and SPP., with good reason, adopts this in his text.

49. Him that went away to the advances called great, spying out the road for many, Vivasvant's son, gatherer of people, king Yama, honor (*sapary*) ye with oblation.

The verse is RV. x. 14. 1, which, however, reads *ánu* for *íti* at end of a, and *duvasya* for *saparyata* in d. A verse in MS. iv. 14. 16 has the RV. version throughout. TA. (in vi. 1. 1) gives at the end the genuine variant *duvasyata*, but also in a and b the incredible blunders *pare yuvā́nsam* and *anapaspaçānám;* ⌊so even the Poona ed., p. 405⌋. With the first half-verse is to be compared our vi. 28. 3 a, b. The *íti* of our version, at end of **a**, seems a worthless corruption (SPP. thinks it certainly "a mistake for *áti*"; but that is not very plausible, though our I., doubtless by an accidental slip, has *áti*, and P.M. have *ata*); the comm. reads *anu*, with the other texts. ⌊With this vs. and the next, cf. 3. 13 below: the second half of 3. 13 is identical with the second half of this vs.⌋ In Kāuç. (81.34), recital of the verse accompanies offerings to Yama at the lighting of the funeral pile. Metrically, it is *svarāj* (12 + 11 : 11 + 12 = 46) rather than *bhurij*.

⌊Caland, *Todtengebräuche*, p. 65, observes that "Kāuç. 81. 34–36 [meaning 34–37] form one single whole." They indicate the eleven verses (translated by C., p. 64) that are to be used to accompany the eleven oblations to Yama (*yāmān homān*), offered in the *pitṛmedha*, after the lighting of the fire. The vss. are: xviii. 1. 49, 50, for the first two oblations; xviii. 1. 58, 59, 60, 61 (the last vs. of the hymn) and xviii. 2. 1, 2, 3, for the next seven; and xviii. 3. 13 and 2. 49, for the last two: in all, eleven, *ity ekādaça*. Whereupon follow the oblations to Sarasvatī. — It should be noted that the group 1. 58 to 2. 3 (Kāuç.: *iti saṁhitāḥ sapta*) disregards the existing division of the book into *anuvāka*-hymns.⌋

50. Yama first found for us a track (*gātú*); that is not a pasture to be borne away; where our former Fathers went forth, there (*enā́*) [go] those born [of them], along their own roads.

The corresponding RV. verse (x. 14. 2) reads *pareyús* at end of **c**, and MS. (in iv. 14. 16) agrees with it. The comm. has *yena* instead of *enā* in **d**. The verse (with vs. 51?) is used by Kāuç. (81. 35) next after the preceding one, in the same ceremony.

51. Ye *barhís*-seated Fathers, hitherward with aid! these offerings have we made for you; enjoy [them]! do ye come with most wealful aid; then assign to us weal [and] profit, free from evil.

The corresponding RV. verse (x. 15. 4) has *áthā* at beginning of **d**. VS. (xix. 55) agrees throughout with RV.; TS. (in ii. 6. 12^2) spoils the meter of **d** by changing *nas* to *asmábhyam*; MS. (in iv. 10. 6) has at the end *dadhātana*; ⌊so has W's Op.⌋. The comm. also reads *atha*. The verse is used by Kāuç. (87. 27), along with 3. 44–46 and 4. 68, to accompany the untying and strewing of the *barhis* in the *piṇḍapitṛyajña*. In Vāit. 30. 14, it appears with 1. 44, 45 etc. (see under 1. 44); and again (9. 8), in the *cāturmāsya* sacrifice, accompanying (with 3. 44, 45 and 4. 71) a libation to Soma and the Fathers.

52. Bending the knee, sitting down on the right, let all assent to (*abhi-gṛ*) this libation of ours; injure us not, O Fathers, by reason of any offense (*ágas*) which we may do to you through humanity.

That is, through human frailty. The corresponding RV. verse (x. 15. 6) reads for **b** *imáṁ yajñám abhí gṛṇīta víçve;* and VS. (xix. 62) agrees with RV.; the comm., too, so far as to have *gṛṇīta*. In Kāuç. (83. 28), the verse accompanies the arranging of the bone relics of the deceased at their place of burial (repeated, with two other verses, in the *piṇḍapitṛyajña*, 87. 28). The Anukr. takes no notice of the redundant syllable in **b**.

53. Tvashṭar makes a wedding-car for his daughter; by reason of this, all this creation comes together; the mother of Yama, wife of great Vivasvant, being drawn about, disappeared.

The corresponding RV. verse (x. 17. 1) has *íti* for *téna* at beginning of **b**; and the comm. also reads *iti*. With the first half-verse compare iii. 31. 5 **a**, **b**, which is a sort of travesty of it. The second verse of the curious and obscure and much discussed (see Bloomfield in JAOS. xv. 172 ff.) bit of legend is found below, as 2. 33, as much out of all connection with its surroundings as this one here. Neither of the two is used by Kāuç. or Vāit. The comm. quotes a passage of eight verses from the Bṛhaddevatā in explanation of the legend.

54. Go thou forth, go forth by roads that go to the stronghold (*pūryā́ṇa*), as (*yénā*) thy Fathers of old went forth; both kings, reveling with *svadhā́*, shalt thou see, Yama and god Varuṇa.

Or *svadhā́yā* may be 'at their pleasure' or 'according to their wont.' The corresponding RV. verse (x. 14. 7) has in **a–b** *pathíbhiḥ pūrvyébhir yátrā naḥ pū́rve pitáraḥ pareyúḥ*, and, in **c**, *rā́jānā* and *mádantā;* and MS. (in iv. 14. 16) agrees with it except in reading, with our text, *páretās* ⌊in **b**, and in having *pūrvébhis* in **a**⌋. Our comm. reads *rājānā* in **c**. Prāt. iii. 83 prescribes the *ṇ* in *pūryā́ṇāis* (p. *pūḥ○yā́ṇāiḥ*); the comm. absurdly explains the word as = *pumāṅso yena . . . yānti!* for the *pūr*, compare x. 2. 28 ff.; xix. 17 and 19. The Anukr. takes no notice of the metrical irregularity in the verse. ⌊It is due to the displacement of *pūrviébhis* by *pūryā́ṇāis:* the secondary character of the latter (occurring elsewhere only at 4. 63 below) is palpable in more ways than one.⌋ Kāuç. does not quote the verse; but our comm. declares it to accompany the laying of the dead body on the cart (for transportation to the funeral pile).

55. Go ye away, go asunder, and creep apart from here; for this man the Fathers have made this world; adorned with days, with waters, with rays (*aktú*), a rest (*avasā́na*) Yama gives to him.

The verse is RV. x. 14. 9, without variant; and TA. (in i. 27. 5; vi. 6. 1) has the first, third, and fourth pādas; while VS. (xii. 45) and TS. (in iv. 2. 4¹), TB. (i. 2. 1¹⁶), and MS. (ii. 7. 11), have only the first (agreeing with TA. in the second). TA., however, reads *dadātv av-* in **d**, and that is found also in our P.M.I. The comm. has for **b** the pāda of the other texts: *ye 'tra stha purāṇā ye ca nūtanāḥ.* ⌊My discussion of the verse in *Skt. Reader*, p. 378, may be consulted.⌋ The verse, with 2. 37, accompanies in Kāuç. (80. 42) the sprinkling of the place of cremation with holy water; in Vāit. (28. 24), the sweeping of the site for the householder's fire, in the *agnicayana* ceremony. ⌊Weber, *Sb.* 1895, p. 839, takes the verse as a call, addressed to all creatures (whether animals or demons) that may infest the resting-place of the dead man, to quit the same (averruncatio).⌋

⌊Böhtlingk, in his paper *Ueber esha lokaḥ*, discusses this verse at *Ber. der sächsischen Gesell.* for 1893, xlv. 131. — He would read *vī́ta*, not *vī̀ta*, referring to Whitney's *Grammar*² § 128, and suggesting that *divī̀va* is perhaps the only example for the circumflex; but I have noted *vī̀ndra*, RV. x. 32. 2, *vī̀va*, vii. 55. 2, *nī̀ta*, AV. iii. 11. 2, and *bhindhī̀dám*, vii. 18. 1, and suspect that Whitney has collected all the *prāçliṣṭa svaritas* from AV. (nearly a score) in his note to the Prāt. iii. 56.⌋

56. Eager (*uçánt*) would we light thee, eager would we kindle; do thou, eager, bring the eager Fathers to eat the oblation.

The corresponding verse in RV. (x. 16. 12; also VS. xix. 70) has *ní dhīmahi* for *idh-* in **a**; TS. (in ii. 6. 12¹) and MS. (in i. 10. 18) read instead *havāmahe*, and with these our comm. agrees. Used in Kāuç. (87. 19: the comm. says, with vs. 57 also) to accompany, in the *piṇḍapitṛyajña*, the lighting of two pieces of wood. ⌊The next vs. is a variation of this.⌋

57. Lightful (*dyumánt*) would we light thee, lightful would we kindle; do thou, lightful, bring the lightful Fathers to eat the oblation.

More than half the mss. (including all ours except O.Op.T.K. ⌊which have *dyumatá*, p. *dyu°matáḥ*⌋) read *dyumantás* in c, which we accordingly adopted in our text, though the form is of course ungrammatical; SPP. reads correctly *dyumatás*. ⌊Cf. my *Noun-Inflection*, p. 521.⌋ ⌊This vs. is a mere variation of the preceding, with *dyumánt*-forms in place of *uçánt*-forms. Perhaps in this connection the fact is noteworthy that W's codex I. does not accent the vs. Here again the comm. reads *havāmahe* for *idhīmahi*.⌋

58. The Añgirases, our *návagva* Fathers, the Atharvans, the Bhṛigus, soma-drinkers (*somyá*) — may we be in the favor of those worshipful ones, likewise in their excellent well-willing.

The verse is RV. x. 14. 6, also VS. xix. 50, and in TS. ii. 6. 12^6, all without variant; the second half is met with further at AV. vi. 55. 3 ⌊reading as here⌋; and in other verses of RV. and AV.: ⌊namely, RV. iii. 1. 21; vi. 47. 13; x. 131. 7; AV. vii. 92. 1: but with *tásya yajñíyasya* instead of our plural⌋. It is used by Kāuç. (81. 36) in the cremation service ⌊with vss. 59–61 and 2. 1–3: see note to vs. 49⌋.

59. Come thou hither with the worshipful Añgirases; revel here, O Yama, with the Vāirūpas — I call Vivasvant, who is thy father — sitting down upon this *barhís*.

The verse is found as RV. x. 14. 5, and in TS. ii. 6. 12^6 and MS. iv. 14. 16. All these rectify the meter by inserting ⌊or rather (cf. vs. 42), by not omitting⌋ *yajñé* after *asmín* in d, and they have in a the equivalent reading *áñgirobhir á gahi yajñíyebhiḥ*. The AV. version is *bṛhatī* ⌊possibly because one can count its d as 9 syllables: *purā-bṛhatī* does not seem to occur elsewhere and perhaps it is wrong⌋.

60. Ascend thou, O Yama, this cushion (*prastará*), in concord with the Añgiras Fathers; let the sacred utterances (*mántra*) made in praise by the poets bring thee; then (*ená*), O king, revel thou in the oblation.

This verse also is found as RV. x. 14. 4, and in TS. ii. 6. 12^6 and MS. iv. 14. 16, all of which have *sída* for *róha* in a, and *havíṣā* for *-ṣas* in d. The comm., too, reads *sīda*. The only one of our mss. that accents *róha* is Op., and our reading the word with an accent was an emendation; SPP. gives the same, on the authority of most of his mss. ⌊The comm. calls *hí* an expletive.⌋ Kāuç. 84. 2 uses the verse with an offering to Yama in the ceremony of interment of the bones; and the comment appears to quote the same rule under 45. 14, in the *vaçāçamana* rite.

61. These ascended up from here; they ascended the backs of the sky (*dív*); the Añgirases have gone forth to heaven (*dív*), like *bhūrjís*, by the road.

The verse is found in SV. (i. 92), which combines in b *diváḥ pṛ-*, accents *bhūrjáyas* in c, and inserts *úd* before *dyám* and leaves *yayus* unaccented in d. It also accents *udā́ruhan* in **a**, as does our edition; but the mss. decidedly favor *úd ā́ 'ruhan* (p. *út : ā́ : aruhan*), and SPP. rightly adopts this reading. The comm. reads *etad* instead of *ete* in **a**; it makes *bhūrjáyas* (p. *bhūḥ○jáyaḥ;* SV. p. *bhūḥ : jáyaḥ*, this *pada*-text dividing compound words without any hyphen or its equivalent between the parts) an epithet of the Añgirases, rendering it by *bharaṇavanto bhuvaṁ jitavanto vā*, and justifies the accent of *yayús* by treating *yáthā* as = *yādṛçena* "by what road the *bhūrjis* went" etc. SPP. accents *bhūrjáyas* on the authority of a single one of his mss.; all ours leave it without accent (in our text the accent-mark under its final syllable has become lost in printing); both Pet. Lexx. ignore the word entirely; its real meaning is wholly obscure, as it seems to have been to the makers of the *pada*-text; for their suggested etymology is plainly valueless. The verse is used by Kāuç. (80. 35), with 2. 48, 53; 3. 8, 9; 4. 44, in preparing for taking the body of the deceased person to the funeral pile; the six verses are called *hariṇīs*, and are repeatedly employed in other parts of the funeral and ancestral rites (82. 31; 83. 20, 23; 84. 13); also by Vāit. (37. 24), in a like connection.

⌊Here ends the first *anuvāka*, with 1 hymn and 61 verses. The quoted Anukr. says *ekaṣaṣṭiç ca.*⌋

2. ⌊Funeral verses.⌋

[*Atharvan.—ṣaṣṭi. yamadevatyam mantroktabahudevatyaṁ ca* (*4, 34. āgneyyāu; 5. jātavedasī; 29. pitryā*). *trāiṣṭubham : 1–3, 6, 14–18, 20, 22, 23, 25, 30, 34, 36, 46, 48, 50–52, 56. anuṣṭubh;* [*4,*] *7, 9, 13. jagatī; 5, 26, 49, 57. bhurij; 19. 3-p. ārṣī gāyatrī; 24. 3-p. samaviṣamā "rṣī gāyatrī; 37. virāḍ jagatī; 38–44. ārṣī gāyatrī* (*40, 42–44. bhurij*)*; 45. kakummaty anuṣṭubh.*]

⌊Of the eight "measuring-verses," 38–45, the first (vs. 38) is a true *gāyatrī;* the next six (39–44) are mere repetitions of vs. 38, with an *ūha* in the first pāda which sometimes spoils the meter; and the last (vs. 45) agrees in its last two pādas with the rest, but has a prior half which is true prose.⌋

⌊Of this hymn, only vs. 13 **a**, **b** and vs. 17 are found in Pāipp., in books xix. and xx. respectively. The ritual uses by Vāit. are naturally very meagre: namely, we find vss. 19–20 used once, and that in the *puruṣamedha*. On the contrary, all but about 18 of the 60 vss. are cited by Kāuç. (see under the verses). Bloomfield's Index may be corrected on page 410 by the insertion of vss. 1–3 (see under vs. 1). Verses 1–3 and 49 constitute, with verses from hymns 1 and 3, parts of an important ritual sequence of 11 verses, as noted under 1. 49. And verses 4–18, the *anuṣṭhānīs*, constitute (with the exception of vs. 10) another such sequence.⌋

⌊**The provenience of the material of this hymn.**— Whereas nearly all of the preceding hymn (all but 4 or 5 out of 61 verses) is found also in the RV., of this hymn, on the other hand, but little more than a third part (hardly 25 vss. out of 60) is RV. material. As elsewhere noted, the hymn begins with 3 vss. which form part of a ritual sequence (of 11 vss.) continuous with the last verses of the preceding hymn.

Part I., verses 1–13.— These are two groups of verses from RV. x. 14 (to wit: our vss. 1–3, which sub-group we may call **I. a**, and which equals RV. x. 14. 13, 15, 14; and our vss. 11–13, which sub-group we may call **I. b**, and which equals RV. x. 14. 10, 11, 12), between which are interposed the first 5 vss. of RV. x. 16, our vss. 4–5 and 7–8 and 10, which sub-group we may call **I. c**.— Again, between the second and third verses of **I. c** (our vss. 5 and 7) is interposed the single verse, RV. x. 14. 16 (our 6); and between the fourth and fifth verses of **I. c** (our vss. 8 and 10) is interposed a single verse (our 9) which appears to be a parallel to our 8, but is not found in other texts to my knowledge, though its prior half resembles that of xiii. 1. 9.

Part II., verses 14–18. — The Yama-verses of RV. x. 154, in the order 1, 4, 2, 3, 5.
The "measuring-verses," 38–45, form a sequence by themselves, and do not recur elsewhere, so far as I know. Compare Caland's *Todtengebräuche*, p. 145.
For the rest, RV. verses occur only sporadically:

our 19 = RV. i. 22. 15
our 33 = RV. x. 17. 2
our 35 **ab** = RV. x. 15. 14 **ab**
our 35 **cd** = RV. x. 15. 13 **cd**
our 50 **cd** = RV. x. 18. 11 **cd**
our 54 = RV. x. 17. 3
our 55 = RV. x. 17. 4
our 58 = RV. x. 16. 7
our 59 **cd** = RV. x. 18. 9 **cd**
our 60 **ab** = RV. x. 18. 9 **ab**

It may be added that a considerable part of the material of the hymn is naturally found in the *pitṛmedhaprapāṭhaka* (vi.) of the TA.: that is to say, all the RV. verses of Part I. or all of it save our vs. 9; and 3 verses of Part II., our 14, 17, 16 = RV. verses 1, 3, 2; and, besides, our vs. 25 and about 8 of the last 11 verses. Of the verses last mentioned, vs. 25 and vss. 56 and 57 seem to be peculiar to AV. and TA. — Finally, several fragments (9 **ab**, 26 **ab**, 49 **ab**) recur elsewhere in the AV.; and 33 is properly inseparable from 1. 53. — The TA. readings correspond more nearly with those of RV. than with those of AV. — Verse 51 is a variation of 50: compare the relation of 1. 57 and 56.⌋

Translated: by Weber, *Sb.* 1895, pages 842–866; Griffith, ii. 227; — verses 9 and 20–59, by Ludwig, pages 482–484 (for vss. 32–33, see p. 332); a considerable number also by Muir, v. 293–296, 304; and the RV. verses, of course, by the RV. translators. — For an analysis of the hymn with reference to its contents, see Weber, p. 843.

1. For Yama the soma purifies itself; for Yama is made the oblation; to Yama goes the sacrifice, messengered by Agni, made satisfactory.

The verse corresponds to RV. x. 14. 13, which, however, in **a** reads *sómaṁ sunuta*, and in **b** *juhutā* (for *kriyate*). TA. (vi. 5. 1) agrees with RV. in both points, but has *gachatu* in **c**. The comm. reads at the end *alaṁkṛtas*.

⌊Verses 1, 2, and 3 of this hymn are used (Kāuç. 81. 36) in one continuous sequence with the last four of the preceding hymn (*iti saṁhitāḥ sapta !*), to accompany the oblations to Yama in the cremation ceremony: for details, see my note to xviii. 1. 49.⌋

2. Offer ye to Yama what is most honeyed, and stand forth; this homage to the former-born, the former, the path-making seers.

This verse and the next correspond to RV. x. 14. 15 and 14, save that RV. makes our 2 **b** and 3 **b** change places* and they become respectively its 14 **b** and 15 **b**, the double inversion thus leaving our 2 **b** and 3 **b** in the same relative position in both texts. TA. (in vi. 5. 1) agrees throughout with RV., both in this verse and the next. Our 2 **b** agrees also with RV. i. 15. 9 **b**. But RV. in both places has, like TA., *juhóta* for our *juhótā*.

*⌊The case is interesting as showing how easily the component elements of many of these verses may be shuffled about without detriment to what we may, out of politeness to the Rishis, call the "sequence of thought." The result of the transpositions is best shown by parallel columns, thus:

RV. x. 14. 14 **ab**.	AV. xviii. 2. 3 **ab**.
yamā́ya ghṛtávad dhavír *juhóta prá ca tiṣṭhata.*	*yamā́ya ghṛtávat páyo* *rā́jñe havír juhotana.*
RV. x. 14. 15 **ab**.	AV. xviii. 2. 2 **ab**.
yamā́ya mádhumattamaṁ *rā́jñe havyáṁ juhotana.*	*yamā́ya mádhumattamaṁ* *juhótā prá ca tiṣṭhata.*

Roth has beautifully illustrated the matter by shuffling together verses from Schiller's Riddles ("Von Perlen baut sich eine Brücke" and "Es steht ein gross' geräumig Haus"): see ZDMG. xxxvii. 109. — Cf. notes to xviii. 2. 35; 3. 47.⌋

3. Unto Yama the king offer ye an oblation, milk rich in ghee; he furnishes (*ā-yam*) to us among the living a long life-time, for living on.

The verse is RV. x. 14. 14 (found also in TA. vi. 5. 1), except that **b** is 15 **b**: ⌊see note to the preceding verse⌋. ⌊TA. agrees with RV.⌋ For *páyas* in **a**, RV. reads *havís;* for *havís* in **b**, *havyám;* and in **c**, **d**, it has *devéṣv ā́ yamad dīr-*. SPP. reads in **c–d** *yamed dīr-* ⌊so also Caland, *Todtengebräuche*, note 243⌋, which is certainly better than *yame dīr-*: half his authorities give the former; but of our mss. only Op. has *yamet*, while D. has *yamat*, like RV. ⌊TA. and the comm.⌋. ⌊The case is strikingly like that of *mānaye tathā, mānayet tathā*, at xv. 10. 2.⌋ — The Prāt. (ii. 76) distinctly requires *ā́yuṣ prá* to be read in **d**, but of our mss. only O.s.m. (in margin) gives it; nearly half of SPP's *saṁhitā*-mss., however, have it, and it ought to be received as the true AV. text, though both editions read *ā́yuḥ*. These three verses make no appearance in Kāuç. ⌊This last statement now appears to be wrong: see note to vs. 1.⌋

⌊Considering the exaggerated nicety of the theory of the Hindus respecting consonant groups (cf. Whitney, AV. Prāt., p. 584–90), and in particular their doctrine of the *varṇa-krama* ("At the end of a word, a consonant is pronounced double," *padānte vyañjanaṁ dviḥ*, Prāt. iii. 26), it is strange that the mss. sometimes fail to come up even to the simple requirements of orthography as set by grammar and sense. On the other hand, it can hardly be said that the mss. in the cases of these shortcomings are a less truthful representation of the actual connected utterance of the text than would be for instance the graphical representation of the English *some more* by the words *some ore.* — I have thought it worth while to assemble a few notable cases where the one of two needed double letters is omitted. Thus besides *yame[d] dīrghám* and *mānaye[t] táthā*, just mentioned, we have: at xviii. 3. 3, *jīvā́m [m]ṛtébhyas* (a most striking example: there is abundant ms. authority for the false *ṛtébhyas*, which is yet shown beyond all peradventure to be a blunder by the *mṛtā́ya jīvā́m* of TA.); at xviii. 4. 40, *juṣantām | ā́sīnām ū́rjam úpa yé sácante*, shown to be a gross corruption by HGS., which reads *juṣantām | māsī 'mām ūrjam* etc.; at xix. 31. 2, *sá[m] mā sṛjatu puṣṭyā́*, where Ppp. has in fact *sam mā*, and where *sám* is supported by the parallelism of our vi. 5. 2; and, at xix. 7. 3, *áriṣṭa[m] mū́lam*, where all authorities agree in omitting the *-m*. — On the other hand, a superfluous double is sometimes written. Thus we find: at xix. 42. 3, *sumatím [m]āvṛṇānáḥ*, where the *pada*-text reveals its modernity and lack of insight by reading unaccented *mā* and *vṛṇānáḥ* instead of *ā°vṛṇānáḥ;* and at xix. 58. 4, *púraḥ kṛṇudhvam [m]ā́yasīḥ*. At xix. 46. 6, the *ghṛtā́d dúrluptas* or *úrluptas* of some authorities, instead of *-ā́d úllup-*, is a blunder of similar origin. Cf. *sā́danā[t] te*, xviii. 3. 52, note. The well-known *sám [m]ahema* of RV. i. 94. 1, as taken by BR. at vii. 1609, i. 567, would belong in this category; but Grassmann manages to refer it to root *mah*.⌋

4. Do not, O Agni, burn him up; do not be hot upon (*abhi-çuc*) him; do not warp (*kṣip*) his skin, nor his body; when thou shalt make him done, O Jātavedas, then send him forward unto the Fathers.

This verse and the next are RV. x. 16. 1 and 2, but RV. makes our 4 **c** and 5 **a** change places (cf. note to our vs. 2). RV., however, reads *çocas* for *çūçucas* in **a**, and at the end *pitṛ́bhyas* ⌊as in our 5 b⌋ for *pitṝ́n úpa.* In d, SPP. reads, with RV., *áthe "m enam*, alleging for his reading three out of eight authorities, as against two or three that have *imám.* The comm. appears to read *īm.* Of our mss., all save O.Op.R. give *áthe 'mám enam* (and O. is corrected once to this, but the correction struck out again), as our edition reads; this is so bad a corruption that the authority for the other should be regarded as sufficient. TA. (in vi. 1.4) agrees with RV. except in having *karávas* in its c ⌊our 5 a⌋. The text of the comm. agrees with RV. and TA. in having *pitṛbhyas* for *pitṝn upa*, while the comm. quotes *pitṛbhyas* and then adds and explains *upa* ⌊constructively a blend-reading⌋. Our Bp. appears to give in a *çuçucaḥ*, as it ⌊apparently⌋ ought to do according to Prāt. iv. 86, though the example is not quoted in the comment on that rule; but the other *pada*-mss. ⌊and SPP.⌋ have *çūçucaḥ.* The Anukr. is questionable in its reading as to the verse, whether *triṣṭubh* or *jagatī:* the RV. version is pure *triṣṭubh;* the AV. one is mixed (12 + 11 : 11 + 12). Kāuç. (81. 33) prescribes this verse to be used, with 2. 36; 3. 71, and ii. 34. 5, when the youngest son lights the funeral pile, some of the schol. declaring vss. 4–7 to be intended instead ⌊cf. the comm., page 86^{20}⌋; then, in 81. 44, vss. 4–9 and 11–18 are called *anuṣṭhānīs*, and are to be repeated by the *anuṣṭhātṛ* during the cremation. ⌊Root *kṣip* properly means 'warp' in its obsolete sense 'cast *or* throw.' If, as I think, W. is right in rendering the causative here by 'warp' = 'twist out of shape, contort,' the cases present an interesting semantic parallel. BR. render by 'platzen machen.' Different is the sense of *ava-kṣip* at 4. 12: see my note.⌋

5. When thou shalt make him done, O Jātavedas, then commit him to the Fathers; when he shall go to that other life (*ásunīti*), then shall he become a controller (?*vaçanī́*) of the gods.

The verse is RV. x. 16. 2, but RV. makes our 5 a and 4 c change places: see note to vs. 4. RV. has *yadā́* ⌊for our *yadó* = *yadā́ u*⌋ at beginning of c, and *áthā* at beginning of d. TA. (in vi. 1. 4) agrees throughout with RV. save in accenting *karási* in a. Both, of course, read *áthe "m enam* in b; but this time the AV. mss. are as good as unanimous in the corruption of *īm* to *imám*, and both the published texts are compelled to read it; the Anukr., too, seems to ratify it, by calling the verse *bhurij;* the comm. has instead *idam*, and one or two of SPP's authorities follow it. The comm. explains *asunīti* by *asūn prāṇān nayati lokāntaram*, and hence *prāṇāpahartrī devatā;* and *devānām* by *svakīyānām indriyāṇām;* while *vaçanīs* is (*cakṣurādīndriyāṇāṁ*) *sūryādidevatāprāpakaḥ!* ⌊Weber deems the idea of getting the gods under your control to be an indication of lateness or possibly of Buddhistic influence: *Sb.* 1895, p. 845, and 1897, p. 597.⌋

6. With the *tríkadrukas* it purifies itself; six wide ones, verily one great one; *triṣṭúbh*, *gāyatrī́*, the meters: all those [are] set in Yama.

RV. x. 14. 16, the corresponding verse, has in a *patati*, and at the end *ā́hitā;* TA. (in vi. 5. 3) agrees with it, but transposes *triṣṭúbh* and *gāyatrī́* in c. The sense of the verse is wholly obscure. According to our comm., the *trikadrukas* are the *jyotiṣṭoma*, *goṣṭoma*, and *āyuṣṭoma;* the "six wide ones" (f.) are heaven and earth and day and night and waters and herbs; "the great one" (n.) is taken ⌊alternatively⌋ as applying to Yama (m.): *mahāntaṁ yamaṁ uddiçyāi 'va pravartante!* The commentator's ignorance is as great as our own; only he has no mind to acknowledge it. ⌊Hillebrandt cites passages akin with this, *Ved. Mythol.* i. 500.⌋

7. Go thou to the sun with thine eye, to the wind with thy soul (*ātmán*); go both to heaven and to earth with [their] due shares (?*dhárman*); or go to the waters, if there it is acceptable (*hitá*) to thee; in the herbs stand firm with thy bodies.

In the corresponding RV. verse (x. 16. 3) is read in **a** *cákṣur gachatu* and *ātmā́;* in **b**, *dyā́m* and *dhármaṇā;* TA. (vi. 1. 4: cf. 9. 2) has the same, but also inserts *te* in **a** after *sū́ryam*, and accents *gácha*, Brāhmaṇa-wise, in **b**—as does also SPP. in his text, with a minority of his authorities (and our Op.): there is the same reason (but no authority) for *gácha* in **a** also, but none in **c**, where, nevertheless, our Op. and R.s.m. have *gácha*. The verse lacks a syllable of being a full *jagatī*. ⌊Cf. the note to this vs. in my *Reader*, p. 379.⌋

8. The goat is the share of the heat (*tápas*); heat thou that; that let thine ardor (*çocís*) heat, that thy flame (*arcís*); what propitious bodies (*tanū́*) are thine, O Jātavedas, with them carry him to the world of the well-doing.

The RV. version of this verse has (x. 16. 4) *tápasā* in **a**; in this case, as seldom, the AV. reading is better. TA. (in vi. 1. 4) also gives *tápasā*, and it ends differently: *vahe 'mám sukṛ́tāṁ yátra lokā́ḥ;* ⌊and it reads *ajó 'bhāgás*, which is explained by its comm. as *bhāgarahitaḥ*⌋. The comm. also has *tapasā*. Kāuç. (81. 29) directs the verse, with 2. 22 (some mss. say, with 2. 57), to be repeated while "binding a goat on the south," the *anustaraṇī* (as which, nevertheless, the goat is here meant) having been already laid, as a cow, on the body to be burned. ⌊But see Weber's treatment of the vs., *Sb.* 1895, p. 847.⌋

9. What ardors (*çocí*), swiftnesses (*ráṅhi*) are thine, O Jātavedas, with which thou fillest the sky, the atmosphere, let them collect (*sam-ṛ*) after the goat as he goes; then with other most propitious ones make him propitious.

With the first half-verse is to be compared xiii. 1. 9 **a**, **b**. SPP. reads in **d** *çṛtám* for *çivám*, with the decided majority of his authorities; of our mss., only O.Op.R.K. have *çṛtám*. The comm. has *çṛtam;* and further, in **b**, *prīṇāsi*, rendering it by either *pūrayasi* or *tarpayasi*. He takes *raṅháyas* as an adj., = *vegavatyas*, which is not unacceptable. The verse is no proper *jagatī*, either in movement or in number of syllables (12 + 12 : 11 + 14 = 49). ⌊The comm. has *çivatarābhiḥ* in **d**.⌋

10. Release again, O Agni, to the Fathers him who goes (*car*) offered to thee, with *svadhā́;* clothing himself in life (*ā́yus*), let him go unto [his] posterity (?*çéṣas*); let him be united with a body, very splendid.

The corresponding verse in RV. (x. 16. 5) reads at end of **b** *svadhā́bhis*, in **c** *vetu* for *yātu*, and at end *jātavedaḥ* (for *suvárcāḥ*); TA. (in vi. 4. 2) also has *svadhā́bhis* and *jātavedas*, but in **c** gives *úpa yātu çéṣam*. ⌊The last pāda, **d**, recurs below at 3. 58.⌋ The third pāda is of doubtful meaning, but perhaps relates to the return of the deceased, after due installation among the Manes, to receive the ancestral offerings. The comm. explains *çéṣas* ⌊which he takes as *çeṣa-s*, masc.⌋ simply as *apatyanāman*. ⌊Kāuç. 81. 44 excepts this verse from the sequence of 14 *anuṣṭhānī* verses (4–18): see under vs. 4.⌋ In Kāuç. (82. 28) the verse is used in the ceremonies of the third day after cremation, in connection with sprinkling and collecting the bones. The Anukr. takes no notice of the deficiency of a syllable in d. ⌊As to *çeṣas*, see my note on this vs., *Reader*, p. 379–380: W's interpretation seems to me much better than either of those there noted.⌋

11. Run thou past the two four-eyed, brindled dogs of Saramā, by a happy (*sādhú*) road; then go unto the beneficent Fathers, who revel in common revelry with Yama.

The corresponding verse in RV. is x. 14. 10. RV. puts *sārameyāú* before *çvā́nāu*: ⌊and with this order (but not with that of AV.), the resolution to *çuā́nāu* is effective in giving a normal rhythm⌋. RV. reads in c *áthā* for *ádhā*, and *úpa* for *ápi;* TA. (in vi. 3. 1) has *ápī 'hi*, but agrees otherwise with RV. The comm. gives instead *ape 'hi;* and it explains this difficult reading by either taking *apa* as used in the sense of *upa*, or else understanding it to mean "go away [from the dogs]"! The Anukr. pays no attention to the redundant syllable in b, ⌊unless it assumes a deficiency in a to balance it⌋. The verse (according to the comm., vss. 11–13) is used (Kāuç. 81. 22) when the two kidneys of the accompanying sacrificed animal are (by way of a "sop to Cerberus") put into the hands of the dead man on the funeral pile. Then verses 11–18 are (Kāuç. 80. 35) mentioned and used with the *hariṇīs* (see under 1. 61); and by the schol. ⌊see note to Kāuç. 82. 31⌋ and the comm. they are reckoned themselves as *hariṇīs*. The comm. further prescribes them as accompanying the transfer of the dead body to the place of cremation.

12. What two defending dogs thou hast, O Yama, four-eyed, sitting by the road, men-watching, with them, O king, do thou surround him; assign to him well-being and freedom from disease.

The verse is RV. x. 14. 11, which in b reads *pathirákṣī nṛcákṣasāu*, and for c *tā́bhyām enam pári dehi rājan* (our *dhehi* is a corruption), and in d inserts *ca* after *svasti.* TA. (in vi. 3. 1) agrees with RV. except in having *-cákṣasā*, and in placing *rājan* and *enam* in c as does AV. The comm. makes a compound of *yamarakṣitārāu* in a; and it declares *pari dhehi* in c to = *paridehi.*

13. Broad-nosed, feeding on lives (?*asutṛ́p*), copper-colored, Yama's two messengers go about after men (*jána*); let them give us back here today excellent life (*ásu*), to see the sun.

The corresponding verse in RV. (x. 14. 12) differs only by combining in a *-tṛ́pā ud-* (p. *-tṛ́pāu : ud-*). TA. has the verse in vi. 3. 2: it reads in a *-pāv ulumbalāú* ⌊which seems to answer phonetically to a form beginning *uḍum-* and is glossed by *prabhūta-balayuktāu*, as if *ulum-** were = *urum-*?⌋; in b, instead of *jánāṅ*, it reads *'váçāṅ* ⌊i.e. *avdçān :* glossed by *asvādhīnān prāṇinaḥ*⌋; and in d, for *dātām*, it has *dattāv* ⌊accent-less, and glossed by *prayacchatām !*⌋. Ppp. has the first half-verse, in book xix., reading *udumbarāu* and *caratāu*. *⌊For the confusion between the sounds of *ḍ* and *ḷ* and *d* and *l*, see Kuhn's *Pāli-gram.*, p. 37, and cf. below, at 3. 1, *-pāláyantī*, *-pād-*.⌋

14. Soma purifies itself for some; some wait upon (*upa-ās*) ghee; for whom honey runs forward (?), unto them do thou go.

The 'go' in these verses is *gachatāt*, imperative of remoter or after action. The translation implies restoration in c of the RV. (x. 154. 1) reading *pradhā́vati*, of which our *pradhā́v* (p. *pra∘dhā́ū*) *ádhi* seems only a blundering and unintelligible corruption. Some of our mss. (and one of SPP's) accent *pradhā́vadhi.* The comm. agrees with RV., and SPP. is not to be blamed for adopting, though against all the authorities save the comm., *pradhā́vati* in his text. TA. (which has our vss. 14, 17, and 16 following immediately after our 11–13, little as the two sets appear to have to do with each other) reads (in vi. 3. 2) with RV. ⌊See p. xcii.⌋

15. They who of old were won by right, born of right, increasers of right — to the seers rich in fervor (*tápas-*), born of fervor, O Yama, do thou go.

The corresponding RV. verse (x. 154. 4) reads in **a**, **b** *pū́rva ṛtasā́pa ṛtā́vānaḥ*, in **c** *pitṝ́n*, in **d** *tā́ñç cid evá* (as in our vss. 14, 16, 17). The comm. explains *yama* here to mean *yamavan niyata*, or *yamena nīyamāna preta*, which is probably not far from correct; it is the deceased person who is addressed.

16. They who by fervor are unassailable, who by fervor have gone to heaven (*svàr*), who made fervor their greatness, unto them do thou go.

The corresponding RV. verse (x. 154. 2) has no variant; in TA. (vi. 3. 2), however, we find *gatā́s* for *yayús* in **b**, and *mahát* for *máhas* in **c**: this latter reading the comm. appears to have in mind when he explains *mahas* as signifying *mahat.*

17. They who fight in the contests (*pradhána*), who are self-sacrificing (*tanūtyáj*) heroes, or who give thousand-fold sacrificial gifts, unto them do thou go.

The corresponding RV. verse (x. 154. 3) has no variant; TA. (in vi. 3. 2) has *tanuty-* in **b**. Ppp. has the verse, in book xx., and reads for **c**, *tās tvaṁ sahasradakṣiṇāḥ*, and in **d** *gachatām.*

18. Poets (*kaví*) of a thousand lays (*-nīthá*), who guard the sun — to the seers rich in fervor, born of fervor, O Yama, do thou go.

The verse is RV. x. 154. 5, without variant. The comm. adds this time to its explanation of *yama* (cf. under vs. 15) *niyata çakaṭe baddha vā.*

19. Be pleasant to him, O earth, a thornless resting-place; furnish him broad refuge.

RV. has a corresponding verse (i. 22. 15), but reads for **a** *syonā́ pṛthivi bhava ;* and in **c** it reads *nas* for *asmāi*, and *sapráthas* for *-thās* ⌊see my *Noun-Inflection*, p. 560⌋; VS. (xxxv. 21) has nearly the same, but inserts *nas* after *pṛthivi*, and ends with *-thās*, like our text; MB. (ii. 2. 7) agrees with VS. except in having *-thas*, like RV.; it also adds a fourth pāda. ⌊MP. ii. 15. 2 agrees with RV. save that it combines *naç çárma* and ends with *-thās.* Cf. the *pratīka* in MGS. i. 10. 5, and the Index, p. 158.⌋ The comm. explains *anṛkṣarā* by *anādhikā.* In Kāuç. (80. 3) this verse (according to the comm., vss. 19–21) is to be used when the man threatened with death is laid on the floor on *darbha*-grass; and again (80. 38), when the dead body is taken down from the cart at the funeral pile; and once more (82. 33), when the jar containing the bones is deposited in (or on) the earth. In Vāit. 37. 25, vss. 19 and 20 accompany the knocking-down of the animal-victim in the *puruṣamedha* sacrifice.

20. In the unoppressive wide space (*loká*) of earth be thou deposited; what *svadhā́s* thou didst make when living, be they dripping with honey for thee.

Most of the *pada*-texts (except our Op. and one of SPP's) read *svadhā́* instead of *svadhā́ḥ* in **c**. ⌊SPP. gives as *pada*-reading *svadhā́ḥ*, and so the comm. interprets.⌋ At end of **c**, the authorities are bothered by a confusion of *jī́van* and *jīvám*. The *pada*-mss. read *jīván* (two of SPP's ⌊P. and P.^{2}, which are unaccented in this book⌋ have *jīvan*): the *saṁhitā*-mss. have either *jīváṅs t-* (most of our mss.), or else *jīváṁ t-* (our O. and most of SPP's authorities), or else *jīvā́n t-* (one or two of SPP's). SPP. reads in his text *jī́van t-*, and says "the emendation is mine," not noticing that we had made it (the necessity of it being perfectly obvious) before him. The comm., too, has *jīvan*. The comm., with four or two of SPP's mss., makes the common blunder of reading at the end *-çcyutaḥ*. In Kāuç. (82. 21) the second half-verse is quoted in full to accompany the pouring a pot-offering into the fire on the second day after cremation (here, too, only one ms. reads *jīvaṅs t-*, and most of the rest *jīvaṁ t-*).

21. I call thy mind hither with mind; come unto these houses, enjoying [them]; unite thyself with the Fathers, with Yama; let pleasant, helpful (?*çagmá*) winds blow thee unto [them].

Excepting K., all our mss. read *imā́m* (or *imā́ṁ*) in **b**; SPP. records the reading as given only by two of his *pada*-mss. ⌊Pāda **c** is RV. x. 14. 8 **a**.⌋ The comm. glosses *çagmās* with *sukhakarās*. The Anukr. does not heed the redundant syllable in **b**.

22. Let the water-carrying, water-floating Maruts carry thee up, making [thee] cool by the goat, let them sprinkle [thee] with rain, splash!

Some of the authorities (our O.Op.R.D., and near half of SPP's, with the comm.) have in **b** *udaplútas*. For the use of the verse by Kāuç., see under vs. 8 above. ⌊Cf. the use of *bā́l* in i. 3. 1.⌋

23. I have called up life-time unto life-time, unto ability (*krátu*), unto dexterity, unto life; let thy mind go to its own ⌊pl.⌋; then run unto the Fathers.

The majority of our mss. (except Bs.s.m.R.Op.K. ⌊which have *svā́n*⌋; T. has *svā́ṁn*), and two of SPP's, read *svā́m* at beginning of **c**, as does also the comm., which supplies *tanum* for it to qualify. SPP. gives in **c–d** *máno ádhā*, and claims that all his authorities without exception read thus; our Bs. has *'dhā*, and if any of the other *saṁhitā*-mss. ⌊except O., which has *máno ádhā*⌋ do not agree with this, I have failed to note it.

24. Let nothing whatever of thy mind, nor of thy life (*ásu*), nor of thy members, nor of thy sap, nor of thy body, be left here.

The translation implies emendation of *mánas* to *mánasas*, as called for by the connection and by the meter. The Anukr. scans the verse as 6 + 8 : 10 = 24. Bs.E. have *tanvā̀ḥ* in **c**. This verse, with 26 below, is used by Kāuç. (82. 29) in connection with gathering up the bones after cremation; with the same, and further with 3. 25–37, in connection (85. 26) with their interment. ⌊For its general purport, see Weber, *Sb.* 1894, p. 775, note 2.⌋

25. Let not the tree oppress thee, nor the great divine earth; having found a place (*loká*) among the Fathers, thrive (*edh*) thou among those whose king is Yama.

Only about half the mss. have at the end the true reading *yamárājasu* (which both editions give, as was proper); some of our *saṁhitā*-mss. (P.M.T.) accent *yamarā́jasu*, and most of the *pada*-mss. have correspondingly, as two independent words, *yama : rā́ja○su* (namely Bp.D.Kp., and two of SPP's); one (I.) has *yamárā́j-*. One or two (including our O.) give *bādhiṣṭhe* in **a**. TA. (in vi. 7. 2) has two corresponding verses: *mā́ tvā vṛkṣāú sám bādhiṣṭām mā́ mātā́ pṛthivi tvám : pitṝ́n hy átra gácchāsy édhāsaṁ yamarā́jye*, and *mā́ tvā vṛkṣāú sám bādhethām mā́ mātā́ pṛthivī́ mahī́ : vāivasvatáṁ hí gácchāsi yamarā́jye ví rājasi :* both are partly corrupt. According to Kāuç. (82. 32), the verse accompanies the deposit of the collected bone-relics "at the root of a tree." ⌊Baunack, ZDMG. l. 281, 284, understands *vánaspáti* at RV. v. 78. 5 and AV. xviii. 3. 70, as meaning, like *vṛkṣá* here, a tree used after the manner of a coffin. Curiously enough, *peṭikā* (Sāyaṇa's gloss for *vanaspati*) usually means κόφινος.⌋ ⌊For consistency, the Berlin ed. should read *vittvāt-*.⌋

26. What limb of thine is put over at a distance, and what expiration [or] breath has gone forth upon the wind (?), let the associated (*sánīḍa*) Fathers, assembling, make that enter thee again, bit (*ghāsá*) from bit.

With the first half-verse is to be compared vii. 53. 3 **a**, **b**. All the *saṁhitā*-mss. in **b** accent *vā́te*, save one of SPP's, *sec. manu;* and all our *pada*-mss. divide *vā́ : te*, as if, after all, they thought *vā : te* intended. SPP's *pada*-mss. also divide *vā́ : te* (only one of them is accented); he adopts *vā te*, on the authority of the one altered ms. ⌊and the comm.⌋. To me *vā́te* seems rather the preferable reading, though there is not much to choose between the two. Our O. and two or three of SPP's authorities give *páretāḥ* ⌊plural: but no *pada*-ms. has *yé* to correspond⌋. Several of our mss., and the decided majority of SPP's authorities (except the *pada*-authorities: which, as he fails to report them, presumably have *-ḍāḥ*) read *sánīḍād gh-*; but of our *pada*-mss., all but one ⌊Op.s.m.⌋ give *sá○nīḍāḥ*, and this SPP. adopts in his text, as do we. The comm. has *sanīlās;* in **b**, he reads *ye . . . paretāḥ*. The use of the verse with vs. 24 in Kāuç. was stated under vs. 24.

27. The living have excluded this man from their houses; carry ye him out, forth from this village; death was the kindly messenger of Yama; he made his life-breaths (*ásu*) go to the Fathers.

The verse is used in Kāuç. (80. 18) with an oblation to the fires, when preparing the body of the deceased for cremation. ⌊Note that the "messengers" or "men" of death or of Yama play a rôle in the Buddhist literature: see Aṅguttara Nikāya, iii. 4 (35: p. 138), Devadūta Vagga; Jātaka, i., p. 138^{24}, and scholion; Journal of the Pāli Text Society, 1885, p. 62.⌋

28. What barbarians (*dásyu*), having entered among the Fathers, having faces of acquaintances, go about, eating what is not sacrificed, who bear *parāpúr* [and] *nipúr*—Agni shall blast (*dham*) them forth from this sacrifice.

Similar verses are found in VS. (ii. 30), ÇÇS. (iv. 4. 2), AÇS. (ii. 6. 2), MB. (ii. 3. 4), and Āp. (three varying versions at i. 8. 7). Āp. has in its first version for a, b *apa yantv asurāḥ pitṛrūpā ye rūpāṇi pratimucyā "caranti*, a close analogue to our first half-verse; the rest ⌊including of Āp. only the second version⌋ have, without variant, *yé rūpā́ṇi pratimuñcámānā ásurāḥ sántaḥ svadháyā cáranti*, which is not quite so near. ⌊The third version in Āp. is *ye jñātīnām pratirūpāḥ pitṝn māyayā 'surāḥ praviṣṭāḥ.*⌋ In c, all the texts ⌊including the three versions in Āp.⌋ agree with ours. For d, all the texts ⌊including the first two versions in Āp.⌋ have *agníṣ ṭā́ṅ lokā́t prá ṇudāty* (AÇS. *-dātv*, MB. *-datv*) *asmā́t;* ⌊while the third version in Āp. reads *agne tān asmāt praṇudasva lokāt*⌋. The comm. to VS. explains *parāpúras* as *sthūladehān* and *nipúras* as *sūkṣmadehān*, which is, of course, the purest nonsense; that to MB. divides *parā puro ni puro ye bharanti*, and connects the prepositions with the verb, rendering the first *puras* by "our enemies' houses" and the second by "our kindred's houses"—quite as bad. Our comm., finally, explains *parāpúras* (through *parā pṛṇanti*) as *piṇḍadātāraḥ putrāḥ*, and *nipúras* (through *nipṛṇanti* ⌊cf. his remark about *ni-pṛ* reported at the end of note to vs. 30⌋) as *pāutrāḥ*—if possible, worse than either of the others. All we can see clearly is that the native exegetes are quite as much in the dark as we with regard to the value of these obscure words. Except O.R., all our mss. have the false accent *dasyávas* in a; of SPP's, only two do so. Of the mss. in our hands at the time of printing of the text, only I. accented *jñātimukhās* at all (two of SPP's also leave it accentless), and we accordingly emended to *jñātímukhās*, according to the usual rule for such a compound; but I.O.Op.R.K., with the majority of SPP's authorities, read *jñātimukhā́s*, which SPP. has therefore properly adopted in his edition. By Kāuç. (87. 30) the verse is prescribed to be repeated while a lighted brand is carried three times about and then flung away.

29. Let there enter together (*sam-viç*) here our own Fathers, doing what is pleasant, lengthening [our] life-time; may we be able to reach them with oblation, living long for numerous autumns.

The translation implies in a the *pada*-reading *svā́ḥ : naḥ*, which SPP. gives by emendation, all the *pada*-mss. save Bp. (which has *svā́ : naḥ*) having *svā́naḥ;* again, it implies in b *pra°tirántaḥ*, while all read *pra°tiránte* ⌊or *-ate*⌋; here also SPP. emends to *-ntaḥ*. The comm. reads *-nte*, and glosses it by *pravardhayantu!* ⌊A similar uncertainty (as between the Vulgate and Ppp.) concerning the understanding of the combination *pratiranta āyuḥ* was noted by me under xiv. 2. 36.⌋ The verse is used, according to Kāuç. (83. 29), next after the use of 1. 52, in arranging the bones for burial; and it is repeated, like the latter, in the *piṇḍapitṛyajña* (87. 28); *sam-viç*, as here applied, perhaps has its secondary sense of 'turn in, lie down.' The comm. reads *dakṣamāṇās* in c, explaining it by *vardhamānās*. The Anukr. does not notice the redundant syllable in c ⌊or perhaps assumes a deficiency in d to balance it. The word *nakṣ-* demands an accusative: so that both meter and syntax combine to cast suspicion on *tebhyas*⌋.

30. What milch-cow I set down (*ni-pṛ*) for thee, and what rice-dish for thee in milk (*kṣīrá*)—with that mayest thou be the supporter of the person (*jána*) who is there (*átra*) without a living.

That is, 'without the means of sustaining life.' Our Bp.E. read *ajīvanas*, unaccented; the normal accent would be *ajīvanás*. The comm. remarks that *ni-pṛ* is used distinctively of a gift for the Fathers (*pitrye dāne vartate*).

31. Pass forward [over a stream] rich in horses, which is very propitious, or, further on, an *ṛkṣā́ka,* more new; he who slew thee, be he one to be killed; let him not find any other portion.

The first half-verse is extremely obscure, and its translation only mechanical; we may conjecture that its text is corrupt. Such a combination as *-vā : ṛkṣ-* (so all the *pada*-texts read) into *-vā ṛkṣ-* is contrary to grammatical rule, unauthorized by the Prāt., and unsupported, so far as I know, by any second case. Part of our *saṁhitā*-mss. (P.M.E.I.) have *-vā ṛkṣ-*, but that is equally abnormal; SPP. makes no mention of any such reading among his authorities. "Stream" is supplied to *açvāvatīm* because Kāuç. (82. 10) prescribes the verse to be used, in the ceremonies of the first day after cremation, on crossing a stream, and *prá tara* naturally suggests it. *Ā́çvāvatīm* is unquestionably the AV. text; it is quoted as an example of long *ā* in such a position under Prāt. iii. 17. One may conjecture as a plausible emendation *áçmanvatīm prá tarayā suçévām* (cf. for *áçmanvatī* xii. 2. 26, 27; and our comm. reads here *taraya* for *tara yā́*). Then *ṛkṣā́ka* might possibly be a region or road ⌊beyond the river⌋ 'infested by bears' (*ṛ́kṣa :* so the comm.); the word *ṛkṣā́ka* is ignored by both Pet. Lexx. ⌊save in so far as this vs. is cited by the Major Lex. under *ṛkṣīkā*⌋. ⌊Weber takes it as 'the milky way': *Festgruss an Roth*, p. 138.⌋ But it is of little use to speculate in such a case. SPP. reads in **c** *vadhyas*, with (as he reports) all his authorities save two; we also have both *va-* and *ba-* among our mss., but I cannot specify all that favor the one reading or the other. The lacking syllable in **b**, not noticed by the Anukr., helps in its degree to indicate corruption of text.

32. Yama beyond, below Vivasvant — beyond that do I see nothing whatever; into Yama has entered my sacrifice; Vivasvant stretched after the worlds (*bhū́*).

SPP. accents *páras* in **a**, and *vívasvān* in **a** and **d**, though the majority of his authorities have *parás*, and, in **a**, *vivásvān;* of our mss., only Op. has *páras* and in **a** *vívasvān;* but O.Op.R.T.K. have *vívasvān* in **d**. The Anukr. takes no notice of the metrical irregularities (10 + 12 : 11 + 11 = 44).

33. They hid away the immortal one (f.) from mortals; having made one of like color, they gave her to Vivasvant; what that was carried also the two Açvins; and Saraṇyū deserted two twins.

Whether 'two pairs of twins' is meant is not altogether certain; but that would be strictly *dvé mithuné;* ⌊but see BR. v. 777, line 3⌋. The verb *abharat* does not mean 'bore,' in the sense of 'gave birth to,' though it might mean 'carried [in her womb],' and so might have a nearly equivalent value; our comm. renders it by *samabharat* or *udapādayat.* The third pāda means 'that substitute, whatever it really was,' though the usual version "when that was" (for *yát tád ā́sīt*) is not altogether impossible. The verse is RV. x. 17. 2, which differs only by reading in **b** *kṛtvī́* and *adadus* (for which our *-dhus* is a common corruption). It is properly inseparable from 1. 53 above; ⌊for bibliographical references, see under that vs.⌋. Kāuç. and Vāit. pass it unused, as they did 1. 53. ⌊The comm., with one or two of SPP's mss., reads *amṛtān* in **a**.⌋

34. They that are buried, and they that are scattered (*vap*) away, they that are burned and they that are set up (*úddhita*) — all those Fathers, O Agni, bring thou to eat the oblation.

Āp. (in i. 8. 7) has a verse analogous with this; the divisions there are ⌊*ye garbhe mamrus,*⌋ *parāstās*, *uddhatās*, and *nikhātās*. The comm. explains *paroptās* by *dūradeçe kāṣṭhavat parityaktāḥ;* but *uddhitās* by *saṁskārottarakālam ūrdhvadeçe pitṛloke sthitāḥ!* it evidently refers to exposure on something elevated, such as is practised by many peoples. The *pada*-text reads *úddhitāḥ*, undivided, by Prāt. iv. 63. The verse (according to Kāuç. 87. 22) is used, with 3. 47, 48 and 4. 41, in the *piṇḍapitṛyajña* ceremony, to accompany the setting up of one of two lighted sticks (cf. under 1. 56) and piling fuel around it.

35. They who, burned with fire, [and] who, not burned with fire, revel on *svadhā́* in the midst of heaven — them thou knowest, if thine, O Jātavedas; let them enjoy with *svadhā́* the sacrifice, the *svádhiti.*

The verse corresponds to RV. x. 15. 14 **a**, **b** and 13 **c**, **d** (and to VS. xix. 60 **a**, **b** and 67 **c**, **d**). In the first half, AV. and RV. agree (two of our mss., O.R., combine *yé 'nag-*); VS. has *-ṣvāttās* both times for *-dagdhās*. For **c**, RV. and VS. read *tvám vettha yáti té jāt-* 'thou knowest how many they are,' and of this our text is doubtless a corruption. Nearly half the mss. have *te* (both editions, with the remaining mss., including our O.R.T.K., *té*); the translation implies *te*. HGS. (ii. 11. 1) has *agne tān vettha yadi te jātavedaḥ*. For **d**, RV. and VS. have *svadhā́bhir yajñáṁ súkṛtaṁ juṣasva;* and here again our text seems only a corruption; *svádhitim* (p. *svá∘dhitim*) must be meant as *nomen actionis* to *svadhā́*, I think, = 'the giving of *svadhā́*' — a false formation. The comm. reads *svadhāyās* and *svadhitam*, explaining the latter as *svadhā saṁjātā yasya.* According to the comm., this verse and the preceding are used in the *piṇḍapitṛyajña* "on laying two pieces of fuel."

36. Burn (*tap*) thou propitiously (*çám*); do not burn overmuch; O Agni, do not burn the body; be thy vehemence (*çúṣma*) in the woods; on the earth be what is thy violence (*háras*).

Two of our mss. (R.s.m.Op.), and one of SPP's reciters, leave *tapas* at end of **b** unaccented; and this is, of course, more correct. For the application of the verse according to Kāuç., see under 2. 4, with which it is closely akin in sense. ⌊The comm. reads *tanvas* in **b**.⌋

37. I give this release to him who hath thus come and hath become mine here — thus replies the knowing Yama — let this one approach (*upa-sthā*) my wealth here.

The translation implies that *rāyá* before *úpa* in **d** means *rāyás* (accus. pl.), and not *rāyé*, as understood by the *pada*-text; the comm. understands *rāyas*. Also, that *céd* in **b** admits of being taken as *ca íd* ⌊the *pada*-text always reads *ca : ít*, even when the meaning is 'if'⌋ with individual meaning, and not as the compound particle, = 'if.' ⌊There is a gap in the commentary just after the explanation of *etat:* but the commentator's text of the AV.⌋ reads *yát* for *yás* at beginning of **b**. For the Kāuç. use of the verse with 1. 55, see under the latter. This verse also accompanies (with 3. 73: Kāuç. 85. 24) the deposition of the bones in the hole in the ceremony of interment.

38. This measure do we measure, so that one may not measure further; in a hundred autumns, not before.

That is, that there be no more such measuring for any of us till his hundred years of life are full. The comm. understands *yáthā ná mā́sātāi* ⌊*Gram.* § 893 a⌋ as *yathā mā*

⌊= *mām*⌋ *nā "sātāi, nā "sīta, na prāpnuyāt!* Kāuç. uses the verse twice (85. 3, 12 — unless in the *ce 'mām* of sūtra three is disguised the beginning of vs. 39 or 41) in connection with the elaborate measuring out of the place of interment of the bone-relics. ⌊See Caland, *Todtengebräuche*, p. 145 and note 534.⌋

39. This measure do we measure forth, so that etc. etc.
40. This measure do we measure off, so that etc. etc.
41. This measure do we measure apart, so that etc. etc.
42. This measure do we measure out, so that etc. etc.
43. This measure do we measure up, so that etc. etc.
44. This measure do we measure together, so that etc. etc.

The comm. regards all these *paryāya*-variations of vs. 38 as to be used with it where it is prescribed; the Kāuç. says nothing of this. The comm. also gives artificial and absurd interpretations of the altered prepositions at the beginnings of the verses. ⌊Some of the alterations spoil the meter (p. 830, ¶ 4).⌋

45. I have measured the measure, I have gone to heaven (*svàr*); may I be long-lived; so that etc. etc.

⌊The prior half of the verse appears to be prose.⌋ The Anukr. scans 8 + 6 : 8 + 8 = 30 syllables. This verse (according to the comm., vss. 45–47) follows the process of measurement (Kāuç. 85. 17).

46. Breath, expiration, through-breathing (*vyānā́*), life-time, an eye to see the sun: by a road not beset with enemies (*-pára*) go thou to the Fathers whose king is Yama.

The comm. explains: *mukhanāsikābhyām bahir niḥsaran vāyuḥ prāṇaḥ: antargacchann apānaḥ: madhyasthaḥ sann açitapītādikaṁ vividham āniti kṛtsnadehaṁ vyāpayatī 'ti vyānaḥ.* It foolishly understands *yamárājñas* in **d** as gen. sing.: (the road) "of king Yama." The Pet. Lexx. render *áparipara* by 'not roundabout,' as if the final *para* were somehow also a *pari;* the comm. understands the word nearly as above translated; ⌊and the translation is supported by VS. iv. 34⌋. The Prāt. (iv. 39 c) notes the division *vi°ānáḥ* in *pada*-text, while *prāṇá* and *apāná* are always undivided.

47. They that departed unmarried [but] assiduous, abandoning hatreds, having no progeny — they, going up to heaven (*dív*), have found a place (*loká*), ⌊they,⌋ shining (?*dī́dhyāna*) upon the back of the firmament.

The comm. commits the absurdity of glossing *agru* by *agragāmin*, and *çaçamāná* ('assiduous': i.e. having faithfully performed their religious duties) by *çaṅsamāna* or else (from root *çaç* 'leap') *plutagamanaçīla!* It seems hardly possible to avoid taking *dīdhyāna* in **d** as meant for *dīdyāna;* the comm. renders by *dīpyamāna.* The mss. vary between *agrávas* and *ágravas*, none of ours that were collated before publication having the latter, which is the true accent ⌊correct the Berlin ed.⌋, and is adopted by SPP. on the authority of a majority of his authorities (with which our O.Op.R.T. agree).

48. Watery is the lowest heaven (*dív*), full of stars (?*pīlu-*) is called the midmost; the third is called the fore-heaven (*pradív*), in which the Fathers sit.

Rather than leave *pīlu-* in b untranslated, we set in our version the comm's worthless etymological guess (*pālayantī 'ti pīlavaḥ : grahanakṣatrādayaḥ*). SPP. has at the beginning the better accent *udanvátī*, as read by half his authorities (and by our O.Op.R. among those collated after publication). Our Bp.D. accent also *pīlumatī́;* O. reads *pītúmatī*, doubtless an accidental blunder, yet suggesting the emendation *pitumátī* 'rich in nourishment.' For the use of the verse prescribed by Kāuç., see under 1. 61; the comm. says simply that with this verse and another one (*iti dvābhyām*) the body is raised in order to being laid on the cart or litter (for transportation to the funeral pile); a schol. (note to Kāuç. 82. 31) uses it also in connection with the interment of the bone-relics.

49. They that are our father's fathers, that are [his] grandfathers, that entered the wide atmosphere, they that dwell upon earth and heaven (*dív*) — to those Fathers would we pay worship with homage.

The first half-verse is found again below as 3. 59 a, b. The verse is used (Kāuç. 81. 37) ⌊as the last one of eleven verses (see my note to xviii. 1. 49) which accompany the oblations offered to Yama and poured upon the corpse (comm., vol. iv., p. 115^{17}: he says *iti dvābhyām*) in the cremation ceremony after the fire is lighted⌋.

50. This time, verily, not further (*áparam*), seest thou the sun in the heaven (*dív*); as a mother her son with her hem (*síc*), do thou cover him, O earth.

The last half-verse is RV. x. 18. 11 c, d, without variant (TA., in vi. 7. 1, has at the end *bhūmi vṛṇu*), and is also found below as 3. 50 c, d. Kāuç. (86. 10) applies the verse, with 3. 49 and 4. 66, in raising a pile over the interred bones; according to the comm. ⌊vol. iv., p. 115⌋, the pile is of an uneven number of sticks (*çalākā*) or bricks, and vss. 50–52 are to be used. ⌊Over "hem" W. interlines "skirt." "Border of the garment" says our comm., *celāñcalena.*⌋ ⌊As to this beautiful verse, see Weber, *Sb.* 1895, p. 861, and cf. the epilogue to the Īçā Upanishad, especially vss. 15, 16.⌋

51. This time, verily; not further; in old age another further than this; as a wife her husband with her garment, do thou cover him, O earth (*bhū́mi*).

The first half-verse is very obscure, and the second pāda perhaps corrupt. The comm. takes *jarási* with the first pāda, and explains that "what food etc. has been enjoyed in old age, this verily, left over, not anything else [further], is to be enjoyed"; and then "than this place of interment, any other place is not found for him": all of which is simply silly. The Anukr. pays no attention to the redundant syllable (unless we pronounce *patim 'va*) in c.

52. I cover thee excellently with the garment of mother earth; what is excellent among the living, that with me; *svadhā́* among the Fathers, that with thee.

The comm. does not scruple to take *bhadráyā* as used for *bhadrāyās*, and qualifying *pṛthivyā́s.* ⌊He treats *tā́n máyi* etc. as at xi. 7. 5, 12, 14: cf. note to xi. 7. 12. Weber thinks this vs. is spoken by the heir of the dead man.⌋

53. O Agni-and-Soma, makers of roads, ye have distributed (*vi-dhā*) to the gods a pleasant treasure [and] world; send ye unto [us] Pūshan, who shall carry by goat-traveled roads him that goes thither.

The translation implies emendation at the end of *gachatam* to *gáchantam*, which seems necessary in order to make sense; the corruption to the former may have been made because it better suits the meter. — ⌊The translation also implies the reading *préṣyatam*, which is given in the Berlin text and is supported by⌋ our Op. (*prá : iṣyatam*), by SPP's ⌊Cp. (*prá : īṣyatam*) and by his⌋ Dc. secunda manu: all the rest read *préṣyantam* (p. *prá : iṣ-* or *prá : īṣ-*), which SPP. accordingly adopts in his *saṁhitā*-text; ⌊but in his *pada*-text he prints *prá : íṣyantam*, and he mentions the accent in his note⌋. The comm. glosses *preṣyantam* with *pragacchantam* in his usual loose and easy way. — Nearly all our mss. also have *ajoyā́nāis* (p. *ajaḥ॰oy-*) in **d**; we followed Bs. in giving *ajay-* (which the translation implies). ⌊Weber also accepts the reading *ajay-* and interprets it as 'traveled by man's unborn (*a-ja*) or immortal part, i.e. his spirit': *Festgruss an Roth*, p. 138 and note 5.⌋ On the authority of a single ms., SPP. accepts as his reading *añjoyā́nāis;* ⌊as to this matter, see my note marked with a * in the next paragraph⌋. The reading *añjoyā́nāis* had already been conjectured by the Pet. Lexx.; ⌊so BR. v. 959, with the meaning 'leading straight to the goal': cf. OB. i. 18 b⌋. The reading *añjay-* is given by two or three of SPP's mss.; among them is that of the comm., who explains by *añjasā, ārjavena yānti . . . ebhiḥ*. The "goat-traveled" roads, of course, are those to which Pūṣan's team of goats are wonted. — Two of SPP's authorities give *dadhatus* in **b**; the comm. reads *dadhatus* in one of two alternative explanations, and *-thus* in the other. — Possibly *ví* before *lokám* is to be taken as belonging to this word alone: 'ye have assigned to the gods a pleasant treasure.' ⌊I do not see what W. means by the last sentence.⌋ — For the use of the verse by Kāuç. etc., see under 1. 61 and 2. 48; the comm. includes with it vss. 54 and 55. It exceeds a proper *triṣṭubh* by two syllables.

* ⌊In reading *añjoyā́nāis*, SPP. is supported in fact by three or four of his mss. (B.C.R.Dc.p.m.) and presumably also by at least three of his *pada*-mss., since he reports nothing to the contrary. Moreover, he thinks that further support is given him by the reading *añjāy-* of two of his authorities (Dc. sec. manu, and the reciter V.), which reading, as he says, may represent an ill-corrected reading *añjoy-*; and perhaps the *ajāuy-* of the reciter K. points in the same direction, to *añjoy-*. As between the readings *añjoy-* and *ajay-*, even Whitney's mss. point decidedly to *añjoy-*. — Leaving the mss. of this passage out of account, however, the word *añjoyā́na* is well supported by its exact synonym *añjasā́yana*, p. *añjasā॰ayana*, used four times of the paths (*srutí*) by which one goes to the heavenly world (TS. vii. 2. 1^{2}; 3. 5^{3}; 4. 1^{3}: also AB. iv. 17, here as the exact opposite of a 'roundabout road' *mahāpathaḥ paryāṇaḥ*), and also by the doubtless precisely equivalent *añjaṣínām* (*srutím*) of the Rigveda (x. 32. 7). — This last phrase Sāyaṇa explains alternatively by *ṛjum akuṭilam mārgam;* cf. his similar explanation of *pathó devatrā́ 'ñjase 'va yā́nān* at x. 73. 7; cf. also *añjasāyano*, used in the Dīgha Nikāya, xiii. 4 ff., as a synonym of *uju-maggo:* all of which is in most perfect accord with the above-mentioned *ārjavena* etc. of our comm., whose testimony therefore is decidedly in favor of the reading *añjoyā́nāis*. — If *añjoy-* is the true reading and *ajay-* the corrupt one, the corruption is a very natural one, considering that Pūṣan's team (see RV. vi. 55. 6, 4; 57. 3; x. 26. 8; and the occurrences of *ajā́çva*) consists of goats.⌋

54. Let Pūshan, knowing, urge thee forth from here — he, the shepherd of creation (*bhúvana*) who loses no cattle; may he commit thee to those Fathers, [and] Agni to the beneficent gods.

The RV. has a corresponding verse (x. 17. 3), without variant. TA. (in vi. 1. 1) has in c *dadāt* (as has our comm.), and at the end *suvidátrebhyas*. The mss. are somewhat equally divided in c–d between *-bhyo 'gnír* and *-bhyo agnír;* our text adopts the latter; SPP., better, the former, with RV. and TA.

55. May life-time, having all life-time, protect thee about; let Pūshan protect thee in front on the forward road; where sit the well-doers, whither they have gone, there let god Savitar set thee.

RV., in the corresponding verse (x. 17. 4), reads *pāsati* in a, and *té yayús* at end of c, ⌊thus rectifying the meter in both places⌋; and TA. (in vi. 1. 2) agrees with it both times; the comm. also has *pāsati.* The verse is metrically irregular (10 + 11 : 12 + 11 = 44); ⌊but perfectly good in its RV. form (11 + 11 : 12 + 11)⌋.

56. I yoke for thee these two conveyers ⌊*váhni*⌋, to convey (*vah*) thee to the other life; with them to Yama's seat and to the assemblies go thou down (*áva*).

Ava, in d, is so strange that we can only regard it as a corruption for *ápi*, which TA. reads in the corresponding verse (in vi. 1. 1). TA. also has the better reading *-nīthāya* in b ⌊so both editions⌋, as has also the comm., though its explanation seems rather to imply *-nītāya*. TA. further has the bad accent *vahní* in a, and gives in c *yā́bhyām*, and in d (for *sámitīs*) *sukṛ́tām*. The comm. has *sam iti*, taking *sam* as joint prefix with *ava*, and *iti* as *anena prakāreṇa;* our Bp.E. read *sámitī ca;* possibly the comm's error is akin with this. According to Kāuç. (80. 34), the verse is used when two draft-oxen, or two men, are harnessed to draw the body to the funeral pile.

57. This garment hath now come first to thee; remove (*apa-ūh*) that one which thou didst wear here before; knowing, do thou follow along with what is offered and bestowed, where it is given thee variously among them of various connection (?*víbandhu*).

TA. (in vi. 1. 1) has a corresponding verse, but with sundry variants: at the beginning, *idáṁ* (which is better) *tvā vástram;* in c, d, *ánu sám paçya dákṣiṇāṁ yáthā te.* *Te dattám* is perhaps better 'given by thee' — thy former deeds of religion and charity, now to be enjoyed in their fruit; and *víbandhu* 'to those not thine own connections.' The Pet. Lexx. explain *víbandhuṣu* as 'destitute of connections or relatives.' The comm., with its customary regardlessness of accent, understands the word as two words, *vi bandhuṣu*, and connects *vi* (= *viçeṣeṇa*) with *dattam*. According to Kāuç. 80. 17, the verse is used, with 4. 31, in connection with dressing the body for cremation; in 81. 29, some of the mss. substitute it for vs. 22 above. Some of the schol. (note to Kāuç. 80. 52) use it and 4. 31 when the body is laid on the funeral pile. The verse, as a *triṣṭubh*, is rather *svarāj* than *bhurij* (11 + 12 : 11 + 12 = 46).

58. Wrap about thee of kine a protection from the fire; cover thyself up with grease and fatness, lest the bold one, exulting with violence (*háras*), shake thee strongly (*dadṛ́h*) about, intending to consume thee.

The corresponding RV. verse is x. 16. 7; in **b** it transposes *médasā* and *pī́vasā*, and in **d** it has *vidhakṣyán paryan̄khdyāte*, which is decidedly better. TA. (in vi. 1. 4) reads *dádhad vidhakṣyán paryan̄khdyātāi.* Our *vidhakṣán*, though read by both editions, is only another example of the not infrequent careless omission of *y* after a *ṣ* or *ç;* only one of our mss. (Op.) reads *-kṣyán*, but five of SPP's authorities give *-kṣyan* (as against six with *-kṣan*), and it is much to be wondered at that he has not adopted it in his text; the comm. seems to read *-kṣan*, but explains as if *-kṣyan* (*viçeṣeṇa dagdhum icchan*). At the end we ought to read *parīn̄khdyātāi*, and SPP. gives that, with the majority of his mss., the rest having, with our text, *párīn̄khay-*; of our mss., only two of the later collated ones (O.Op.) have the proper accent; Bp. has *pári°īn̄khayātāi*, which is absurd *; the comm. treats *pari* as an independent word (as if the reading were *párī ”n̄khdyātāi*). The comm. glosses *dadhṛ́k* by *pragalbhas;* ⌊cf. my *Noun-Inflection*, JAOS. x. 498⌋. By Kāuç. (81. 25) the verse is taught to be used when the dead man's face is covered with the omentum of the *anustaraṇī* cow (hence 'of kine') on the pile; the omentum is to be pierced with seven holes. *⌊Cf. the impossible *pada*-reading *vi°bhāti* at xiii. 3. 17, and the other similar ones cited in the note to that verse.⌋

59. Taking the staff from the hand of the deceased man (*gatā́su*), together with hearing, splendor, strength — thou just there, here may we, rich in heroes, conquer all scorners [and] evil plotters.

60. Taking the bow from the hand of the dead man, together with authority (*kṣatrá*), splendor, strength — take thou hold upon much prosperous good; come thou hitherward unto the world of the living.

The two verses together correspond to RV. x. 18. 9, our 60 **a**, **b** most nearly to 9 **a**, **b**, and our 59 **c**, **d** to 9 **c**, **d**. But RV. has for its **b** *asmé kṣatrā́ya várcase bálāya*, and in its **d** *spṛ́dhas* for *mṛ́dhas*. TA. (in vi. 1. 3) has three verses, with **a–b** respectively as follows: *suvárṇaṁ hástād ādádānā mṛtásya çriyāi bráhmaṇe téjase bálāya; dhánur hástād ādádānā mṛtásya çriyāi kṣatrā́yāú 'jase bálāya;* and *máṇiṁ hástād ādádānā mṛtásya çriyāi viçé púṣṭyāi bálāya;* their common second half agrees with RV. except in having *suçévās* for *suvī́rās;* they are addressed to Brahman, Kshatriya and Vāiçya respectively, as our two are addressed to Brahman and Kshatriya, and that of RV. to Kshatriya only. 'Hearing' in our 59 **b** has a special meaning, the hearing or inspired reception of the sacred word ⌊cf. i. 1. 2, and note⌋. Kāuç. 80. 48, 49 explains the two verses as uttered while staff or bow is taken from the dead hand, as the body lies on the pile ready for cremation; and 80. 50 implies a third verse addressed to a Vāiçya, on taking from him a goad (*aṣṭrām*). Our 60 **c**, **d** is evidently addressed to the person (the son) who removes the article. The comm. reads in 59 **c** (with TA.) *suçevās*.

⌊Here ends the second *anuvāka*, with 1 hymn and 60 verses. The quoted Anukr. says *ṣaṣṭiç ca:* cf. page 814, ¶ 5.⌋

⌊Here ends also the thirty-third *prapāṭhaka.*⌋

⌊Ritual uses. — Only eight verses (2, 5, 18, 25, 38, 39, 44, 45: the last two together twice, and both times in the order 45, 44) are used in Vāit., and, of course, in rites other than funeral rites: see under the verses. In Kāuç., about three quarters of the hymn (all but 21 vss.) are used, and used in the chapter (xi.: as noted by Whitney, page 814) on funeral rites: see under the verses. It is of critical interest that two blocks of verses (Parts II. and IV., as divided below, where see) which find no use in the funeral ritual, form each a nearly corresponding block in RV.⌋

⌊**The provenience of the material of this hymn.** — In this hymn, as compared with hymn 2 (see p. 830), the proportional part of material recurring in the RV. rises again, and is about 33 verses out of 73, or nearly one half. — The "Parts" into which the hymn is here divided are primarily for the convenience of the discussion, although some of them (as II., III., IV., V., VI.) have also a critical significance.

Part I., verses 1–20. — This part contains only 3 verses (2, 6, 13) from the funeral hymns of the RV., and only 2 others (7, 18) from other parts thereof, parts widely separated. Of the last 7 vss. of this part, only vss. 17 and 18 find use in the Kāuçikan ritual.

Part II., verses 21–24. — This block of verses corresponds, without changes of order, to the last *varga* of the second Vāmadeva hymn, more precisely to RV. iv. 2. 16, 17, 18, and 19 **a**, **b**, to which is then appended the last half-verse of RV. ii. 23, with the Gṛtsamada refrain. Neither ritual makes any use whatever of any verse or pāda of this part.

Part III., verses 25–37. — This part consists of two six-membered sequences, **a** and **b** (**a** = the five verses, 25–29: **b** = the six verses, 30–35), each sequence with one member for each of the "six directions" (E., S., W., N., fixed, and upward); the whole followed by two *yajurmantras* (vss. 36–37: comm., p. 158^4). — All the 11 verses of sequences **a** and **b** have the refrain *lokakṛtas* etc. (a *jagatī-triṣṭubh* half-verse) in common. Moreover, all those 11 verses (except one, namely vs. 29) have as their second pāda the obscure *jagatī*-pāda, *bāhucyútā pṛthivī́ dyā́m ivo 'pári;* and for their first pāda an *ūha*-pāda applying in turn to one or another of the six directions. — In the excepted verse (vs. 29: see my note below), it would seem as if two directions had been crowded into one verse, the 'fixed' into pāda **a** and the 'upward' into pāda **b**: if so, it is this condensation that has reduced sequence **a** from 6 verses to 5, and effected the displacement of the pāda *bāhucyútā* etc. — Thus the refrains of this part are all metrical (smooth *jagatī* or *triṣṭubh* pādas), as is also the first half of vs. 29; while the *ūha*-pādas are prose, as are also the *yajurmantras*. — Parts III. **a** and III. **b** look to me like antiphonal sequences (cf. the introduction to ii. 5), the verses of **a** containing the prayers that are worded as if uttered by the suppliant dead man, and the verses of **b** containing the responses* of his helper, very likely the dead man's eldest son (see my note to vs. 25: but just how they were used, of course, I cannot say). If I am right, vs. 34, reinforced by the first two clauses of 36, would answer to 29 **a**; and vs. 35 would answer to 29 **b**. But against my view is the fact that we have *tvā* in 29 **a** where we should expect *mā*. — *[After writing the above, I find that Weber, *Sb.* p. 265, had expressed a similar view as to the responsive structure, and had proposed to emend *tvā* to *mā*.]

Part IV., verses 38–41. — This again is a real unity in the RV., being the entire hymn RV. x. 13 except its last verse, the fifth, and except its vs. 1 **d**. The verses of this part, again like those of part II., find no use in the funeral ritual (although, indeed, Vāit. uses two of them in the *agniṣṭoma*). For the curious dislocation and misdivision of the material by AV., see p. 858, ¶ 10, and cf. ¶ 8 of this page.

Part V., verses 42–48. — Verses from the principal RV. hymn to the Fathers, x. 15, namely its vss. 12, 7, 11, 5, 8, 9, and 10, with much derangement of the RV. order.

Part VI., verses 49–52. — Burial-verses from RV. x. 18, to wit, vss. 10, 11, 12, 13, in strict RV. sequence.

Part VII., verses 53–60. — Eight verses, of which seven are from five of the RV. funeral hymns, x. 14, 15, 16, 17, 18 (represented in the order 16, 16, 17, 18 : 14, 15, 16), and of which the remaining one (our vs. 54) is without ritual use and plainly intrusive and doubtless put after our 53 on account of its striking surface-resemblances to our 53. Our vs. 60 is widely separated from its fellow, our vs. 6, as is noted under the verses.

Part VIII., verses 61–64. — Verses not elsewhere found, save, in part, in AV.ÇÇS.MB.

Part IX., verses 65–67. — Found in RV. outside the limits, x. 10 and x. 18, between which the funeral verses are massed, to wit, as RV. x. 8. 1 ; x. 123. 6 ; and vii. 32. 26.

Part X., verses 68–72. — This is an *anuṣṭubh* sequence, peculiar to our AV. text, and with only a couple of longer pādas (namely 69 **d**, *jagatī;* 71 **d**, *triṣṭubh*).

Part XI., verse 73. — This is a *triṣṭubh* which looks as if it had been put here on account of superficial likenesses to its next following companion, vs. 1 of hymn 4. If this surmise is correct, we are to assume here a misdivision of their material by the makers of the *anuvāka*-divisions somewhat similar to that seen at RV. vii. 55. 1. Cf. the cases at AV. i. 20 (vs. 4) and 21, vi. 63 (vs. 4) and 64 : also at iv. 15. 11 and 12.⌋

Translated : Weber, *Sb.* 1896, pages 253–277 (with analysis, etc.) ; Griffith, ii. 236 ; verses not taken from the RV. are rendered by Ludwig, pages 484–487. — The RV. verses are translated, of course, by the RV. translators : the verses from RV. x. 18, in particular, by Whitney, *Oriental and Linguistic Studies*, i. 54, 53 (vs. 44 at p. 60 : and so on) ; RV. x. 18 also by Roth, in *Siebenzig Lieder des RV.*, p. 150.

1. This woman, choosing her husband's world, lies down (*ni-pad*) by thee that art departed, O mortal, continuing to keep [her] ancient duty (*dhárma*) ; to her assign thou here progeny and property.

Verses 1–4 are translated and interpreted (I think, incorrectly) by Hillebrandt in ZDMG. xl. 708 ff. Kāuç. (80. 44) and the comm. declare that with this verse the wife is made to lie down beside her dead husband on the funeral pile. The comm. glosses *dharmam* with *sukṛtam*, and understands the sense of the pāda as it is translated above. The sense of **d** alone seems to indicate that the woman's action is nothing more than a show, expected to be followed by that of the next verse, since "progeny and property" are rewards for this life, not for the other. The comm. says it is meant for her next birth. TA. also has the verse (in vi. 1. 3), but reads for **c** *viçvam purāṇám ánu pāláyantī* — a very inferior text. Some of our mss. (O.Op.D.R.K.), and even the majority of SPP's, have in **c** *-pādáyantī*, but SPP. rightly accepts *-pālá-* ; ⌊cf. the phonetic relation of *udumbara* and *ulumbala*, above, 2. 13⌋.

2. Go up, O woman, to the world of the living ; thou liest by (*upa-çī*) this one who is deceased : come ! to him who grasps thy hand, thy second spouse (*didhiṣú*), thou hast now entered into the relation of wife to husband.

The verse is RV. x. 18. 8, whose text differs only by reading in c *didhiṣós*, and this is given also by two of our mss. (R.D.) and the majority of SPP's, so that it certainly ought to be accepted as the true reading, *dadh-* being only a corruption. TA. (in vi. 1. 3) has *didhiṣós*, but after it *tvám etát*, and in b *itā́sum*, in neither case making any important change in the sense. ⌊TA., both text and comm. in both ed's, reads *abhí sámbabhūva :* the comm. renders by *ābhimukhyena samyak prāpnuhi !* which procedure gives a shock even to one who is wonted to the Hindu laxity of ideas about *vāiyadhikaraṇya.*⌋ The meaning given to *abhí sám-bhū* in the translation is decidedly the only admissible one; nor need one hesitate to render *didhiṣú* according to its later accepted meaning. The woman cannot be left free and independent; she can only be relieved of her former wifehood by taking up a new one (even if this be, as is probable enough, nominal only); he who grasps her hand to lead her down from the pile becomes, at least for the nonce, her husband. The direction of Kāuç. (80. 45) in connection with the verse is simply "one makes her rise"; the comm. ⌊vol. iv., p. 129, end⌋ specifies that this is done "if she desires to live in this world again"; neither tells who is to take her hand — as, for example, Āçvalāyana does (AGS. iv. 2. 18): "her husband's brother, a representative of her husband, a pupil [of her husband], or an aged servant." ⌊Whether the *levir* and the "representative" are the same person or two different ones does not appear from the translation nor from the original of AGS.⌋ Vāit. (38. 3) uses the verse in the *puruṣamedha.*

3. I saw the maiden being led, being led about, alive, for the dead; as she was enclosed with blind darkness, then I led her off-ward (*ápācī*) from in front (*prāktás*).

The translation of b implies, ⌊not the *jīvā́m ṛtébhyas* of the Berlin text, but rather⌋ the reading *jīvā́m mṛtébhyas :* this is accepted by SPP. and is supported by the majority of his authorities ⌊including two reciters⌋ and by the comm. and by some of our mss. collated later (O.Op.R.T.), ⌊and especially by the variant of TA., below⌋. ⌊Compare the cases of *yame dīrgham*, etc., discussed in the note to xviii. 2. 3.⌋ The version in TA. (vi. 12. 1) is better than ours in a, b: *ápaçyāma yuvatím ācárantīm mṛtā́ya jīvā́m pariṇīyámānām ;* but not so good in c, d: *andhéna yā́ támasā prā́vṛtā́ 'si prā́cīm ávācīm áva yánn áriṣṭyāi.* According to Kāuç. (81. 20), vss. 3 and 4 are used as the cow (to serve as *anustaraṇī*) is led, at the funeral pile, around (the fires) leftwise; the comm. gives a corresponding explanation; and the comment to TA. also understands it of such a cow (*rājagavī*); ⌊cf. Caland, *Todtengebräuche*, p. 40⌋. It is very difficult to believe that this was the original meaning of the verse, and that it did not rather refer to some rescue from immolation of a young wife. The comm. paraphrases pāda d by *enāṁ gām pūrvadeçāt çavasamīpād apāñmukhīṁ çavāt parāñmukhīm asmadabhimukhīm prāpayāmi :* this is of no authority. Pāda a can be made full only by the unacceptable resolution *ápaçiam ;* the TA. reading of the word would remove the difficulty.

4. Foreknowing, O inviolable one, the world of the living, moving together [with him] upon the road of the gods — this is thy herdsman (*gópati*); enjoy him; make him ascend to the heavenly (*svargá*) world.

There is no difficulty in understanding this of the *anustaraṇī* cow, with the *sūtras* and commentaries, although we should expect rather *pitṛlokám* in a, and *joṣaya* in c. ⌊By "*sūtras*" I suppose W. means *sūtra* 20 of Kāuç. 81 (cited under vs. 3) and *sūtra* 37 of Kāuç. 80 (cited under this vs.); and by "commentaries," the AV. comm. to vss. 3-4 (vol. iv., p. 131³) and the comm. to the TA. correspondent in vi. 12. 1 (Poona ed., p. 449) of our vs. 3.⌋ Besides the use of the verse with the one preceding, as explained under the latter, it again (Kāuç. 80. 37) accompanies the leading of a cow around fuel and fire; and the schol. (note to 81. 33) employ it further at the kindling of the pile. The verse lacks only one syllable of being a regular *triṣṭubh* (11 + 11 : 10 + 11 = 43).

5. Unto sky (*dív*), unto reed, more helpful of streams; O Agni, gall of the waters art thou.

The translation of **a** and **b** is purely mechanical. Other texts have a quite different version of them. VS. (xvii. 6 **a–c**) reads *úpa jmánn úpa vetasé 'vatara nadíṣv ā́;* MS. (in ii. 10. 1; but p. *ávataram*) the same (and the editor reports K. and Kap.S. as agreeing); TS. (in iv. 6. 1^2) the same except *ávattaram;* VS. and MS. admit a much more intelligible rendering ('close to earth, close to reeds, descend thou in the streams'). In all the other texts, the verse is preceded by our vi. 106. 3 **a**, **b** and other similar addresses to Agni, in the *agnicayana* ceremony; and so also in Vāit. (29. 13), where the verses accompany the drawing of a frog, of the water-plant *avakā*, and of reeds, across the fire-site in all directions. In Kāuç. (82. 26), this verse and 3. 60 are used in the ceremony of gathering the bone-relics on the third day after cremation, with the direction *iti mantroktāny avadāya.* ⌊The authorities differ as to the day: Caland, *Todtengebräuche*, p. 99.⌋ The comm. explains ⌊vol. iv., p. 132^{15}, p. 169^{20}⌋ that vss. 5 and 6 ⌊(cf. Ath. Paddhati cited in note to Kāuç. 82. 26)⌋ ⌊and 60⌋ are addressed to the plants mentioned in those verses ⌊and gives a list of plants: cf. SPP's note with extract from Keçava, and Bloomfield's note to 82. 26⌋. The comm. adds that the plants are used by the performer in besprinkling a Brahman's bones with milk. Under this verse the comm. makes *dyām* mean *avakām*, because this rises above the water without touching earth! The verse does not need to be scanned as *nicṛt.*

6. Whom thou, O Agni, didst consume, him do thou extinguish again; let there grow here the *kyā́mbū*, the *çāṇḍadūrvā́*, the *vyàlkaçā.*

RV. (x. 16. 13) has the same verse, but calls two of the plants *kiyā́mbu* and *pākadūrvā́*. *Vyàlkaçā* (p. *vi॰alkaçā*) might well be an adjective, 'free from *alkaça*' or the like, if we only knew what *alkaça* meant. ⌊W's Op.R. accent *vyalkaçā́:* and so five of SPP's authorities, against four with *vyàl-*.⌋ TA. disagrees with both AV. and RV. in reading at vi. 4. 1 *kyāmbū́s* ⌊both ed's⌋, but agrees with RV. in having *pākadūrvā́*, ⌊and with both ed's of AV. in accenting *vyàlkaçā*⌋; it reads *jāyatām* for *rohatu* in **c**, and *tvám* for *tám* in **b**. — The comm. explains *çāṇḍadūrvā* as *dūrvā* ('millet') that springs up near water, having egg-shaped roots, or that has long joints, and adds that it is called "big millet" (*bṛhaddūrvā*); but this is probably without authority. With as little reason he glosses *alka* by *çākhā* 'branch,' and declares *vyalkaça* to mean "furnished with various (*vividha*) branches"; ⌊so also the comm. on RV. and on TA.⌋. The verse is not directly quoted by Kāuç., but (as was pointed out above) it is regarded by the comm. ⌊and the Paddhati⌋ as included with vss. 5 and 60 in 82. 26, and probably with justice. — This verse and its successor in RV. and TA. (strangely removed to be 3. 60 in AV.) are both plainly intended as remedial and expiatory for the cruel office of Agni in burning a corpse; the fire is not only to be extinguished, but to be followed by its antithesis, the growth of water-plants and the appearance of their attendant frogs: compare Bloomfield in AJP. xi. 342–350 ⌊or JAOS. xv., p. xxxix⌋. ⌊This expiatory and remedial rite is avouched for antiquity by MBh. viii. 20. 50 = 819: *Pāṇḍyaḥ . . . svadhām* (= *pretaçarīrarūpam̐ haviḥ*) *ivā 'pya jvalanaḥ pitṛpriyas* (= *çmaçānāgniḥ*).

tataḥ praçāntaḥ salilapravāhataḥ; and a note to the P. C. Roy version of this passage, p. 65, says that it persists even to this day in India.⌋

7. Here is one for thee, beyond is one for thee; enter thou into union with the third light; at entrance be thou fair (*cā́ru*) with [thy] body, loved of the gods in the highest station.

The verse is RV. x. 56. 1, which reads in **c** *tanvàs*, and in **d** *janítre* (for *sadhásthe*). It is also found in SV. (i. 65), TB. (in iii. 7. 13), TA. (vi. 3. 1; 4. 2), and Āp. (ix. 1. 17); in **a**, TB.Āp. have *u* (for *ū* before *te*); in **c**, all have *saṁvéçanas*, while SV. gives *tanvè* and the others *tanúvāi;* in **d**, TB.Āp. read *priyé*, and SV.TB.Āp. agree with RV. in *janítre*. According to Kāuç. (80. 36), the verse accompanies the carrying of the fire at the head of the procession to the funeral pile; as the comm. states it, carrying the three fires, in the case of one who has established sacrificial fires. The three "lights" are thus understood to be the three sacrificial fires; but they are probably, in the original meaning of the verse, rather three regions of light, to the highest of which the deceased is to be translated.

8. Rise thou, go forth, run forth; make thee a home (*ókas*) in the sea [as] station; there do thou, in concord with the Fathers, revel with soma, with the *svadhā́s*.

The first half-verse is found also in TA. (in vi. 4. 2) which has the easier ending *paramé vyòman;* the second half of the TA. verse is our vi. 63. 3 **c**, **d**. The majority of our *saṁhitā*-mss. combine *dravó 'kaḥ* in **a–b**, but SPP. reports nothing of the kind from his authorities. The verse can be forced down to forty syllables (as a *pañkti*) by violence in **c**; ⌊its natural scansion is as 8 + 11 : 11 + 11⌋. It is one of the *utthāpanī* or 'uplifting' verses, which, with the *hariṇīs* or 'taking' verses, are used more than once in Kāuç., and are cited in Vāit. (37. 23–24) and elsewhere, in connection with lifting and moving the corpse etc. This one accompanies (Kāuç. 80. 31) the raising of the corpse to carry it to the funeral pile, and later (80. 35), with 1. 61 and 3. 9 and others, the lifting on to the cart and removing; and yet later (82. 31) the gathering up and carrying away the bone-relics.

9. Start (*cyu*) forward, collect (*sam-bhṛ*) thy body; let not thy limbs (*gā́tra*) nor thy frame (*çárīra*) be left out; enter together after thy mind that has entered; wherever in the world thou enjoyest, thither go.

The first half-verse and the last pāda are found also, as parts of different verses, in TA. vi. 4. 2; which, however, reads *út tiṣṭhā́ 'tas tanúvaṁ sám bharasva mé 'há gā́tram áva hā mā́ çárīram*, and *yátra bhū́myāi vṛṇáse tátra gaccha*. Some of our mss. (P.M.O.R.T.K.) accent *ánu* in **c**; and some (all except O.Op.R.K., also two of SPP's) have *bhū́me* in **d**; the comm. reads *bhū́māu*. According to Kāuç. (80. 32), the dead body, after being raised (*utthāpay-*) with the preceding verse, is made three times to set forth (? *saṁhāpay-*; *sam-hā* means usually simply 'get up': it is added, "as many times as it is raised") with this one; and this verse is used again, with the preceding verse (under which see) and others, in 80. 35 and 82. 31.

10. Let the soma-drinking (*somyá*) Fathers anoint me with splendor, the gods with honey, with ghee; making me pass further on unto sight, let them increase me, attaining old age, unto old age.

Some of the mss. (including our D.R.p.m.T.) read *ájantu* in **b**; possibly it is their way of emending the false accent of *áñjantu;* doubtless we ought to change this to *añjántu* rather than to admit the modulated stem *áñja.* The *pratīka* (*varcasā mām*) applies either to this verse or to the next, or probably is used to include both; whatever it applies to is used, according to Kāuç. (81.47; 87.4), in connection with rinsing the mouth at the end of the cremation ceremony and at the beginning of the *piṇḍapitṛyajña;* and also (86. 17), with 3. 61–67, in the ceremony of interring the bones, in connection with supporting the *dhruvanas** on the north-west of the fire. The comm. takes notice of only the first of these three applications. *⌊Caland, WZKM. viii. 369, would read *dhuvanāny upayachante* at 86. 16: I suppose he would render, 'they offer fannings [to the relics].' But are we sure that 86. 17 goes with 86. 16 and forms a part of the *dhuvana* ceremony? — Cf. my note to vs. 17 below. — The non-lingualization of the first *n* gives the strongest possible support for *dhuvanāni* as against *dhru-*.⌋

11. Let Agni anoint me completely with splendor; let Vishṇu anoint wisdom into my mouth; let all the gods fix wealth upon me; let pleasant waters purify me with purifiers.

The verse is, with resolution of *mā́-am*, a regular *triṣṭubh*, and no *paṅkti.* As to its ritual application, see under the preceding verse; the comm. regards it as sharing with that verse.

12. Mitra-and-Varuṇa have enclosed (*pari-dhā*) me; let the sacrificial posts of Aditi increase me; let Indra anoint splendor into my hands; let Savitar make me one attaining old age.

Most of our mss. (all except Op.R.), and half of SPP's, read at the beginning *mitrā-varuṇā* (Bp. *-ṇāu*), vocative, which might stand if we altered *adhātām* to *-thām;* both editions give *mitrā́váruṇā*, ours by emendation. A variant for *svā́ravas* in **b** would be very welcome; the comm. gets rid of the difficulty in its characteristic way, by making the word an adjective to *ādityās*, and signifying either "making a pleasant sound" or "making a distress directed at our enemies"! The third pāda, if properly read, has a redundant syllable; but the Anukr. would apparently have us read *nyanaktu* in three syllables, as written. The Kāuç. uses the verse with washing the hands, at the end of the cremation ceremony (81.46), and at the beginning of the *piṇḍapitṛyajña* (87. 3); the comm. notices only the latter of the two uses.

13. Him who died first of mortals, who went forth first to that world, Vivasvant's son, assembler of people, king Yama honor ye with oblation.

The second half-verse is identical with 1. 49 **c**, **d**, and the first half is analogous with the same, **a**, **b** (= RV. x. 14. 1 etc.: see under 1. 49). The verse is redundant by a syllable in ⌊the perfectly good *jagatī* pāda⌋ **d**. For its use by Kāuç., with 2. 49, see under the latter; ⌊and especially my note to i. 49⌋. ⌊The verse is discussed by Hillebrandt, *Ved. Mythol.* i. 491.⌋

14. Go away, ye Fathers, and come; this sacrifice is all anointed with honey for you; both give to us here excellent property, and assign to us wealth having all heroes.

The second half-verse is found also in AÇS. (ii. 7. 9) and MB. (ii. 3. 5); both read at the end *ni yacchata*, and at the beginning MB. has *dattā 'sm-*, and AÇS. strangely *dattāyā 'sm-.* ⌊Our *pada*-texts read *dattó* (= *dattá u*) *íti:* see Prāt. i. 80.⌋ The translation implies that *drávine 'há* is for *dráviṇam ihá* (p. *dráviṇā : ihá*); the comm. glosses *dráviṇā* by *draviṇam;* ⌊cf. my *Noun-Inflection*, p. 331, ¶ 4⌋. The comm. also understands the first pāda to signify that the Fathers are to go to their own world, and then to return when invoked to their own sacrifice; and this is probably the sense.

15. Let Kaṇva, Kakshīvant, Purumīḍha, Agastya, Çyāvāçva, Sobharī, Archanānas, Viçvāmitra, Jamadagni here, Atri, Kaçyapa, Vāmadeva, aid us.

The comm. amuses himself with giving etymologies for all these names, only passing over Agastya and Sobharī as "evident" (*prasiddha*).

16. O Viçvāmitra, Jamadagni, Vasishṭha, Bharadvāja, Gotama, Vāmadeva — Atri hath taken (*grabh*) our *çardís* with obeisances; ye Fathers of good report, be gracious to us.

The translation implies in **d** emendation of *sú-saṁçāsas* to *suçaṅsasas* ⌊so W's ms.! it must certainly be a double slip for *súçaṅsāsas*⌋, for which it seems most probably a corruption, and which is read by the comm. ⌊he reads in fact *suçaṅsāsas*, and understands it as W. does⌋; the only variants in the mss. are *súçaṅçāsas* ⌊with palatal *ç* twice⌋ in some of ours (P.M.I.) and one (C.) of SPP's, and the accentuation on the second syllable, *-sáṁç-*, in a few (including our O.R.T.).* *Pítaras* in **b** ought properly to be without accent. ⌊As to what precedes, see the next ¶.⌋ Some of the mss. read *çárdir* or *çárdír*. The comm. first identifies the word with *chardis*, and pronounces it a name for 'house'; then, as alternative, he gets it from root *çard* and makes *çardayati* signify *balayati;* ⌊and, as a final alternative, he regards the word as the name of a Rishi⌋. Neither Kāuç. nor Vāit. makes any use of these two verses. ⌊Weber, *Episches im vedischen Ritual*, *Sb.* 1891, p. 787, suggests a special connection of this book xviii. with the Kāuçikan Viçvāmitras.⌋

*⌊The decision here lies between the well-authenticated *su-çáṅsa* ('of good wishes, kindly': root *çaṅs*) and the doubtful *su-saṁçās* ('kindly admonishing,' presumably oxytone: root *çās* with *sam*). The former occurs five times in RV. and also at AV. xix. 10. 6. The latter occurs nowhere, unless here, nor does it seem to be apposite in meaning: yet the authority of the mss. and of the *çrotriya* V. is decidedly in favor of it. No ms. soever actually gives *súçaṅsāsas;* but the mss. that have the impossible *súçaṅçāsas* may well be regarded as intending *súçaṅsāsas.* — Moreover, if the two vocatives stood in the order *pítaraḥ su-*, I should leave the second one unaccented (*Gram.* § 314 d), as W. suggests; but with the order *sú- pít-*, the second seems distinctly more independent of the first (*Gram.* § 314 e) and may properly be accented. I would therefore read *súçaṅsāsaḥ pítaraḥ*, and render 'O ye kindly ones, ye Fathers!' As for the meaning of *suçáṅsa:* note that *çáṅsa* means 'a wish, good *or* evil,' i.e. not only 'curse,' but also 'blessing,' and is used in these two opposite senses in two contiguous RV. verses, vii. 25. 2, 3; and that, in its good sense, it is pertinent to the Fathers, as at RV. x. 78. 3, *pitṝṇā́ṁ ná çáṅsāḥ surātáyaḥ.* Note further that 'kindly' accords well with the character of the Fathers as described in RV. x. 15: they bless and help (vss. 5 **d**, 4 **c**), and are harmless (1 **c**, 6 **c**) and gracious (3 **a**, 9 **c**). — That, in such a "pestilent congregation of" sibilants as *súçaṅsāsas*, a blunder of the tradition is rather to be expected than not, is my opinion: whoso doubts it, let him attempt "with moderate haste" to repeat aloud three times the simple English sentence "she sells sea-shells."⌋

17. They overpass defilement (*riprá*), wiping [it] off in the metal bowl (? *kasyá*), assuming further on newer life-time, filling themselves up with progeny and riches; then may we be of good odor in the houses.

⌊Pāda c = RV. x. 18. 2 c.⌋ The translation boldly assumes that *kasyá* is a corruption of, or equivalent to, *kaṅsá;* the Pet. Lexx. pass the word without notice; the comm. says that *kasa* means *kīkasa* 'vertebra,' the *kī* being dropped by Vedic license (!), and that *kasya*, as an adjective derived from it, means "the place of cremation"! All authorities read *kasyé* without variation, ⌊save that SPP's *çrotriya* K., whose memory of this book was not perfect, recited *kásye*⌋. ⌊See note *, below.⌋ The authorities are divided, however, between *mṛjā́nās* and *mṛ́jānās* (among those having the latter are our O.R.); both editions give the former, though it is an isolated accentuation; *mṛjānā́* is regular (and occurs in RV.), while *mṛ́jāna* is supported (*Gram.* § 619 d) by the analogy of several other such participles; ⌊cf. note to vs. 73⌋. Two of our three *pada*-mss. (Bp.Kp.) have *āyuḥ°dádhānās* in b as compound, and most of our *saṁhitā*-mss. (all save O.R.) accent accordingly *ā́yur d-*; but SPP. acknowledges the reading in only a single ms. (*pada*), and of course gives in his text (as we in ours by emendation) *ā́yur d-*. The comm. regards *surabhdyas* in d as figurative, for *çlāghyaguṇayuktās*. In Kāuç. (84. 10) the verse is directed to be used as the women go three times round (the relics of the funeral pile) leftwise, with disheveled hair and beating the right thigh.

*⌊According to Caland, WZKM. viii. 369, the passage in Kāuç. 84. 8–11 describes the curious rite named *dhuvana* or 'fanning' of the bone-relics: see his *Todtengebräuche*, pages 138–9, and cf. my note to vs. 10, above. The *dhuvana* is part of the procedure called *nidhāna* or 'laying to rest' (ibidem, p. 129). According to the *sūtra* next preceding 84. 10, an empty pot, *rikta-kumbha*, is set down, and beaten with an old shoe. According to our AV. comm. (p. 143^{17}: but see SPP's note 5), our verse is repeated by the one who breaks the empty jar, *rikta-kalaça*, on the night of the day of cremation, that is, at a time a good deal earlier than the *nidhāna!*—However that may be, it does seem as if our *kasyé* might well mean the same thing as the *kumbha* or *kalaça* of the ritual authorities.⌋

18. They anoint, they anoint out (*ví*), they anoint together (*sám*); they lick the rite (? *krátu*), they smear (*abhi-añj*) with honey; the bull (*ukṣán*) flying in the upheaving of the river, the victim (*paçú*) do the gold-purifiers seize (*gṛh*) in them ⌊f.⌋.

The verse is RV. ix. 86. 43, the only variant in which is *gṛbhṇate* at the end (and our I. also has this; also the comm.). SV. (i. 564; ii. 964) has it also and agrees with RV. in this word, but also has before it *apsú* instead of *āsu*, and in b *mádhvā*. The comm. understands *sthālīṣu* to be intended by the pronoun *āsu*. The verse is one of the wild utterances of the soma-purifiers in RV., and seems to be introduced here without any proper connection with the funeral ceremonies, simply because there is so much "anoint" in it. In Kāuç. (88. 16), it accompanies an anointing in the *piṇḍapitṛyajña;* and in Vāit. (10. 4), a smearing of the sacrificial post with butter in the *paçubandha.* ⌊Pādas b, c, d are good *jagatī:* but a has no *jagatī* character whatever, and by count it is *virāj* rather than *bhurij;* but perhaps the Anukr. (see note to the excerpts from Anukr.) does not mean to call it *bhurij.*⌋

19. What of you is joyous, O Fathers, and delectable (*somyá*), therewith be at hand (*sac*), for ye are of own splendor; do ye, rapid (? *árvan*) poets, listen, beneficent, invoked at the council.

Nearly all our mss. (save Op.R.s.m.) accent *pitáras* in **a**; SPP. reports only a single *pada*-ms. as doing so, and of course reads *pitaras*, as does our text by emendation. Nearly all the authorities, again, give *bhūtám* at end of **b**; ⌊but Whitney's Op. has *bhūtā́;* and his⌋ K. has *bhūtá*, as have three of SPP's, who reads *bhūtá.* ⌊The word itself is lost from the comm., but glossed by *bhavatha.*⌋ We ought to have emended to *bhūtá.* Once more, all the authorities without exception accent *suvidatrā́s*, which SPP. accordingly retains, while we have made the necessary emendation to *-dátrās.* One is tempted to change *arvāṇas* in **c** to *arvāñcas.* The extra syllable in **b** suggests corruption; ⌊and so, perhaps, does the fact that in O.R. the *avasāna* is before *bhūtám*, not after it⌋.

20. Ye who are Atris, Añgirases, Navagvas, having sacrificed, attached to giving (? *rātiṣác*), bestowers (*dádhāna*), and who are rich in sacrificial fees, well-doing — do ye revel, sitting on this *barhís.*

The meaning of some of these epithets is not altogether clear. No use is made of the verse in the *sūtras.*

21. So then as our distant Fathers, the ancient ones, O Agni, sharpening the rite: they went to the bright, they shone,* ⌊*should be* shining⌋, praising with song; splitting the ground, they uncovered the ruddy ones.

The verse corresponds to RV. iv. 2. 16, found also in VS. (xix. 69) and TS. (in ii. 6. 12^4) which read precisely with RV. The variants of our text are no better than corruptions; the others have at end of **b** *āçuṣāṇā́s* ⌊p. *āçuṣāṇā́ḥ*⌋, and in **c** *dī́dhitim.* The translation follows our text.* The comm. takes *āçaçānā́s* (p. *ā°çaç-*) from root *aç*, and glosses it with *vyāpnuvantas!* The "ruddy ones" are in its opinion the dawns ⌊or else the stolen cows which the Añgirases got back from the Paṇis⌋. — *⌊Whitney's ms. reads "they shone": this is probably an oversight and should be "shining"; his Bp., to be sure, but Bp. alone, has *dī́dhyata*, not *-taḥ.*⌋

22. Of good actions, well-shining, pious, heavenly ones (*devá*), forging the generations as [smiths forge] metal, brightening Agni, increasing Indra, they have made for us a wide conclave (*pariṣád*), rich in kine.

The corresponding verse in RV. (iv. 2. 17) combines in **a–b** *devayántó 'yo*, has in **c** *vavṛdh-*, and for **d** *ūrváṁ gávyam pariṣádanto agman;* its *pada*-text in **b** reads ⌊*jánima* like ours⌋. ⌊Weber, *Sb.* 1896, p. 263–64, takes *devā́* (*jánimā*) as = *devā́nām* and the whole verse as a parallel to vs. 23, where the phrase *devā́nāṁ jánimā* occurs in full.⌋

23. As herds at food (*kṣúm*), the formidable one hath looked over ⌊*áti*⌋ the cattle, the births of the gods, near by; mortals have lamented the *urváçīs*, unto the increase of the pious, of the next man.

The translation is purely mechanical, and sundry of the words in it are extremely questionable. The verse corresponds to RV. iv. 2. 18, which, however, reads in **a** *kṣumáti* as one word (p. *kṣu°máti;* our p. *kṣúm : áti*), makes good meter in **b** by inserting *yát* after *devā́nām*, and reads in **c** *mártānām.* SPP. reads, with RV. and with the comm., *kṣumáti;* this is against nearly all his and our authorities; ⌊they have *kṣúm áti*⌋; but our O.R. have *kṣumáti* and Op. has ⌊the impossible⌋ *kṣum : áti* ⌊with accentless *kṣum*⌋. The translation implies at the end of **b** *ugrás*, which SPP. reads, with about half his authorities and the comm.; of ours, most of the later ones have it also

(Op.D. *ugráḥ;* O.R.K. *ugraḥ* ⌊accentless!⌋). The comm. renders **a**, **b** thus: "the mighty one, Agni, looks near by upon the birth of the gods, Indra etc., as in a noisy (*kṣumati* = *çabdavati*) herd (*yūthā* being = *yūthe*) of kine a master sees his own cattle (*paçvas*)": or, he says, it is the consuming fire that is addressed: "O Agni, this sacrificer who is being consumed by thee, mighty by thy favor, in a noisy cattle-crowd, looks upon the birth of the gods as upon herds of cattle (*paçvas*); the sense being that the gods come to light in the neighborhood of him who has gone to the world of the gods." This is the kind of help that the commentator gives in a difficult passage. *Urváçīs* is to him the Apsarases, Urvaçī etc.; and *akṛpran* = *akalpayan*, which means *upabhoktuṁ samarthā bhavanti. Aryás* = *svāmī.* The verse can be forced into the compass of forty syllables (11 + 8 : 10 + 11 = 40), as the Anukr. estimates it.

*⌊The RV. verse has been discussed by Bloomfield, JAOS. xx.^{1}, p. 183. He renders **c**, **d** thus: "Even for mortal men Urvaçīs were fashioned for the production of the noble lower Āyu." He takes *akṛpran* as 'there were formed,' aor. pass. of *kṛp* = *kḷp:* cf. the *akalpayan* of our comm. and the *kḷptās* of Sāyaṇa on RV. He explains: Just as Urvaçī, the goddess Cloud, produces the celestial fire, so the fire-drills (called *urváçīs*) produce for mortals the terrestrial sacrificial fire (*úpara āyú*).⌋

24. We have made [sacrifices] for thee; we have been very active; the illuminating (*vi-bhā*) dawns have shone upon [our] rite (*ṛtá*); all that is excellent which the gods favor; may we talk big at the council, having good heroes.

The first half-verse is, without variant, RV. iv. 2. 19 **a**, **b**; the second half is, also without variant, RV. ii. 23. 19 **c**, **d** (and VS. xxxiv. 58 **c**, **d**). Many of the mss., however, (including our Bs.O.K.) combine in **a–b** to *abhūma ṛtám.* The comm. has in **b** the strange reading *avasvan* (voc.: = *avanavan* or *pālaka*).

25. Let Indra with the Maruts protect me from the eastern quarter; arm-moved [is] the earth, as it were to the sky above; to the world-makers, the road-makers, do we sacrifice, whoever of you are here, sharing in the oblation of the gods.

⌊As for this whole passage, vss. 25–37, see my introductory notes, p. 847, ¶ 8, and Caland's orientation of it in his *Todtengebräuche*, p. 154.⌋ This is a very curious and obscure refrain (its last two pādas occur again as refrain of 4. 16–24). In **b**, *bāhucyútā* (which ought to mean 'by a mover, or a moving, of arms') is rendered as if it were *bāhúcyutā;* ⌊Weber proposes to emend to *-tām;*⌋ the comm. also takes *-cyutā* as past pass. pple., glossing it by *vinirgatā*, or, in an alternative explanation, by *prāptā:* either "proceeded out from the arms of the givers" or "arrived in the arms of the receivers"; the allusion being to the giving of land to Brahmans: "as land given protects in the future (*upári*) the heavenly world which is to be enjoyed by both parties"! The use by the *sūtras* casts no light upon the meaning. Vāit. (22. 3) prescribes the verse for use with an offering to the Maruts in the *agniṣṭoma* ceremony ⌊doubtless on account of the word *marutvān*⌋. In Kāuç. (81. 39), this verse alone, so far as appears ⌊but the comm., p. 152^5, says vss. 25–29⌋, is combined with 1. 41–43 etc. to accompany the offerings to Sarasvatī at the funeral pile; again (85. 26), vss. 25–37 (the comm. says, 25–35) are used with 2. 24, 26, etc. in connection with the interment of the bone-relics.

⌊This last use does indeed perhaps cast light on the passage. The previous *sūtra*, 85. 25, with Caland's emendation (l.c., p. 154), reads: *edam barhir* [xviii. 4. 52] *ity* *asthitas tanuṁ yathāparu saṁcinoti.* I think his emendation receives support from the AV. comm., who says, at vol. iv., p. 224^6, *edam barhir ity ṛcā kule jyeṣṭho 'sthīni yathāparu saṁcinuyāt.* If we take *sam-ci* in the sense of 'assemble' as used in the phrase 'assemble the interchangeable parts of a bicycle or a Waltham watch,' our *sūtra* would then mean, 'while repeating xviii. 4. 52, he (the dead man's eldest son) assembles a human figure (*tanum*), limb by limb, from the bones (*asthi-tas*), *i.e.* he makes such a figure out of the bones by assembling them.' — If this be right, then we probably have to infer from the AV. text and from the next *sūtra*, 85. 26, that the eldest son addresses the deities with vss. 25–29, and does so as spokesman of his dead father, represented by the prostrate figure of bones; and that, while uttering vss. 30–35, he addresses his dead father, but does so as speaking for himself. — As to forming a human figure (*puruṣākṛti*) with the bones, cf. further Bāudhāyana's *Pitṛmedhasūtra*, i. 10, especially lines 5, 7, 10, 13 of p. 15, ed. Caland.⌋

26. Let Dhātar protect me from perdition from the southern quarter; arm-moved etc. etc.

27. Let Aditi with the Ādityas protect me from the western quarter; arm-moved etc. etc.

28. Let Soma with all the gods protect me from the northern quarter; arm-moved etc. etc.

29. Dhartar the maintainer shall maintain thee aloft, as Savitar the light (*bhānú*) to the sky above; to the world-makers etc. etc.

The translation follows the comm. in connecting *ūrdhvám* with what precedes, instead of (as the meter suggests, and as is perhaps rather to be preferred) with what follows it.* The definition by the Anukr. of the meter of these five verses is not very acceptable; the refrain of 25–28 has 35 syllables (12 : 12 + 11); the prefixed variable part varies from 12 to 14; 28 has 46 syllables (11 + 12 : 12 + 11). ⌊Cf. note to excerpts from Anukr., above, p. 847, top.⌋

*⌊There is a clear play of words in *dhartā dharuṇo dhārayātāi*, not without conscious reminiscence, perhaps, of the familiar plays in *varaṇo vārayātāi* at x. 3. 5 and vi. 85. 1, and in *vār idaṁ vārayātāi varaṇāvatyām adhi* at iv. 7. 1.† Moreover, I think that these derivatives of root *dhṛ* make clear reference to *dhruvā diç*, the 'fixed direction' or 'steadfast region,' and that *ūrdhvam* makes similar reference to the 'upward region.' Render perhaps: 'Let the Steadier, steadying, steady thee [in the steadfast region], as aloft [that is, in the upward region] Savitar [steadieth *or* maintaineth] the light, the sky above.' Cf. my note, p. 847, ¶ 8. — † Cf. xix. 36. 6 d.⌋

30. In the eastern quarter, away from approach (?), do I set thee in *svadhā́*; arm-moved etc. etc.

The phrase *purā́ saṁvṛtaḥ* is very doubtful; perhaps it means rather, with the more literal sense of *purā́* and taking *-vṛt* as from root *vṛ*, 'before covering up' ⌊so Caland takes it: *Todtengebräuche*, p. 154–5⌋; the comm., with his ordinary heedlessness of accent, makes it a pple. (as if *sáṁvṛtas*), rendering it "formerly covered up" (*pūrvaṁ saṁchāditaḥ*); or else, he says, *purā́* is instr. of *pur* = *çarīra* 'body,' and it means "along with thy body" (*saçarīra eva san*). Kāuç. (80. 53) uses the verse (doubtless with the five that follow it) in fixing the body in place on the funeral pile; but he adds in the next rule that Uparibabhrava prohibits it. The comm. takes no notice of any such application.

31. In the southern quarter, away etc. etc.
32. In the western quarter, away etc. etc.
33. In the northern quarter, away etc. etc.
34. In the fixed quarter, away etc. etc.
35. In the upward quarter, away etc. etc.

These six verses, 30–35, have the same refrain of 35 syllables as vss. 25–28; and the prefixed part, variable only in its first word, ranges from 17 to 19 syllables; the definition of the Anukr. is approximately accurate.

36. Dhartar ('maintainer') art thou; maintaining art thou; bull (*váṅsaga*) art thou.

37. Water-purifying art thou; honey-purifying art thou; wind-purifying art thou.

The comm. regards both these prose verses (*yajurmantra*) as addressed to Agni, quoting RV. iv. 58. 3 and vi. 16. 39 to prove the applicability to him of the epithets in 36. The *sūtras* make no use of them save by their inclusion in the series 25–37 in Kāuç. 85. 26: see above, under vs. 25. The Anukr., in counting the syllables of 36, restores both the elided initial *a*'s.

⌊Verses 38 and 39 are addressed to the oblation-carts. The rearrangement of the RV. pādas in the AV. text is of such critical interest that it is worth a little space to exhibit the method to the eye.—The *yuje vām* etc. of the RV. seems to be clearly prefatory, and probably few will deny that the RV. order is the more nearly original, and that the AV. order and readings are secondary.

	çṛṇvántu víçve amṛ́tāsa etát ‖39⌋

38. Both from here and from yonder let them (du.) aid me.

As ye (du.) ⌊neut.⌋ went pressing on (root *yat*) like two twins, god-loving men (*mā́nuṣa*) bring you forward; sit ye, [each] on thine own place, knowing [it];—

⌊See my added note just preceding the translation of verse 38.⌋

In this and the three following verses we have the ⌊entire⌋ RV. hymn x. 13, ⌊except its last verse, the fifth, and⌋ except its vs. 1 d. ⌊See introduction, page 848, top.⌋ This verse is its 2 **a**, **b**, **c** ⌊its **d** follows at the beginning of our next verse⌋, with a pāda prefixed as our **a** that forms no part of the RV. hymn. The first two verses are addressed to the two *havirdhānas*, or vehicles or vessels in which the soma-stalks are brought to the place of pressing; ⌊cf. our comm., p. 158, and Sāyaṇa on RV.⌋. The reason of the introduction of the hymn here is altogether obscure (unless it be the occurrence of the word *yama* in 38 **b**), and Kāuç. has no use for it. In **a**, our mss., so far as noted, accent *mā́*, but SPP. mentions ⌊only one⌋ among his ⌊as reading *mā́*⌋; and both editions give *mā*, as is undoubtedly correct. RV., in **b**, accents *ā́ttam*, which, of course, is alone grammatically possible; but both AV. editions have *āitám*, with all the mss. TA. (in vi. 5. 1) also has the verse, and differs from RV. only in having *étam:* ⌊so, indeed, the Calc. ed., text and comm.! *étam* (not *etám*, pron.) can only be an imperative: but the Poona ed., text and comm., has *ā́ttam*, like RV.⌋. Our text has *sī́datam* in **d**, with RV. and a part of our mss. (not O.Op.R.D.K. ⌊which read badly *-tām*⌋); but SPP. admits *-tām*, in spite of its inappropriateness, because ⌊*-tam* is supported by⌋ only one of his authorities and the comm. ⌊Is the consentaneousness of the mss. in the blundering *-tām* possibly due to a reminiscence of the correct *ā́sīdatām* of the immediately preceding context in TA.? cf. the case at x. 6. 17, and note.⌋ *Vīdāne* might be from *vid* 'find'; the comm. glosses it with *jānatī*. One might conjecture that *ā́ttam* in **b** is for *ā◦ā́ttam* 'came,' but neither *pada*-text views it in that way. The verse cannot be made a full *triṣṭubh* without violent resolutions in the first pāda — which is, of course, properly prose. ⌊Considering the textual inaccuracies in the tradition of this passage, perhaps it is not too bold to suggest the query whether a *mā* has been lost: *itáç ca mā amútaç cāvatām mā* would be a perfect *triṣṭubh* pāda.⌋ Vāit. (15. 11) makes vss. 38 and 39 accompany in the *agniṣṭoma* ceremony the driving up of the two *havirdhānas*.

39. Be ye comfortable (? *svā́sastha*) for our soma.
I yoke for you ancient worship (*bráhman*) with obeisances; the song (*çlóka*) goes forth like a patron (*sūrí*) on his road; let all the immortals hear that.

⌊See my added note just preceding the translation of verse 38.⌋

The verse is pāda **d** of the RV. vs. x. 13. 2 ⌊of which pādas **a**, **b**, **c** immediately precede in our AV. text⌋, followed by pādas **a**, **b**, **c** of the RV. vs. 1. RV. accents in **a** *svāsasthé;* ⌊the AV. accent seems wrong;⌋ both *pada*-texts divide *su◦ās-*. RV. further reads in ⌊its **b**, our⌋ **c**, *etu* and *sūrés*, and at the end *amṛ́tasya putrā́ḥ*. The RV. verse is found also in VS. (xi. 5) and MS. (in ii. 7. 1) with the same readings throughout as in RV.; and in TS. (iv. 1. 1²), which reads for our **c** *ví çlókā yanti pathyè 'va sū́rāḥ*, and in **d** varies from RV. etc. only by having *çṛṇvánti*. The comm. glosses *svā́sasthe* with *sukhāsanasthe;* he takes *yujé* as 1st sing., as it is translated above; the form might, of course, be 3d sing., like *duhé*, *çáye*, etc. ⌊In **d**, *çṛṇváttu* is a misprint for *çṛṇvántu*.⌋

40. Three steps the form (?) ascended, it went (?) after the four-footed one (f.) with its course (*vratá*); it matches the song (*arká*) with the syllable; in the navel of right it purifies.

The translation is purely mechanical, the verse being highly obscure, and its AV. version evidently corrupt. RV. (x. 13. 3) reads in **a** *páñca* (for *tríṇi*) and *aroham*, in **b** *emi* for the absurd *āitat* (apparently a blundering extension * of *āit*), at end of **c** *mima etā́m*, and in **d** *ádhi* (our *abhí* has to be omitted in translation) *sám punāmi*. It also has in **a** *rupás*, which SPP. admits in his text on the authority of the majority of his mss. and of the comm. (the latter takes it from root *rup*, and makes it mean *mṛtaḥ* *puruṣaḥ*); some of our later mss. (O.Op.R.D.) also give it, and it is to be regarded as the preferable reading, if there is such a thing in this case. In **b**, SPP. strangely reads in his *saṁhitā*-text *āitad vr-* and in his *pada*-text *etat*, his *pada*-mss. having *etat* or *āit* — both, doubtless, by accidental misreadings*; the comm., however, gives *etat*, and makes it qualify *vratena*, being itself = *etena !* For *nābhāu* in **d** the comm. has *yonāu*.

*⌊If *āitat* is a "blundering extension of *āit*," one does not see why W. calls the *pada*-reading *āit* "an accidental misreading." — Meantime, in Oertel's edition of JUB., published in JAOS. xvi., we find (i. 48, p. 125–6) *sa hāi 'vaṁ ṣoḍaçadhā "tmānaṁ vikṛtya, sārdhaṁ samāit. tad yat sārdhaṁ samāitat, tat sāmnas sāmatvam;* and (iii. 38, p. 197) *tā ṛcaç çarīreṇa mṛtyur anvāitat. tad yat* etc. On p. 234, Oertel suggests that we might regard *samāitat* and *anvāitat* as due to dittography of the following *tat*, "were it not for AV. xviii. 3. 40, *anvāitat*, which is protected by the meter." Cf. also Henry, *Revue Critique*, 1894, no's 39–40, p. 146. — See also SPP's full critical notes upon the verse, p. 160. It may be added that W's O. gives *-padīmáṁnvāltád*, and his Op. *ánu : āitát.*⌋

41. For the gods he chose death; for his progeny did he not choose immortality (*amṛ́ta*)? Brihaspati [as] seer extended the sacrifice; Yama left (*ā-ric*) his dear self (?).

Or, 'the dear body (*tanū́*).' Here too the variations from the RV. version (x. 13. 4) seem to be corruptions only. RV. has *kám* in **b**, correlative to that in **a**; for **c** it gives *bṛ́haspátiṁ yajñám akṛṇvata ṛ́ṣim*, and at the end *prá̄ 'rirecīt*. The comm. explains *ā rireca* by *samantād riktaṁ niḥsāram mṛtaṁ kṛtavān.* ⌊See Ludwig's discussion of the verse, *Ueber die kritik des RV.-textes*, Abh. der k. böhmischen Gesellschaft der Wiss., 1889, no. 5, p. 46.⌋

42. Thou, O Agni, Jātavedas, being praised, hast carried the offerings, having made them fragrant; thou hast given to the Fathers; they have eaten after their wont (? *svadháyā*); eat thou, O god, the presented oblations.

The verse corresponds to RV. x. 15. 12, found also in VS. (xix. 66) and TS. (in ii. 6. 12^5). ⌊Disregarding *īḻitó*,⌋ RV. differs only by reading *kṛtvī́* at end of **b**; and VS. agrees with it in this, but has *kavyavāhana* for *jātavedas* in **a**; ⌊TS. agrees with AV. throughout⌋. Āp. (in i. 10. 14) and MB. (ii. 3. 17) have a verse that agrees with this in **b** and **c**, save that MB. has *prā 'dāt* for *prā 'dās* in **c**: but their **a** is *abhūn no dūto haviṣo jātavedāḥ;* and for **d**, Āp. has *prajānann agne punar apy ehi devān*, while MB. reads *p. a. p. ehi yonim.* The second half-verse occurs again below as 4. 65 **c**, **d**. Kāuç. (89. 13) makes the verse, with 4. 88, and with two verses not found elsewhere, accompany the feeding of the fire at the end of the *piṇḍapitṛyajña*. ⌊The forms *ávāṭ* and *akṣan* are treated, *Gram.* § 890 a and § 833 a. As for the sandhi *ḍhḍh* of the mss., see note to Prāt. i. 94.⌋

43. Sitting in the lap of the ruddy ones (f.), assign ye wealth to your mortal worshiper (*dāçváṅs*); of that good, O Fathers, present ye to your sons; do ye bestow (*dhā*) refreshment here.

The verse is found, without variant, as RV. x. 15. 7 and VS. xix. 63. The comm. glosses *aruṇīnām* in **a** as *aruṇavarṇānām mātṝṇām*, without further explanation. Kāuç. does not quote the verse.

44. Ye fire-sweetened Fathers, come hither; sit on each seat, well-conducting ones; eat on the *barhís* the presented oblations, and assign to us wealth having all heroes.

The verse is RV. x. 15. 11 through three pādas, RV. having for **d**: *áthā rayím sárvavīraṁ dadhātana;* it also reads *attā́* ⌊p. *attá*⌋ in **c**; and three other texts (VS. xix. 59; TS. in ii. 6. 12^2; MS. in iv. 10. 6) agree throughout with it. The comm., too, gives *atta* and *dadhātana.* The Anukr. does not heed that we need at the end *dadhātana* to make a full *jagatī.* For the use of the verse by Kāuç., with 45 and 46 and other verses, see under 1. 51; for its use by Vāit., with 45 and other verses, see under 1. 44 and 51.

45. Called unto [are] our delectable (*somyá*) Fathers, to dear deposits on the *barhís;* let them come; let them listen here; let them bless, let them aid us.

The verse is RV. x. 15. 5, which differs only by omitting the meter-disturbing *nas* in **a**. Other texts (VS. xix. 57; TS. ii. 6. 12^3; MS. iv. 10. 6) agree with RV.; but TS. combines *té avantu* in **d**. ⌊Our **d** recurs at TB. ii. 6. 16^2.⌋ The use of the verse in Kāuç. and Vāit. is the same as that of vs. 44. The comm. glosses *nidhiṣu* by *nidhīyamāneṣu haviḥṣu.*

46. They who, our father's fathers, who [his] grandfathers, followed after (? *anu-hā*) the soma-drinking, best ones — with them let Yama, sharing his gift of oblations, he eager with them eager, eat at pleasure.

The verse is RV. x. 15. 8 (and VS. xix. 51, which has the same text with RV.); this, however, reads for **a**: *yé naḥ pū́rve pitáraḥ somyā́saḥ.* In **b** our text gives, with RV. VS. *anūhiré* (RV. p. *anu°ūhiré*), but it is by emendation, for all our mss. have *anujahiré* or *anūjahiré*, p. *anu°jahiré;* ⌊the actual details seem to be as follows: *anujahiré* is given by Bp.P.D., while O.Op.R. have *anujahīré;* and *anūjahiré* is given by Bs.M.T., while K. has *anūjahīré.*⌋ ⌊SPP's authorities show the same four varying forms of the word:⌋ he reads *anūjahiré*, p. *anu°jahiré*, although the majority ⌊five⌋ of his *saṁhitā*-authorities and the comm. have the preferable *anujah-* ⌊as against three with *anūjah-*⌋. Our translation implies the manuscript reading, though it is plainly a corruption of what RV. gives. ⌊Whether we read *anujahiré* (from *anu-hā*) or *anūhiré* (from *anu-vah:* Sāyaṇa, *ānupūrvyeṇa . . . dattavantaḥ;* Mahīdhara, *anuvahanti;* Weber, 'welche nachgezogen sind'), in either case the sense is about the same.⌋ The comm. treats the word as if it came from root *hṛ: anukrameṇa haranty ātmasāt kurvanti.* It looks a little as if the text-makers had in mind the root *jeh*, found in the next verse. The use of the verse with its two predecessors in Kāuç. was noted under vs. 44. It is very unsuitably reckoned by the Anukr. a *jagatī*, having only one real *jagatī* pāda; ⌊it scans perfectly as 12 + 11 : 11 + 11; the corruption *anujahire* gives **b** 12 syllables, but no true *jagatī* character⌋. ⌊W's version of **c** accords with Geldner's at *Ved. Stud.* i. 170 note.⌋

47. They who thirsted panting among the gods, knowers of offering, praise-fashioned, with songs (*arká*) — come, O Agni, with the thousand god-revering true poets, seers sitting at the *gharmá.*

⌊This verse and the next correspond to RV. x. 15. 9 and 10; but AV. makes the third pāda of 9 change place with the third pāda of 10: cf. the shuffling at xviii. 2. 2 and note.⌋ The RV. verse occurs also in TB. ii. 6. 16^2 and MS. iv. 10. 6. All these read in **d** *kavyāḥ pitṛ́bhis* after *satyā́s;* and TB. has in **a** *tātṛpús*, and in **b** *hotrāvṛ́dhas.* Nearly all our mss., but, according to his account, only one of SPP's, accent *ṛṣíbhis* in **d**.* The comm. glosses *jéhamānās* with *prayatamānās;* his explanation of the strange compound *stómataṣṭa* is in part lost; he understands by *gharma* the *pravargya* soma-offering; and he paraphrases *sahasram* by *aparimitaṁ dhanaṁ yathā bhavati.* This verse and the next are used by Kāuç. (87. 22) as explained under 2. 34. *⌊SPP. plausibly suggests that the *madhyodātta* of *ṛṣíbhis* in this vs. and the next is to be accounted for by the *madhyodātta* of the corresponding word in RV., to wit, *pitṛ́bhis.* If he is right, the case is very probably similar to that of *ṛṣíbhyas* at xix. 22. 14 (cf. the *çiṣíbhyas* of many mss. in the next vs.!) and to those noted under xiv. 2. 59: other cases at xix. 22. 9, 10; 38. 1 **d**.⌋

48. The true, oblation-eating, oblation-drinking ⌊ones⌋, that [go] in alliance (*saráthaṁ*) with the gods, with strong (*turá*) Indra — come hitherward, O Agni, with the beneficent, exalted (*pára*), ancient seers, sitting at the *gharmá*.

The RV., in the corresponding verse (x. 15. 10 **a**, **b**, **d**, 9 **c**) ⌊see under our vs. 47⌋, reads *dádhānās* in **b** for *turéṇa*, and *pitṛ́bhis* in **d** for *ṛṣibhis* — which again all our mss. save one (Op.), but of SPP's only one, accent *ṛṣíbhis* (as in 47 **d**) ⌊see my note marked with a * under 47⌋. In **c** (see under vs. 47), MS. reads *arvā́k* (but its *pada*-ms. *arvā́ñ*), ⌊while TB. (ii. 6. 16^2) reads as AV. RV.⌋. The verse is used in Kāuç. only with its predecessor, which see.

49. Approach (*upa-sṛp*) thou this mother earth (*bhū́mi*), the wide-expanded earth (*pṛthivī́*), the very propitious; the earth (*pṛthivī́*) [is] soft as wool to him who has sacrificial gifts; let her protect thee on the forward road in front.

The RV., in the corresponding verse (x. 18. 10), reads *yuvatís* for the repetitious *pṛthivī́* in **c**, and, at the end of **d**, *nírṛter upásthāt;* and TA. (in vi. 7. 1) agrees in general with RV., but substitutes the ⌊modernized⌋ equivalent form *nírṛtyās;* it also has the real variants *dákṣiṇāvatī* in **c** ⌊and *upásthe* in **d**⌋. SPP. makes no remark on *ū́rṇamradās*, but three of our *pada*-mss. ⌊Bp.D.Kp.⌋ have the blundering division *ū́rṇam∘mradāḥ*, and nearly all our *saṁhitā*-mss. (not R.) correspondingly *ū́rṇaṁmradās:* the blunder grows, of course, out of the equivalence in grammatical theory of *mr* and *mmr.* The verse (according to the comm., vss. 49–51) is used ⌊Kāuç. 86. 10⌋ with 2. 50 (see under that verse) in covering the bones.

50. Swell thou up, O earth; do not press down; be to him easy of access, easy of approach; as a mother her son with her skirt (*sic*), do thou, O earth (*bhū́mi*), cover him.

The corresponding verse in RV. (x. 18. 11) has at end of **b** *sūpavañcanā́.* TA. (in vi. 7. 1) has in **a** *úchmañcasva* and *ví bādhithās*, in **b** *-vañcanā́*, and at end of **d** *bhūmi vṛṇu.* We had the latter half-verse above, as 2. 50 **c**, **d**. The comm. paraphrases *uchvàñcasva* with *ucchūnāvayavā pulakitā bhava.* ⌊W. appears to follow the comm. in rendering *úc chvañcasva* by 'swell thou up.' I do not see why he quit his old version, 'open thyself.' In my *Reader*, p. 385, I said "Note the meaning of *çvañc* ['open itself; receive in open arms (as a maid her lover)'] and its concinnity with the metaphor of *yuvatí*" [of the vs. which precedes alike in RV. and AV.]. At RV. x. 142. 6, Ludwig renders *úc chv-* by 'gäne empor': cf. Eggeling's version of *ucchvañka* and the context at ÇB. v. 4. 19. In neither RV. passage does Sāyaṇa seem convincing.⌋

51. Let the earth kindly remain swelling up, for let a thousand props support (*upa-çri*) it; let these houses, dripping with ghee, pleasant, be forever a refuge for him there (*átra*).

⌊As to *uchváñc-*, see note to vs. 50.⌋ The verse is RV. x. 18. 12, which in **c** reads *bhavantu* for *syonā́s*. TA. (in vi. 7. 1) has in **a** *úchmáñc-* ⌊so Calc. ed.: Poona has *ucchmáñc-*⌋ and *hí* ⌊*tíṣṭhasi*⌋ for *sú* ⌊*tiṣṭhatu*⌋; in **b** it leaves *çrayantām* unaccented (if it be not a misprint); ⌊so Calc.: Poona has it rightly *çráy-*;⌋ in **c** it ⌊has *madhu-çcúto* for *ghṛtaçcúto*, and⌋ omits *syonā́s* (or *bhavantu*); ⌊and begins **d** with *víçvā́hā*: so accented in both ed's, as if it were two words, as in RV. i. 52. 11; 130. 2 (*áhā víçvā*); iii. 54. 22⌋. The comm. reads in **b** *mithas*, but explains it as if *mitas* (*mīyamānā oṣadhayaḥ*). The Anukr. takes no notice of the extra syllable in **a**.

52. I brace up (*ut-stabh*) the earth from about thee; setting down this clod (? *logá*), let me take no harm; this pillar do the Fathers maintain for thee; let Yama there make seats for thee.

The corresponding RV. verse (x. 18. 13) reads in **c–d** *dhārayantu té 'trā* ⌊p. *te átra*⌋, and ends with *minotu*. The TA. (in vi. 7. 1) reads *tabhnomi* in **a** ⌊despite the interposition of *te*: an interesting variant; cf. *Gram.* § 185 c, *aty aṣṭhāt* etc.⌋; in **b**, it substitutes, as do two or three mss. (including our O.) and the comm., *lokám* ⌊surd⌋ for *logám* ⌊sonant: cf. note to ii. 13. 3⌋; at the juncture of **c** and **d** it agrees with RV. ⌊*-yantu té 'trā*⌋; and ends with *sā́danāt te minotu*. ⌊As to *sā́danāt te*, cf. the contrary blunders at xv. 10. 2; xviii. 2. 3, note.⌋ Nearly all the mss. (all save our R. and one of SPP's) have *riṣan* at end of **b**; but both editions emend to *riṣam* ⌊as RV. reads⌋. Our mss. vary in accent between *sthūṇā́m* and *sthū́ṇām*; in explanation of *etāṁ sthūṇām*, the comm. says *etām prasiddhāṁ sthūṇāṁ tava gṛhanirmāṇāya*. As a *triṣṭubh*, the verse has really three syllables in excess instead of one. Kāuç. quotes it (86. 8) in the ceremony of interment of the bones, with the direction *logān yathāparu*, doubtless '[laying] clods for each several joint'; the comm. does not notice this.

53. This bowl, O Agni, do not warp (*vi-hvṛ*); [it is] dear to the gods and the delectable [Fathers]; this bowl here for the gods to drink from — in it let the immortal gods revel.

The RV. has in the corresponding verse (x. 16. 8) *eṣá* for *ayám* in **c**, and at the end *mādayante*; TA. (in vi. 1. 4) reads in **a** *jīhvaras*, and, like RV., *eṣá* in **c**. The Kāuç. (81. 9) makes it accompany the laying of the *iḍā*-bowl on the head of the corpse on the funeral pile, when the deceased's sacrificial implements are disposed about him to be burned with him. The irregularity of the verse (12 + 11 : 10 + 11 = 44) is unnoticed by the Anukr.

54. The bowl that Atharvan bore full to Indra the vigorous, in that he makes a draught of what is well done; in that, soma (*indu*) ever purifies itself.

The comm. supplies *yajñasya* to *sukṛtasya*, and, as subject of *kṛṇoti*, *ṛtvijāṁ gaṇaḥ*. ⌊The verse scans as 8 + 12 : 11 + 11.⌋—⌊See my note on Part VII., above, p. 848.⌋

55. What of thee the black bird (*çakuná*) thrust at, the ant, the serpent, or also the beast of prey (*çvā́pada*), let the all-eating ⌊*viçva-ád*⌋ Agni make that free from disease, and the soma that hath entered the Brahmans.

The verse is RV. x. 16. 6 without variant. TA. has it also, in vi. 4. 2. TA. reads in **c** ⌊for *viçvā́d* ('all-consuming') *agadám*, the curiously perverted⌋ *víçvād* ('from every') *anṛṇám* ⌊which is glossed by *sarvasmād upadravād ṛṇarahitam upadravarahitam*⌋. In **d** it has *brāhmaṇám* (also, in the printed ⌊Calc.⌋ text, *āvivíçeṣa;* but its comm. ⌊Calc.⌋ explains *brāhmaṇe* and *āviveça*); ⌊in the Poona ed. the comm. seems to show an alternative reading, either *brāhmaṇe* or *brāhmaṇam*, glossed by *etadīye brāhmaṇaçarīre;* and it reads of course *āviveça*⌋. ⌊Our *pratīka* is cited by Keçava, p. 368^{10}, as *yat te kṛṣṇaḥ çakunīty ṛcā:* is *çakunī* a blunder? cf. *idáṁ yát kṛṣṇáḥ çakúnis*, vii. 64. 1, 2.⌋

In Kāuç. the verse is used (80. 5) in the very introduction of the *adhyāya*, before the handling of the corpse begins; and Keçava says it is in case the man dies of the bite of a crow or ant or the like; the comm. makes the same condition, and adds that the wounded place is to be burned with fire; this is then probably the meaning of Kāuçika's direction *ity avadīpayati.* The verse appears again (83. 20) in connection with the strewing and covering of the bone-relics.

56. Rich in milk are the herbs; rich in milk is my milk; what is the milk of the milk of the waters, therewith let one beautify (*çubh*) me.

⌊The translation implies (instead of the *çumbhantu* of the Berlin text) the reading *çumbhatu*, which is read by most of SPP's authorities and some of W's and adopted by SPP. Two or three of SPP's, and W's Op., have *çumbhata* (a blend of AV. *çumbhatu* and RV. *çundhata?*). For the misuse of *çumbh* for *çundh*, see note to vi. 115. 3.⌋ The corresponding verse in RV. is x. 17. 14, which has *vácas* instead of *páyas* at end of **b**; for **c**, the less repetitious *apā́m páyasvad ít páyaḥ*, and at the end *çundhata.* TS. (in i. 5. 10^2) and TB. (in iii. 7. 4^7) have again a quite different version: namely, for **b**, *páyasvad vīrúdhām páyaḥ;* for **c**, our **c**; for **d**, *téna mā́m indra sáṁ sṛja.* Ppp. also has the verse ⌊in xx.⌋ with *vacas* in **b**. Its former half appeared above, as iii. 24. 1 **a**, **b**, likewise with *vácas.* In Kāuç. (82. 9), it is used in the ceremonies of the first day after cremation, with strewing tufts of *kuça*-grass; the comm., however, says instead that it accompanies a bath taken immediately after the cremation of the dead body. The comm. supplies Varuṇa, as god of the waters, for subject of the concluding verb.

57. Let these women, not widows, well-spoused, touch themselves with ointment, with butter; tearless, without disease, with good treasures, let the wives ascend first to the place of union.

This verse (= RV. x. 18. 7; TA. vi. 10. 2) was found above, as xii. 2. 31, where see: it is not used by Kāuç. in the book of funeral and ancestral ceremonies.

58. Unite thyself (*sam-gam*) with the Fathers, with Yama, with thy sacred and charitable works in the highest firmament; abandoning what is reproachful, come again home; — let him unite himself with a body, very splendid.

The corresponding verse in RV. (x. 14. 8) reads in **c** *hitvā́ya*, and in **d** *gachasva*, continuing the general construction of the verse. The first half is found also in TA. (in vi. 4. 2), which has *svadhā́bhis* for *yaména*, and adds after it another *sám*. We had the last pāda above, as 2. 10 **d**. The mss. are divided between *ávadyam* and *avadyám* in **c**; both editions give *avadyám* ⌊with RV.⌋.

59. They that are our father's fathers, that are [his] grandfathers, that entered the wide atmosphere — for them may the autocratic (*svarā́j*) second life today shape our bodies as he will.

The first half-verse we had above as 2. 49 **a**, **b** ⌊and its prior pāda also at 3. 46⌋; the second half-verse corresponds to the second half of RV. x. 15. 14 (and VS. xix. 60), but is much corrupted, even to unintelligibility, so that the translation is only mechanical. RV. reads *tébhiḥ svarā́ḍ ásunītim etā́ṁ yathāvaçáṁ tanvàṁ kalpayasva;* VS. has *tébhyas* and *kalpayāti*, but the rest like RV. The last pāda is identical with vii. 104. 1 **d** above.

60. Let the mist be weal for thee; let the frost fall down [as] weal for thee; O cool one, possessing cool ones; O refreshing one, possessing refreshing ones; mayest thou be with weal a she-frog in the waters; kindly pacify thou this fire.

Or, 'this Agni.' — Of the ritual use of this verse, the comm. simply says that with it one is to sprinkle the bones of a Brahman with the plants referred to, dipped in water and milk; Kāuç. (82. 26) combines it with 3. 5 ⌊doubtless rather 3. 5 and 6: see under 3. 5⌋, in the manner explained under that verse. ⌊Partly because W. overlooked some TA. variants, it seemed necessary for me to rewrite the next paragraph; but I could not easily indicate my changes and additions by the usual ell-brackets.⌋

The main stock of this verse (pādas **c–f**) is RV. x. 16. 14 and is the third verse of TA. vi. 4. 1: in both these texts it stands next after the verse which corresponds to our 3. 6 above, namely after RV. x. 16. 13 = TA. vi. 4. 1^2: see note to 3. 6. Considering how closely it is connected with our 3. 6 in sense and in position in those texts, it is strange that it should be so removed from 3. 6 in AV. — In **d** part of the mss. (including our Bp.P.M.I.: also the comm.) read *hlā́dake hlā́dak-*; TA. has *hlā́duke hlā́duk-*. For **e**, RV. has *maṇḍūkyà sú sáṁ gamaḥ* (of which our version, p. *maṇḍūkī́ : ap°sú : çám : bhuvaḥ*, is no better than a corruption), and TA., again differently, *maṇḍūkyàsu* (as an adjective, supplying *apsu*) *saṁgamáya;* and the comm., finally, *maṇḍūkyā 'sya çam bhava:* moreover, for the *çám* of both ed's, some of our mss. (O.Op.R.) and one of SPP's have *sám*. In **e**, at the end, RV. has *harṣaya* and TA. *çamáya:* our *çamaya* is better than either. — To the main stock of the AV. verse are prefixed two pādas which agree nearly with the second half of the next verse but one in TA. (vs. 5: interposed as vs. 4 is matter that corresponds to our i. 6. 4 and xix. 2. 1, 2): but for our *bhavatu* the TA. has *varṣatu;* and for our *çáṁ te pruṣvā́*, it has *çám u pṛ́ṣṭhā* (so Calc.: the Poona ed. accepts *pṛ́ṣvā* but gives *pṛṣṭhā* as variant): the comm. glosses *pṛṣvā* with *jalabinduḥ*. — For Bloomfield's discussion, see under vs. 6. Bergaigne comments on the verse, *Rel. Véd.* i. 84, note, ii. 472.

61. Let Vivasvant make for us freedom from fear, he who is well-preserving, quick-giving (? *-dā́nu*), well-giving; let these heroes be many here; let there be in me prosperity (*puṣṭá*) rich in kine, rich in horses.

About half of SPP's mss., and one of ours (Op.), accent at the beginning *vívasvān*. The comm. explains *jīrádānus* alternatively by *jīvanasya kartā* and *vayohāner* (as if from *jṛ* 'waste away') *dātā*. ⌊Pāda **a** is found (with metrical rectification) as noted under vs. 62.⌋ The third pāda is identical with xii. 2. 21 **d**. By Kāuç. 81. 48 the verse is used at the end of the cremation ceremony with an oblation on the north; and again (82. 36), vss. 61 and 62 accompany each ⌊separately: see the comm., p. 176^{13}⌋ a *sthālīpāka* offering to Vivasvant at the gathering of the bone-relics, while a third offering is made with them both together ⌊82. 37⌋. And further (86. 17), vss. 61–67 are used with 3. 10 in the interment of the bones (see under the latter verse); the comm. describes it thus: "in the ceremony of gathering at the cemetery, the manager and all the relatives, standing in the western part of the cemetery, should approach the departed." The comm. adds one or two more minor applications. ⌊Verses 61 and 62 are translated by Hillebrandt, *Ved. Mythol.* i. 489.⌋

62. Let Vivasvant set us in immortality; let death go away; let what is immortal come to us; let [him] defend these men until old age; let not their life-breaths (*ásu*) go to Yama.

In ÇÇS. iv. 16. 5, and MB. i. 1. 15 are found as the first two pādas of a verse our 62 **b** and 61 **a**. ⌊For the *na āitu* of our 62 **b**, both texts have *ma ā gāt* (the *me* is incongruent with the following *nas*); and for the *vivasvān* of our 61 **a**, both have *vāivasvato*,⌋ thus rectifying the meter. The mss. accent *vivasvān* as in 61 **a**. We need to resolve *mó* to *mā́ u* in **d** to make a good *triṣṭubh* pāda; but the Anukr. would apparently read *mo* and balance the lack of a syllable by the redundancy of one in **c**. Possibly *ā́* is intrusive in **c**, and the meaning was 'defend from growing old.' The ritual use of the verse was explained above, under vs. 61.

63. He who maintains himself by his might, like [birds?] in the atmosphere, poet of the Fathers, favorer (? *prámati*) of prayers (*matí*)—him praise ye, all-befriended, with oblations; may that Yama give (*dhā*) us to live further on.

The reading in the first pāda is doubtful; our text has *antárikṣeṇa*, but the other edition *-kṣe ná*. Bp. and Op. read *antárikṣe : ná*, and so, apparently, SPP's *pada*-mss.; but our D.K. have *-kṣeṇa*, and with it agree our P.M.I., while O.R.T., though they give *na*, do not accent it; SPP's mss. are somewhat similarly at variance. The commentator's interpretation is an interpretation of *antarikṣeṇa;* but his text (according to SPP.) reads *-kṣe na*. Only the sense can decide, and that is quite doubtful; the translation ventured above implies *-kṣe ná*. The second half-verse occurs again below as 4. 54 **c**, **d**. One is tempted to understand *viçvámitrās* ⌊so accented in both ed's with all the authorities⌋ in **c** as 'O Viçvāmitras'; but this is so decidedly opposed by the accent and by the short vowel of the second syllable (which is authenticated by the *pada*-reading *viçvá°mitrāḥ*, while *viçvā́mitra* is never divided: see Prāt. iii. 9 and note) that I have not dared to assume it; ⌊but the comm., ignoring these considerations, takes it as voc. For the verse in general,⌋ the comm., as usual in a trying case, gives no help whatever; he glosses *pramati* with *prakṛṣṭabuddhi*, and *mati* with *mantṛ* or *stotṛ*, in apposition with *pitṝṇām;* and he makes *antarikṣeṇa dadhre* mean (*pitṝn*) *antarā kṣāntena lokena dhārayati*.

64. Ascend ye to the highest heaven; O seers, be not afraid; ye soma-drinkers, soma-drenchers, this oblation is made to you; we have gone to the highest light.

Encouraged by the comm. (*anyān api yajamānān somam pāyayanti*), the translation mends the repetition in c by violently taking *-pāyin* as causative to *-pā*.

65. Agni shines forth with great show (*ketú*); the bull roars loudly unto the two firmaments (*ródasī*); ⌊even⌋ from the end of heaven he hath attained unto me (?); in the lap of the waters the buffalo increased.

The verse corresponds to RV. x. 8. 1, and is also found as SV. i. 71 and in TA. vi. 3. 1. RV. and SV. read in **a** *yāti;* in **b** ⌊which occurs again as RV. vi. 73. 1 **d** also⌋, TA. has *āvír víçvāni* (for *ā́ ródasī*); in **c**, RV. has the far more acceptable reading *ántāñ upamā́ñ*, while SV. gives *ántād upamā́m* and TA. *ántād úpa mā́m;* ⌊moreover, TA. accents *udā́naḍ*⌋. The AV. mss. are at variance in **c**; all read *ántāt* save our K., which gives *ántām;* the *saṁhitā*-mss. generally have *upamā́m* (K. *-mā́n*), and Bp. *upa°mā́m;* but some (Op.D., also T.) and two of SPP's *pada*-mss. have *úpa : mā́m*, with TA., and with the comm.; and this last is implied by the translation, though both editions adopt *upamā́m*, with SV. ⌊Pischel, *Göttingische Gelehrte Anzeigen*, 1897, p. 811, renders the verse.⌋

66. As, longing with the heart, they looked upon thee, flying up* [as] an eagle in the firmament (*nā́ka*), golden-winged messenger of Varuṇa, busy (*bhuraṇyú*) bird (*çakuná*) in the lair of Yama.

The RV. has the verse (x. 123. 6), and it is found also in SV. (i. 320 and ii. 1196), TB. (in ii. 5. 8^5), and TA. (vi. 3. 1); all read alike throughout, save that the RV. (not the SV.) *pada*-text has the bad division and accent *abhí : ácakṣata*. Our P.M.O. have at the end *bhuraṇyám*. It is noteworthy that vss. 65 and 66, which have no apparent connection with funeral rites, and are not used by Kāuç. save in the group 61–67, are found almost together (separated only by our 3. 7) also in the funeral collection of TA. *⌊W's "up" for *úpa* may be an oversight: render perhaps 'they looked upon thee, flying onward (*úpa*) [as] an eagle'? Our comm., taking 'thee' as the dead man, construes, 'flying unto the eagle'; but is not the verse addressed rather to Agni? cf. Griffith and comm. on TA. — Sāyaṇa, commenting on the RV. vs., says *he vena;* but in his comm. on TB. he says *he pravargyasvāmin:* an interesting diversity of opinion! Perhaps RV. ix. 85. 11 may throw light on our verse.⌋

67. O Indra, bring us ability (*krátu*), as a father to his sons; help (*çikṣ*) us in this course (*yā́man*), O much-invoked one; may we, living, attain to light.

The verse is RV. vii. 32. 26, found also as SV. i. 259; ii. 806, and TS. vii. 5. 7^4; the only variant anywhere is that TS. has *no as-*, unlingualized, in **c**. The comm. glosses *yā́mani* with *saṁsāragamane*, and *çíkṣa* by *anuçādhi*.

68. What vessels covered (*api-dhā*) with cakes the gods maintained for thee, be they for thee rich in *svadhā́*, rich in honey, dripping with ghee.

The verse is repeated below as 4. 25. Only one of our mss. and one of SPP's accent *ádhārayan;* ⌊but one of SPP's at 4. 25 also accents *ádhā-*⌋.

69. What grains I scatter along for thee, mixed with sesame, rich in *svadhā́*, be they for thee abundant (*vibhú*), prevailing; them let king Yama approve for thee.

According to the comm., the grains are roasted barley; and *anu manyatām* means 'assent to thine enjoying'; ⌊at 4. 26 he says *tā dhānās tava bhogāya . . . anujānātu.* It depends on Yama's favor, says Weber, *Sb.*, 1896, p. 276, whether the dead man may have the benefit of his viaticum, or not.⌋ The verse is nearly identical with 4. 26, and is precisely identical with 4. 43. Its meter is (9 + 8 : 8 + 10 = 35) rather irregular, and lacks a syllable of being full measure. ⌊With an easy double sandhi in **a** (*dhānānu-*) and the resolutions *taās* and *rājā anu* in **d**, it scans very well as 8 + 8 : 8 + 12.⌋ Kāuç. (85. 27) directs that grains be scattered 'with verses that have the sign (*saliṅga*)'; and Keçava states these verses to be the two that begin *yās te dhānās* (doubtless 3. 69 ⌊= 4. 43⌋ and 4. 26, since 3. 70 is evidently not *saliṅga*), also 4. 32 and 33, and another not found in the text; the comm. says that such grains are to be put upon the bones with the two vss. that begin with *yās te dhānās*, ⌊by which he seems to mean 3. 69 (= 4. 43) and 4. 26 rather than 3. 69 and 70: at any rate, he immediately cites 3. 70 for another use⌋.

⌊It is hardly doubtful that the black variety of sesame (*kṛṣṇatila*) is meant here, and that it is used, like the black rice and black victim, on account of its color: Pischel, GGA., 1897, p. 813. Pischel's view is confirmed by the fact that, if an offering to the Manes is performed apropos of some joyful occurrence in the family, barley is substituted for sesame: so Çrāddhakalpa, iv. 5, as cited by Caland, *Totenverehrung*, p. 37.⌋

70. Give back, O forest tree, him who is deposited here with thee, that in Yama's seat he may sit speaking counsels.

Two of our *pada*-mss. (Bp.Kp.) read *vidátha* in **d**. The verse is repeated, according to Kāuç. (83. 19), when the bone-relics are removed from the root of a tree, at which they had been for some time deposited: the comm. adds "provided they have been previously so deposited." It reads more as if it were originally addressed to the (hollowed) tree in which a corpse is buried (in which case, *tváyi* ought to be rendered 'in thee'). ⌊With regard to *vanaspate*, see my note to 2. 25, above: and as to *vidáthā*, see Geldner, ZDMG. lii. 735.⌋

71. Take hold, O Jātavedas; let thy seizure (*háras*) be with sharpness (*téjas-*); his body do thou consume; then set him in the world of the well-doing.

Or (in **b**) 'let thy flame be brilliant.' The verse is used ⌊Kāuç. 81. 33⌋ with 2. 4 and others (see under 2. 4) at the lighting of the funeral pile.

72. What Fathers of thine went away earlier and what later, for them let there go a brook of ghee, hundred-streamed, overflowing.

The second half of the verse is nearly identical with 4. 57 **c**, **d** below. The mss. are not agreed about *kulyā̀ 'tu* ⌊so both ed's⌋: some (including our R. and ⌊one or⌋ two of SPP's) read *kulyè 'tu.* Our Bp. has *kulyà : etu;* but Op. accents *-yā́*, and Kp. has *kulya∘etu.* The noun is elsewhere accented *kulyā́*, and hence our text ought doubtless to be *kulyāt 'tu* ⌊so SPP's B.⌋. The verse is twice used with 4. 57 in Kāuç.: once (86. 2) in the ceremony of interment of the bones, on filling a dish (*caru*) with butter and honey and depositing it by the head ⌊see note to 4. 16⌋; and again (88. 17), in the *piṇḍapitṛyajña*, on smearing the *piṇḍas* with sacrificial butter.

73. Ascend thou this, gaining (*ud-mṛj*) vigor (*váyas*); thine own [people] shine here greatly; go forth, unto [them], — be not left behind midway — unto the world of the Fathers that is first there.

Nearly all the mss. (all save our I.O.R., and one or two of SPP's) accent in a *unmṛjā́nas*, which our edition accordingly reads; SPP. makes the proper emendation to *-jānás* (cf. *mṛjānās*, vs. 17, note). The comm. glosses *vā́yas* with *antarikṣam*, because *viyanti gacchanty asmin!* and then of course makes it the object of *ā roha*, explaining *unmṛjānas* as *çarīrād utkramaṇena svātmānaṁ çodhayan*. For the use of the verse in Kāuç. 85. 24, with 2. 37, see under the latter. ⌊Cf. p. 848, ¶ 8.⌋

⌊Here ends the third *anuvāka*, with 1 hymn and 73 verses. The quoted Anukr. says *saptatis tryadhikā paraḥ:* cf. page 814.⌋

4. ⌊Funeral verses.⌋

⌊Parts of the hymn are **prose**: vss. 27, 67–68, 71–74, and 76–87: so Whitney, Index, p. 6. As to vs. 75, it is hard to say whether the fact that it scans easily is significant or not. Perhaps we have here a mere casual lapse into meter (cf. p. 772, ¶ 5); or it may be that the *mantra*, as the first of the sequence to which it belongs, is intentionally metrical, while the *ūhas* of vss. 76 and 77 destroy the rhythm of those vss. The comm., p. 240[20], lumps the whole decad-*sūkta*, vss. 71–80, together, and says *etat sūktaṁ sarvaṁ yajurmantrātmakam*.⌋

⌊Only one verse (49) is found in Pāipp. As to the significance of the occurrence, see under vs. 49.⌋

⌊**Ritual uses.** — The Vāitāna naturally makes few citations from this hymn: vs. 59 is used in the *agnyādheya;* and vss. 28 and 75–77 in the *agniṣṭoma*. But in the *sākamedha*, particularly in the offering to the manes (Vāit. 9. 8) in one of the seasonal sacrifices, vs. 71 finds application; as also, I suspect, vss. 72 and 73, though the latter are not so recognized by Garbe. Something like two thirds of the verses find use in Kāuç., and those uses are all in the eleventh *adhyāya*, the *pitṛmedha* and *piṇḍapitṛyajña*, as noted above, p. 814, end. Verse 48 constitutes no real exception. For all ritual uses, see under the verses.⌋

⌊**The provenience of the material of this hymn.** — Whereas in the preceding three hymns a very large or a large part of the verses are found also in RV., in this hymn only a small part, to wit 12 verses out of 89, are so found. However much or little weight is to be laid on the fact that these 89 verses are called a "hymn," the hymn is, at any rate, the longest in the AV. In general, the collection looks as if it were made of after-gleanings from the stock material of tradition (cf. Weber, *Sb.* 1896, p. 278); although indeed some parts of it appear to be the reflex of what we may well regard as very ancient elements in the ritual: such are the giving of the viaticum to the dead (vss. 16 ff.) and the invocation of the ancestors (vss. 75–77) and so on. The relation of the order of occurrence in the AV. text to the order of use in the ritual is obscure and in part indeterminable. But a reason for the arrangement is sometimes to be found: thus the practices that go with vss. 51 and 52 are separated in the ritual; but the vss. are set together in the text because of several notable surface-resemblances between them. — The RV. verses are as follows:

our 28 = RV. x. 17. 11
our 29 = RV. x. 107. 4
our 45 = RV. x. 17. 7
our 46 = RV. x. 17. 9 **ab** 8 **cd**
our 47 = RV. x. 17. 8 **ab** 9 **cd**
our 58 = RV. ix. 86. 19
our 59 = RV. vi. 2. 6
our 60 = RV. ix. 86. 16
our 61 = RV. i. 82. 2
our 69 = RV. i. 24. 15
our 88 = RV. v. 6. 4
our 89 = RV. i. 105. 1

The verses that recur in the sixth *prapāṭhaka* of the TA. (if we count those in TA. vi. 8 as five: see note to vs. 16) also number about a dozen: to wit, 16 ff., 28, 30, 34, 35, 51, 55, 57.⌋

⌊For the purpose of the following discussion, the hymn may be divided into Parts; of which only some, not all, are of critical significance.

Part I., verses 1–15. — Refers in general to the *ignis rogalis* and its belongings and is treated as a ritual unit by Kāuç. 81. 45.

Part II., verses 16–27, and 28. — Offering of the viaticum for the dead: cakes, with milk, etc. etc.; then sesame. — The unity of vss. 16–24 is sufficiently marked by their external form alone. Verse 28 seems to me to belong to this part, and to be appended for use as an expiation in case of any spilling of the liquids of the foregoing libations: cf. TA. comm., *vikṣarantaṁ abhimantrayate* etc.

Part III., verses 29–44. — This seems to me to be in general essentially a continuation of Part II., but with certain disturbing elements. The water poured on the bones (29–30, but also 36), the garment (31), the black sesame (32–34, but also 43), and the *vānyā* cow's milk (35) may well be taken as parts of the dead man's viaticum. If vs. 42 be part of the *dhuvana* (Caland), it is not far in time from the viaticum ceremony, I suppose. But the ritual use of 44 (corpse on cart) certainly precedes the cremation; while that of vss. 38–41, if rightly reckoned to the *piṇḍa* ceremony (so comm.), may well follow it by a long interval. As for vs. 37, see under the verse.

Part IV., verses 45–47. — To Sarasvatī with the Fathers, RV. x. 17. 7–9, recurring as Part VII. of hymn 1. The *tṛca* is a ritual unit, used (so comm.) immediately after the cremation.

Part V., verses 48–70. — Verse 48 and the group 58–60 and vs. 67 and vs. 70 find no use in Kāuç. The comm. assigns a use to 48, but only by a blunder; and the group he perhaps considers as a part of the *pitṛmedha* ritual; and in reporting the use of 66, he groups with it 67. — Vss. 49 and 50 stand side by side in Kāuç.: with 49 the liturge takes the two bullocks that drew the hearse, and with 50 he accepts his fee. Vs. 51 goes with the strewing of *darbha* on the pyre: and 52 would seem (see under 52) to belong with it, but is put to a use quite different and later in natural order, the forming of a human figure with the bones (Kāuç. 85. 25). If the latter use be the correct one, then the acts that go with vss. 53 and 54 (covering bones with *palāça* and stones) form a reasonable sequel to it; although, to be sure, they also form a sequel to vs. 36 (besprinkling of the bones), both naturally and in the text of Kāuç. If I am right in understanding vs. 55 to accompany the patting of the grave-mound (see under 55), then the piling thereof (with vss. 66 and 67) must intervene between 54 and 55. Vs. 56, a symbolical taking of his hereditament by the oldest son, must belong to an earlier stage of the proceedings. One use of 57 is in the viaticum ceremony (described under vs. 16); the other is in the much later *piṇḍa* or cake ceremony. Here too, if anywhere (but see under 58), belongs the group 58–60; and the group 61–65, with 68, seems to belong also to the same cake ceremony (61, cake-sprinkling; 68, strewing the *barhis* to receive the cakes; 62, strewing of sesame on that *barhis;* 63, dismissal of the Fathers; 64, offering of grains with the pot-offering noticed below under Part VI.; 65, the "withdrawal of the fires," apparently the ultimate act in this connection). Vss. 66 and 67 (mound-piling) were mentioned above; and so was 68, which clearly suits the action immediately preceding that of 62. Vs. 69 accompanies a much earlier act, the expiatory bath taken just after the cremation. Vs. 70, which has no use in Kāuç., seems to me to be put here because, like 69, it contains a prayer for release from the bonds of Varuṇa.

Part VI., verses 71–87. — All this passage of unbroken prose (but see p. 869, ¶ 5) belongs to the *piṇḍapitṛyajña*. The comm., p. 2419, aptly notes that offerings to the gods are announced with *svā́hā* and *váṣaṭ* and those to the Fathers with *svadhā́* and *námas*. This Part falls naturally into 5 subdivisions, each with its own manifest unity:

subdivision 1 = verses 71, 72, 73, 74; subdivision 2 = verses 75, 76, 77;
subdivision 3 = verses 78, 79, 80; subdivision 4 = verses 81, 82, 83, 84, 85;
subdivision 5 = verses 86, 87.

Subdivisions 1 and 3 accompany the ceremony of strewing three handfuls [of grain? *trīn adhomuṣṭīn*, Keç.], and they dovetail each into the other in such wise that they are used (Kāuç. 87. 8) thus: 71, with 78; 72, with 73 or 79; 74, with 80. Thus the second handful is strewn while the liturge repeats *idaṁ* "*somāya pitṛmate svadhā*" (72) either with *pitṛbhyaḥ somavadbhyaḥ* (73) or else with *pitṛbhyo antarikṣasadbhyaḥ* (79). The appropriateness of the linkage in each of the three cases is palpable. The second use of the *mantras* of subdivisions 1 and 3 is with the pot-offering (Kāuç. 88. 1–4). — Then comes (88. 11) the offering of the cakes with subdivision 2 (*piṇḍapradānamantrā evaṁ āmnāyante:* comm.). These first three subdivisions are clearly triplets; and their symmetry is marred only by vs. 73, which is simply an alternative of vs. 79, awkwardly interjected after vs. 72 for lack of a better place. — Subdivision 4 consists of doublets (5 in all): to wit, 8 ascriptions of homage to the Fathers' various attributes, 4 expressed by nouns and 4 by substantival relative clauses, and a final doublet (85) with *námas* and *svadhā́*. — Subdivision 5 consists of 2 entirely symmetrical 4-membered *mantras*, the prior one relating to yonder world, the latter to this.

Part VII., verses 88 and 89. — Verse 88 accompanies the laying on of fuel just before the final withdrawal of the fires (explained under 65). Why the Tritaverse, 89, should be here, is, as Whitney observes, very obscure.⌋

Translated: as AV. hymn, by Ludwig, pages 488–493; Weber, *Sb.* 1896, pages 277–294; Griffith, ii. 247–258; also the occasional RV. verses by the RV. translators. — Weber's analysis etc., p. 277–8, may be consulted.

1. Ascend to [your] generatrix, ye Jātavedases; by [roads] that the Fathers travel I make you ascend together; the offering-carrier, sent out, hath carried the offerings; united (*yuktá*), set ye him who hath sacrificed in the world of the well-doing.

The translation implies emendation in **a** to *jātavedasas*, though all the mss., and hence both editions, read *jātáv-*; all, also, accent in **c** *havyavā́has*, and SPP. has that in his text; our edition makes the obviously necessary emendation to *-vāhás* ⌊cf. the opposite error in vs. 10⌋. All our *saṁhitā*-mss. ⌊see Prāt. i. 94, note⌋ make in **c** the false combination *ávāḍh ḍh-*; SPP. says nothing of his, and both editions have correctly *ávāḍ ḍh-*. Our O.Op.R., and one of SPP's mss., read in **c** *iṣitā́;* the comm. also has it, explaining it with *iṣitāny iṣṭāni.* The comm. also understands *jātavedasas* as vocative (probably, after his manner, simply disregarding the accent); he explains *janitrīm* as *svotpādikām araṇim;* and the Kāuç. (80. 23) takes the same view: *iti pṛthag araṇīṣv agnīn samāropayanti;* but its correctness as original sense of the verse may be strongly questioned. The comm. explains *ā rohata* by *çaktyātmanā praviçata;* and describes the *samāropaṇa* as taking place "because of the absence of any further ceremonies to be performed by him, being now dead, by help of the fires." In the comm's *viniyoga* he says simply *araṇidvayam agnāu pratāpayet.* All this is in the case of a person who has died away from home. But vss. 1–15 are also used nearly at the end of the cremation ceremony (Kāuç. 81. 45), with the direction *ity āhitāgnim* (Keç. adds *upatiṣṭhate*), ⌊and the comm. fills out the direction thus: *citistham āhitāgnim pretam upatiṣṭheta*⌋. The verse, as a *triṣṭubh*, is redundant by a syllable ⌊in **a**, which is thus a good *jagatī*-pāda: and also by one in **d**, which, however, by reason of its *triṣṭubh* cadence, is neither one thing nor the other⌋.

2. The gods, the seasons, arrange the sacrifice, the oblation, the sacrificial cake, the ladles (*srúc*), the implements (*-ā́yudha*) of sacrifice; with them go thou by roads that the gods travel, by which they that have sacrificed go to the heavenly (*svargá*) world.

The word *srucás* in **b** is shown by the meter to be probably an intrusion, and it is superfluous as regards the sense. ⌊The excision of *havís* would give a better cesura.⌋ The verse is, of course, in no way a real *jagatī.* Kāuç. (81. 10) directs it to be used as a sacrificial cake is laid on the breast of the corpse on the funeral pile; the comm. takes no notice of this.

3. Look thou happily (*sādhú*) along the road of righteousness, by which go the Añgirases, well-doers; by those roads go thou to heaven (*svargá*), where the Ādityas feed on honey; spread thou out upon the third firmament.

The last pāda we had above as ix. 5. 8 **d**. Our O.Op.R., and one or two of SPP's mss., read *tébhyas* at beginning of **c**. The comm. explains *víçrayasva* in **e** by *viçritaḥ pratiṣṭhito bhava.* The metrical description of the Anukr. fits the verse, if we ⌊decline to make two of the three easy resolutions (in **c** and **d**) by which the verse reads as five good *triṣṭubh* pādas⌋.

4. Three eagles (*suparṇá*) . . . upon the back of the firmament (*nā́ka*), at the summit (? *viṣṭáp*) are set (*çritá*); let the heavenly (*svargá*) worlds, filled (?) with *amṛ́ta*, yield (*duh*) food, refreshment to the sacrificer.

The *pada*-text reads in a *māyū́ íti*, which is, I presume, intended to mark the word as a locative: see Prāt. i. 74 and note upon it. The comm., however, understands it as dual, and explains it as meaning *māyumantāu çabdakāriṇāu vāyuparjanyāu*, because Vāyu and Parjanya are noisy in connection with clouds; for *upara*, by Nirukta 2. 21, means 'a cloud'; and the three eagles are Agni, Sūrya, and Soma! the general sense being that Vāyu and Parjanya are set over the world of the atmosphere, and the other three over the heavenly world! In c, the translation follows the comm. ⌊and Whitney's P.M.I. and one of SPP's mss.⌋ in reading *viṣṭā́s* instead of *viṣṭhā́s* (p. *vi°sthā́ḥ*); it is glossed with *vyāptāḥ pūrṇāḥ*. Neither this verse nor the preceding is quoted by Kāuç., nor has either a *viniyoga* indicated in the comm.

5. The sacrificial spoon (*juhū́*) sustains the sky, the offering spoon (*upabhṛ́t*) the atmosphere; the ladle (*dhruvā́*) sustains ⌊*dhṛ*⌋ the earth, the support (*pratiṣṭhā́*); unto me (?) let the worlds, ghee-backed, heavenly (*svargá*), yield every desire for the sacrificer.

The reading and sense at the beginning of c are very doubtful; the *pada*-mss. all give *prati°mā́m*, as if it were accusative of *pratimā́;* most of the *saṁhitā*-mss. have *pratīmā́m* (our Bs. has *pratī́mā́m* ⌊!⌋, and P.M. *pratimā́m;* T. has *pratīmám*), and it is quoted in the comment to the Prāt. (ii. 35: so the ms.) as the same ⌊that is, I presume, in the form *pratīmām*⌋. SPP. emends to *práti 'mā́m*, since, with his usual disregard of the accent, the comm. so reads, explaining *imām* as referring to *pṛthivīm;* our edition has *pratimā́m*, with the majority of our earlier mss. The translation implies *práti mā́m*, simply on account of superior intelligibility; doubtless the true AV. reading is *pratīmā́m*. Simply *práti* would rectify the meter, and give a yet better sense. The verse (13 + 11 : 12 (11?) + 11 = 47) is, of course, no proper *jagatī*. This and the verse next following are used, according to Kāuç. 81. 7, as the sacrificial utensils are laid about and upon the body, to be burned with it.

6. O ladle, ascend the all-nourishing earth; stride, O offering spoon, unto the atmosphere; O sacrificial spoon, go to the sky (*dív*) in company with the sacrificer; with the little spoon (*sruvá*) [as] calf, milk thou all the teeming, unirritated quarters.

The mss. in general strangely accent the two vocatives in a and b on the final syllable; all ours (save Op.s.m.), and all but one or two of SPP's, have *dhruvé* (*-vá* in *saṁhitā*); all ours (save Op.), and nearly all SPP's, have *upabhṛ́t;* all ours ⌊save Bs.⌋ and most of SPP's, however, accent *júhu* correctly in c (but P.I. have *jū́hū*, and M. has *júhū*); both editions make the necessary corrections. At the end, SPP. gives in his text *áhṛṇīyamānaḥ*, with the great majority of his authorities, and with the comm.* Of our mss., only O.s.m.Op.D.R.p.m. give *-naḥ*, while O.p.m.R.s.m. have *-nāḥ;* the reading *-nāḥ* is, in my opinion, decidedly the preferable one; it is the quarters that kindly make no resistance to being milked. According to the comm., the *adhvaryu*, at time of sacrifice, holds the *upabhṛt* in his left hand, and makes oblation with the *juhū* in his right. The verse (13 + 11 : 12 + 11 + 9 = 56) counts as the Anukr. describes it. Its ritual use was given under the preceding verse. *⌊The comm. assumes a very harsh change to the direct address and applies *ahṛṇ-* to the sacrificer: *atha pratyakṣavad uktiḥ: evaṁ srugbhir lokatrayam prāpito yajamānas tvam ahṛṇīyamānaḥ.*⌋

7. By fords they cross the advances (*pravát*) called the great ones, by what [road] the sacrifice-makers, the well-doers, go; there did they set a

world for the sacrificer, when they arranged the quarters, the creatures (*bhūtá*).

⌊Or, 'By crossings (*tīrthá*) they cross (*tṛ*).'⌋ The comm. explains *praváto mahī́r íti* by *prakṛṣṭā mahatīr āpadaḥ . . . evam;* it also makes *díças* and *bhūtā́ni* in **d** the joint subject of *ákalpayanta*, having before taken *adadhus* as an imperative (*vidadhatu*)! Though the verse is obscure, the probabilities are doubtless in favor of the translation as given. ⌊Pāda **a** seems to be a reminiscence of 1. 49, above, or RV. x. 14. 1. Pischel renders the vs., *Ved. Stud.* ii. 74.⌋

8. The track (*áyana*) of the Añgirases is the eastern fire; the Ādityas' track is the householder's fire; the track of the sacrificial gifts is the southern fire; do thou, with thy limbs, whole (*sárva*), powerful (?*çagmá*), go unto the greatness of Agni [as] disposed by *bráhman*.

Both in this verse and in the next, most of our mss. accent falsely *dákṣiṇāgnis;* SPP. reports it of only one of his, and only in vs. 9. The comm. glosses *çagma* with *sukhita*. The verse (11 + 11 + 11 : 13 + 11 = 57) counts short of what the Anukr. describes it (*atiçakvarī* = 60 syll.).

9. Let the eastern fire burn (*tap*) thee happily (*çám*) in front; let the householder's fire burn happily behind; let the southern fire burn refuge, defense for thee; from the north, from the midst, from the atmosphere, from each quarter, O Agni, protect him round about from what is terrible.

⌊Cf. vs. 11.⌋ As to the accent of *dakṣiṇāgnis* in **c**, see under vs. 8. The funeral pile is separately, but simultaneously, kindled from each of the sacrificial fires. To make the verse *bhurij*, we have to commit the violence of scanning *agne* instead of *'gne* in the last pāda (so 12 + 10 : 12 + 11 + 12 = 57). ⌊The *a* of *agnís* in **a** and that of *agne* in **e** are of course to be elided. The insertion of another *tvā* in **b** after *çám paçcā́t* rectifies the meter. In **c** we have perhaps to tolerate 5 pre-cesural syllables; but with this reservation and the rectification in **b**, all 5 pādas are faultless *triṣṭubhs*.⌋

10. Ye, O Agni, having become back-carrying (?*pṛṣṭiváh*) horses, shall with most healthful forms (*tanū́*) carry him that has sacrificed unto the heavenly (*svargá*) world, where they revel in common revelry with the gods.

The doubtful word in this verse is *pṛṣṭivā́has* (as both editions read). All our mss. save one (Op.), and the majority of SPP's, accent *pṛṣṭivāhás*, as if nom. sing. of *-vāhá*, apparently by an error the opposite of that committed in vs. 1. Two of our later collated mss. (Op.R.), and one of SPP's by correction ⌊as if to correspond with *-vāhás*⌋, have *áçvas* before it; and the comm. also reads *açvas*, with *praṣṭivāhas*, explaining that *praṣṭi* is a chariot of the gods, harnessed with three horses, of which one is in front and two behind; and a *praṣṭivāha* horse is, of course, one that draws such a chariot. ⌊Cf. vi. 102. 2 and note.⌋ ⌊Four⌋ of our mss. ⌊Bs.M.I.T.⌋, but only one of SPP's, leave *madanti* unaccented at the end; ⌊Whitney's Bp.O.Op.R.K. accent it, as it should be⌋; the comm. reads instead *madema*. The Anukr. passes without notice the deficiency of a syllable in **b**.

11. Burn (*tap*), O Agni, happily behind, happily in front; burn him happily above, happily below; being one, O Jātavedas, triply disposed, set him collectedly (*samyák*) in the world of the well-doers.

⌊Cf. vs. 9.⌋ The adverbs translated 'behind' etc. might with at least equal propriety be rendered 'on the west,' 'on the east,' 'on the north,' and 'on the south.' Nearly all our mss. (not Bs.I.), and half of SPP's ⌊have the impossible⌋ accent *jātávedas* in **c**; and a few (including our O.R.) have at the end *lokám*. ⌊Although *samyág enaṁ* must pass for the true AV. reading, one cannot forbear to query whether it has not displaced an original *samyák táṁ*.⌋

12. Let the fires, kindled, take hold happily; let the Jātavedases, making done (*çṛtá*) here him that is Prajāpati's [and] sacrificial, not throw him down.

The verse (11 + 12 : 12) lacks a syllable of counting as a full *bṛhatī*. Two of our mss. (O.R.) read in **b** *jātavedaḥ* (without accent). The comm. reads *sam* instead of *çam* at the beginning. ⌊Cf. vs. 13.⌋

⌊The verse reminds us strongly of 2. 4 (which see), where *cikṣipas* without *ava* has quite a different meaning. Here, *cikṣipan* with *ava* means 'let them [the fires, not] throw [any part of the dead man] down'; that is, Agni (in his kindly forms, *çivā́s tanvàs*) is to treat the dead man kindly and not let a foot, the head, or a hand fall off from the funeral pile, but is to consume him completely: cf. the comm., who aptly says, *yathā niravaçeṣaṁ dahyate tathā*. The importance, in Hindu belief, of having every member of the body carried by Agni to the other world for use in the next life is abundantly shown by the hymns: see especially AV. xviii. 3. 9 **ab**; 2. 24 **c**; 4. 64; iv. 34. 2: and Whitney, *Oriental and Linguistic Studies*, i. 56–57.—When, as often happens, the pile of wood is too short for the corpse, the feet will naturally overhang and drop off from the pyre. In my journal of a visit at Benares, under date of Feb. 25, 1889, I find the following: "Saw a cremation, at the Burning Ghat. One foot of the corpse fell off the pyre (which was none too long), and a man tried to put it back on the fire with a bamboo. But failing, he took it by the toe with thumb and fingers and chucked it back." An allusion to an occurrence of this kind is clearly made by the Chāndogya Upanishad at vii. 15. 3: *atha yady apy enān utkrāntaprāṇāñ cchūlena* [cf. the bamboo, above] *samāsaṁ vyatisaṁdahet: nāi 'vāi 'nam brūyuḥ pitṛhā 'sī 'ti* etc.⌋

13. The sacrifice goes, extended, adapting itself (*?kḷp*), [taking] him who hath sacrificed, unto the heavenly (*svargá*) world; let the fires enjoy it, made a whole oblation; let the Jātavedases, making done here him that is Prajāpati's [and] sacrificial, not throw him down.

⌊Cf. vs. 12.⌋ 'Sacrifice' and 'whole oblation' ⌊and 'it,' that is *táṁ* in **c**,⌋ all refer, of course, to the deceased himself. ⌊Cf. Whitney, *Oriental and Linguistic Studies*, i. 56: "To burn the body of a deceased person was accordingly an act of solemn sacrifice, which made Agni its bearer to the other world, the future dwelling of its former possessor."—Cf. also Caland's most apposite citation from Bāudhāyana, *jātasaṁskāreṇe 'maṁ lokam abhijayati; mṛtasaṁskāreṇā 'muṁ lokam*, in his *Todtengebräuche*, pages 174, 178.⌋ The defective meter and incomplete construction of **b** make it altogether probable that the text is corrupt: *ījānā́nām* would help both. The comm. makes no difficulty of taking *abhi . . eti* causatively, = *abhigamayati*. He paraphrases *kalpamānas* by *iṣṭam pradeçam prāpayituṁ samarthaḥ*. The mss. vary between *kalpámānas*, *kálpamānas*, and *kalpamā́nas*; all of ours that were collated before printing had *kalpá-*, which we accordingly admitted in our text; but we ought to have emended to *kálpa-*, which SPP. reads. Two of our mss. (O.R.), and one of SPP's, also have *jātavedasaḥ* at end of **d**. The verse counts just a full *atiçakvarī* (11 + 10 : 11 + 12 : 12 = 56).

14. He that hath sacrificed hath ascended the piled fire, about to fly up to heaven (*dív*) from the back of the firmament (*nā́ka*); for him, the well-doer, shines forth from the welkin (*nábhas*), full of light, the heavenly road, traveled by the gods.

The mss. vary in **a** between *citám* and *cittám;* our text reads the latter; SPP's the former, which is doubtless correct, and which is implied by the translation. The comm. notes that *agni* is used to mean *iṣṭakacitaḥ pradeçaḥ*, quoting Āpast. 25. 4 as authority. According to Kāuç. (80. 52), the verse (the comm. says, vss. 14–15) accompanies the laying of the body supine on the pile; it comes next after 1. 46.

15. Agni thine invoker, Brihaspati thine officiating priest, be Indra on the right thy supervising priest (*brahmán*); this offered sacrifice, being completed (*sáṁsthita*), goeth where is the ancient track of those offered.

Both editions read in **c**, with nearly all the mss. (all ours save R.s.m., and half of SPP's), *hutó 'yám*, but both are wrong, the emendation to *hutò 'yám* being a matter of simple necessity (see note to Prāt. iii. 55). The verse is the last of the long passage that is used (by Kāuç. 81. 45) at the end of the cremation ceremony (see under vs. 1). It is far from being a regular *triṣṭubh;* ⌊after resolving *hotā adh-* in **a** and restoring in **c** the elided vowel, pādas **a** and **b** and **c** scan with smooth cadences as 12 + 11 : 11; there remains pāda **d**, with one syllable missing before the cesura: it would be a faultless *triṣṭubh* if we dared to insert *ásti* (*yátrā́sti*): the comm. understands the equivalent *vidyate*⌋.

16. Rich in cakes, rich in milk (*kṣīrá-*) let the dish (*carú*) take seat here; to the world-makers, the road-makers, do we sacrifice, whoever of you are here, sharing in the oblation of the gods.

⌊The definition of verses 16–24 as 14 : 12 + 11 = 37 is right by mechanical count; but the metrical character of what precedes the first *avasāna* is wholly misprized by the Anukr.: *carúr ā́ ihá sīdatu* is doubtless an *anuṣṭubh* pāda; and I am strongly tempted to suspect the loss (by haplography again: cf. iv. 5. 5, note) of a *ca* before *caru*, poor as the resulting cadence may be, so that instead of 14 we should have 8 + 8.⌋

We had the same refrain above, in 3. 25–35. ⌊Cf. my introduction to hymn 3, p. 847, ¶ 8.⌋ According to Kāuç. (86. 3), the verses beginning with *apūpavān* (16–24) are used as, in each case, what is specified in the verse (*mantroktam*) is deposited in the quarters and intermediate quarters (*dikṣv aṣṭamadeçeṣu*); this is in the ceremony of interment of the bone-relics, next after the use of 4. 57 and 3. 72 (see under the latter). ⌊At this point Whitney compares TA. vi. 8 and cites part of it. The TA. leaves out the depositions in the intermediate directions, SE. etc., and so has only 5 deposition-*mantras* instead of 9. The matter is treated more fully just below.⌋ According to the comm., *caru* means specifically the contents of the dish here: *kumbhyām pakva odanaḥ;* and *ihá* signifies: *asmin saṅcayanakarmaṇy asthnāṁ samīpe paçcimadigbhāge;* the others are set in the remaining half-directions, and one in the middle. ⌊Observe that the AV. begins the depositions with the west (so the comm., at p. 197^8, and at 201^{16} just cited), while the TA. begins, as noted below, with the east.⌋

⌊As part of the requisites for performing the *pitṛnidhāna*, Kāuç. (83. 2) prescribes eleven dishes (*carūn*). According to Kāuç. 86. 2, two dishes (*carū* *) are to be deposited, with our 4. 57 and 3. 72, near the head of the human figure formed with the bones (note to 3. 25); next, eight more (Kāuç. 86. 3) in the eight directions, with 8 vss. of our present sequence, that is, 4. 16–23; and then the eleventh and last dish in the center with our 4. 24, according to Kāuç. 86. 4, where we are to read (see under vs. 24) *madhye 'pavantam* (for *pacantam*), 'in the center [a dish] with water.'⌋ *⌊So we must read, with three of Bloomfield's mss., as Caland suggests, *Todtengebräuche*, p. 152, and as the AV. comm. makes plain at 224^{19} (*carudvayam*), though not at 176^{23}.⌋

⌊TA. vi. 8 reads thus: *apūpávān ghṛtávāṅç carúr é 'há sīdatū 'ttabhnuván pṛthivíṁ dyā́ṁ utó 'pári: yonikṛ́taḥ pathikṛ́taḥ saparyata yé devā́nāṁ ghṛtábhāgā ihá sthá: eṣā́ te yamasā́dane svadhā́ ní dhīyate gṛhè 'sāu: dáçākṣarā* [:] *tā́ṁ rakṣasva* etc. etc.—This set of *mantras* is metrical as far as *gṛhé* inclusive, 7 (8?) + 8 + 12 : 12 + 11 : 8 + 8; then prose. It accompanies the deposition of the cakes with a dish of ghee to the east of the bone-relics, and is followed by four other sets, which are not given in full in TA., but may, with the help of Sāyaṇa, be reconstructed as *ūhas* of this set. The order of deposition is (strangely) *pradakṣiṇa*, that is, from E. to S. to W. to N. and center. In the first set (used at the east) the words to be replaced are *ghṛtávān*, *ghṛtábhāgās*, and *dáçākṣarā;* and they are replaced in the second set (south) by *çṛtávān*, *çṛtábhāgās*, and *çatā́kṣarā* respectively; in the third set (west), by *kṣīrávān*, *kṣīrábhāgās*, and *sahásrākṣarā;* in the fourth set (north), by *dádhivān*, *dádhibhāgās*, and *ayútākṣarā;* and in the fifth set (center), by *mádhumān*, *mádhubhāgās*, and *ácyutākṣarā*. Thus the *mantra* of the last set would begin *apūpávān mádhumān* etc., for the deposition of cakes is common to that of all the dishes (so AV. comm., p. 202^{5}: *apūpasāhityaṁ sarveṣāṁ carūṇāṁ sādhāraṇam*).⌋

17. Rich in cakes, rich in curds (*dádhi-*), let the dish etc. etc.

18. Rich in cakes, rich in drops (*drapsá-*), let the dish etc. etc.

Our O. reads *drápsa-*, ⌊and so does one of SPP's mss.⌋. According to the comm., *drapsa* signifies "particles of curds" (*dadhikaṇās*).

19. Rich in cakes, rich in ghee, let the dish etc. etc.

20. Rich in cakes, rich in flesh (*mā̃nsá-*), let the dish etc. etc.

21. Rich in cakes, rich in food, let the dish etc. etc.

22. Rich in cakes, rich in honey, let the dish etc. etc.

23. Rich in cakes, rich in sap, let the dish etc. etc.

24. Rich in cakes, rich in water (*ápa-*), let the dish etc. etc.

Instead of *apavant* in this verse, the comm. has a second time *apūpavant*, explaining that it means cakes of a different material. In the five dishes of TA. (vi. 8) are contained respectively (besides the cakes), ghee, boiled flesh (*çṛtá*), milk, curds, and honey. ⌊Caland's suggestion of *'pavantam* for *pacantam* at Kāuç. 86. 4 (see WZKM. viii. 369) brings the text of Kāuç. into harmony with *ápavāṅs* of this vs.: cf. ¶ 3 of the notes to vs. 16.⌋

25. What vessels covered with cakes the gods maintained for thee, be they for thee rich in *svadhá*, rich in honey, dripping with ghee.

This is a ⌊precise⌋ repetition of 3. 68 above. While most of the mss. quote it, as usual, by the first words with *íty ékā* added, two (O.R.) write it in full. According to the comm., the verse follows the deposition of the nine dishes; and it adds: "one should put on mixed grains"; the Kāuç. makes no mention of it.

26. What grains I scatter along for thee, mixed with sesame, rich in *svadhā́*, be they for thee uprising (*udbhú*), prevailing; them let king Yama approve for thee.

This verse, differing from 3. 69 and 4. 43 by a single word (*udbhvī́s* instead of *vibhvī́s*), is written out in full by all the mss. The comm. has, instead of *udbhvīs*, *abhvīs*, glossing it with *mahatyas*. ⌊For a possible ritual use of the verse, see under 3. 69.⌋

27. A more abundant inexhaustibleness.

The comm. adds this to the preceding verse as a part of it; but the Anukr. and the mss. reckon it as an independent verse.

28. The drop leaped (*skand*) toward the earth, the sky (*dív*), toward both this lair (*yóni*) and the one that was of old; of the drop that goes about toward the same lair do I make oblation, after seven invocations (*hótrā*).

The verse is RV. x. 17. 11, and found also in several other texts: VS. (xiii. 5), TS. (iv. 2. 8^2, 9^5), TA. (vi. 6. 1), MS. (ii. 5. 10), ÇB. (vii. 4. 1^{20}). RV. differs from our text by reading in **a** *prathamā́ṅ ánu dyū́n;* all the rest agree throughout with AV., save that TS.TA. have *tṛtī́yam* for *samānám* in **c**. ⌊In MS. this verse stands between our ix. 4. 5 and 4. 4, as already noted under ix. 4. 5.⌋ Kāuç. does not apply the verse, but it is found (as above) in the funeral ceremony of TA., next after our 4. 35 below, being addressed to any overflow of the offered dish of curds and honey. The comm. explains *drapsa* by *somarasasthitodakakaṇa*, and teaches that such a drop, or the soma itself, is here praised, in view of the enjoyment of the fruit of their soma-sacrifices by the Fathers in heaven; it also points out that in ÇB. (vii. 4. 1^{20}) this drop is praised as the sun (*āditya*). In Vāit. (16. 17) the verse (with RV. x. 17. 12, 13 and one or two others) is used in the *agniṣṭoma* ceremony, with offerings to the soma-drops (*vāipruṣa*), on occasion of the overflow of soma.

29. A hundred-streamed Vāyu, a heaven-finding sun (?*arká*), wealth, do those men-beholders look upon; whoso bestow (*pṛ*) and present (*prayam*) always, they milk a sacrificial gift having seven mothers.

The verse corresponds to RV. x. 107. 4, which differs by reading *havís* at end of **b**, ⌊and *saṁgamé* at end of **c**⌋; it also reads *duhate* in **d** and puts the word after *dákṣiṇām;* the RV. hymn is one in praise of generous givers. *Nṛcákṣasas* in **b** might of course be gen. sing. (so Grassmann); both translators ⌊Grassmann and Ludwig⌋ take *saptámātaram* as 'mother of seven,' which is against the accent; the comm. takes it properly as possessive, but gives three different guesses at its value. The comm. takes *té* in **b** as 'for thy sake,' against the accent. Kāuç. does not quote the verse; the comm. says that it and the next are used together on watering the bone-relics with water falling from a vessel with a hundred holes; and these hundred holes it regards as referred to by the first word of the verse.

30. They milk a receptacle (*kóça*), a jar with four orifices, *íḍā* [as] milch-cow rich in honey, in order to well-being; reveling refreshment, Aditi among the people, injure thou not, O Agni, in the highest firmament (*vyòman*).

The first half-verse is found also in TB. iii. 7. 4^{16} and Āp. i. 13. 1, both of which read *útsam* for *kóçam*, *devī́m* for *dhenúm*, and *suvarvídam* for *svastáye*. The second half occurs in VS. (xiii. 49 **c**, **d**), TS. (in iv. 2. 10^2), ⌊MS., in ii. 7. 17, page 102^{15}⌋, and TA. (in vi. 6. 1); they all agree in reading for **c** *ghṛtám̐ dúhānām áditim̐ jánāya*, for which our text is a corruption, capable of only mechanical translation. The comm., in **a**, still thinks of four of the holes in the hundred-holed vessel; *íḍā* is either the earth or the name of a certain cow. In the funeral ceremony of TA. (as above), our **c**, **d**, with ⌊the correspondent of⌋ our 36 **a**, **b** below as first half, is used next after our vs. 28, and for the same purpose. The Anukr. does not heed that the first two pādas are *jagatī*.

31. This garment god Savitar gives thee to wear (*bhṛ*); putting on that, which is *tārpyà*, do thou go about in Yama's realm.

Some of the mss. (including our O.Op.R.) read *dadātu* in **b**. Our Op. accents *tā́rpyam*, and the word is variously accented by half of SPP's authorities. The comm. first explains the word as *tarpaṇārham prītikaram*, and then adds: 'or, made of a kind of grass called *tṛpā*, [and] anointed with ghee.' For the ritual use of the verse, in company with 2. 57, see under the latter verse. The comm. says only that it is addressed to the garment when the dead man is wrapped up.

32. The grains became a milch-cow; the sesame became her calf; upon her, unexhausted, one lives in Yama's realm.

The mss. are a little at variance as to the accent of *tilo 'bhavat;* but the majority give *tilò*, which is accepted in both editions. The comm. reads at the end *jīvāti*. The ritual application of this verse and its successor was given with that of 3. 69 above; the comm. says here that with vss. 32–34 grains mingled with sesame are put upon the bones. The first pāda is one syllable short.

33. Be these, O so-and-so, thy milch-kine that yield what is desired; variegated, white, of like form, of different form, with sesame as calf, let them wait upon (*upa-sthā*) thee there.

One of our mss. (Op.), and three or four of SPP's authorities, accent *tílavatsās* in **d**. The comm. has *bhavanti* in **b**. The verse (8 + 7 : 11 + 11 = 37) is not at all an *upariṣṭādbṛhatī*, but rather an irregular *āstārapañkti*.

34. Grains variegated, yellow, white, grains black, red, [be] thy milch-kine here; with sesame as calf, yielding (*duh*) him refreshment, be they ever unresisting.

The verse is found also in TA. (in vi. 7. 1), with its first half abbreviated to *éṇīr dhānā́ háriṇīr árjunīḥ santu dhenávaḥ;* and it accents *tíla-* in **c** (with our Op. and one or two of SPP's mss.). Our O. ⌊and apparently also P.I.⌋, with ⌊one or⌋ two of SPP's mss., also accent *enī́s*. Only a minority of the mss. (including our Bs.p.m. and Op.) have at the end *-ntīḥ*, the rest *-ntī*. Here and in vs. 36, most of the mss. accent *anapasphúr-*, and accordingly both edited texts accept it; but the readings ought unquestionably to be emended to *ánapasphur-* (which is given here by ⌊TA., Poona ed.,⌋ our O.R., ⌊and one or two of SPP's mss.⌋; in 36, by none); the accentuation in this part of the text is more than usually faulty. The comm. stupidly declares *apasphuraṇa* = *nāça*, and the participle therefore = ⌊*avinaçvaryaḥ* or⌋ *akṣīṇāḥ*. ⌊As alternative rendering, W. suggests 'not refractory.'⌋ ⌊W's 'here' seems to be meant as (the hardly licit) version of the accentless *asya:* Weber notices the wild incongruity (absent in the TA. version) between *asya* in **a**, *te* in **b**, and *asmāi* in **c**.⌋

35. In Vāiçvānara I offer this oblation, a thousand-fold, hundred-streamed fountain (*útsa*); it supports (*bhṛ*) [our] father, grandfathers; [our] great-grandfathers it supports, swelling.

That is, with fatness or abundance (*pinv*). The verse is found also at the beginning of TA. vi. 6; but this rectifies the meter of **b** by reading *sāhasrám útsaṁ çatádhāram etám;* and its **c**, **d** are not less different: *tásminn eṣá pitáram pitāmahám prápitāmaham bibharat pínvamāne.* One of our mss. (Op.) also accents *prápitāmahān.* In TA. (as noticed above) the verse is next followed by our 4. 28, in the relic-interment ceremony; according to Kāuç. (82. 22), it is used on the second day after cremation, with an oblation on the back of a *vānyavatsā** cow, after causing her to be milked on the site of the funeral pile. The comm. ⌊p. 209^{18}⌋ calls the cow *anyavatsā* (only by an error of the editor?). ⌊If error, it is an easy one, for the comm's words as combined are *dahanasthānasaṁnidhāv anyavatsāyāḥ:* but *anyavatsā* occurs in the comm. to AB. vii. 2, mentioned below.⌋ The verse (11 + 9 : 11 + 12 = 43) is hardly fit to be reckoned a *triṣṭubh.*

*⌊Primarily, *vānyà*, *abhivānyà*, *apivānyà*, *nivānyà*, as gerundives of *van*, mean 'to be won over to *or* wonted to': *abhivānyavatsá* is 'a calf that has to be wonted to' its new or adoptive mother. Such a word as the last, with *bahuvrīhi* accent, means '(a cow) possessing such a calf,' and by inference, 'a cow that has lost her own calf': so *abhivānyàvatsā*, AB. vii. 2, and Hiraṇyakeçi-sūtra, in Caland's Pitṛmedha-sūtras, p. 58^8; *apivānyàvatsā*, Kāuç., twice?, see below; *nivānyàvatsā*, ÇB. xii. 5. 1^4.— These possessives are then abbreviated, and we find *abhivānyà* at TB. i. 6. 8^4 and four times in the Pitṛmedhasūtras (see Caland's Index), and *nivānyà* at ÇB. ii. 6. 1^6, both words with the same meaning as *abhivānyàvatsā*, but coming to it secondarily; and also *vānyà* at TB. ii. 6. 16^2, p. 676 Poona, glossed by *mṛtavatsā dhenuḥ*, and ĀpÇS. viii. 15. 17, as equivalent of the not quotable *vānyàvatsā.*—After putting to paper the explanations just given I find them confirmed by Nārāyaṇa, to whom I was brought by Aufrecht's valuable note upon his excerpt from Sāyaṇa's comment on AB. vii. 2 (p. 377): Nārāyaṇa, in his comm. on AÇS. iii. 10. 17 says *abhivānyavatsā nāmā 'nyavatsena dohanīyā: abhivānyo vatso yasyāḥ sā 'bhivānyavatsā: abhivānyo 'bhivananīya ity arthaḥ.*—In Kāuç. 82. 22 there can be little doubt (cf. BR. i. 347) that we have to read *apivānyavatsām* after *ādahane ca;* and in like manner, at 80. 25, *apivānyavatsāyās:* with the latter passage is to be compared ÇB. ii. 6. 1^6, which describes the same ceremony; see also Caland, *Todtengebräuche*, p. 151. The use of the milk of a cow whose calf is dead is in keeping with the use of cows that are old, ugly, barren, etc.: cf. ÇB. xii. 5. 1^4 (dead man's *agnihotra*) and Caland, l.c., p. 173, p. 20.⌋

36. A thousand-streamed, hundred-streamed fountain, unexhausted, expanded upon the back of the sea, yielding refreshment, unresisting, do the Fathers wait on at their will (? *svadhábhis*).

The first half-verse stands in VS. ⌊xiii. 49⌋ TS. ⌊iv. 2. 10^2⌋ TA. ⌊vi. 6. 1⌋ MS. ⌊ii. 7. 17, p. 102^{14}⌋ as the first two pādas of a verse of which our 30 **c**, **d** above is second half; in all, the first word is *imám* followed in VS.MS. by *sāhasrám*, in TS.TA. by *samudrám*, before *çatádh-*; all of course omit the evidently intruded *ákṣitam**, and end **b** with *mádhye*, VS. having before it *sarirásya*, and TS.TA. *bhúvanasya.* Some of the mss. (including our O.⌊?⌋Op.R.K.) have in **d** the false accent *upā́sate*. The verse exceeds the proper measure of a *triṣṭubh* by the amount of *ákṣitam* in **a**. By Kāuç. (86. 5), it accompanies a sprinkling with water; ⌊Keç. says that it is the bones that are so sprinkled; so also the comm., who adds that it is done with a very leaky old dish (*sahasracchidra-pātra*): cf. Caland, l.c., p. 173. The sprinkling is part of the *dhuvana* ceremony, l.c., p. 137.⌋ *⌊The rationale of the intrusion becomes clear, I think, if we compare with our **a**, **b** the first pāda of iv. 27. 2, *útsam ákṣitaṁ viáçanti yé sádā.*⌋

37. This funeral pile (?*kásāmbu*) [is] piled with piling; come, ye [his] fellows, look down at it; this mortal goeth to immortality; make ye houses for him according to his kindred.

A number of the mss. (including our P.M.I.) read in **a** *cittám*, as in 14 **a** above. The *pada*-text at end of **b** is *paçyata : ā́ : ita.* Some of the mss. make a blundering insertion of signs of *kampa* in *mártyo 'yám* in **c**. O. has at the end -*sámbudham*. The comm. shows its usual skill in explaining *kasāmbu;* it means *kasāç cā 'mbūni ca*, *kasa* being by abbreviation from *kīkasa*, and = *asthi!* Kāuç. (86. 1) has the verse accompany the viewing of the bone-relics ⌊which are now in the trench, says Keç.⌋ by the 'fellows' of the deceased; the comm. says that either the relatives or all are to look at them as deposited in the hollow, while the manager recites the verse. The meter of the last pāda is redundant, and suggests emendation of the closing word. ⌊The vs., with its *cayanena citam* and *gṛhān* (cf. ÇB. as cited below under vs. 55), seems clearly to refer to a grave-mound; but the ritual use, with its trench, is in flat contradiction with such reference.⌋

38. Be thou just here, winning riches, with thought here, with ability here; be thou here, very heroic, vigor-bestowing, not smitten away.

The comm. understands *iha citta.iha kratuḥ* as four independent words. According to Kāuç. (87. 21), the verse is made to accompany the taking of one of two lighted sticks of wood (see under 1. 56), and setting it up in the dirt (see under 2. 34). That this was its original office may be questioned; perhaps it is rather an invocation of the ancestor for help to his descendants.

39. These waters, rich in honey, satisfying (*abhi-tṛp*) son [and] grandson, yielding to the Fathers *svadhā́* [and] *amṛ́ta* — let the heavenly waters gratify both sides.

That is, the Fathers on the one side, and their living descendants on the other. Some of the mss. (including our O.R.) accent *abhí* in **a**. The *abhi* could extremely well be spared, and its omission would make the verse a good *āstārapañkti* ⌊with *triṣṭubh* close in **c** and **d**⌋. According to Kāuç., the next verse is used in the *piṇḍapitṛyajña* while pouring water on the fire (88. 23), after the presentation of the *piṇḍas*, and this one while then rinsing the mouth (88. 24).

⌊As to vs. 40, see p. xcvii, note.⌋

40. O waters, send forth (*pra-hi*) Agni unto the Fathers; this sacrifice of mine let the Fathers enjoy; they who attach themselves unto a sitting refreshment, may they confirm to us wealth having all heroes.

A corresponding verse is found in HGS. (in ii. 10. 6), reading thus: *āpo devīḥ pra hiṇutā 'gnim etaṁ yajñam pitaro no juṣantām : māsī 'mām ūrjam uta ye bhajante te* *no rayiṁ sarvavīraṁ ni yacchantu;* and the comparison appears to convict our unintelligible third pāda of being a very gross corruption. ⌊Observe that the word preceding *āsīnām* ends in *m*, and cf. the cases assembled under xviii. 2. 3.⌋ The comm. has no difficulty in explaining 'a sitting refreshment' as "a *piṇḍa* set upon the *barhis*." Both editions read at the end *yachān*, but all the mss. save one of SPP's read *yachāt;* the comm. has *-ān*. The Anukr. does not heed that the first pāda is *jagatī*. For the ritual application, see under the preceding verse. ⌊With **a**, cf. 2. 4 **d**, above.⌋

41. They kindle the immortal one, oblation-carrying, ghee-loving; he knoweth the deposited deposits, the Fathers that are gone away to the distances.

The comm., with his usual disregard of the accent, takes *ghṛtapríyam* as from *ghṛtá* + *priyá* ⌊*prītikaram ājyaṁ yasya*⌋. For the ritual use as prescribed by Kāuç. 87. 22, see under 2. 34, one of the verses that accompanies it. But the verse is used also, by Kāuç. 86. 18, at the end of the ceremony of interment on "making the devouring (*saṁkasuka*) fire blaze up"; this the comm. does not report in his statement of *viniyoga*. ⌊Caland appears to be right in thinking that the *pratīka samindhate* means *samindhate saṁkasukam*, xii. 2. 11, and not our verse here. See under xii. 2. 11 and note the free use of vss. from xii. 2. in the *sūtras* immediately following 86. 18.⌋

42. What stirabout for thee, what rice-dish, what flesh I offer (*ni-pṛ*) to thee, be they for thee rich in *svadhā́*, rich in honey, dripping with ghee.

The second half-verse is identical with 3. 68 **c**, **d**, above. Nearly all the mss. (of ours, all save Op.) accent *mánthan* in **a**; both editions read *manthám*. The comm. again ⌊see under 2. 30⌋ notes the technical sense of *ni-pṛ : niparaṇaṁ nāma pitryopavītinā parācīnapāṇinā pitrarthaṁ coditadravyasya prakṣepaḥ*. By Kāuç. 84. 6, the verse accompanies an offering of the articles mentioned, in the hut (*vimita*) in the preparation for interment of the relics; the comm. overlooks this. ⌊For the ceremony, cf. Caland, *Todtengebräuche*, p. 137.⌋

43. What grains I scatter along for thee, mixed with sesame, rich in *svadhā́*, be they for thee abundant, prevailing; them let king Yama approve for thee.

This is a repetition of 3. 69, being distinguished as such (and not of 4. 26) by the words *íti pū́rvā*, instead of *íty ékā*, after the *pratīka* in most of the mss. Nevertheless, the two *saṁhitā*-mss. of ours (O.R.) which give it in full, read *udbhvī́s* in **c**, the word in 4. 26, instead of *vibhvī́s*, that in 3. 69; and the comm. also states the repetition to be of 4. 26; and SPP's text reads accordingly. ⌊For the ritual, see under 3. 69.⌋

44. This [is] the former, the after down-track, by which thy former Fathers went away; they who are the forerunners, the followers (? *abhiṣác*) of it, they carry thee to the world of the well-doing.

Our reading *abhiṣā́cas* is an emendation, almost every ms. giving *abhiçā́cas* (our Op. has *abhi°sā́caḥ*, and also one ⌊or two⌋ of SPP's authorities); *-ṣā́c-* is of course intended, and the comm. gives it. SPP's text follows the mss. The comm. explains *niyāna* as the wagon (*çakaṭa*) on which the corpse is carried to the funeral pile; and the 'forerunners' and 'followers' as the oxen that draw it, in front and on all sides: which is doubtless not at all the true sense; he also reads *vahantu* in **d**. The verse is one of the *harinīs* ⌊Kāuç. 80.35; 82.31 note⌋: see under i.61. It lacks (in **a**) a syllable of being a full *triṣṭubh*. Its second pāda is identical with i.54 **b**.

45. On Sarasvatī do the pious call; on Sarasvatī, while the sacrifice is being extended; on Sarasvatī do the well-doers call; may Sarasvatī give what is desirable to the worshiper.

46. On Sarasvatī do the Fathers call, arriving at the sacrifice on the south; sitting on this *barhís*, do ye revel; assign thou to us food free from disease.

47. O Sarasvatī, that wentest in company with the songs, with the *svadhā́s*, O goddess, reveling with the Fathers, assign thou to the sacrificer here a portion of refreshment of thousand-fold value, abundance of wealth.

These three verses are a repetition of i.41–43 ⌊see notes thereon⌋, quoted by *íti tisráḥ* in most mss., but written out by our O.R. (both accenting *dakṣiṇā́* in 46 **b**).

48. Thee, being earth, I make enter into earth; may god Dhātar lengthen out our life-time; let him that goeth very far away be a finder of good for you; then may the dead (pl.) come to be (*sam-bhū*) among the Fathers.

The first pāda is identical with that of xii. 3. 22, and hence the comm. here makes the blunder of reporting this verse as quoted by Kāuç. 61.30,* whereas it is evidently the other; and he explains the meaning to be that earth is smeared upon the vessel ⌊porridge-pot⌋, which is entirely out of place in this connection, the analogy being with our own phrase "earth to earth." The problematic *párāparāitā* ⌊p. *párā॰parāitā*⌋ in **c** is rendered strictly according to its form, as if composed of *párā-parā + etṛ;* the Pet. Lexx. render it as "one who departs after another or in due order"; but I cannot see how this meaning is arrived at. The comm. reads *parāparetās* (our O. gives *-retas*), and explains it as *dūradeçam parāñmukham ito gatāḥ*. The comm. also, against *pada*-text and accent, understands *adhā 'mṛtās* in **d**. *⌊Cf. p. 869, ¶ 7.⌋

49. Start ye (du.) forward hither, wipe off that which the portents (?*abhibhā́*) have said there of you; from that come ye, inviolable ones, to this which is better, being bestowers here on me, a giver to the Fathers.

This is highly obscure, and the second half-verse, especially, is rendered only mechanically, and even then with substitution of *vásīyas* where nearly all the mss. have *váçīyas* or *vaçīyas* (our M.I.D., and one of SPP's, *vaçāyas*, which our text, quite unsuccessfully, emends to *vaçā́ya*); SPP. admits *váçīyas* in his text; the comm. has *vásīyas*. According to Kāuç. (82.40), the verse is addressed to the two kine (the comm. says, the two that have drawn the hearse): the direction is *iti gāvāv upayachati;* it is perhaps intended as a purification of them after the ill-omened service which they have performed. In **c** the vocative, *aghnyāu*, is an emendation, SPP. reading with the mss. *aghnyā́u;* but the accentuation of the mss. is here very unauthoritative; the comm. also takes the word as vocative. Nearly all our mss. (all save O.Op.R.) leave *ūcus* in **b** without accent. The comm. is not ashamed to derive *abhibhās* formally from *abhi-bhū*, and to explain it by *abhibhāvakās* or *dūṣakās;* his general explication of the pāda, as intimating a reproach brought against the pair for having been engaged in such business, is doubtless good. The defective meter suggests a corruption of the text. The comm. takes *iha* and *bhojanāu* in d as two independent words, and renders *bhojanāu* by *bhojayitārāu* or *pālayitārāu*. Two of SPP's mss. also accent the words separately. ⌊On his margin Whitney pencilled the memorandum, "Recast this note."⌋ ⌊In Ppp., immediately after our xvii. 1. 30, comes this verse. Its appearance in that place is possibly to be interpreted as a hint at the existence in Ppp. of our book xviii., of which, however, there are no other traces in Ppp. save the straggling verses 1. 46 (in ii.), 2. 13 (in xix.), 2. 17 and 3. 56 (in xx.).⌋ ⌊☞ Last addition misplaced: see p. 1016.⌋

50. This sacrificial gift hath come excellently to us, given by him, well-milking, vigor-bestowing; old age, coming close to (?*upa-pṛc*) them living in youth, shall lead these away together unto the Fathers.

According to Kāuç. (82. 41, the next rule to that which quotes the preceding verse), the verse accompanies the giving ⌊or receiving: comm.⌋ of a *dakṣiṇā* or sacrificial gift of at least ten kine ⌊the comm. says one⌋, at the close of the after-cremation ceremonies. But this gives no clew to the meaning of the second half-verse, whose connection with the first remains very obscure. The two editions agree in their text throughout, but *upapṛ́ñcatī* is obviously an inadmissible accentuation, requiring emendation to *upa-pṛñcatī́;* and it is against all rule to accent any but the last of two or more prefixes to the same verb: hence *upasampárāṇayāt*—which accent is given by ⌊two or⌋ three of SPP's authorities, and which he therefore had good reason for adopting (it is also given by our O.Op.R., all collated after our publication). ⌊If I understand the Collation Book, O.R. accent *upasám párā-*.⌋ Three of our *pada*-mss. (Bp.Kp.D., but D. not accented) make the anomalous division *upa○sám : parānayāt;* the other (Op.) has *upa○sampárānayāt*, which is the regular and proper form: see Prāt. iv. 2 and note, and iv. 7. In c, our Bp.D. (but D. without accent) have the strange reading *yāú : váne*, and Op. *yāuváneṣu;* while Bs. ⌊O.K.⌋ also accent *yāú váne*, as do two of SPP's mss. (three others *yāuváne*, and only two, with our M.T.R.s.m., *yāúvane*).

51. This *barhís* I bring forward for the Fathers; a living, higher one I strew for the gods; that do thou ascend, O man, becoming sacrificial; let the Fathers acknowledge thee who art departed.

A corresponding verse is found in TA. (in vi. 7. 2), which reads in a *bharema*, for b *devébhyo jī́vanta úttaram bharema*, for c, d *táttvaṁ ārohā́so médhyo bháva* ⌊Poona ed. *bhávam**⌋ *yaména tváṁ yamyā̀ saṁvidānáḥ :* its text is plainly in part corrupt. *Bhávan* in c is an emendation, all our mss. save one (Op.), and the majority of SPP's, reading *bhavan*, as if mixing the word up with *bhava*, imperative. The comm. reads in b *jīvan*. Neither this verse nor its predecessor is to be called with any reason a *jagatī;* ⌊but 50 c, d and 51 c have *jagatī* cadences⌋. This has the same *pratīka*, so far as concerns the first two words, as 1. 46, and it is impossible to tell which of the two verses is quoted by Kāuç.; but the comm. declares the first half of this one to be used as *darbha*-grass is strewn upon the wood of the funeral pile, and the second half as the corpse is laid supine upon the grass thus strewn: that is to say, this verse is intended in Kāuç. 80. 51; ⌊so also Caland, WZKM. viii. 368⌋. *⌊The mss. vary between *bhavaṁ* and *bhava* and the TA. comm. understands *bhava*.⌋

52. Thou hast sat upon this *barhís*, thou hast become sacrificial; let the Fathers acknowledge thee who art departed; collect thy body according to its joints; I arrange thy members with *bráhman*.

The reading *yathāparú* in c is an emendation, made alike by both editions;* the comm. has it, but all the mss. give *yathāpurú* — which is perhaps not altogether untranslatable: 'according to its muchness.' We should expect in **b** rather *jā́nan* than another *jānantu* (51 **d**). The verse evidently belongs with its predecessor ⌊used at 80. 51⌋, but is entirely separated from it in ritual use, accompanying, according to Kāuç. 85. 25, ⌊the assembling of the bones so as to form a human figure, as explained under 3. 25⌋; next after it are quoted 2. 24, 26 and 3. 25–37. Pāda **b** has an extra syllable. ⌊With regard to the place of the vs., see p. 870, ¶ 1, and p. 870, end.⌋

*⌊In support of the emendation, SPP. adduces ix. 5. 4, with its *yathāparú* and *paruçás*. I think that *yathāparú* (as against *yathāpurú*) is strongly supported by the sense (much less so by the mss.) of the two Kāuçikan passages which give the ritual for ix. 5. 4 and for this vs. respectively, to wit, 64. 10 and 85. 25. In the latter passage the mss. have *yathāparuḥ saṁcinoti* (one, *-puru*), and Keçava says *yathāparu*, and Bloomfield emends to *yathāparu;* but I am not quite sure that it is necessary, for *yathāparus* may not be bad Sanskrit.⌋

53. King leaf is the cover of the dishes; the strength of refreshment, the power, vigor, hath come to us, dispensing (*vi-dhā*) life-time to the living (pl.), in order to length of life for a hundred autumns.

The comm. reads in **a**, against the *pada*-text and the metrical requirement, the later abbreviated *pidhānam*. It understands by *parṇa* ('leaf') the tree so called, or the *palāça*-tree; and this may be correct; this tree, it says, owing to its sacrificial quality, is the overlord of trees. ⌊Cf. the synonyms *brahmapādapa* (in Hemacandra) and *yājñika*, *viprapriyā* (in Rājanighaṇṭu): cf. also *brahma vāi palāçaḥ*, ÇB. xiii. 8. 4^1.⌋ It takes *ūrjás* as a nominative, which makes a decidedly easier reading, but is unsupported by Vedic usage elsewhere. Only two or three mss. (including our Op.) read in **c** *vidádhat*, the rest *vídadhat* (and the *pada*-mss. *ví°dadhat*, which is absurd ⌊cf. note to xiii. 3. 17⌋, but rather indicates that the word was correctly viewed as a participle); and SPP. accepts *vídadhat*, p. *ví°dadhat*, because the comm. supports the majority of the mss. by understanding *ví dadhat*. The true reading is, beyond all reasonable question, *vidádhat*, as our text gives it. The meter seems to be viewed by the Anukr. as 10 + 11 : 8 + 11 = 40; it is rather too irregular to merit a name. Its use* in Kāuç. (86. 6) follows that of vs. 36 above; it accompanies the laying of middle-foliage (? *madhyamapalāçās*) down upon the offering dishes: the comm. says, more explicitly, upon the nine dishes spoken of in vss. 16–24, and also upon the perforated plates (*madhyapalāçapatrāir ācchādayet*); Keçava's explanation corresponds closely with this.

*⌊The *palāça* has ternate leaves, from 8 to 16 inches long: Roxburgh, *Flora Indica*, p. 540, Calc. ed. 1874. By *madhyama parṇa* or *palāça* is meant the middle one of any of these ternate groups; the middle one is especially fit for holy use by reason of its likeness to a sacrificial ladle: TB. i. 6. 10^3, *madhyaména parṇéna juhoti: srúg ghy èṣā́:* cf. also Sāyaṇa on TS. i. 8. 6, p. 1167, Poona. I am indebted to Caland's excellent paragraphs on this subject, ZDMG. liii. 212.—The "nine dishes" are the last nine of the eleven whose deposition is explained above, under vs. 16. The "plates" are the leaky old dishes noticed above under vs. 36.⌋

54. The share of refreshment that generated this man; — the stone attained (*gam*) the overlordship of the foods; — him praise ye, all-befriended, with oblations; may that Yama make (*dhā*) us to live further.

The second half-verse is identical with 3. 63 **c**, **d** above. The translation of the first half is purely mechanical, the sense being wholly obscure. The comm. renders *bhāgás* by *sambhaktā*, and *ūrjás* by *annasyā 'sthisamīpasthāpitacarulakṣaṇasya*, *yamas* being the implied subject; then the 'stone' is the one used to cover the same *annāni* or *caravas*. A couple of our mss. (O.R.) and one of SPP's read in **b** *áçvā́ 'nnām;* several (including our O.Op.R.) have *ádhipatyam*. Some of ours (O.R.K.) and three of SPP's leave *jagāma* without an accent, which seems better, and is implied in the translation. One of SPP's gives *bhāgám* in **a**. In Kāuç. (86. 7) the verse is used next after 53, and accompanies the covering of the same dishes with stones — or, the comm. adds, with bricks. ⌊Cf. Caland, *Todtengebräuche*, p. 157.⌋ It lacks a syllable in **a**. Our edition leaves *viçvamitrās* in this verse without accent, on the authority of two of our mss. (Bp.M.); all SPP's give *viçvámitrās*, p. *viçvá°mitrāḥ*, as in 3. 63, and he accepts this in his text. The two verses ought of course to be made to agree, but there is little reason for preferring either nominative or vocative ⌊the comm. takes the doubtful word as voc.⌋. ⌊If the Viçvāmitras be not meant here and at 3. 63, then Weber's observations reported under 3. 16 lose some of their basis.⌋

55. As the five clans (*mānavá*) scattered (*vap*) a dwelling (*harmyá*) for Yama, so do I scatter a dwelling, that there may be many of me (?).

A corresponding verse is found in TA. (in vi. 6. 2); it reads *hārmyám* in **a** and **c**, and *evám* in **c**; and for **d** *yáthā́ 'sāma jīvaloké bhū́rayas*, which, however unmetrical, is at least capable of being translated, while this can hardly be claimed for our **d**. All the mss. read at the end *ásatas*, save one of SPP's, which follows the comm. in giving *ásata*, as is read in both editions — in ours, purely as an emendation. The comm. makes no difficulty of taking *ásata* as = *syāta*, and explaining "that ye my relatives may be numerous"; but that would be *ásatha;* and *ásata* has no grammatical standing of any kind, and hence is to be rejected. The comparison with TA. at least shows that the pāda is corrupt. The comm. foolishly divides *evā́vapāmi* in **c** into *eva āvapāmi*. Three of our *pada*-mss. (not Op.) most absurdly divide *áva-pan* in **b**; it is strange that SPP. reports nothing of the kind from his authorities. By Kāuç. (86. 11) the verse is used next after 2. 50 etc., with the direction *iti saṁçritya* ('on finishing the pile'?); the comm. says that with it they are to divide (*kuṭṭay*) leftwise, with sticks or bricks, the part of the cemetery on which the pile stood: in TA. it accompanies the "placing in the jar [of relics] the drugs called *sarvāuṣadhi*" (hence, perhaps, the use of *vap* in the verse, as they are strewn in); ⌊but cf. Caland, *Todtengebräuche*, p. 149⌋.

⌊On *saṁçritya* (?) and *kuṭṭayeyus.* — Kāuç. 86. 10 reads: *idam id vā u na* (xviii. 2. 50) *upa sarpa* (3. 49) *asāu hā* (4. 66) *iti cinvanti.* Sūtra 11 continues: *yathā yamāya* (4. 55) *iti saṁçritya.* Upon 10, Keç. says: *çilābhir* (? *çalākābhir* ?) *viṣamābhir iṣṭakābhir vā prasavyaṁ cinvanti çmaçānam.* And the AV. comm., in giving the ritual for 2. 50 (p. 115) and 3. 49 (p. 161) and 4. 66 (p. 233), says: *çmaçānadeçaṁ viṣamasaṁkhyākābhiḥ çalākābhir iṣṭakābhir vā prasavyaṁ cinuyāt*, using the very same words in all three passages, save that he leaves out the second word in the second passage. Then, for 4. 55 (p. 224) he says: *çalākābhir iṣṭakābhir vā prasavyaṁ citaṁ çmaçānapradeçaṁ kuṭṭayeyuḥ.* — In all these passages, *çmaçāna* or *çmaçāna-deça* or *-pradeça* must mean the mound which they heap (*ci*) over the buried bones: cf. ÇB. xiii. 8. 1^{1} *athā 'smāi çmaçānaṁ kurvanti, gṛhān vā prajñānaṁ vā* ('or as a monument'), and Harisvāmin's comment, p. 1017^{15}, *çmaçānam prasiddham asthi-saṁrakṣa-vāstu;* the mound is, as with us, not quite knee-high, ÇB. xiii. 8. 3^{12}, *adhojānu.* — The meaning of our comm. on 4. 55, accordingly, seems to be: 'after the mound has been heaped up (*citam*), they should pat (*kuṭṭay*) it with splints of wood or with bricks, [going around it, as they pat it,] to the left.' — If this be right and if *kuṭṭay* is the comm's version of the word after *iti* in *sūtra* 11, then I suspect that Bloomfield has not hit the right reading in the printed text. Whitney's 'on finishing the pile' would call for *saṁsthāpya;* but *saṁçnathya* is much nearer to the meaning of *kuṭṭay* and also to the probable intention of Bl's mss., and I would accordingly read *saṁçnathya* in place of the printed *saṁçritya.* Root *çnath* means 'thrust, push,' in their ordinary and in their obscene senses, and here, with *sam*, 'to make [the mound] compact or firm by striking or beating or patting,' as a modern gravemaker pats the mound with his spade to give it shape and firmness.⌋

56. Wear (*bhṛ*) thou this gold, which thy father wore before; of thy father, going to heaven (*svargá*), do thou wipe off the right hand.

The majority of mss. read *pitur* in **c**, some *pītur*, and hardly any (of ours, only Op.) *pitúr.* Many of ours have *mṛḍhḍhi* in **d**: see Prāt. i. 94 and note. The comm. strangely gives *piprhi* ⌊cf. xiii. 1. 1, note⌋ in **a** (though *abibhar* in **b**!). According to Kāuç. 80. 46, 47, the first half-verse is used as the manager takes with the right hand some gold worn by the deceased, smears it with ghee, and passes it to the eldest son; the second half-verse, as he makes him wipe off his (of course, the father's) right hand; the comm. states it thus: "with the first half he makes the oldest son heat (*ādīpayet:* as if the comm. read in Kāuç. *ādīpayati* instead of *ādāp-*) in the fire gold found in the hand of the deceased; with the other half the son should wipe the deceased's hand."

57. Both those who are living and those who are dead; those who are born and those who are worshipful — for them let there go a brook of ghee, honey-streamed, overflowing.

We had the second half-verse above as 3. 72 **c**, **d**, only with *çatádhārā* instead of *mádhudhārā.* The mss. are again at variance as to the accent of *kulyā;* and the majority also accent *madhúdhārā*, as if they had *çatádh-* in mind ⌊cf. end of note to 1. 42 above⌋. *Yajñīya* is a queer antithesis to *jātá*, and the comm. reads instead *jajñiyās*, explaining it as *jajñim utpattiṁ yānti gacchanti:* that is, *jajñi* + root *yā!* The comm. also understands in **d** *madhudhārās*, as object of *vyundatī.* A corresponding verse is found in TA. (in vi. 12): it omits the first *ca* in **a**; has at end of **b** the almost acceptable reading *jántyās* (it ought to be *jántvās*); offers in **c** the curious corruption *dhārayitum* for *kulyāi 'tu;* ⌊and accents *mádhudhārā* in **d**⌋. The schol. add the verse to 56, as used by Kāuç. 80. 46; the Kāuç. uses it twice with 3. 72: see under that verse; in TA. it has an utterly different application, in the ceremony of turning loose the cow that was led with the corpse to the funeral pile.

58. There purifies itself the conspicuous bull of the prayers, the sun of days, lengthener out of dawns, of the sky (*dív*); the breath of the rivers hath made the jars to resound loudly; entering Indra's heart with skill.

This is a verse out of one of the most formidable hymns of the RV. soma-book (RV. ix. 86. 19), and occurring also twice in SV. (i. 559; ii. 171). In **b**, RV. reads *sómo áhnaḥ pratarītó 'ṣáso diváḥ;* in **c**, *krāṇā́* and *avīvaçat;* in **d**, *hā́rdi* and *manīṣíbhis;* with this SV. in general agrees, but has, with AV., *áhnām* and *uṣásām* in **b**, and *acikradat* in **c**; it is peculiar in reading *prāṇā́* (p. *pra○āṇā́*) at beginning of **c**; a corruption, doubtless, which is carried out to greater intelligibility in our *prāṇás.* The

AV. corruption, of both sense and meter, in **b**, *pratárītā uṣ-*, supported by the *pada*-reading *pra°tárītāḥ*, is very strange; of our mss., only three (O,R., supported by Op. *-tā : uṣ-*) have the correct *-to 'ṣ-*; of SPP's, according to his account, about half support *-to 'ṣ-*, and he accordingly admits that reading into his text; we ought to have done the same by emendation. ⌊For *hā́rdim āviçán* (p. *ā°viçán*) *man-*, the comm. reads *hārdima . . . aviçat . . . man-*.⌋ What right the verse has here (or vs. 60, coming from the same RV. hymn) does not appear; neither Kāuç. nor the comm. uses it in the ritual; but the latter says, as if by way of excuse, that, as the Fathers enjoy the fruit of the soma-sacrifices which they have offered, soma is praised in the ceremonies for the Fathers. He explains the 'rivers' in **c** as the *vasatīvarī* waters. ⌊He says, p. 224^{23}, *vṛṣā matīnām ityādīnāṁ tisṛṇām* (vss. 58, 59, 60) *pitṛmedha eva kāṇḍokto viniyogo 'nusaṁdheyaḥ*, which is not clear to me: should it be *pitṛmedhakāṇḍa evokto?*⌋

59. Let thy sparkling (? *tveṣá*) smoke cover, being in the sky, extended bright; for thou, O purifier, shinest like the sun with luster, with beauty (*kṛpā́*).

The verse is RV. vi. 2. 6 and SV. i. 83; both read *ṛṇvati* in **a**; ⌊in **b**, SV. combines *diví sáñ ch-*: cf. *diví ṣáñ ch-* at xvii. 1. 12⌋. The comm. explains *kṛpā* as = *kṛpayā* or *stutyā*. Vāit. (6. 11) uses the verse, with others, in the ceremony of establishing the fires.

60. Soma (*índu*) verily goes forward to Indra's rendezvous; the comrade does not violate (*pra-mī*) the comrade's agreements; thou rushest to join, as a male after females — soma, in the jar, by a road of a hundred tracks.

The verse corresponds to RV. ix. 86. 16, which has, however, important variants: in **a**, *pró ayāsīd índur* and *niṣkṛtám;* in **b**, *saṁgíram;* in **c**, *yuvatíbhis* and *arṣati;* in **d**, *çatáyāmnā;* SV. (i. 557; ii. 502) agrees with RV. except in the last item, having, like our text, *-yāmanā*. ⌊The meter shows that it is to be pronounced *-yāmanā*, whichever way it is written: cf. JAOS. x. 532.⌋ Our *níṣkṛtim* is hardly better than a corruption of the RV. reading; but the comm. understands it as Indra's "belly" (*jaṭharalakṣaṇaṁ sthānam*), and supports his opinion by quoting RV. iii. 35. 6. *Saṁgirás*, in **b**, is understood in the translation as *saṁgíras* (which is read by two or three mss., including our O.), the former being unintelligible; the comm. gives two explanations, both implying the accent *-gír-*, one from *sam-gṛ* 'agree,' the other from *sam-gṛ* or *-gil* 'swallow down,' thus finding in the verse another "belly" (*saṁgiras = saṁgiram = udaram*). Our text of **c** spoils both the meter and the connection, making the line render very lamely; the comm. reads *yóṣā*, and takes it as an instrumental (like *yuvatíbhis*); in **d** he has the RV.SV. reading. The metrical definition of the Anukr. is worthless. ⌊The RV. verse is a good *jagatī*, and so is this, barring **c**, where the corruptions have spoiled meter as well as sense.⌋

61. They have eaten; they have revelled ⌊surely⌋; they have shaken off (*áva*) those that are dear; having own brightness (*svábhānu*), they have praised; inspired, youngest, we implore.

The verse corresponds to RV. i. 82. 2 **a–d**, and is found also in other texts: SV. i. 415; VS. iii. 51; TS. in i. 8. 5^{2}; MS. in i. 10. 3. All these agree in reading in **c** *priyā́s* for *priyā́n*, and, for **d**, *víprā náviṣṭhayā matī́;* and they add a fifth pāda, a refrain, having nothing to do with the meaning of the verse. A majority of the AV.

mss. (including our M.O.Op.R.K.D.) read *ávā 'priyān̄* (p. *áva : apriyān̄*), and this is perhaps the true Atharvan text (though the accent, in that case, should be *ávā́ 'priyān*), and defensible on the ground of sense; our last pāda is nothing but a senseless corruption. In Kāuç. (88. 27) the verse is used, next after vss. 81 ff.,* in the *piṇḍapitṛyajña*, with the direction *ity uttarasicam avadhūya;* the comm. paraphrases this to mean that one is to perform an additional sprinkling (? *uttarapariṣeka*) next after the worship (*upasthāna*) of the *piṇḍas*. For the application of the verse to the Fathers, compare TB. ii. 6. 3^2, *ákṣan pitáraḥ : ámīmadanta pitáraḥ*, etc.; ⌊also Sāyaṇa's comm. on TS. i. 8. 5^2, Poona ed., p. 1159⌋. *⌊It is to be noted that in the *piṇḍapitṛyajña* of the VS. (ii. 31), *amīmadanta pitaraḥ* etc. comes just before the verses corresponding to our vss. 81–85.⌋ ⌊ÇGS., i. 15, prescribes the RV. verse for use when the bride greases the axle of the wedding-car: is this because of the resemblance of *akṣam* ('axle') to *akṣan* (root *ghas*)?!⌋ ⌊See p. lxxix.⌋

62. Come ye, O Fathers, delectable, by profound roads that the Fathers travel, assigning to us lifetime and progeny; and do ye attach yourselves to us with abundances of wealth.

The last pāda was found above as ix. 4. 24 **d**. Corresponding verses are found in HGS. ii. 10. 5 and MB. ii. 3. 5. For **a**, **b**, MB. reads *eta pitaraḥ somyāso gambhīrebhiḥ pathibhiḥ pūrviṇebhiḥ;* and as second half-verse it has our 3. 14 **c**, **d**. HGS. has *ā yāta pitaraḥ somyā gambhīraḥ* (misprint for *-rāiḥ?*) *pathibhiḥ pūrvyāiḥ*, with an altogether different **c**, **d**. We should prefer *somyāsas* unaccented, both in this verse and in the next, but no ms. so reads. The comm. has in **c** *dadhata*, which he pronounces the same as *dhatta*. In Kāuç., in the *pitṛnidhāna* ceremony, the verse accompanies (83. 27) the bringing of the bone-relics, before sunset ⌊into the hut: Keç.⌋; and it is followed (83. 28, 29) by 1. 52 and 2. 29; then, in the *piṇḍapitṛyajña* (87. 28), the three are repeated; the comm. notices only the latter use, stating that with this verse one is to scatter sesame on the *barhis* spread for the purpose of giving the *piṇḍas*. In number of syllables, the verse answers to the description of the Anukr. (9 + 10 : 11 + 11 = 41). ⌊The MB. reading makes a rectification of the meter at the beginning of **b**.⌋

63. Go away, O Fathers, delectable, by profound roads that go to the stronghold (*pūryáṇa*); then, in a month, come ye again to our houses to eat the oblation, with good progeny, with good heroes.

All the *pada*-mss. commit the strange blunder of dividing *ā́yāta* in **c** into *ā́ : ayāta;* both editions make the necessary correction; the comm. also understands *ā yāta*. In **d**, some of the mss. make great difficulty over *áttum*, reading also ⌊*annum*,⌋ *atnum*, *antum*, *atnūn*, and the comm. gives as a compound *haviratnūn;* but our O.R.D., and the majority of SPP's authorities, have the correct reading; as does also HGS. in its corresponding verse ⌊ii. 13. 2⌋. HGS. ⌊spoils the meter of **a** by modernizing *somyā́sas* to⌋ *somyās;* reads in **b** *pūrvyāis;* ⌊and begins **c** with *atha*⌋. The first half-verse occurs also in MS. i. 10. 3 and AÇS. ii. 7. 9. MS. makes nearly good meter of it, reading *páre 'tana pitaraḥ somyāso gambhīrébhiḥ pathíbhiḥ pūrvébhiḥ* (which should evidently be emended to *pūrvyébhis*); AÇS. differs from this only by having at the end *pūrviṇebhis* (with K. and Kap.S., as pointed out by Schröder). Prāt. iii. 83 quotes the word *pūryāṇa*. Kāuç. uses the verse in the *piṇḍapitṛyajña* (88. 28), next after vs. 61, in dismissing the Fathers after their feast of *piṇḍas*. The metrical description of the Anukr. is very poor: ⌊it is probable that the verse originally was 11 + 11 : 12 + 11; but its **b** is spoiled metrically⌋.

64. What one limb of you Agni Jātavedas left when making you go to the Fathers' world, that same for you I fill up again; revel ye, O Fathers, in heaven (*svargá*) with [all] your limbs.

HGS. has (in ii. 11. 1) an analogous but quite different verse: *yad vaḥ kravyād añgam adahal lokān ayam praṇayañ jātavedāḥ: tad vo 'ham punar ā veçayāmy ariṣṭāḥ sarvāir añgāiḥ sam bhavata pitaraḥ.* Most of our mss. (all except O.Op.R.), but, by his account, only one of SPP's, leave *ajahāt* in **a** unaccented; on the other hand, all without exception accent in **d** *pitáras*, which SPP. accordingly admits into his text; but our emendation to *pitaras* is plainly necessary. What the comm. says is here unknown, because the manuscript shows a considerable lacuna, involving the latter half of the explanation of this verse, with the text of the next and the larger part of its exposition. Kāuç. uses the verse (88. 5) in the *piṇḍapitṛyajña*, next after vss. 74, 78, to accompany an offering of rice-grains with the stirring-stick (*sāyavana* ⌊that is, *sa-āyavana:* SPP's *sāṁyavana*, p. 233^4, does not seem right⌋). ⌊As to completeness of limbs in the other world, see my note to 4. 12, above. This verse was translated metrically by Whitney, *O. and L. S.*, i. 57.⌋

65. Jātavedas has been the messenger sent forth, at evening, at close of day to be honored by men;—thou hast given to the Fathers; they have eaten after their wont; eat thou, O god, the presented oblations.

We had the second half-verse above as 3. 42 **c, d**. Part of our mss. (O.Op.R.D.), with, so far as appears, the majority of SPP's, read in **b** *upavándyas*, and the latter accordingly adopts it in his text; the root *vand* does not appear to be anywhere else combined with *upa*. The line reads like a kind of echo of RV. iv. 54. 1 ⌊TB. iii. 7. 13^4⌋. The verse is the last one quoted in the *piṇḍapitṛyajña* by Kāuç. (89. 14), to accompany the withdrawal of the "extended" fires. ⌊By "extended" I suppose W. means the technical *praṇīta* (cf. comm., p. 233^6). The words of Kāuç. are *agnim pratyānayati:* the ceremony seems to be the same as that prescribed by ÇB. at ii. 4. 2^{24}, *punar ulmukam api sṛjati*, and by ÇÇS. at iv. 5. 9, *ulmukam agnāu kṛtvā.*⌋

66. Thou yonder, ho! hither thy mind! as sisters (*jāmí*) a *kákutsala*, do thou cover him, O earth.

The translation implies the evidently necessary emendation to *ásāu* in **a**; both editions give *asāú*, because this is read by all the mss.; the comm. understands the word as a vocative; it also reads the interjection as *hā*, while the *pada*-text gives *hāl.* It further glosses *jāmayas* ⌊alternatively⌋ with *bhaginyas*, and reads *kakutsthalam*, explaining it as *pradhānāvayavapradeçam*, and paraphrasing with *putrādīnāṁ çiraḥ-prabhṛtīny añgāṇi çītātapavātanivāraṇāya.* The Pet. Lexx. conjecture *kakutsala* to be a pet word for a little child. We had the third pāda above as 2. 50 **d**, 51 **d**, and 3. 50 **d**. Kāuç. uses the verse (86. 10) with 2. 50 and 3. 49 in the ceremony over the bone-relics. The comm. includes with it vs. 67.

67. Let the worlds where the Fathers sit adorn themselves (*çumbh*); I make thee to sit in the world where the Fathers sit.

The first phrase is VS. v. 26 f, which, however, reads *çúndhantām;* Āp. vii. 9. 10 has *çundhatāṁ lokaḥ pitṛṣadanaḥ.* ⌊For variants as between *çundh* and *çumbh*, cf. notes to vi. 115. 3; xii. 2. 40; 3. 13, 21, 26; xviii. 3. 56.⌋

68. Thou art the *barhís* of them that are our Fathers.

The metrical description of the Anukr. implies the reading *yé asm-*. In Kāuç. (87. 27) the verse is used with 1. 51 etc. (see under 1. 51) in connection with the strewing of *barhis*.

69. Loosen up the uppermost fetter from us, O Varuṇa, [loosen] down the lowest, off the midmost; then may we in thy sphere, O Āditya, be guiltless unto Aditi.

The verse ⌊which is RV. i. 24. 15, etc.⌋ occurred above as vii. 83. 3 ⌊which see⌋; among our mss., only O.R. write it out in full. The comm. notices the repetition, yet goes on to give a full explication. In Kāuç. (82. 8), it is used in the ceremony of the first day after cremation (next before 3. 56), with the direction *iti jyeṣṭhaḥ*, apparently implying that "the oldest" son of the deceased pours water on the attendants; the comm. says that with this verse, immediately after the cremation, all the Brahmans should take a bath (*snānaṁ kuryuḥ*).

70. Release from us all fetters, O Varuṇa, with which one is bound crosswise, with which lengthwise; so may we live hundreds of autumns, by thee, O king, guarded, defended.

The rendering of *samāmé* and *vyāmé* in b is far from certain: cf. iv. 16. 8. The comm. explains: *samāmo nāma vyāmasaṁjñitapradeçāt saṁkucitapramāṇako deçaḥ: saṁnihite pradeçe dūre pradeçe ce 'ti yāvat.* Two of our mss. (O.R.) and one of SPP's read *samāné;* and two or three of the latter have *badhyate*, without accent. Nearly all, again, read *çarádam* in c (our O.R.p.m. ⌊and one of SPP's⌋ *-das*), and SPP. admits *çarádam* into his text; our *-dām* is an emendation, and a necessary one, unless we take instead *-das*, as in apposition with *çatā́ni.* The comm. makes no difficulty of reading *-dam*, understanding it, according to one of his convenient rules of interpretation, as a sing. used in place of a plural. Most of our mss., again (except P.O.Op.R.), but only one of SPP's, accent *rā́jan.* The comm. points out that *rákṣamāṇās* is for *rákṣya-*, which is altogether probable, considering how easily a *y* is lost after *ṣ* or *ç*. The first pāda is identical with vii. 83. 4 a. All the *pada*-mss. except one of SPP's read *gupitā́* instead of *-tā́ḥ.* The comm. directs the verse to be recited for good fortune evening and morning at the end of the *daçarātra* in the *pitṛmedha.*

71. To Agni, carrier of the *kavyás*, [be] *svadhā́* [and] homage.

72. To Soma with the Fathers [be] *svadhā́* [and] homage.

⌊Verses 71–87 are prose, except vs. 75, with regard to which see p. 869, ¶ 5.⌋ These verses ⌊71, 72⌋ are found, in reversed order, in AÇS. ii. 6. 12. In VS. ii. 29 a, b, are found both, but with *svā́hā* in place of *svadhā́ námaḥ*, and the same in ÇÇS. iv. 4. 1 and GGS. iv. 2. 39, except that in the latter *svāhā* precedes the datives. VS. accents *pitṛmáte.* ⌊See also under vs. 74.⌋ In Kāuç. 87. 8, vss. 71–74 are combined in alternation with vss. 78–80 to accompany in the *piṇḍapitṛyajña* the scattering downward of three handfuls of offering; and ⌊are used⌋ again, later (88. 2, 3, 4) in the same ceremony, with oblations. ⌊Verse 71 is employed by Vāit. (9. 8) in the *sākamedha*, and I suspect (see p. 869, ¶ 7) that the *sūtra* intends vss. 72 and 73 also to be thus used: cf. also ĀpÇS. viii. 13. 15, 16.⌋

73. To the Fathers with Soma, *svadhā́* [and] homage.

74. To Yama with the Fathers, *svadhā́* [and] homage.

For the ritual use of these verses see the preceding note. ⌊Parallels of our vss. 72 and 74 and 71, and in that order, recur at MGS. ii. 9. 13: cf. the *pratīkas* in Knauer's Index, and also under *pitṛbhyas*, p. 152.⌋

75. Here is *svadhā́* for thee, O great-grandfather, and for them that are after (*ánu*) thee.

76. Here is *svadhā́* for thee, O grandfather, and for them that are after thee.

77. Here is *svadhā́* for thee, O father.

Passages analogous with these three verses are found in a number of other texts: TS. i. 8. 5^1; AÇS. ii. 6. 15; Āp. i. 9. 1 (cf. also viii. 16. 6; xiii. 12. 9); ÇÇS. iv. 4. 2; GGS. iv. 2. 35; ÇB. ii. 4. 2^{19} forbids the use of *yé ca tvā́m ánu*, and KÇS. iv. 1. 12 is of the same opinion. ⌊Opposite vs. 75, W. notes K. ix. 6.⌋ In 77 all our mss. save one (Op.) read *tátas* instead of *tata;* half of SPP's do the same. In Kāuç. 88. 11 the three verses (doubtless: only the *pratīka* of 75 is quoted; the comm. says the three) are used on setting down three combined (*saṁhata*) *piṇḍas* on the *barhis;* and Vāit. (22. 22) employs them similarly in the *agniṣṭoma*. Though 75 is easily read as two *anuṣṭubh* pādas, the Anukr. allows it only 15 syllables, refusing to resolve *tu-ā́m* here, as it also refuses in 76. ⌊As to vs. 75, see p. 869, ¶ 5.⌋ ⌊Apropos of *tata* and *tāta*, the comm. cites AA. i. 3. 3; and Sāyaṇa, in his comment on that passage, gives two little tales about Prajāpati's early linguistic ventures which remind us somewhat of the beautiful βεκός story as told by Herodotus in the beginning of Euterpe.⌋

78. *Svadhā́* to the Fathers that sit upon the earth.

79. *Svadhā́* to the Fathers that sit in the atmosphere.

80. *Svadhā́* to the Fathers that sit in the sky (*dív*).

These verses are found also in Āp. i. 9. 6, and in GGS. iv. 3. 10. GGS. has *pṛthivīṣadbhyas* ⌊and *antarīkṣasadbhyas*⌋; both combine *pitṛbhyo 'ntar-*; and our O.R.K., with half of SPP's authorities, do the same; the Anukr. implies *-bhyo antar-*, but that proves nothing. For the ritual use, see under vss. 71, 72 above. Both Āp. and GGS. prescribe the verses for the case that the names of the Fathers intended are not known.

81. Homage, O Fathers, to your refreshment (*ū́rj*); homage, O Fathers, to your sap.

82. Homage, O Fathers, to your terror* (*bhā́ma*); homage, O Fathers, to your fury.

83. Homage, O Fathers, to that of yours which is terrible; homage, O Fathers, to that of yours which is cruel.

84. Homage, O Fathers, to that of yours which is propitious; homage, O Fathers, to that of yours which is pleasant.

85. Homage to you, O Fathers; *svadhā́* to you, O Fathers.

For a wonder, these formulas are written by all the mss. without variation and without error. Corresponding passages are to be found in many other texts: VS. ii. 32; TB. i. 3. 10^8; MS. i. 10. 3; K. ix. 6; ÇÇS. iv. 5. 1; AÇS. ii. 7. 7; Āp. i. 10. 2 and xiii. 12. 10; GGS. iv. 3. 18–21; MB. ii. 3. 8–11; none of them agree closely with our text; but the details of accordance and of difference are not worth giving. In Kāuç. (88. 26) they accompany in the *piṇḍapitṛyajña* the reverence (*upasthāna*) paid to the Fathers, being then followed by vss. 61 and 63. [*]⌊That is, 'to your terror-inspiring fury.'⌋

86. They who are there, O Fathers — Fathers there are ye — [be] they after you; may ye be the best of them.

87. They who are here, O Fathers — alive here are we — [be] they after us; may we be the best of them.

The translation here implies certain emendations of the text: *pitaras* ⌊accentless⌋ in 87 and the first time in 86, and the omission of *yé* after the second *pitáras* in 86: the latter is made also in our text, while SPP. reads, with the mss., *yé 'tra pitáraḥ pitáro yé 'tra yūyáṁ sthá.* As to the accent of the *pitaraḥ pitaro* in 86, the mss. are wildly discordant, presenting every possible variation, and, considering the many accentual blunders which they commit in this part of the text, the details are not worth reporting, nor need we feel any hesitation in amending to what seems to make the best sense. The omission of *yé* is much more serious, but seems demanded by the sense, and by the analogy of 87. Similar passages are found in ⌊TS. iii. 2. 5^{6},⌋ TB. i. 3. 10^{8-9} ⌊like TS.⌋, and ÇÇS. iv. 5. 1 (the latter nearest like our text: *ye 'tra pitaraḥ pitaraḥ stha yūyaṁ teṣāṁ çreṣṭhā bhūyāstha: ya iha pitaro manuṣyā vayaṁ teṣāṁ çreṣṭhā bhūyāsma*); compare also MS. i. 10. 3 and AÇS. ii. 7. 7.[*] All our mss. save one (Op.), and most of SPP's, leave *stha* in 86 unaccented; this non-accentuation, so far as it goes, favors the omission of *yé.* *Bhūyāstha* is a grammatically impossible form, and should be emended to *-sta*, which is read by ⌊TS. and⌋ TB. in the corresponding passage; ÇÇS., as has been seen, gives *-stha.* One of SPP's mss. has *bhūyāsta.* In 87, most of the mss. insert an *avasāna* after *smaḥ*, and SPP. follows them; it is of course senseless, unless we use one also after *stha* in 86[†]; nor does the Anukr. appear to acknowledge it, since it notes no difference of division as between the two verses; but our ⌊printed⌋ text at any rate blunders in not reading either *smo asmā́n* or *smo 'smā́n* since it has omitted the *avasāna*-mark. The metrical definitions of the Anukr. are worthless, as there is no trace of meter in the two passages; they can by violence be read into the number of syllables called for.

[*] ⌊In the second and third paragraphs below are given these passages from TB., MS., and AÇS. The TS. passage agrees with the TB. passage, save that TS. has *yè 'smíṅ loké* for the very bad *yè 'smiṅ loké* of TB.⌋

[†] ⌊We ought, I think, in fact to read with SPP. an *avasāna*-mark after *smaḥ* in vs. 87, not only as being abundantly supported by the mss. of both editions, but also as called for by the sense and the general (quadripartite) structure of the verse. And the same applies to the reading of an *avasāna*-mark after *stha* in vs. 86; it is printed in neither edition, but appears to be well warranted by the authorities of both.⌋

⌊The TB. passage, at i. 3. 10^{8-9}, with the *avasānas* as printed in the Poona ed., is: *yá etásmiṅ loké sthá* (8) *yuṣmā́ṅs té 'nu | yè 'smiṅ loké | mā́ṁ té 'nu | yá etásmiṅ loké sthá | yūyáṁ téṣāṁ vásiṣṭhā bhūyāsta | yè 'smiṅ loké | aháṁ téṣāṁ vásiṣṭho bhūyāsam.*— This passage and its analogues have been discussed in two papers by Böhtlingk, *Berichte der sächsischen Gesell.*, sessions of July 8, 1893, and May 2, 1896. In the first, having the TB. passage before him, he proposed to read, in place of the first *sthá*, the word *syús*, and to begin the first apodosis with it, and to delete the second *sthá.* In the second, having our AV. verses before him, he ascribes the false ending of *bhūyāstha* of 86 to the correct preceding *stha;* and, on the other hand, the false *sma* of 87 to the correct ending of *bhūyāsma.* The false *sma*, however, is — as we have seen — to be printed *smo* or *smaḥ* (cf. *Index*, p. 41 b). Moreover, he suspects that the second *pitaras* of 86 may be a corruption of *páretās* ('mortui istic vos estis'): this would be an easy corruption in *nāgarī*, but I do not feel that *páretās* offers a better antithesis to the *jīvā́s* of 87 (ÇÇS. *manuṣyās*) than does the word *pitaras* itself; and the latter are distinctly enough other-world beings: cf. 2. 48 (but also 49), and 1. 50, 54 above, also x. 6. 32. — Apropos of the blunder *bhūyāstha:* reading Dīgha Nikāya on the day of writing the above note, I observed at ix. 7, line 5, the phrase *saññā uppajjanti* etc., 'ideas arise,' and then in the very next sentence, *ekā saññā uppajjanti*, 'a single idea arise,' with plural verb-ending, albeit the *ekā* makes the breach of common concord most manifest and some mss. indeed read *uppajjati*. For the like error, see xv. 7. 3: cf. also notes xiv. 2. 59; xviii. 3. 47.⌋

⌊The MS. passage, p. 143^6, is: *eṣā́ yuṣmā́kam pitaraḥ: imā́ asmā́kam: jīvā́ vo jīvanta[ḥ] ihá sántaḥ syāma.* — The AÇS., p. 125 end, reads: *etā yuṣmākam pitaraḥ: imā asmākam: jīvā vo jīvanta iha santaḥ syāma.* To this, Gārgya, in his *vṛtti*, adds: *itikārādhyāhāreṇa sūtracchedaḥ: santaḥ syāmeti mantraḥ paṭhitavyo vaḥkāraṁ varjayitvā.* — The *etās* and *imās* seem to refer to *svadhā́s* (cf. ÇÇS. as above: *yā atra pitaraḥ svadhā, yuṣmākaṁ sā: ya iha pitara edhatur, asmākaṁ saḥ*); and the *eṣā́* of MS. appears to require correction to *etā́* p. *etā́ḥ.*⌋

88. Thee, O Agni, would we kindle, full of light (*dyumánt*), O god, unwasting; as that very wondrous fuel of thine shall shine in the sky (*dív*), bring thou food for thy praisers.

The verse is RV. v. 6. 4, and occurs also as SV. i. 419 and ii. 372, and in TS. iv. 4. 4^6 and MS. ii. 13. 7. All these agree together throughout, reading in **a** *te agna idh-* for *tvā 'gna idh-*, and in **c** *syā́* for *sā́*. SPP. reads in **c**, with the comm., *yád gha*, and makes no note upon it, implying that his mss. have the same; ours, however, give *yád dha* (p. *yát : ha*), in accordance with the other texts. All the mss. put an *avasāna* between **d** and **e** ⌊i.e. after *dyávi*⌋, and the Anukr. supports it, whence SPP. has it in his edition; we left it out as being uncalled for, and wanting in the parallel texts. For the use of the verse in Kāuç. with 3. 42, see the note to the latter: cf. p. 871, ¶ 3.

89. The moon among the waters runs, an eagle in the sky (*dív*); they find not your track, O golden-rimmed lightnings: know me as such, O firmaments (*ródasī*).

The verse is RV. i. 105. 1 and also SV. i. 417 ⌊Trāita Sāman⌋; and its first two pādas are VS. xxxiii. 90 **a**, **b**; it is quoted by *pratīka* in GB. i. 2. 9; ⌊pāda **e** is refrain all through the RV. hymn, save in the last, the 19th, verse⌋. Both RV. and SV. read in **d** *vidyutas*, as vocative, and the AV. mss. are divided between that and *vidyútas;* SPP. has the former, which is to be preferred. The comm. repeats the story of Trita and his two brothers, as "told by the Çāṭyāyanins," in almost precisely the same words as those in which it is given in the commentator's introduction to RV. i. 105. ⌊Oertel gives a summary thereof, and also the corresponding passage, JB. i. 184, text and version, JAOS. xviii.^{1} p. 18–20.⌋ ⌊The comm. quotes the verse as applied in a *mahāçānti* called *vāruṇī* in the Nakṣatra Kalpa, 18.⌋ Why the verse should be found as conclusion of this book of funeral hymns is very obscure. ⌊☞ See p. 1016.⌋

⌊Here ends the fourth *anuvāka*, with 1 hymn and 89 verses. The quoted Anukr. says *ekonanavatiç cāi 'va yameṣu vihitā ṛcaḥ:* cf. pages 814 and 869, ¶ 4, note 1.⌋

⌊Here also ends the thirty-fourth *prapāṭhaka.*⌋

Book XIX.

⌊Supplementary hymns.⌋

⌊This nineteenth book forms a supplement to the three grand divisions of the Atharvan collection, and is shown to be a later addition by a considerable variety of cumulative evidence. The evidence concerns in part the contents of the book; in part, the character of its tradition as respects both text and division and extent; and in part, the relation of its text to the ancillary Vedic treatises, the Pada-pāṭha and the Pañcapaṭalikā and the Prātiçākhya, and to the Kāuçika and Vāitāna sūtras.⌋

⌊**The contents** of book xix. resemble in large measure those of the earlier books, and wear (as W. says: see the General Introduction) the aspect of after-gleanings: cf. hymn 1 with i. 15; h. 18 with iv. 40; h. 34 with ii. 4, and especially 34. 4 with ii. 4. 6; h. 39 with v. 4; h. 44 with iv. 9; h. 57 with vi. 46. Had these hymns of book xix. been parts of the original collection, we should have expected (as W. intimates) to find them in their respective places with those of the earlier books. But more conclusive evidence could hardly be wished than is offered by hymn 23 of book xix., which hymn, under the form of "Homage to parts of the AV.," is incidentally also in some sort a table of contents to the preceding eighteen books, and presupposes their existence as a collection, and in an arrangement substantially accordant with that which they show in our text: cf. the introduction to h. 23.⌋

⌊**The general character of the tradition** in this book is strikingly inferior to that of the preceding eighteen. Such a statement can be duly verified only by a detailed study of the verses of the book, with reference to their intelligibility as they stand, and to the multiplicity or wildness of the variants presented; but a casual glance at the footnotes on pages 478, 484–5, and 539 of the Bombay edition will give some idea of their multiplicity. Many of them (like *trī́n nā́kaṅs* at 27. 4: see W's note) "are of the superficial variety of discordant readings which swarm in this book and have no real importance." Others are blunders of the grossest sort, as to which there is substantial agreement among the authorities or even complete harmony: such for example is the impossible *yásmāi . . . yacchati* at 32. 2, where not a single one has the absolutely necessary *yácchati:* cf. W's note to 45. 5. Especially noteworthy is vs. 4 of h. 40 as illustrating "what this nineteenth book can do in the way of corruption even of a text that is intelligibly handed down elsewhere" (so Whitney: the AV. version is so utterly corrupt that he is forced to translate from the RV. version, RV. i. 46. 6). If degrees of corruption and badness are to be distinguished, perhaps we may set down 49. 2 as the worst in book xix., or possibly in books i.–xix.; in the latter case, vi. 22. 3 is surely a close second. The uncertainties of the tradition of this book as to the precise amount of material to be included in it, and as to its division and the numeration of the parts, are rehearsed in the sequel: cf. the references at p. 898, end of ¶ 2.⌋

⌊**Relation of the text of book xix. to the ancillary Vedic treatises.** — **First**, the Pada-pāṭha appears to be very modern, as it is certainly very blundering and untrustworthy:

see SPP's notes on pages 410 and 460 and especially 543, and W's note on hymn 68, and observe, for example, the wild resolution of *vármā sīvyadhvám* as *várma : asi : vi°adhvám* at 58. 4. The corruptness of the text made Whitney doubt (in 1862: see his Prāt., p. 581) the existence of a *pada-pāṭha.* — **Second,** book xix. is entirely ignored by the Pañcapaṭalikā or Old Anukr., as is stated also by SPP. in his Critical Notice, vol. i., p. 24. — **Third,** "to the apprehension of the Prātiçākhya the Atharva-Veda comprehended only the first eighteen books of the present collection": so Whitney, Prāt., p. 581; cf. his Index of passages referred to by the AV. Prāt., p. 600 c, and especially his notes to Prāt. ii. 67 c and ii. 22.⌋

⌊**Relation of book xix. to Kāuçika.** — The sūtra-citations do not imply recognition of the text of book xix. as an integral part of the *saṁhitā.* — Bloomfield has made a critical separation of the more original *vidhāna*-matter from the *gṛhya*-matter in the text of Kāuçika, and styles the former "Atharva-sūtra" or "Vidhāna-sūtra": see his Introd. to Kāuç., p. xxviii., and his essay in *Göttingische gelehrte Anzeigen*, 1902, p. 489. His Vidhāna-sūtra comprehends the text of Kāuç. from the beginning of kaṇḍikā 7 to the end of kaṇḍikā 52, excepting perhaps most of the matter (42. 19 to 43. 20) just preceding the *vaçāçamana*, and excepting the *vaçāçamana* itself (43. 21 to 45. 19): that is, his Vidhāna-sūtra runs from 7. 1 to 42. 18 and from 46. 1 to 52. 21.* — Now it is in the first place to be noted that no verse whatever is cited in the text of the "Vidhāna-sūtra" (whether by *pratīka* or by technical designation or in *sakalapāṭha*) which is also to be found in book xix., with the single exception of *prā́ṇa prāṇám.*† In the second place, disregarding the verses cited by technical designation (the "*jīvās*-verses": see below) and those which are cited in full and by *pratīka* besides (33. 3; 52. 5; 72. 1: see below), it appears that there are in the entire text of Kāuçika only six *pratīkas* which might seem at first blush to imply the recognition of book xix. as part of the Atharvan text by Kāuçika. The six *pratīkas* cover some eleven verses. Including with them a seventh *pratīka*, *devásya tvā*, I give them in tabular form:

6. 37	*tvám agne vratapā́ asi*	(xix. 59. 1–3)	[Dārila, in full; RV.MS.TS.VS.]
	kā́mas tád ágre	(xix. 52. 1 ‡)	[RV.TB.TA.]

66. 1	*vā́ñ ma āsán*	(xix. 60. 1)	[TS.TA.PGS.]

The place of citation in Kāuçika is given at the left; the place of occurrence in AV. is given in parentheses; and the texts, other than AV., in which the mantras occur, are noted at the right in square brackets.⌋ *⌊This delimitation of the Vidhāna-sūtra differs slightly from Bloomfield's as given in the places just cited: it has been revised with the help of a friendly note from him.⌋ †⌊The verse *prā́ṇa prāṇám* (xix. 44. 4) is cited at 47. 16, which is a part of Bloomfield's "Vidhāna-sūtra," and seems to have been overlooked by him at p. xxxi.⌋ ‡⌊Keçava (on 6. 37) and Dārila (on 45. 17) understand the whole AV. hymn of five verses as intended by *kā́mas tád.*⌋

⌊**Citations by pratīka.** — The three phrases, (1) *devásya tvā savitúḥ prasavé* and (2) *açvínor bāhúbhyām* and (3) *pūṣṇó hástābhyām*, are unvaried as between the AV. text and the citations by Kāuç. (in full at 2. 1 and 2. 21 and 137. 18: the citation at 91. 3 is by *pratīka* with *áyuto 'hám*) and by Vāit. (in full at 3. 9): what follows *hástābhyām* is, at Kāuç. 2. 1, *agnáye júṣṭaṁ nír vapāmi* (as at TS. i. 1. 4^2); at 2. 21 and in Vāit., it is *prasūtaḥ praçiṣā paristṛṇāmi* (Vāit. *pratigṛhṇāmi*); and at 137. 18 it is *ā́ dade* (as at TS. i. 3. 1^1 and very often); while AV. xix. differs from all these in adding *prásūta ā́ rabhe.* The phrases are of such extremely frequent occurrence (see introd. to h. 51) that they may be called a commonplace of the *sūtra*-literature; and, as W. intimates, the *pratīka*-citation by Kāuç. is not to be regarded as having any special reference to our book xix., — much less the citations in full by Kāuç. and Vāit. The case is a typical and striking one. Of the same type are the hymns *tvám agne vratapā́ asi* and *ágne samídham ā́ḥārṣam*, both of which, besides, are given by the scholia in *sakalapāṭha.* For the rest, so far as any necessary connection with book xix. is concerned, *vā́ñ ma āsán* and *kā́mas tád* and *ávyacasaç ca* may fairly be regarded as *kalpajā mantrās.* Only for *áyuto 'hám* am I unable to point out occurrences elsewhere than in book xix.; but it may be noted that the comm., at p. 499^4, takes *áyuto 'hám* and the immediately following *devásya tvā* as one *sūkta* of sacrificial formulas, *yajurmantrātmakaṁ sūktam.*⌋

⌊**Citations by technical designation.** — Thrice in the text of Kāuç. (at 3. 4; 58. 7; 90. 22), as also once in Vāit. (at 1. 19), we meet the prescription *jīvābhir ācamya.* The "*jīvā́s*-verses," says Dārila (on 3. 4), mean "four verses beginning with *jīvā́ stha.*" They are associated, both at Kāuç. 3. 4 and at Vāit. 1. 18, 19 as well, with other *sūtra*-material, and in particular also with the five *prapads* (which are called in Vāit. *prapadanas* and which Dārila characterizes as *kalpaja*): considering this fact, the citation may well be viewed as containing no distinct reference to our book xix., albeit indeed the verses are found there as 69. 1–4; and the entire absence of *sakalapāṭha* both in text and in scholia, if taken in connection with the mode of citation (by a technical name and so without *iti*), does not appear to be inconsistent with this view.⌋

⌊**Citations in sakalapāṭha.** — The most conclusive evidence to show that book xix. was not recognized by Kāuç. is afforded by the five verses which, although occurring in our xix., are yet cited by Kāuç. in full (*sakalapāṭha*): these are 59. 3; 33. 3 and 44. 4; and 52. 5 and 72. 1. As to the first of the five, *ā́ devā́nām ápi pánthām aganma*, cited at 5. 12, Bloomfield has already remarked in his note that the *sakalapāṭha* shows that it is regarded as coming from some other source than our book xix., and it is in fact not infrequent elsewhere (RV.MS.TS.ÇB.); moreover, it is a part of the same group as *tvám agne vratapā́ asi*, of which group, as already noted, Dārila (on 6. 37) gives the *sakalapāṭha.* The verses *tvám bhū́mim* (cited in full at 2. 1: a later citation, at 137. 32, is naturally by *pratīka*) and *prā́ṇa prāṇám* (cited in full at 47. 16) have not been found, so far as I know, except at xix. 33. 3 and 44. 4; but of the former Dārila expressly says that it is *kalpaja.* Finally, there remain the cases of *yát kāma* and *yásmāt kóçāt.* These are peculiar in that they are cited at 92. 30 and 139. 25 by *pratīka*, and immediately thereafter (at 92. 31 and 139. 26) in *sakalapāṭha*: cf. Bloomfield's Introduction, p. xxix. The verse *yát kāma* is found at xix. 52. 5, and *yásmāt kóçāt* at the end of the book, and neither elsewhere.⌋

⌊**Relation of book xix. to Vāitāna.** — Still less than Kāuçika, does Vāitāna imply by its citations a recognition of the text of book xix. as an integral part of the *saṁhitā.* — In all Vāitāna there are only seven sūtras (Garbe gives five) that cite passages occurring in book xix.: they are Vāit. 1. 18 and 19, citing the *apratiratha* hymn and the "*jīvā́s*-verses"; 3. 5 and 19. 12, citing *ā́ devā́nām;* 3. 9, citing *devásya tvā;* 28. 14, citing *yád agne yā́ni kā́ni cit;* and 37. 19, citing *sahásrabāhus.* Of these, the *devásya tvā*, the "*jīvā́s*-verses," and the *ā́ devā́nām* are cited also by Kāuç. and have already been sufficiently discussed. Of the remaining three: the *puruṣa* hymn (*sahásrabāhus*: xix. 6) appears also in RV.VS.TA.SV.; and the verse *yád agne yā́ni kā́ni cit* (xix. 64. 3) is common to RV., and to the Yajus texts, MS.K.Kap.TS.VS.; while the *apratiratha* hymn (*āçúḥ çíçānaḥ*: xix. 13. 2 ff.) is found in RV. and the Yajus texts just named and in SV. also.⌋

⌊**Divisions of the book.** — The *prapāṭhaka*-division is not found in this book, having ended with book xviii.; nor does any decad-division appear. The following statements refer to the hymns as printed, divided, and numbered in the Berlin edition. The book numbers 72 hymns, with 456 verses, and is divided into seven *anuvākas*. If the verses numbered 455, a precisely even division would give 65 to each *anuvāka*, and it appears that the division aims in general to make each *anuvāka* as nearly of that length as may be without breaking hymns: but hymn 20 is put into *anuvāka* 2 rather than 3, because it forms a subject-group with hymns 17–19; for a like reason the limit of *anuvāka* 4 is set after hymn 33 and not before it; and that of *anuvāka* 5, after hymn 45 and not before it. A tabular conspectus follows:

Anuvākas	1	2	3	4	5	6	7
Hymns	9	11	6	7	12	9	18
Verses	59	72	65	68	74	63	55

Sum, 456 verses. Several mss. sum up the verses as 457. Uncertainty of verse numeration affects hymns 16, 27, 38, 47, 54, 55, 57, and 67 (see notes to the hymns). The comm. omits hymns 60–63 and reckons 69 and 70 as one hymn (see introd. to h. 60); and some mss. insert RV. i. 99 between our 65 and 66.⌋

1. With an oblation for confluence.

[*Brahman.* — ⌊*tṛcam.*⌋ *yā́jñikam; cā́ndramasam. ā́nuṣṭubham: 1, 2. pathyābṛhatyā́u; 3. pañkti.*]

The hymn is found also in Pāipp. xix. (the order of vss. 2 and 3 being inverted). It resembles i. 15, and, as it has the same *pratīka* of the first verse, the comm. maintains that it may be used along with or instead of that hymn where the latter is quoted (Kāuç. 19. 4, and Nakṣ. K. 20). ⌊Cf. also note to Kāuç. 19. 1.⌋

Translated: Griffith, ii. 259.

1. Together, together let the rivers flow, together the winds, together the birds; increase ye this sacrifice, O songs (*gír*); I make offering with an oblation of confluence.

The first half-verse is nearly identical with i. 15. 1 **a, b**; the third pāda, nearly with i. 15. 2 **c**; the last pāda, with i. 15. 1 **d**; ii. 26. 3 **d**. The translation implies *giras*, voc., in this verse and the next; it is read by the mss. almost without exception, and so by SPP's text; also in i. 15. 2. Ppp. reads in **a** *sravanti sindhavaḥ*.

2. This sacrifice do ye aid, O offerings (*hóma*); this one, ye also that flow together: increase ye this sacrifice, O songs; I make offering with an oblation of confluence.

SPP. reads in **a** *hómās*, with all the mss., but our emendation to *homās* is evidently demanded by the sense; the comm. also understands the word as vocative. Ppp. reads *homā yajña pacate idaṁ*, and uses the last half of vs. 3 as refrain, instead of that of vs. 1.

3. Form by form, vigor (*váyas*) by vigor — taking hold together I embrace him : let the four quarters increase this sacrifice; I make offering with an oblation of confluence.

The comm. understands the sacrificer by *enam* in **b**. ⌊In **c**, *cátasraḥ* is metrically and otherwise superfluous.⌋

The metrical definitions given by the Anukr. for this hymn are of no value; the first two are inexact even as regards a mechanical count of syllables.

2. Praise and prayer to the waters.

[*Sindhudvīpa.—pañcarcam. āpyam. ānuṣṭubham.*]

Found also in Pāipp. viii. The comm. finds it used in Nakṣ. K. 20, in addressing waters brought from streams etc. for a ceremony of appeasement.

Translated: Griffith, ii. 259.

1. Weal to thee [be] the waters from the snowy mountains (*hāimavatá*), and weal be to thee those from the fountains; weal to thee the running waters, and weal to thee be those of the rain.

Our *saniṣyadā́s* in **c** is an emendation, and called for ⌊see *Skt. Gram.* § 1148. 4. k., near the end⌋; all the mss., and SPP., accent *saniṣyádās*. Many of the mss. accent *té* in **d**. The comm. omits *u* in **b**. The *pada*-mss. make the absurd division *sani॰syádāḥ*. Ppp. makes the combinations *çaṁ tā "po* and *-ṣyadā "paç ç-*.

2. Weal to thee [be] the waters of the wastes, weal be to thee those of the marshes; weal to thee the waters of the canals (*khanitríma*), weal those brought with vessels.

Ppp. has again *çaṁ tā "po dh-*; ⌊also *-trimā "paç ç-*⌋. TA. (in vi. 4. 1) has a verse and a half similar to these two, and in part accordant with them (reading corruptly *anū́kyās*): ⌊Poona ed., p. 420, rightly *anūkyā̀s*⌋. Our i. 6. 4 above is still more closely analogous.

3. Digging for themselves without shovels, keen (*vípra*), working in the deep (*gambhīrá*), more healing than the healers (*bhiṣáj*), the waters we address.

The mss. and SPP. with them, read in **b** *gambhīré apásaḥ*, which is good enough to be exempt from emendation; the comm. seems to make a compound, *gambhīreapasaḥ*. The mss. and SPP. also have in **d** *áchā vad-* (p. *ácha : vad-*); it was altered in our text to *achā́vad-* (= *acha॰ā́vad-*) because the Atharvan everywhere else ⌊except iii. 20. 2⌋ reads the latter and not the former. Ppp. reads and combines *gambhīrepsā bhiṣagbhyo bhiṣaktarā "po a-*.

4. Of the waters indeed from the sky, of the waters from the streams (*srotasyā̀*) — in the forth-washing indeed of the waters, ye become vigorous (*vājín*) horses.

The last pāda is very literally rendered; anything else would require some alteration of the text; it is identical with i. 4. 4 **c**. SPP. reads in **a** *divyā̀nām*, with very nearly all the mss.; the emendation of accent ⌊*divyā́-*, as in the Berlin text⌋ is unquestionably to be made. ⌊Error due to *srotasyā̀nām?*⌋

5. Weal [be] to thee the waters, propitious the waters, effecting freedom from *yákṣma* the waters; just as joy to one who thirsts, [be] they for thee healers of dislocation.

The translation follows our text, which has numerous emendations. At the beginning, the mss. and SPP. read *tā́s* for *çáṁ te* (*çāntā́s* might be better); the latter was intended to fill up both sense and meter (the Anukr. says nothing of a defective *pāda;* but this is of very little account). Then they have thrice *apás* in **a**, **b**, instead of *ā́pas;* but the comm. has *āpas* both times in **a**. In **c** they all give *tṛpyate;* Ppp. has *athāi 'va dṛçyate mayas.* For **d**, SPP. reads *tā́s ta ā́ datta bheṣajī́ḥ*, with the comm. ⌊who understands the second word as *té* or also as *te*⌋; the mss. mostly have *ād uta* (p. *āt : uta*), but they vary to *ādutta*, *ādata*, ⌊*ādatta*, *ādruta*,⌋ *āhuta*, with various accentuation. The verse is so corrupt throughout that it offers a free field for conjectural emendation. SPP. combines in **b** *apó 'yakṣmaṁkár-*, which is inadmissible, though found in the mss.; we must change to *apò 'y-*, if not to *ā́po 'y-*. Ppp. makes in **a** its usual combinations, *tā "paç çivā "po 'y-*, and reads for **d** *tvābhyatva bheṣajīḥ.*

3. Praise to Agni.

[*Atharvāñgiras. — caturṛcam. āgneyam. trāiṣṭubham: 2. bhurij.*]

The hymn occurs also in Pāipp. xx., but only in fragments, not intelligible beyond the first half-verse. The comm. notices that the hymn has the same *pratīka* as ix. 1, and labors to point out that it ⌊xix. 3⌋ and its successor have features adapting them to the same use as the two parts of ix. 1; and that hence they may also be regarded as quoted (Kāuç. 10. 24; 12. 15; etc.) by that *pratīka:* this is, of course, a worthless bit of special pleading. Vāit. (16. 12), wishing to quote ix. 1 only, adds the specification *madhusūktena.*

Translated: Griffith, ii. 260.

1. Forth from the sky, from the earth, from the atmosphere, out of the forest trees, the herbs — whithersoever borne, O Jātavedas, come thou, enjoying, thence to us.

The translation implies emendation to *jātavedas*, voc., in **c**. SPP. reads in **d** *táta stutó j-*, with nearly all the mss.; one or two read *tátas-tato j-*; ⌊this report coincides virtually with the *Index*, p. 124 b: but, if I understand the Collation Book, P. and M., which Whitney here intends, read *tátas tató j-*, which is neither one thing nor the other, but a confusion between the *āmreḍita* and *tátas + stutó;*⌋ and the comm. has *tatas-tataḥ.* The mss. also, almost without exception, give *bíbhṛtas* or *bíbhratas* in **c**; here SPP's text agrees with ours, and with the comm. Ppp. has for **b** *vātā paçubhyo ay oṣadhībhyaḥ*, evidently intending the text which TB. has in a corresponding verse (in i. 2. 1^{22}), *vā́tāt paçúbhyo ádhy óṣadhībhyaḥ.* For **c**, **d** TB. has *yátra-yatra jātavedaḥ sambabhū́va* ⌊so Calc. ed., text, p. 32, comm., p. 91; but Poona ed. has aright *sambabhū́tha*, text and comm., p. 83⌋ *táto no agne juṣámāṇa é 'hi;* Āp. (in v. 13. 4) agrees with TB. ⌊precisely: reading *sambabhūtha*⌋.

2. What thy greatness is in the waters, what in the woods, what in the herbs, in the cattle, within the waters — all thy bodies (*tanū́*), O Agni, grasp together; with them come to us, a giver of property, unfailing.

Two or three of our mss., ⌊and (six) half⌋ of SPP's, read *tanvā̀ḥ* in c, and some of ours have *bharasva* instead of *rabhasva*, probably as an only accidental variation, though *bharasva* would be a very good reading. A little emendation would rid us of the otiose repetition of *apsú* in the first line. ⌊In d we have to pronounce *nā́i 'hi*, with double sandhi (as often in Ppp.).⌋

3. What thy heavenly (*svargá*) greatness is, among the gods, what body of thine entered into the Fathers, what prosperity of thine was spread among men (*manuṣyà*) — therewith, O Agni, assign wealth to us.

The translation implies at end of a *svargás* ⌊so SPP.⌋; our text has *-gé* on the authority of only a single ms., and against the comm. ⌊*svargaḥ*⌋ and the parallel texts ⌊*suvargā́ḥ*⌋ as found in TB. (in i. 2. 1^{21-2}) and Āp. (in v. 13. 4). Both these read further, for b, *yás ta ātmā́ paçúṣu prá́viṣṭaḥ*, and, for d, *táyā no agne juṣámāṇa é'hi;* while TB. has in c *prathé* for *paprathé* ⌊so Calc. ed., text and comm.: but Poona aright, *paprathé*⌋. The Anukr. takes no notice of the redundant syllable in c.

4. To him of hearing ears, the poet, worthy to be known, I apply for gifts (*rātí*) with words, with speeches; whence [there is] fear, be there no fear for us; pacify (*ava-yaj*), O Agni, the wrath (*héḍas*) of the gods.

The verse is found also in Āp. xiv. 17. 1, but with very different b: *namobhir nākam upa yāmi çañsan;* with *tat kṛdhī naḥ* at end of c; and, for d, *'gne devānām ava heḍa iyakṣva:* cf. also Āp. v. 5. 8, which is far more different. ⌊In c, *asty* is a misprint for *astv.*⌋

4. To various divinities.

[*Atharvā́ñgiras. — caturṛcam. ā́gneyam* ⌊*2. mantroktadevatyā́*⌋. *trāiṣṭubham: 1. 5-p. virā́ḍ atijagatī; 2. jagatī.*]

The second, third, and fourth verses are found in Pāipp. xix.
Translated: Griffith, ii. 261.

1. What oblation (*ā́huti*) Atharvan sacrificed first, with what one Jātavedas made an offering, that same do I first call loudly for thee; gratified with that, let Agni carry the offering: hail to Agni.

This version represents neither of the edited texts, nor the mss., nor the comm., but is a pure make-shift. SPP. reads in a–b *átharvā yā́ jātā́ yā́ h-*, and at beginning of d *tā́bhi ṣṭuptó v-* (p. *tā́bhiḥ : stuptáḥ;* so all the *pada*-mss. ⌊but Op. and L. have *sruptáḥ*⌋; what *stuptáḥ* ⌊or *sruptáḥ*, for that matter⌋ should be supposed to be is a complete mystery). The comm. reads in a–b *atharvā yā jātāya havyām*, and in d *tābhi stutaḥ;* he explains that Atharvan means the *paramātman*, who at the beginning of creation made an oblation to please the gods whom he had created; pāda b signifies this: "what (*yā* being used instead of *yām*) oblation, given by Atharvan, Jātavedas made worthy to be offered for his progeny ⌊the progeny of Atharvan in the rôle of *paramātman?*⌋: that is, for the crowd of gods made manifest by him." Our *āyejé* in a is indefensible, but the translation implies *ejé* (*ā-ījé*) or something equivalent; in d it implies *táyā tṛptó v-*; all the mss. have *-pto*, except one of ours s.m., which favors the comm. *Johavīmi* possibly comes from root *hu* (so BR.) instead of *hū*. We ought to have in a *ā́kūtim*, as in the following verses, but it is not easy to reconstruct the verse so as to match that emendation.

2. Heavenly fortunate design (*ā́kūti*) do I put forward (*puro-dhā*); let the mother of intent (*cittá*) be easy of invocation for us; to what expectation I go, be it entirely mine; may I find it entered into [my] mind.

Half the mss. accent in b *cíttasya;* in c and d, all have *emi* and ⌊nearly all⌋ *vídeyam*, which SPP. accordingly admits into his text; our *émi* and *vidéyam* are necessary emendations: in such a condition of text as is offered in this book, it is useless to be governed by the tradition when it is certainly and palpably wrong. The verse is found also in TB. (in ii. 5.3^{2}), which reads in a *mánasas* for *subhágām*, in b ⌊*yajñásya* for *cittásya* and⌋ *me* for *nas*, and for c, d *yád icchā́mi mánasā sákāmo vidéyam enad dhṛ́daye níviṣṭam.* Ppp. reads *devyām* in a, and *me 'stu* in b ⌊? or c?⌋. The first pāda is the only *jagatī* element in the verse.

3. With design to us, O Brihaspati, with design come thou unto us; then assign to us of fortune (*bhága*); then be easy of invocation for us.

The comm. has in c *dehi.* The definition of the verse as an *anuṣṭubh* has apparently dropped out of the Anukr. Ppp. reads in d *subhagas.*

4. Let Brihaspati acknowledge my design, the son of Añgiras this [my] speech; of whom the gods, the deities, came into being, let that desire (*kā́ma*), well-conducting, go after us.

Kā́mas in d is shown both by meter and by sense to be intrusive; also the omission of *vā́cam* in b would improve the verse in both respects, making it easier to understand *āñgirasás* as simply epithet of Bṛhaspati. The mss. differ in their accent of *sambabhūvus*; ⌊of SPP's authorities, about seven accent *sám-*, and four accent *-vúḥ*⌋. All read in d *supráṇītās*, which SPP. accepts in his text. Ppp. gives *tasya devā devatā saṁbabhūva çiçupraṇīha*, which is too corrupt to give any help. Ppp. also combines in a *mā "kūtiṁ*. The comm. has *abhy etu* in d. The omission of metrical definition by the Anukr. seems due to a lacuna. ⌊If the suspicions resting on *vācam* and *kāmas* are justified, the vs. would scan smoothly as 8 + 11 : 11 + 11.⌋

5. Praise and prayer to Indra.

[*Atharvāñgiras* (?). — *ekarcam. āindram. trāiṣṭubham.*]

The verse is RV. vii. 27. 3, without variation, and is found also, with the same text, in Pāipp. xx. The comm. gives as its *viniyoga* that one who desires riches may worship Indra with it.

Translated: Griffith, ii. 261; also by the RV. translators.

1. Indra [is] king of the moving creation (*jágat*), of human beings (*carṣaṇí*), whatever of various form is upon the earth (*kṣám*); thence he gives good things to his worshiper (*dāçvā́ṅs*); may he, whenever praised, urge (*cud*) hitherward bestowal (*rā́dhas*).

6. Purusha and his sacrifice.

[*Nārāyaṇa.* — *ṣoḍaçarcam. puruṣadevatyam. ānuṣṭubham.*]

This is the familiar *puruṣa*-hymn of the Rig-Veda ⌊x. 90⌋ with considerable variation in the order of the verses, but comparatively little in the readings. The RV. verses are found here in the following order: 1, 4, 3, 2, 11–14, 5–7, 10, 9, 8, 15. The same hymn occurs in VS. xxxi. (in the order of RV. verses 1–5, 8–10, 7, 11–14, 6, 15) and in TA. iii. 12 (in the order of RV. verses 1–6, 15, 7–14); also the first five RV. verses in the 7th or Nāigeya chapter of SV. ⌊Nāigeya 33–37 = SV. i. 618–622⌋ (in the order of RV. verses 1, 4, 2ab3cd, 3ab2cd, 5). The verses (except our 7 and 8) occur also in Pāipp. ix. In Vāit. (37. 19), the hymn is cited, with x. 2, in the *puruṣamedha*, accompanying the release of the human victim; and the comm. finds it used in the Çāntikalpa xv., and in Pariçiṣṭa x. 1. — ⌊The Bombay ed. makes two hymns of this hymn: see note at end of the *anuvāka*, p. 915.⌋

⌊In the WZKM., xii. 277–280, von Schroeder reports the existence of the Purusha hymn in two recensions in the *ṛcaka* of the Kaṭhas, and observes that the passage may come from a Kaṭha Brāhmaṇa or Āraṇyaka. The first recension accords with that of RV.: the second also agrees in general with that of RV., except for the variants which I have reported below under verses 1, 2, 3, 5, 7 (the most important), 9, 12, 14; and, further, it agrees with RV. in the order of the verses from 1 to 15. For brevity, I refer to the source of these variants as the KaṭhaB.⌋

Translated: Griffith, ii. 262–265; and, as RV. hymn, very often: so by Colebrooke (1798), in *Misc. Essays* ^{2}, i. 183; by Burnouf (1840), in the Preface to his great folio ed. of the Bhāgavata Purāṇa (see pages cxiv to cxxiv); by Muir, v. 367; Ludwig, *Der Rigveda*, ii., p. 574, notes in v., p. 437; Grassmann, *Rig-Veda*, ii., p. 486; Zimmer, p. 217; Scherman, *Philosophische Hymnen*, pages 11–23 (with ample notes); Henry W. Wallis, *Cosmology of the RV.*, p. 87; P. Peterson, *Hymns from the RV.*, p. 289; Deussen, *Geschichte*, i. 1. 150–158 (repeated in his *Sechzig Upanishads*, p. 830). — Finally, as VS. hymn, it was translated by Weber (apropos of Anquetil du Perron's Upanishads), in *Indische Studien*, ix. 5, with instructive notes and introduction and a tabular view (p. 4) of the sequence of the verses in RV., TA., VS., and AV.; and also by Griffith, in *The Texts of the White Yajurveda*, p. 260. — It may be added that the text of the hymn with Sāyaṇa's comment was published as a separate work as no. 3 of the Ānanda Āçrama Series. — Burnouf cited and translated the hymn for the purpose of comparison with the corresponding passage in the Purāṇa, ii. 5. 35–6. 29, pages 235–241. Note the multum-in-parvo half of vs. 35, *sahasro-"rv-an̄ghri-bāhv-akṣaḥ sahasrā-"nana-çīrṣavān.* — Especial attention is called to Deussen's elaborate introduction to his translation in his *Geschichte*, as cited above, p. 150–156.

1. Thousand-armed is Purusha, thousand-eyed, thousand-footed; he, covering the earth entirely, exceeded it by ten fingers' breadth.

⌊The verse is RV. x. 90. 1; VS. xxxi. 1; SV. i. 618; TA. iii. 12. 1.⌋ All the other texts begin with *sahásraçīrṣā* (SV. *-rṣā́ḥ*); SV.VS. ⌊KaṭhaB.⌋ have in c *sarvátas*, and VS. after it *spṛtvā́;* ⌊von Schroeder reports the KaṭhaB. reading as *smṛtvā́:* but perhaps the intention of his mss. is rather *spṛtvā́*⌋. The comm. gives very long expositions of most of the verses, but casts no light upon them. ⌊Deussen, p. 150, calls the substitution of *-bāhuḥ* for *-çīrṣā* a "rationalizing variant: because, if Purusha has 1000 eyes, he ought to have only 500 heads"! But even the AV. comm. glosses *sahasrākṣaḥ* by *bahubhir akṣibhir upetaḥ.*⌋

2. With three feet he ascended the sky; a foot of him, again, was here; so he strode out asunder, after eating and non-eating.

⌊RV. x. 90. 4; VS. xxxi. 4; SV. i. 619; TA. iii. 12. 2.⌋ RV. has a quite different text: *tripā́d ūrdhvá úd āit púruṣaḥ pā́do 'sye 'hā́ 'bhavat púnaḥ: táto víṣvan̄ vy*

àkrāmat sā́çanānaçané abhí; VS. agrees with this throughout; ⌊and so does KaṭhaB., except that it has *bhū́mim* for *víṣvañ*⌋; TA. differs only by reading in b *'hā́ "bhavāt* ⌊i.e. *'há : ā́ : bhavāt?*⌋ (doubtless, however, a misprint); ⌊but *ā́bhavāt* is read by both Calc. and Poona ed's in the text; while both ed's have *ābhavat* in the comm.⌋; SV. differs (and agrees with AV.) by *táthā* in c and *açan-* in d. The comm. has in a *ā 'rohat*, and in b (with RV. etc.) *pā́do 'sya;* two or three of SPP's authorities agree with the comm. in both points. The *pada*-mss. give in b *pā́dasya;* ⌊but SPP. accepts *pā́t : asya* in his *pada*-text⌋. No *saṁhitā*-ms. has *víṣvaññ a-*, and accordingly SPP., against all rule and usage, admits *víṣvañ a-* in his text; but he accents *açanānaçané* with us, though almost all the mss. have *açanā́naçané.* The comm. gives an absurd array of discordant explanations of this compound: *açanā* is "men, animals, etc.," and *anaçanā* "gods, trees, etc."; then (*adhyātmapakṣe*), the two are "the immovable and movable creation," or else "the intelligent (*cetana*) and unintelligent creation."

3. So many are his greatnesses; and Purusha is superior (*jyā́yān*) to that; a foot of him is all beings (*bhūtá*); three feet of him are what is immortal in the sky.

⌊RV. x. 90. 3; VS. xxxi. 3; SV. i. 621; TA. iii. 12. 1; ChU. iii. 12. 6.⌋ RV. reads in a, b: *etā́vān asya mahimā́ 'to jy-*; VS.TA. agree with RV. 4. Purusha is just this all, what is and what is to be; also [is he] lord (*īçvará*) of immortality, which was together with another.

⌊RV. x. 90. 2; VS. xxxi. 2; SV. i. 620; TA. iii. 12. 1.⌋ The wholly obscure last pāda is doubtless a mere corruption, all the other texts reading instead *yád ánnenā 'tiróhati* (which is itself obscure enough). In c, all of them give *ī́çānas;* and in b, RV.TA. ⌊and Ppp. and KaṭhaB.⌋ have *bhávyam*, SV. *bhā́vyam*, VS. *bhāvyàm;* this last should be the reading of our text also, as all the mss. have it; ⌊rather: all of W's and seven of SPP's ten authorities;⌋ SPP. accepts it; the comm. has *bhavyam*, and, in d, *annena.* Some of the mss. accent *ányena;* ⌊that is, they have the spelling of *anyéna* and the accent of *ánnena*⌋. ⌊Pāda b is nearly = xiii. 1. 54 d.⌋

5. When they separated (*vi-dhā*) Purusha, in how many parts did they distribute (*vi-kḷp*) him? what was his face? what his (two) arms? what are called his (two) thighs [and] feet?

⌊RV. x. 90. 11; VS. xxxi. 10; TA. iii. 12. 5.⌋ The mss. vary between *vyádadhus* and *vy àdadhus;* the *pada*-mss., between *ví : ad-* and *ví : ád-*: the latter is (without any good reason: cf. my *Skt. Gr.*^{2} § 1084 a) ⌊and note to xviii. 1. 39⌋ the reading of the RV. *pada*-text. ⌊In b, KaṭhaB. has *enam* for our *ví.*⌋ In c, d, VS. agrees with our text, save that it wantonly defaces the meter by intruding an unnecessary *āsīt* after *asya;*

RV.TA. have for *kím* (except the first time) *kā́ú;* and RV. combines *kā́ ū-* and *pā́dā uc-* ⌊AV. and RV. *pada*-texts, *pā́dāu*⌋, while TA. has *kā́v* and *pā́dāv;* Ppp. has *pādāv ucyate:* cf. 6. The Brahman was his face; the Kshatriya (*rājanyà*) became his (two) arms; the Vāiçya [was] his middle; from his (two) feet was born the Çūdra.

⌊RV. x. 90. 12; VS. xxxi. 11; TA. iii. 12. 5.⌋ The other three texts read in **b** *rājanyàḥ kṛtáḥ*, and in **c** *ūrū́* (for *mádhyam*).

7. The moon [is] born from his mind; from his eye the sun was born; from his mouth both Indra and Agni; from his breath Vāyu was born.

⌊RV. x. 90. 13; VS. xxxi. 12; TA. iii. 12. 6.⌋ RV.TA. have no variant from our text; VS. reads for the second line *çrótrād vāyúç ca prāṇáç ca múkhād agnír ajāyata.* ⌊KaṭhaB. has for **b** the much better *cákṣuṣor ádhi sū́ryaḥ* (avoiding the undesirable *cákṣos:* see *Noun-Inflection*, p. 569 top, p. 410 top); and in **c**, **d** it agrees with VS., except that it substitutes *násor* for *çrótrād.*⌋

8. From his navel was the atmosphere; from his head the sky came into being (*sam-vṛt*); from his (two) feet the earth, the quarters from his ear (*çrótra*): so shaped they the worlds.

⌊RV. x. 90. 14; VS. xxxi. 13; TA. iii. 12. 6.⌋ The three other texts agree with ours throughout.

9. Virāj in the beginning came into being (*sam-bhū*); out of Virāj, Purusha; it, when born, exceeded the earth behind, also in front.

⌊RV. x. 90. 5; VS. xxxi. 5; SV. i. 622; TA. iii. 12. 2.⌋ RV.TA. read, for **a**, *tásmād virā́ḍ ajāyata;* SV.VS. ⌊and KaṭhaB. read⌋ the same, save *tátas* for *tásmāt.* Ppp. reads in **b** *pāuruṣāt*, and in **d** *purā.* ⌊For *puraḥ* in the Berlin ed., read *puráḥ.*⌋

10. When, with Purusha as oblation, the gods extended the sacrifice, spring was its sacrificial butter, summer its fuel, autumn its oblation.

⌊RV. x. 90. 6; VS. xxxi. 14; TA. iii. 12. 3.⌋ ⌊The first half-verse is our vii. 5. 4 **a**, **b**, where, however, *devā́s* follows *yajñám.*⌋ Of the other three texts, the only variant is *vasantò 'sy-* in VS.

11. They sprinkled with the early rain (*prāvṛṣ*) that sacrifice, Purusha, born in the beginning; therewith the gods sacrificed, the Perfectibles (*sādhyá*) and they that are Vasus.

⌊RV. x. 90. 7; VS. xxxi. 9; TA. iii. 12. 3.⌋ The other three texts agree in reading in **a** *barhíṣi* (for *prāvṛ́ṣā*), in **b** *agratás*, in **d** *ṛ́ṣayas* (for *vásavas*). Ppp. has in **d** *sādhyā ca.* One or two of our mss. give *agratás* (like RV. etc.); about half SPP's authorities accent *áyajanta* ⌊as does also TA.⌋.

12. From that were born horses, and whatever [animals] have teeth in both jaws; kine were born from that; from that [are] born goats and sheep.

⌊RV. x. 90. 10; VS. xxxi. 8; TA. iii. 12. 5.⌋ The other three texts ⌊but not KaṭhaB.⌋ omit *ca* after *yé* in b.

13. From that all-sacrificing sacrifice were born the verses (*ṛ́c*), the chants (*sā́man*); meter ⌊sic!⌋ were born from that; sacrificial formula was born from that.

⌊RV. x. 90. 9; VS. xxxi. 7; TA. iii. 12. 4.⌋ The other texts have at beginning of **c** *chándāṅsi*, and our edition gives the same; but the mss., except one of ours p. m. and two of SPP's, read instead *chándo ha*, and SPP. follows them; this, though an ungrammatical corruption (as shown in the translation), has the best right to figure as Atharvan text. ⌊See p. xcvii.⌋

14. From that all-sacrificing sacrifice was collected the speckled butter (*pṛṣadājyá*); it made those cattle belonging to Vāyu — those that are of the forest and of the village.

That is, the wild and the tame. ⌊The verse is RV. x. 90. 8; VS. xxxi. 6; TA. iii. 12. 4.⌋ RV. alone combines in **c** *paçū́n tā́-*; in **d**, RV. and TA. read *āraṇyā́n*. SPP. unaccountably accents at end of **b** *pṛṣadājyàm*, against the majority of his mss., all of ours, and the usage everywhere else. The mss. vary between *vāyavyā́n* and *vāyavyā̀n*. Ppp. has in **c** *cakrire;* ⌊and so has KaṭhaB.⌋.

15. Seven were made its enclosing sticks (*paridhí*), thrice seven its pieces of fuel, when the gods, extending the sacrifice, bound Purusha as victim.

⌊RV. x. 90. 15; VS. xxxi. 15; TA. iii. 12. 3.⌋ The other three texts offer no variant. In connection with the 'seven,' the comm. of course thinks of the meters; of the 'twenty-one' he gives more than one explanation, sufficient to show that he is merely guessing.

16. Seven times seventy rays (*aṅçú*) were born from the head of the great god, of king Soma, when born out of Purusha.

This verse is found nowhere else. The RV. has also a 16th verse, an appendage to the hymn in a different meter, which was earlier found as RV. i. 164. 50, and is our vii. 5. 1, besides occurring in a number of other texts — in VS. ⌊xxxi. 16⌋ and TA. ⌊iii. 12. 7⌋, in connection with the rest of the Purusha-hymn. The comm. refers to the double character of soma, as plant and as moon, and notes that, while the sun's rays are a thousand, those of the moon are four hundred and ninety.

7. To the lunar asterisms: for blessings.

[*Gārgya.—pañca. mantroktanakṣatradevatyam. trāiṣṭubham: 4. bhurij.*]

The hymn is wanting in Pāipp. The comm. finds it used three times (in 1, 6, and 12) in the Nakṣatra Kalpa.

⌊Regarding the asterisms in general, the reader may consult Whitney's *Oriental and Linguistic Studies*, ii., pages 351–356, 377, and 421 and the chart following it, or else Whitney in JAOS., vi. 414, 468, and chart; further, Weber's essays, *Die vedischen Nachrichten von den naxatra*, *Abh. der Berliner Ak.*, 1860 and 1861.* A list of the asterisms is given in my translation of the Karpūra-mañjarī, appended to Konow's ed.,

p. 214. Especially important are the *nakṣatra*-passages, TS. iv. 4. 10 and TB. i. 5. 2 and iii. 1. 1–2: cf. references to asterisms in AV. vi. 110 and notes, ii. 8, xiv. 1. 13, etc. — Note, on the one hand, that our series begins, as does that in TS., with the old beginning in Taurus, to wit, with the Kṛttikās or Pleiades, and not (as later: see Whitney, *O. and L. S.*, ii. 421), two asterisms further to the west, in Aries, with *açvayujāu* or *açvinī* (β and γ Arietis). Note also, on the other hand, that our series, unlike the series in TS., by including *abhijit* or Vega, far to the north of the ecliptic, comprises 28 asterisms, as is expressly stated below, at 8. 2 **a**: but whether 28 or 27 is the original Hindu number is a moot point carefully discussed by Whitney, l.c., pages 409–411. — The names of the asterisms in our hymn differ from those in TS. in a number of minor and major points: most notable among the latter is the TS. name *tisyà* for the 6th (or 8th) asterism, our *puṣyá;* and TS. has *çroṇā́* for the 21st (or 23d), our *çrávaṇa.* — Bloomfield, in his part of the *Grundriss*, p. 35, observes that this hymn and the next are repeated in full in Nakṣatra Kalpa 10 and 26; and he infers that the date of the incorporation of these hymns into the text of the Vulgata is posterior to the time of the Nakṣatra Kalpa, because, in the contrary case, they would have been quoted by their *pratīkas.*⌋ *⌊See especially the second essay, pages 300, 303, 315: at p. 300, Weber gives the deities of the several asterisms.⌋

Translated: Griffith, ii. 265.

1. Seeking favor of the twenty-eight-fold (?) wondrous ones, shining in the sky together, ever-moving, hasting in the creation (*bhúvana*), I worship (*sapary*) with songs the days, the firmament (*nā́ka*).

The translation implies our conjectural emendation of *turmíçam* ⌊two of W's mss., *-mich-*⌋ in **c** to *aṣṭāviñçám* (or *-çā́*). ⌊This is supported by the textually unimpeachable *aṣṭāviñçā́ni* of 8. 2 **a**, and the fact that the series in this hymn is actually of 28 members, as noted in the introduction.⌋ The comm. has *turmiçām*, and gives for it a double etymology and explanation: either it is *turmi* + *çā*, or it is *tur* + *miçā;* in the former case, *turmi* is from root *turv*, and means "injuring" (*hiṅsaka*), and *çā* is the root *çā* 'sharpen,' hence "make thin"; in the latter case, *tur* is ⌊a root-stem from⌋ root *turv*, and *miçā* is by Vedic license for *miṣā*, from root *miṣ* "contend" (*spardhāyām*); in either case, the compound means "putting down oppressors," and is adjective qualifying *sumatím!* All the mss. accent *saparyā́mi*, and SPP. admits it in his text; the accent is defensible, and would be required by Brāhmaṇa usage. Our emendation in **c** helps the meter as well as the sense; but no stress can be laid upon the circumstance that the Anukr. appears to regard the verse as a full *triṣṭubh.*

2. Easy of invocation for me [be] the Kṛittikās and Rohiṇī; be Mṛigaçiras excellent, [and] Ārdrā healthful (*çám*); be the two Punarvasus pleasantness, Pushya what is agreeable, the Āçleshās light (*bhānú*), the Maghās progress (*áyana*) ⌊for me⌋.

The translation again implies in **a** the emendation *me* for *agne*, made in our text, for the improvement both of sense and of meter; SPP. reads *agne;* and the comm. points out that Agni is invoked here because he is the deity of Kṛttikās, and that the deities also of the other asterisms are to be regarded as included in their invocations — which is quite ingenious. The mss. in **b** are divided between *çám* and *sám;* in **c**, between *púṣyas* and *puṣyàs;* SPP. gives *púṣyas*, with, as he reports, nearly all his authorities; and this is doubtless the better supported reading. There seems to be no good reason for imagining that *áyana* in d contains any hidden reference to the solstice (in later astronomical language, *ayana*, by abbreviation for *ayanānta* 'end of a [northern or southern] progress of the sun') as occurring in Maghās.

3. Be the former Phalgunīs and Hasta here auspicious (*púṇyam*); be Chitrā propitious, and Svāti easy (*sukhá*) for me; be the two Viçākhās bestowal (*rā́dhas*), Anurādhā easy of invocation, Jyeshṭhā a good asterism, Mūla uninjured.

There are sundry difficulties in this verse, in part attempted to be removed by emendation in our edition. It is very strange to find in a the former Phalgunīs distinctly mentioned, and the latter (*uttara*) as distinctly left out; it would be easy to put the *dvayā́* of 5 b in place of *pū́rvā* here;* or one wonders whether *uttara* is not somehow hidden in the awkwardly redundant *átra*. All the mss. (both *saṁh.* and *pada*) agree in the ungrammatical ⌊ending *-ti* of⌋ *svāti*, and SPP. accordingly admits *svāti* into his text: ours emends to *svātis: svātī́* would have been equally acceptable, and is supported by two of SPP's çrotriyas ⌊V. and K.⌋ and by the comm. The masc. *sukhás* (p. *su°kháḥ*) can hardly be tolerated; we ought to have *sukhám*, or else, with the comm., *sukhā́*. All the mss. read in c *rā́dhe*, as if there were an adjective *rā́dha;* SPP. and the comm. read *rā́dhe*, the latter explaining it as another name for *viçākhe* (not a word defining the expected blessing!): this involves an anachronism,† and would be in the highest degree improbable even if it did not: *rā́dho* is a very easy and plausible improvement. Finally, all the mss. have in d *áriṣṭa mū́lam* ⌊cf. note to xviii. 2. 3⌋, which SPP. adopts, in spite of its utter ungrammaticalness; the comm., with his usual disregard of *pada*-text and accent, appears to understand *ariṣṭamūlam*, a compound.

*⌊Or rather to put *dvayé?* The comm. renders *pū́rvā* by *pūrve*, for which *pū́rvā* is a bad reading or a worse solecism. But the position of *ca*, too, is very suspicious.⌋

†⌊I suppose Whitney's implication is that *rādhā*, as a name for the 14th (or 16th) asterism *viçākhā*, is a later one, based on a misunderstanding of the name of the 15th (or 17th) asterism, *anurādhā*, which word simply means 'success' (cf. *ánv eṣām arātsmé 'ti: tád anūrādhā́ḥ*, TB. i. 5. 2^8), but was thought of as meaning the one 'after (*anu*) or following *rādhā*.'⌋

4. Let the former Ashāḍhās give me food; let the latter ones bring refreshment; let Abhijit give me what is auspicious; let Çravaṇa [and] the Çravishṭhās make good prosperity.

Here are more bad readings: in a, the mss. give *pū́rvā rāsatām*, and SPP. accepts the reading, as if *rāsatām* could be 3d du. act., which, in view of all the circumstances, is absurd; our emendation to *-ntām* is unavoidable.* In b, the mss. vary between *dehy útt-* ⌊all of Whitney's and most of SPP's⌋ and *devy útt-*, and SPP. adopts the latter, because the comm. has it; but then the comm. makes no difficulty of understanding it as = *devyas;* it is merely, in his opinion, a Vedic substitution of sing. for pl.; and it is to be hoped that no modern scholar would follow him in that. The emendation of our text to *yé hy úttare*,† considering that all our mss. (and all but two of SPP's authorities) have *úttare* (p. *út°tare*), was a naturally suggested and easy one; but we need instead *yā́ hy úttarā ā́*, feminine words, like the *pū́rvās* ⌊the *pada*-mss. and the Anukr. read *pū́rvā*⌋ in a; SPP. reads *úttarās*, with the comm. and two of his reciters. The meter of d would be better if we had *çróṇas* for *çrávaṇas;* but the Anukr. acknowledges the redundancy of the verse.

*⌊SPP. seems rather to view *rāsatām* in **a** as of the plural number, 3d person imperative middle, = *dadatu* (the ms. of the comm. has in fact *dadātu*, singular): and plural 3d it might be (from the *s*-aorist tense-stem *rās*, used as a secondary root: *Gram.* § 896), thus conforming in number with *vahantu*. On the other hand, we cannot take *rāsatām* in **c** otherwise than as of the singular number, 3d person imperative middle of the *a*-conjugation, present-stem *rāsa*: and the identical form in **a** ought, one would think, to be of the same value. If we take it as singular, and read *aṣāḍhā́* as fem. and sing. so as to conform with *pū́rvā* (p. *pū́rvā*), then pāda **b** is intolerably out of congruity with **a** in the matters of gender and number. —I offer the following suggestions for what they may be worth. First, in spite of the (unauthoritative) *pada*-reading *út°tare*, I would take the *úttarā ā́* of the living reciters K.V. as representing a correct metrical utterance of *úttarā́* (= *út°tarā : ā́*). Secondly, for *vahantu* I would read *vahātu* (cf. *svadātu*, *nudātu*, *muñcātu*): this seems to me better than a possible *vahāti*, and does as little violence to the tradition as the *rāsantām* and *yé hy úttare* suggested above. If our *vahantu* is a corruption, it may well be a faulty assimilation (cf. end of ¶ 4 of note on xviii. 4. 87) of *vahātu* to the ending of vs. 5 **d**. — My text then would be as follows: *ánnam pū́rvā* (p. *-vā*) *rāsatām* (as 3d sing.) *me aṣāḍhórjam* (p. *-ḍhā́ : ū́r-*) *devy úttarā́ vahātu* (p. *devī́ : úttarā : ā́ : vahātu*): 'may the Former Ashāḍhā give me food; may the Latter, the divine one, bring refreshment.'⌋ †⌊It appears from the Collation Book that RW. meant in fact to print *yé hy úttа-*: but the Berlin ed. has actually *yé hy ùtta-*, an accent-mark having perhaps slipped to the left, over *hyu* from over *tta*.⌋

5. Let Çatabhishaj [bring] to me what is great widely; let the double Proshṭhapadās [bring] to me good protection (*suçárman*); let Revatī and the two Açvayuj [bring] fortune to me; let the Bharaṇīs bring to me wealth.

There are no difficulties or variants in this verse.

8. For well-being: to the asterisms etc.

[*Gārgya.—sapta. mantroktanakṣatradevatyam (6. brāhmaṇaspatyā). trāiṣṭubham: 1. virāḍ jagatī; 6. 3-av. 6-p. atijagatī.*]

Verses 4–6 are found in Pāipp. xx. The same *viniyoga* is pointed out by the comm. for this as for the preceding hymn.

⌊As to the asterisms, and as to the inclusion of the full text of this hymn in the Nakṣatra Kalpa, see introduction to hymn 7.⌋

Translated: Griffith, ii. 267.

1. What asterisms are in the sky, in the atmosphere, in the waters, on the earth, what ones in the mountains, in the quarters, what ones the moon goes on preparing (*pra-kḷp*), let all those be propitious to me.

The mss., and so SPP., have the incorrect accent *prákalpayan* in **c**; it is emended in our text. It is possible, but not natural, to count in the verse 46 syllables, with the Anukr.

2. Let them of the series of twenty-eight, propitious, helpful, together allot to me acquisition (*yóga*); I go forward to acquisition and possession (*kṣéma*); I go forward to possession and acquisition; homage be to day-and-night.

In **b**, the comm. reads *sahá yógam* as a compound, *sahayogam.* He explains, after the usual fashion, *yoga* as *alabdhavastuprāpti* (his ms., *alabhya-*), and *kṣema* as *labdhavastuparipālana*, and the translation follows him. The verse (11 + 8 : 8 + 8 + 8 = 43) is quite improperly let pass as simply a *triṣṭubh.* ⌊As for the twenty-eight, see introduction to hymn 7.⌋

3. Be it for me well at sunset (?), well in early morning, well at evening, well by day; be it for me well with beasts, well with birds; with easy invocation, O Agni, having gone with well-being to a mortal, come thou again enjoying.

In **a** the translation follows our conjectural emendation of *svástitam* (or *svastí tám*, or *svastítam*, as some of the mss. variously read; the *pada*-texts have *svastí : tám* or *svástitam;* ⌊one ms. and two çrotriyas of SPP. and⌋ the comm. give *svastí tát*) to *svastamitám*, which is bold, but not implausible. For *sudivám* the comm. has the better supported *sudinam.* The mss. ⌊except D. and L., which read *suçakunám*⌋ and SPP. accent *suçakúnam*, which may be correct. The translation of the second half-verse is only a makeshift; the line appears to be thoroughly corrupt; implied is the reading *svastyā́ mártyaṁ gatvā́;* SPP. reads, with nearly all the mss., *svasty àmártyaṁ gatvā́*, against the proper accent *ámartyam.* SPP's *pada*-mss. read at the end *ā́ya : abhi°nándan* (one has *ā́yā*); both our mss. are imperfect, one reading simply *ā́*, the other perhaps *ā́yā* with the *y* erased; if the word is to be accepted at all, it should apparently be *ā́ : aya.* The repetition of *martya* in our text is doubtless too daring, considering how unsatisfactory a result it yields after all.

4. Detraction, evil gossip, reproach, sneezing about (?)—them, O Savitar, drive (*suva*) away for me empty-handed (?), with all.

The translation implies the text of the mss., which is also read by SPP., in the second half-verse: *sárvāir me riktakumbhā́n párā* ⌊most mss. *parā* or *yarā*⌋ *tā́nt savitaḥ suva;* we might alter *sárvāis* to *sarvátas*, so as to fill out the meter and give a much better sense; the comm. understands it to mean "allied with all the deities of the asterisms"; *riktakumbha* he simply glosses with *çūnyakalaça*, adding no further explanation; the Pet. Lexx. conjecture "perhaps idle talk (lit. emptypottedness)"; the translation implies their going away 'with empty vessels'—that is, carrying off no result or advantage. The comm. explains *anuhavá* as a calling out ⌊inauspiciously⌋ to a person from behind, and *parihavá* as the same from both sides; *parivādá* is "harsh talk" (*paruṣabhāṣaṇa*); *parikṣavá* is ⌊alternatively⌋ *sarvataḥ kṣutam.* Some of the mss. read *parichavám* in **b** ⌊cf. note * and vs. 5⌋. Ppp. has for **b** *parīvādaṁ parikṣayam;* and for **c**, **d**, *savyāimaviriktakumbhyāṁ parā tāṁ savitus savaḥ.* The comm. appears to read *suvaḥ* at the end, but glosses it with *parākuru*, as if *suva.*

⌊The AV. comm. begins his remarks on this vs. virtually as follows: If a man sets out on business under a lucky asterism, and some one from behind him calls his name or does something of that sort [probably scolding, sneezing, and coughing are meant], those things are of ill-omen as tending to thwart the business in hand; and this verse contains a prayer for warding off the ill effects of those omens. (In this connection, we may note the cries and slaps by which the woodpecker deters the hunter just as he sets out, Jātaka, ii. 153^{22}, 154^{3}.)—It almost seems as if our comm. were acquainted with ĀpGS. 9. 2, which prescribes an expiation in case some one sneezes or coughs near one who is setting out on business: *arthaprādhvasya parikṣave parikāsane cāpa upaspṛçyo 'ttare yathāliñgaṁ japet* (cf. ed. of Winternitz, p. 12 and p. 61). Winternitz, *Hoch-*

zeitsrituell, p. 95 (cf. p. 26), gives the verses that are to be repeated: I give them as he has printed them at MP. i. 13. 5–6: *anuhavám parihavám parīvādám parikṣapám : dúsvapnaṁ* (should be *-niaṁ*) *dúruditaṁ tád dviṣádbhyo diçāmy ahám : ánuhūtam párihūtaṁ çakúnāir yád açākunám : mṛgásya sṛtám akṣṇáyā tád* etc. This passage and AV. x. 3. 6 stand in close rapport with our vss. 3–4 here.⌋

*⌊As for the readings *parichavam* and *chavam* as against *parikṣavam* and *kṣavam* (4 **b**, 5 **a**, **b**), the former are avouched by a large minority of SPP's authorities and they prevail also in the mss. first collated by Whitney: and so Ppp. has *paricchava* for *parikṣava* of our x. 3. 6. The forms with *ch* appear to be allowable Prākritisms, like *uchantu* = *ukṣantu* at iii. 12. 4: cf. *ṛchara* = *ṛtsara* at x. 9. 23 and my note; and *uccase* = *ucyase* at xii. 4. 4. — For sneezing as an omen, see Henry C. Warren, On superstitious customs connected with sneezing, JAOS. xiii. = PAOS. May, 1885, p. xvii–xx. He quotes Jātaka, ii., p. 15 ff. etc., and Whitney adds JB. ii. 155.⌋

5. [Drive] away evil sneezing about; may we enjoy (*bhaj*) propitious (*púṇya*) sneezing; let the evil-nosed jackal and the *púṇyaga* urinate upon [it] for thee.

Part of the mss. read in **a**, **b** *parichavam* and *chavam:* ⌊see note * to vs. 4⌋. All the mss., and so SPP., have at the beginning *apapāpám;* the comm., with us, *ápa pāpám*. Again, all the mss. and SPP. accent *bhakṣīmáhi*. Ppp. reads *āpa māpa parikṣapaṁ puṇyaṁ bhakṣīmahi kṣapam*, which gives no help. For **c**, **d**, SPP. reads *çivā́ te pāpa nā́sikām púṇyagaç cā 'bhí mehatām* (the *pada* being *púṇya○gaḥ : ca : abhí : me : hatām*); the comm., *çivā te pāpanāçikā paṇḍakaç cā 'bhi medhatām*. The comm. explains *çivā* as a name for jackal (so adopted in the translation above); *pāpanāçikā* is, of course, destroying evil; *abhi medhatām* = *protsāhayatu:* the general sense being that, whereas the sight or hearing of a jackal, or the sight of a eunuch, is a bad omen, they are in virtue of the spell of this verse to have a totally opposite influence. How SPP. would render his text ⌊of **a**, in particular?⌋ it is impossible to see. The version given here lays no claim to being of any value. Ppp. reads *çivā te pāpanāçakā* (in this word favoring the comm.) *ṣaṇṇagasyā 'bhimehataḥ*, which does not seem to help us. The reading of the line in our edition is not to be praised.

6. These (fem.), O Brahmaṇaspati, that go dispersing upon the wind — do thou, O Indra, making them come together, make them most propitious for me.

The *pada*-mss. give in **b** *vā́taḥ* instead of *vā́te*, which latter is evidently the true reading. The comm. also understands *vātas*, which compels him to take *īrate* as = *īrte*, and to translate it as if causative. The comm. understands the quarters (*diças*) as intended, and points it out as well-known that in a violent wind these are confounded, one of them being taken for another. This is hardly better than silly; but what is really the subject of the verse is very hard to see. The Anukr. omits any definition of these three *anuṣṭubh* verses*; and, what is much more strange, although it describes the hymn as of seven verses, and the mss. and the comm. so number, it combines 6 and 7 together into one verse as 8 + 8 : 8 + 8 : 11 + 9 = 52. ⌊Ppp. has, for **b**, *viṣūcer vāca īyate*, and at end of **d** *-tamáṣ kṛdhi.*⌋

*⌊No: see p. 912, line 9.⌋

7. Let well-being be ours; let fearlessness be ours; homage be to day-and-night.

The verse is wanting in Ppp.

9. For appeasement and weal: to various divinities.

[*Brahman* (*çāntikāmaḥ*).—*caturdaça. sāumyam. trāiṣṭubham: 1. virāḍ urobṛhatī; 5. 5-p. pathyāpañkti; 9. 5-p. kakummatī; 12. 3-av. 7-p. aṣṭi; 14. 4-p. saṁkṛti.*] ⌊The Anukr. adds: *çeṣāḥ* (that is vss. 2–4, 6–8, 10–11, 13) *kāṇḍapratīkatvenā* * *'nuṣṭubhaḥ.* There thus remains not a single vs. that is not excepted from the definition *trāiṣṭubham!*—The Berlin ms., in its treatment of hymns 9–12, after *ekarcam* (h. 12), adds: *vāsiṣṭhaṁ vāiçvadevaṁ çantātīyaṁ trāiṣṭubham* (these four words apply well to hymns 10–11) *ādyam* (hymn 9) *mantroktabahudevatyam.* W. follows the London ms.⌋ *⌊At the beginning of its treatment of the *kāṇḍa*, the Anukr. says *brahmakāṇḍam ānuṣṭubham.*⌋

The hymn is not found in Pāipp. The comm. finds it used in Pariçiṣṭa 4. 5 ("muttering this, one should conduct a king to his dwelling-house") and 6. 5 (in the *piṣṭarātrikalpa*), and in Nakṣ. K. 18, as a hymn belonging to the *çānti gaṇa* (cf. note to Kāuç. 9. 7). Translated: Griffith, ii. 268.

1. Appeased (*çāntá*) be heaven (*dyú*), appeased be earth, appeased be this wide atmosphere, appeased the waters rich in moisture (*udanvánt*), appeased be the herbs for us.

⌊With a, b, cf. AGS. ii. 4. 14; PGS. iii. 3. 6; MGS. ii. 8. 6 b.⌋

2. Appeased be the foretokens, appeased for us be the-done-and-undone, appeased both what is and what is to be: be just everything weal for us.

The comm. explains *pūrvarūpāṇi* first as *kāryāpekṣayā kāraṇāvasthāpannāni vastūni*, and again as "former births, the fruit of evil deeds." Instead of *nas* in b it reads *me;* and it points out that 'the done' means what is done that should not be done, and 'the undone' what was left undone that should have been done—which is far from necessary or certain.

3. This speech that is most exalted, divine, sharpened by *bráhman*, by which is produced (*sṛj*) what is terrible—by that be there appeasement for us.

4. Or (?) this mind that is most exalted, sharpened by *bráhman*, by which is produced what is terrible—by that be there appeasement for us.

All the mss. read in b *vām* instead of *vā*, and SPP's text follows them. The comm. makes no mention of either in its exposition of the verse; but its text (so SPP. reports) reads *vā*, as does ours by emendation.

5. These five senses, with mind as sixth, that are in my heart, sharpened by *bráhman*, by which is produced what is terrible—by them be there appeasement for us.

The mss. read *mánaḥ ṣaṣṭhā́ni* (p. *mánaḥ : ṣaṣṭhā́ni*), but SPP., as well as our text, emends to *-ṭhā́ni*, and this the comm. also understands. In all the verses 3–5, some of the mss. leave *sasṛje* unaccented. This verse (10 + 8 + 7 : 8 + 8 = 41) is ill defined by the Anukr.

6. Weal for us be Mitra, weal Varuṇa, weal Vishṇu, weal Prajāpati, weal for us Indra, Bṛihaspati, weal for us be Aryaman.

This verse corresponds nearly to RV. i. 90. 9 and VS. xxxvi. 9; both these, however, put the pādas in the order **a**, **d**, **c**, **b**, and they read for our **b** *çáṁ no víṣṇur urukramáḥ*.

7. Weal for us be Mitra, weal Varuṇa, weal Vivasvant, weal the destroyer (*ántaka*), [weal] the portents from earth and from atmosphere, weal for us the planets (?) moving in the sky.

The mss. vary between *utpā́tās* and *utpātā́s*, the great majority favoring the former. SPP. reads *pā́rthivā "ntárikṣās*, giving in *pada*-text *-vā : ānt-*, while the *pada*-mss. read *-vā : ant-*; but his reading is palpably wrong and impossible, while a very slight emendation would have given *pārthivāntarikṣā́s* (implying the *pada*-text *pārthiva°āntarikṣā́ḥ*), which is implied in the translation above. The comm. explains as if he had *pārthivās* and *āntarikṣās* as two separate words; but, according to SPP., his text reads *pārthivāntarikṣāḥ*. Half the *saṁhitā*-mss. or more combine *-ikṣāchám no*, as if the word had ended in *-kṣāt;* and, as these included all known to us down to the time of printing, our text reflects them. The comm. of course makes no question of explaining *grahās* at the end as "Mars and the rest"; and perhaps there is no sufficient reason for questioning that interpretation. The Anukr. does not remark the redundancy of a syllable in 7 **c**.

8. Weal for us be the quaking (*vip*) earth, and weal what is meteor-smitten; weal be the red-milked kine, weal the earth when cleaving down.

All the mss. accent *vepyamāná* in **a**, and nearly all (including the *pada*-mss.) end it as a nom. pl. *-mānā́ḥ;* SPP. emends by dropping the blundering *visarga*, but does not venture to alter the equally blundering accent; of course, it must be made *vepyámānā*, as pres. pass. pple of the causative, unless we emend further to *vépamānā*, as our text reads, and as is decidedly better. The comm. reads *vepyamānā*, and explains it once by *kampamānā* and once by *kampyamānā*. ⌊Most⌋ mss., and SPP., read in **b** *ulkā́ nírh-*; ⌊but Whitney's I. and three of SPP's authorities give *ni-* for *nir-*⌋; the comm. ⌊reads *-ni-* and⌋ understands the two words to form a compound, as it is made to be in our text by simply removing the accent of *-nir-*; one does not see the applicability of the prefix *nis-*. In **c**, some of the mss. read *lóhitaḥ*, and some accent *kṣīrā́ḥ;* 'red-milked' would be with equal propriety rendered 'bloody-milked'; and the two things are of course equivalent. In **d**, the comm. has *avadīryatī*, glossing it with *avadīryamāṇā*, and this reading has been gratefully adopted in the translation. All the mss. give *ávatīryatī́s*, and all the *pada*-mss. divide it *ávatīḥ : yatī́ḥ;* SPP. emends to *áva tīryatī́ḥ*, by which nothing at all is gained; we emended to *avatī́ryatī*, which is at least grammatical, though hardly intelligible; *avadīryatī* is both; ⌊one of SPP's reciters gives *áva dīryatī́*⌋.

9. Be the meteor-smitten asterism weal for us; weal for us the enchantments and weal be the witchcrafts; weal for us the buried spells (*valagá*), weal the meteors; and weal be for us the land-plagues.

Literally, 'the afflictions (*upasarga*) of a region.' All the mss. read in **a** *ulkā́bhíh-* (p. *ulkā́ : abhí°h-*), which SPP. accordingly adopts; the comm. again (as in 8 **b**) regards it as a compound, which it is unquestionably meant to be, and which our text gives by emendation; the prefix *abhi* suits the situation, as *nir* (8 **b**) did not. In **c**, SPP. has the better accent *níkhātās*, with a large minority of his mss.; none of ours give it, and we accepted *nikhātā́s*, since it is not without support elsewhere. Our *valagā́s* was an emendation for *valgā́s;* but our two *pada*-mss. ⌊D.s.m. L.⌋ compared later, have *valagā́ḥ*, as does one of SPP's; the latter, however, adopts *valgā́s*, against meter and sense, and against the comm. The *pada*-mss. all have *ulkā́* in **c**, an evident blunder for *-kā́ḥ*, which SPP. this time ventures to read by emendation: it is extremely difficult to understand his selection of the cases where he is willing to emend. The metrical definition of the verse (really 12 + 11 : 11 + 11 = 45) by the Anukr. is as bad as possible.

10. Weal for us be the planets belonging to the moon, and weal the sun (*ādityá*) with Rāhu; weal for us smoke-bannered death, weal the Rudras of keen brightness.

The translation follows in **b** the text of the comm. *ādityaç ca rāhuṇā*, as is read also by SPP., who follows the comm. and three or four authorities. Most of the mss. have *-tyaḥ çarāhuṇā* (p. also *çarāhuṇā*), but two or three *çaṁ rāhuṇā*. Those that accent *-rāhuṇā* or *rāhuṇā* at all accent it on the final, *-huṇā́*, and this accent SPP. has not dared to change, although it is against all rule and practice. In connection with *dhūmaketu* the comm. quotes Kāuç. 127. 1, where the word is used; it seems to me extremely unlikely that it signifies a comet; ⌊does it not refer rather to the smoke that rises from the pyre?⌋.

11. Weal [for us be] the Rudras, weal the Vasus, weal the Ādityas, weal the fires; weal for us the divine great seers, weal the gods, weal Bṛihaspati.

In **c**, SPP. reads *maharṣáyas*, against most of his authorities (although he gives *saptarṣáyas* in the two following verses). Some of the mss. leave *devās* in **c** unaccented; and two of SPP's treat the word in the same manner in **d**. Our emendation in **d** to *devī́s* is probably too venturesome, although it seems strange to have 'the gods' mentioned as a body in connection with the mention of so many of them separately.

12. The *bráhman*, Prajāpati, Dhātar, the worlds, the Vedas, the seven seers, the fires — by them happy progress (*svastyáyana*) is made for me: let Indra grant (*yam*) me refuge; let Brahmán grant me refuge; let all the gods grant me refuge; let the gods all grant me refuge.

The Anukr., the comm., and a better connection are here followed, by adding to this verse the two pādas which in our edition are printed as 13 **a**, **b**, in accordance with the numbering of our mss. (8 + 10 : 8 + 8 + 8 : 10 + 10 = 62, two syllables short of a full *aṣṭi*); SPP. makes the same division. Some of SPP's mss. read in **b** *devā́s* instead of *vedā́s*: the accent *vedā́s* seems to be modeled on *devā́s*, for 'the Vedas' should be *védās*, and the word ought doubtless to be so emended; ⌊O.D. actually have *védās*, and the comm. says the four Vedas are intended⌋. We should expect at the beginning *brahmā́*. ⌊With **c**, cf. 16. 1 **b**.⌋

13. Whatsoever things that are appeased in the world the seven seers know, be they all weal for me; let weal be mine, let fearlessness be mine.

Many of the mss. accent in **b** *lóke* and *saptárṣayo*. ⌊In **d** *asty* is a misprint for *astv*.⌋

14. [Be] earth appeasement, atmosphere appeasement, sky appeasement, waters appeasement, herbs appeasement, forest trees appeasement; [be] all the gods appeasement for me, the gods all appeasement for me,

appeasement with appeasements; by those appeasements all-appeasing do I appease what here is terrible, what here is cruel, what here is evil; [be] that appeased, [be] that propitious; be just everything weal for us.

With a large minority of his authorities, and with the comm., SPP. adds one more *çāntiḥ* before *çā́ntibhis* at the end of the first division; in the second division, he follows the mss. slavishly in reading *sárva çā́ntibhiḥ;* the comm. apparently (it is defective here) agrees with our emendation to *sarvaçāntíbhis.* After this word, the mss. all have *çamayāmoham*, accenting either *çámayā́mohám* or *çámayāmohám;* the *pada*-mss. divide it absurdly *çámaya : mohám;* the comm. understands it as *çamayāmo 'ham*, with substitution of *aham* for *vayam* by Vedic license (a mere exchange of plural and singular); SPP. unaccountably gives *çámayāmohám* with the *pada*-text *çám : ayāmaḥ : ahám;* our emendation to *çamayāmy ahám* is evidently necessary. Similar passages occur in VS. xxxvi. 17; TA. iv. 42 (28); MS. iv. 9. 27 ⌊p. 138^{12}⌋; but it is not worth while to quote them in detail; TA. (29) contains the compound *sarvaçāntí* and MS. has *sárvaçānti.* The "verse" is the only one in the whole work that is called a *saṁkṛti* (96 syllables); it counts naturally 94 syllables.

⌊Here ends the first *anuvāka*, with 9 hymns and 59 verses. The comm. (not SPP.) divides the Purusha-*sūkta* (our hymn 6) into two hymns, so that our vss. 1–5 make his hymn 6 and our vss. 6–16 make his hymn 7: thus his first *anuvāka* consists of 10 hymns. — There are of course no further quotations from the Old Anukr. or *Pañcapaṭalikā:* cf. p. 896, line 4.⌋

10. For well-being.

[*Brahman* (*çāntikāmaḥ*). — *daça. sāumyam. trāiṣṭubham.*]

This hymn and the one following it are together RV. vii. 35, this one being vss. 1–10 of the latter, in unchanged order, and without a variant except in 8 **b**. Both are found together in Pāipp. xiii. ⌊For the quotation of the hymn in the *çānti gaṇa*, see note to Kāuç. 9. 7.⌋

Translated: Griffith, ii. 270; and also, of course, by the RV. translators.

1. Weal for us be Indra-and-Agni, with their aids; weal for us Indra-and-Varuṇa, on whom offerings are bestowed; weal Indra-and-Soma, for welfare, weal [and] profit (*yós*); weal for us Indra-and-Pūshan in booty-winning.

This verse is found also in VS. xxxvi. 11, which inverts the order of pādas **c** and **d**. The comm. takes *indrāgnī* in **a** as vocative ⌊and says so expressly; but⌋ apparently out of mere carelessness, as he does not make any change in the 3d du. verb *bhavatām.*

2. Weal for us be Bhaga, and weal for us Çaṅsa; weal for us Purandhi, and weal be wealths; weal for us the tribute (*çáṅsa*) of well-ordered (*suyáma*) truth; weal for us be the much-born Aryaman.

About half the mss. read in **c** *suyámaṣ tu* (p. *su°yámastu*). Pādas **b** and **c** have dropped out of Ppp. The comm. takes *çaṅsas* in **a** to be by abbreviation for *narāçaṅsas.*

3. Weal for us be Dhātar, and weal for us Dhartar; weal for us be the wide-spreading one (*urūcī́*) with her powers (?*svadhā́*); weal the two

great firmaments (*ródasī*), weal for us the rock (*ádri*); weal for us be the successful invocations of the gods.

The mss. write in b *urūcī́*, *urucī́*, and *ūrūcī́;* the comm. explains it as the earth, *dhartṛ* as Varuṇa, separator (*vidhārayitṛ*) of the good and bad, and *svadhā* as *anna;* *adri* he simply glosses by *parvata.*

4. Weal for us be Agni with front of light, weal for us Mitra-and-Varuṇa, weal the two Açvins; weal for us be the things well done of the well-doers; weal let the lively (*iṣirá*) wind blow upon us.

Ppp. has in b *-ṇā açvinā.*

5. Weal for us be heaven-and-earth in our early invocation; the atmosphere be weal for us to see; weal for us be the herbs, the trees (*vanín*), weal for us be the conquering lord of the welkin (*rájas*).

The comm. regards Indra as intended in the last pāda.

6. Weal for us be god Indra with the Vasus; weal Varuṇa of excellent praise ⌊*su-çáṅsa*⌋ with the Ādityas; weal for us healing (*jálāṣa*) Rudra with the Rudras; unto weal for us let Tvashṭar listen here with his spouses (*gnā́*).

The comm. declares *jalāṣa* a *sukhanāman.* All the *pada*-mss. have in d *tvā́ṣṭā: agnā́bhiḥ!* SPP. emends to *gnā́bhiḥ;* the comm. of course has *gnābhis* and glosses it with *devapatnībhis.* ⌊As to *suçáṅsa*, cf. note to xviii. 3. 16.⌋

7. Weal for us be soma, weal for us the *bráhman;* weal for us the pressing-stones, and weal be the sacrifices; weal for us be the settings of the sacrificial posts; weal for us the sprouts (*prasū́*), and weal be the sacrificial hearth (*védi*).

The sprouts, namely, of sacrificial grass. The comm. declares *svaru* used in the sense of *yūpa* as the thing possessed for the possessor. ⌊The last pāda has dropped out of Ppp.⌋

8. With weal for us let the wide-looking sun arise; weal for us be the four directions; weal for us be the firm mountains; weal for us the rivers, and weal be the waters.

The RV. order of words in b ⌊cf. introd.⌋ is this: *çáṁ naç cátasraḥ pradíço bhavantu.* ⌊The first pāda has dropped out of Ppp.⌋

9. Weal for us be Aditi with her courses (*vratá*); weal for us be the tuneful (*svarká*) Maruts; weal for us Vishṇu, and weal be for us Pūshan; weal for us the place of being (?*bhavítra*), and weal be Vāyu.

The comm. glosses *vratebhis* with *karmabhiḥ sārdham*, and *bhavitram* by *bhuvanam udakam antarikṣaṁ vā.* ⌊Ppp. also reads *bhavitram.*⌋

10. Weal for us be the rescuing god Savitar; weal for us be the outshining dawns; weal for us be Parjanya for our progeny; weal for us be the wealful lord of the field (*kṣétra*).

The comm. quotes a verse to the effect that some regard Rudra, and some Agni, as 'lord of the field.'

11. For well-being.

[*Brahman* (*çāntikāmaḥ*). — *ṣaṭ. sāumyam. trāiṣṭubham.*]

The hymn is made up of the remaining verses of RV. vii. 35, ⌊vss. 11–15,⌋ with another RV. verse (v. 47. 7) added. Among the former the differences of order and reading are very slight. ⌊The hymn is found, as noted under hymn 10, in Pāipp. xiii.⌋ Translated: Griffith, ii. 272; and also, of course, by the RV. translators.

1. Weal for us be the lords of truth; weal for us the coursers and weal be the kine; weal for us the Ṛibhus, well-doers, having good hands; weal for us be the Fathers at our invocations.

This verse and the following one are found in RV. in inverted order (as vss. 12 and 11). The comm. quotes sundry RV. verses illustrating the character of the Ṛibhus, and is uncertain whether *háva* at the end comes from root *hū* or from *hu*.

2. Weal for us be the gods, the all-gods; weal be Sarasvatī with the prayers (*dhī́*); weal the followers (?*abhiṣác*) and weal the gift-following (?*rātiṣác*); weal for us they of the sky, they of the earth, weal for us they of the waters.

This verse is found, without variant, also in TB. ii. 8. 6³ and MS. iv. 14. 11. The comm. declares *devā́ viçvádevās* to mean *bahustotrakā indrādayaḥ; abhiṣā́cas*, *yajñam abhitaḥ samavayanto devāḥ;* and *rātiṣā́cas*, *dānārthaṁ saṁgacchamānā devāḥ* — these two epithets belonging to the *viçve devāḥ.* Ppp. reads at the end *āpyāḥ.*

3. Weal for us be the divine (*devá*) one-footed goat (*ajá ékapad*), weal the bottom snake (*áhi budhnyà*), weal the ocean; weal for us be Peru, grandson of the waters (*apā́ṁ nápāt*); weal for us be the spotted one (*pṛ́çni*), guarded by the gods.

The RV. version reads in **b** *çáṁ nó 'hir b-*, and at the end *-gopāḥ* ⌊Müller's 2d quarto ed. and Aufrecht's 2d ed. have *-gopā:* as for the form, see my *Noun-Inflection*, p. 445⌋; Ppp. agrees with RV. in **b**, and has *-gopāḥ* at the end. The comm. explains *perús* as *pārayitā duḥkhebhyaḥ*, and *pṛçni* as mother of the Maruts. The omission of *nas* in our **b** makes the meter defective, but the Anukr. takes no notice of it.

4. Let the Ādityas, the Rudras, the Vasus enjoy this very new worship (*bráhman*) as it is performed; let there hear us them of the sky, them of the earth, also the kine-born, who are worshipful.

The RV. version ⌊vs. 14⌋ reads at end of **a** *juṣanta.* The comm. explains *gojātās* as the Maruts, born of Pṛçni.

5. They who are the worshipful priests (*ṛtvíj*) of the gods, to be worshiped of man (*mánu*), immortal, right-knowing — let them bestow on us today wide passage (*urugāyá*): do ye protect us ever with blessings.

RV. reads in **a** *devā́nāṁ yajñíyā yajñíyānām.* The comm. apparently takes *-gāya* as from *gā* 'sing,' as he glosses *urugāyám* with *prabhūtāṁ kīrtim*, and does not even, as is his wont in such cases, give an alternative explanation implying *gā* 'go.'

6. Be it so, O Mitra-and-Varuṇa, so, O Agni: weal [and] profit for us be this praise (*çastá*); may we reach sounding (*gādhá*) and firm standing; homage to the great sky, [our] seat.

The verse is found, without variant, as RV. v. 47. 7. The comm. takes *çastam* in **b** as adjective to *çaṁ yos*, which is perhaps better; also it connects *bṛhate* with *sādanāya*, and understands by this the earth. Ppp. reads in **c** *gātum* for *gādham*, and in **d** *sādhanāya*.

12. For success and long life.

[*Brahman* (*çāntikāmaḥ*). — *ekarcam. sāumyam. trāiṣṭubham.*]

The hymn, or verse, is wanting in Pāipp. Its first half is identical with RV. x. 172. 4; its second half, with RV. vi. 17. 15 (also SV. i. 454). It is reckoned as a *çānti*-hymn, and used as such in company with the hymns that precede it ⌊see note to Kāuç. 9. 7⌋.

Translated: Griffith, ii. 273; and by the RV. translators.

1. The dawn, with nobleness, makes the darkness roll together [and] away on her sister's track; therewith may we win the prize (*vā́ja*) set by the gods; may we revel, living a hundred winters, rich in heroes.

The sense of the first half-verse is difficult and doubtful. *Ā́pa* in **a** is really an emendation ⌊following RV.⌋, all our mss. ⌊save B., which has *áṣaḥ*⌋, and very nearly all SPP's (only one has *ápa* ⌊and one, *apá*⌋) reading instead *ápaḥ;* the comm. has *apa*. Half ⌊of SPP's authorities, and one or two of W's⌋ give in **b** *suyātátā*. The comm. amuses himself with etymologizing *svasṛ* as *svayam eva sāriṇī*.

13. For success in war: ⌊Apratiratha hymn⌋.

[*Apratiratha.* — *ekādaça. āindram. trāiṣṭubham: 3–6, 11. bhurij.*]

The hymn is, with slight variations, identical for the most part with the familiar Apratiratha hymn of the Rig-Veda (x. 103), found also in other texts: VS. xvii. 33 ff.; SV. ii. 1199 ff.; TS. iv. 6. 4; MS. ii. 10. 4. ⌊The readings of VS. and SV. agree with those of RV., as noted under vs. 2.⌋ Our first verse is peculiar, being found elsewhere only in SV. (ii. 1219); and vss. 10, 12, 13 of the RV. hymn are here wanting. ⌊The RV. vss. here occur in the order 1–3, 5–7, 4, 8–9, 11.⌋ The hymn occurs also in Pāipp. vii. In Vāit. 1. 18, the selected brahman-priest is directed to recite the Apratiratha hymn; this probably means our hymn; GB. (ii. 1. 18) quotes the *pratīka* of our vs. 1 as the *apratiratha*. ⌊Varāhamihira's Yogayātrā (8. 6) prescribes the hymn for use by a king just about to march forth to war: *Ind. Stud.* xv. 170.⌋

Translated: Griffith, ii. 273; and by the RV. translators. — Cf. also Oldenberg, *Die Hymnen des RV.*, i. 247.

1. Indra's two arms [are] stout, virile (*vṛ́ṣan*), these two wondrous successful bulls; them will I first yoke when the conjuncture (*yóga*) arrives — they by which was conquered the heaven (*svàr*) that is the Asuras'.

The SV. text (ii. 1219) is considerably different: in **a**, **b**, *yúvānāv anādhṛṣyāú supratīkā́v asahyāú;* in **c**, *tāú yuñjīta prathamāú;* at the end, *sáho mahát*. *Vṛ́ṣāṇāu* (instead of the regular *vṛ́ṣaṇāu*) is read also by Ppp., and the meter demands it ⌊cf. *Noun-Inflection*, p. 537, 523⌋. The combination *citrā́ imā́ vṛṣ-*, if representing, as the sense clearly requires, *citrāú : imāú : vṛṣ-*, is anomalous in AV., though regular for some of the other Vedic texts (cf. Prāt. ii. 22 note); and the *pada*-text shows a sense of this, by reading *citrā́ḥ : imā́ : vṛṣ-*. SPP. gives as his *pada*-text *citrā́ : imā́*, which leaves the *saṁhitā* reading unaccounted for; the comm. assumes *citrāu* and *imā*. In **c**, all the mss. (whence also SPP.) read *yokṣe*, for which our *yokṣye* is an emendation, plainly demanded by both sense and meter; it is one of the common cases of a *y* lost after *ṣ*; Ppp., too, has *yokṣye* (before it, *ta* for *tāu*); the comm. has the senseless *yakṣe*. All the mss., again, read *prathamás* (*-mó yó-*), and the comm. likewise, with, of course, SPP.; our emendation to *-māú* (with SV.) is an improvement, but not a necessity. The comm. foolishly declares *āgate* = *kṣeme*, in order to bring about the ordinary combination of *yoga* and *kṣema*, here quite out of place. He also takes *svàr yát*, against accent and *pada*-text, as one word ⌊cf. 15. 4, note⌋, and explains *-yat* as a participle, = *gacchat!* Ppp. reads and combines in **c** *prathamayogā "gate*.

2. Swift, sharp, terrible like a bull, greatly smiting, disturber of men (*carṣaṇí*), roaring, unwinking, sole hero, Indra conquered a hundred armies together.

This verse ⌊RV. vs. 1⌋ agrees throughout with the RV. text; SV. and VS. show no variants from RV. through the whole hymn; TS.MS. read here in **a** *yudhmás* for *bhīmás*, and MS. has also *kṣóbhanas*. The mss. also vary in this last word between *-ṇas* and *-nas*; SPP. adopts *-ṇas*, as does our text.

3. With the roaring, unwinking, conquering, invincible, immovable, bold one — with Indra thus conquer, thus overpower the fighters, O men, with the arrow-armed bull (*vṛ́ṣan*).

RV. ⌊vs. 2⌋ begins **b** with *yutkāréṇa*, and all the other texts agree with it. The comm. carelessly reads *yodhyena* instead of *ay-*, explaining it by *yuddhasaṁsaktena*; he takes *yúdhas* in **d** as vocative = *yoddhāras*; with *tát* (twice) in **c** he supplies *jetavyam* ⌊and *abhibhavanīyam*⌋.

4. He with the arrow-armed, he with the quiver-hung, [is] controller; he, Indra with his train, brings together the fighters — [he,] conquering those brought together, soma-drinker, defiant with his arms, of formidable bow, shooting with fitted [arrows].

⌊Vs. 3 in RV.⌋ TS.MS. read in **d** *ūrdhvádhanvā*; and MS. has a very different **b**, *sáṁsṛṣṭāsu yutsv índro gaṇéṣu*. Many of the mss. (as often in such words) read in **b** *sáṁsṛṣṭā*; some (as also elsewhere) lengthen the *u* in *kampa* at beginning of **d**; all have at the end *ástāt* — which, however, even SPP. emends to *ástā*, with the comm. The *pada*-mss. give in **c** *soma॰pā́* (RV. *-pā́ḥ*). ⌊The comm. notes as an alternative that *yudhas* in **b** (both ed's, *yúdhas*) may be taken as *yudhás*, oxytone and abl. sing. (he cites Pāṇini, vi. 1. 168) — which is a regard for the accent (cf. note to vs. 9) that is unusual with him.⌋ ⌊For *prátihitā* used pregnantly of an arrow, cf. the citations under vi. 65. 1.⌋

5. To be known by his strength, stout, foremost hero, powerful, vigorous (*vājín*), overpowering, formidable, excelling heroes, excelling warriors, conquering with power — mount, O Indra, the victorious kine-winning chariot.

The fourth verse of the RV. hymn is transposed ⌊in the AV. text so as⌋ to follow our vs. 7, and vs. 5 AV. is vs. 5 RV. The other texts ⌊RV. etc.⌋ all read at the end *govít;* and all except MS. have in c *sahojā́s*. SPP. retains in a the *visarga* before *stháv-*, with the majority of the mss.; he also accepts in c *abhíṣatvā*, with half the mss., but against all the parallel texts, apparently because the comm. has *ṣ*. Ppp. reads for d *jāitrāyāi ā ratham ā tiṣṭha kovidam.* ⌊The *govídam* of the Berlin text seems to be an emendation. Nearly all the authorities of W. and of SPP., and SPP's text as well, and the comm., have *govídan;* but one or two have *govít*, with RV. etc.⌋

6. Be ye excited after this formidable hero; take hold, O companions, after Indra, the troop-conqueror, kine-conqueror, thunderbolt-armed, conquering in the race, slaughtering with force.

We had this verse ⌊which is RV. vs. 6⌋ above, as vi. 97. 3; the reversal in the other texts of the order of the two lines, and the other variants, were there noticed. TS. and MS. alter a little the order of verses: RV. 4 is followed in TS. by RV. 6, 5, 7, and in MS. by RV. 7, 5, 6. The Anukr. reckons vss. 3–6 alike as *bhurij*, although 3 is redundant by two syllables. ⌊Ppp. reads *satvānas* for *sakhāyas* in b.⌋

7. Plunging with power into the cow-stalls, Indra, pitiless, formidable, of hundred-fold fury, immovable, overpowering fighters, invincible — let him favor our armies in the fights.

The stalls, namely, in which the kine are shut up by the Asuras. All the *saṁhitā*-mss. read *'dāyá ugráḥ* at beginning of b, but all the *pada*-mss. (except one of SPP's) give *adayáḥ*, and one of ours puts after it the sign that is wont to be used when a word shows an anomalous change in *saṁhitā*. RV.⌊vs. 7⌋SV.VS. (also K.Kap.: see Schröder's note to MS.) read *adayás*, and our text follows their authority; but TS. has *adāyás* (of which the Pet. Lexx. take no notice), and MS. has *ādāyás;* the comm. reads *adāyas*, but explains it by *nirdayas*, as if it were *adayás*. *Adāyás* is doubtless the established AV. reading. All the other texts have after it *vīrás* instead of *ugrás*. In c, all the others except MS. have *ayudhyás*. Most of the *pada*-mss. accent *ayodhyàḥ*, ⌊and so the *pada*-reading of MS.⌋. The first pāda is *bhurij* ⌊read *gotrā́* ?⌋.

8. O Bṛihaspati, fly about with thy chariot, demon-slaying, forcing away our enemies; breaking up our foes, slaughtering our enemies, be thou the helper of ourselves.

Or, 'of our bodies (*tanū́*).' This verse corresponds to vs. 4 of all the other texts; and they read in concert for c *prabhañjánt sénāḥ pramṛṇó yudhā́ jáyann*, and at the end *ráthānām.* The *pada*-mss. commit the blunder of reading *mítrān* ⌊or *mitrā́n*⌋ in b; SPP. emends to *amítrān*, which the comm. also gives. A number of SPP's *saṁhitā*-mss. have (after the fashion of MS.) *-mitráṅ* or *-mítraṅ;* ⌊cf. note to 27. 4, below⌋.

9. Indra [be] their leader; let Bṛihaspati, the sacrificial gift, the sacrifice, soma, go in front; in the midst of the smashing conquering armies of the gods let the Maruts go.

⌊RV. vs. 8.⌋ The text of MS. agrees throughout with ours; the others read *āsām* in a, and *ágram* (for *mádhye*) in d ⌊but TS. *ágre*⌋. The comm. does here a thing which is hardly paralleled elsewhere in his work: he points out that some explain *dakṣiṇā* in b as meaning "on the south," but that, as the word would in that case have to be accented *dakṣiṇā́*, as shown by xviii. 1. 42, it must signify here rather 'sacrificial gift' (*yajñe dīyamānā gorūpā dakṣiṇā*). A like attention to the element of accent elsewhere would notably improve the character of his lucubrations. ⌊Cf. note to vs. 4.⌋

10. Of Indra the bull (*vṛ́ṣan*), of king Varuṇa, of the Ādityas, of the Maruts, the spirit (*çárdhas*) [is] formidable; the noise of the great-minded, creation-stirring, conquering gods hath arisen.

⌊RV. vs. 9.⌋ All the other texts agree with ours throughout.

11. Indra [is] ours when the banners meet [in conflict]; let the arrows that are ours conquer; let our heroes be superior; us, O gods, aid ye at the invocations.

All the other texts read in **d** *asmā́n̐ u devās;* and MS. has the peculiar ending *bháreṣv ā́*. The verse is vs. 11 of the RV. hymn, RV. vs. 10 being omitted in the Atharvan (save as it is found in part as iii. 19. 6); RV. vs. 10 is omitted also by MS., which ends its hymn with 11; in TS., RV. vs. 10 is put after 11, and 13 follows, only 12 being omitted; in the Atharvan, RV. vs. 12 occurs as iii. 2. 5, and 13 in part at iii. 19. 7.

14. For safety.

[*Atharvan. — ekarcam. dyāvāpṛthivīyam. trāiṣṭubham.*]

This hymn is not found in Pāipp. It and the one following are included in the *abhaya gaṇa* (note to Kāuç. 16. 8).

Translated: Griffith, ii. 274. Griffith calls it a "hymn after victory" and refers *tvā* to the conquered enemy.

1. Here have I come up to a better stop (*avasā́na*); heaven-and-earth have been propitious to me; let the directions be for me free from rivals; we verily hate thee not; be there fearlessness for us.

The mss. read in **a** *uchréyas* (p. *ut○çréyaḥ*); very possibly the true reading would be *u çréyas*. The *pada*-mss. fail to divide *avasā́nam* (it should be *ava○sā́nam*, and this SPP. reads by emendation). Some mss. read *te* for *me* in **b**. Some of ours combine at the end *no 'stu*. Āp. vi. 29. 1 has a corresponding passage: *idaṁ çreyo 'vasānaṁ yad āgāṁ syone me dyāvāpṛthivī abhūtām: anamīvāḥ pradiçaḥ santu mahyam: gomad . . . svāhe 'ty avasite juhoti:* cf. also Āp. xiii. 25. 3.

15. For safety and success.

[*Atharvan. — ṣaḍṛcam. 1–4. āindram; 5, 6. mantroktabahudevatyam. 1. pathyābṛhatī; 2, 5. 4-p. jagatī; 3. virāṭ pathyāpañkti; 4, 6. triṣṭubh.*]

The hymn is found also in Pāipp. iii. As noted under the preceding, it belongs to the *abhaya gaṇa;* and the comm. points out sundry uses of the *gaṇa* (Çānti K. 16; Nakṣ. K. 18; Pariçiṣṭa 5. 3).

Translated: Ludwig, p. 513; Griffith, ii. 275.

1. What we fear, O Indra, make thou fearlessness for us of it; O bounteous one, help (*çak*) that for us by thy aids; smite away haters, away scorners.

The verse is RV. viii. 50 (61). 13, without variant; also SV. i. 274; ii. 671, which reads *ūtáye* in **c**. Most of the mss. give *tvám* instead of *tát* in **c**, but two of ours (P.M.) have *tán na ū-*, and on the authority of these and of RV.SV. our text gives the same; SPP. reads *tvám*, and so does the comm., and it is probably to be regarded as the true Atharvan version.

2. Indra the success-giver do we invoke; may we be successful with biped, with quadruped; let not the niggardly armies come upon us; make the haters (*drúh*) disperse and disappear.

The translation is defective in making no account of the prefix *anu* (twice), which ought to have an appreciable value, although it is very difficult to see what; the comm. paraphrases *anurādham* by *anukrameṇa pūjanīyam*, and he quotes RV. iv. 25. 8 in illustration of how various classes in succession invoke Indra. Ppp. preserves the *a* of *anu* in **b**. SPP. reads in **d**, with all the mss., *druhás;* there was no good reason for its alteration in our text to *drúhas*.

3. Indra [is] rescuer and Vṛitra-slayer, our desirable far-and-wide protector (?); be he our defender at the extremities, he in the middle, he behind, he in front.

In **b** the translation follows the comm., who explains *paraspā* (*-pāḥ*) *no v-*; all the mss. (save one or two s.m.)* have *parasphā́no v-* (p. *parasphā́naḥ*, without division), and this is doubtless the true Atharvan text, though an unintelligible corruption, of which our *gayasphāna* is an only partially successful emendation. *⌊In fact, W's O. and three of SPP's mss. have *-sphā-*, p.m., and *-spā-*, s.m.; and SPP's reciter K. gave *-sphā-*, while his reciter V. gave *-spā-*.⌋ Ppp. reads *parampāno* (*paraspā no ?*). The *pada*-mss. unintelligently divide *ca : ramatáḥ* in **c**; some of our mss. have *-matá sá*. The verse (8 + 8 : 12 + 10 = 38) is poorly described by the Anukr.

4. Do thou, knowing, lead us toward broad space (*loká*), light that is heavenly (*svàr*), fearlessness, well-being; may we dwell under the formidable arms of thee the stout one, O Indra, [those two] great refuges.

The verse is RV. vi. 47. 8, found also in TB. (in ii. 7. 13^3); both these texts read in **b** *svàrvaj jy-*, at beginning of **c** *ṛṣvā́*, and in **d** *stheyāma*. The comm. gives *svaryat*, but explains the *-yat* as *-gacchat* (as above, 13. 1); Ppp. agrees with RV.TB. ⌊in reading *svàrvaj*⌋; ⌊Ppp. abbreviates the consonant group *-j jy-* to *-jy-*; and so does TB., ed. Calc., reading *súvarva jy-*⌋. In **d**, the comm. has the better reading *kṣiyema*.

5. May the atmosphere make for us fearlessness; fearlessness both heaven-and-earth here; fearlessness from behind, fearlessness from in front; from above, from below be there fearlessness for us.

The comm. prefers to take the words of direction in **c**, **d** in their other admissible sense of points of compass, pointing out that *adhara* gets the value 'south' by antithesis to *uttara* 'north.' The verse (11 + 12 : 11 + 11 [?] = 45) is no sort of a *jagatī*.

6. Fearlessness from friend, fearlessness from enemy, fearlessness from one known, fearlessness [from one] that is away; fearlessness for us by night, fearlessness by day; be all places my friend.

At the beginning of **b**, all the mss. read *ábhaye*, but even SPP. emends to *-yam*, having the comm. with him. At the end of the same pāda, all ⌊so also Ppp.⌋ give *puró yáḥ* (p. *puráḥ : yáḥ*), which SPP. retains; the comm. reads *paro yaḥ*, but understands it as if *páro yáḥ*, explaining as *jñātād anyaḥ* or *aparijñātaḥ*. Our emendation to *parókṣāt* is defensible; but the translation implies *paró yáḥ*, as a less alteration. ⌊In **d**, Ppp. combines *sarvā "çā* and omits *máma*.⌋ ⌊"Save me from my friends:" cf. ii. 28. 1 **d** and note; also RV. iv. 55. 5, where the antithesis between *jányam áṅhas* and *mitríyam áṅhas* is most instructive.⌋

16. For safety and protection.

[*Atharvan.—tṛcam.* mantroktabahudevatyam. 1. anuṣṭubh; 2. 3-av. 7-p. bṛhatīgarbhā 'tiçakvarī.*] *⌊So the London ms.; the Berlin ms. says in fact *dvyṛcam:* see under vs. 2.⌋

This and the following hymns, to 23 inclusive, are wanting in Pāipp. The comm. has 16–19 used in the night, in a ceremony to be performed by the *purohita*, on the entrance of a king into his sleeping-house (according to Pariçiṣṭa iv. 5). The hymn is repeated below as 27. 14, 15.

Translated: Griffith, ii. 276.

1. Freedom from rivals in front, behind us [is] fearlessness made; Savitar [protect] me on the south, the lord of Çachī me on the north.

The comm. takes *kṛtám* in **b** as 2d du. impv., = *kurutam*, in spite of the accent, trying to find a dual subject in the two gods mentioned in **c**, **d**; and SPP., in obedience to this, even reads *kṛtam*, although twelve of his thirteen authorities (with all of ours) have *kṛtám*, the thirteenth evidently disagreeing with the rest purely by the accidental omission of an accent-mark.* It would not be impossible to take *mā* in **c** and **d** as object of *dakṣiṇatás* and *uttarā́t*. *⌊For the use of *kṛtám* (the participle), cf. *tā́ír me kṛtáṁ svastyáyanam*, above, 9. 12 c. — In his Collation Book, W. refers to RV. *khila*, 3. 4, which reads *asapatnám purástān naḥ çiváṁ dakṣíṇataḥ kṛdhi: abhávyaṁ sátatam paçcā́d bhadrám uttarató gṛhé.*⌋

2. From the sky let the Ādityas defend me; from the earth let the fires defend; let Indra-and-Agni defend me in front; let the Açvins yield (*yam*) refuge round about; crosswise let the inviolable [cow], let Jātavedas, defend [me]; let the being-makers be my defense (*várman*) on all sides.

In **e** the mss. all read *tiraçcínaghnyā́*, which the *pada*-text resolves into *tiraçcín : aghnyā́*, and this SPP. retains, though *tiraçcín* is not a possible word. Our emendation to *-cínā 'ghnyā́* is a very simple one (implying *-cínā : aghnyā́*); the translation is founded on it; but a more radical alteration of the pāda would be acceptable: something like, for instance, *tiryák cā 'gnī́ rakṣatu jātávedāḥ;* the *jātávedās* leads naturally to the suspicion that *agnís* is somehow hidden in the *'ghnyā́;* the comm. indeed reads *tiraçcīn agnī r-*; but he is able to regard *tiraçcīn* as a masc. accus., implying *asmān;* or else as by Vedic license for *-cīs*, and this for *-cībhyas*, implying *digbhyas* (!); and such assumptions are forbidden us. The *pada*-mss. all read *rakṣantu* in **e**.

The Anukr. in its metrical definition treats this all as one verse, and the same treatment is implied by the summation at the end of the *anuvāka* (see p. 928); but the comm. and one of our mss. make what follows the second *avasāna* into a separate or third verse; ⌊a like contradiction obtains as between the Anukr. and the comm. in the repeated passage, below, 27. 14, 15 (see the note); here, moreover, as noted above, the mss. of the Anukr. are at variance as to whether the hymn is to be reckoned as of 2 vss. or of 3⌋. The addition of *bṛhatīgarbhā* to the metrical definition is quite uncalled-for; ⌊doubtless because pāda **b** scans better as 8 syllables than as 9: no less uncalled-for is the addition of *saptapadā*, unless, dividing what follows the second *avasāna* into 3 pādas, we begin the seventh with an enclitic⌋.

⌊I suspect that our text consists of 6 pādas (8 + 8 : 11 + 11 : 11 + 11 = 60, "*atiçakvarī*"), call them 1 vs. or 2, as you will. Pādas **c** and **e** and **f** have good *triṣṭubh* cadences: **c** is good *triṣṭubh* if we resolve *indraagnī;* so is **e**, with W's *tiryák cā 'gnī́ r-*; the presence of *me* in **f** is all that spoils **f**; and the absence of *me* after *yachatām* is all that spoils the cadence of **d**, if, substituting the grammatical equivalent, we pronounce *açvínā 'bhítaḥ* at the beginning.⌋

17. For protection: to various gods.

[*Atharvan.—daçakam. pratyṛcam mantroktadevatyam. jāgatam: 5, 7, 10. atijagatī; 6. bhurij; 9. 5-p. atiçakvarī.*]

⌊Prose.⌋ ⌊Not found in Pāipp.⌋ This hymn and the next are used, the comm. points out, in the same ceremony as 16, with other hymns, as detailed in Pariçiṣṭa 4. 4; both are also prescribed in Par. 19. 1 (see note to Kāuç. 140. 9), in a ceremony against danger from the various quarters. ⌊See introd. to next hymn.⌋ ⌊Note that the vss. of this hymn group themselves in 5 dyads (comm., *paryāya-dvayas*), one for each cardinal point and a fifth for the 'fixed and upward points'; and that those of h. 18 do likewise and are so grouped by the comm. also.⌋

Translated: Griffith, ii. 276.

1. Let Agni with the Vasus protect me on the east: in him I step, in him I take refuge (*çri*), to that stronghold I go forward; let him defend me, let him guard me; to him I commit myself: hail!

The comm. first understands and explains *krame* and *çraye* as nouns in the locative, qualified by *tasmin!* then he again makes them verbs, quoting from vs. 6 *tāsu krame tāsu çraye*, to support this understanding of them; no one less superficial and blundering could possibly suggest the former explanation, against the accent and the sense.

2. Let Vāyu with the atmosphere protect me from that quarter: in him I etc. etc.

3. Let Soma with the Rudras protect me from the southern quarter: in him I etc. etc.

4. Let Varuṇa with the Ādityas protect me from that quarter: in him I etc. etc.

The comm. quotes AÇS. ii. 11. 12 to show that elsewhere also Soma is associated with the Rudras and Varuṇa with the Ādityas.

5. Let the sun with heaven-and-earth protect me from the western quarter: in him I etc. etc.

6. Let the waters with (*-mant*) the herbs protect me from that quarter: in them I . . . ; let them defend . . . ; to them I etc. etc.

7. Let Viçvakarman with the seven seers protect me from the northern quarter: in him I etc. etc.

8. Let Indra with (*-vant*) the Maruts protect me from that quarter: in him I etc. etc.

The comm. quotes Bhagavad-Gītā x. 6 (rather futilely) to support the association of the seven seers with Viçvakarman as highest self (*paramātman*), and (most superfluously) RV. viii. 85 (96). 7 and AB. iii. 20. 1 (part) to show that Indra and the Maruts go together.

9. Let Prajāpati, possessing generative powers (*prajánanavant*), together with firm support (*pratiṣṭhā́*), protect me from the fixed quarter: in him I etc. etc.

Many of the mss. give various other accents to *prajánanavān;* all read *pratiṣṭhā́yā* (p. *°sthā́yāḥ*), which SPP. accordingly retains,* although it is a palpable corruption; the comm. makes no difficulty of it, viewing it simply as a case of the substitution of genitive for instrumental; he adds, however, another interpretation, supplying *prajananena* for *sahá* to govern, and making *pratiṣṭhā́yās* an adjective qualifying *diçás*. *⌊W's B. and all of SPP's authorities appear to accent *pratíṣṭhāyā*, p. *pratí°sthāyāḥ*, and this is in fact the accentuation and reading in SPP's text, although I do not see what is to be made of it.⌋

10. Let Bṛihaspati with all the gods protect me from the upward quarter: in him I etc. etc.

The comm. calls these prose "verses" and those of the next hymn *paryāyas;* and the metrical definitions of the Anukr. are of course worthless, although it is possible to read out something like the numbers of syllables required by that treatise.

18. For protection: to various gods.

[*Atharvan.—daçakam. pratyṛcam mantroktadevatyam. dvāipadam: 1, 8. sāmnī triṣṭubh; 2–6. ārcy anuṣṭubh (5. samrāj* ⌊intending *svarāj?*⌋); *7, 9, 10. prājāpatyā triṣṭubh.*]

⌊Prose.⌋ ⌊Not found in Pāipp.⌋ See note to the preceding hymn ⌊for ritual uses⌋. The gods etc. are throughout the same as in that hymn. ⌊The two hymns are closely accordant in general and special peculiarities of structure.⌋ ⌊A similar passage is found at MS. i. 5. 4, p. 71^{9-15}, as W. notes in the Collation Book: he also says "cf. K. vii. 2." AV. v. 10 presents some analogies with our hymn, and iv. 40 still more.⌋

Translated: Griffith, ii. 277.

1. Let those malignants (*aghāyú*) who shall attack (*abhi-dās*) me from the eastern quarter come upon (*ṛch*) Agni with (*-vant*) the Vasus.

The comm. has the more regular *vasumantam*. All the mss., and the comm., have at the end of all the verses *'bhidā́sāt*, which SPP. accordingly retains; our edition makes the absolutely necessary emendation to *-sān*. ⌊Is *-dā́sāt* a faulty reminiscence of AV. v. 10?⌋ Most of the *saṁhitā*-mss. also accent *diçó 'bhi-*. Some of the mss. leave *té* unaccented. 'With' is represented throughout the hymn by *-vant* or *-mant*, not by the instrumental case. As usual, *ṛch* signifies a coming into hostile or detrimental contact or collision. ⌊W. interlines "run against" as alternative for "come upon."⌋

2. Let those malignants who shall attack me from that quarter come upon Vāyu with the atmosphere.

3. Let those malignants who shall attack me from the southern quarter come upon Soma with the Rudras.

4. Let those malignants who shall attack me from that quarter come upon Varuṇa with the Ādityas.

The Anukr. ought properly to call this verse *bhurij.*

5. Let those malignants who shall attack me from the western quarter come upon the sun with heaven-and-earth.

⌊The accent of *dyā́vā-* is noted by W., *Skt. Gram.* § 94 b.⌋

6. Let those malignants who shall attack me from that quarter come upon the waters with the herbs.

7. Let those malignants who shall attack me from the northern quarter come upon Viçvakarman with the seven seers.

In our text there has dropped out an accent-sign under *va* before *údīcyā.*

8. Let those malignants who shall attack me from that quarter come upon Indra with the Maruts.

9. Let those malignants who shall attack me from the fixed quarter come upon Prajāpati with generative qualities.

10. Let those malignants who shall attack me from the upward quarter come upon Bṛihaspati with all the gods.

Verse 8 is properly *bhurij* (23 syllables). Verses 9 and 10 are each properly of 27 syllables; but by restoring elided initial *a* here and there (with regard to which the Anukr. appears to acknowledge no rule) the meters as defined can be made out.

19. For protection by various gods.

[*Atharvan.—ekādaçakam. cāndramasam uta mantroktadevatyam. pāñktam: 1, 3, 9. bhurig bṛhatī; 10. svarāj; 2, 4–8, 11. anuṣṭubgarbhā.*]

⌊Prose.⌋ ⌊Not found in Pāipp.⌋ The comm. says that, besides the uses stated in connection with preceding hymns, the *purohita* is to accompany with this the entrance of the king in the night into his sleeping-house; and that it also appears in the ceremony of a king's entrance into his city.

Translated: Griffith, ii. 278.

1. Mitra ascended with the earth: to that stronghold I lead you forward; that enter ye into; that enter ye; let that yield (*yam*) you both refuge and defense.

The comm. declares that Mitra here means Agni.

2. Vāyu ascended with the atmosphere: to that stronghold etc. etc.

3. The sun ascended with the sky: to that stronghold etc. etc.

4. The moon ascended with the asterisms: to that stronghold etc. etc.

5. Soma ascended with the herbs: to that stronghold etc. etc.

6. The sacrifice ascended with the sacrificial gifts: to that stronghold etc. etc.

7. The ocean ascended with the streams: to that stronghold etc. etc.

8. The *bráhman* ascended with the Vedic students: to that stronghold etc. etc.

The comm. says that *bráhman* here means the Veda with the *an̄gas.*

9. Indra ascended with heroism: to that stronghold etc. etc.

10. The gods ascended with the immortal (*amṛ́ta*): to that stronghold etc. etc.

11. Prajāpati ascended with progeny: to that stronghold etc. etc.

The comm. explains *ud akrāmat* by *yām puraṁ rakṣitum utkrāntavān*, as antecedent of *tām puram* etc. The metrical definitions of the Anukr. are not worth comparing in detail.

20. For protection by various gods.

[*Atharvan.—bahudevatyam. trāiṣṭubham: 2. jagatī; 3. purastādbṛhatī; 4. anuṣṭubh.*]

⌊Not found in Pāipp.⌋ The comm. says, purely on his own authority, that with this hymn the *purohita* arms with a breastplate a king going to battle. ⌊For the reference to vs. 4 in Kāuç. 25. 36 note, see above, introd. to viii. 5.⌋

Translated: Griffith, ii. 279. ⌊In Anukr. we miss *caturṛcam.*⌋

1. Have set down apart the human deadly weapon Indra-and-Agni, Dhātar, Savitar, Bṛihaspati, king Soma, Varuṇa, the Açvins, Yama; let Pūshan protect us round about from death.

It is quite as likely that ‘Soma’ etc. in the second half-verse should be viewed as coördinate with Pūshan. The translation omits *yám* in **a**; it seems probable that **a** is deeply corrupt. ⌊Caland, KZ. xxxiv. 456, citing Avestan usage, takes *pāúruṣeyaṁ vadháṁ yám* as accusative of the crystallized combination *pāúruṣeyo vadhó yáḥ* which we had at i. 30. 1: see note to xii. 2. 19. But W's suspicion is weighty.⌋ All the mss. accent *nyádhus* (the *pada*-mss. having, against all rule and practice, *nyádhuḥ*, instead of *ni◦ádhuḥ* or *nì : adhuḥ*), and SPP. follows them (in p. also); our *nyàdhus* is an emendation, apparently a necessary one—unless we can construe, with the comm., **b–d** as together constituting the apodosis: ‘what means of death for men [our enemies] have fixed in secret—from [that] death let Indra-and-Agni etc. etc. protect us.’ ⌊Griffith: ‘May Soma etc. guard us from Mṛityu—death caused by men, which Indra etc. appointed.’⌋ The verse is far too irregular (11 + 12 : 12 + 9 = 44) to be called simply a *triṣṭubh.*

2. What [defenses] he who is lord of creation, Prajāpati, Mātariçvan, made for his creatures (*prajā́*), what ones the directions and the quarters put on (*vas*)—let those defenses (*várman*) be abundant (*bahulá*) for me.

The mss. accent *vasaté* ⌊except several that have *vasate*⌋; our emendation to *vasáte* is unquestionably called for, even though there are a few cases in RV. of such accent as *vasaté* ⌊*Gram.* § 613⌋. The comm. etymologizes *mātariçvan* as *antarikṣe çvasitī* *'ti.* ⌊The verse is properly 12 + 11 : 11 + 11 : for **d** has *triṣṭubh* cadence, and there are three possibilities of excising a syllable from its prior half.⌋

3. What [defense] those gods fastened on themselves, when fighting for overlordship, what defense Indra made for himself, let that protect us on all sides.

Pāda **b** is altogether corrupt; the translation implies the reading *ā́dhirājyāya yodhínaḥ*, which differs a little from the emendation in our text, but which the Pet. Lex. assumes under *ādhirājya*. The mss. give (*devā́*) *'dhirājayódhehinaḥ*, which the *pada*-text analyzes into (*deva :*) *ádhi∘rāja : yáḥ : dhehi : naḥ* (SPP. reports his *pada*-mss. as giving at the beginning *devā*, apparently by an oversight, as *devā* is no form*). The comm. has (*devāḥ*) *dyurājayo* (implying p. *dyu∘r-*) *dehinaḥ*, and this SPP. accepts, despite its unsatisfactory character; the comm. explains *dyurājayas* as *divi dyuloke rājamānās*, which is absurd, and adds that, since the wearing of armor implies a body (*deha*), the gods were embodied (*dehinas*), which is silly. The *pada*-mss. (and one of SPP's *saṁhitā*-mss.) strangely read *sarvátas* at the end instead of *viçvátas;* the comm. and both editions accept the latter; ⌊and since W. notes nothing to the contrary, his D. presumably has *viçvátaḥ*⌋. The text, with **b** as translated, and with *ca-kṛ-e* in **c** ⌊making 11 + 8 : 8 + 8⌋, answers excellently to the definition of the Anukr. *⌊W. means, I take it, no form which is usable in this connection.⌋

4. Defense for me may heaven-and-earth, defense may day, defense may the sun, defense for me may all the gods make; let not the affrontress (?*pratīcikā́*) reach me.

Some of the mss. leave *pratīcikā* accentless, and nearly all accent *krán;* both editions have *kran* and *-kā́*. The comm. seems to read *agnis* instead of *áhas* in **b**, and *mo* for *mā́* in **d**. The comm. paraphrases *pratīcikā* as *çatrusenā 'jñātapratikūlāñcanā* (*ka* being added to *pratīcī* "*ajñātārthe*"); the ⌊minor⌋ Pet. Lex. conjectures 'discomfort' (*Ungemach*); the translation above is of course only tentative. To be compared with the verse is viii. 5. 18 above; found also in AÇS. i. 2. 1, which has our **a**, **b** (but reading *agnis* with our comm.), and, for third pāda, *varma me santu tiraçcikāḥ;* and in Āp. xiv. 26. 1, with *agnis* in **b**, and, for **c**, **d**, *varma me brahmaṇaspatir mā mā prāpad ato bhayam.*

⌊Here ends the second *anuvāka*, with 11 hymns and 72 verses. If we counted hymn 16 as of 3 verses, there would be 73. Some mss. sum up the verses as 72, and thus support the numeration of hymn 16 as given by both editions (see p. 923).⌋

21. The meters.

[*Brahman.—ekarcam. chāndasam. 1-av. 2-p. sā́mnī bṛhatī.*]

⌊Prose.⌋ ⌊Not found in Pāipp.⌋ The comm. finds the verse quoted by the appellation *chandogaṇa* in Nakṣatra Kalpa 18.—⌊The Anukr. says: *idam Brahmā chandonukrāntivijñānāyā 'paçyat.*—The meters are arranged, according to the number of their syllables, in an arithmetical progression ascending by a difference of 4. In VS. xxiii. 33, all these and *kakúbh* are mentioned.⌋

Translated: Griffith, ii. 279.

1. Gāyatrī, uṣṇih, anuṣṭubh, bṛhatī, pañkti, triṣṭubh-and-jagatī.

The mss. are at variance as to the use of any *kampa*-sign between the first two words. ⌊The metrical definition (18 syllables) calls for the resolution *gāyatrī uṣ-*.⌋

SPP's authorities appear all (except one *pada*-ms., *-tī*) to read at the end *jágatyāi;* ours vary between *-tī*, *-tye*, *-tyāi*, and *-tyāu*. The text of the comm. reads *pañkti* (instead of *-tis*), and, either with reason or on account of his usual disregard of accent, he takes the whole verse as a single compound word in the dative case, explaining it to mean *gāyatryāi svāhā*, *uṣṇihe svāhā*, etc., and declaring it thus to contain seven *mantras;* and SPP. thinks this to be "doubtless" the original character of the line; it would be safer to say "perhaps," or "possibly," since the separate accentuation, the nominative form *pañktís*, and the division by the Anukr. into two pādas (in the *pada*-mss., after *anuṣṭúp*) all speak against it. The mss. accent *triṣṭúb jágatyāi.*

22. Homage to parts of the Atharva-Veda.

[*Añgiras.—ekaviṅçati. mantroktadevatyam. 1. sāmny uṣṇih; 3, 19. prājāpatyā gāyatrī; 4, 7, 11, 17. dāivī jagatī; 5, 12, 13. dāivī triṣṭubh; 2, 6, 14–16, 20. dāivī pañkti; 8–10. āsurī jagatī; 18. āsury anuṣṭubh (1–20. 1-av.); 21. 4-p. triṣṭubh.*]

⌊Verses 1–20, prose.⌋ ⌊Not found in Pāipp.⌋ The comm. quotes from Nakṣatra Kalpa, 17, 18, to the effect that this hymn and the following (together called *samāsa*) are to be used in the great appeasement-ceremony called *āñgirasī*, by one who seeks success as practising or suffering witchcraft. ⌊Cf. introd. to next hymn.⌋

Translated: Griffith, ii. 279; vs. 21 also by Ludwig, p. 219.

1. With the first five *anuvākás* of the Āñgirasas, hail!

It is very strange that the instrumental case is used here, instead of the dative, which is used everywhere else through this hymn and the next. ⌊Conversely, note the use of the abl.-dat. form *mādbhyás*, below, 27. 2 c, where we expect the instrumental, as in the other pādas.⌋

2. To the sixth, hail!
3. To the seventh-and-eighth, hail!
4. To the black claws, hail!
5. To the green ones, hail!

Two of our mss. (O.D.) accent with our text *háritebhyas;* SPP. reads *haritébhyas*, with (apparently) all his authorities and nearly all of ours.

6. To the petty ones, hail!
7. To them of the *paryāyas*, hail!
8. To the first conchs, hail!
9. To the second conchs, hail!
10. To the third conchs, hail!

In 9 and 10, SPP. accents, with all the mss., *dvitīyébhyas* and *tṛtīyébhyas;* we have not hesitated to make the necessary emendations to *-tī́ye-*. ⌊The false accent is perhaps a blundering assimilation to that of *prathamébhyas:* cf. notes to vss. 13 and 14, and especially to xviii. 3. 47.—Two of W's later collated mss., D.L., have rightly *-tī́ye-*.⌋

11. To the next to the last ones, hail!
12. To the last ones, hail!
13. To the further ones, hail!

SPP. again follows the mss. in accenting *uttarébhyas;* ⌊again a blundering assimilation to the accent of *uttamébhyas*, vs. 12⌋.

14. To the seers, hail!

Here also we emended the accent ⌊to *ṛ́ṣibhyas*, which W's D.L. indeed give⌋; but SPP. has, with the mss., *ṛṣíbhyas*. ⌊For the rationale of the blunder (due to *çiṣíbhyas*, vs. 15), cf. notes to vss. 10 and 13 and note to xviii. 3. 47.⌋

15. To the peaked ones (? *çikhín*), hail!

Here the mss. vary between *çikhíbhyas* and *çiṣíbhyas*.

16. To the *gaṇás*, hail!

17. To the great *gaṇás*, hail!

18. To all the *gaṇá*-knowing (??) Añgirases, hail!

It is altogether likely that *vidagaṇá* either never meant anything or is a corrupt reading; the translation is given merely in order not to leave the word untranslated.

19. To the two thousands severally, hail!

20. To the *bráhman* (?), hail!

SPP. reads *brahmáṇe*, and mentions no disagreement among his authorities; all but one or two of ours have the same, and our text might probably have been better left to read so; but the accentuation of the mss. is wholly unauthoritative, and the distinction here also of no manner of importance. The comm. understands *brahmáṇe*. ⌊I think *bráhmaṇe* is to be preferred for the reason given at p. 932, line 7.⌋ The numbers of syllables in the verses agree throughout with those demanded by the definitions of the Anukr.

It is a great disappointment to find that the designations given in this hymn to the various parts or elements of the Atharvan text are just as much a puzzle to the commentator as they are to us, so that he does not even venture to conjecture a meaning for them. He understands the authors rather than the *mantras* to be meant as the recipients of the homage. His whole comment follows: *atra viṅçatikāṇḍātmikāyām asyāṁ çākhāyāṁ vidyamānānuvākasūktagaṇaviçeṣādisaṁjñārūpāiḥ çabdāir anuvākādidraṣṭāra etannāmāna ṛṣayaḥ pratipādyante: nīlanakhādisūktaviçeṣāṇām prasiddhatvāt tāni viçeṣato na pradarçitāni:* **brahmaṇe svāhe** *'ti brahmaçabdena viṅçatikāṇḍātmakavedavācakena tasya draṣṭā brahmākhya ṛṣiḥ pratipādyate: anyat sarvaṁ nigadavyākhyātam.* It sounds like a bad joke that he calls *nīlanakha* etc. 'familiarly known.' That *anuvāka* is used in vs. 1 in the same sense as in the present division of the text seems very unlikely.

21. Heroisms [were] gathered with the *bráhman* as chief; the *bráhman* as chief in the beginning stretched the sky; the Brahmán was born as first of creatures; therefore (*téna*) who is fit to contend with the Brahmán?

Or (in d) 'with that (*téna*) Brahmán.' SPP's text of the verse agrees with ours save that he accents in d *bráhmaṇā* with the mss., and has in c *prathamó 'tá* (p. *-máḥ : utá*, though the *pada*-mss. read *-mā́ : utá*); the text of the comm. has *-mo 'ta* here, but *-mo 'tha* in the verse repeated as 23. 30; the emendation in our text to *-mó ha* is plainly the easiest way out of the difficulty. The *pada*-mss. divide at the beginning, with remarkable absence of intelligence, *bráhma : jyeṣṭhā*, or *jyeṣṭhā́;* half the *saṁhitā*-mss. also accent *jyeṣṭhā́;* finally, the *pada*-mss., with incredible folly, divide at the end *spárddhi : tuṁkáḥ!* SPP. holds that the verse must have originally had *brahmán* throughout (four times), and gives in his note a text of it in that form (but with *prathamó 'tha* in c); but it is far from improbable that *bráhman* was used in the first half-verse and *brahmán* in the second, as in our text. Indeed, in a corresponding verse in TB. (ii. 4. 7^{10}), *bráhman* ⌊more appropriately, it would seem, if I am right in supposing that vss. 29 and 30 of hymn 23 refer to the Brahmaveda: cf. p. 932, l. 3⌋ is used every time: *bráhmajyeṣṭhā* (its commentary takes this as vocative) *vīryà sámbhṛtāni bráhmā́ 'gre jyéṣṭhaṁ dívam ā́ tatāna: ṛtásya bráhma prathamó 'tá* (! its comment paraphrases by simply *prathamám*) *jajñe ténā 'rhati bráhmaṇā spárdhituṁ káḥ*. Our comm. gives a second explanation of *brahmajyeṣṭhā* as = *brahmaṇā jyeṣṭhena*, the case-ending of the former word being omitted, as well as the *in* part of that of the second!

23. Homage to parts of the Atharva-Veda.

[*Atharvan.—triṅçat. mantroktadevatyam uta cāndramasam. 1. āsurī bṛhatī; 2–7, 20, 23, 27. dāivī triṣṭubh; 8, 10–12, 14–16. prājāpatyā gāyatrī; 17, 19, 21, 24, 25, 29. dāivī pañkti; 9, 13, 18, 22, 26, 28. dāivī jagatī;* (*1–29. 1-av.*).]

⌊Verses 1–29, prose.⌋ ⌊Not found in Pāipp.⌋ The application of the hymn, as defined by the comm., was given with the one preceding.

As in the case of the preceding hymn, the comm. to all the verses is given together at the end. Its main parts are given below under the separate verses. It further declares that by the words *ekarca* to *daçarca* are designated the *ṛṣis* named Atharvan, and by those from *ekādaçarca* to *viṅçati* are designated the *ārṣeyas* named Ātharvaṇa; and it quotes as authority the beginning of i. 1. 5 of the Gopatha Brāhmaṇa.

⌊With regard to this hymn in general, and leaving books xix. and xx. out of account in the statements that follow: in the **first** place it is clear that the books of the **third grand division** of the AV., books xiii.–xviii. (see p. 708), are intended by verses 23–28 respectively (see under the verses below and see the introductions to the several books).⌋

⌊In the **second** place it is clear that the hymns of the books (but not the books themselves severally) of the **first grand division** of the AV., books i.–vii. (see p. 388), are intended to be covered by verses 1–15 and 19 and 20 (between 19 and 20 we miss the *dvyṛcebhyaḥ* which the commentator's text has). In this connection it is significant that vs. 1 begins with homage "to them of four verses," which is the norm of our first book, and not with homage "to them of one verse"—see the first table on p. 388. Moreover, as appears from the table on p. cxliv, the first grand division contains a hymn or hymns of every number of verses from 4 verses to 18 verses (mostly in books i.–v.) and from 1 verse to 3 verses (exclusively in books vi. and vii.). Again, while there is in the first grand division (and only there) one hymn or more of every number of verses from 1 verse to 18 verses, it is interesting to note that there is, in the whole AV. (books i.–xviii. or even i.–xix.), not one hymn of 19 verses, nor yet one of 20 verses (cf. p. 471 top): and of this fact account seems to be taken in so far as the form of our verses 16 and 17 differs from that of the 15 preceding.⌋

⌊**Thirdly**, the books of the **second grand division** of the AV. (books viii.–xii.) consist of hymns of over 20 verses (p. 471, top). There is, therefore, in all our present hymn, no special reference to this division, unless it be in verse 18, which may accordingly mean 'To the division (*kāṇḍa*) of great (*mahant*) [hymns], hail,' and refer to books viii.–xii. It is not impossible that a Hindu might use *kāṇḍa* to signify a 'division' comprising several books and tantamount to one of our so-called "grand divisions" (see my note to vs. 18). Against my view, I might well object that *dīrgha* would be a more appropriate adjective than *mahant* for the 'long' individual hymns of which the division consists; but, per contra, if the difference between *mahadguṇa* and *mahāguṇa* be a valid parallel, the text ought, if it means 'great book,' to read *mahākāṇḍāya*. A graver objection to my view, perhaps, is the position of vs. 18, which, if I were or am right, ought to come between verse 20 and verse 23.⌋

⌊**Fourthly**, verses 29 and 30 doubtless refer to this Veda as a whole, to the Brahmaveda, or to the incantations (*bráhman*) which form its subject-matter. After writing this, I note that Bloomfield in the *Grundriss*, p. 40, note 7, expresses an opinion similar, but much less specific. If I am right, *bráhman* is to be preferred to *brahmán* in these two verses, as also in vss. 20–21 of the preceding hymn: cf. the TB. vs. cited under 21. 21. On the other hand, I ought not to pass in silence the fact that the Anukr., at the beginning of its treatment of book xix., seems to call book xix. the *brahmakāṇḍa.*⌋

⌊**Finally**, therefore, aside from verse 18, just discussed, and assuming that verses 16 and 17 were added (in genuine Hindu fashion) merely for schematic completeness, we have only to note that all the verses of the hymn are reasonably accounted for, save only verses 21 and 22.⌋ ⌊☞See pages cl, clvii, clix.⌋

Translated: Griffith, ii. 280.

1. To them of four verses of the Ātharvaṇas, hail!
2. To them of five verses, hail!
3. To them of six verses, hail!

All the *saṁhitā*-mss. read *ṣaḍarc-*, and two of SPP's *pada*-mss. *ṣaḍd°ṛc-;* both editions *ṣaḍṛc-*, with the comm. and three *pada*-mss. The Gop.Br. has *ṣaḍarc-* in i. 1. 5.

4. To them of seven verses, hail!
5. To them of eight verses, hail!
6. To them of nine verses, hail!
7. To them of ten verses, hail!
8. To them of eleven verses, hail!
9. To them of twelve verses, hail!
10. To them of thirteen verses, hail!
11. To them of fourteen verses, hail!
12. To them of fifteen verses, hail!
13. To them of sixteen verses, hail!
14. To them of seventeen verses, hail!
15. To them of eighteen verses, hail!
16. Nineteen: hail!
17. Twenty: hail!

In these two verses, some of the mss. read *-çati sv-*; the text of the comm. has *-çatyāi*, which would be an improvement; and two of SPP's reciters give the same. ⌊But cf. p. 931, ¶ 6, end.⌋

18. To the great book (*mahat-kāṇḍá*), hail!

⌊All of W's and of SPP's mss., and the reciters as well, give *mahat-*, not *mahā-*; but the comm. appears to read *mahā-*, and to say that it means the 'entire Veda of twenty books': *mahākāṇḍāye 'ti çabdena viṅçatikāṇḍātmakakṛtsnavedavācinā;* and this seems to support my suggestion that a Hindu might use *kāṇḍa* of a group of *kāṇḍas:* cf. ¶ 5 of introduction, above. Weber suggested at *Ind. Stud.* iv. 433 that *mahatkāṇḍa* might mean book xx.; but in a later volume (xviii. 154), that book v. might be intended.⌋ ⌊See pages clvii–viii.⌋

19. To them of three verses, hail!

Between this verse and the next, the commentator's text inserts *dvyṛcebhyaḥ svāhā.*

20. To them of one verse, hail!
21. To the petty ones, hail! ⌊See page clviii top.⌋

This is a repetition of 22. 6 above, and after it the commentator's text adds 22. 7.

22. To them of a half-verse, hail!

All the mss., and the comm., have here *ekānṛcébhyas* (p. *eka°anṛc-*), and SPP. follows them. Our *ekadvyṛcébhyas* (misprinted *ekadvṛc-*) was meant as an emendation, but is hardly successful. What *ekānṛc-* should mean does not appear; the translation simply follows the comm., for lack of anything better.

23. To the ruddy ones (*rohita*), hail!

The mss. ⌊except W's O.D., which have *róh-*⌋, and hence also SPP., accent here *rohitébhyas.* The comm. remarks that in this and the following verses the books intended are clear. This, of course, means book xiii. ⌊which is designated by *rohitāis* at Kāuç. 99. 4⌋.

24. To the two Sūryās, hail!

That is, to the two parts (*anuvākas*) of the book beginning with the Sūryā-hymn (xiv.).

25. To the two Vrātyas, hail!

Again the two *anuvākas* of the Vrātya-book (xv.). ⌊Both ed's read *vrātyā́bhyām*, with all the authorities, save W's D.L., which have *vrā́tyā-*. The minor Pet. Lex., vi. 189, notes *vrātyá* as an adj. to *vrā́tya:* hence, rather, 'To the two [*anuvākas*] about the *vrā́tya*, hail!' See my note, p. 770, ¶ 3.⌋

26. To the two of Prajāpati, hail!

The two *anuvākas* of book xvi. are evidently intended, though why they are called *prājāpatya* is difficult to say. ⌊The Major Anukr. calls the whole book *prājāpatya*, as noted p. 792, ¶ 4.⌋ The Old Anukr. quoted in the endings says at the end of xvi. 4 *prājāpatyo ha catuṣkaḥ,* ⌊· · · ⌋ *saptakaḥ paraḥ:* i.e. 'the [first] Prajāpati-*anuvāka* has four hymns ⌊or *paryāyas*⌋; the [*paryāya*] next after [2 and 3: i.e. *paryāya* 4] is one of seven verses.' ⌊For the probable relative position and the significance of these extracts, see p. 792 (¶ 5) –793.⌋

27. To the *viṣāsahí*, hail!

The seventeenth book begins with the word *viṣāsahím;* and this time the comm. takes the trouble to specify that "the seventeenth *kāṇḍa*" is intended. ⌊Cf. p. 805, ¶ 1.⌋

28. To them of good omen (*mañgaliká*), hail!

This, from its position, ought to signify book xviii.; the comm. says nothing about it; his text reads *māñg-*. ⌊That the funeral book is held to be most inauspicious appears from SPP's preface to his ed., vol. i., p. 4, p. 5, and especially p. 2. To call the book auspicious is a euphemism such as is familiar in the case of the dreadful god Çiva.⌋

One of our mss. (I.) inserts after this verse five others which do not appear to occur elsewhere, as SPP. does not mention them: *nákṣatrakalpāya svā́hā.* 29. *vāitānakalpāya svā́hā.* 30. *çāntikalpāya svā́hā.* 31. *añgirasakalpāya svā́hā.* 32. *sā́ṁhitāvidhaye* *svā́hāṁ.* 33. Our 29 then follows, in the form *tulibrahmáṇe svā́hā*, and our 30 as given in all the mss.: *bráhmajyeṣṭhé 'ty ékā.* ⌊The foregoing are the readings of the Collation Book: apart from the accents, they require correction, I suppose, to *āñgirasa-* and *saṁhitā-*.⌋

29. To the *bráhman*, hail!

See above, 22. 20, with which this is identical. This time, two of our mss. ⌊and three of SPP's⌋ have *bráhmaṇe;* the others, and SPP's text, read *brahmáṇe.* ⌊As to the meaning, see introduction, p. 932, ¶ 2.⌋

30. Heroisms were gathered with the *bráhman* as chief; the *bráhman* as chief in the beginning stretched the sky; the Brahmán was born as first of creatures; therefore who is fit to contend with the Brahmán?

This is a repetition of 22. 21 above; the commentator's text apparently gives it in full, as SPP. notes that (doubtless only by an accident) it reads this time in c *prathamo 'tha.*

24. For prosperity: with a certain garment.

[*Atharvan.—aṣṭāu. mantroktabahudevatyam uta brāhmaṇaspatyam. ānuṣṭubham: 4–6, 8. triṣṭubh; 7. 3-p. ārṣī gāyatrī.*]

The hymn, except vs. 2, is found also in Pāipp. xv. The comm. points out that it is prescribed by Nakṣatra Kalpa 17–18 to be used in a *mahāçānti* ceremony called *tvāṣṭrī*, on occasion of the loss (*kṣaya*) of a garment.

Translated: Ludwig, p. 458; Griffith, ii. 281.

1. With what [garment] the gods caused to wrap god Savitar, with that, O Brahmaṇaspati, do ye wrap this man in order to royalty.

The translation implies emendation in b of *ádhārayan* to *ádhāpayan;* this, obviously suggested by the whole sense of the hymn (and proposed in the Pet. Lex.), is supported by the Ppp. text, which reads *devā 'diyāpayan.* The comm. reads *-dhār-*, but explains it as if it were *-dhāp-*: *paritaḥ sarvata ācchādayan.* Many of the mss. have *adhārayan*, unaccented. The comm. quotes TS. vi. 1. 14, to the effect that "this same garment belongs to all the gods," to explain why the verb in the second half-verse is plural.

2. Wrap ye this man [as] Indra in order to life-time, to great dominion, that [it] may conduct him unto old age; may he long watch over dominion.

All the mss., both here and in the next verse, read at end of c *nayā́m*, which SPP. therefore accepts, although both form and accent are indefensible; the comm. has both times *naya;* the translation implies our emendation to *náyāt*, the propriety of which can hardly be questioned, especially as it is supported by a corresponding verse three times repeated, with variations, in HGS. i. 4. 8: *parī 'mam indra brahmaṇe mahe çrotrāya* (or *rāṣṭrāya*, or *poṣāya*) *dadhmasi: athāi 'naṁ jarimā ṇayej jyok çrotre* (or *rāṣṭre*, or *poṣe*) *adhi jāgarat:* of these three forms, the first is intended for a Brahman, the second for a Kṣatriya, the third for a Vāiçya: compare our next verse. The comm., ⌊in 2 a and 3 a, appears to have had before him *indramāyuṣe* and *somamāyuṣe*, whatever his accentuation and *pada*-text may have been: this he understands as *indra mā* *"yuṣe* and *soma mā "yuṣe*, his vocative *indra*⌋ agreeing with HGS. and giving an easier and better text; ⌊his *mā* goes easily as an appositive with *imám*, but the following *enam* is quite out of joint with it⌋.

3. Wrap ye this man [as] Soma in order to life-time, to great instruction (*çrótra*), that [it] may conduct him unto old age; may he long watch over instruction.

It is perhaps only by an accident that vs. 2 is omitted in Ppp.; at any rate, this verse shows what would have been read for verse 2 by it: it has *somam*, not *soma*, in **a**;* and *naya*, with the comm., in **c**; further, in **a** it gives *pare 'maṁ*. *⌊Strictly speaking, it has *somamāyuṣe*, with a possibility for the same objectionable division as appears under vs. 2, which see.⌋

4. Wrap, set ye him for us with splendor; make him one to die of old age; [make] long life-time; Bṛihaspati furnished (*pra-yam*) this garment to king Soma for wrapping himself.

This is a repetition of ii. 13. 2, above. The comm. mentions that the verse has been already explained where it first occurred, but adds: "the sense, however, is compendiously this," and proceeds to give the same exposition over again, word for word (unless, indeed, the editor is responsible for the repetition). For the parallel passages etc., see the note to ii. 13. 2.

5. Go thou safely (*sú*) unto old age; wrap thyself in the garment; become thou protector of the people (?) against imprecation; and live thou a hundred numerous autumns; and wrap further about (*upa-sam-vyā*) thee abundance of wealth.

⌊The verse is found in PGS. (i. 4. 12), HGS. (i. 4. 2), and MP. (ii. 2. 7). In **a**, PGS. omits *sú*, while HGS.MP. have *jarā́ṁ gacchāsi;* in **b**, all three texts read *kṛṣṭīnā́m* and *abhiçastipā́vā;* all three end **c** with *suvarcās;* and PGS. has for **d** *rayiṁ ca putrān anu saṁvyayasva*, adding *āyuṣmatī 'dam paridhatsva vāsaḥ.*⌋ In **b**, the translation follows Ppp. ⌊and the three texts just cited⌋ in reading *kṛṣṭīnā́m* 'people' instead of the absurd *gṛṣṭīnā́m* 'heifers,' which is given by all the mss. and the comm., both here and in the nearly accordant verse ii. 13. 3: see note to ii. 13. 3 ⌊and cf. Roth, ZDMG. xlviii. 110⌋. The comm. is driven by the reading *gṛṣ-* into taking *abhiçasti-* from *ças* 'cut': *abhito viçasanaṁ hiṅsā.* ⌊Our *abhiçastipā́ u*, at the end of **b** in vss. 5 and 6, would seem, in view of the *-pā́vā* of the other texts, to be a faulty assimilation to the end of **d** in vs. 4, *páridhātavā́ u*, such as may be found elsewhere.⌋

6. Thou hast wrapped thyself in this garment in order to well-being; thou hast become protector of thine allies (?) against imprecation; and live thou a hundred numerous autumns; living, pleasant (*cā́ru*), thou shalt share out good things.

The translation implies in **b** *ábhūr āpīnā́m* ⌊see below⌋, or else an analysis of the ms. reading *vāpīnā́m* ⌊misprinted *vap-* in foot-note of Berlin ed.⌋ into *u* and *āpīnā́m* (the *pada*-mss. have *ábhūḥ : vāpīnā́m*). The *vaçā́nām* of our text* is a conjecture provoked by the *gṛṣṭīnā́m* of vs. 5; as that is got rid of, this naturally falls away also. The comm. has again *gṛṣṭīnām*, and this time interprets *abhiçasti-* as a fear on the part of the 'heifers' of losing their skins (*tvagādānabhīti* ⌊cf. note to ii. 13. 3⌋)! The Ppp.

text appears to give us no variants. The HGS. has a corresponding verse (in i. 4. 3), reading in **a**, **b** *adhi dhāḥ* ⌊one ms. correctly *'dhithāḥ*⌋ *svastaye 'bhūr āpīṇām*† *abhiçastipāvā:* and, for **d**, *vasūni cāyyo vi bhajā sa jīvan;* the variant to *cā́rus*, taken in connection with the small appropriateness of *cā́rus*, makes its genuineness suspicious. ⌊MP., at ii. 2. 8, also has *āpīnā́m;* and it agrees otherwise with HGS., save that it has *dhā* for *dhāḥ*, *cāryó* for *cāyyo*, and *ví bhajāsi* (agreeing with AV.). Kirste, in his note to HGS., p. 8, mentions as further variants *cāyo* and *cārye*. MB., at i. 1. 6, has **c**, ending with *suvarcās*, and **d**, reading *cārye.*⌋ *⌊Misprinted *vaçānā́m.*⌋ †⌊One ms. correctly *āpīnām.*⌋ ⌊See page xxxvi, note.⌋

7. We, companions, call to aid Indra the very mighty at every conjuncture, in every contest (? *vā́ja*).

This verse is, without variant, RV. i. 30. 7; also found in SV. (i. 163; ii. 93), VS. (xi. 14), TS. (in iv. 1. 2^1), MS. (in ii. 7. 2), ⌊MP. i. 6. 3⌋. *Sákhāyas*, in **c**, which might be either nominative or vocative, the comm. prefers to take as nominative.

8. Of golden color, unaging, of excellent heroes, having old age as death, do thou enter into union (*sam-viç*) with progeny: this Agni says, and this Soma says, this Bṛihaspati, Savitar, Indra.

The second half-verse we had above as viii. 5. 5 **a**, **b** ⌊which see; and pāda **c** occurred at xvi. 9. 2⌋; the comm. does not notice the repetition. He explains *saṁ viça* as used in the sense of *nirviça* 'enjoy'; or else, he says, of *praviça* = *svagṛham adhitiṣṭha*. Ppp. reads in **a** *ajayas suv-*.

25. To a horse.

[*Gopatha.—ekarcam. vājidevatyam. ānuṣṭubham.*]

The verse is not found in Pāipp. The comm. finds it quoted in Nakṣ. K. 17–18, in a *mahāçānti* ceremony called *gāndharvī*, on occasion of the loss (*kṣaya*) of a horse.

Translated: Griffith, ii. 282.

1. I harness (*yuj*) thee with the mind of one that is unwearied and that is first; be thou an up-carrier uphill; having carried up, then run thou back.

The real sense of the hymn is very obscure; neither the *viniyoga* nor the comm. casts any light upon it. ⌊SPP. regards the comm. as taking *utkūlamudvaho* as one word;⌋ the comm. reads *bhavas* for *bhava:* and he explains the phrase simply by *atidṛpto bhava*. Instead of *uduhya*, the comm. has *duhīya* (= *çatrujayalakṣaṇāni phalāni labheya*). SPP. accents *útkūlam*, with all the mss.; our alteration to *utkū́lam* is not sufficiently motived; the minor Pet. Lex. has *utkūlám*, which is more in accordance with general analogies. Fully half the mss. accent *úduhya*. In our text, *bháva* (in **c**) is a misprint for *bhava* (an accent-mark fallen out).

26. For long life etc.: with something golden.

[*Atharvan.—caturṛcam. āgneyam; hāiraṇyam. trāiṣṭubham: 3. anuṣṭubh; 4. pathyāpañkti.*]

Of this hymn only vs. 4 is found in Pāipp. (in xx.). The comm. finds it used in Nakṣ. K. 17, 19, in a *mahāçānti* ceremony called *āgneyī*, on occasion of danger from fire, with the insertion of a golden earring; further, in Pariç. 11. 1, in a *tulāpuruṣa* ceremony.

Translated: Grill, 49, 192; Griffith, ii. 283; Bloomfield, 63, 668.

1. The gold that, born out of the fire, immortal, maintains itself over mortals — whoso knows it, he verily merits (*arh*) it; one that dies of old age becomes he who wears (*bhṛ*) it.

SPP. accents at the end *bibhárti*, with the great majority of the mss. (the same also in 2 d); our preference for *bíbharti* was because only this accent is found elsewhere in AV. Most of the mss. accent *énad* in c. The masculine *enam* in c is surprising, as no hint of anything masculine is met with elsewhere in the hymn; the comm. explains it as *anvādiṣṭaṁ hiraṇyarūpam padārtham*. In a corresponding verse (6) found in a *khila* of the RV. (to x. 128) is read instead *enad* (one ms. *vedam*), which is more likely to be the true text. The same has in b *jajñe* for *dadhre*. The Anukr. takes no notice of the redundant syllable in c.

2. The gold, of beauteous color by the sun, that men (*mánu*) of old with their progeny sought — that, shining (*candrá*), shall unite thee with splendor; of long life becomes he who wears it.

Very nearly all the mss. read *iṣiré* at end of b; but both editions, and the comm., give *īṣiré*. The majority of mss. also accent *pūrvé*. SPP. reads at end of c *sṛjati*, with all the authorities (save his P., which has *sṛjāti*)*; both sense and meter so plainly call for *sṛjāti* that we adopted it as an emendation in our text; the comm. reads *sṛjatu*. As to *bibharti* at the end, see note to vs. 1. *⌊W's P.M. have *sṛjasvā* "*yu-*.⌋

3. For life-time thee, for splendor thee, and for force and for strength — that with brilliancy of gold thou mayest shine out among the people.

The comm. reads in c *hiraṇyaṁ tej-*. The comm. supplies in a, b *saṁ sṛjatu* to each noun, as if they were in the instrumental case, which is plainly wrong. Probably the 'thee' of the first line is different from the 'thou' of the second, being addressed to the article of gold itself.

⌊The comm. (as noted) and the text of the comm. have *hiraṇyaṁ tejasā;* but all the other authorities are agreed as to the accentuation *hiraṇyatéjasā;* which, however, is inherently improbable (*Gram.* § 1267 b), if, with the *pada*-text, we take the combination as one compound word. Both mss. and comm. and accent all point the other way, and we have doubtless to assume as *pada*-reading *hiraṇya : téjasā*, as two words, of which the first is vocative; and, but for our blundering *pada-kāra*, this is just what our *saṁhitā*-reading would naturally be taken to mean. The comm. understands 'thee' as referring to the man who wears the gold amulet; but the whole verse gains in concinnity, if we refer 'thee' (with W.) to the amulet itself, and supply with the first half the verb *badhnāmi* (as at i. 35. 1 c; iv. 10. 7 c; xix. 46. 1 c, d), and take the second half also as addressed to the amulet.⌋

4. What king Varuṇa knows, [what] divine Bṛihaspati knows, what Indra the Vṛitra-slayer knows, — may that be for thee life-giving, may that be for thee splendor-giving.

Next after the verse already quoted (under vs. 1) from the RV. *khila*, occurs another corresponding to this, but having for b *yad u devī sarasvatī*, and for d *tan me varcasa āyuṣe*, and lacking a fifth pāda. Ppp. has in b *yad u divo bṛh-*, puts *yad* before *indras* in c, and has for d, and for end of the verse, *tac cittaṁ cittam arhaṇam*.

⌊Here ends the third *anuvāka*, with 6 hymns and 65 verses.⌋

27. For protection etc.: with a triple amulet.

[*Bhṛgvañgiras.—pañcadaçakam. trivṛddevatyam uta cāndramasam. ānuṣṭubham: 3, 9. triṣṭubh; 10. jagatī* ⌊? see under the verse⌋; *11. ārcy uṣṇih; 12. ārcy anuṣṭubh; 13. sāmnī triṣṭubh (11–13. 1-av.).*]

Found (except verses 12 and 13) also in Pāipp. x. The comm. quotes from the Nakṣ. K. (17, 19) its use, in a *mahāçānti* called *prājāpatyā*, by one desiring progeny and cattle, and in case of the loss of progeny, with the binding on of an amulet made of three metals, gold and silver and copper.

Translated: Griffith, ii. 283.

1. Let the bull (*ṛṣabhá*) protect thee with the kine; let the virile one (*vṛ́ṣan*) protect thee with the vigorous ones (*vājín*); let Vāyu protect thee with *bráhman*; let Indra protect thee with Indra's powers (? *indriyá*).

The comm. reads in **a** *vṛṣabhas*.* In **b**, he naturally understands horses as intended, and connects *vājin* with the root *vij* (*vājibhir vejanavadbhiḥ çīghragatibhir açvāiḥ*). Of *bráhman* he gives three different and equally worthless explanations. To *indriya* he says *indriyāṇy atre 'ndrasṛṣṭānī 'ndrajuṣṭāni vā*, which gives us no help. *⌊But the text of the comm. has *pātv ṛṣabhas.*⌋

2. Let Soma protect thee with the herbs; let the sun protect with the asterisms; [let] the moon, Vṛitra-slayer, [protect] ⌊thee⌋ from the months; let the wind defend with breath.

All the mss. without exception read in **c** *mādbhyás*, instead of the *mādbhís* which we should have expected, and which the comm. has. It seems like a blundering confusion of the two cases (the reverse of that in 22. 1, above). The comm. makes *nakṣatra* here refer to the planets, most unnecessarily; he reads in **d** *rakṣati*, but glosses it with *rakṣatu*.

3. They call the heavens (*dív*) three, the earths three, the atmospheres three, the oceans four, the song of praise (*stóma*) triple, the waters triple: let these triple ones defend thee with the triple ones.

In Ppp., **b** and **c** have apparently dropped out, and **d** is made to end with *trivṛtās trivṛttibhiḥ*. The mss. vary between *trivṛ́tā* (which both editions read), *trivṛ́tās*, and *trivṛ́tāt;* the translation implies *trivṛ́tas*, which the comm. has, and which is pretty evidently the intent of the verse; ⌊cf. vs. 9 **d**, below⌋. The mss. to a great extent read *tṛv-* instead of *triv-*, as in other like cases. In **a** in our text, emend to *tisráḥ*. We need to combine *trivṛtā "pa ā-* in **c** to make a good *triṣṭubh*. ⌊I doubt if it is a *triṣṭubh*. To reckon *trī́ṇi* to pāda **a** is very harsh. I suspect we have to pronounce *pṛthvī́s* in **a**, and to read and pronounce *trī́ṇy antárikṣā* in **b**. Thus the verse scans as 8 + 11 : 11 + 11.⌋

4. The three firmaments (*nā́ka*), the three oceans, the three bright ones (*bradhná*), the three at the summit (? *vāiṣṭapá*), the three Mātariçvans, the three suns, do I arrange (*kḷp*) as thy guardians.

Nearly all the mss. read in **a** *nā́kaṅs*, and a part also *bradhnā́ṅs*.* The comm. has *badhnān*, and ⌊some of⌋ our mss. also *badh-*, although SPP. strangely appears to find no *badh-* among his authorities. The *pada*-mss. give *nā́kam* and ⌊some of them⌋ *bradhnā́n*.

Some mss. accent *mātáriç-* in **c**, and read *goptrī́n* in **d**. All these are of the superficial variety of discordant readings which swarm in this book, and have no real importance. The comm. explains his *badhnān* thus: *trīn badhnān badhnaḥ sarvasya bandha ādhārabhūta ādityaḥ*, in which he shows himself equal to the occasion after precisely his own fashion. The Anukr. takes no notice of the metrical irregularity (7 + 7 : 9 + 7 = 30). ⌊Roth notes expressly that Ppp. reads *vāiṣṭapān.*⌋ *⌊Cf. note to 13. 8 above, and to 28. 2; also Müller's 1st quarto ed. of RV., vol. i., preface, p. xii; and Pischel, *Gram. der Prakrit-sprachen*, § 83.⌋

5. With ghee do I sprinkle thee all over, O Agni, increasing thee with sacrificial butter; of fire, of moon, of sun, let not the wily ones damage the breath.

The comm. takes the liberty of filling out **c**, **d** so as to mean "by the favor of the fire etc. . . . thy breath, O man that wearest the threefold amulet." Some of SPP's mss. read in **a** *ukhyāmi* and *ukṣyāmi.*

6. Let not the wily ones damage your breath, nor your expiration nor flame (? *háras*); shining, all-possessing, run ye, O gods, with what is of the gods.

The translation implies emendation of *devā́s* in **d** to *dévās;* the comm. understands *dévās*, but doubtless only by his customary disregard of the accent. He understands *vas* in **a** ⌊alternatively⌋ as *plur. majest.* of the king on whom the amulet is bound, and *haras* in **b** as *çatrubalāpahārakaṁ tejas*. To *dāivyena* in **d** he supplies *rathādinā sādhanena vegena vā*. We are tempted to emend at the end to *dāívyenā́ ''dhāvata;* Ppp. reads *māvata* for *dhāvata*.

7. One unites Agni with breath; the wind is combined with breath; with breath the gods generated the sun that faces all ways. ⌊See p. xxxvi, n.⌋

All the mss. (save one of SPP's, which has *-jāti*) read *sṛjati* in **a**, and, as the meter favors it, it might better stand (our text emended to *-anti*). Ppp. gives for **a** *prāṇenā 'gniṁ saṁ dadhata*, and ⌊reads and⌋ combines at the end ⌊*suryaṁ*⌋ *devā 'janayan.*

8. Live thou with the life-time of the life-time-makers; live as one long-lived; do not die; live with the breath of the soulful (*ātmanvánt*); do not come under the control of death.

Nearly all the mss. read in **a** *āyuḥkṛ́tām*, and SPP. follows them, although the comm. gives *-uṣk-*. In **c**, both the editions emend to *ātmanvátām*, all the mss. having *ātmatvátām* (p. *ātma◦tvátām !*); the comm. appears to imply *-nvatām* in his explanation, though (according to SPP.) his text also has *-tvatām.* Nearly all ⌊SPP's authorities⌋ accent after it *jīvá;* both editions read *jīva*, ⌊SPP.⌋ on very slender authority. Our *úpa gās* in **d** is an emendation, for the *úd agās* of the mss., SPP., and the comm.; the change was demanded by the requirements both of grammar and of the sense; and Ppp. supports it, reading *upa gā v-*.

9. The treasured (*ni-dhā*) treasure of the gods that Indra discovered by roads that the gods travel — the gold did the waters guard with triple ones; let those triple ones defend thee with the triple ones.

The last pāda is a repetition of 3 d, and has the same readings as there in mss.,* editions, and comm. Instead of *índro 'nv-* in a, b the mss. give *indrā 'nv-* (p. *indra : anu-*); but this time SPP. also, as well as we, emends to the former reading, which is that of the comm. ⌊*Nidhíṁ devā́nāṁ níhitaṁ yáṁ índraḥ* would be good rhythm.⌋ *⌊Or nearly so: but *trivṛ́tā* of 3 is here *tṛvátā*.⌋

10. Thirty-three deities and three heroisms guarded [it] within the waters, holding [it] dear; what gold there is upon this shining one (?*candrá*), therewith shall this man do heroisms.

All the mss. read in b *priyā́yamā́ṇā* (p. *priyā́ya : mā́ṇā !*); but here again SPP. has the courage to follow us in emending to *priyāyámāṇās* (p. *priya॰yámāṇāḥ*), since the comm. so understands it; it is only a question whether in *pada*-text *-māṇā* should not rather be read, as agreeing with the nearer of the two nouns; the comm. takes it as fem. (*priyam ivā "carantyaḥ*). The Anukr. is curiously confused here; after correctly defining the verse *devānāṁ nihitaṁ nidhim* as a *triṣṭubh*, it proceeds to define *āpo hiraṇyaṁ jugupuḥ* as a *jagatī*, and takes no note of *trayastriṅçad devatāḥ* as a *pratīka*. Probably there is a *quid pro quo* here, by a slip of memory; but one does not see how this highly irregular* verse (13 + 11 : 10 + 11 = 45) should be called simply a *jagatī*. ⌊With a, cf. 37. 1 c, below.⌋ *⌊Possibly we have to substitute the older grammatical equivalent in a, *trí ca vīryà* (cf. 3 b); a *'sti* before *ádhi* would mend c.⌋

11. Ye, O gods, that are eleven in the sky, do ye, O gods, enjoy this oblation.

12. Ye, O gods, that are eleven in the atmosphere, do ye, O gods, enjoy this oblation.

13. Ye, O gods, that are eleven on the earth, do ye, O gods, enjoy this oblation.

With these three verses corresponds RV. i. 139. 11: *yé devāso divy ékādaça sthá pṛthivyā́m ádhy ékādaça sthá : apsukṣíto mahinā́ 'kādaça sthá té devāso yajñám imáṁ juṣadhvam;* VS. vii. 19 precisely agrees with this; MS. (in i. 3. 13) reads *devās* in a; TS. (in i. 4. 10) reads *devās* in both a and d ⌊and *apsuṣádo* in c⌋. The comm's text inserts in vs. 11 *divyās* after *devās*.

14. Freedom from rivals in front, behind us [is] fearlessness made; Savitar [protect] me on the south, the lord of Çachī me on the north.

15. From the sky let the Ādityas defend me, from the earth let the fires defend; let Indra-and-Agni defend me in front; let the Açvins yield refuge round about; crosswise let the inviolable [cow], let Jātavedas, defend [me]; let the being-makers be my defense on all sides.

These two verses are a repetition of 16. 1, 2 above, and in our mss., as usual, are read simply thus: *asapatnám purástād íti dvé*. The Anukr. does not repeat its definition of their meter; inasmuch as it reckons the hymn as of fifteen verses, it plainly takes the addition here as of two verses only; the comm., however, again counts three, making of ⌊our 15 a, b⌋ a separate verse*; ⌊cf. notes to 16. 2⌋. In general, the comm. does not comment for the second time a repeated passage; here, however, he gives a full explanation, as if it were the first appearance of the verses; and in 14 b (perhaps merely by an oversight?) he reads *me* instead of *nas*. *⌊The comm. in fact takes our vss. 11–13 as one vs., his 11; our 14 as his 12; our 15 **ab** as his 13; and our 15 **c–f** as his 14. Or, he says, we may take our 14 with 15 **ab** as one *mantra*. He reads *agnis* again in our **e** as in 16. 2 **e**.⌋

28. For various blessings: with an amulet of darbhá.

[*Brahman* (*sapatnakṣayakāmaḥ*). — *daçakam*. *mantroktadarbhamaṇidevatyam*. *ānuṣṭubham*.]

The hymn is found also in Pāipp. xiii., with very few variants. The comm. finds it ⌊or rather the whole triad of hymns, 28, 29, 30⌋ used by the Nakṣ. K. ⌊17, 19⌋ in a *mahāçānti* ceremony called *āindrī*, with binding on of a *darbha* amulet, by one desiring victory and the like.

Translated: Griffith, ii. 285.

1. I bind for thee this amulet, in order to long life, to brilliancy — the *darbhá*, damager of rivals, burner (*tápana*) of the heart of the hater.

Nearly all the mss. accent *dárbham*. Ppp. reads in **b** *varcase*, and in **c** *-jambhanā*.

2. Burner of the heart of the hater, causing to burn the mind of foes, do thou, O *darbhá*, burn together like heat (*gharmá*) against all the evil-hearted.

The mss., and hence SPP., read for **a** *dviṣatás tāpáyan hṛdáḥ*, as if *hṛdás* could be an accus. sing.; and the comm. has the same, and glosses *hṛdas* with *hṛdayam*. ⌊By some oversight, SPP. says on p. 384, note 3, that the text of the comm. reads *sarvaṅs tvaṁ;* and on p. 385, note 1, "Sāyaṇa's text too has *sarvaṁ*."⌋ The comm. explains as if the ⌊questionable⌋ word were simply *sarvam*, 'the evil-hearted one's everything.' In **d**, the mss. and SPP. read *ivā 'bhīnt saṁtāpáyan* (one of ours *abhīt*, another *abhāút:* mere accidental variations), the *pada*-text presenting *abhīn : sam°*; the comm. has the same, and explains thus: *abhīn abhayān saṁtāpayan bhinddhi* ⌊*iti sambandhaḥ* : connecting the phrase with the *bhinddhi* of vss. 3, 4, 5⌋. Our *abhisáṁtāpaya* is heroic surgery, but very plausible; *abhī́'t s-* (i.e. *abhí : ít : s-*) would save a little more of the original, and *ít* is elsewhere added to reinforce *abhí:* cf. viii. 4. 21; xi. 1. 6; Ppp. has very nearly this reading, namely, *gharme 'vā 'bhī 't saṁtāpayaṁ*. The comm. glosses *gharmas* first with *ādityas*, then (on authority of TA. v. 1. 5) with *pravargyas*. The Anukr. takes no notice of the redundancies caused in 2 **d** and 3 **a** and **d** and 4 **c** if *iva* is not abbreviated to *'va;* in at least two of the cases, 2 **d** and 3 **d**, Ppp. combines to suit the meter, *gharme 'va*, *indrāi 'va*. ⌊The first pāda is wanting in Ppp.⌋

3. Burning against ⌊them⌋ like heat, O *darbhá*, burning down the haters, O amulet, split thou our rivals to the heart, like Indra breaking apart Vala.

The translation implies emendation in **d** to *valám*, as made in our edition; SPP. follows the mss. and comm. in accepting *balám*, in spite of its false accent. Nearly all the mss. read *virujám* (p. *vi°rujám*), but the comm. *-jan*, which, of course, is alone admissible; SPP. very strangely compromises by reading *virujáṁ* in *saṁhitā*, but *vi°ruján* in *pada!* In **c**, SPP. gives, with ⌊five of his authorities⌋, *-dáḥ sapátnānām bhinddhi;* even the *pada*-mss. vary between *sa°pátnān : ā́ : bh-* and *sa°pátnānām : bh-*; the comm. has *-nānām*, and so has Ppp.; the translation above implies *-nān ā́*,* in spite of the separation of *ā́* from *hṛdás*. ⌊Ppp. gives *indrāi 'va* in **d**, as noted under vs. 2.⌋

* ⌊This reading is given by eight of SPP's mss. and one of W's. In *sapátnānām* we may have a case of faulty assimilation from 4 **a**: SPP's Dc., which is usually carefully corrected, here carries the blunder half way prima manu, giving *sapátnānā́m* (accents ! so perhaps also W's O.D.L.), and completes it secunda manu, giving *sapátnānām*.⌋

4. Split, O *darbhá*, the heart of our rivals, of our haters, O amulet; make their head fly apart, as the rising [sun] does the skin of the earth.

The comm. reads and explains *ni pātaya* in **d** (though the ms. gives *vi p-*). The obscure and perhaps corrupt third pāda is thus explained: *udyann ūrdhvaṁ gacchan bhujādipradeçam adhitiṣṭhan tvam bhūmyās tvacam* [*iva*] *tṛṇagulmāuṣadhyādyadhiṣṭhānabhūtāṁ yathā takṣaṇena nipātayati gṛhādinirmāṇārthaṁ loke.*

5. Split, O *darbhá*, my rivals; split those that fight against me; split all my enemies (*durhā́rd*); split my haters, O amulet.

In the following fourteen verses, of this hymn and the one that follows it, only the verb in each pāda is changed. In **c**, Ppp. blunderingly reads *chindhi*, anticipating the next verse.

6. Sever, O *darbhá*, my rivals; sever those etc. etc.

7. Hew down (*vraçc*), O *darbhá*, my rivals; hew down those etc. etc.

8. Cut, O *darbhá*, my rivals; cut those etc. etc.

In verses 6, 8, 9, 10 of this hymn, also in 29. 2 below, a part of the mss. read *durhā́rdān* instead of *-das* in **c**; and SPP. strangely follows them in 28. 6, 8.

9. Carve (?), O *darbhá*, my rivals; carve those etc. etc.

The Pet. Lex. (under root *piṣ*) proposes to emend in this verse *piṅçá* to *piṅṣá*. As, however, we have root *piṣ* below in 29. 6, there seems to be no sufficient reason for substituting it here. One of SPP's mss. reads here *pīṅṣá* p.m. ⌊*piṅçá* s.m.⌋.

10. Pierce, O *darbhá*, my rivals; pierce those etc. etc.

The mss. vary here between *vídhya* and *vidhyá*. ⌊Ppp. reads *viddhi.*⌋

29. Continuation of the foregoing.

[*As 28. navakam.*]

This is a mere continuation of the preceding hymn, and it is hard to see why they are divided. They are found together in Pāipp. xiii. ⌊Ritual use under 28.⌋

Translated: Griffith, ii. 286.

1. Gore, O *darbhá*, my rivals; gore those that fight against me; gore all my enemies; gore my haters, O amulet.

Half the mss. accent in this verse *nikṣá*. The comm. follows the *dhātupāṭha* in interpreting it to mean *cumba* 'kiss'! ⌊He intends rather the root *cumb* 'harm,' *hiṅsāyām*, not *cumb*, *vaktrasaṁyoge.*⌋

2. Bore, O *darbhá*, my rivals; bore those etc. etc.

The comm. glosses the verb with *nāçaya*.

3. Obstruct, O *darbhá*, my rivals; obstruct those etc. etc.

The comm. glosses the verb (after the *dhātupāṭha*) with *āvṛṇu nirodhaṁ kuru.* The Pet. Lex. ⌊s.v. 3 *ru* 'zerschlagen'⌋ suggests reading instead *rudhí* "according to mss."; but *rudhí* is found in only one ms., in **a**, while the same ms. has *rundhí* in **b**, **c**, **d**; *rudhí* is accordingly only a careless misreading. Ppp. has *bhaṅkti.*

4. Kill, O *darbhá*, my rivals; kill those etc. etc.
5. Grind, O *darbhá*, my rivals; grind those etc. etc.

About half the mss. accent *manthá*. The comm. gives, as if from the *dhātupāṭha*, *mantha loḍane* (Westergaard and Böhtlingk *viloḍane*).

6. Crush (*piṣ*), O *darbhá*, my rivals; crush those etc. etc.

Ppp. reads *piṇḍi.*

7. Scorch (*uṣ*), O *darbhá*, my rivals; scorch those etc. etc.

The majority of mss. combine in **a–b** *me óṣa*, and SPP. follows them.

8. Burn, O *darbhá*, my rivals; burn those etc. etc.

The decided majority of mss. accent *dahá*.

9. Slay, O *darbhá*, my rivals; slay those etc. etc.

30. For protection etc.: with an amulet of darbhá.

[*As 28. pañcakam.*]

Found also in Pāipp. xiii., with the two preceding, and, according to the comm., associated with them in use.

Translated: Griffith, ii. 287. ⌊☞ See p. 1045.⌋

1. What thou hast that brings death in old age, O *darbhá*, that has hundred-fold defense, good defense, therewith having made this man defended (*varmín*), smite thou my rivals by thy heroisms.

The translation implies *jarā̂mṛtyu çatávarma suvárma te*, which is the text of neither edition, nor of the mss., nor of the comm., but simply what makes best sense with least departure from the mss. The mss. all give *-tyuḥ çatáṁ vármasu* ⌊W's B. *varmasu*⌋ (p. *vármaₒsu*) *várma te;* the comm. has *jarāmṛtyuçatam marmasu* (explaining *jarasām mṛtyūnāṁ ca çataṁ granthiṣu!*). The *te* in **b** had to be omitted in translating.

2. A hundred are thy defenses, O *darbhá*, a thousand thy heroisms; as such, all the gods have given thee to this man to wear, in order to [attain] old age.

Ppp. has at the end *dadus.* The comm. (with two of SPP's mss.) again reads in **a** *marmāṇi.* The decided majority of mss. have *tvám* at beginning of **c**; none of ours collated before publication had *tám*, which is doubtless the true text, and is read ⌊by W's O. and⌋ by SPP. and by the comm.

3. Thee they call the gods' defense, thee, O *darbhá*, Brahmaṇaspati; thee they call Indra's defense; thou defendest kingdoms.

The majority of mss. leave *devavarma* unaccented. We are tempted to emend to *-páteḥ* in **b**. Ppp. reads ⌊presumably in **c**⌋ *tvām indrād devavarmā "hus.*

4. A destroyer of our rivals, O *darbhá*, burner of the heart of our hater — an amulet, increaser of dominion, protector of thy body, I make for thee.

Emendation to *darbhám* in **a** would relieve the anacoluthon of the verse. The comm., to get rid of it, first explains *te* as = *tvā;* but then secondly connects the whole verse into one sentence leaving *darbha* out. ⌊I am not quite clear as to whether he means to leave it out. He says: *atha vā rakṣākāmaḥ puruṣaḥ sambodhyate: he rājan darbhamaṇiṁ sapatnakṣayaṇādisāmarthyopetaṁ te tubhyaṁ kṣatrasya vardhanaṁ tanūpānaṁ ca kṛṇomī 'ti sambandhanīyam.*⌋

5. What the ocean roared (*krand*) against, [and] Parjanya with the lightning, therefrom was born the golden drop (*bindú*), therefrom the *darbhá*.

Our edition emends in **a** to *samudré*, which is doubtless an improvement, but not necessary. ⌊The translation follows the mss., SPP., and comm., which have *samudró:* Ppp. *samudro 'bhya-*.⌋ The comm. derives the word (as many times elsewhere) from *sam-ud-dravanti*, and makes it an epithet of *parjanyas*, which he explains as meaning *meghas*. Most of the mss. accent *bíndus*. The comm. makes the second *tatas* refer to *bindu*, but gives no opinion as to the meaning of the latter. ⌊Ppp. reads *vindus* in **c**.⌋ ⌊Cf. Pischel, ZDMG. xxxvi. 135, who thinks the "drop" refers to pearl: cf. introduction to iv. 10.⌋

31. For various blessings: with an amulet of udumbára.

[*Savitṛ (puṣṭikāmaḥ).—caturdaça. mantroktāudumbaramaṇidevatyam. ānuṣṭubham: 5, 12. triṣṭubh; 6. virāṭ prastārapañkti; 11, 13. 5-p. çakvarī; 14. virāḍ āstārapañkti.*]

⌊Partly prose, vs. 12 (?).⌋ Found also in Pāipp. x. The comm. finds it used in Nakṣ. K. 17, 19, by one desiring wealth, or in the case of loss of wealth, in a *mahāçānti* ceremony called *kāuberī*, with binding on of an amulet of *udumbara*.

Translated: Griffith, ii. 287.

1. With an amulet of *udumbára*, for the pious one desiring prosperity: may Savitar make in my cow-stall fatness (*sphātí*) of all cattle.

The translation implies in **b** emendation to *vedháse*, which seems hardly avoidable. The comm. gives two explanations of *vedhasā: vidhātrā purā prayogaḥ kṛtaḥ;* and *puṣṭyādividhātrā kartrā maṇinā.* Nearly all the mss. accent *paçū́nām* (one of ours has *-çūnā́m*), and SPP. passes the anomaly without remark.

2. Whatever householder's fire of ours may be overlord of cattle: let the virile (*vṛ́ṣan*) amulet of *udumbára* unite me with prosperity.

The connection of the parts of the verse is obscure. The comm. makes **b** apodosis to **a**, supplying *asti* in **a**, and taking *ásat* optatively — which is extremely implausible. In **d** the mss. read *sá mā* (p. *sáḥ : mā*); the comm. divides *sam ā*, with his usual disregard of accent (*ā = sarvataḥ*); our *sám mā* is an obvious and unquestionable emendation, and is also read by Ppp. ⌊See my note to xviii. 2. 3, where this case and similar ones are put together, and cf. vi. 5. 2.⌋ The mss. further vary between *púṣṭyā* and *puṣṭyā́*, the decided majority having the latter.

3. Rich in manure, rich in fruit, *svadhā́* and cheer (*írā*) in our house — prosperity let Dhātar assign to me through the keenness (*téjas*) of the [amulet] of *udumbára*.

A few of the mss. again accent *púṣṭim*. Ppp. reads in **a** *karīṣiṇaṁ phalāvatīṁ*. The comm. explains *irā* first as = *bhūmi*, and then as = *ilā gāuḥ* = *gāvaḥ*.

4. Both what [is] two-footed and what four-footed, what foods [there are], what savors (*rása*) — I seize (*grah*) the abundance of them, wearing the amulet of *udumbára*.

Some of the mss. read *rásā* at end of **b**. In **c**, our *téṣām* is an obviously called-for emendation; most mss. read *tvéṣām* or *tveṣām* (p. *tú : éṣām* or *tú : eṣām*); SPP. strangely gives *tvéṣām* in *saṁhitā* and *tú : eṣām* in *pada*, the two not agreeing together; the comm. either reads *eṣām* simply or overlooks the *tu* in his exposition. Ppp. gives *gṛhṇīyāṁ teṣāṁ bhāumānaṁ*.

5. I have seized all (*pári-*) the prosperity of cattle, of quadrupeds, of bipeds, and what grain [there is]; the milk of cattle, the sap (*rása*) of herbs, may Bṛihaspati, may Savitar confirm to me.

Nearly all the mss. accent this time *puṣṭím*.

6. Let me be the over-ruler of cattle; let the lord of prosperity (*puṣṭá-*) assign to me prosperity; let the amulet of *udumbára* confirm to me possessions (*dráviṇa*).

SPP. leaves *asāni* in **a** unaccented, though every ms. but one (doubtless an accidental exception) accents it, and defensibly, on the ground of antithesis.

7. Unto me the amulet of *udumbára*, with both progeny and riches: the amulet quickened by Indra hath come to me together with splendor.

Either Ppp. lacks 6 **d** and 7 **a–c**, or so much of its text is lost in the manuscript. Our *jinvitás* in **c** was an emendation, all the mss. (SPP's as well as ours) giving *jinvátas*, and Ppp. likewise; but the comm. has *jinvitas*, and SPP. accordingly adopts it also in his text. Some of the mss. leave *upa* at the beginning unaccented.

8. The heavenly amulet, rival-slaying, riches-winning, in order to the winning of riches: let it confirm [to me] abundance of cattle, of food, [and] fatness of kine.

Nearly all the mss. read in **d** *sphā́tir ni;* ⌊disregarding the accent, five of SPP's authorities show *sphātim*⌋; SPP's text agrees with ours ⌊*sphātím*⌋, the comm. having the same. Ppp. again has *bhāumānaṁ* in **c**.

9. As in the beginning thou, O forest tree, wast born together with prosperity, so let Sarasvatī assign to me fatness of riches.

Some of the mss. accent *púṣṭyā*, and all ⌊but four⌋ leave *jajñiṣe* unaccented. The majority accent *sphā́tim* in **c**. Ppp. reads in **d** *ā dadāti* ⌊*sarasvatīm* (or *-tī*?)⌋.

10. Riches, fatness of milk, and grain shall Sarasvatī, shall Sinīvālī, and this amulet of *udumbára* bring to me.

Both our *pada*-mss. divide in **b** *páyaḥ°phātim*, but SPP. reports no such reading among his three, and gives correctly *páyaḥ°sph-* (the accent is probably false). Our text emends, perhaps unnecessarily, to *gáy-*. In **c**, the *pada*-mss. make the blundering analysis of *úpāvahāt* into *úpa : avahāt ;* SPP. gives, by emendation, *úpa : vahāt ;* our text emends further to *upā́vahāt* (i.e. *upa°ā́vahāt*); it is uncertain which the comm. favors, but probably the latter: the sole ms. has ⌊twice *upāvahāt* and once⌋ *upa vahāt* (probably misreading for *upāvahāt*) *upāvahatu.* Ppp. has *upāvahat ;* in **b**, it agrees with the mss. in reading *payasph-*.

11. Thou art the virile (*vṛ́ṣan*) over-ruler of amulets; in thee the lord of prosperity generated prosperity; in thee [are] these powers (*vā́ja*), [are] all possessions; do thou here, O [amulet] of *udumbára*, force (*sah*) far away from us the niggard, misery, and hunger.

In **a** the comm. reads *adhipas.* In **b** Ppp. gives *puṣṭipatis.* At beginning of **c**, the comm. has *tvayā me*, which is not bad. In **c**, the *pada*-mss. have *vājā.* At beginning of **d**, all the mss. present *āúdumbaras*, and SPP. does not emend to *-ra* with us, although the comm. has it and the sense demands it. But in **e**, where all the mss. read *amṛ́tam*, he ventures to follow the comm. in substituting *ámatim*, which is better than our conjecture *ávartim* (misprinted *avártim*). ⌊Ppp. has, for **e**, *ārād arātim abhitikṣayaṁ ca.*⌋ The verse scans naturally as 5 × 11 = 55: it is easy, but needless, to make up the full count of a *çakvarī*, 56, by resolution.

12. Troop-leader art thou, arising a troop-leader; being anointed (*abhi-sic*), do thou anoint me with splendor; brilliancy art thou, brilliancy maintain thou upon me; wealth art thou, wealth assign thou to me.

The reading of **a** is probably corrupt; for *utthā́ya*, which both editions give (with two or three mss.), the mss. in general have *ukthyāya* or *utthyāya* or *ucchyāya*, with *à* or *ā́*. According to SPP., the comm's text has *grāmaṇī chāyā*, and Ppp. strangely gives the same; what he attempts to explain is very doubtful: *ato 'smākam api grāmaṇīr bhava . . . atha vā mām api çreṣṭhaṁ kuru.* SPP. divides *grāma°ṇī́ḥ* in his *pada*-text, but without authority from the mss., and against his practice in iii. 5. 7. In **b**, some of the mss. read *ṣiñca.* On the ground of meter, SPP. suggests that *rayís* in **d** may be for *ádhi-rayis*, one of the two successive *adhi*'s being lost; this would be more acceptable if the word *adhirayi*, or anything closely analogous with it, anywhere occurred. The comm. makes an *adhirayis* (explaining it as *adhigatarayis* or *prāptadhanas*) by stealing for it the *ádhi* of **c**, with his usual disregard of *pada*-division and accent (neither of which, to be sure, is of much account in this book). ⌊The *Index* calls this vs. prose; but with *ádhi* at the end of **c** and *ádhirayis* in **d** it might scan as 11 + 12 : 11 + 11.⌋

13. Prosperity art thou, with prosperity anoint (*añj*) thou me completely; being house-sacrificer, make thou me householder; O [amulet] of *udumbára*, do thou here put in us and confirm to us wealth having all heroes; I fasten thee on in order to abundance of wealth.

The comm., against the Anukr. and the natural division, adds **e** to verse 14. Part of the mss. again accent *púṣṭi* in **a**. Some, including all the *pada*-mss., have *indhi* for *añdhi ;* Ppp. *agdhi.* SPP. again fails to follow us, the comm., Ppp., and one of our mss., in reading *āúdumbara* (instead of *-ras*) in **c**; some of his mss. leave *tvam* without accent. ⌊The non-elision of *a* in *ahám* justifies the count as *çakvarī*, but hurts the meter, which is none too good if we scan the vs. as 5 × 11.⌋

14. This amulet of *udumbára* is bound, a hero, to a hero; let it make for us a winning rich in honey, and may it confirm to us wealth having all heroes.

Some of the mss. accent *sánim* in **c**. Ppp. reads *ucyate* for *badhyate* in **b**.

32. For long life etc.: with an amulet of darbhá.

[*Bhṛgu (sarvakāmaḥ. āyuṣe).—daçakam. mantroktadevatyam. ānuṣṭubham: 8. purastād-bṛhatī; 9. triṣṭubh; 10. jagatī.*]

Found also in Pāipp. xii. The comm. finds the hymn quoted in Nakṣ. K. 19, as used in a *mahāçānti* ceremony called *yāmī*, with the binding on of an amulet of *darbha*, in case of fear of Yama (*yamabhaye*).

Translated: Griffith, ii. 289; vs. 8 also by Zimmer, p. 205, with comment.

1. Hundred-jointed, hard to be stirred, thousand-leaved, uplifting (?) —the *darbhá* that is a formidable herb, that I bind on thee in order to [prolonged] life-time.

Some of the mss., as usual, read *duçcav-* in **a**. Very nearly all read *uttirás* in **b** (p. *ut◦tiráḥ*), and SPP. follows them; and this the translation implies, since it is acceptable enough ⌊cf., for the formation, *uttudás*, iii. 25. 1, and, for the meaning, *uttirán*, vi. 36. 2⌋, and appears in Ppp. (with *-ṛṇam* before it); but the comm. has *úttaras*, as our text by conjectural emendation. Some mss. have *tát* for *tám* in **d**; the comm., *tena* for *taṁ te*. ⌊Ppp. combines *yograoṣadhis* in **c**, which is susceptible of more than one interpretation.⌋ ⌊The gender of *ugrás* would seem to call for some remark.⌋

2. His hair they scatter not forth, they smite not blows on their breast [for him], to whom one yields refuge by the *darbhá* of uncut leaves.

The expression in **a** is a good example for the real identity of roots *vap* 'strew' and *vap* 'shear.' Many of the mss. accent *urási* in **b**. All the mss. leave *yachati* in **d** unaccented, and both editions commit the error of refraining from emendation to *yáchati*, which is of course necessary. Ppp. has at end of **b** *ghnatī*, and combines in **c** *yasmā 'cch-*. Bloomfield translates and comments on the verse in AJP. xi. 339 ⌊or JAOS. xv., p. xlv⌋. The comm. supplies in the first line as subject *mṛtyudūtā rakṣaḥpiçācādyā vā*, renders *pra vapanti* by *ākarṣanti*, and combines *urasitāḍam* into a compound—all very bad.

3. In the sky is thy tuft, O herb; in the earth art thou set (*ni-sthā*); with thee, that hast a thousand joints, do we increase further our life-time.

The translation follows the mss., the comm., SPP., and Ppp., all of which read *tū́lam* in **a**. ⌊Cf. ii. 7. 3, which perhaps suggested the wrong emendation of the Berlin text.⌋ In **b**, the comm. has *viṣṭhitas* ⌊and Ppp. *niṣṭhitā*⌋.

4. Thou didst bore through the three skies, also these three earths; by thee do I bore into my enemy's (*durhā́rd*) tongue [and] utterances (*vácas*).

In **a**, SPP. reads more correctly *divás*, with nearly all the mss. The comm. reads *atṛṇas;* he explains *aty atṛṇas* by *atikramya gatavān asi* or *veṣṭitavān asi*, and *ni tṛṇadmi* by *veṣṭayāmi*, both very unsuitably. The meter clearly calls for *ca* at the end, and Ppp. has it; whether the comm. means to acknowledge it as part of the text is doubtful; his text, according to SPP., does not present it. ⌊None of the other authorities has *ca*, but the Berlin ed. gives *ca* by emendation.⌋ Ppp. reads in **b** *tisro dyāṁ pṛth-*.

5. Thou art overpowering; I am full of power; may we, both of us, becoming full of power, overpower our rivals.

The comm. reads in **a** *sahamānā;* Ppp. in **a–b**, *-no aham.* To be compared is iii. 18. 5 (RV. x. 145. 5), which ends grammatically with a dual, *sahāvahāi.* Our *sahiṣīvahi* ⌊*Skt. Gram.* § 907⌋ was an emendation, but is given also by Ppp.; the mss., SPP., and the comm., have *-mahi.*

6. Do thou overpower our hostile plotter, overpower those that fight us; overpower all enemies (*durhárd*); make for me many friends (*suhárd*).

Most of the mss. read in **d** *bahúm;* Ppp. and the comm. and two of SPP's authorities and one of ours have *bahūn.* Ppp. combines and reads in **a**, **b** *no 'bhimātihaṁ sahasvā pṛ-.*

7. With the *darbhá*, god-born, constantly sky-propping — with it I have constantly won and shall win men (*jána*).

In **a** most of the mss. read *devajāténa;* SPP. with us. In **b**, SPP. follows the mss. in giving *diví ṣṭambhéna* (p. *diví : stambhéna*); our emendation to *diviṣṭambhéna* is obviously required, and is assumed by the comm. In **c**, our *jánāṅ* was an emendation for the *jánās* of the mss.; but two of SPP's mss. read *jánāṅ*, and it is accepted also in SPP's text. The comm. supports it by giving *janān;* ⌊and his text has *janān asanam*⌋. ⌊Ppp. also has *janān*, as noted below.⌋ In **d**, nearly all the authorities read *ásanām* (three of them have *ásanānt s-*), but SPP. finds among his, two that agree with the ⌊text of the⌋ comm. in presenting *ásanam*, which he adopts, and which is undoubtedly the true text; the aorist is the tense that best suits the connection. ⌊This remark seems to involve the implication that *asanām* might be an imperfect of the *nā*-class; but that can hardly have been Whitney's intention.⌋ Ppp. reads *janān asanāṁ*, ⌊and, in **b**, *divaṣṭambhena*⌋.

8. Make me, O *darbhá*, dear to Brahman-and-Kshatriya, both to Çūdra and to Āryan, and to whomsoever we desire, and to every one that looks abroad.

That is, 'every one that has eyes to see.' ⌊Cf. 62. 1, below, and VS. xviii. 48.⌋ A few authorities have the more proper accent *-nyā́bhyām*, but VS. xxvi. 2 (which has this and the following four words together) likewise accents *-nyà-*, as does SPP. Our *çūdrā́ya* was an emendation, all our mss. ⌊collated at time of publication⌋ having *sūryā́ya*, as do nearly all SPP's; but one of our later ones, with two or three of SPP's, the comm., and Ppp., give *çūdrā́ya.* All the mss. mis-accent *vipáçyate*, most having *vipaçyaté*, others *vípaçyate* or *vipaçyate;* SPP. this time ventures to follow us in emending to ⌊*vipáçyate*⌋ the true reading. The Anukr. regards *brahmarājanyā̀bhyām* as belonging to the first pāda, and does not heed that the pāda has 13 syllables, one too many for a *purastādbṛhatī.*

9. He that, being born, made firm the earth, that propped (*stabh*) the atmosphere and the sky, whose wearer evil hath not found out — that *darbhá* here [is] our supporter [and] blessing.

Or, ‘be our supporter.’ Here at the end, the translation follows the very acceptable reading of Ppp., *dharuṇo ’dhivākaḥ*. All the mss. give *váruṇo* ⌊one, *váruṇó!*⌋ *divā́ kaḥ* (the comm. *divā ’kaḥ*), which was plainly corrupt, but which SPP. (justifiably, from his point of view) retains without question. Roth's emendation, as read in our text, to *várаṇo ’dhivākáḥ* hit very near the mark. All the mss. (except, doubtless by accident, one of ours) have in **c** *viveda*, without accent, and this SPP. admits in his text, though emendation (to *vivéda*, as made in our edition) is as obviously necessary as in vs. 8. All the mss. ⌊but O. *tanú*⌋, and Ppp., read in **c** *nanú;* ⌊and so does SPP.;⌋ our emendation to *nā́ ’nu* is acceptable, but not necessary. The comm. explains quite prosaically the plant's ‘making firm the earth’; its roots keep the ground from being dissolved by water! The last words he understands thus: *varuṇa* (as coming from *vṛ*) means a keeper off (*nivāraka*) of darkness; and *divā ’kaḥ* signifies *prakāçaṁ karotu.* ⌊Ppp. begins **b** with *so ’stabh-.*⌋

10. Rival-slaying, hundred-jointed, powerful, came into being the first of plants; let that *darbhá* here protect us all about; by it may I overpower fighters, them that fight [against me].

In **a–b** the mss. read *sáhasvanāú ’ṣadh-* (p. *-svanā : óṣ-*), but SPP. emends, as we had done, to *-vān óṣadh-*, as is read ⌊by one of his *pada*-mss., p.m.,⌋ by the comm., and also by Ppp. It is a naturally suggested conjecture that at some time *-āno-* as written in the Bengālī fashion may have been misread into *-anāu-*, and SPP. puts this forward; the lateness and unscholarly character of the *pada*-text to this book make the assumption of such an error far from implausible; we are surprised only at finding the comm's text antecedent to it. In **d** a few of the mss. accent *pṛtanyátas.* The verse is *jagatī* only in its second half. ⌊Pāda **c** is identical with 33. 1 **c.**⌋

33. For various blessings: with an amulet of darbhá.

[*As 32.—pañcakam. 1. jagatī; 2, 5. triṣṭubh; 3. ārṣī pañkti; 4. āstārapañkti.*]

Found in Pāipp. xii., following our hymn 32. Used with the latter in the same ceremony, according to the comm. ⌊For citations by Kāuç., see under vs. 3.⌋

Translated: Griffith, ii. 290.

1. Of thousand-fold worth, hundred-jointed, rich in milk, fire of the waters, consecration (*rājasū́ya*) of plants — let this *darbhá* here protect us all about; may the divine amulet unite us with [prolonged] life-time.

SPP. accents in **a** *sahasrārghás*, with the minority of mss.; Ppp. has *-ghyas.* The comm. reads *sahasvān* (for *pay-*), and renders *sahasrārghas* by *bahumūlyas.* Ppp. reads in **d** *dāivas* and *sṛjātu.** The verse is a *jagatī* only in the second half. ⌊Pāda **c** is identical with 32. 10 **c.**⌋ *⌊Other forms like *sṛjātu* under 7. 4.⌋

2. Snatched out of ghee, rich in honey, rich in milk, earth-establishing, unstirred, stirring [other things], thrusting away and putting down rivals — ascend thou, O *darbhá,* with the energy (*indriyá*) of the great ones.

There are no variants in this verse except of a few mss. on one and another point of no consequence. Ppp. has at the end *mahatā mahendriyeṇa*. The verse is a sort of variation of v. 28. 14, above; ⌊and **a** recurs below, 46. 6 **a**⌋.

3. Thou goest across the earth with force; thou sittest beauteous (*cā́ru*) on the sacrificial hearth at the sacrifice; the seers bore thee [as] purifier; do thou purify us from difficulties.

Literally, 'purify (remove, strain out) difficulties from us.' ⌊As to **a**, Griffith notes appositely that "the [darbha] grass spreads with great rapidity, re-rooting itself continually."⌋ In **c**, the translation follows the text of SPP., who emends *bhárantas* of all the mss. ⌊save one⌋ and of our edition to *abharanta* on the authority of the comm. alone. Ppp. reads *bhūmig ady esy oj-*. The comm. quotes TB. i. 3. 7^1 to prove that *darbha* is properly called a 'purifier' or 'strainer.' There is not a bit of *pan̄kti*-character in the verse; ⌊with the ordinary resolutions, and that of *bhuumim* besides, it scans easily as 12 + 12 : 11 + 11;⌋ of course it can be scanned down to 40 syllables by neglecting easy and natural resolutions. ⌊The verse is quoted by Kāuç. in full at 2. 1 and by *pratīka* at 137. 32: cf. p. 897, ¶ 3, and see Bloomfield's notes to the passages of Kāuç.⌋

4. A keen (*tīkṣṇá*) king, of mighty power, demon-slaying, belonging to all men (*-carṣaṇí*), force of the gods, formidable strength [is] that; I bind it on thee in order to old age, to well-being.

Ppp. reads in **c** *tejas* for *ojas*, and in **d** *tat* for *tam*.

5. With the *darbhá* thou shalt do heroic deeds; wearing the *darbhá*, do thou not stagger by thyself; excelling (*ati-sthā*) over others with splendor, shine thou like the sun unto the four quarters.

Our *kṛṇávas* is an emendation; all the mss., and SPP., give *kṛṇávat* or *kṛṇavat*, which the comm. also reads ⌊and renders by *kuryās*⌋ (without spending a word of explanation on the grammatical anomaly; it simply falls under his general rule that in the Veda one form may be used in place of another); Ppp. has *kṛṇu*. In **c** SPP. reads, with the comm. ⌊but the ms. *atha*⌋, *ádha* instead of our *ádhi* (*várcasā́ 'dhā 'nyā́nt s-*); the mss. have *várcasāidhyányām̐* (also *-sāin̐dhyá-*, *-sāidhá-*, *-sāin̐dhá-*, *-sīdha-*; and the comm's text *-sāudha-*), in *pada*-text *várcasā : āidhi* (or *eddhi*) *: ányām* (or *anyā́m*), or (in our *pada*-mss., and one of SPP's s.m.) *várcasā : edhányām*. Our emendation affords better sense, and accounts for the *y* * that appears in the majority of mss. after *dh*. Ppp. also supports it, reading *atiṣṭhāpo varcase 'dhy anyā sūryāi 'vā bhāhi*. ⌊In **b**, Ppp. reads *bibhratā "tmanā*.⌋ ⌊The comm. has *adhiṣṭhāya* in **c**.⌋ *⌊But SPP. points out that *dhya* and *dhā* look very much alike in most old mss.⌋

⌊Here ends the fourth *anuvāka*, with 7 hymns and 68 verses. If you reckoned 27. 14–15 as 3 verses, the sum would be 69.⌋

34. With a jan̄giḍá-amulet: for protection etc.

[*Añgiras.—daçakam. mantroktadevatyam uta vānaspatyam. ānuṣṭubham.*]

Found also in Pāipp. xi. The comm. quotes it as used by Nakṣ. K. 19, in a *mahāçānti* ceremony called *vāyavyā*, with the binding on of an amulet from the *jan̄giḍa* tree. Hymn 35 is used in company with it.

Translated: Bloomfield, 38, 669; Griffith, ii. 291; verses 1 and 7 ab also by Grohmann, *Ind. Stud.* ix. 417–18.

1. *Jañgiḍá* art thou, *jañgiḍá;* defender art thou, *jañgiḍá;* what of ours is two-footed, four-footed — let *jañgiḍá* defend it all.

Our emendation at the beginning to *áñgirā asi* ⌊suggested by vs. 6?⌋ is to be disapproved and withdrawn; it is not even necessary to change to vocative the *jañgiḍás* at the end of **a** and **b** (though in the translation they may be understood as either nom. or voc.); but the comm. reads *jañgiḍa* at end of **b**; ⌊the text of the comm. has *jañgiḍo 'si jañgiḍo rakṣitā 'si jañgiḍa*⌋. Compare iv. 12. 1; ix. 5. 16; RV. i. 191. 1 for similar repetitions, in part of nominatives where we should think it more natural to change in part to vocative. SPP. reads ⌊in **a** and **b**⌋, with all the mss., *jañgiḍás* three times. Ppp. has at the beginning the corrupt *jañgiḍisi*, but in both other instances ⌊in **a** and **b**⌋ *-ḍas*. Compare the hymn ii. 4, where alone this plant appears further. The comm. amuses himself (and us) with a number of his ludicrous derivations for *jañgiḍa* — from roots *jā* or *jan* or *ji* with *gir* 'swallow'; or from *jañgam*, intensive.

2. The witchcrafts that are thrice fifty, and the witchcraft-makers that are a hundred — may the *jañgiḍá* make them all of vanished brilliancy (*-téjas*) [and] sapless.

The first pāda is corrupt in the mss., and very doubtful; the translation implies *yā́ḥ kṛtyā́ḥ*, which is most naturally suggested by the connection, and takes *tripañcāçī́s* as an indefinite large number (like *tisráḥ pañcāçátaḥ*, RV. i. 133. 4), and as formed like *triṣaptá*, *triṇavá*, etc., in spite of the important objection that none of these make a fem. in *ī*, and that the word most naturally means 'fifty-three, composed of fifty-three,' or the like. ⌊W's conjecture, *yā́ḥ kṛtyā́ḥ*, nearly coincides with that of Geldner (KZ. xxvii. 218), *yā́ç ca kṛtyā́ḥ*. Geldner's is metrically better; and he takes *trip-* as an indefinitely large number (cardinal), as does W.⌋ It was this word *tripañcāçá*, applied to the set of dice in RV. ⌊x. 34. 8⌋ (but perhaps meaning 'thrice fifty'), that suggested the not very happy emendation in our edition to *akṣa-kṛtyā́s*. The mss. read mostly *jāgṛtsyas tr-* (with various accent, most often on *-syás:* p. *jāgṛtsyáḥ : tripañca° açī́ḥ !*), also *jyā-*, *yyā-*, and (two of SPP's) *yāgṛtsyás;* this last the comm. also has, and understands it as *yā(ḥ) gṛtsyas*, explaining the latter as = *gardhanaçīlās* ⌊SPP's *pada*-text accordingly, *yā́ḥ : gṛ́tsyaḥ*⌋, and *tripañcāçīs* as *tryadhikapañcāçatsaṁkhyākās*, both as epithets of *kṛtyās* (understood). ⌊With this reading, we can take *gṛ́tsyas* as nom. pl. fem. to *gṛ́tsa* and render 'what fifty-three clever *or* sly [witchcrafts there are]'; but *gṛ́tsa*, in such an application and with such sinister meaning, has rather slender support, to wit, VS. xvi. 25, as cited by BR. ii. 778.⌋ Ppp. gives *yā kṛcchrā tripañcāçīç ch-*, which, while it is itself (emended to *yāḥ kṛcchrās*) not wholly unacceptable, also favors our *yā́ḥ kṛtyā́s;* there is insufficient reason for the feminine words if *kṛtyās* be not expressed. ⌊I cannot here attach much value to the evidence of Ppp.: on the one hand, it confuses surd and sonant very often (*kovidam* for *govidam*, xix. 13. 5: cf. xi. 5. 4, note); and, on the other, the relation of its *cch* to *ts* may be somewhat like that discussed under x. 9. 23 (*ṛchára*, *ṛtsára*, etc.). The mss. are decidedly in favor of *gṛtsyas* as against *kṛtyās;* but Whitney's objection as to the omission of *kṛtyās* seems to me a weighty argument in favor of his conjecture.⌋ Our *vínaṣṭatejasas* in **c** was an emendation, which, now that the comm. also reads it, may be regarded as sufficiently established; the mss. mostly *vinaktatéjasas* (also *vinaktu t-*, *viniṣṭat-*, *bhanakti t-*, *minaktu t-* ⌊etc.⌋: *pada*-readings, *vinaktu* [as independent word or as compounded with *téjasaḥ*] or also *vinakta°t-*). SPP. strangely contents himself with *vinaktu téjasas*, which certainly he would be unable to translate into anything even simulating sense.

Ppp. is corrupt, and brings no help; it has *sarva vyunaktu tej-*. ⌊Did not SPP. understand his reading thus: 'Let the amulet separate them all from their *téjas* (ablative)'? The instrum. *téjasā*, which good authorities give, would also be a proper construction with root *vic:* 'Let the amulet part them all with their efficiency (*téjas*),' i.e. rob the wizards of their power to make their witchcrafts efficacious against us. Whitney's reading and rendering are wholly satisfactory in themselves: but *vinaktu téjasas* or *-sā* seems to me no less so; and it has much stronger support (directly or indirectly) from the mss., and even from Ppp., than has RW's *vínaṣṭatejasas*. — After writing the above, I notice that Bloomfield, p. 672, interprets SPP's reading quite differently: the way in which he construes *vic* does not seem to me admissible.⌋

3. Sapless the artificial noise, sapless the seven that fall apart; away from here, O *jañgiḍá*, make fall (*çat*) misery, as an archer (*ástṛ*) an arrow.

The first half-verse is perhaps corrupt, as it is certainly unintelligible. The *pada*-text makes in **a** the astonishing division *kṛtrím : anna∘adám;* many of the *saṁhitā*-mss. read *kṛtṛ́m-*. All the mss. accent *vísrasas*, and SPP. with them; our text emends to *visrásas*. The minor Pet. Lex. suggests that the *saptá visrúhas* of RV. vi. 7. 6 may be meant: ingenious, but not comforting, as no one has any idea what the latter signifies. The comm's guess is this: *mūrdhaniṣṭheṣu . . . saptasu cchidreṣv abhicarato 'tpāditāḥ sapta niṣyandāḥ*. In **a**, **b**, the reading of Ppp. is *rasaṁ kṛtrimaṁ nāḍam arasas s-*. In **c** the mss. have much unimportant variation of accent. At the end, Ppp. gives *sādhayā*. The translation gives to *çātaya* the meaning ascribed to it by the Hindu grammarians, since it suits the connection; the comm. renders the word by *tanūkuru*, of which it is hard to see the reason or sense.

4. A spoiler of witchcraft verily is this, likewise a spoiler of niggardry; likewise may the powerful *jañgiḍá* lengthen out our life-times.

The majority of mss. leave *ayám* in **a** unaccented; and they divide pretty evenly between *tāriṣat* and *tārṣat* at the end; ⌊cf. under iv. 10. 6⌋. Ppp. reads *kṛtyādūṣaṇa vāyam atho 'rāt-*. With the verse compare ii. 4. 6, which is nearly the same.

5. Let that greatness of the *jañgiḍá* protect us all about, wherewith [it] overpowered the *víṣkandha* with force, [being] a counteracting force (?).

Sáṁskandha occurs nowhere else, and is in the translation assumed to be a word made as the opposite and contrary of *víṣkandha;* it may, of course, be only a variation of the latter, another evil of the same sort, as understood by the Pet. Lexx. and the comm. (*yena rogeṇa skandhaḥ saṁnataḥ saṁlagno bhavati sa rogaḥ saṁskandhaḥ*). The majority of the mss. read in **c** *sāsáha* (p. *sasaha* ⌊with various accent⌋); but *sāsahé* (as in our text) is in accordance with the nearly invariable use of the root in AV. as middle, ⌊and is read by one of SPP's mss.⌋. Ppp. reads *sāsahā*, and combines in **d** *ojo 'jasā*. The comm. reads and explains in **c** *viṣkandham ojasā saha* (favoring *sāsaha*).

6. Thrice the gods generated thee that art settled (*ni-sthā*) upon the earth; and Brahmans of old know thee thus as Añgiras by name.

All the mss. read at the beginning *tṛṣṭvā́* (p. the same); but even SPP. emends to *trís ṭvā*, as we had done; the comm. has the latter. Ppp. gives *niṣ ṭvā*. The comm. reads *tiṣṭhantam* in **b** instead of *niṣṭhitam*. Some of the mss. are discordant as to the accent of *añgirās* in **c**.

7. Not the former herbs surpass thee, not thee the recent; a formidable dispeller [is] the *jan̄giḍá*, a protector round about, of good omen.

Some of SPP's mss. read *návā* at end of b. The comm. has *jan̄giḍa* in c; ⌊in both text and comment of the comm., the *ḍa*-sound is, naturally enough, spelled with a *la*⌋. Our *pada*-mss. read in d *paripā́ṇaḥ*, without division.

8. So then when thou didst come into being, O *jan̄giḍá*, ⌊O thou⌋ of unmeasured heroism, Indra of old, O formidable one, ⌊in the beginning (*agratás*)⌋, gave unto thee heroism.

The translation follows our text, which, however, is more thoroughly altered from that of the mss. than in any instance thus far; and, of course, in a manner open to question. At the beginning, all the *saṁhitā*-mss. give *áthopadā́nábhagavo* ⌊one, *bhá-*⌋, which the *pada*-mss. divide thus: *átho íti : padā́ : ná : bhagavaḥ* ⌊one, *-váḥ*⌋; but the comm. understands it as *átho 'padāna bh-*, and SPP. follows him (p. *átha : upadāna : bh-*); the comm. explains *upadāna* by *upādīyate svīkriyate kṛtyānirharaṇādivyāpāreṣu* — which is utterly implausible. Ppp. gives no help, giving *açvayopadāni bh-*. For c, the mss. read *purā́ ta ugrā́ grasata* (*úp-*), p. *purā́ : te : ugrā́ : grasate : úpa :* etc.; and SPP. emends only by changing *ugrā́* to *ugrā́ḥ* ⌊in p.⌋, as the comm. understands. The latter explains it to mean: "Indra, perceiving that formidable creatures will devour (*purā grasate = bhakṣayiṣyanti!*) thee, O *jan̄giḍa*, gave" etc. Ppp. has a text for c–d that would make good sense: *purā ta ugrāya sato 'pendro* (i.e., by the usual double combination, *sate : upa*) 'to thee, being before formidable, Indra added further heroic quality.'

9. To thee, O forest tree, the formidable Indra imparted (*ā-dhā*) formidableness; expelling all diseases (*ámīvā*), do thou smite the demons, O herb.

With the first half-verse compare iv. 19. 8 d. For this verse there are no variants of any consequence, and the two editions agree throughout with one another and with the comm. Ppp. reads in a–b *vanaspataya indro 'j-*, and, for c, *amīvās sarvā rakṣān̄si.*

10. The crusher, the burster, the *balā́sa*, the side-ache, the *takmán* of every autumn, may the *jan̄giḍá* make sapless.

The two names in a are found nowhere else; the comm. regards them as names of specific diseases, the one meaning 'wholly injurious,' the other 'especially injurious.' The root *çṛ* has not been found with *ā* as prefix ⌊except, as noted by OB. vi. 209, at GB. i. 2. 18⌋. The words might of course also be epithets. The only variants concern the accent of *pṛṣṭyāmayam;* the majority of mss. agree with the editions; some have *pṛṣṭyā̀mayam*. Ppp. reads at the beginning *āçarīraṁ*, and in d *arasaṁ*.

35. The same.

[*As 34.—pañcakam. 3. pathyā́pan̄kti; 4. nicṛt triṣṭubh.*]

This hymn is found with the preceding in Pāipp. (in xi.), and it has the same *viniyoga*. Translated: Grohmann, *Ind. Stud.* ix. 419; Zimmer, p. 65; Bloomfield, 39, 674; Griffith, ii. 293.

1. Taking (*grah*) the name of Indra, the seers gave the *jan̄giḍá*, which the gods in the beginning made a remedy, spoiler of the *víṣkandha*.

The comm. (apparently by an oversight) explains at the end *viṣkandhabheṣajam*, while his text, according to SPP., agrees with ours.

2. Let that *jan̄giḍá* defend us, as a protector of riches his riches; which ⌊*jan̄giḍá*⌋ the gods, the Brahmans, made a protector round about, slayer of niggards.

The *pada*-mss. read at end of **b** *dhána॰iva;* ⌊SPP. emends to *dhánā॰iva*, which the translation implies;⌋ Ppp. gives *dhanāi 'va.*

3. The enemy of terrible aspect (*-cákṣus*), the evil-doer that has come — them do thou, O thousand-eyed one, make to vanish by thy watchfulness (?*pratībodhá*); thou art *jan̄giḍá* that protects round about.

The translation implies in **a** emendation to *durhā́rdaṁ ghorácakṣuṣam*, which is venturesome, but something has to be done to make sense. SPP. reads, with ⌊most of⌋ the mss. and the comm., *durhā́rdaḥ sáṁghoraṁ* (= *atyantakrūram*, comm.) *cákṣus;* the comm. ⌊joins *cakṣus* with⌋ *nāçaya.* Ppp. gives no help; its text (*dūhārda saṁghora cakṣuṁ*) apparently is meant for the same with ours. In **b** is implied, instead of the *ā́ 'gamam* of the mss. and both editions, *ā́gatam*, which may be confidently accepted on the authority of both Ppp. and the comm. ⌊But *ā́dabhan* is read by W's O., by two of SPP's mss., and by a third,* s.m.⌋ Our text emends at the end to *jan̄giḍa;* as all the authorities, including Ppp., give *-ḍaḥ*, this is retained in the translation. In **d** the comm. appears to have *pratib-*, but it is very probably an oversight of the ms. The Anukr. takes no notice of the deficiency of a syllable in **c**. *⌊The carefully corrected Dc.⌋

4. Me from the sky, me from the earth, from the atmosphere, me from the plants, me from what is, and me from what is to be — from every direction let the *jan̄giḍá* protect us about.

The majority of mss. accent in **c** *mó 'tá bhavyā́t.* One of the mss. of the Anukr. calls the verse a *jagatī;* for this there is no ground, but also as little for calling it *nicṛt* as a *triṣṭubh.*

5. What [witchcraft-]workers are made by the gods, and also what from mortals — all those may the all-healing *jan̄giḍá* make sapless.

The translation follows our text, which deviates widely from that of the mss. in **a**, **b**. All these have, without exception, *yáḥ kṛṣṇávo;* all further *devakṛtā* (p. *deva॰kṛtāḥ*), but with differences of accent; ⌊of SPP's authorities, 6 give correctly *-vá-*, and 8 give *-tā́ḥ;*⌋ then they vary in **b** between *yá* and *ya* (all the *pada*-mss. *yáḥ*); all have *utó* (p. *utó íti*); ⌊but W's B. seems to read *yátó;*⌋ finally, they vary between *vabhṛtenyàḥ* (the majority), *-tenyáḥ*, *-thenyàḥ*, *-tyenyàḥ* (the *pada*-mss., *vabhṛtenyàḥ*, or *-tényaḥ*). SPP's text has *yá* (p. *yé*) *ṛṣṇávo devákṛtā* (p. *-tāḥ*) *yá* (p. *yáḥ*) *utó vavṛté 'nyáḥ* (p. *vavṛté : anyáḥ :* but this would give for *saṁhitā*-text *vavṛtè 'nyáḥ*), which, apart from the added accents, is the text of the comm., as SPP. reports; the comm., however, assumes in his explanation *ye . . . anye* in **b** instead of *yáḥ . . . anyáḥ*, and declares *vavṛte = vavṛtire.* Ppp., finally, gives *ye ṛṣṇavo devakṛtā yo co bibhṛthebhyā.* The case is evidently a rather desperate one. The word *ṛṣṇavas*, found in both Ppp. and comm., occurs nowhere else; the comm. gives for it one of his usual artificial and wholly worthless explanations, *gantāro hiṅsakāḥ puruṣāḥ;* **b** he makes to mean "also what other oppressors (*bādhakās*) go about."

36. With a çatávāra-amulet: for protection etc.

[*Brahman.* — *ṣaḍṛcam. çatavāradāivatam. ānuṣṭubham.*]

Found also ⌊except 4 c, d, 5 a, b⌋ in Pāipp. ii. The comm. quotes its use from Nakṣ.K. 19, in the *mahāçānti* ceremony called *saṁtati*, performed for a failure of family, with the *çatavāra* amulet.

Translated: Griffith, ii. 294.

1. The *çatávāra* hath by its keenness (*téjas*) made to vanish the *yákṣmas*, the demons, mounting together with splendor, an amulet that expels the ill-named.

Our *maṇís* in **d** was an emendation, all the mss. having *maṇím;* SPP. also has *-ís*, on the authority of the comm.; Ppp. reads *-ṇiṁ* and *-çātanam.* What *çatávāra* really means is very questionable; the Pet. Lexx. conjecture "consisting of a hundred hairs," which does not seem probable; the comm. says "having a hundred roots, or awns"; and he further adds, on the authority of vs. 6, where the accordance with *vāraya-* is played upon, "warding off a hundred diseases"; moreover, there is no reason apparent why it should not signify 'bringing a hundred choice things' (cf. *viçvávāra*). The comm. declares 'ill-named' to denote a skin-disease. ⌊"Mounting": i.e. being raised up to the neck of the person on whom it is "bound" — so Griffith.⌋

2. With its two horns it thrusts away the demon, with its root the sorceresses; with its middle it drives off (*bādh*) the *yákṣma;* no evil overpasses it.

All the mss., the comm., and Ppp., read at the end *tatrati*, which we emended to *tarati*, as the other seems an inconceivable 3d sing.; the comm. glosses it with *atikrāmati*, and explains the form by *çluḥ çaç ce 'ti vikaraṇadvayam.* The comm. explains the 'two horns' as "the two parts of its apex, set on like horns." The mention of a "root" is, of course, an indication (though not a certain one) that a plant is intended.

3. The *yákṣmas* that are petty, and they that are great, noisy — all of them the *çatávāra* amulet, slayer of the ill-named, hath made vanish.

Ppp. reads in **b** *çapathinas.* The Anukr. takes no notice of the deficiency of a syllable in **a**.

4. A hundred heroes it generated; a hundred *yákṣmas* it scattered away; having slain all the ill-named ones, it shakes down the demons.

The mss. (both s. and p.) vary in **a** between *vīrā́s* and *vīrā́n*, the decided majority of SPP's giving the latter; of ours, none save one or two of those collated since publication; SPP. reads *vīrān aj-.* Ppp. has *çatam vīrāṇi janayac ch-*, which, with emendation to *vīryāṇi janayañ*, is perhaps the true reading. About half, indeed, of the mss. read *-nayan*, which also makes a possible text (*çatáṁ vīrā́ ajanayan*).

5. A golden-horned bull [is] this amulet of *çatávāra;* having shattered (*tṛh*) all the ill-named ones, it hath trodden down the demons.

A few of the authorities ⌊some confusing the primary with the *vṛ́ddhi*-derivative⌋ read in **b** *çatávāras* or *çatavārás* or *çātávāras.* In **c**, all the mss. ⌊save perhaps W's B.⌋ read *tṛḍhvā́*, which SPP. mistakenly emends to *tṛḍḍhvā́* (as if one were to emend the *ḍhvā* of *rūḍhvā* and *līḍhvā* to *-ḍḍhvā*). Ppp. is corrupt, giving *durṇās tris sarvās triḍhvā apa rakṣāṅsy apa kramīm.* The second half of vs. 4 and the first half of vs. 5 are wanting in Ppp.

6. With the *çatávāra* I ward off (*vāraya-*) a hundred of the ill-named ones (f.), a hundred of the Gandharvas-and-Apsarases, and a hundred of the doglike ones (f.).

Some of the mss. accent in **b** *gandharvā́psarásām.* All ⌊save W's B.⌋ have in **c** *çatáṁ çaçvanvátīnām* (varying to *çaçcatv-*: p. *çaçvan°vátīnām*); our *çatáṁ ca çvánva-* is an emendation, and, as it seems, an easy and necessary one, supported by Ppp., which reads *çataṁ ca çunvatīnāṁ* ⌊Griffith renders by 'dog-mated nymphs,' referring it to the Apsarases, and citing most appositely xi. 9. 15 and iv. 37. 11⌋. The comm. reads with the mss., and furnishes one of his characteristic absurd explanations: the word comes from *çaçvat* 'constantly,' with *n* substituted for *d* in the combination, and means *muhur-muhuḥ pīḍārtham āgantryo grahāpasmārādyā vyādhayaḥ!* He declares the fem. *durṇāmnī* to be used in **a** ⌊with reference to⌋ *vyādhi*, forgetting that *vyādhi* is masculine. ⌊For the play in **d**, cf. my note to xviii. 3. 29.⌋

37. With an amulet: for various blessings.

[*Atharvan. — caturṛcam. āgneyam. trāiṣṭubham: 2. āstārapañkti; 3. 3-p. mahābṛhatī; 4. purauṣṇih.*]

Not found in Pāipp. The comm. neither quotes nor devises a *viniyoga*, but SPP. finds it used in Nakṣ.K. 19, in the *mahāçānti* ceremony called *tvāṣṭrī*, with a threefold amulet, on occasion of the loss of a garment.

Translated: Griffith, ii. 295.

1. This splendor hath come, given by Agni, brightness (*bhárga*), glory, power, force, vigor (*váyas*), strength; and the heroisms that are thirty-three — those let Agni give forth to me.

Most of the mss. accent *balám* at end of **b**. The first half-verse corresponds to a first half-verse in TB. (ii. 5. 7^1), MS. (ii. 3. 4), and AÇS. (vi. 12. 2); all these read at end of **a** *ā́ 'gāt*, and AÇS. has *rādhas* instead of *várcas;* then, in **b**, TB. and AÇS. give *yáço bhárgaḥ sáha ójo bálaṁ ca*, MS. *máhi rā́dhaḥ sáha ójo bálaṁ yát*, all making a good *triṣṭubh* pāda; the verse is too irregular to be called simply a *triṣṭubh.* ⌊With **c**, cf. 27. 10 **a**, above.⌋

2. Splendor set thou in my body (*tanū́*), power, force, vigor, strength; unto Indra-like action, unto heroism, unto [life] of a hundred autumns, do I accept thee.

The majority of mss. again accent *balám*. In **a**, SPP. has the better reading *tanvàm*, with the comm. and a single ms. (accidental?). ⌊The transition-form ought probably to be oxytone, *tanvā́m:* see my *Noun-Inflection*, p. 412, near top.⌋ ⌊With our second half-verse cf. the second half of the verse just cited from TB.MS.AÇS.: apart from two or three misprints, it reads *dīrghāyutvā́ya çatáçāradāya práti gṛhṇāmi* (MS. *gṛbhṇāmi:* AÇS. *gṛbhnāmi*, cf. *Grammar* § 195 a) *mahaté vīryàya* (MS. *-tá indriyā́ya*) — a confused blending of tags: cf. xi. 1. 3, 7, and so on.⌋ ⌊The comm. takes **a**, **b** as addressed to Agni.⌋ Under 2 c, d and vss. 3 and 4, he speaks of the thing addressed simply as a *padārtha*, 'a substance,' not presuming to define what it is: an unusual restraint on his part.

3. Unto refreshment thee, unto strength thee, unto force, unto power thee, unto superiority thee do I carry about, unto the wearing of royalty for a hundred autumns.

Very likely the last word is best rendered as a noun; the comm. so takes it. The mss. all accent *rāṣṭrábhṛt-*, which SPP. retains; our text makes the necessary emendation to *-ṭrabhṛ́t-* ⌊cf. *Gram.* § 1213 c⌋. ⌊Even though *3-p. mahābṛhatī* be taken (*Ind. Stud.* viii. 243) as 12 : 12 : 12,⌋ the definition of the Anukr. is bad: the verse is just as much an *āstārapañkti* as vs. 2; ⌊both are doubtless to be scanned as 8 + 8 : 11 + 11⌋.

4. Thee with the seasons, with them of the seasons; thee unto lifetime, unto splendor; with the brilliancy of the year — with that we make [thee] cheek by jowl.

⌊All the mss. give here *ṛtúbhiṣ ṭvé 'ty ékā* (= v. 28. 13), except W's O. and SPP's careful Dc., which have, disregarding the accents, *ṛtubhyaṣ ṭve 'ty ekā* (= iii. 10. 10). The metrical definition of the Anukr. as *purauṣṇih*, coinciding with its definition of v. 28. 13 (not with that of iii. 10. 10), supports the mss. in the implication that a repetition of v. 28. 13 is here intended; and so does the *pratīka* given by the Anukr., which is *ṛtubhaṣ ṭvā "rtavāiḥ* (not the *"rtavebhyaḥ* of iii. 10. 10). The Berlin ed., accordingly, here repeats v. 28. 13: SPP., on the other hand, repeats iii. 10. 10;⌋ in this he follows the comm., who gives at this point, curiously, iii. 10. 10 in full, and makes an entirely new commentary upon it, taking no notice of its having occurred before. The mss. appear to have confounded the two *pratīkas* in a measure: ⌊and this probably accounts for the false lingualization of *-bhyaṣ ṭvā* — see note to iii. 10. 10, and observe that both mss. of the Anukr. here have *ṛtubhaṣ ṭv-*, which is neither one thing nor the other!⌋ ⌊For *sáṁhanu*, W's 'cheek by jowl' is perhaps a better version than the one which he gave at v. 28. 13, 'of closed jaw, free from involuntary opening of the jaws.' A third version is given by Griffith: 'we fasten thee [the amulet] about the neck.' Dīgha Nikāya, ii. 61, suggests still a fourth interpretation, 'affected with lock-jaw,' not applicable here: cf. viii. 1. 16.⌋

38. With gúggulu: against disease.

[*Atharvan.* — *tṛcam. mantroktagulguludevatākam. ānuṣṭubham. 2* a–d. *4-p. uṣṇih; 2* e–f. *1-av. prājāpatyā 'nuṣṭubh.*]

Found also in Pāipp. xix. Used, according to the comm. (together with hymn 39), by Pariç. 4. 4, in the ceremony of a king's entrance into his sleeping-house, to the accompaniment of incense of *kuṣṭha* and *guggulu*.

⌊With regard to the name of the latter substance, there is a question as to its spelling, whether with *-lg-* or with *-gg-*; and a second as to its accent, whether on the first syllable or on the last. As to the first question, the mss. are here, as elsewhere, quite at variance: see below. As to the second, the proper accent seems to be proparoxytone: so TS. at vi. 2. 8⁶, *gúlgulu*, nominative; and above, at ii. 36. 7, where the word is nom., both W's and SPP's authorities agree in accenting the first syllable. In this hymn, however, all of W's and of SPP's authorities agree in vs. 1 in accenting the last syllable,

-gulós, and so both editions print: in vs. 2, again, all (save W's P.M.W., *-ló*) agree in having *-lú;* and the Bombay ed. has *-lú* (as nom.), while the Berlin ed. and the *Index* have *guggulu* (as voc.); whether the comm. intends *guggulo* (voc.) or *guggulus* (nom., with the later gender), I am not sure. If we read *guggulu* (as voc.), it may be noted that no other voc. sing. neuter from stems in *u* or *i* is registered in my *Noun-Inflection* (see p. 413, 390).⌋

Translated: Grill, 39, 193; Bloomfield, 40, 675; Griffith, ii. 295.

1. *Yákṣmas* obstruct him not, a curse attains him not, whom the agreeable odor of the healing *gúggulu* attains.

All the mss., and SPP., read in **a** *árundhate*, which our text emends to *ar-*; but the form is obviously false; *ā́ rundhate* would be the simplest and easiest change. Ppp. has *yakṣmā ru-* ⌊i.e. *yakṣmāru-*: which may of course mean *yakṣmās ā ru-* as well⌋; and, at end of **b**, *-tho 'çnute.* As everywhere, the mss. vary between *gugg-* and *gulg-* in **c**; SPP. adopts the latter; the comm. agrees with our text in giving the former; Ppp. has always *gulg-*. At the end of **d**, all the mss. have *açnute*, but this time SPP. follows us in making the necessary emendation to *açnuté.* ⌊Again, as often (cf. note to xviii. 3. 47), the accent-blunder is due to a faulty assimilation,—in this case, with the accent of *açnute* at the end of the preceding half-verse.⌋

2. From him the *yákṣmas* scatter away, like antelopes from a wild beast. If, O *gúggulu*, thou art from the river, or if also from the ocean, the name of both have I taken (*grah*), that this man may be uninjured.

There is discordance among the authorities as to the division and numbering of the verses of this hymn. The Anukr. makes three verses, reckoning the last two pādas as third verse, and SPP. follows it, although this division is wholly opposed to the sense, as breaking a sentence in two. The comm. reckons only the first of the three lines as vs. 2, noting that it may also be explained as belonging to vs. 1, being connected in sense with that; the other two lines he makes vs. 3. Our division followed the majority of our mss., with which agree the minority of SPP's. The choice between the three modes of division is difficult, and fortunately the matter is of no importance. ⌊Grill, p. 193, suggests that 1 **a**, **b** is the foreign element, a prefixed fragment about *yakṣma.* That leaves 1 **c**, **d** and 2 **a**, **b** for our first vs., and 2 **c–f** for our second.⌋ The mss. all read in **b** *mṛgā́ áçvā iva,** which is obviously wrong and unintelligible, though the comm., after his fashion, gives two equally worthless interpretations, once taking *áçvās* as an adjective (= *āçugāminas*) to *mṛgā́s*, and once supplying a second *iva:* "like deer [or] like horses." The translation follows our emendation, which is certainly plausible to an acceptable degree. Ppp. is corrupt: *yakṣmād mṛgāyaṣāya vedhase.* The *pada*-mss. blunderingly read *irate* at end of **a**; even SPP. allows himself to emend to *īrate.* In **c** he again gives *gulgulú* ⌊not *gugg-*⌋, with the majority of his mss.: our *guggulu* is in respect to accent ⌊as voc.⌋ an emendation (our mss. read *-lú* or *-ló*), but one called for by the following *ási;* ⌊this reason does not seem to me cogent: reading the nom. *-lú* (with SPP.: see introd.), we may render, 'whether thou art *guggulú* from the river or [*guggulú*] from the ocean'⌋. In **d**, the mss. give either *yádvāpyā́si* or *yádvā́pyā́si* (p. *yát : vā : ápi : ā°ási*); SPP. accepts in his *saṁhitā*-text *vā́ 'py ā́si*, but in his *pada*-text changes *ā°ási* to *ási*, thus making the two texts discordant; if he had courage for the latter alteration, he should also have had it for emending *ā́si* in *saṁhitā* to *ási*, as we had done, and as is plainly required. ⌊The text of the comm. has *'py asi.*⌋ *⌊But W's P.M.W., *mṛgā́ṁ.*⌋

39. With kúṣṭha: against diseases.

[*Bhṛgvañgiras.—daçakam. mantroktakuṣṭhadevatyam. ānuṣṭubham: 2, 3. pathyāpañkti; 4. 6-p. jagatī (2–4. 3-av.); 5. 7-p. çakvarī; 6–8. aṣṭi (5–8. 4-av.).*]

Found also in Pāipp. vii. The *viniyoga* is the same with that of the preceding hymn. ⌊Whitney, note to Prāt. ii. 67, speaks of the critical bearing of the fact that vs. 1 is cited by the comm. to the Prāt.: see above, p. 896, ¶ 1.⌋

Translated: Grohmann, *Ind. Stud.* ix. 392, 420–422 (parts); Ludwig, p. 198; Bloomfield, 5, 676; Griffith, ii. 295.—Hillebrandt, *Ved. Mythol.*, i. 65–66, discussing the connection of *kuṣṭha* and *soma*, cites part of the hymn. Cf. v. 4 and vi. 95.

1. Let the heavenly rescuing *kúṣṭha* come hither from off the snowy [mountain]; do thou make vanish all *takmán* and all the sorceresses.

Of course, *himávant* may also be rendered 'Himālaya.' ⌊For *-tas pari*, cf. note to Prāt. ii. 67.⌋ Emendation in **c** to *nāçáyan* is suggested as acceptable; ⌊and *nāçayaṁ* is the reading of Ppp., both here and in 5 **f**⌋. Some of the mss. read at the beginning *étu;* the *pada*-mss. have blunderingly *ā́itu* instead of *ā́ : etu;* SPP. emends to the latter.

2. Three names are thine, O *kúṣṭha:* by-no-means-killing, by-no-means-harming:—by no means may this man take harm, for whom I bespeak (*pari-brū*) thee, at evening and in the morning, likewise by day.

In **a**, part of the mss. accent *kúṣṭha.* In **b**, **c**, SPP. reads *nadyamāró nadyā́riṣaḥ : nádyā 'yám* etc. There is hardly any ms. that distinguishes *dya* and *gha* in such a manner that confidence can be placed in its testimony as between the two; so that, although SPP. reports *nadya-* from all his mss., it is really of no account. But the comm. shows that he reads *nadya-* by his explanation: *nadya*, he says, means "being in a stream (*nadī*)," and by "stream" is meant the waters (*udakāni*) in a stream; and the virtual sense is "diseases that originate in faults of water": or else, he sagely adds (betraying that his expositions are, as usual, the merest guesses of a skilless etymologist), *nadya* means *nadanīya* or *çabdanīya:* i.e., *atyantaduṣpariharatvena çabdyamāna;* and the two epithets mean "killing" or "harming" such *nadyas;* while the third name is *nadya* simply, since a killer (*māraka*) of *nadyas* is himself called *nadya.* We had the second of the two epithets above, at viii. 2. 6 and 7. 6, and in the former passage the comm. explained (falsely) and read *nagha-*. It seems hardly doubtful that our readings ⌊with *gh*, not *dy*⌋ and the translation founded on them are the true ones here, though that implies that the comm. worked from mss. only, and not from oral representatives of the text. ⌊Weber, *Sb.* 1896, p. 681, discusses *na gha.*⌋ Ppp. agrees precisely with our text in **b** and **c** (in **d** it has *asmāi* and in **e** *divaḥ*). In **b**, all the mss. read (assuming, here and later, that the character is *dya*, and not *gha*) *nadyá mā́ro* (p. *nadyá : mā́raḥ*); nearly all follow it with *nadyā́yuṣo* or *-ṣaḥ* (p. *nadyá : ā́yuṣaḥ*); but two of SPP's, and two others p.m., give *nadyā́riṣo* ⌊the comm. *nadyariṣo*⌋. In **c** the general reading is *nadyā́yámpúruṣoriṣat*, but one or two fail to accent *'yam*, and a few have *-ṣo rṣat* (all the *pada*-mss. *ṛṣat*). The comm. treats *nadya* in **c** as a vocative, and SPP. accordingly changes the accent to *nádyā 'yám;* in **b** he alters the *pada*-text to *nadya°mārā́ḥ : nadyá°riṣaḥ.* The Anukr. pronounces this verse, as well as the two following, *tryavasāna*, but nearly all the mss. omit here the sign of interpunction before *na ghā 'yam puruṣo riṣat*, although they introduce it both times later; in this verse, our edition follows the mss., but SPP's the Anukr. In **d**, all the mss. give *pári bra-*; SPP. follows us in emending the accent to *paribrávīmi.* The comm. repeats *nadyā 'yam puruṣo riṣat* a second time.

3. "Lively" by name is thy mother; "living" by name is thy father: — by no means may etc. etc.

All the mss., the comm., and Ppp., read in **b** *jīvantás,* and so of course SPP.; there was doubtless no sufficient reason for altering to *jīvalás* in our text. Ppp. adds further, after *pitā, mārṣa nāma te svasā.* With **a**, **b** compare i. 24. 3 **a**, **b**.

4. Thou art the highest (*uttamá*) of herbs, as the draft-ox of moving creatures (*jágat*), as the tiger of beasts of prey: — by no means may etc. etc.

⌊Pādas **a–c** are repeated from viii. 5. 11: see note.⌋ Ppp. combines *uttamo 'sy oṣ-.* It repeats in the refrain its readings *asmāi* and *divaḥ* (see note to vs. 2).

5. Thrice from the Çāmbus, from the Añgirases, thrice from the Ādityas, thrice from the All-Gods art thou born; this all-healing *kúṣṭha* stands along with soma; do thou make vanish all the *takmán* and all the sorceresses.

All the authorities ⌊save Ppp.⌋ agree in *çā́mbubhyas,* and our alteration to *bhṛ́gubhyas* is not to be approved. All our *saṁhitā*-mss., and the majority of SPP's *saṁhitā*-authorities, with the text of the comm., read after it *áñgireyebhyas* (one or two *-raye-*), and the comm. takes the word as adjective (= *añgirasām apatyabhūtebhyaḥ*) qualifying *çā́mbubhyas.* SPP. adopts *áñgirebhyas,* with the rest of the mss.; our emendation to *-robhyas* is a very simple and plausible one, when dealing with a text in the condition of this. Ppp. is very corrupt: *tiṣyāmividyogirayebhyas;* in **d**, further, it has *-bheṣaja,* in **e** *tiṣṭhasi,* in **f** *nāçayaṁ* (as in 1 **c**). SPP., probably by an oversight, inserts a stroke of interpunction between **d** and **e**; it is against the Anukr., and our mss. do not have it.

6. The *açvatthá,* seat of the gods, in the third heaven from here: there [is] the sight (*cákṣaṇa*) of immortality; thence was born the *kúṣṭha.*

This verse and the next correspond nearly with v. 4. 3, 4 (repeated as vi. 95. 1, 2). Most of the mss. accent in **d** *kuṣṭhás.* SPP. adds to this verse and the next the last four pādas of vs. 5, as a refrain continued from that verse; and this is evidently the understanding of the Anukr., and the comm. ratifies it. Whether SPP. makes the addition on the authority of these two alone, or whether some of his mss. also intimate it, he does not state; not one of our mss. gives any sign of it. ⌊Ppp. has *jayatāt saḥ:* presumably answering to the end of pāda **d** of the Berlin ed.; but Roth's Collation is not quite clear.⌋

7. A golden ship, of golden tackle, moved about in the sky; there [is] the sight etc. etc.

As to the correspondence and the extent of this verse, see the note to vs. 6. Ppp. reads *hiraṇyena nāur* ⌊and omits **c**, **d**⌋.

8. Where there is no falling downward (?), where the head of the snowy [mountain], there is the sight of immortality; thence was born the *kúṣṭha:* — this all-healing *kúṣṭha* etc. etc. (as vs. 5).

The mss. all ⌊save SPP's D., which has *nā́vaḥ :* cf. the *navaṣ* of Ppp.⌋ read in **a** *nā́ 'va prabhráñçanam* (p. *ná : áva : pra∘bhr-*), and the comm. so understands it (*yatra dyuloke tatrasthānāṁ sukṛtinām avāñmukhaprabhrañço nā 'sti*); and considering this (if there were such a place-name, it is just the sort of thing that we might fairly expect the comm. to know and report), and that *nāva* nowhere appears as combination-form of *nāu*, and that *pra-bhrañç* is not used of the sliding down of a boat or ship on a mountain, and appears wholly unadapted to that use, it must be pronounced an excessively daring and not less questionable proceeding to emend to *nāvaprabhráñçanam*, translate it by the "descent of the ship," and connect it with the more modern Brāhmaṇa-legend of Manu's flood — as is done in our text, by Weber in his notes to *Die Fluthsage* (*Ind. Streifen* i. 11), and by others elsewhere ⌊cf. Griffith's note⌋. Ppp. reads ⌊*sa*⌋ *yatra navaṣ paribhraçanaṁ*.

9. Thou whom Ikshvāku of old knew, or thou whom Kushṭhakāmya [knew], whom Vāyasa, whom Mātsya — thereby art thou all-healing.

There is almost nothing here that is not very questionable. Only the comm. has *ikṣvākus* in **a**; the majority of mss. give *iṣvākas*, but some (which SPP. follows) *ikṣvākas*. In **b** the *pada*-mss. divide *kuṣṭha : kāmyàḥ*, and the comm. so understands it (*kāmya = kāmaputra*); SPP. follows them; though here our emendation to *kuṣṭha-kāmyàs* seems plainly called for. In **c**, the mss. have *yáṁ vā váso* (or *vā́so:* SPP. *váso*) *yám ā́tsyas t-*; the text of the comm., *yaṁ vā vaso yamāsyas* (explained as "having a mouth like Yama's"!); here emendation is a rather desperate undertaking; the translation follows the conjectures of our text ⌊but with *ikṣvākur* in **a**⌋. Ppp. reads, in **a–c**, *pūrvakṣvāko yaṁ vā tvā kuṣṭikāç ca ahiçyāvaso anusāricchas tenā-* etc. — too corrupt to give any help.

10. The head-paining, the tertian, ⌊and⌋ that which is constant, is hibernal — the *takmán*, O thou of power in every direction, do thou impel (*sū*) away downward.

The last half-verse is identical with v. 22. 3 **c**, **d**, above. The mss. read in **a** *çīrṣa-lokám* (p. *-ṣa∘lo-*); and the comm. understands it as two words, *çīrṣa lokam*, translating "they call thy head the third world (i.e. the sky, which is third world in respect to earth)"! Ppp. has *çīrṣālākaṁ*. The comm. reads in **c** *-vīryam*, with his customary disregard of accent; ⌊some mss. accent *viçvádhā*, thus suggesting *viçvádhāvīryam* (epithet of *takmā́nam*) as a possible, if inferior, variant⌋. Only two or three of the mss. give the accent *tṛ́tīyakam*, found elsewhere in the text (i. 25. 4 : v. 22. 13), and SPP. follows the majority and adopts *tṛtī́-*. SPP. is also inconsistent in writing in *pada*-text *sadam∘dī́ḥ* but in *saṁhitā*-text *sadandī́r;* Ppp. has instead *sadantī*.

40. To various divinities: for various blessings.

[*Brahman.— caturṛcam. bārhaspatyam uta vāiçvadevam. ānuṣṭubham: 1. parānuṣṭup triṣṭubh; 2. puraḥkakummaty upariṣṭādbṛhatī; 3. bṛhatīgarbhā; 4. 3-p. ārṣī gāyatrī.*]

Of this hymn only the first verse occurs in Pāipp. (in xix.). The comm. reports no *viniyoga*, but SPP. supplies one, finding it quoted in Pariç. 37. 4, in a ceremony of expiation for the loss (*nāça*) of a strainer; ⌊and again, in 37. 14, for use in case a certain earthen vessel (*upayāma*) falls from the hand⌋.

Translated: Griffith, ii. 297.

1. What that is defective (*chidrá*) of my mind, and what of my voice hath found (?*jagā́ma*) Sarasvatī enraged, let Bṛihaspati, in concord with all the gods, mend (*sam-dhā*) that.

The meaning of **b** is extremely doubtful. SPP. reads *sárasvatī* against the large majority of his authorities and all of ours, which have *-tīm*. Our *hárasvantam* was a conjecture, and perhaps not a particularly successful one. The translation given (tentatively) above implies *-tīm manyumatī́m*, while all the mss., the comm., and SPP., have *-mántam*. Ppp. reads *sarasvatī : manvavittaṁ jagāma*. Hardly a ms. gives an accent to *jagāma* (one of SPP's, probably by accident, and another, p.m.). Ppp. reads in **d** *sandadātu*. There are corresponding verses in VS. (xxxvi. 2) and Āp. (xiv. 16. 1), but they cast no light on **b**: VS. reads *yán me chidráṁ cákṣuṣo hṛ́dayasya mánaso vā́ 'titṛṇṇam bṛ́haspátir me tád dadhātu ;* and Āp., *yan me manasaç chidraṁ yad vāco yac ca me hṛdaḥ : ayaṁ devo bṛhaspatiḥ saṁ tat siñcatu rādhasā.*

2. Do not ye, O waters, devastate (*pra-math*) our wisdom nor our *bráhman;* come ye flowing with easy flow, being invoked ; [be] I of good wisdom, having splendor.

All the mss. accent *ā́pas* in **a**, and SPP. refuses to follow us in the obvious emendation to *āpas*, although the comm. also takes the word as vocative. At the end of **b**, the comm., followed by three of SPP's authorities, has *mathiṣṭa naḥ*. In **c**, the mss. read *çuṣyadā́* (p. the same), and the comm. understands it as *çuṣyat : ā ;* SPP. emends by conjecture to *suṣyadā́s* (p. *su∘syadā́ḥ*), which is decidedly more successful than our *çuṣmadā́s*. The translation, however, ventures to emend yet further, to *suṣyádā́* (p. *su∘syádā : ā́*). Most of the mss. give *syannadhvam ;* ⌊W's O. and SPP's carefully corrected Dc., s.m.,⌋ join with the comm. in *syanda-*, which stands in both printed texts. The translation, finally, implies our reading *úpahūtās*, against the mss., SPP., and the comm., which give *-tas* (*-to 'ham*); against, also, the Anukr.,* but making much better meter than if **c** is ended with *syandadhvam*. The mss. and SPP. have *sumédhās* (the *p*.-mss. wrongly *su∘médhā*); ⌊in the edition⌋ we ⌊should have⌋ rectified the accent ⌊so as to read⌋ *sumedhā́s*. *⌊The Anukr. would scan as 6 + 8 : 8 + 12 ; the Berlin text as 6 + 8 : 12 + 8.⌋

3. Do not ye injure our wisdom, nor our consecration, nor what ardor (*tápas*) is ours ; be they propitious to us in order to [prolonged] life-time ; let them become [our] propitious mothers.

The mss. have in **b** *hiṅsiṣṭam*, and SPP. does not follow our obviously acceptable emendation to *-ṣṭa*. The comm., too, has *-ṣṭam*, and explains it by calling ⌊into service⌋ that everlasting pair *dyāvāpṛthivī ;* but, as alternative, he apparently goes on to anticipate the pair of Açvins from vs. 4 ; there is, however, a lacuna in the sole manuscript, cutting off this explanation almost at the beginning. In **c**, the mss. all have *sáṁsvanta ā́y-* (p. *sáṁ∘svantaḥ !*), but the comm. *çaṅsantu*, explaining it as = *stuvantu ;* ⌊SPP. reports that the text of the comm. is *çaṁsantu* and that the sole ms. of the commentary has actually *santu ;*⌋ SPP. takes this, and alters it to *çáṁ santu ;* our emendation to simple *santu*, suiting both sense and meter, is obviously to be accepted. The *pada*-mss. in general give *çivā́* in **c** ; ⌊but one of W's and one of SPP's, each s.m., have *çivā́ḥ ;*⌋ they all ⌊except perhaps W's L.⌋ have *çivā́ḥ* in **d**. There is no good reason why the Anukr. should call the verse *bṛhatīgarbhā*, since **c** can be read as eight syllables in either form.

4. That food (?*íṣ*), O Açvins, which, full of light, shall make us pass through the darkness, may ye give (*rā*) to us.

The verse corresponds to RV. i. 46. 6, and is translated from the RV. text, the AV. version being utterly corrupt, and offering a very noteworthy measure of what this nineteenth book can do in the way of corruption even of a text that is intelligibly handed down elsewhere. The ms. reading is *mā́ naḥ píparid açvinā jyótiṣmatī támas tiráḥ: tā́m asmāí rāsatām íṣum.* Our text differs from that of RV. only by reading *píparid* (which is an oversight for the *píparad* ⌊*Grammar* § 869 c⌋ of the RV.) and *rāsathām* (which is bad); ⌊RV. has *rāsāthām*, to be taken as augmentless *s*-aorist, 2d person dual middle⌋. The comm. differs from RV. by giving *mā́* at the beginning; ⌊his text, furthermore, has *rāsātām;* but his comment has *rāsāthām*, like RV.⌋; he understands *açvinā* correctly as vocative. SPP. clings to *rāsatām*, and thinks to make it answer by accenting *açvínā* (on the authority, ⌊probably⌋ accidental, of a single ms.). ⌊I suppose Whitney means to imply that, if SPP. intends to make *rāsatām* a 3d person dual imperative middle of the *s*-aorist, but from an *a*-stem, as explained at *Grammar* § 896, the form ought to be *rāsetām*, corresponding to the 3d singular *rāsatām* there noticed.⌋ There is really no way but to adopt the RV. text throughout; any attempt at compromise simply spoils the verse. The comm. takes *mā pīparat* as *pāram mā gamayatu*, and **b** as its antithesis, supplying *karotu* to *tiras;* and he refers at the end to *yā* as read *çākhāntare* (i.e., in RV.).

41. For some one's welfare.

[*Brahman.—ekarcam. mantroktatapodevatyam. trāiṣṭubham.*]

Not found in Pāipp. No *viniyoga.*
Translated: Griffith, ii. 298.

1. Desiring what is excellent, the heaven-finding seers in the beginning sat down in attendance upon (*upa-ni-sad*) ardor [and] consecration; thence [is] born royalty, strength, and force; let the gods make that submissive to this man.

Asmé 'to us' would be an acceptable emendation in **d**; ⌊but TS. has *asmāí*⌋. The comm. glosses *upaniṣedus* simply by *prāptās;* in his explanation of **c**, **d** there is a considerable lacuna. A corresponding verse is found in TS. (in v. 7. 4³; repeated without variation in TA. iii. 11. 9): *bhadrám páçyanta úpa sedur ágre tápo dīkṣā́m ṛ́ṣayaḥ suvarvídaḥ: tátaḥ kṣatrám bálam ójaç ca jātám tád asmāí devā́ abhí sám namantu.*

42. Extolling the bráhman etc.

[*Brahman.—catasras. mantroktabrahmadevatyam. 1. anuṣṭubh; 2. 3-av. kakummatī pathyāpañkti; 3. triṣṭubh; 4. jagatī.*]

Only fragments of this hymn are found in Pāipp.; ⌊Roth's Collation says that the hymn probably stood somewhere near the beginning⌋. No *viniyoga* is given.
Translated: Griffith, ii. 298.

1. The *bráhman* is invoker (*hótṛ*); the *bráhman* is the sacrifice; by the *bráhman* the sacrificial posts are set up; the officiating priest (*adhvaryú*) is born from the *bráhman;* within the *bráhman* is put the oblation.

In a all the authorities ⌊and so SPP.⌋ read *yajñā́s*, which might better have been left unchanged. In b the authorities have mostly *sváravāmitā́* (also *svàravāmitā́*, and *sár-* or *sàravāmitā́*), *pada*-text *svàḥ : avāmitā́ ;* the comm., *svaragāmitā*, for which he gives a labored and worthless explanation; *sváravo mitā́ḥ* was our emendation, which is made certain by its occurrence in TB. ii. 4. 7^{10} (in a verse otherwise corresponding with our vs. 2); and even SPP. follows it. In d the comm. has *brahmaṇi*, which suits better with *ántar;* but the same sense is perhaps possible with *-ṇas*,* which is the universal reading. Then the mss. give *antárhite* (p. *antáḥ°hite*); our edition emends to *antár hitám ;* SPP. agrees so far as to give *antárhitam ;* the comm. has either the one or the other (the absence of accent makes it impossible to say which); if *bráhmaṇas* is not altered to *-ṇi*, *antárhitam* is as good as necessary; otherwise, each is about equally acceptable. *⌊W. seems to have in mind such a construction as *tád antár asya sárvasya*, at Içā Upanishad, vs. 5. If so, I do not see why he says that, if we read *bráhmaṇas*, we must also read *antárhitaṃ.*⌋

2. The *bráhman* is the sacrificial spoons filled with ghee; by the *bráhman* is the sacrificial hearth set up (*ud-dhā*); and the *bráhman* is the essence (*tattvá*) of the sacrifice — the priests that are oblation-makers: ⌊to the slaughtered [victim] hail!⌋

To the verse corresponds one in TB. ii. 4. 7^{10}, which, however, has for b our 1 b (as noted above), and in c *yajñásya tántavaḥ*, and lacks the addition after d. In our text is left in a inadvertently *srucás*, which most of the mss. give ; SPP. has the correct *srúcas* (so TB.). In b, our *pada*-mss. have *út°hitā*, ⌊a word-division⌋ which is contrary to Prāt. iv. 63 and to the usage of the AV. hitherto; SPP. reads in his *pada*-text *úddhitā*, and makes no note upon the matter; ⌊he had in fact a note stating that his P.P.^{2}J. also read *út°hitā :* but, as appears from his "Corrections" to vol. iv., p. 446, his note was disordered in printing;⌋ the comm. has instead *uddhṛtā*. In c all the authorities give *yajñásya táttvaṁ ca* ⌊but W's P. *tánvaṁ*⌋, and SPP. retains *táttvaṁ*, without even making the necessary emendation of accent to *tattvám ;* the comm. also supports it, and it is implied in the translation given above; our alteration to *yajñáç ca sattráṁ ca* is probably more venturesome than is called for. ⌊The place of the accent in the ms.-reading *táttvaṁ ca*, the Paris reading *tán-*, the un-Vedic look of *tattvam*, the *ṛ́caḥ prā́ñcas tántavas* of AV. xv. 3. 6, and the TB. parallel, all join in suggesting that the true reading is *yajñásya tántavas.*⌋ In the appendix to the verse, the comm. reads *sammitāya.*

3. To him who frees from distress I bring forward my devotion (*manīṣā́*), unto him who rescues well, choosing to myself his favor; accept, O Indra, this oblation; let the desires of the sacrificer be realized.

Or (at the end) 'come true.' A corresponding verse is found in TS. (in i. 6. 12^3) and in MS. (in iv. 12. 3). In a both read *bharemā* ⌊p. *-ma*⌋ *manīṣā́m*, thus rectifying the meter; and Ppp. does the same; for b, TS. gives *oṣiṣṭhadā́vne sumatī́ṁ gṛṇānā́ḥ* ⌊good grammar (plural *-nā́s*) and good meter⌋; MS. *bhūyiṣṭhadā́vne sumatīm āvṛṇānáḥ* ⌊bad in both respects⌋. Very nearly all the AV. authorities give in b *-tīm mā vṛṇānáḥ;* ⌊per contra, cf. note to xviii. 2. 3⌋. One would like to get rid of the superfluous *ā́* at the beginning of b by emending to *āçutrā́vṇe* ⌊*āçu-* would accord closely in sense with the *oṣiṣṭha-* of TS.⌋. ⌊Our *bhare* is evidently a corruption due to haplography, which has brought in its train the further corruption of *āvṛṇānā́ḥ* to *-náḥ.*⌋ In c, d, TS.MS.

agree throughout* with AV. ⌊save that MS. has *juṣasva* for *gṛbhāya*⌋. In c, Ppp. has *havyā;* only parts of the verse are left in its text; ⌊Roth says the first word is lost⌋. The comm. reads *sutrāmṇe* in a, *-tiṁ gṛṇānaḥ* (like TS.) in b, and *havyā* (like Ppp.) in c. *⌊In c, the *idám* of the Berlin text is an emendation, since all the mss. collated by W. before publication have *imám;* and it is confirmed by TS.MS., which give *idám*, and by W's subsequently collated O., and apparently also by his L. But SPP. prints *imám* without note of variant; and the comm. has *imam*, which he makes = *idam* in the sense of *idānīm!*⌋

4. Him who frees from distress, the bull of the worshipful, him that shines forth (*vi-rāj*), the first of the sacrifices (*adhvará*), the child of the waters, O Açvins, I call with prayer (*dhī́*); do ye with Indra give me Indra-like force.

A corresponding verse in TS. (in i. 6. 12^{3}) reads thus: *prá samrā́jam prathamám adhvarā́ṇām aṅhomúcaṁ vṛṣabháṁ yajñíyānām: apā́ṁ nápātam açvinā háyantam asmín nara indriyáṁ dhattam ójaḥ.* It helps us least in the critical part of our verse, where the mss. all read *açvínā huvé* ⌊*huve, havé*⌋ *dhíya* (p. *dhíyaḥ*) *indriyéṇa ta* (p. *te*) *indr-.* The translation follows our emendation (*açvinā*, with TS.; *dhiyé 'ndreṇa ma indr-*). SPP. follows the mss. Ppp. nearly agrees with them: *açvināu huve dhiya indriyeṇa na indriyaṁ dhattam ojaḥ.* The comm. has *dhiyam* and *dhattām* (but his text, according to SPP., reads *dhattam*).

43. To various gods: for attaining heaven.

[*Brahman.—aṣṭāu. bahudevatyam uta brahmadevatyam. 1–8. 3-av. çaṅkumatī pathyāpaṅkti.*]

Not found in Pāipp. No *viniyoga.*
Translated: Griffith, ii. 299.

1. Whither the *brahman*-knowers go, along with consecration, with ardor—thither let Agni conduct me; let Agni impart (*dhā*) to me wisdom: to Agni hail!

SPP. strangely prefers to read *medhā́ da-* in d, with a mere majority of his authorities, but with the comm. ⌊who gives *medhās*⌋; our mss. also are divided between *-dhā́* and *-dhā́ṁ.* In the *pada*-text, SPP. emends to *-dhā́ḥ;* the *pada*-mss. have *-dhā́* or *-dhā́m.*

2. Whither the etc. etc.—thither let Vāyu conduct me; let Vāyu impart to me breaths: to Vāyu hail!

3. Whither the etc. etc.—thither let the sun conduct me; let the sun impart to me sight: to the sun hail!

4. Whither the etc. etc.—thither let the moon (*candrá*) conduct me; let the moon impart to me mind: to the moon hail!

5. Whither the etc. etc.—thither let Soma conduct me; let Soma impart to me milk: to Soma hail!

The comm. has a *lacuna* including all the explanations of verse 4, and part of the text of verse 4 and of this.

6. Whither the etc. etc. — thither let Indra conduct me; let Indra impart to me strength: to Indra hail!

7. Whither the etc. etc. — thither let the waters conduct me; let immortality (*amṛ́ta*) approach (*upa-sthā*) me: to the waters hail!

Our *nayantu* in c is the obviously necessary emendation of *nayatu* of all the mss., which SPP., after his manner, retains. The comm. does not have occasion to quote the word; but his text also, according to SPP., reads *nayatu.* ⌊The faulty assimilation of the original *nayantu* to the *nayatu* which obtains throughout all the other verses of the sequence, is precisely paralleled by the *gachati* (so all authorities) after *ā́pas* at xv. 7. 3.⌋

8. Whither the etc. etc. — thither let Brahmán conduct me; let Brahmán impart to me *bráhman:* to Brahmán hail!

The comm. explains *brahmán* by *jagatsraṣṭā hiraṇyagarbhaḥ*, and *bráhman* by *svasvarūpabhūtaṁ çrutādhyayanajanyaṁ tejo vā.*

44. With an ointment: against diseases etc.

[*Bhṛgu.—daça. mantroktāñjanadevatyam.* (*8, 9. vāruṇe.*) *ānuṣṭubham: 4. 4-p. çaṅkumaty uṣṇih; 5. 3-p. nicṛd viṣamā gāyatrī.*]

⌊Partly prose: verses 4 and 5.⌋ Found also in Pāipp. xv. Used, according to the comm., with an ointment amulet, by Nakṣ.K. 19, in a *mahāçānti* ceremony called *nāirṛtī*, when one is seized by *nirṛti* (destruction). ⌊Verse 4 is quoted in *sakalapāṭha* by Kāuç. at 47. 16, to accompany the taking of a staff in a witchcraft ceremony.⌋

Translated: Griffith, ii. 300. — He very pertinently notes that this hymn closely resembles in parts iv. 9. See W's notes thereon.

1. Thou art an extender of life-time; all-healing art thou called; so, O ointment, do thou [make] wealfulness; make, O ye waters, weal [and] fearlessness.

The translation follows our text, which is variously emended. In b, the mss. and comm. and SPP. read *vípram bheṣajám;* the comm. explains *vipram* as *prīṇayitṛ* (as if it were somehow *priyam*) *vipravac chuddhaṁ vā.* Ppp. gives *vipre.* In c, all have *çaṁtāte*, glossed by the comm. with *çaṁrūpa* ⌊the ms. of the comm. actually has *-pam*⌋. In d, all accent *ā́pas*, and also (with one accidental exception) *kṛtám;* but one of our mss. (probably also by accident) gives *kṛtá*, which we adopted, with emendation to *kṛta;* ⌊if I understand W's Collation Book, his B. has *kṛta*, without accent;⌋ SPP. is satisfied with emending to *kṛtam*, as if *āñjana* and *āpas* could somehow be construed together as a dual subject. Part of the mss. have *ucyate* at end of b. The *pada*-mss. read *çaṁtāte* without division. Ppp. has for second half-verse *yad āñjani draṁ çaṁtāte açināyo bhavaṁ kṛtam*, which is too corrupt to be of any assistance.

2. What the jaundice is, the *jāyā́nya*, the limb-splitter, the *visálpaka* — all *yákṣma* from thy limbs let the ointment expel (*nir-han*) out.

The mss. make very bad work with the last pāda, nearly all (the variations are of no account) giving *barhír nírahantv* (p. *barhíḥ : níḥ : ahantu*); SPP. makes the same emendation that we had made; and ⌊it is confirmed by⌋ Ppp. and the comm., ⌊which⌋ have the same. ⌊Three or four of SPP's authorities, including two reciters, gave *bahís.*⌋

In a, the comm. strangely reads and explains *jyāyān yaḥ;* Ppp. presents *jāyāṁyo.* For *visalpakas* (which SPP. reads here also, as in vi. 127 and ix. 8), the comm. gives *visarpakas*, explaining it as *vividhaṁ saraṇaçīlo vraṇaviçeṣaḥ;* Ppp. has *viçalyakas.*

3. The ointment, born on the earth, excellent, giving life to men — let it make [me] unperishing, of chariot-swiftness, free from offense.

Ppp. reads in d *rathajūtam.* The comm. thinks the word may mean either *rathavadvegagāminam* or *rathavantaṁ.*

4. O breath, rescue thou breath; O life-breath (*ásu*), be gracious to life-breath; O destruction, free us from the fetters of destruction.

⌊Prose.⌋ The comm. follows a different division in verses 4–7, making of them but three verses,* and of the whole hymn but nine. The method of the mss. and the Anukr. is plainly decidedly preferable; it is followed also by SPP. One does not see any justification for the division by the Anukr. of the last five words of this verse into two pādas, with five syllables (*çañku-*) in the closing one. ⌊It counts 7 + 7 : 7 + 5.⌋ Ppp. reads *trāyasva aso 'save.* The comm. has *mām* instead of *nas.* About half the authorities give at the beginning *prā́ṇas.* ⌊For the citation of the vs. by Kāuç., see introd. to this hymn, and cf. especially p. 897, ¶ 3.⌋ *⌊Our 4,5ab = his 4; our 5cd,6ab = his 5; our 6cd,7 = his 6.⌋

5. Embryo of the river art thou, flower of the lightnings; the wind [thy] breath, the sun [thine] eye, from the sky [thy] milk.

⌊Prose.⌋ SPP. and the comm. read *púṣpam*, and all the mss. probably are to be regarded as having it; *ṣpa* and *ṣya* are practically indistinguishable in the mss. Ppp. also gives *puṣpam.* At the beginning all the mss. have *síndho* (p. *síndho íti*); even SPP. emends to *síndhos*, the comm. giving it. The comm. curiously explains *vidyutām puṣpam* by *vṛṣṭyudakam:* one can hardly help suspecting a misreading. The Anukr. scans the "verse" (restoring the *a* of *asi*) as 6 + 5 : 12 = 23; its definition is far from acceptable. ⌊Bloomfield discusses the vs., AJP. xvii. 405.⌋

6. O divine ointment, thou from the three-peaked [mountain], do thou protect me all about; the herbs do not surpass (*tṛ*) thee — those from abroad and those from the mountains.

All the mss. ⌊save one of SPP's⌋ read *dévāñjanam* (p. *déva○āñj-*) *trāíkakudam;* SPP. emends the former to *-na*, but not the latter to *-da*, although this is as indisputably vocative as the other; the comm. ⌊with one of SPP's mss.⌋ makes the same difference, though he regards *trāikakudam* as vocative (*he trāik-*). Ppp. reads *devāñjani trāikakuda.* ⌊As to the rarity of neuter vocatives, see my *Noun-Inflection*, p. 339.⌋ The great majority of mss. accent *bāhyā́s;* SPP. reads *bā́hyās.* The comm. understands the word as meaning "from other localities than the mountains." Our emendation to *bāṭyā́s*, supported by an article ⌊2. *vāṭyá* 'cultivated'⌋ in the major Pet. Lex. ⌊vi. 903⌋ is withdrawn by the omission of that article in the minor Lex. Ppp. reads corruptly *bāhyaṁ parvatyā.*

7. The demon-slayer, disease-expeller, hath crept down over the middle here, expelling all diseases, making portents vanish from here.

The change to masculine here in b is obscure and questionable; emendation to *-cā́tanam* is desirable; it would allow *idám* to be understood as 'this [ointment],' which is easier and more natural. Ppp., too, has *-cātanaṁ*, which gives the emendation sufficient support.* Ppp. has for a *vīraṁ madhyam avāsṛjat.* The *pada*-mss. commit the egregious inconsistency of reading *cātáyan : nāçáyat* in c, d; SPP. emends in *pada*-text to *cātáyat.** Ppp. has in d *nāçayatam ivāhitā.* ⌊In c of the Berlin ed., correct *sárvaç* to *sárvāç.*⌋

*⌊Both editions print *rakṣohā́mīvacā́tanaḥ*, and the *pada*-reading is *rakṣaḥ∘hā́ : amīva∘cā́tanaḥ.* Whitney, doubtless by oversight, neglects to say how he would emend *rakṣohā́* to make a corresponding neuter of it, and the question is a very troublesome one (for details, see *Noun-Inflection*, p. 478 end, p. 479). The neuter form would properly be *-hă′;* but none such is quotable, so far as I know, unless here. May it be that we have here that very form, *-hă′* (neuter), concealed in the combination *-hā́mīva-*, and that the misunderstanding of it as *-hā́* (masculine) *amīva-* led to a corruption of an original *-cā́tanam* into *-cā́tanaḥ* and also of an original *pada*-reading *cātáyat* into *cātáyan?* If so, all would be in harmony.⌋

8. Much untruth, O king Varuṇa, doth man (*pū́ruṣa*) say here; from that sin (*áṅhas*) do thou free us, O thou of thousand-fold heroism.

The mss. vary between *rā́jan* and *rājan*, and between *ánṛtam*, *anṛ́tam*, and *ánṛ́tam.* The great majority accent at the end *páryaṅhasaḥ*, and all the *pada*-mss. have *pári∘ aṅhasaḥ.* SPP. reads at the beginning *bahv ìdám*, after the manner of the Sāma-Veda; we emended to *ìdám*, because that is the Atharvan practice (cf. note to Prāt. iii. 65, p. 499), against which the concurrence even of all the mss. ⌊save W's I.⌋, as here, ought not to count. Ppp. reads in b *puruṣaḥ.*

9. In that we have said O waters, O inviolable [kine], O Varuṇa, from that sin do thou free us, O thou of thousand-fold heroism.

That is, if we have called these divinities to witness an untruth: cf. the nearly equivalent vii. 83. 2 c–e. The translation implies emendation to *ághnyās; váruṇa*, which can be only vocative, proves each of its predecessors such; the comm. understands all the three as vocative, and paraphrases [*he*] *āpo yūyaṁ jānīdhve, he aghnyā yūyam mama cittaṁ jānīdhve*, etc. Ppp. reads in b *varuṇena yad.* Our mss. read again *páryaṅh-* (p. *pári∘aṅhasaḥ*), and so apparently do SPP's, although he does not distinctly say so; ⌊his note to vs. 8 (note 2, p. 455) perhaps makes such an implication⌋.

10. Both Mitra and Varuṇa went forth after thee, O ointment; they, having gone far after thee, brought thee back for enjoyment (*bhogá*).

All the authorities ⌊save W's E. and one of SPP's reciters⌋, and Ppp. also, give at the end *púnar ohatu;* but the *pada*-mss. give *púnaḥ : rohatu*, which is a blunder, since the corresponding *saṁhitā* would be *púnā rohatu* ⌊which W's E. in fact has⌋. SPP. emends to *púnar ó "hatuḥ* (p. *púnaḥ : ā́ : ūhatuḥ*), and the translation follows this, rather than our own nearly equivalent and equally acceptable emendation to *púnar ó "hatām.* ⌊Whitney here overlooks the lack of accent on the *oh-*: the Berlin text, the text of W's Collation Book, and his *Index*, under 1 *ūh*, all give *ohatām* without accent. Root 1 *ūh* does not appear to be quotable with *ā́*, and it would seem that SPP's emendation (root *vah* with *ā́*) must of need be preferred.⌋ The comm., ⌊with his text, and with SPP's reciter V., who accented *púnar āhatuḥ*,⌋ gives *punar āhatuḥ* (= *punar āgantavyam ity ūcatuḥ!*). ⌊We might better render *bhogāya* by 'for our use.'⌋ Half the mss. accent with us *ánu préy-* in b; SPP. gives *anu*, with the *pada*-text (*anu∘préyatuḥ*).

45. With an ointment etc.: for various objects.

[Bhṛgu. — daça. 1–5. āñjanadevatyam; 6–10. mantroktadevatyam. 1, 2. anuṣṭubh; 3–5. triṣṭubh; 6–10. 1-av. mahābṛhatī (6. virāj; 7–10. nicṛt).]

⌊Prose in part, vss. 6–10.⌋ Found (except vs. 9) also in Pāipp. xv., next after our 44. The practical use is, according to the comm., the same with that of 44.

Translated: Griffith, ii. 301.

1. Bringing together witchcraft to the house of the witchcraft-maker, as it were debt from debt, do thou, O ointment, crush in the ribs of the hostile eye-conjurer.

With the second half-verse compare ii. 7. 5 **c**, **d**. The first half seems to mean "paying back or returning . . . as debt upon debt, or repeated debt"; this is, except for the sense given to the ablative *ṛṇāt* (which he explains by *ṛṇāt . . . bhītaḥ*, or, alternatively, *ṛṇadātur uttamarṇāt:* both wrongly), the understanding of the comm. ⌊Griffith says: "*As debt from debt:* as a man returns to his creditor a part of what he owes him."⌋ Many of the authorities give *riṇā́d riṇám* (Ppp. has *ṛṇ-*); and some accent the first syllable, *ri-* or *ṛ-*. At the end of **a**, nearly all have *saṁnayáṁ* (p. *sam°nayám*), but the comm. *saṁnayan*, which SPP. adopts (*saṁnáyan*) and which is followed in the translation above, as being a smaller alteration of the original than our emendation *sáṁ naya*, and at least equally acceptable in point of sense. In **c** the comm. has the bad reading *cakṣur mitrasya*. Ppp. ends **d** with *āñjanam*.

2. What evil-dreaming [is] in us, what in [our] kine, and what in our house, also the . . . of one hostile, let him that is unfriendly take upon himself (*prati-muc*).

Both sense and meter require the emendation in **d** of *priyás* to *ápriyas*, and the comm. has the latter, but all the authorities,* and Ppp. (*durhārdaṣ priya pra-*), and SPP. give the former. In **c**, the general reading of the mss. is *ánāmagas tvám* (p. *ánāmagaḥ : tvám*); for *tváṁ ca* is found *tvā́ṁ ca*, *táṁ ca*, *táṁta*, ⌊*tvác ca*, *tá ca*, *tac ca*⌋. SPP. accepts *ánāmagas tám*, but what sense he can possibly attach to the words does not appear. Ppp. gives *māmagatasya dur-*. The comm. reads *anāmakas tac ca*, which is equally impossible; and he makes a senseless explanation of *anāmakas: īdṛṅnāmā tādṛṅnāme ’ty evaṁ nāmarahitaḥ;* and he falsely regards *durhārdas* as a nom. sing. qualified by *anāmakas*. Our conjecture, *anāmayatváṁ ca d-*, is very unsatisfactory, in regard both to meter and to sense; *anāgastvám* 'guiltlessness' would make a good *anuṣṭubh* pāda, and be very near to the reading of the mss.; but it would be, equally with *anāmayatvam*, discordant with *duṣvápnyam*, and would require *priyás* in **d**. ⌊Ppp. reads *muñcatā* at the end.⌋

*⌊The reciter V., curiously, has as an alternative, *durhā́rdo ’priyás*, which (the accent being wrong) is neither one thing nor the other, but may well be taken as supporting the comm's reading *ápriyas*, as against *priyás;* the true *saṁhitā*-reading would then be *durhā́rdó ’priyaḥ*.⌋

⌊The solution of this desperate passage seems to me to be suggested by 57. 5 below, of which the first part is identical with our **a**, **b** here, and of which the second part begins with *anāsmākás tád* and ends (nearly like v. 14. 3 **d**) with *niṣkám iva* (pronounce *niṣkéva*) *práti muñcatām*. In our **c**, **d** I would read *anāsmākás tád durhā́rdó ’priyaḥ práti muñcatām* (*pada*-reading *duḥ°hā́rdaḥ : ápriyaḥ*), and render 'that let him who is not of us, the evil-hearted, the unfriendly, put upon himself.' The *tád* is supported by the comm., and in a measure by SPP's D.V. and C^s.; the *ápriyas*, by the comm. and V. (as above) and the meter; and *anāsmākás* comes near to the ms.-readings, and, indeed, considering the *ánāmakas* of the living reciter V. and of the comm., is not ill supported.⌋

⌊It remains to note that no valid objection can be taken against making a nom. sing. of *durhā́rda-s:* its use as such is a natural way of avoiding the form from the consonantal stem (which was as much of a stumbling-block to the ancient Hindu as it is to the modern tyro in Sanskrit), and is entirely analogous to the use of *hṛ́dayam* rather than *hṛ́d* (cf. my *Noun-Inflection*, p. 471). The comm. is accordingly right in saying here *durhārdo duṣṭacittaḥ*, as he was also in glossing the *suhā́rt* of ii. 7. 5 by *çobhanahārdaḥ sumanaskaḥ*. The nom. *durhā́rda-s* is a form of transition to the *a*-declension, with *durhā́rd-am* (so viii. 3. 25) as its point of departure (cf. *durhā́rdān* of the mss. at xix. 28. 8); just so the later *pā́da-s* (from *pā́d-am*) replaces the older *pā́t* (*Noun-Inflection*, p. 471).⌋

⌊Of the older nom. sing. masc. or fem., however, the true form is *suhā́r*, p. *su○hā́ḥ*, of which traces, albeit scanty, are found in the Veda: one is at MS. iv. 2. 5, p. 26^{19}, *priyā́ naḥ suhā́r ṇaḥ;* and another is at AV. ii. 7. 5, where both ed's read *yáḥ suhā́rt téna naḥ sahā́*. Here the *saṁhitā*-authorities taken together are divided between *suhā́rt téna* (so 11) and *suhā́t téna* (so 6); but the *pada*-authorities (7 out of 8) give *su○hā́t*, the notable exception being the *çrotriya* K., who recited the true form *su○hā́ḥ*. The *saṁhitā*-form for this ought to be *suhā́s* (*téna*), and possibly this form is concealed in the reading *suhā́tténa* of S^m. etc. If not, then (since *rtt = rt: Gram.* § 232) we may regard the combination *suhā́rt t-* as representing *suhā́r t-*, nom. *suhā́r*, with breach of the rule of sandhi requiring the change of *suhā́r* to *suhā́s* before *t-*. The motive for this breach was perhaps to avoid disguising still further the form *suhā́r*, itself extremely rare and none too easily recognized; and the motive is perhaps as clear as it is in the case of *aves avet*, *ajāis ajāit*, etc., cited by W., *Gram.* § 555 a.—The nom. *suhā́rt* seems to be grammatical and not intolerable in the texts, and to be unparalleled (cf. *Noun-Inflection*, p. 472).⌋ ⌊☞ See p. 1046.⌋

3. Increasing from the force of the refreshment of the waters, born out of Agni Jātavedas—may the ointment that is four-heroed, that is of the mountains, make the quarters, the directions, propitious to thee.

In **a**, *ūrjás* might, of course, be ablative, coördinate with *ójasas;* the whole expression is too obscure to help the construction by the sense. The comm. reads *ūrjam;* Ppp. combines *ūrjo 'jaso*, and has in **c** *parvataṁ*. The Anukr. does not heed the redundant syllable in **c**.

4. The four-heroed ointment is bound to thee; be all the quarters free from fear for thee; firm shalt thou stand, like Savitar desirable; let these people (*víças*) render thee tribute.

In **a**, **b** Ppp. combines *badhyatā ''ñj-*, *diço ‘bhayās*. In **c**, the mss. ⌊with one or two exceptions⌋ read *cāryà i-* (p. *ca : āryàḥ*); SPP. alters the accent to *cā́rya* (p. *ca : ā́ryaḥ*); our emendation to *vā́ryas* ⌊W's B. has *vāryà i-*⌋ is not absolutely necessary, yet certainly a plausible improvement; and it is in a certain measure supported by Ppp., which gives *vāri ịmā;* the translation above implies it. The comm. understands *arya*, vocative, rendering it by *svāmin*. In **d** all the mss. have *víças* ⌊but W's E. seems to have *díças*⌋, and our substitution of *díças* was hardly called for; but Ppp. favors it, reading *diço bhriyante.* The comm. gives two explanations for the strange epithet *caturvīra*, showing that he is merely guessing what its sense might possibly be. We have in **d** again an extra syllable of which the Anukr. takes no notice.

5. Use thou one as ointment; make one an amulet; bathe with one; drink one of them; let the four-heroed one protect us about from the four destructive bonds of seizure (*grā́hi*).

All the mss.* have at the beginning *ā́kṣva*, which the *pada*-text leaves undivided; SPP. goes so far as to emend the latter to *ā́ : akṣva*, but is unwilling to follow us in reading *ā́ 'ñkṣva*, although *akṣva* is no possible form, and the comm. agrees with our emendation. Ppp. reads *ākṣakaṁ maṇ-*. In **b** the mss. give *ékenā́pivālkam*, and the *pada*-mss. resolve it into *ékena : ápi : vā : ékam*. Our emendation to *ékena píbāi 'kam* is evidently just what is required; but SPP. chooses to retain *ékenā́*, and so reads ⌊in *pada*-text⌋ *ékena : ā́ : piba*, remarking that "if RW. had discerned the *ā́* after *ékena*, their very correct emendation would have been free from the defect of unnecessarily changing the ancient accent of the *saṁhitā*-text." This reads like a joke, considering how the text of book xix. (not to speak of previous books) abounds in gross errors of accentuation, and how often we and he have been compelled to emend it — for example, in the preceding verse, where the "ancient accent" *cāryà* was changed by him to *cā́rya*. ⌊Apart from this passage,⌋ the compound *ā + pā* does not occur in the Atharvan, and, although it is not unknown, it would be distinctly out of place here. The version of the pāda in Ppp. is totally corrupt: *çvāçīkenapavīkam eṣām.* The comm. reads *ekenā 'vivekam eṣām*, and labors, with his usual ill-success, to devise an explanation of *avivekam.* To *ekam* etc. he supplies *āñjanam;* as his reading gets rid of the fourth, he connects the first three with the "three-peaked mountain" from which the ointment is derived: *triṣu parvatakakutsū 'tpannāni!* Apparently the fourfold-ness is related in some way or other to the "four-heroed"-ness. In **d**, the comm. commits the extraordinary blunder of taking *grāhyās* as gerundive: *grahītavyā āñjanamayā oṣadhayaḥ!* and this compels him to change *pātu* to *pāntu.* The *pada*-mss. (except one of SPP's, p.m.) have *grā́hyā*, they also failing to recognize the not uncommon noun *grā́hi;* SPP. makes the necessary emendation to *-hyāḥ.* *⌊But SPP's S^{m}., *ākṣvā́ikam.*⌋

6. Let Agni favor (*av*) me with fire (? *agní*), in order to breath, to expiration, to life-time, to splendor, to force, to brilliancy, to well-being, to welfare: hail!

The comm. is uncertain whether by the second *agni* (*agninā*) is meant *agnītvadharmeṇa*, or *pāvakādiguṇakena svamūrtyantareṇā 'gninā sahitaḥ.* All the mss. accent *subhūtáye* here, ⌊but *súbhūtyā* at iii. 14. 1 (cf. *Grammar* § 1288 e): SPP. accents here *-táye*, with the mss.; but the Berlin text *sú-* here, in conformity with both editions and the mss. at iii. 14. 1⌋. Ppp. reads *mā agninā.*

7. Let Indra favor me with what is Indra's (*indriyá*), in order to breath etc. etc.

The comm. gives a double interpretation of *indriya.* Ppp. again has *mā indriy-.*

8. Let Soma favor me with what is Soma's (*sāúmya*), in order to breath etc. etc.

The comm. explains *sāúmyena* as *somatvasampādakena dharmeṇa jagadāpyāyanakāritvādidharmeṇa.*

9. Let Bhaga favor me with fortune (*bhága*), in order to breath etc. etc.

The comm. has here a lacuna, embracing the commentary to this verse and the text of the next. ⌊The verse is wanting in Ppp., as noted above.⌋

10. Let the Maruts favor me with troops, in order to breath etc. etc.

Ppp. reads this time *suprabhūtaye.* It is possible to make out of these prose "verses" the number of syllables demanded by the Anukr. Perhaps the modification *nicṛt* belongs only to vss. 7–9 (the manuscripts are discordant and unclear).

⌊Here ends the fifth *anuvāka*, with 12 hymns and 74 verses.⌋

46. With and to an amulet called ástṛta 'unsubdued.'

[*Prajāpati.—saptakam. astṛtamaṇiddāivatam. trāiṣṭubham: 1. 5-p. madhyejyotiṣmatī triṣṭubh; 2. 6-p. bhurik çakvarī; 3, 7. 5-p. pathyāpañktị; 4. 4-p.**; *5. 5-p. atijagatī; 6. 5-p. uṣṇiggarbhā virāḍ jagatī.*] *⌊The Anukr. says: *indrāya tvā* (vs. 4) *catuṣpadā: asmin maṇāv* (vs. 5) *iti pañcapadā jagatī* (Berlin ms., *atijagatī*)*:* most unsatisfactory; and why should vs. 4 be defined as *4-p.?*⌋

Found also in Pāipp. iv. (in the verse-order 1, 2, 6, 5, 3, 4, 7). Used, according to the comm., by one desiring strength, in a *mahāçānti* ceremony called *mārudgaṇī*, with a threefold amulet named *astṛta*, being so prescribed by Nakṣ.K. 19.

Translated: Ludwig, p. 462; Griffith, ii. 302. — See also Bergaigne-Henry, *Manuel*, p. 165.

1. Prajāpati bound thee first [as] unsubdued (*ástṛta*), in order to heroism; it do I bind for thee in order to life-time, to splendor, and to force and to strength: let the unsubdued one defend thee.

Astṛta is literally 'not laid low.' In the two occurrences above (i. 20. 4: v. 9. 7) it is accented on the final; but, as *ástṛta* would be the normal accent, it is left here unchanged in our text, as well as in SPP's. The *pada*-texts read in **a** *badhnāt*, but that is no reason why we should not understand it as *abadhnāt*, and our text (not SPP's) so prints it. Our text further emends at the beginning of **c** the *tát* of the mss. to *táṁ*, as required by the gender of *astṛtas.* The omission of *badhnāt* in **a**, and of *várcase* in the second half-verse, would make an *anuṣṭubh* (apart from the refrain); but the meter throughout the hymn is unusually careless of regularity, and Ppp. has both words, reading in **a**, **b** *badhnātu prathama saṁbhṛtaṁ*, and in **d**, **e** combining *varcaso 'jase* and *ca astṛtas.* ⌊With **c**, **d**, cf. iv. 10. 7 **c**, **d**.⌋

2. Standing upright, defend thou this man unremittingly, O unsubdued one; let not the Paṇis, the sorcerers, damage thee; as Indra the barbarians, [so] do thou shake down them that fight [us]; overpower and scatter (*ví*) all our rivals: let the unsubdued one defend thee.

All the mss. ⌊with unimportant variants⌋ read in **a** *tiṣṭhanta;* SPP. emends to *tiṣṭhatu*, because the comm. reads the latter; our *tíṣṭhan* suits the connection decidedly better. ⌊The vocative *astṛta* and the *tvā* are⌋ perhaps sufficient reasons for our altering the *rákṣann* of the mss. (also of the comm. and Ppp.) into *rakṣa*, and the translation follows ⌊the printed text of Berlin⌋. To humor his *tiṣṭhatu*, SPP. changes the following *ástṛta* (mss. *ástṛte 'mám;* p. *ástṛta : imám*) to *ástṛtas* ⌊but only in the *pada*-text, so that his *saṁhitā* does not agree therewith⌋; our text simply emends to *astṛta* ⌊accentless⌋; the comm. also regards the word as vocative. Ppp. has instead *saṁbhṛta*, ⌊and, if I understand Roth's Collation, combines it with a following corrupt *imanu*, so as to read *saṁbhṛte 'manu*⌋; and, in **c**, Ppp. has *indrī 'va.* The majority of mss. accent *pṛtanyátas.* The Anukr. apparently means us to scan thus: 11 + 4 + 11 : 15 + 8 + 8 = 57.

3. Whom even a hundred, hurling (*pra-hṛ*), smiting down, have not subdued (*stṛ*), to him Indra committed sight, breath, also strength: let the unsubdued one defend thee.

In **a**, the *pada*-mss. wrongly divide *ca : ná*, and SPP. follows them. In **b**, about a third of SPP's authorities read *vighnántas;* Ppp. has *bhijanto.* The *yám* that follows it is our emendation, plainly suggested by the meter, the requirement of the sense, and the accent of the verb; but the comm. and Ppp. agree with the mss. in lacking it. At the end of **b** our *tastriré* is an emendation (now supported by Ppp., which has the same reading) for the *tastiré* of the mss. (one or two have *tasthiré*), the comm. ⌊but the ms. has *nirastire*⌋, and SPP.; the comm. explains it as = *tastarire*, with Vedic omission of part of the ending: this is of his usual degree of insight; what SPP. would do with his *tastiré* is hard to see; the emendation to *tastriré* is obvious and unquestionable. For *tásmin* in **c** Ppp. gives *yasmin.* The mss. in general read *páryadanta* (p. *pári : adanta*), but two or three of ours, with the comm's text (SPP.), *-ntaḥ cá-*; our emendation to *páry adatta*, now ratified by Ppp., is accepted by SPP. The comm's explanation implies *pari yad antaç ca-*; and he takes the *yat* as a form of root *i* (*pari yat paryagamayat paripūritavān*)! With the insertion of *yám* in **b**, the verse is a good *pañkti*, as defined by the Anukr.

4. With Indra's defense (*várman*) we surround thee, who became over-king of the gods; let all the gods lead thee forward again; let the unsubdued one defend thee.

A part of the verse ⌊pāda **b**, it would seem?⌋ has fallen out in Ppp.; ⌊this has *dhāmāi* for *dhāpayāmo*⌋. The meter is insufficiently defined by the Anukr. (13 + 11 : 11 + 8 = 43): ⌊see introduction, above⌋.

5. In this amulet [are] a hundred and one heroisms; a thousand breaths in this unsubdued one; a tiger, do thou attack (*abhi-sthā*) all [our] rivals; whoso shall fight against thee, be he inferior (*ádhara*): let the unsubdued one defend thee.

SPP. reads in **b** *asmin;* our *asmín* is given by a small minority of the mss.; the majority have *ásmin*, some *asmin*, one *asmìn.* ⌊The vs. (11 + 10 : 11 + 11 + 8 = 51) is a *triṣṭubh* (defective in **b**), with the refrain added: see introd.⌋

6. Snatched out of ghee, rich in honey, rich in milk, thousand-breathed, hundred-wombed (?*-yóni*), vigor-imparting, both wealful and delightful, both rich in refreshment and rich in milk — let the unsubdued one defend thee.

⌊We had **a** at 33. 2 **a**, above: cf. v. 28. 14.⌋ Ppp. reads at the beginning *ullabdhas;* one or two of SPP's mss. have *dúrluptas* ⌊cf. note to xviii. 2. 3⌋, *úrluptas.* In **b**, all the authorities (save one or two) give *sahásram prāṇás* or *sahásra prāṇáḥ*

(p. *sahásram : prāṇáḥ*);* but the comm. implies (perhaps only by his usual neglect of accent) *sahásraprāṇas*, and SPP. reports one of his mss. as giving the same; and he accordingly follows us in adopting it; Ppp. reads with the mss. ⌊*sahasraṁ prāṇaḥ*⌋. The comm. gives an extraordinary explanation of *-yoni* in **b**: *yoniçabdena çatrusaṁgamananimittaṁ çatruviyojanasādhanaṁ vā balaṁ vivakṣyate:* that is, without any regard to the established meanings of *yoni*, he takes it here as a mere representative of the radical sense of the root *yu* 'unite' or of the root *yu* 'separate'—he does not venture to decide which! The metrical description of the Anukr. is fairly correct (11 + 12: 7 + 8 + 8 = 46). *⌊These corruptions of the true *sahásraprāṇas* are noteworthy as examples of faulty half-way assimilation of a reading to something similar in the immediate context: here the cause of the confusion is plainly the *sahásram prāṇā́ḥ* of vs. 5 **b**.⌋

7. That thou mayest be superior, free from rivals, rival-slaying—mayest be controler of thy fellows—so may Savitar make thee: let the unsubdued one defend thee.

The mss., and SPP., read in **a** *uttarás* (p. *ut°taráḥ*); our text makes the necessary emendation to *úttaras*. In **c**, the same read *asat;* we emended to *asas*, and ought to have gone a step further and accented *ásas*, since the following *táthā* shows that the three preceding pādas are all alike under the government of *yáthā;* Ppp. has in **c**, with us, *asas*. Ppp. further combines *'so 'sapatnaḥ* in **a–b**, and reads *tvā abhi* in **e**.

47. To night: for protection.

[*Gopatha.—navakam. mantroktarātridevatyam. ānuṣṭubham: 1. pathyābṛhatī; 2. 5-p. anuṣṭubgarbhā parātijagatī; 6. purastādbṛhatī; 7. 3-av. 6-p. jagatī.*]

Found also in Pāipp. vi. According to the comm., hymns 47 and 48 form a single "sense-hymn" (*arthasūkta*), and 49 and 50 another; and their use is prescribed in Pariç. 4. 3–5, as of two hymns, in a ceremony of worship of night.

Translated: Ludwig, p. 467; Zimmer, p. 179; Griffith, ii. 303.

1. O night, the earthly space (*rájas*) hath been filled with the father's orderings (*dhā́man*); great, thou spreadest thyself (*vi-sthā*) to the seats of the sky; bright darkness comes on (*ā-vṛt*).

The verse is VS. xxxiv. 32, and is also found as first verse of a *khila* (Aufr., p. 682) to RV. x. 127, in both places without variant. ⌊It is quoted in Nirukta, Dāivatakāṇḍa iii. 29.⌋ Ppp. reads in **b** *pitaraṣ prāyu dh-*, and in **c** *sudhāṅsi*. The comm. holds 'the father' in **b** to designate the "skyey world" (*dyuloka*), quoting the commonplace *dyāuḥ pitā pṛthivī mātā* in support of it; *dhāmabhis* he glosses with *sthānāiḥ saha*, and *tveṣam* with *dīpyamānam*. ⌊For *dhā́mabhis* we might perhaps better say 'by *or* in accordance with the orderings'; but Griffith understands it as 'wondrous works.'⌋

2. She of whom the further limit is not seen, nor what separates; in her everything that stirs goes to rest (*ni-viç*); uninjured may we, O wide darksome night, attain thy further limit—may we, O excellent one, attain thy further limit.

In **a**, SPP. accents *dádṛçe*, without adding any note as to ms.-readings; it is perhaps merely an oversight, as all our mss. save one have plainly *dadṛçé*, and this is the Atharvan accent (cf. x. 8. 8), against RV. *dádṛçe*, which is wholly anomalous. Ppp. reads *yoyavad*, and, in b, *ni miṣate rejati;* its c is wholly corrupt. The comm. connects *na yoyuvat* with what follows, and explains it thus: *na vibhajamānaṁ vibhaktaṁ nā 'sīt kiṁ tu viçvam ekākāram evā 'bhūt.* The RV. *khila*, in vs. 4, has pāda e, twice repeated.

3. The men-watching lookers that are thine, O night, ninety [and] nine — eighty are they [and] eight, also seven [and] seventy of thine; —

In b, SPP's *pada*-mss. have *navatī́ḥ.* In c, the decided majority accent *açī́tis*, and all *santi*, which SPP. emends to *sánti*, thus changing "the ancient accent," and without sufficient reason, since *santi* is defensible, 3 c to 5 b inclusive being of the nature of a parenthesis, extending the *navatī́r náva* of 3 b. The *khila* ⌊vs. 2⌋ to RV. x. 127 has a corresponding verse ⌊as also has ÇÇS. at ix. 28. 10⌋, with *yuktā́sas* for *draṣṭā́ras*, with *santu* in c, and ⌊so the *khila*, at least⌋ the accent *saptá* in d. The Atharvan mss. vary between *sápta* and *saptá;* our text gives the former, SPP. the latter, which is better, as being the usual Atharvan accent, and having ⌊about⌋ half the mss. in its favor. The comm. explains the *draṣṭā́ras* as "troop-gods" (*gaṇadevās*), and does not so much as hint at any connection with the stars, which nevertheless we cannot well question to be meant, in their various and manifold groupings. A *ca* after *aṣṭāú* in c would be a welcome addition to both meter and sense.

4. And sixty and six, O wealthy one; fifty [and] five, O pleasant one; four and forty, three and thirty, O mighty (*vājín*) one; —

Ppp. has in b *naçaṁnihi*, in d *vādini.*

5. And two of thine and twenty of thine, O night; eleven the least (*avamá*) — with those protectors today do thou protect us, O daughter of the sky.

At beginning of d all the authorities ⌊with one unimportant variant⌋ read *ná*, which seems impossible. We emended it to *nī* (cf. *nī pāti* in ix. 10. 23); SPP., following that blind guide the comm., reads *nú;* this is entirely unacceptable, both on account of the sense, and because *nú* cannot stand at the beginning of a pāda: cf. note to v. 6. 5. The authorities are much at odds as to the accent of *duhitar divas*, the majority having *duhitár divás.* Ppp. reads in b *rātrī ek-.*

6. Let no demon, [no] mischief-plotter master us; let no evil-plotter master us; let no thief today master our kine, nor a wolf our sheep; —

The mss. have at the beginning *rákṣā* (p. *rákṣa*), as 2d sing. imperative, and pāda d of RV. vi. 71. 3 (the verse is found also in VS. ⌊xxxiii. 69⌋ TS. ⌊i. 4. 24¹⌋ TB. ⌊ii. 4. 4⁷⌋ MS. ⌊i. 3. 27⌋) gives the same, ⌊as does RV. vi. 75. 10 d⌋. The translation follows our conjectured emendation, which, in view of the implausibility of the impv. *rákṣa* standing so alone, has a right to consideration. Ppp. reads *mākir ṇo a-.*

The comm. reckons our 6 a, b as a whole verse ⌊his 6⌋; our 6 c, d and 7 a, b as his vs. 7; our 7 c, d and 8 a, b as his vs. 8; our 8 c, d and 9 a, b as his vs. 9; and our 9 c, d and 10 as his vs. 10; thus making the sixth verse instead of the tenth to consist of two pādas only, while yet counting ten verses in the hymn. SPP., on the other hand ⌊see his Critical Notice in vol. i., p. 24⌋, counts vs. 6 as our edition does, but adds our 8 a, b to our vs. 7 to form his vs. 7, thus making it of six pādas; and then counts our 8 c, d and 9 a, b as his vs. 8, and our 9 c, d and 10 as his vs. 9. This is in accordance with the Anukr. ⌊in that it gives six pādas to vs. 7 and makes a total of 9 vss.⌋, and is a decidedly preferable division to that in our text, which was founded on the numbering of our first mss., and it will be followed in translating here. The sense, however, would be still better suited by making vs. 6 of three lines, instead of vs. 7. ⌊In what follows, I give first the numeration of the Berlin edition, and then, in parenthesis, SPP's numeration.⌋

7, 8 **a, b**. (7.) Nor a robber our horses, O excellent one; nor the sorceresses our men.

By the most distant roads let the thief, the robber, run; by a distant one let the toothed rope, by a distant one let the malignant hasten (*ṛṣ*).

As to the division, see under the preceding verse. In the fourth pāda, part of the mss. accent *taskarás*. In the first, there is discordance among them as to the accent of *bhadre*. The 'rope with teeth' is of course the snake, as the comm. also has sense to see (*rajjuvad āyataḥ sarpādiḥ*). Our 8 **a, b** is identical with iv. 3. 2 **c, d**; and our 7 **c, d** resembles **a, b** of the same verse. ⌊For *yātudhānyàs* the comm. reads the masculine, *-nās*.⌋

8 **c, d**, 9 **a, b**. (8.) Do thou, O night, make the snake blind, harsh-smoked(?), headless; grind up the two jaws of the wolf; cast (*ā-han*) the thief into the snare.

⌊Apart from the variation in **c**, the verse is identical with 50. 1, below: see note thereon.⌋ All the mss. (except, by accident, one of SPP's) at the beginning have *ándha;* SPP. reads *ádha*, with one ms. and the comm.; but *ádha* is plainly out of place, and *andham*, as emended in our text (it should have been accented *andhám;* ⌊correct the misprint⌋), a very plausible correction. Our rendering of *tṛṣṭadhūma* is mechanically accurate; probably the word is corrupt; Ppp. reads the pāda *andho rātri tiṣṭadhūmam*. The comm. explains as *ārtikārī dhūmo viṣajvālādhūmo ni-* (ms. *vi-*) *çvāsadhūmo vā yasya;* the translators understand *-dhūma* as "breath" or "odor"; ⌊Griffith renders 'with pungent breath'⌋. In **c, d** the mss. have *jambhdyāsténa tám̐ drupadé jahi* (but many of them have *-bhā́-*). SPP. follows them and prints *jambhdyās téna tám̐ dr-*: from this our text makes a bold departure * ⌊implying as its *pada*-reading *jambhaya : ā́ : stenám : drupadé : jahi*⌋; but something had to be done to make sense; any one is invited to do better if he can. The comm. reads with the mss., and forces through a meaningless version. Ppp. has a different and corrupt text: *hano vṛkasya jambhayādvāinam̐ nṛpate jahi* ⌊cf. end of note to 50. 1⌋.

*⌊The assumption of an *ā́* (*ā́ . . . jahi*) after *jambhaya* is supported by *nirjahyāsténa . . . jahi* at 50. 1 **c, d**, below, where the collocation is almost unequivocal (see the note); for although *jahyās* (as given by the *pada*-mss.) is a good optative of *hā*, the combination of *hā* with *nis* is hardly Vedic, and we must there assume the division *nir jahy ā ste-*, the locative *drupadé* fitting well with *ā jahi* (cf. i. 11. 4; x. 8. 4 **c**). The rationale of the corruption here is not hard to see: the hiatus between **c** and **d** being once covered by the fusion of the final of *jambhaya* with the *ā́* of *ā́ stenám*, nothing was easier than to see a form *jambhayās* in the first part of the combination, and then to substitute *téna* for the vastly less common *stenám* or for the meaningless *tenám* (which might be read out of the combination: see Prāt. ii. 40 note); the exigency of the meter occasioned by the blunder with *jambhayās* then made the insertion of *tám* easy. With the Berlin solution of the corruption, the meter is in perfect order. The interesting parallel from the Avesta, *hām zanva zembayadhwem*, Yasht i. 27, adduced by Geldner, KZ. xxx. 514, may here be noted.⌋

9 c, d, 10. (9.) With thee, O night, we stay; we shall sleep, do thou watch; yield refuge to our kine, horses, men (*púruṣa*).

'Stay' (*vas*) means specifically 'spend the night.' In b the *pada*-mss. commit the incredible blunder of dividing *svapiṣyā́m : ási* (or *asi*); some of the *saṁhitā*-mss. accent *svápiṣyā́-*; and all either *jāgṛhi* or *jā́gṛhi;* SPP. follows us in violating the "ancient accent" and emending to *jāgṛhí.* In c, Ppp. has *yachād aç-*.

48. To night: for protection.

[*As 47. — ṣaṭ. ānuṣṭubham: 1. 3-p. ārṣī gāyatrī; 2. 3-p. virāḍ anuṣṭubh; 3. bṛhatīgarbhā; 5. pathyāpañkti.*]

Found also in Pāipp. vi., in connection with hymn 47, with which it also shares its liturgical application.

Translated: Griffith, ii. 305.

1. Now then what things we note, or what things are within the box, those things we commit to thee.

The first pāda here differs widely from the traditional text, which instead of *cáyāmahe* has *ca yásmā* (p. *yásmāi*) *āha*, or (a minority) *yásmāha;* the comm's text (according to SPP.) gives *ca yasmā ha*, but his explanation implies instead *yasmāi* (explained as *=yasya*); and SPP. accordingly reads in *saṁhitā*-text *ca yásmā ha*, and in *pada*-text *ca : yásmāi : ha*, which is altogether to be condemned, since the two texts must correspond, and *yásmā* is also no word. SPP. in a note proposes further emendation of our *cáyāmahe* to *ca yā́mahe* (= *īmahe* or *yācāmahe*), which seems entirely unacceptable, as regards both form and sense. The whole verse is so obscure in meaning that we get little help from this element in reconstruction of the text; yet it is plain that we do not commit to another that which we do not possess, but are only wishing for. Ppp. also fails us; its reading of a, b is *atho yāni tamassahe yāni cā 'ntaṣ pareṇihi.* The *yā́nivāntáḥ* of b is by the *pada*-mss. strangely resolved into *yā́n°iva : antáḥ* (but one of SPP's has p.m. *yā́ni : vā : antáḥ*). It is also strange that SPP. emends to *cā 'ntáḥ*, on the sole authority of the comm., though as regards the sense there is nothing to choose between *ca* and *vā*. All the mss. accent *párīṇahi* (except our *pada*-mss., which have *pariṇáhi;* and one of SPP's has s.m. *pári : ṇahi*); but SPP. follows our emendation *parīṇáhi.* Nearly half the mss. have at the end *dadhmasi*, and Ppp. agrees with them. The comm. in his explanation connects the verse closely with 47. 9: there one's ⌊domestic⌋ animals were spoken of, here one's very numerous house-articles (*bahiṣṭhāni gṛhavartīni . . . vastūni*); and in two classes: those out in open sight (*anāvṛtadeçe*), and those inside an enclosed house or the like (*parito naddhe pariçrite gṛhādāu*).

2. O night! mother! commit thou us to the dawn; let the dawn commit us to the day, the day to thee, O shining one (*vibhāvarī*).

Compare 50. 7, below*; also MB. i. 5. 15, where more such commitments are given. The comm. reckons the first division of the verse to vs. 1. The metrical definition of the Anukr. is mere arithmetic (12 + 10 + 8 = 30). The *pada*-text, both here and below, leaves *vibhāvari* undivided (RV. *vibhā°vari*). *⌊Also vi. 107. 1–4.⌋

3. Whatsoever flies here, whatsoever that is crawling (*sarīsṛpá*) is here, whatsoever creature is on the mountain — from that do thou, O night, protect us.

The third pāda is wholly corrupt. All the mss. read *parvatāyāsatvam* (p. *párvatāya : sáḥ : tvám*), with some differences of accent (*-yāsátvam*, or *-yāsátvám*, or *-yā́sátvám*); and the comm. and SPP. (in *saṁhitā*) follow them (SPP. *-yāsátvam;* but in p., by emendation, *-tāya : asátvam*, since the comm. so understands). Our text emends to *párvaṇy ā́saktam* 'what has fastened on the joint,' which seems extremely unsatisfactory. The translation above is perhaps hardly better, but it implies a text much closer to the mss.—*párvata* (i.e. *-te*, hence *-tay*) *ā́ sattvám;* and so it may pass for what it is worth; it is by no means proposed as a definite solution of the difficulty. Ppp. has *padvad āsunvan*, which gives no help. Ppp. also reads *yadi kim* three times.

4. Do thou protect behind, thou in front, thou from above and from below; do thou guard us, O shining one; here we are, thy praisers.

5. They who follow (*anu-sthā*) the night, and who watch over beings, who defend all cattle—they watch over our selves (*ātmán*), they watch over our cattle.

The mss. accent *jā́grati** in **d** and **e**, and in **d** the accent might well enough be retained, on the principle of antithesis; SPP. gives *jāgrati*, like us. Emendation to *jāgratu* would be decidedly welcome in both pādas. Ppp. has considerable variations: for **b**, *yeṣu bhūteṣu jāgrabhi*,† and, for **d**, **e**, *tenā tvam asi jāgratu te naṣ paçubhir jāgratu:* corrupt, but supporting our proposed *jāgratu*. *⌊It is very reasonable to suppose that in *jā́grati* at end of **d** and **e** we have two cases of assimilation of an original *jāgratu* to the *jā́grati* which stands correctly at the end of **b** (cf. note to xix. 43. 7), each case being doubly faulty, in respect, namely, of accent and of ending.⌋ †⌊In Roth's Collation there is a note which perhaps means that Ppp. reads *jāgrati* for *rákṣanti* at end of **c**; but I am not at all sure.⌋

6. Verily I know thy name, O night; thou art "ghee-dripping" (*ghṛtā́cī*) by name; as such Bharadvāja knows thee; do thou watch over our property.

In **b**, Ppp. combines *vā 'si;* in **c** and **d** it reads, with our edition, *tvā* and *jāgṛhi*, while SPP. gives *tvā́m* and *jāgrati*, the latter for *jā́grati*, as all the mss. ⌊save one⌋ read; our emendation was a perfectly obvious one, and should have been followed by SPP. The comm., to be sure, reads *-rati*, but, by the simple application of his general rule, that any verb-form can be used for any other, he is able to declare it = *jāgartu*—which SPP. has too much knowledge and conscience to do. The *pada*-mss. have *tvā́m*, *tvām*, and *tvám;* our *tvā* was an emendation, called for after *tā́m*. More than half of the mss. accent *bharadvājás*. In our text, the accent-sign printed over *jā* in **d** should be shifted to over *dhi:* it is a misprint.

49. Praise and prayer to night.

[*As 47.*—daçakam. ānuṣṭubham: 1–5, 8. triṣṭubh; 6. āstārapañkti; 7. pathyāpañkti; 10. 3-av. 6-p. jagatī.*] *⌊The Anukr. adds *bharadvājaç ca* (or *bhārad-*), apparently meaning that Gopatha and Bharadvāja were jointly the seers in the case of this hymn.⌋

This hymn and the following occur together also in Pāipp. xiv. Their *viniyoga* is the same with that of the two preceding hymns (see under hymn 47). They are translated together (but in reversed order) by Ludwig.

Translated: Ludwig, p. 466; Griffith, ii. 306.

1. The lively woman, household maiden, night, of god Savitar, of Bhaga, all-expanded, of easy invocation, of assembled fortune (?-*çrī́*), hath filled heaven-and-earth with greatness.

In **a**, the *pada*-mss. read *dámūnā;* SPP. emends to *-nāḥ*. In **c**, all the mss., with the comm. and SPP., read *açvakṣabhā́* (p. *açva°kṣabhā́*), which, as being unintelligible, our edition emends at a venture to *viçvávyacās*, and the translation follows the latter, for lack of anything better. The comm. gives two explanations: *açu* (*= āçu*) + *akṣa* + *bhā* (*= abhibhavati* or *tiraskaroti*), meaning *çīghrapravṛtticakṣurādinirodhikā;* or, alternatively, by analogy with vs. 4 **c**, *açvakṣā* (*= açvān kṣāyati* or *kṣapayati*) *bhā* (*= dīptiḥ*) *yasyāḥ sā:* both as absurd as possible. Ppp. reads *açvakṣarā*. Many of the mss. read *sámbhṛtaḥçrīr*, and the *pada*-mss. divide falsely *sám°bhṛtaçrīḥ* instead of *sámbhṛta°çrīḥ;* SPP. follows them. Ppp. reads *saṁbhṛtaḥçīr ā*.

2. The profound one hath surmounted all things; the most mighty one hath ascended to the loftiest sky; the eager night spreads toward me like a friend with excellent *svadhā́s*.

The translation follows our text of the verse, which, however, is full of emendations, and by no means satisfactory. Nearly every ms. reads at the beginning *ávi* (one *áviṁ*, and one authority ⌊SPP's reciter V., with impossible accent⌋ *ábhi*), while Ppp. has *abhi*, which is also, except for the accent, an easier emendation for *ávi*. The comm. has *ati*. Nearly all authorities, again, have for verb in **a** *áruhat* (the accent is perfectly defensible as an antithetical one, and might well have been left in our text); but the reciter V. gives (*ábhi*) *árhat*, thus agreeing in part with the (*ati*) *arhat* of the text of the comm.; ⌊and one of W's mss. has *ásahat*⌋. The explanation of the comm. reads *atyarhati*, which he glosses by *atikramya vyāpya vartate*, which is wholly without authority, since even the Dhātupāṭha gives only *pūjāyām* as the sense of *arh*. Ppp. has *aruhat*. SPP. goes half way with the comm., adopting *áti . . . aruhat* (unnecessarily abandoning the "ancient accent" of the verb). All authorities have *víçvāni* (but Ppp. only *viçvā ar-*); and all ⌊save Ppp. again⌋ have *gambhīró*, p. *-ráḥ*, ⌊but one of W's *pada*-mss. gives *-rā*, p.m.⌋, although the comm., against his own text (according to SPP.), explains *gambhīrā*. Here perhaps Ppp. brings help, reading *gabhīro 'd varṣ-*; this is better than our *-rā́ = rā́ : ā́*. ⌊The *gabhīrā́* of the Berlin ed. seems to be a misprint for *gambhīrā́*, if we judge by the Collation Book and the Index Verborum: but it may be intended as an emendation, as it certainly is a metrical improvement.⌋ SPP. reads *gambhīró vá-*, although *gambhīrás* is simply unusable, and the change to *-rā́* as easy as possible. Nearly all, including Ppp., read *várṣiṣṭham*, ⌊save three of SPP's authorities and one of W's, which have *-ṣiṣṭam*⌋. Then follows in nearly all *aruhántas*, p. *aruhántaḥ;* but *-háta* is found in one, *-hánta* in two, and *arháti* is given by a reciter, with the comm.; the comm. has *arhati*, and explains it precisely as he did his *ati . . . arhati* above; SPP. emends to *aruhanta;* our ⌊*ā́ . . .*⌋ *dyā́m aruhat* is very bold, but the case was a desperate one. Ppp. reads *aruhad açraviṣṭhā*, and this, with emendation to *áçramiṣṭhā* (cf. RV. iv. 4. 12), makes acceptable sense. One of SPP's mss. has *çramiṣṭhā́*, but doubtless only by accident; all the other authorities, including the comm., have ⌊apart from some unimportant details⌋ *çraviṣṭhā́*, which SPP. emends to *çráviṣṭhāḥ*. There was probably no sufficient reason for our changing *çrav-* to *çáv-* in our text. The fairly acceptable and least altered version of the line would be this: *abhí víçvāny áruhad gambhīró 'd várṣiṣṭham aruhad áçramiṣṭhā*. The third pāda is in equally bad condition. All the authorities ⌊with unimportant variants⌋, including

Ppp., have at the beginning *uçatī́ rā́try* (*a-*), but the *pada*-mss. give *rā́tri* instead of *rā́trī*, as they should give, and as SPP's *pada*-text reads by emendation. What follows it the *pada*-mss. offer as *ánu॰sāma : drā́him* (or *drāhím*); in the *sam̐hitā*-mss. the first word appears as *ánusāma* (once *ánusama*) or (accentless, and so making one word with *-drā́him* or *-drā́hi*) *anusāma-* or *am̐nusāma-*; and the second appears as *-drā́him*, *-drā́hi*, *drā́him*, *drā́hím*, *drāhí*, *drā́vi*, *prā́him*. The rest of the half-verse, *tiṣṭhate mitrá iva svadhā́bhiḥ*, is the same in all, including the comm. and Ppp. SPP. emends to *ánu sā́ bhadrā́ 'bhí ti-*, which appears to be modeled on our *ánu mā bhadrā́bhir ví ti-*, but is defective both in sense and in meter. The comm. gives *anukṣaṇam̐ vi ti-*, cutting loose entirely from the ms.-reading; his own text, according to SPP., has *anusāmadrā vi ti-*. Ppp., finally, has *avasāna bhadrād vi ti-*, which suggests the emendation *uçatī́ rā́try ávasā no bhadrā́ ví tiṣṭhate* etc. Our *ví tiṣṭhate*, at any rate, is by the support of Ppp. and the comm. put nearly beyond question.

⌊I have made some modifications in the above paragraph which I could not well indicate by the ell-brackets. — For those who do not have the Bombay ed., it may be well to give SPP's reconstructions of the verse: first, the text of the comm.: *ati viçvāny arhad gambhīro varṣiṣṭham arhati çraviṣṭhā : uçatī rātry anusāmadrā vi tiṣṭhate mitra iva svadhābhiḥ;* second, the text which the comm. actually explains: *ati viçvāny arhati gambhīrā varṣiṣṭham arhati çraviṣṭhā : uçatī rātry anukṣaṇam̐ vi tiṣṭhate mitra iva svadhābhiḥ;* third, SPP's reading: *áti víçvāny aruhad gambhīró várṣiṣṭham aruhanta çráviṣṭhāḥ : uçatī́ rā́try* (p. *rā́trī*) *ánu sā́ bhadrā́ 'bhí tiṣṭhate mitrá iva svadhā́bhiḥ.*⌋

3. O desirable, welcome, well-portioned, well-born one! thou didst come, O night; mayest thou be well-willing here; save thou for us the things that are produced (*jātá*) for men, likewise what [are] for cattle, by prosperity ⌊*puṣṭyā́*⌋.

⌊Or, '[and] prosperous,' if we read *puṣṭā́.*⌋ The mss. all read in **a** *várye*, which we need not have altered to *vā́rye*, as *várya* is found elsewhere as early as TB.; Ppp. has *niryāi.* Three of SPP's authorities and one of ours have *vándye*, ⌊one has *véde*⌋, the rest with Ppp., *vánde;* the comm. *vade* (= *sarvāir abhiṣṭūyamāne*). Ppp. has *svajātā.* In **b**, most of the mss. begin with *ā́jā́gan* (one *ájā́gan;* p. *ā́ : jā́ : agan*), and the true reading is in all probability *ā́ 'jāgan*, impf. intensive of *gam;* or, if left as "pluperfect," as in our edition, it should at any rate be *ā́ 'jagan*, as SPP., with the comm., reads. *Rātri* is our (evidently called-for) emendation for *rā́tri* of the mss., which SPP. follows. *Syās*, at the end of **b**, is also for *syām* of the mss., the comm., and SPP.; it is an obvious improvement, though not quite necessary ⌊and receiving no support from Ppp.: see below⌋. Ppp. has a peculiar (and corrupt) version: *ā* (if *svajātā*, as quoted above, is for *svajāta ā*) *cāgni rātri sumanā hy asyām.* In **c**, the translation implies emendation of *asmā́ñs* to *asmé*, against all the authorities, including Ppp. and the comm. The *pada*-mss. read *jātā́ḥ*, their natural inference from the rare and anomalous combination *jātā́ átho;* SPP. emends to *jātā́.* In **d**, Ppp. reads *çriyā* instead of *atho*, and at the end *puṣṭyā*, with all the mss. (they vary only as to its accent), and with SPP.; our conjectural emendation *puṣṭā́* is supported only by the comm. ⌊text and explanation⌋.

4. The eager night has taken to herself the splendor of the lion, of the stag, of the tiger, of the leopard, the horse's bottom, man's (*púruṣa*) roar (? *māyú*); many forms thou makest for thyself, shining out.

The *sam̐hitā*-mss. accent *rātry uçatī́* (p. *rātri : uçatī́*); SPP. emends, with us, to *rā́try ùçatī́;* the comm. also understands *rā́trī.* The mss. all ⌊with trifling variations⌋

read *pīṣásya* or *pīn̄ṣásya* (or *ṣīṣásya*); SPP. accepts *pīn̄ṣásya;* the comm. gives *piṣasya*, which is doubtless only a bad spelling of our *piçásya;* ⌊lion and stag are mentioned by these names together at RV. i. 64. 8;⌋ Ppp. has *nipasya;* and, at end of b, *varcādhe.* In c, all the authorities, including Ppp. ⌊but not the comm.⌋, offer *bradhnám;* the translation implies correction to *budhnám*,* which is the reading of the commentator (he explains it as = *mūlam*) ⌊and adds, *açvavīryasya vego hi mūlam*⌋; in vi. 38. 4 we had the horse's *vā́ja* and man's *māyú* combined; and TB. (ii. 7. 7¹) in the corresponding passage reads *krándye* for *vā́je.* The comm. explains *māyúm* as *çabdam āhvānādilakṣaṇam.* Ppp. has *kṛṇuṣī* for *-ṣe.* ⌊The majority of the authorities read *vibhātíḥ* at the end.⌋ *⌊Cf. *áçvabudhna*, RV. x. 8. 3; and Aufrecht on *áçvabudhya*, ZDMG. xxiv. 206.⌋

5. Propitious to me [be] night and [the time] after sunrise; be the mother of cold (*himá*) easy of invocation for us; notice, O well-portioned one, this song of praise, with which I greet thee in all the quarters.

The translation implies in a a new conjectural reading: *çivā́ me rā́try anūtsūryáṁ ca;* an accusative is opposed by the connection, and the meter needs another syllable. *Anūtsūryá* is venturesome, but we had *otsūryám*, p. *ā°utsūryám*, above, at iv. 5. 7. At any rate, neither our text nor that of SPP. (*çivā́ṁ rā́trim anusū́ryaṁ ca*) seems to give any sense. Ppp. supports the mss.: *çivāṁ rātrim ahni sūryaṁ ca;* the majority of the *saṁhitā*-mss. have *çivā́ṁ rā́trim ahi sū́-*, others *anu* for *ahi* (p. *çivā́m : rā́trim : anu°sū́ryam : ca*); the comm. has *rātrimahi*, and understands it as *rātri* (voc.) *mahi* (= *mahāntam*, and qualifying *sūryam!*). ⌊SPP. suggests *çivā́ rā́trī mahī́ sū́ryaç ca.*⌋ In b, Ppp. has *yamasya.* In c, nearly all the mss. read *açvá* (or *áçva*) for *asyá;* and the *pada*-mss. treat it as an independent word; SPP. has *asyá*, with us. In d, a few mss. have *vándye* or *vádye.* Ppp. reads at the end *vikṣu.*

6. Our song of praise, O shining (*vibhávan*) night, like a king thou enjoyest; may we be having all heroes, may we become having all possessions, through (*ánu*) the out-shining dawns.

The mss. read at the end *anūṣásaḥ* (p. *anu°uṣásaḥ*); SPP. emends as we had done. Ppp., in b, c, d, has *joṣasī yathā nas sarvavīrā bh-.* The verse is very ill described by the Anukr.; it is a good *pan̄kti* with one syllable wanting in c.

7. Pleasant names thou assumest: — whoso desire to damage my riches, them, O night, do thou burn continually, so that no thief be found, so that he be not found again.

The translation follows our text, which is considerably altered from that of the mss. All of them, with the comm. and SPP., have at the beginning *çámyā*, for which our *rāmyā́* is, so far as the written form is concerned, a very easy emendation. The comm. explains: "thou wearest the name *çamyā = çatruçamanasamarthā*": one of his usual absurdities. Ppp. reads for a, b *çramyā ha nāma taruṣe vimṛcchantī yo janān̄.* There seems to be no good reason why *dadhiṣé* should be accented. Nearly all the mss. give *dhánāḥ* at end of b; the comm. understands *dhanā*, and SPP. reads it. For c the *pada*-text is *rā́trī : hitā́* ⌊or *hi : tā́*⌋ *: naḥ : suta°pā́!* The comm. understands instead *rā́trī 'hī tā́n asutapā́*, and SPP. follows him, making a new *pada*-text to correspond (*rā́tri : ihī : tā́n : asu°tapā́*). The comm. explains *asutapā* as either "burning their life-breaths" (*asu-tapa*) or "badly burning" (*a-su-tapa*). Ppp. gives no help, reading ⌊for our c,

d, **e**: it is not clear just how much of the reading is to be assigned to **c**⌋ *rātri hīrcāna sadamātasteno anvavidyate.* Our emendation is fairly acceptable; but the *hí* ⌊which, with the imperative, hardly needs a separate word in translation⌋ requires that we accent *anutápa.* For our *yáthā*, in **d** and **e**, the mss. and SPP. give the first time *yás* and the second time *yát;* the comm. both times *yas;* the meter and sense alike call for our emendation. Ppp. has for both pādas only *ta steno anv avidyate*, ⌊which might (see above) be understood as *atas steno* etc.⌋.

8. Excellent art thou, O night, like a decorated bowl; thou bearest [as] maiden the whole form of kine; full of eyes, eager, [thou showest] me wondrous forms; thou hast put on (*prati-muc*) the stars of heaven (*divyá*).

Of this verse also the translation is a make-shift, following in part the mss. and in part our conjectural emendations. In **a** the only point of question is the last word, which the mss. read as *ṣiṣṭás* (so the majority) or *çiṣṭás* or *viṣṭás* ⌊etc.⌋; the comm. has *viṣṭas* (= *bhojanārtham pariviṣṭas*). Ppp. gives the whole pāda as *bhadrā 'si rātris tapaso nu viṣṭo.* In **b**, nearly all the mss. give *víçvaṁ górūpaṁ yuvatír* ⌊several have *-tím*⌋ *bibharṣi* (one has *bíbh-*), and this the translation follows, alterations not seeming to supply a better sense. SPP., however, follows the comm. in offering *víṣvañ* for *víçvam* (in *saṁhitā* he prints it incorrectly *víṣvaṁ gó-*, as if there were an assimilated final in the case); ⌊but in his Corrections at the end of vol. iv. he duly notes the error;⌋ he would hardly accept the comm's interpretation, = *viṣūcī* (one gender for another); but how he would render it, it is hard to see. Ppp. reads *viçvaṁ gorūpaṁ yuvatid vibharṣi*, but another hand has written above *-tir bibha-*. In **c**, nearly all the mss. (including the comm's text, as stated by SPP.) leave *me* unchanged before *uçatí*, and SPP. accepts it in his text, though against all rule and practice; two of our mss. have *ma.* ⌊All the authorities give *cákṣuṣmatī*, and this is followed by the comm. and SPP., and also by W. in the translation, therein departing from the emendation ('to me having eyes') of the Berlin ed.⌋ Ppp. has for the pāda *cakṣuṣmatī ve yuvatī 'va rūpaḥ.* The translation supplies a verb, as seems necessary unless the text be still further altered. For **d** the general ms.-reading is *práti tyā́ṁ divyā́ tákmā amukthāḥ* (also *tvám* and *tvā́* for *tyā́m*, and *takmā́:* p. *takmā̀ḥ* or *-mā́ḥ*); but the comm. offers *práti tváṁ divyā́ ná kṣā́m amukthāḥ*, and this SPP. accepts ⌊accenting thus⌋ and prints. Ppp. has *pratyāṁ dityāṁ divyām arukṣam amugdhaḥ.* The comm's version of the text is senseless, and his attempt to put meaning into it very absurd; it might suggest *práti tváṁ divyā́ nákṣatrāṇy amukthāḥ.* Our text ought to accent *tā́rakā am-*, if the reading is admitted.

9. What thief shall come today, [what] malicious mortal villain, may night, going to meet him, smite away the neck, ⌊away⌋ the head of him; —

The two following pādas ⌊10 **a**, **b**⌋ evidently belong to this verse rather than to verse 10; but our division is that of the mss. and the Anukr., and so is adopted also by SPP. The comm. inserts another line after our 9 **a**, **b**: *yo mama rātri surūpa āyati sa sampiṣṭo apāyati;* and then he divides the four lines that follow into two verses of four pādas each, giving eleven verses to the whole hymn. The majority of mss. accent *martyás* in **b**. The comm. reads *harat* for *hanat* at the end. Ppp. has *yu dya stenā yutv aghāyu mṛtyo ripuḥ;* and, in **d**, *pra gīyasva pra.* Pāda **a** is the **a** of iv. 3. 5, ⌊of which the **b** recurs here as the second pāda of the comm's inserted line and also as the fourth pāda of our vs. 10⌋.

10. ⌊Away⌋ his feet, that he may not go; ⌊away⌋ his hands, that he may not harm.

What marauder shall approach, may he go away all crushed; may he go away, may he go well away; may he go away in a dry place (?).

At the end of b, the majority of mss. read *yáthā́çiṣaḥ*, which all the *pada*-mss. resolve into *yáthā : áçiṣaḥ;* ⌊most of⌋ the rest, and SPP., give *yáthā́ 'çiṣat;* the comm. *yathā "çliṣat* (= *saṁçleṣayet*). Ppp. offers *pra pādāu na yat āhataṣ pra hastāu na yanāçiṣat.* In e, the *pada*-mss. compound *su॰ápāyati*, doubtless wrongly; ⌊read as *pada*-text *sú : ápa : ayati*⌋. All the mss., the comm., and SPP., give in f *sthāṇāú*, and the comm. explains it as = *çākhopaçākhārahitavṛkṣamūla āçraye.* After it, the mss. have *apā́yataḥ* (p. *apa॰áyataḥ*), but the comm. agrees with us in *ápā 'yati*, and SPP. accordingly also adopts it. The translation follows throughout the emendations of our text; perhaps, in f, *sthā́ne* would be better than *sthalé*, as more closely resembling the ms.-reading. We are deprived of the help of Ppp. upon the point, as it skips from *apāyati* in e to *tṛṣṭadhūmam* in 50. 1 a; for c, d, it had *yo mulalaṁ sulapāyati sa saṁpiṣṭyo upāyati.* We had d above as iv. 3. 5 b; ⌊cf. the end of the note to vs. 9⌋.

50. To night: for protection.

[*As 47.* — *saptakam.*]

Follows also in Pāipp. xiv. our hymn 49. Has the same liturgical use as hymn 49. Translated: Ludwig, p. 465; Griffith, ii. 307.

1. Do thou, O night, make the snake blind, harsh-smoked, headless; smite out the eyes of the wolf; cast the thief into the snare.

This verse is nearly identical with that translated as 47. 8 above (8 c, d and 9 a, b of the printed text). As there, the mss. have at the beginning *ándha*, which SPP., with the comm., changes to *ádha;* and all, in c, d, have *nír jahyās téna* táṁ* ⌊or *tváṁ*⌋ *drupadé jahi* in a manner analogous with the reading there. ⌊The translation implies the division *nír jahy ā́ . . . jahi:* cf. my note to 47. 8.⌋ ⌊Apart from some less important variants,⌋ the mss. are divided, as often in such cases, between *akṣāú* and *akṣyāú*, and SPP. chooses the worse, *akṣāú;* our *akṣyāú* is alone defensible. Ppp. omits (see note to 49. 10) the first two words, and reads, as at 47. 8, *tiṣṭadhūmam;* ⌊it begins the second line with *hano vṛkasya* and ends it (as above) with *nṛpate jahi;* what the intervening words are is not clear from Roth's Collation⌋. ⌊Meantime Bloomfield kindly informs me that Ppp. reads the line thus: *hano vṛkasya nir jahy ā tvāinaṁ nṛpate jahi:* this gives no support for a *jahyās* (see note to 47. 8); but the *tvāinaṁ* obviously stands in some relation to the *dvāinaṁ* of the Ppp. reading at 47. 8, which is *jambhayādvāinaṁ.*⌋ *⌊The *pada*-reading is *níḥ : jahyāḥ : téna.*⌋

2. What draft-oxen thou hast, O night, sharp-horned, very swift, with them do thou today pass us always (*viçváhā*) over difficulties.

SPP. follows the mss. in the false accent *tī́kṣṇa-* in b. In c, d, he reads *pārayā́ 'ti* with us and with the comm. (also with Ppp.), ⌊but against the mss., most of which⌋ have *pārayaty áti.* In b, Ppp. gives *-çṛn̄gyāçvāsavaḥ.*

3. May we pass (*tṛ*) night after night receiving no harm with ourselves (*tanvà*); may the niggards fail to pass [it], as men without boats a deep [water].

Or *tanvā* belongs to *tarema.* The comm., against the accent and the sense, takes *dríṣyantas* as a future participle (=*gamiṣyantas*)! Ppp. reads in c, d *apravāyuṣaṁ na tarehur ar-*.

4. As the millet-seed, flying forth, blowing away, is not found, so, O night, make him fly forth who is malicious against us.

The mss. read in a mostly *çāmyā́kas* (so the comm. and SPP.), also *çyāmyā́kas* and *çyāmā́kas;* and have *prapátan* or *prápatan*, with other chance variations; and in b, *apavā́n* (p. *apa॰vā́n*) or *-vā́ṁ;* in respect to this word, the translation ⌊taking it as present participle of *apa-vā*⌋ follows them rather than our emendation *aparám.* None of the mss. accent *na*, but SPP. ventures ⌊with the Berlin ed.⌋ to emend the reading. At the beginning of c, the mss. all have *etā́v ā́* ⌊several *ā*⌋ (p. *etāú : ā́*); the comm. and SPP. (also Ppp.) agree with our *evā́.* The majority of mss. have at the end *-yánti.* Ppp. has in a, b *sānyākaṣ prapatante divāṁ nā 'nu-*; in d it combines *yo 'smāñ.*

5. Thou didst make the thief stay away, and the kine-driving robber, also him who, haltering the courser's head, tries to lead it [away].

The *pada*-mss. strangely read at the beginning *apáḥ;* the rest ⌊save one of SPP's, p.m., which has *ápa*⌋ accent *apá;* SPP., as well as our text, emends to *ápa*, which the comm. also understands. All the mss. have *vā́sas*, and the comm., and SPP.; our *avāsayas* is a bold emendation, but makes both good meter and good sense. Ppp. gives no help: *apa stedaṁ vāsamathaṁ.* In b, SPP. follows the comm. in reading *goajám;* most of the mss. give *gór ájam*, but a part *górájas* (p. *górájaḥ!* but one ms. *gó 'jaḥ* ⌊or *gó॰jaḥ:* that is *gó* and *jaḥ* with *avagraha*-sign between⌋, corrected to *gódájaḥ*). ⌊Ppp. reads *gotham.*⌋ The comm. absurdly takes *goajám* as a copulative compound, =*gā ajāñç ca*, and makes it and *vā́sas* objects of *nínīṣati.* The translation implies rather SPP's text than ours ⌊that is *goajám* rather than *gór ájam*, I suppose⌋. ⌊At the end, the *nínesati* of the Berlin text is doubtless to be corrected to *nínīṣati* (cf. the stems in W's *Roots*, *Verb-forms*, etc., p. 233–4): *nínīṣati* is read by Ppp., by W's O.D.I., and (since he reports nothing to the contrary) by all of SPP's authorities. From the *Index Verborum* and from the *Roots* (p. 91) it would appear that W's later judgment rejected the *nínesati* of the text and some mss., though he has overlooked the matter here. The desiderative⌋ so distinctly calls for a prefix that one is tempted further to emend *átho* in c to *ápa.*

6. When, O well-portioned night, thou comest today, sharing out what is good, ⌊then⌋ make us to enjoy that, that it go not away.

The translation follows our text, which is very different from that of the mss. and SPP. Our *adyā́* in a implies *adyá ā́* (*ā́ . . . áyas*), which all the *pada*-mss. have, while SPP., with the comm., treats it as only *adyá* with the final lengthened by the usual Vedic license. In b all the mss. accent *ví bhajanti* ⌊p. *ví : bhajanti*⌋; SPP. emends to *vi-bhájanti*, while our text means *vibhájantī.* The comm. understands *-nti* ⌊supplying *çatravas* as subject⌋, and takes *áyas* after it as the noun, 'metal' (*ayomayaṁ vastu*); to us *áyas* is verb. ⌊Ppp. has *vasuḥ* at end of b.⌋ In c the mss., the comm., and SPP., begin with *yád;* we have emended it to *tád.* For d, most mss. have *yáthe 'dáṁ nā́ 'nupāyási* (p. *anu॰pāyási*); but one *-yáti*, one *-dányā́nu-*; SPP. follows the comm. and prints *yáthé 'd anyā́n upā́yasi* (p. *upa॰áyasi*), but in a note conjectures *yáthé 'd anyā́n nó 'pā́yati* 'that it go not unto others,' which is very acceptable, as giving a good sense with less alteration of the original text than our version requires. Ppp. is wholly corrupt: *yathed yasmā nitājaya yathed anyān upāyatī;* but the last pāda favors SPP's conjecture.

7. Unto the dawn, O night, do thou commit us all, free from guilt; may the dawn bestow (*ā-bhaj*) us on the day, the day on thee, O shining one.

The comm., two of SPP's reciters, and Ppp., read in c *bhajat.* Compare the verse 48. 2, above ⌊and MB. i. 5. 15, there cited⌋.

51. Accompanying acceptance (?).

[*Brahman.—dve. 1. ātmadevatyā; 2. sāvitrī. 1. 1-p. brāhmy anuṣṭubh; 2. 3-p. yavamadhyo 'ṣṇih (1, 2. 1-av.).*]

⌊Prose.⌋ Both the "verses" of this hymn are quoted in Kāuç. 91. 3, in the *madhuparka* ceremony, accompanying acceptance (*prati-grah*) of the offering. The second verse contains a formula very often used in the liturgical literature,* and this formula, as far as *hastābhyām*, occurs several times in Kāuç., given in full, and not to be regarded as having anything to do with the verse here; the same is the case with the use of the formula in Vāit. 3. 9. There is nothing to correspond to the hymn in Pāipp. *⌊An idea of its frequency may be gained from the array of citations (fourscore or more) given by Knauer in his Index to MGS., p. 151 a. See the table on p. 896, and cf. p. 896, end.⌋

Translated: Griffith, ii. 308.

1. Unrepelled (?*áyuta*) am I, unrepelled my soul, unrepelled my sight, unrepelled my hearing, unrepelled my breath, unrepelled my expiration, unrepelled my out-breathing, unrepelled the whole of me.

We unfortunately lack the comm's interpretation of *áyuta*, there being a lacuna in the ms. at this point; SPP. supplies *sampūrṇa*, it does not appear on what authority, but certainly without the least particle of plausibility. ⌊The count of the Anukr. (48 syllables) implies restoration of all the elided *a*'s.⌋

2. In the impulse of the heavenly impeller (*savitṛ*), with the arms of the Açvins, with the hands of Pūshan, I, impelled, take hold of thee.

To render (in the first clause) 'of god Savitar' would hide the word-play between *prasava* and *savitṛ*. The syllables (if the *a* of *açvinos* is restored) count 10 + 11 + 6 = 27: a pretty poor *uṣṇih.*

52. Of and to desire (kā́ma).

[*Brahman.—pañcakam. mantroktakāmadāivatam. trāiṣṭubham. 3. 4-p. uṣṇih; 5. upariṣṭādbṛhatī.*]

Found also in Pāipp. i. Used* in Kāuç. 6. 37, with xix. 59, at the very end of the sections on the *parvan*-ceremony (hence perhaps a later addition?), to appease the fuel, in case there has been an omission of the due ceremony; again, in 45. 17 (with iii. 29. 7; vi. 71; vii. 67), after the end of the *vaçāçamana* ceremony (also here a later addition?), to accompany the acceptance of something; once more, in 68. 29, in the *savayajñas*, with the acceptance of the sacrificial gifts (?*sadakṣiṇam*); and the Paddhati (note to

Kāuç. 79. 28) adds it at the end of the chapter of marriage ceremonies. The comm. notes the Kāuç. uses, but not the Paddh. one; and he adds one application, from Pariç. 10. 1, of this hymn with the two following and xix. 6 (the *puruṣasūkta*), in the rite of presenting a golden image of the earth. *⌊See table on p. 896.⌋

Translated: Griffith, ii. 309. — Cf. ix. 2, above.

1. Desire here came into being (*sam-vṛt*) in the beginning, which was the first seed of mind; O desire, being of one origin with great desire, do thou impart abundance of wealth to the sacrificer.

The first half-verse is nearly identical with RV. x. 129. 4 **a**, **b** ⌊TB. ii. 4. 1^{10}; 8. 9^{4}; TA. i. 23. 1⌋, which differ only by adding *ádhi* at end of **a**; the word is missed in our verse both for sense and for meter. Our text omits * at beginning of **c** a *sá* (*sá kāma*) that is in both these respects superfluous; it is found, however, also in Ppp. The comm. explains *kā́mena bṛhatā́* to mean *mahatā deçakālavastuparicchedarahitena kāmayitrā parameçvareṇa*. The last pāda is xviii. 1. 43 **d**. *⌊And so accents *kā́ma*.⌋

2. Thou, O desire, art set firm with power, mighty, shining (*vibhā́van*), companion for him who seeks a companion; do thou, formidable, overpowering in fights, impart power [and] force to the sacrificer.

The second pāda nearly corresponds with RV. x. 91. 1 **d**, which, however, reads *suṣákhā sakhīyaté*. The authorities give *sakha ā́ sakhīyaté* (or *-te*); and the *pada*-mss. make the very blundering division *vi°bhā́u : ā°sakhe : ā́ : sakh-*. ⌊The comm. understands *sakhīyate* (not as dative pple, but) as finite verb-form (3d sing., which would have to be accentless: he says *bhavacchabdādhyāhāreṇa prathamapuruṣaḥ*.⌋ SPP. follows the comm. in reading *vibhā́vā sakha ā́* ⌊SPP's *pada*-text is *vibhā́°vā : sakhe : ā́*⌋; but he disagrees with the comm. by ⌊making a participle of⌋ *sakhīyaté*, which he accents. The translation implies *sákhā́*, i.e. *sákhā ā́*. ⌊We have *ā́* with the denominative *çravasyāt* at RV. v. 37. 3; but with the pple, *ā́* seems very strange; nor do I see how W. meant to take it. One is tempted to fall back on the RV. reading *suṣákhā*: the more so, inasmuch as⌋ Ppp. presents the RV. reading *suṣakhā*. In **d**, Ppp. has *soho 'jo yaj-*.

3. To him that desired from afar, that trembled on at the inexhaustible — the places (*ā́çā*) listen to him; by desire they generated heaven.

It is of no consequence how this verse, especially the first half, is rendered; it is nothing but corrupt nonsense. The degree of its corruption may be seen by comparing it with the corresponding verse in TA. iii. 15. 1: *sadyáç cakamānā́ya pravepanā́ya* ⌊Poona ed., *-vepān-*⌋ *mṛtyáve : prā́ 'smā ā́çā açṛṇvan kā́menā 'janayan púnaḥ;* neither version is translatable. The majority of authorities read in **b** *pravipāṇā́yākṣayé* ⌊or *-ā́kṣaye*⌋ (the *pada*-readings are, for the first part, *pravi°pāṇā́ya*, and, for the second, *ā°kṣayé* or *ā́°kṣaye* or *ā°kṣaye*); but some have *pratipāṇā́ya* ⌊the lingual *ṇ* of which seems to betray the *ti* as a corruption for *vi*⌋ and *prāripāṇā́ya*. The comm. understands *pratipāṇāya* and *akṣaye*, and SPP. follows him, accenting *pratipāṇā́ya* and *ákṣaye*, and reading in *pada*-text *prati°pāṇā́ya* (as if that would or could become in *saṁhitā*-text *-pāṇ-*!); with his usual carelessness, the comm. takes *-pāṇāya*, in spite of its *ṇ*, from root *pā* (= *sarvatorakṣaṇāyā 'bhimataphalaprāpaṇāya*: the latter equivalent looks as if he also saw something of *pra-āp* in it!). Ppp. has in **b** *pratipāṇāyākṣe*, in **c** *āsmā 'çṛṇvann*, and in **d** *-janayat saha*. The translation implies in **b** *pravipāṇā́yā́ 'kṣaye*. The Anukr. apparently scans the verse as 7 + 7 : 7 + 7 = 28.

4. By desire hath desire come to me, out of heart to heart; the mind that is theirs yonder, let that come unto me here.

In TA. (iii. 15. 2) a corresponding verse follows the one quoted under vs. 3: *kā́mena me kā́ma ā́ 'gād dhṛ́dayād dhṛ́dayam mṛtyóḥ: yád amī́ṣām adáḥ priyáṁ tád āí 'tū́ 'pa mā́m abhí.* SPP. has the same text as we, both deviating in **d** from the mss., which leave *upa* unaccented (p. *upa॰mā́m*); ⌊but SPP's R. has *úpa mā́m* and the comm. also takes *upa mām* as two words⌋. Ppp. combines *kāmā "gan* in **a**.

5. Desiring what, O desire, we make to thee this oblation, let that all succeed with us; then eat (*vī*) thou of this oblation: hail!

The verse is found, ⌊cited by *pratīka* at Kāuç. 92. 30, and⌋ written in full ⌊*sakalapāṭha*⌋ at 92. 31, prescribed for use at the end of the *madhuparka* ceremony.* SPP. gives the same text as we; the mss. leave *kṛṇmási* unaccented in **b**, and most of them accent *té* after it. At the beginning, all the *pada*-mss. ⌊except possibly L., of which no note is made⌋ very strangely read *yát॰kāmaḥ*, though no *saṁhitā*-mss. have *kāmaḥ*; ⌊with the support of the latter, as also of the comm. and of Ppp., both ed's read *yát kāma*⌋. *⌊See p. 897, ¶ 3.⌋

53. Praise of time (kālá).

[*Bhṛgu.—daçakam. mantroktasarvātmakakāladevatyam. ānuṣṭubham: 1–4. triṣṭubh; 5. nicṛt purastādbṛhatī.*]

This hymn and the following, which (as even the Anukr. ⌊cf. introd. to h. 56⌋ points out) are only two divided parts of one hymn, occur also in Pāipp. xiv. and xii. (53. 1–6 in xiv.; 53. 7 to 54. 6 in xii.). They are translated together by Muir, Ludwig, Scherman, and Bloomfield. As *kālasūkta*, they are used by Pariç. 10. 1 in connection with the preceding hymn (*kāmasūkta*): see under that hymn.

Translated: Muir, v. 407; Ludwig, p. 191; Scherman, *Philosophische Hymnen*, p. 78; Grill, 73, 193; Deussen, *Geschichte*, i. 1. 210; Griffith, ii. 309; Bloomfield, 224, 681.—Cf. also Monier-Williams, *Indian Wisdom* 3, p. 25; Hillebrandt, *Veda-Chrestomathie*, p. 41.—The epic *kāla*-verses are in rather a different vein: cf. Böhtlingk, *Ind. Sprüche*, 1688–1709, 3193–6; Hopkins, in AJP. xx. 25, etc.

1. Time (*kālá*) drives (*vah*) [as] a horse with seven reins, thousand-eyed, unaging, possessing much seed; him the inspired poets mount; his wheels are all beings (*bhúvana*).

The 'wheels' in **d** show that the 'mounting' in **c** is not on the back of the horse, but on the chariot drawn by him. Ppp. combines in **a** *kālo 'çvo v-*, and reads in **b** *akṣaras*, and in **c** *vipaçyatas.* There is nothing at all noteworthy in the exposition of the comm. ⌊In **d**, read *cakrā́ṇi?*⌋

2. Seven wheels doth this time drive; seven [are] his naves, immortality (*amṛ́ta*) forsooth [his] axle; he, time, including (?) all these beings, goes on as first god.

The principal difficulty is here in the third pāda, where our *arvā́ñ* (though accepted by all the translators without any heed to the ms.-readings given at the foot of the page) is a very bold and questionable emendation, most of the mss. (with the comm. ⌊the ms. has *añjan**⌋ and SPP.) giving instead *añjat*, a few *añját*, and some of ours *anyat* or *ayat* (evidently accidental and unimportant variations); Ppp. has *aṅjaṅ* ⌊i.e. *bhuvanānyaṅjaṅ*⌋; *arvā́ñ* is not to be accepted as at all satisfactory, much less authoritative; it is no proper antithesis to *pratyáñ* † in 3 c, nor construable with the accusative. The translation, for a venture, implies *bhúvanā nyañján*, evolving a sense for *nyañján* out of *nyàkta* 'inherent'; it may pass for what it is worth. All the mss., and SPP., read in a *cakrā́n* ⌊and so does Ppp.⌋; the comm. has *cakrā 'nu vahati.* The redundancy of syllables in d could be easily remedied either by omitting the superfluous *sá* (left out in the translation) or by reading *īrte* for *īyate* ⌊or by reading *sé "yate* with double *saṁdhi* as Ppp. suggests⌋. Ppp. reads *kāle sāiyyate.* The comm. has in b *amṛtaṁ tanv akṣaḥ.* ⌊For the *nú* of d, the ms. of the comm. has in fact *u.*⌋ *⌊The comm. has in one place *añjat*, explained as *añjan;* and, in another, the ms. of the comm. has (as noted) *añjan*, which SPP. prints as *añjat = prerayan!*⌋

†⌊It is a curious fact that Whitney here anticipates and parries the very argument in favor of the Roth-Whitney emendation *arvā́ñ* which Bloomfield later adduces, SBE. xlii. 684. W. may have written this in 1893 or thereabouts. Bl's translation appeared in 1897.⌋

3. A full vessel is set upon time; we indeed see it, being now manifoldly; it [is] in front of all these beings; it call they time in the highest firmament (*vyòman*).

⌊For '[is] in front of' W. interlines the alternative 'faces toward.'⌋ All the mss. ⌊save W's P.: *santúḥ*⌋ read at end of b *santás*, and SPP. retains it, without even changing its false accent; the comm. glosses it with *satpuruṣās*, or, in an alternative explanation, with *sadrūpabrahmopāsakās.* Our emendation to *sántam* is supported by Ppp., which gives *ni santaṁ.* We also emend the *páçyāmas* of the mss. (and SPP.) to *paçy-*. Ppp. combines in a to *adhi kālā "hitas*, and reads in c *pratyaṁ.* The highly obscure 'full vessel' is thus illuminated (?) by the comm.: *pūrṇaḥ sarvatra vyāptaḥ kumbhaḥ kumbhavat kumbho 'horātramāsartusaṁvatsarādirūpo 'vacchinno janyaḥ kālaḥ.*

4. He indeed together brought beings; he indeed together went about (*pari-i*) beings; being father, he became son of them; than him verily there is no other brilliancy that is higher (*pára*).

The position of *sám* in a and in b is so strange that we are tempted to emend both times to *sán* 'being';* one *pada*-ms. reads *sán* in a, but this can count for nothing. The comm's exposition omits *sám* in a ⌊there seems to be a gap in the ms.⌋, but duly treats it (*samyak parigacchati*) in b. Ppp. reads in b *sa yava saṁ parīyāiḥ.* ⌊With c (*pitā́ . . . putrás*), cf. the note to 54. 3 a.⌋ The Anukr. takes no notice of the metrical irregularities. *⌊In that case, perhaps we might render *sá evá* by 'the same.'⌋

5. Time generated yonder sky, time also these earths; what is and what is to be stands out sent forth by time.

SPP. reads in a *amū́m* with a small minority of the authorities, and with the comm.; Ppp. also has it, ⌊combining '*mūm*⌋. For b, Ppp. gives *kālāi 'māṁ pṛthivīm uta.* In c, our *kāléna* was an emendation, for the *kālé ha** of the mss. (which SPP. follows); we find the former now supported by Ppp. In d, the mss. have *havís* (p. *havíḥ*) for *ha ví;* the text of SPP. follows us in emending to the latter, which the comm. also gives; Ppp. reads (*ca*) *eṣataṁ ha vi ti-*. The metrical definition of the Anukr. is not to be approved. *⌊Probably a faulty assimilation to the reading of vs. 6 c.⌋

6. Time created the earth; in time burns (*tap*) the sun; in time [are] all existences; in time the eye looks abroad.

Our *bhūmim* in **a** is an emendation for the *bhūtīm* of the mss.: SPP. accepts *bhūtīm;* the comm. explains it as = *bhavanavaj jagat.* Ppp. reads *bhūtam asṛjat;* it also omits *ha* in **c**.

7. In time is mind, in time is breath, in time is name collected (*sam-ā-dhā*); by time, when arrived, all these creatures (*prajā́*) are glad (*nand*).

This and the remaining three verses of the hymn are found in Ppp. xii., with the following hymn, without any ⌊real⌋ variants in the four verses.

8. In time is fervor, in time is what is chief, in time is the *bráhman* collected; time is the lord (*īçvará*) of all, who was father of Prajāpati.

All the *pada*-mss. except one, resolve *pitā́sīt* in **d** into *pitā́ : āsīt;* SPP. reads *ā́sīt.* In spite of the repetition of *kālé* between, *jyéṣṭham* and *bráhma* may be conjectured to belong together: cf. x. 7. 24, 32–34; xi. 5. 5, 23. ⌊Note that the usual RV. accent is *jyéṣṭha*, and that the usual AV. accent is *jyeṣṭhá;* and that AV. has the RV. accent only in books xix. and xx. and in a RV. passage, at v. 2. 1.⌋

9. Sent by it, born by it, in it is this (*tát*) set firm; time, becoming the *bráhman*, bears the most exalted one.

We should expect *janitam* 'generated' in **a**. The comm. understands *iṣitam* as *iṣṭam* or *kāmitam.*

10. Time generated progeny, time in the beginning Prajāpati; the self-existent Kaçyapa from time, fervor from time was born.

The comm. identifies *Kaçyapa* with the eighth sun as taught in TA. i. 7. 1. ⌊Cf. Bloomfield's remarks, at AJP. xvii. 403, on the *kaçyapaḥ paçyako bhavati* of TA. i. 8. 8.⌋ Ppp. combines in **b** *kālo 'gre.*

54. Praise of time.

[*Bhṛgu etc.* (*as 53*). — *pañcakam.* 2. *3-p. ārṣī gāyatrī;* 5 ⌊*5 and 6 of the Berlin ed.*⌋. *3-av. 6-p. virāḍ aṣṭi.*]

Properly a part of the same hymn with the preceding, and found with vss. 7–10 of the latter in Pāipp. xii. See under hymn 53.

Translated: Muir, v. 409; Ludwig, p. 191; Scherman, *Philosophische Hymnen*, p. 80; Deussen, *Geschichte*, i. 1. 212; Griffith, ii. 311; Bloomfield, 225, 687. — As to the verse-division, see under vss. 2 and 5, and SPP's Critical Notice, vol. i., p. 24.

1. From time came into being the waters; from time [came] the *bráhman*, fervor, the quarters; by time the sun rises; in time he goes to rest (*ni-viç*) again.

All the mss. save two ⌊of SPP's⌋ read *abhavat* at end of **a**; SPP. also ⌊as well as the Berlin ed.⌋ gives *-an*, with the comm., and with Ppp. In **b**, the comm. reads *vrata-tapas* for *bráhma tápas.*

2. ⌊Comm's 2 **a**, **b**, **c**.⌋ By time the wind cleanses (*pavate*); by time the earth [is] great; the great sky in time [is] set.

A part of the verse is lost in Ppp. The comm. adds the first two pādas of our vs. 3 to this one, and makes then the three remaining verses of four pādas each. This makes a decidedly better division, so far as the sense is concerned; but the mss., the Anukr., and SPP. agree in the division given in our text (except as regards vs. 6), and it is accordingly retained here.

3. ⌊Comm's 2 d, e.⌋ Time, [their] son, generated of old what is and what is to be. ⌊Comm's 3 a, b.⌋ From time the verses (*ṛ́c*) came into being; the sacrificial formula (*yájus*) was born from time; —

In the first half-verse, the translation follows the mss. ⌊they read *kāló* and *putró*⌋, rather than our emendations ⌊*kālé** and *mántro*⌋, which seem more venturesome than there is reason for; and departs from them only in assuming at the end *purā́*, instead of *púras*, as the mss. in general read (*purā́* is accepted by both editions, and is supported apparently by Ppp., and to a certain degree by one of SPP's mss. which has *púrā*). Perhaps *púnaḥ* ⌊which Whitney's I. actually has⌋ is a yet more plausible substitute for *púraḥ*. Ppp. has *kālena bhūtaṁ janayat:* ⌊so Roth's Collation: I take it to mean "*kālena bhūtaṁ* in a and *'janayat* in b"⌋; and the comm. also has at the beginning *kālena* ⌊which he glosses with *pitrā prerakeṇa*: cf. his *putras* in b, and cf. 53. 4 c⌋; and at the end of b he seems to have read *puras* ⌊the word does not actually appear⌋, since he gives *purastāt* for explanation. In c, part of the mss. have *abhavat*. *⌊As *kāló* is given by all the mss. collated by W. before publication, *kālé* was indeed an emendation; but some of SPP's authorities do have *kālé.*⌋

4. ⌊Comm's 3 c, d.⌋ Time set in motion (*sam-īr*) the sacrifice, an unexhausted portion for the gods. ⌊Comm's 4 a, b.⌋ In time are set firm the Gandharvas-and-Apsarases; in time the worlds; —

In a, the translation implies *kālás*, with all the authorities, but *āirayat*, against nearly all of them; the comm. gives *āirayat* and SPP. accepts it; ⌊and it is supported by his ms. P. (which has *āirayan*, p.m., corrected to *āirayat*) and by Ppp's *īrayat*⌋. Ppp. reads *kālo yajño sam īrayat*, and has at the end *samāhitāḥ*.

⌊5 and 6 of Berlin ed. = 5 of Bombay ed.⌋ ⌊Comm's 4 c, d.⌋ Upon time stand this heavenly Aṅgiras and Atharvan. ⌊Comm's 5 a, b.⌋ Both this world and the highest world, and the pure (*púṇya*) worlds and the pure separations — ⌊6 of Berlin ed.: Comm's 5 c, d.⌋ all worlds by the *bráhman* having conquered, this time goes on as highest god.

Verses 5 and 6 of our edition are here combined into one, on the authority of the Anukr. and part of the mss., and in accordance with SPP. Of the mss. compared by us before printing, all made a sixth verse of the last two pādas. In a, the mss. read *kālèyám* ⌊W's O. has *kāleyám*⌋ (p. *kāleyám* or *kālèyam*) ⌊SPP's *pada*-ms. Cp., here unaccented, has *kāleyam*⌋; SPP. emends the *pada*-text to *kālé : ayám*, but strangely presents a *saṁhitā*-text inconsistent with this, namely *kālé 'yám*, instead of *kālè 'yám*, as our edition reads. All the mss. read *divó 'th-* in a–b (p. *diváḥ*), but SPP., on authority of the comm., emends to *devó 'th-*, and the translation follows this; Ppp. also reads *devo 'th-*. ⌊At the end of b, the comm. reads *tiṣṭhati.*⌋ In d a number of the mss. give *vidhṛtīn̄ç ca;* the obscure word is passed over lightly by the comm., who simply glosses it with *lokadhārakān*. The last pāda is identical with 53. 2 d, ⌊save that it has *paramó* where 53. 2 d has *prathamó*⌋, and Ppp. combines, as there, *sāiyyate*. The most natural count of syllables (8 + 8 : 11 + 11 : 11 + 12 = 61) comes three short of a full *aṣṭi*: ⌊the *jagatī* cadence of e suggests that something is missing (read *sárvāñç ca lo-?*) in that pāda; and f is to be read (like 53. 2 d, with Ppp. double *saṁdhi*) as 11 syllables⌋.

⌊Here ends the sixth *anuvāka*, with 9 hymns, and with 63 verses as they are numbered by the Berlin text and summed up by certain mss.; but the Anukr. counts 9 and 5 verses (instead of 10 and 6) in hymns 47 and 54 respectively, which makes the sum 61 instead of 63.⌋

55. To Agni.

[*Bhṛgu.—ṣaḍṛcam. āgneyam. trāiṣṭubham: 2. āstārapañkti; 5* ⌊*i.e. 5 and 6* a, b *of the Berlin ed.*⌋. *3-av. 5-p. purastājjyotiṣmatī.*] ⌊*Of 6* (= *6* c, d, *7* a, b *of Berlin ed.*), *the definition is lacking: see my note to vs. 6.*⌋

Only the first verse is found in Pāipp. (in xx.). The comm. points out that the hymn is plainly meant to be used in the early morning worship of Agni, but quotes no authority. ⌊As to a seventh verse, see SPP's Critical Notice, vol. i., p. 24, and see under vss. 5 and 7.⌋

Translated: Ludwig, p. 363; Griffith, ii. 312.

1. Night after night bringing to him without mixture, as fodder to a horse that stands, let not us, O Agni, thy neighbors, receive harm, reveling with abundance of wealth, with food (*íṣ*).

The verse corresponds nearly with VS. xi. 75, also with a verse in TS. iv. 1. 10^1 and MS. ii. 7. 7. VS. begins a with *áhar-ahar* (but ÇB. vi. 6. 4^1 ⌊like KÇS. xvi. 6. 2⌋ gives a *pratīka* with *rā́trīṁ-rātrīm* instead), TS. reads with us, and MS. has *rā́trīṁ-rātrīm* ⌊and repeats the *pratīka* at iii. 1. 9, p. 12^{12}⌋. At end of b, all have *asmāi* unaccented. In d, all put *ágne* at the beginning, *'gne mā́ te práti-*. In a, all the authorities have *áprayātam* ⌊an isolated *-tum* counts for nothing⌋, and so has the text of the comm., according to SPP., who prints *áprayātam*. But the comm. in his explanation has *aprayāvam*, which he glosses by *apracchidya* or *sāṁtatyena* ⌊which harmonizes well with the *sádam ít* of iii. 15. 8 a⌋; ⌊the six Yajus texts just cited (both verses and *pratīkas*) all read *áprayāvam*, on which the Berlin emendation* rests⌋. ⌊Weber, *Ind. Stud.* xvii. 251, cites K. xvi. 7 as reading *rātrīṁ-rātrīm*, with the rest as in VS.; and Knauer, Index to MGS., p. 155, adds K. xix. 10 and Kap. S. xxx. 8.⌋ The second half of our iii. 15. 8 above agrees precisely with our c, d here; the first half differs a good deal, ⌊having for a *viçvā́hā te sádam íd bharema*, and ending b with *jātavedaḥ* instead of *ghāsám asmā́i*⌋. Ppp. has in a *aprayāmaṁ*, at end of b *agne* for *asmāi* (as in our vs. 7), and in d *'gnāi mā te pr-* (intending the same as the Yajus texts).

*⌊Griffith's version of *áprayāvam* is 'with care unceasing' (AV.VS.); and Eggeling's is 'unremittingly' (ÇB.); so also W. at iii. 5. 1 (see the note); and in his *Roots* he connects *-yāvam* only with root *yu* 'separate'; one does not see why he departs from that here: nevertheless, the sense 'mix' is well avouched for the root *yu* 'unite' with *pra* by JUB. i. 8, *yathā madhunā lājān prayuyād evam* (see JAOS. xvi. 88 and 228).—I may add in the proof that even the Anukr. reads *aprayātam*, but that the Yajus readings, and the *sádam ít* (W. 'constantly') of iii. 15. 8, seem to place the Berlin emendation beyond doubt: and that the Ppp. reading *aprayucchan* at iii. 5. 1 helps to establish for the Vulgate not only the form *áprayāvam* as gerund, but also the meaning 'without being careless' or 'unremittingly' as against 'without mixing.'⌋

2. Of thee that art good what arrow [is] in the wind, this is that of thine; therewith be gracious to us. Let not us, O Agni, thy neighbors, receive harm, reveling with abundance of wealth, with food.

The translation follows the text of the mss. rather than our emendations, as the latter afford no more satisfactory sense than does the former. Several authorities, however, read *yā́ta* instead of *vā́ta* (one has *vā́ca;* one *ī́ṣuḥ*, two *éṣuḥ*; ⌊and so on⌋): the *pada*-mss. divide *vā́taḥ : íṣuḥ : sā́.* The comm's text has *iṣa;* but how his explanation is related to the text is hard to see: *he agne vāsakasya tava yā 'nugrahabuddhir anna-pradasya yā cā 'nugrahabuddhis tayā 'smān sukhaya;* that is all.

3. Evening after evening [is] Agni our house-lord; morning after morning [is he] giver of well-willing; be thou giver of good to us of every kind; may we, kindling thee, adorn (*puṣ*) ourselves.

The third pāda is literally 'of good thing after good thing be thou giver of good.' The *pada*-mss. divide *vasu∘dā́naḥ : edhi* instead of *vasu∘dā́ḥ : naḥ : edhi*, as is implied by our text; the meter makes us suspect that the true original reading was *vasudā́no na edhi.* The fourth pāda is v. 3. 1 **b** etc. (see under that verse). ⌊Cf. vs. 4.⌋

4. Morning after morning [is] Agni our house-lord; evening after evening [is he] giver of well-willing; be thou giver of good to us of every kind; kindling thee, may we thrive (*ṛdh*) a hundred winters.

In **d** the mss. read *çatáṁhimās* (p. *çatám∘himāḥ*); the comm. takes it as two words, *çataṁ himās*, ⌊ignoring the accent⌋. ⌊With pāda **d**, cf. RV. i. 64. 14 **d.**⌋ ⌊Cf. vs. 3.⌋

5. May I be one not falling short of food; to the food-eating lord of food, to Agni [as] Rudra be homage.

Here also there is discordance as to the verse-division; the Anukr. ⌊and comm.⌋ further add to vs. 5 what in our edition is 6 **a**, **b**, and then make one verse of what remains of the hymn; and SPP. follows them. The translation adheres to our text (which represents all the mss. till that time known to us), especially because its division seems better suited to the sense. At the beginning, all the authorities, and SPP., have *ápaçcādagdhā́nnasya*, divided by the *pada*-text into *ápaçcā : dagdhá∘annasya* (or *-gdha∘án-*); ⌊but Whitney's W. has *daghānt-*; his M. has *dagdhvānn-*; and his P. has *dagghvānt-* or possibly *dagdhvānt-*, it is not clear which: at any rate, in P. and M. there is a *v* before the *ā;*⌋ the comm. understands *apaçcādagdhā 'nnasya*, and solemnly explains it as meaning: *annasyā 'paçcā[dagdhā] paçcādbhāge 'dagdhā sthālīpṛṣṭhabhāge dagdhānnarahitaḥ!* The correctness of our conjectural emendation to *ápaçcādaghvā́ 'nnasya* is put beyond question by the occurrence of a corresponding phrase, *ápaçcāddaghvā́ 'nnam bhūyāsam*, in MS. iii. 9. 4, p. 120^{17}, and also in Āp. vii. 28. 2.* Part of the mss. accent *bhūyāsám.* In **b**, all SPP's authorities ⌊save one⌋, and most of ours, give *annādayo 'nn-* (variously accented: p. *anna∘adáyaḥ*), apparently a case of misunderstanding of *āyā* as *yo* after the Bengālī method of writing *o;* † but two of our mss., P.M., have *annādā́yā́ 'nn-*, which is the reading of our text; the comm. likewise understands *-dāya*, and SPP. also accepts it in his text.

---

*⌊The phrase *á-paçcād-daghvane náre* occurs at RV. vi. 42. 1; TB. iii. 7. 10^6; Āp. xiv. 29. 2; compare *apaçcā-daghvane naraḥ* at SV. i. 352, ii. 790. It may be worth noting that the comm. to TB. brings the epithet into connection with food, explaining the phrase as 'a man devoid of brightness (i.e. dull) after his meal, unable to digest what he has

eaten,' *paçcād bhakṣottarakālaṁ dīptirahitāya, bhakṣitaṁ jarayitum asamarthāya.* He seems to connect *a- . . -daghvan* (=*dīptirahita*) with *dah;* but BR. and W., with Sāyaṇa on RV., derive it from *dagh:* cf. RV. i. 123. 5 **c**; vii. 56. 21 **b.**⌋ †⌊Cf. SPP's notes to xviii. 4. 48; xix. 32. 10; 48. 1; 56. 3.⌋

6. O thou of the assembly, protect my assembly (*sabhā́*), and [them] who are of the assembly, sitters in the assembly; having much invoked thee, O Indra, may they attain their whole life-time.

The translation is to be taken simply for what it is worth, as it does not follow the mss., nor either printed text. At the beginning, the mss. ⌊except several of W's, which have the impossible *sabhyá*⌋, SPP., and the comm., read *sabhyás*, which might well enough have been left by us unchanged, save for accent (viii. 10. 5 *sábhyas*). But the mss. read *sabhyás* again later ⌊save two of W's, which have *sabhyā́s*⌋; this time SPP. emends to *sabhyā́s* (should be *sábhyās*, with us?), since the comm. has this. In **c**, the mss. in general give *tvám indrā* (or *índrā*) *puruhūtya* (p. *puru∘hūtya*); the comm's text offers *tvām* ⌊his exposition: *tvam*⌋ *indra puruhūta;* and SPP. adopts *tvám indrā* (p. *indra*) *puruhūta;* our conjecture, *tváyé 'd gā́ḥ puruhūta*, seems too violent, and the translation implies *tvā́m indra puruhū́ya*, with *açnavan* at the end, while the mss., and SPP., have *açnavat* (the comm. has the same, unblushingly explaining it as =*prāpaya*, a mere substitution of one person for another!), and our text emended to *-vam*, an ungrammatical but not wholly unprecedented form. ⌊The London ms. of the Anukr. adds as the *pratīka* of its vs. 6 *tvam indrā puruhūtye 'ti* (our 6 **c**: note the reading), but gives no metrical definition: the Berlin ms. does not even give the *pratīka.*⌋

7. Day after day taking tribute to thee, O Agni, as fodder to a horse that stands [, let not us, O Agni, thy neighbors, receive harm, reveling with abundance of wealth, with food (*íṣ*)].

None of the mss. have the second half-verse; it was added because it seemed called for by the first half, as in vss. 1 and 2. That the comm. and part of the mss., and so also SPP., in agreement with the Anukr., make only six verses in the hymn, was explained above under vs. 5. A majority of the mss. accent *bálim* in **a** (including all those used by us before publication), and so the error has got into our text; SPP. has correctly *balím;* some leave *hárantas* without accent; the comm. and a ms. or two have *ítye* for *ít te* (=*prāptavye gṛhe vartamānāyā 'gnaye*, comm.). All the mss. have in **b** *jātám* instead of *ghāsám;* but the comm. has the latter, and it is therefore read in SPP's text as well as in ours.

56. To sleep (or dream).

[*Yama.—ṣaṭkam. dāuṣvapnyam. trāiṣṭubham.*]

Found also in Pāipp. iii. The comm. quotes no authority as to the *viniyoga*, but points out that the hymn is shown by its content to belong to the ceremony for getting rid of *duḥsvapna* 'evil-dreaming.' He holds, namely, throughout the hymn, that *svápna* means *duḥsvapna* (in the Atharvan always *duṣvápnya*); and the language is too obscure to show clearly whether he is right or not; the probability is certainly against him, because elsewhere (e.g. in the next hymn), when evil-dreaming is intended, its own name is freely used, and in xvi. 5 *svapna* is contrasted with *duṣvapnya.* ⌊As in the case of hymns 53 and 54, the Anukr. suggests that the hymns 56 and 57 are only two divided parts of one group of 11 verses; and the suggestion is reinforced by the juxtaposition in the RV. text (viii. 47. 15 and 17) of matter corresponding to our 56. 4 and 57. 1 (see under those verses); and hymns 56 and 57 are translated together by Ludwig.⌋

Translated: Ludwig, p. 467; Griffith, ii. 313.

1. Out of Yama's world hast thou come hither (*ā-bhū*); with mirth (?) dost thou, wise, make use of (*pra-yuj*) mortals; knowing, thou goest in alliance (*sarátham*) with the solitary one, fashioning (*mā*) sleep in the lair (*yóni*) of the Asura.

If *prámadā* (p. *prá∘madā*) is to be rendered as above, it must have its accent changed to *pramádā;* the comm., against the *pada*-text, understands it as *pramadās = striyas*, joint object with *mártyān* of *prá yunakṣi.* One or two mss. read *mártān* in **b**. The comm. renders *dhīras* by *dhṛṣṭas.* ⌊Apart from W's P.M.W., which have *svā́pnam*,⌋ all the mss., the comm., and SPP., read *svápnam* in **d**, and the translation follows this rather than our *svápna*, willing, in so obscure a matter, to stick as closely to the authorities as possible. Ppp., to be sure, gives *svapna mi-*, but this counts for very little. The comm. understands the verse to be addressed to the demon of ill-dreaming (*he duḥsvapnābhimānin krūra piçāca*); but his explanations through the whole hymn are worthless, being only the etymologizing guesses of one to whom the real sense is precisely as obscure as it is to us: *asura* is *prāṇavant ātman;* the 'lonely one' is the man who is dying of the effect of evil-dreaming, having abandoned son, wife, relatives, etc.; *yāsi* means *yamalokam prāpayasi;* and so on, and so on. ⌊Griffith cites "Death and his brother Sleep" of Shelley's Queen Mab (it is found also at Iliad xiv. 231) and "the twins, Sleep and Death," Il. xvi. 682.⌋

2. The all-vigorous bond saw thee in the beginning, in the one day before the birth of night; from thence, O sleep, didst thou come (*ā-bhū*) hither, hiding thy form from the physicians.

In this verse also, for the reason given above, the translation follows the mss. more closely than does our text. Nearly all authorities have at the beginning *bandhás;* a couple ⌊the reciters, K. and V.⌋, with the comm., *bandhús* (wrong accent ⌊as in vs. 5⌋); Ppp. reads *baṁbhas.* All have *viçvácayās* (p. *viçvá∘cayāḥ*), though in some of them the *c* could be read as *v;* the comm. is able to make a sense for it: *sarvasya cetā, saṁcetā, sraṣṭā;* the translation implies *viçvávayās*, as the smallest possible intelligible change; Ppp. presents *viçvavathāv* ⌊and *apaçyan*⌋. The *pada*-mss. divide in **b** *rā́tryā : jánitaḥ : réke;* the comm. understands, with us, *rā́tryāḥ : jánitoḥ : éke;* and SPP. substitutes this in his *pada*-text. *Eke ahni* ⌊which Ppp. combines to *eke 'hni*⌋ might, of course, also be understood as locative absolute. Our *tátas* at beginning of **c** was an emendation for *yáva* of the mss.; the comm. has it (also Ppp.), and SPP. accordingly also adopts it in his text. The whole pāda reads in Ppp.: *tatas svapnena madhyā ca bhāyatha.* In **d** all the mss. have *bhiṣágbhya r-*, and the *pada*-mss. *bhiṣágbhya∘rūpam* (!); only one or two give an accent to *rūpám;* the comm. understands *bhiṣágbhyo rūpám*, and SPP. reads this; the translation follows it. There is much discordance as to the accent of *apagūhamānas.* Ppp. reads *bhiṣajña rūpam apigūh-.* The comm. is a grammarian of such sort that he does not accept *éke* as used here for the more regular *ékasmin;* but he does accept *ahni* as used, by the ordinary license to put one case in place of another, for *ahnas*, coördinate in construction with *rātryās;* and *eke* means *mānasaprajāpatyādayas*, and is subject of *apaçyan* understood! The evil-dreaming hid itself away from the medicine-men, says the comm., lest they should meet it with an efficacious remedy; and something like that is possibly the real meaning.

3. He of great kine (?) turned unto the gods away from the Asuras, seeking greatness; to that sleep the three-and-thirty ones, having attained the sky, imparted over-lordship.

At the beginning, the *saṁhitā*-mss. in general read *bṛhád gā́vā* (p. *bṛhát : gā́vā* or *grā́vā*); Ppp. has *vṛhaṁgrāvā* ⌊combining *-vāsurebhyo*⌋; the comm. gives *bṛhadgāvā*, as nom. of *-gāvan*, deriving it from *gā* 'go'; and SPP. accepts this (*bṛhadgā́vā*, p. *bṛhat○gā́vā*), while at the same time suggesting that *-gavó* may be meant, by such a confusion of the two modes of writing *o* as we have already more than once ⌊cf. 55. 5 **b** and the note⌋ had occasion to conjecture. Ppp. reads *'bhi* instead of *'dhi*. There is discordance among the mss. as to the accent of *upā 'vartata*. Ppp. reads at end of **b** *ṛcchan*. The majority of mss. have in **d** *tráyastriñçā́sá sv-*; and part of the *pada*-mss. divide *tráyaḥ○triñçā́ḥ : sáḥ : sv-;* SPP. gives *trayastriñçā́saḥ sv-*, as do we.

4. Not the Fathers, and not the gods, know it, whose (pl.) murmur goes about within here; in Trita Āptya did the men (*nṛ́*), the Ādityas, taught by Varuṇa, set sleep.

The mss. read at the beginning *nāí 'tā́m* ⌊and so SPP.⌋, the *etā́m* 'it' apparently being viewed as relating to *jálpis;* the comm. makes the relation plainer by giving in **b** *yāi 'ṣām;* but this latter SPP. rejects. At end of **b**, the mss. vary between *antarétám* and *antaré 'dám* (p. *antarā́ : idám*); the comm. gives the latter, and SPP. accepts it; Ppp. also has it; ⌊and it is implied in the translation⌋. The mss., as always, vary between *tṛté* and *trité;* the great majority here give the former. *Váruṇena* in **d** was our emendation for *ár-*; it is read also by the comm., and by one of SPP's mss., and is found in Ppp.; SPP. also adopts it in his text. The mss. all accent *ā́dityāsas*, and SPP. does not emend, as we do, to *ādityā́sas*. Ppp. reads in **b** *jalpyaç c-*, and has for **c** *trite svapnam arididṛhā prate narā* (*ādit-*). With **c**, compare RV. viii. 47. 13–17 and especially 15 **c**, **d**. The comm. tells a tale of how *duḥsvapna*, having received overlordship from the gods, waxed topping, and seized on the Ādityas; the latter applied for relief to Varuṇa, and, duly instructed by him, put off the *duḥsvapna* upon the great seer (*maharṣi*) Trita, son of the waters: this is pretty plainly no tradition, but an account devised by the comm. to fit the immediate case.

5. Of whom the evil-doers shared ⌊*bhaj*⌋ the cruelty, the well-doers, by non-sleep, [shared] the pure (*púṇya*) life-time — thou revelest in the sky (*svàr*) with the highest relative; thou wast born out of the mind of one practising fervor.

The translation is a merely literal rendering, and does not pretend to be an intelligent one. It implies in **a**, with SPP., a majority of his mss., and the comm., *ábhajanta* (the other readings are *apacanta*, *abhacanta*, *aṣacanta;* and there are varieties of accent); in **b**, all the *saṁhitā*-mss. combine *duṣkṛ́to sv-*, implying *asvápnena;* but ⌊SPP's⌋ *pada*-mss. ⌊and W's *pada*-ms. D., p.m.⌋ read *svápnena;* ⌊W's D. seems to be corrected to *asváp-* and his L. also seems to have *asváp-*;⌋ SPP. accepts *asváp-*, with the comm. Ppp. gives no help; its text is *vy asya krūram abhijanta duṣkṛṇe sv-*; and *āpuḥ* for *āyuḥ* at the end of **b**. In **c**, *bandhúnā* (read by both editions, with the mss.) ought to have been emended ⌊cf. vs. 2 **a**⌋ to *bándhunā*, as both texts emend to *tapyá-* from *tápya-*, which appears in most of the mss. At the end, SPP. has the correct *jajñiṣe*, with about ⌊half of his authorities, including the carefully corrected Dc.⌋ (and with one of our later ones); our *jajñiṣé* represents the rest, but has no reason. Ppp. has in **c** *svarasajasi*.

The comm. renders *abhajanta* by *prāpnuvanti*, and *asvapnena* by *duḥsvapnadarçanābhāvena;* he regards *duḥsvapna* as addressed in the second half-verse, and explains *svàr* as equivalent to a locative (as rendered above) ⌊cf. *Noun-Inflection*, p. 488⌋, and *bandhunā* (cf. 2 a) as *sṛṣṭeḥ prākkāle tvāṁ dṛṣṭavatā vidhātrā saha.*

6. We know all thine attendants (?) in front; we know, O sleep, who is thine over-ruler here; protect us here with the glory of the glorious one; go thou away far off with poisons.

In b, the *pada*-mss. give blunderingly *svapna॰yáḥ.* Ppp. reads *yo 'dhipā hyo te.* Of course, *yaçasvinas* in c may be accus. pl., 'us who are glorious'; the comm. takes it so, and explains that the glory comes from our wonderful knowledge as set forth in the first half-verse. ⌊Ppp. reads *yaçaso hi* for *yáçase 'há.*⌋ In d, the *saṁhitā*-mss. (also Ppp.) give *ārā́dviṣ-*, which is equivalent to *ārā́ddviṣ-*; and the *pada*-mss. assume the latter, dividing *ārā́t : dviṣébhiḥ.;* since a derivative *dviṣá* is as good as unknown, and of a very unusual formation, we preferred to read *viṣébhis;* ⌊the comm., text and exposition, has *dviṣobhis;*⌋ SPP. has *dviṣébhis.* In a the translation of *parijā́s* is that of the comm. (=*parijanān*), which seems more probable than the conjecture of the Pet. Lexx., "perhaps places of origin."

57. Against evil-dreaming.

[*Yama.—pañcakam. dāuṣvapnyam. trāiṣṭubham: 1. anuṣṭubh; 3* ⌊of Anukr.: = *3 and 4* a (to *mukham*) of Berlin ed'n⌋. *3-av. 4-p. triṣṭubh; 4* ⌊of Anukr.: = *4* b *to 5* b of Berlin ed'n, that is *taṁ tvā svapna* to *gṛhe*⌋. *6-p. uṣṇigbṛhatīgarbhā virāṭçakvarī; 5* ⌊of Anukr.: = *5* c *to 6* of Berlin ed'n, that is *anāsmākas tad* to end of hymn⌋. *3-av. 5-p. paraçākvarā 'tijagatī.*]

⌊Partly prose — verses 2, 3, 4, and 6.⌋ Pāipp. has only the first verse (in ii.). The comm. quotes from a Pariçiṣṭa (SPP. is unable to identify the passage) a direction for using it (with vi. 45, 46) to a king who sees bad dreams. ⌊As to the connection of the material of this hymn with that of h. 56, see introd. to h. 56.⌋ ⌊As to the differences of division, see under vss. 3, 4, and 5, and cf. SPP's Critical Notice, vol. i., p. 24.⌋

Translated: Ludwig, p. 468; Griffith, ii. 314.

1. As a sixteenth, as an eighth, as a [whole] debt they bring together, so do we bring together all evil-dreaming on one who is offensive (*ápriya*).

The verse is nearly identical with vi. 46. 3, differing only by substituting *ápriye* in d for *dviṣaté. Apriye* comes near to the *āptyé* of RV. viii. 47. 17, with which both verses correspond: see note to vi. 46. 3. The comm., in fact, reads *āptye.*

2. Kings have gathered (*sam-gā*), debts have gathered, *kuṣṭhás* have gathered, sixteenths have gathered; all evil-dreaming that is in us — let us impel away evil-dreaming to him that hates us.

The *pada*-mss. read *sáḥ : mṛṇā́ni* for *sám : ṛṇā́ni*, and *sáḥ : kalā́ḥ* (the *saṁhitā*-mss. also *sá kalā́ ag-*) for *sám : kalā́ḥ;* SPP. follows us in emending in both places to *sám*, which the comm. also has. At the beginning of the second division, we have emended *sám* of the mss. and comm. (which SPP. follows) to *sárvam.* For *yát* (after *asmā́su*) the *saṁhitā*-mss. read *yáta*, and the *pada*-mss. *yátaḥ;* our *yát* is supported by the comm., and SPP. adopts it. The comm. says that *kuṣṭha* is a skin-disease, symptomatic of various maladies; and, when one of these remains unhealed, boils and sores etc. (*?piṭakavraṇādīni*) show themselves. Also, that *kalās* are *anupādeyāvayavopalakṣaṇa*, and worthless parts of cattle etc. are collected in old pits. And in like manner collected ill-dreaming is made over to an enemy. That is his idea, and a wholly unacceptable one, of the general meaning of the verse. ⌊The verse is prose, no *triṣṭubh;* but may be stretched so as to count as 43 syllables.⌋

3. Embryo of the wives of the gods, instrument of Yama, excellent dream; the evil [dream] that is mine, that do we send forth to him that hates us.

The mss. all read *devā́nām pátnīnāṁ gárbha* (one *pada*-ms. *-bham*) *yamásya kárayo bhadrásvapnaḥ;* the translation implies no further emendation than to *gárbho* and *káraṇo;* ⌊the minor Pet. Lex., iv. 249, accepts *bhadrásvapna* as a descriptive compound, although the accent (*Gram.* § 1280 c) is very exceptional;⌋ SPP., following the comm., changes to *dévānām patnīnāṁ garbha yámasya kara yó bhadráḥ svapna.* Our *devápatnīnām* and *káraṇas* were suggested especially by the *devajāmīnā́m* and *káraṇas* of vi. 46. 2 and xvi. 5. 6, of which neither the comm. nor SPP. take any notice. In the second division of the verse the two editions agree, save that ours emends *tát* of the mss. (which SPP. follows) to *tám;* and the latter is supported by our P.M., and by the comm. But the mss. have at the beginning *samámayaḥ*, and the *pada*-mss. resolve it into *samám : ayaḥ.* The Anukr. and comm. and SPP. add to this verse what in our text is the first division of vs. 4; our division is that of our first mss., and is preferable on the ground of the sense. ⌊The prose verse, according to the division of the Anukr., may be made to count (8 + 10 : 13 : 13 ?) as 44 syllables.⌋

4. Thee that art "harsh" by name, mouth of the black bird (*-çakúni*) — thee, O sleep, we thus know completely; do thou, O sleep, as a horse a halter, as a horse a girth, scatter him who is not of us, the god-reviler, the mocker.

⌊Prose.⌋ The translation here is of no authority, including various venturesome emendations of the text; it follows our text except at the end, where, instead of *badhāna*, it implies the (unsatisfactory) *vapa* of the comm. and SPP.; all the mss. read *vápus* ⌊or *vápu*⌋. At the beginning, the *pada*-mss. give *mā́tṛṣṭā : nāma : asi : kṛṣṇa∘çakune : múkham;* and the *saṁhitā*-mss. agree with them, with worthless variations of accent ⌊and some slight differences besides⌋, and with *-kuner* in one or two. SPP. reads, however, *mā́ tṛṣṭā́nām asi kṛṣṇaçakunér múkham*, won, as he claims, by adding accents to the comm's text; but this differs from the mss. only by ⌊the word-division and⌋ by *-nāmasi* and *-ner;* how the comm. divides and understands *mātṛṣṭānāmasi* is unknown, as his explanation of the words is wanting (though SPP. notes no lacuna). So much (to *múkham*) is, as was noted above, added to vs. 3 by Anukr., comm., and SPP. In the next division of the verse, for *kakṣyàm*, the mss., the comm., and SPP., give *kāyám*, which might mean 'body'; the comm. is apparently imperfect here, reading *açvo yathā svakīyaṁ rajodhūsaraṁ* [*kāyaṁ*] *dhunoti yathā cā 'çvo nīnāham palyāṇakavacādikam avakirati:* with *kāyam* is perhaps omitted also *çarīram*, its gloss. Our mss. end vs. 4 with *nīnāhám*, and it was our emendation to add the next clause; but this the comm. does also, ending with *vapa*, while SPP. goes on to *gṛhe* without making a verse-division; the sense (so far as we can be said to understand it) favors our division and the comm's. The latter reads *avā 'smākam*, finding thus an *ava . . . vapa*, which he explains by *tiraskuru.* All the mss. give *pīpārum̐* ⌊P.M.: *pīy-*⌋ *vápur* ⌊or *vápu*⌋ *yád* etc., with not even a pāda-division after *vápus;* such a division was due in our text, however, after *nīnāhám.* ⌊The Anukr. seems to intend to count the verse (*taṁ tvā* to *gṛhe*) as 9 + 9 + 7 + 13 (reading *vapa*): 8 + 8 = 54.⌋

5. What evil-dreaming is in us, what in our kine, and what in our house, that let him who is not of us, the god-reviler, the mocker, put on like a necklace (*niṣká*).

⌊Pādas **a** and **b** are identical with 45. 2 **a**, **b**, above; and the rest of the verse seems to throw much light on 45. 2 **c**, **d**: see my note to that verse. In his Collation-Book, Whitney here made a note of this important parallel, but seems to have overlooked his note when working out his commentary.⌋ The mss. again all read *pīpārus* ⌊P.M.: *pīy-*⌋; and the comm. again *avā 'smākam*, supplying a *gamaya* to the *ava* in his explanation. The omission of *devapīyús* would make a fair *anuṣṭubh* of this verse ⌊and a faultless one, if we pronounce *niṣkéva*⌋; it is evidently metrical, and a verse by itself ⌊cf. 45. 2⌋ as it stands in our text; the Anukr. and SPP., with part of the mss., end vs. 4 with *gṛhé*, and throw all the rest of the hymn together as vs. 5; the comm. agrees with us as to vss. 5 and 6. ⌊The Anukr. seems to intend to count its verse 5 (*anāsmākás tád* to end of hymn) as 12 + 9 : 9 + 7 [:] 14 = 51, and to put its second *avasāna*, with some of the mss., after *pári*, as does SPP.⌋

6. Having measured off nine cubits, forth from that do we divide off to him who hates us all our evil-dreaming.

⌊Prose.⌋ Instead of our *apamā́ya*, the mss., the comm., and SPP. read *ápamayā* (p. *ápa○mayāḥ*); how the comm. (or SPP.) would explain it does not appear, as he gives only the general sense of the expression: *asmākaṁ sambandhi duṣvapnyaṁ navāratniparyantam apasāraya.* He reads at the end *apriye saṁ nayāmasi* (= 1 **d**).

58. For various blessings.

[*Brahman.—ṣaḍṛcam. mantroktabahudevatyam uta yājñikam. trāiṣṭubham: 2. puro'nuṣṭubh; 3. 4-p. atiçakvarī; 5. bhurij.*]

The first four verses occur also in Pāipp. i.; ⌊Roth's Collation, strictly interpreted, means that the whole hymn is found there⌋. The comm. quotes vs. 5 as used in Kāuç. 3. 16; but the verse there intended is evidently ii. 35. 5, of which vs. 5 here is a repetition. At the beginning of his exposition of vs. 1 he says: *asmin sūkte manasā nirvartyo yajñaḥ stūyate.*

Translated: Griffith, ii. 315.

1. The swiftness of ghee evenly always increasing the year with oblation — be our hearing, sight, breath unsevered; unsevered be we from life-time, from splendor.

The translation implies in a *samanā́ sadā́t 'vá.* ⌊This last may be a slip for *sádāivá*, p. *sádā : evá;* the Berlin text and the *Index* imply *sádeva*, p. *sádā○iva.*⌋ Five authorities give *samanā́* (so in p.); five or six, *samanā́ḥ;* the rest *samanāḥ* or *sámanāḥ*, or else *samānā́ḥ* or *samānā́* or finally *sámanā;* SPP. accepts the last, from only two mss.; the comm. reads *samanāḥ*, and explains it as *samānamanaskā.* After it the mss. read *sádevāḥ* (p. *sá○devāḥ*), but the comm. and his text *sadevā*, and SPP. follows these, accenting *sádevā.* Ppp. has *yūtis sumanās sudevās* (*s-*). The comm. says that, since all words signifying 'motion' also signify 'knowledge,' *jūti* here means *sarvatra prasṛtaṁ jñānam!* Ppp. combines in **c** *prāṇa ach-*. In **d**, the *pada*-mss. read *áchinnā* instead of *-nāḥ*. The connection of the two half-verses is perhaps this: it is prayed that the prospering flow of the libations of sacred butter be uninterrupted, carrying as a consequence the continuance of physical blessings.

2. Let breath call unto us; we call unto breath; the earth, the atmosphere hath seized (*grah*) splendor; splendor [also] Soma, Bṛihaspati, the maintainer.

Some mss. (including most of the *pada*-mss.) begin **b** with *úpa hvayám*. In **c**, one of SPP's mss. and Ppp. combine *pṛthivy ānt-*. At the end, the *pada*-mss. have correctly *dhartā́;* the *saṁhitā*-mss. vary between this and *dhattā́*, *dhattā́m*, and *dhattā́t;* and the reciter K. gave *vidhartā́*. The comm's text (SPP.) has *vidhattām*, but his explanation reads *vidhattā* (misreading for *-arttā?*) *viçeṣeṇa dhartā 'gniḥ sūryo vā;* and SPP. most strangely adopts the senseless *vidhattā́* (it is read also by one ms.). Ppp. gives instead *bibhartu*, which is not bad. Furthermore, Ppp. begins **a** with *apa*, but **b** with *upa*. The seizing of splendor by these various divinities is, according to the comm., for the purpose of giving it to us. Pādas **b** and **d** lack each a syllable. ⌊A similar antithesis with *upahū* occurred at i. 1. 4, and others were pointed out there.⌋

3. Heaven-and-earth have become joint-seizers of splendor; seizing splendor may we go about upon the earth; with glory the kine, coming, wait upon (*upa-sthā*) the lord of kine; seizing glory may we go about upon the earth.

⌊The verse is by no means one of 4 pādas, but rather one of 6 (**a**–**f**: so designated below): in fact, it is a regular *anuṣṭubh*, to each half of which is added in prose an *ūha*-refrain (*varco* etc., *yaço* etc.) of 14 syllables.⌋ The mss. read in **b** *babhūváthus*, accenting also *dyā́vāpṛthivī́;* the translation implies the simpler and more probable emendation to *-vatus;* ⌊and of course the retention of the ms.-accentuation of *dyā́vāpṛthivī́:* correct the Berlin ed. accordingly;⌋ SPP. leaves both words unchanged, without heeding their irreconcilable character; that the comm. takes *dyā́vāpṛthivī́* as vocative is simply in accord with his usual disregard of the accent. In **c** and **f**, the mss. vary between *ánu-sam* ⌊so most⌋, *anu-sám*, and *ánu sám* (the *pada*-mss. have *anu∘sáṁcarema:* but one has *ánu∘saṁcarema!*); SPP. adopts *ánu sám* ⌊cf. note to Prāt. iv. 3⌋, against our *anu-sám;* there is little choice between the two. In **d**, the mss. in general begin with *yaçásām* ⌊some with *yáçasām*⌋, two or three having *yáçasam* or *yaçásam;* SPP. adopts the last, we *yáçasā;* here, again, there is little to choose; the comm. explains *yaçasā*, though his text (SPP.) gives *yaçasām*. The comm. foolishly takes *āyatī́s* in **e** as, jointly with *yáças*, object of *gṛhītvā́* in **f**, supplying *dhenū́s* for it to qualify. The verse counts (16 + 14 : 16 + 14 = 60) as a full *atiçakvarī;* ⌊but see beginning of this paragraph⌋.

4. Make ye a pen (*vrajá*), for that is men-protecting for you; sew ye coats-of-mail (*várman*), abundant, broad; make ye strongholds of metal, unattackable (*ádhṛṣṭā*); let not your bowl leak (*sru*); make it strong.

The verse is RV. x. 101. 8, with slight variation: RV. has *várma* in *saṁhitā* as well as in *pada* in **b**; the mss., too, leave *dṛ́ṅhatā* in **d** without accent, and SPP. does not correct their error. ⌊Roth notes that Ppp. reads *varmā:* cf. *Noun-Inflection*, p. 540 top, 539 end.⌋ But the *pada*-text exhibits its skill in blundering: in **b** it reads *várma : asi : vi°adhvám* (and nearly all the *saṁhitā*-mss. accent *sīvyadhvám*), and in **c** *kṛṇudhvam : mā́ : ā́yasīḥ* (or *ayasīḥ*) *: ádhṛṣṭā* (and the *saṁhitā*-mss. accordingly read *-dhvaṁmāy-*). The comm. gives three distinct interpretations of the verse: as concerned respectively with the senses, with officiating priests, and with soldiers (*indriyaparatvena ṛtvikparatvena yoddhṛparatvena*). ⌊As to *-dhvam mā-*, cf. note to xviii. 2. 3.⌋

5. Of the sacrifice the eye, beginning, and face; with voice, with hearing, with mind do I make oblation; to this sacrifice, extended by the all-working one, let the gods come ⌊*ā-i*⌋, with favoring minds.

We had this verse above, as ii. 35. 5 ⌊see note thereon⌋. Our mss. cite it by the whole first pāda: *yajñásya cákṣuḥ prábhṛtir múkhaṁ cé 'ty ékā.* ⌊The Anukr. does not ignore the *ā́* at the beginning of **d**.⌋

6. They that are priests (*ṛtvíj*) of the gods, and that are worshipful, for whom the oblation (*havyá*) is made the portion — coming to this sacrifice together with their spouses, let the gods, as many as they are (*yā́vant*), revel on the oblation.

In **b**, the mss. have also *kriyate*, *kṛyate*, ⌊*kṛyáte*,⌋ and *kṛṇute.* In **c**, the *pada*-mss. read *sahá°patnībhiḥ*, and nearly all the *saṁhitā*-mss. agree with them; SPP. also emends to *pát-*. In **d**, all the mss. have *tavíṣā* or *táviṣā* (p. *-ṣā*); SPP. reads, with the comm., *taviṣā́s* (= *mahāntaḥ*, comm.); the translation implies *havíṣā*, instead of our emendation *sám iṣā́*. The verse ⌊12 + 11 : 11 + 12⌋ has two more syllables than a regular *triṣṭubh;* ⌊the cadences of **a**, **b**, **c** accord with the number of syllables: but **d**, with 12, has a *triṣṭubh* cadence; this casts still further suspicion on *taviṣā*, in place of which we should expect only two syllables⌋.

59. For successful sacrifice.

[*Brahman.—tṛcam. āgneyam. trāiṣṭubham: 1. gāyatrī.*]

Hymns 59–64 are not found in Pāipp. For the practical use of 59 with 52, see under the latter. ⌊Other uses under vs. 3.⌋ Verses 1 and 2, it will be noticed, are put together also in TS., and vs. 3 is not far off ⌊preceding 1 and 2⌋. In MS., on the other hand, vss. 2 and 3 have the same sequence as here; ⌊but in RV. their sequence is inverted⌋. ⌊As for the ritual use, cf. p. 896 and the table.⌋

Translated: Griffith, ii. 317.

1. Thou, O Agni, art protector of vows among gods (?), among mortals; thou art to be praised at the sacrifices.

The verse is RV. viii. 11. 1, and found also in VS. iv. 16; TS. i. 1. 14[4]; 2. 3[1], and MS. i. 2. 3, everywhere without variant, except as the AV. mss. in general read in **b** *devā́ ā́ m-* ⌊three have *devā́ ām-*⌋; ⌊Whitney's P. and M. and SPP's S^{m}. and his D^{c}., p.m., have *devá ā́ m-*;⌋ the *pada*-mss. give *devā́ḥ* (two of SPP's, after it, *ā°mártyeṣu*). The RV. *pada*-text has *deváḥ;* ⌊so also TS. *pada*-text: see Weber's note in his ed., p. 13;⌋ the translation implies *devé*, in the sense of *devéṣu.* The comm. understands *devás*, and SPP. also reads it by emendation.

⌊Roth, *Ueber gewisse Kürzungen des Wortendes im Veda*, p. 3, treats the RV. verse, with report of the comm. on RV.VS.TS.: he assumes *devé : ā́* as *pada*-reading and understands *devé* as = *devéṣu.* Cf. *daça* (= *daçabhis*) *dvādaçabhir vā 'pi*, MBh. xii. 307 (or 306). 10 = xii. 11377, as cited by Hopkins, JAOS. xxiii. 111; cf. also English *inside and out* (*out = outside*); Goethe's *Jeden Nachklang fühlt mein Herz froh-* (*= froher*) *und trüber Zeit;* etc.⌋

2. If we, O gods, detract from (*pra-mī*) your [ordained] courses — we that are very unknowing, of you that are knowing — let Agni the all-devouring fill that up, knowing, and the soma that has entered the Brahmans.

The first three pādas are RV. x. 2. 4 **a–c**, found also in TS. i. 1. 14^4 and MS. iv. 10. 2. All these read in **c** *víçvam ā́ pṛṇāti;* our *viçvā́d* (p. *viçva∘ádt*) can only be regarded as a corruption; the translation, however, follows it, as being the real Atharvan reading; SPP. adopts it in his text, against the comm., who reads and explains *viçvam.* The comm. agrees with RV. etc. further in giving *pṛṇāti.* As for the last pāda, we had it above as **d** of xviii. 3. 55; it is also a RV. phrase, and found elsewhere: see under that verse.

3. We have come unto the road of the gods, to convey (*vah*) along forward what we may be able; Agni [is] knowing; he shall make offering; he verily is *hótar;* he shall arrange the sacrifices (*adhvará*), he the seasons.

The verse is RV. x. 2. 3, and found also in TS. i. 1. 14^3, MS. iv. 10. 2, and ÇB. xii. 4. 4^1. These texts read in **c, d** *sé 'd u hótā só adhv-*, and all save ÇB. accent *ánu* in **b**. The comm's text also has the RV. reading *se 'd u hotā.* The verse, with the Atharvan readings in **c, d**, is found in full in Kāuç. 5. 12, in the *parvan*-ceremonies. In the same ceremonies it accompanies in Vāit. 3. 5 an offering to Agni *sviṣṭakṛt;* and again, in Vāit. 19. 12, an after-offering to various gods. ⌊As for the critical significance of the citation of the vs. in *sakalapāṭha*, see p. 897, ¶ 3.⌋

60. For physical abilities.

[*Brahman.—dvyṛcam. mantroktavāgādidāivatam. 1. pathyābṛhatī; 2. kakummatī purauṣṇih.*]

⌊Prose.⌋ As was noticed above, the hymn is wanting in Pāipp. Hymns 60–63, both text and explication, are lacking in the comm. The comm., at p. 517^5, assigns only fourteen hymns to this the final *anuvāka;* ⌊but at p. 552^9 he numbers the last hymn as the thirteenth, having combined hymns 69 and 70 of the Berlin ed. into one of 5 vss. (*pañcamantrātmakaṁ sūktam*, p. 548^1): both numbers are at variance with the⌋ eighteen of the mss. ⌊in general: but see under h. 65⌋ and of the Anukr. The hymn is quoted in Kāuç. 66. 1 in the *savayajña* chapter ⌊see table on p. 896⌋; the mss. of Kāuç. read *āsyan* ⌊like the AV. mss.⌋.

Translated: Griffith, ii. 317.

1. Speech in my mouth, breath in my nostrils, sight in my eyes, hearing in my ears, my hair not gray, my teeth not broken, much strength in my arms.

A similar enumeration is found in TS. (in v. 5. 9^2), TA. (x. 72, in supplement: ⌊p. 887 of Poona ed.⌋), and PGS. (in i. 3. 25): *vā́ñ ma āsán* (PGS. *āsye*) *nasóḥ prāṇò 'kṣyóç cákṣuḥ kárṇayoḥ çrótram bāhuvór bálam ūruvór ójó 'riṣṭā víçvāny áṅgāni* (PGS. *'riṣṭāni me 'ṅgāni*) *tanū́s tanúvā me sahá;* it covers both verses of our hymn and the beginning of the next. ⌊MGS. i. 4. 4 may be compared.⌋ Nearly all the *saṁhitā*-mss. read *āsyán* ⌊like those of Kāuç.⌋ *násoḥ;* ⌊and the *pada*-reading is *āsyám : násoḥ*⌋. Further on, the mss. read *akṣóḥ* or *akṣyóḥ* (one of ours and one of SPP's give *akṣṇóḥ;* our text gives *akṣṇóḥ*, but it should be *akṣyóḥ*, as everywhere else in the Atharvan, and as in the parallel texts); yet further, *ápalitā kéçā* ⌊or *keçā́*⌋ *çóṇaditā báha* (or *váha*) *bā́hvor bálam.* SPP. follows our emendations (even *akṣṇós*) throughout; except that he very properly corrects our *bāhvòs* to *bāhvós.* Instead of *áçoṇā dántāḥ* the minor Pet. Lex. suggests *áçīrṇā d-*, which is decidedly preferable, and is implied in the translation.

2. Force in my thighs, speed in my calves, firm standing in my feet, all things of mine uninjured, myself not down-fallen.

⌊Passing in silence some minor details of variation,⌋ the mss. read *ója* instead of *ójas* ⌊but *ójaḥ* is found in two or three *pada*-mss.⌋; ⌊about ten authorities⌋ leave *jañghayos* unaccented; they accent *jávas* or *javás*, and *pā́dayos* or *pādáyos;* some insert a blundering *avasāna* between *pā́dayoḥ* and *pratiṣṭhā́;* ⌊all accent *ariṣṭā́ni* instead of *ár-*;⌋ and end with *sárvān mā́ 'tipṛṣṭhāḥ* or *-ṣṭhā* (p. *áti°pṛṣṭhā* or *-āḥ*). SPP. follows our emendations quite closely : but he corrects to *jáñghayos;* accents *javás* (which is rather to be preferred *); ⌊accents correctly *pā́dayos:* the accent of the Berlin ed. should be amended accordingly;⌋ leaves the *avasāna* after *pā́dayoḥ;* and forgets in *saṁhitā*-text to combine *pratiṣṭhā́* and *áriṣṭāni* into *pratiṣṭhā́ 'riṣ-*; the mss., however, commit the same oversight, although the *pada*-text reads *prati°sthā́* (not *-ā́ḥ*). The blunder arises possibly from the transference of the *avasāna*-sign from its proper place after *pratiṣṭhā́* (to which our text restores it) to the place before that word. The metrical definitions of the Anukr. for these two bits of prose are naturally worthless, and the extensive emendations in our text make them still more inapplicable. *⌊In RV. the masc. *javá* is oxytone, and the neuter *jávas* is paroxytone; but at iii. 50. 2 and iv. 27. 1 we have the adjective stem *javás:* cf. *Gram.* § 1151. 2. e.⌋

61. For length of life etc.

Wanting, as already pointed out, in the comm. and in Pāipp.
Translated: Griffith, ii. 317.

1. A body together with my body. ⌊. . .⌋ May I attain all my life-time. Sit thou on what is pleasant; fill thyself full, cleansing thyself in heaven (*svargá*).

The verse is utterly obscure and disconnected, and we might long for the comm., if we had found that he ever gave any help in such a case. The first clause is translated as corresponding with that in TS. etc. (see under 60. 1); what is inserted between it and the following clause is omitted as unintelligible. The mss. read *sahe* (with varying accent), and *dántāḥ* (so all the *pada*-mss. and some others) or *datáḥ*, or *rádátāḥ* ⌊or *radántāḥ*⌋; SPP. adopts *sahe datáḥ*, to which he might be puzzled to give any meaning. In the second division, SPP. reads with the mss. *syonáṁ me s-*, and *purúḥ pṛ-*.

62. For popularity.

Wanting in Pāipp. and in the comm.
Translated: Zimmer, p. 205; Griffith, ii. 318.

1. Make thou me dear to the gods, make me dear to kings, dear to everything that sees, both to Çūdra and to Āryan.

A nearly corresponding verse is found in the supplement to RV. x. 128 (Aufr.^{2}, p. 685), and in HGS. i. 10. 6, ⌊and in *Kaṭha-hss.*, p. 36⌋. In the first half-verse, RV. differs only by reading both times *kuru;* its **c** is *priyaṁ viçveṣu gotreṣu*, and its **d** entirely different from ours. HGS. also has *kuru*, with *mā brahmaṇi* for *rājasu mā* in **b**, and the second half-verse reads *priyaṁ viçyeṣu çūdreṣu* ⌊cf. *rúcaṁ víçyeṣu çūdréṣu*, VS. xviii. 48⌋ *priyam mā kuru rājasu.* The mss. read in **c–d** ⌊with varying accent⌋ *paçyato 'ta* (p. *paçyata : uta*); ⌊but one of SPP's *pada*-mss. has *paçyatáḥ*, p.m.⌋; and a part of the mss. (including ⌊so far as noted⌋ all the *pada*-mss.) have *çūdrám* in **d**. SPP's text agrees throughout with ours. ⌊With this verse Zimmer compares 32. 8, above, and VS. xviii. 48 etc. With the **d** of the Berlin text, cf. the **d** of iv. 20. 4 and 8. Zimmer rightly notes that the "gods" of **a** are the Brahmans, and aptly cites ÇB. ii. 2. 2^6, with 32. 8 etc. as just mentioned.⌋

63. To Bṛihaspati: for sundry blessings.

[*Brahman* (*etc.*, *as 61*). — *virāḍ upariṣṭādbṛhatī.*]

Wanting in Pāipp. and in the comm.
Translated: Griffith, ii. 318.

1. Arise, O Brahmaṇaspati; awaken the gods with the sacrifice; increase [his] life-time, breath, progeny, cattle, fame, and the sacrificer [himself].

The mss. vary between *paçúm* and *paçū́n* in the second half-verse. *Kīrtím* is pretty evidently intruded, spoiling the ⌊otherwise good *anuṣṭubh*⌋ meter; the Anukr. reckons it to the fourth pāda. The *paddhati* uses the verse (see note to Kāuç. 6. 21) in the course of the *darçapūrṇamāsa* ceremony.

64. To Agni: with fuel.

[*Brahman.* — *caturṛcam.* *āgneyam.* *ānuṣṭubham.*]

Not found in Pāipp. Used in Kāuç. (57. 26) in the ceremony of initiation of a Vedic student, to accompany the laying of four sticks of fuel on the fire — the schol. say, one at each verse. ⌊With regard to the ritual use, see the table on p. 896, and p. 897, l. 9.⌋
Translated: Griffith, ii. 318; vs. 1 also by Ludwig, p. 265.

1. O Agni, I have taken fuel for the great Jātavedas; let that Jātavedas extend to me both faith and wisdom.

The whole verse is found in ÇGS. ii. 10, the only variant being *agnaye* at the beginning; ⌊Oldenberg's text (cf. his note, p. 139) should read *āhārṣam*, with his codex F.⌋; the first half-verse occurs in several other Sūtras (AGS. i. 21. 1; PGS. ii. 4. 3; HGS.

i. 7. 2; MB. i. 6. 32), with a very different latter half, but all reading *agnaye;* ⌊and we find *agnáye* at MP. ii. 6. 2; and again at GGS. ii. 10. 46, where the *pratīka* is cited⌋. The comm. also has *agnaye*, with one of SPP's reciters. The Atharvan reading is plainly *ágne*, apparently a metrical emendation, and the translation follows it, rather than our unnecessary conjecture, *ágre*. ⌊In this case, as the meter clearly shows, we must allow that the AV. has the better reading *ágne* as against the *agnaye* of a whole series of Sūtra-texts. Their inferior reading is of course not to be changed; but still less should the AV. be changed to *agnáye*, as Oldenberg, note to ÇGS., p. 139, overlooking the meter, suggests.⌋

2. With firing, O Jātavedas, with fuel do we increase thee; so do thou increase us, both with progeny and with riches.

The ⌊text and explanation of the⌋ comm. add ⌊as does the Daça Karmāṇi: see Kāuç. 57. 26 note⌋ the further pāda *dīrgham āyuḥ kṛṇotu me*, and two or three of SPP's authorities give it or have traces of it.

3. In that, O Agni, we put on for thee any pieces of wood whatever, be all that propitious to me; enjoy thou that, O youngest one.

The first two pādas and the fourth are RV. viii. 91 (or 102). 20, which reads *kā́ni kā́ni cid* in **a** ⌊and *tā́* for the *tád* of our **d**⌋. The Yajus-texts, VS. xi. 73, MS. (in ii. 7. 7), TS. (in iv. 1. 10[1]), all have the inserted pāda **c**: VS.MS. end it with *te ghṛtám* instead of our *me çivám*, while TS. makes it read *tád astu túbhyam íd ghṛtám*. VS. reads **a** as does RV., but TS.MS. have *yā́ni kā́ni ca*. Nearly all the authorities have *dā́ruṇi* ⌊only W's P.M. have *dā́rūṇi*⌋; and all have *dadhmasi*, without accent: SPP. emends both words to accordance with RV., as we had done. Part of the mss. ⌊and the comm.⌋ have in **d** *yaviṣṭha*. The verse is used by Vāit. (28. 14) in the *agnicayana* ceremony. ⌊Cf. p. 898, line 1.⌋

4. These pieces of fuel are for thee, O Agni; with them, O burning one, become thou united; put in us [long] life-time; put immortality in the Āryan.

The second and fourth pādas are wholly corrupt; the translation follows in part our emended text. ⌊For **b**, the translation implies *tā́bhir dhakṣo* (cf. RV. x. 115. 4; ii. 4. 4, where the *saṁhitā* has *dákṣoḥ;* RV. Prāt. iv. 41 end) *sám íd bhava;*⌋ and for **d**, it implies *amṛtatvám̐ cā́ ''rye*. For **b**, the general reading of the authorities is *tvā́m íd dhaṅsó* (p. *haṅsáḥ*) *samíd* (p. *sam˚ít*) *bhava;* one or two have *dhaso* or *vāṅso*, one *tvā́v íd dhaṅsó*, three *bhavaḥ*. SPP. conjectures that the original reading may have been *tā́bhir vaso samíd bhava;* he adopts as his text, from the comm., *tvám iddháḥ samíd bhava*. In **c**, the *ā́* before *dhehi* is not found in the mss.; a less correction, with better meter, would have been *dhehy ā́*. For **d**, the mss., the comm., and SPP., give *amṛtatvám ācāryā̀ya* (p. *amṛta˚tvám : ā˚cāryā̀ya*).

⌊The Daç. Kar., as reported by Bloomfield on Kāuç. 57. 26, also gives *ācāryāya;* moreover, the passage in PGS. (ii. 4. 3), which treats of the ceremony of initiation to which (see introd., above) these verses belong, contains in fact a prayer of the student on behalf of his teacher or initiator: *jīvaputro mamā ''cāryo medhāvy aham asāni* etc.; and the AV. comm. explains *ācāryāya* accordingly by *upanayanakartre gāyatrīpradātre* etc. This all makes against W's *cā́ ''rye* and in favor of the ms.-reading *ācāryā̀ya:* this dative, no less than the locative *asmā́su*, goes easily with *dhehy ā́*⌋.

65. Praise of the sun.

[*Brahman.—ekarcam. jātavedasam; sāuryam. jāgatam.*]

Found also in Pāipp. xvi. The comm. says that hymns 65–67 are shown by their contents to belong to the worship of Sūrya.

Translated: Griffith, ii. 319.

1. A yellow eagle, thou hast ascended unto heaven (*dív*) with radiance (*arcís*); whoso (pl.) would injure thee flying up to heaven, them smite thou down with flame (*háras*), O Jātavedas, unfearing; ascend unto heaven, O sun, formidable, with radiance.

By metrical evidence, *jātavedas* in **c** is an intrusion ⌊although obviously older than the Anukr.⌋, besides being at least superfluous in sense. The mss. read *bíbhyad ugro 'rc-* (p. *bíbhyat : ugraḥ*); but SPP. emends to *ábibhyat : ugráḥ*, as we had done ⌊but neglects the necessary *abhinihita svarita*⌋; the comm. so understands the words. Ppp. reads *ugro arciṣā* in **d**.

After this hymn, three of our mss. (P.M.W.) insert as next hymn, numbering it 66, the one-versed RV. i. 99, without variant.

66. To Agni: for aid.

[*Brahman.—ekarcam. jātavedasam; sāuryam; vajradevatyam. atijāgatam.*]

Found also in Pāipp. xvi. The comm. connects it in use with the preceding hymn.

Translated: Griffith, ii. 319.

1. The trickish Asuras that go about, having metal nets, hooking with fetters of metal, them I make subject to thee with flame, O Jātavedas; go thou, a thousand-barbed thunderbolt, slaughtering our rivals.

Ppp. combines in **a** *-jālā 'surā*, and reads in **b** *ayasmāi p-*; in **c** it seems to give *harase*, which would be an acceptable emendation. Our *sahásrabhṛṣṭis* in **d** is for the *-hṛṣṭis* (the majority) or *-dṛṣṭis* ⌊two⌋ or *-hraṣṭis* ⌊two or three⌋ or ⌊*-haṣṭis* or *-hraṣṭi* or⌋ *-hruṣṭis* or *-riṣṭis* or *-bhṛṣṭis* (all these, one each) of the authorities; SPP. reads, with the comm., *-ṛṣṭis*. SPP. also follows the comm. in adopting *pāhi*, against the majority of his authorities (though in such a case their reading, whether *pā-* or *yā-*, is extremely doubtful); ⌊here the testimony of his oral reciters is of especial weight, and they (his K. and V.) gave *yāhi*⌋.

67. For long life and prosperity.

[*Brahman.—aṣṭāu. sāuryam. prājāpatyā gāyatrī.*]

Not found in Pāipp. According to the comm., it is used in the same manner as the two preceding hymns. ⌊Cf. *khila* to RV. i. 50.⌋

Translated: Griffith, ii. 319.

1. May we see a hundred autumns.

2. May we live a hundred autumns.

3. May we wake a hundred autumns.

4. May we ascend (*ruh*) a hundred autumns.
5. May we prosper a hundred autumns.
6. May we be a hundred autumns.
7. May we adorn a hundred autumns.
8. More autumns than a hundred.

The comm.* reckons the hymn as only one verse; the Anukr. and all the mss. ⌊see SPP's ed., p. 543, note 1⌋ count eight verses, and SPP. also adopts this. The first two verses are the last two pādas of RV. vii. 66. 16; they are found also in GGS. iii. 8. 5; a third verse, with *çṛṇuyāma*, is added in PGS. i. 6. 3; ⌊MS., at iv. 9. 20, has four pādas, with *çṛṇuyā́ma* pushed to the fourth place by the insertion of *prábravāma* (ed. *prábruv-*) in the third;⌋ and the series is carried further in VS. xxxvi. 24, which, beginning as does PGS., has five pādas, ⌊with *prábravāma* in the fourth, and *ádīnāḥ syāma* in the fifth, and⌋ with the added ending *bhū́yaç ca çarádaḥ çatā́t*, which needs emendation. ⌊MGS., at i. 22. 11, agrees with VS.⌋ In TA. iv. 42. 5 and in HGS. i. 7. 10 ⌊the series is carried to eight pādas⌋: these agree from 1 to 7 ⌊with *páçyema*, *jī́vema*, *nándāma*, *módāma*, *bhávāma*, *çṛṇávāma*, *prábravāma*⌋, and differ only in the eighth, where TA. has *ájītāḥ syāma* against *ajitāḥ syāma* of HGS.; and both have the added ending *jyók ca sū́ryaṁ dṛçé*. In none of the other versions is there anything to help us with the doubtful forms in the Atharvan. In vs. 3, most of the mss. read *búddhema* (some *búdhema*); our emendation *búdhyema* is given also by the comm., and SPP. adopts it. In vs. 5, on the other hand, the mss., the comm., and SPP., give the wholly anomalous *pū́ṣema* (=*puṣṭiṁ labhemahi*, comm.); SPP. ought to have emended to *púṣyema*, as we had done. *Bhū́yema* (= *bhūyāsma*, comm.) in vs. 7 is another impossibility retained by SPP. In vs. 8 all the mss. have *bhū́yasī* ⌊or *-āsī*⌋; but the comm. has *-sīs*, and so SPP. has the courage to adopt and read it, as we had done before. *⌊At p. 543^{9}.⌋

68. With ceremonial performance.

[*Brahman.—ekarcam. mantroktakarmamātradevatyam. ānuṣṭubham.*]

Found in Pāipp. xix. Quoted once in the text of Kāuç. (139. 10), in the ceremony of introduction to Vedic study, as to be murmured prior to pronouncing, by pādas, the Gāyatrī (RV. iii. 62. 10), and the Atharvan verses iv. 1. 1 and i. 1. 1 (or 1–4). But the various schol. (the Paddhati, Daç. Kar., Keçavī) make frequent mention and use of it: thus (see note to Kāuç. 25. 36), it is reckoned to a *svastivācana;* it is used in the *sīmantonnayana* (to 35. 20) and *godāna* (to 53. 2) ceremonies; it is added (note to 57. 22) to vii. 33. 1 in the ceremony of restoring lost fire, in the initiation of a Vedic student; it is used in the *vedavratāni* (to 57. 32), in the *annaprāçana* (to 58. 19), and the preparation for the marriage ceremonies (to 75. 1), and for the *ājyatantra* (to 137. 4), and in the introduction to the *rājakarmāṇi* of § 14 (p. 315, l. 2). In all this is very probably to be seen only the influence of the occurrence of *védam* and of *kármāṇi kṛṇmahe* in the second half-verse; it need not imply any real comprehension of the obscure verse, with recognition of its appropriateness to all these various situations. ⌊As to the critical bearing of the uses of the vs. in the ritual, cf. the table on p. 896, and see p. 897, line 12.⌋

Translated: Griffith, ii. 319.

1. Of non-expansion and of expansion do I untie the aperture with magic; by those two having taken up the Veda, we then perform acts.

That is, doubtless, 'conduct sacred ceremonies.' All the mss.* have at the beginning *ávyasas* (p. *ávi॰asaḥ*), and so have Ppp., the Anukr., Kāuç. and all its scholiasts, and the comm.; whence of course also SPP.; it is unquestionably the Atharvan reading. Yet even the comm. can only say for it that it is the same as *avyacasas*, a syllable being omitted by Vedic license; and the analysis of the *pada*-text appears to be one of those wild and senseless guesses of which in this book it presents not a few examples. ⌊The important thing to observe in the pāda *avya[ca]saç ca vyacasaç ca* is the recurrence of so many confusingly similar syllables: the corruption is a case of haplography (cf. note to iv. 5. 5, and Bloomfield in AJP. xvii. 418); but one would expect *avyacaso vyacasaç ca.*⌋ The *pada*-mss. ⌊save SPP's J.⌋ have *vísyāmi* in **b** as an integral word; but the comm. understands *ví : syāmi*, and SPP., as well as our text, so reads; many of the mss. have *bí* instead of *ví.* One accents in **c** *vedám*, ⌊and one has *vedam*, without accent; Griffith's 'bunch of grass' implies the reading *vedám* here and at 72. 1⌋; we might conjecture *védim* as a better reading; *véda* is not to be expected in the Atharvan. ⌊The *Index* gives for books i.–xviii. three occurrences of *véda*, namely at iv. 35. 6; x. 8. 17; xv. 3. 7: at x. 8. 17 W. suggests that it is perhaps to be rendered simply by 'knowledge'; but in iv. and xv. it can hardly be aught else than 'Veda.'⌋ Some of the mss. accent *kṛṇmáhe.* There was no sufficient reason for altering the accent of *vyácasas* in our text to *vyacásas;* SPP. reads *vyác-* with the majority of his authorities. The comm. has no notion of what the verse really means: he gives two different expositions — one explaining *ávyacas* and *vyácas* to mean the two varieties of breathing, *prāṇa* and *vyāna*, the *bila* to be the *mūlādhāra*, and *veda* 'the Veda' (*akṣarātmakamantrasaṁgha*); the other taking the first two to be the *paramātman* and *jīvātman*, the *bila* the heart, and *veda* 'knowledge' (*cikīrṣitakarmaviṣayaṁ jñānam*). *⌊If I understand the Collation Book, W's P. actually begins with *avyacásaç cá vyácasáç ca*, which, apart from the wild accents, is worth noting.⌋

In Ppp., this hymn is immediately followed by our hymn 72.

69. To the waters: for long life.

[*Brahman.—catasraḥ. mantroktābdevatyāḥ. 1. āsury anuṣṭubh; 2. sāmny anuṣṭubh; 3. āsurī gāyatrī; 4. sāmny uṣṇih (1–4. 1-av.).*]

⌊Prose.⌋ Found also in Pāipp. xix. The four verses of this hymn are called in Kāuç. and Vāit. *jīvās*, and are prescribed to accompany the rinsing of the mouth with water in the *parvan* ceremony (Kāuç. 3. 4; Vāit. 1. 19, misunderstood by the editor), in a rite for long life at the reception of a Vedic student (Kāuç. 58. 7), and in the *madhuparka* ceremony (Kāuç. 90. 22); of these the comm. takes notice only of Kāuç. 58. 7. With this use is doubtless connected the attribution of the hymn in the Anukr. to the waters as divinity. ⌊As to the citation by technical designation, and especially as to the ritual uses, see p. 897, ¶ 2.⌋

Translated: Griffith, ii. 320.

1. Living are ye; may I live; may I live my whole life-time.

2. Living on are ye; may I live on; may I live my whole life-time.

3. Living together are ye; may I live together; may I live my whole life-time.

4. Lively are ye; may I live; may I live my whole life-time.

The comm. adds our hymn 70 as fifth verse to this hymn, and then commits the blunder of understanding Indra etc., there spoken of, as addressed with "living are ye" etc.; it is, of course, the waters that are meant, as the liturgical use plainly shows. In vs. 2 all authorities give *úpa jīvā́ stha* (p. *úpa : jīvā́ḥ : stha*); ⌊both editions give *upajīvā́s*⌋. In vs. 3 they have *saṁjīvā́s* (though with considerable variety of accent); most, too, accent *saṁjīvyā́sam.* The comm. reads *upajīvyās* and *saṁjīvyās*, which make the decidedly easier sense, 'fit to be lived on and with'; then the following clauses would mean 'may I live on you and with you.' Ppp. reads throughout *stu* instead of *stha.*

70. For long life.

[*Brahman.—ekarcam. sāuryam. 3-p. gāyatrī.*]

⌊Prose.⌋ Not found in Pāipp. ⌊See note to 69. 4.⌋
Translated: Griffith, ii. 320.

1. Live, O Indra; live, O Sūrya; live ye, O gods; may I live; may I live my whole life-time.

The mss. read *jī́vās* after *dévās,* and SPP. retains it, false accent and all. The comm. explains it by adding a *bhavata.*

71. For various blessings.

[*Brahman.—ekarcam. gāyatrīdāivatam. 3-av. 5-p. atijagatī.*]

Wanting in Pāipp. The comm. is unable to quote any authority as to its use; but he declares it to belong to the worship of the Veda that one has studied, or of the *gāyatrī.*
Translated: Zimmer, p. 204; Griffith, ii. 320.

1. Praised by me [is] the boon-giving Veda-mother. Let them urge on the soma-hymn of the twice-born. Having given to me life-time, breath, progeny, cattle, fame, property, Vedic splendor, go ye to the *brahma*-world.

A corresponding verse is found in the supplement (p. 915 of the Calc. ed.) ⌊p. 855 of the Poona ed.⌋ to TA. x. 36, reading thus: *stuto mayā varadā vedamātā pracodayantī pavane dvijātā: āyuḥ pṛthivyāṁ draviṇam brahmavarcasam mahyaṁ datvā prajātum brahmalokam* (the accentuation is only partial, and worthless); its variants hardly help the interpretation of our verse. The translation given above makes no pretense to being an intelligent one; it merely endeavors to make what sense it can, with least divergence from the manuscript readings. For **a** it implies *stutā́ máyā varadā́ vedamātā́*, which agrees throughout with the mss., save that they accent *vedamātā* in several different ways; the *pada*-mss. give *varadā* without division. For **b** is implied *prá codayantām pāvamānī́ṁ dvijā́nām* (with our edition); the mss. accent *pracodáyantām;* and ⌊excepting W's P.M.W., which give *pāvamānī́m*⌋ they read *pāvamānī́*, which SPP. adopts. In the second division, SPP. reads *paçúm*, with ⌊about⌋ half the authorities, and with the comm.; the remaining authorities favor our *paçū́n*, giving that or *paçū́ṁ.* The comm. explains *varadā* by *iṣṭakāmapradātrī*, and *vedamātā* by *vedasya rgādirūpasya mātā*, signifying the *sāvitrī*, and standing as subject to *pra codayantām*, which is *pluralis majestaticus*, as is also *vrajata.* ⌊Weber discusses *varadā* and the TA. passage at *Ind. Stud.* ii. 194 (as Whitney notes in the margin), and resolves *stuto* into *stutā u.*⌋

72. For the favor of the gods.

[*Bhṛgvañgiras Brahman.—ekarcam. paramātmadāivatam. trāiṣṭubham.*]

Follows in Pāipp. directly after hymn 68. It is given in full* in the Kāuç. text (139. 26), at the end of the ceremony of commencement of Vedic study; ⌊and the *pratīka* is cited at 139. 25;⌋ and the scholiasts add its use at the end of the *parvan* ceremonies (Keç. to section 6; p. 310, l. 5), and of the *piṇḍapitṛyajña* (Keç. to 89. 17; p. 371, l. 12), and to the *snānavrata* (note to 42. 18). *⌊As to the citation in *sakalapāṭha*, cf. p. 897, ¶ 3.⌋

Translated: Griffith, ii. 320.

1. Out of what receptacle we bore up the Veda, within that do we set it down; what is performed [and] sacrificed by the heroic might of the *bráhman*, with that fervor, O gods, favor ye me here.

Some of the mss. accent variously *abharāma* and *vedam;* ⌊Griffith renders by 'bunch of grass,' again (as at 68. 1) implying the accent *vedám:* but this accent is given only by SPP's S^{m}.;⌋ two or three of SPP's have *ṛtám* instead of *kṛtám* in **c**; the version in Kāuç. 139. 26 gives in place of either *adhītam.* Ppp. reads in **a**, **b** *udbharāmi veda tasminn antar va dudhmay enam.*

⌊Here ends the seventh and last *anuvāka*, with 18 hymns (or 14 or 13: see introd. to hymn 60, above); and with 55 verses, if we count them as they are numbered in the Berlin text. They are summed up as 55 verses by certain mss.—No mention of the ending of a *prapāṭhaka* is made in the colophon.⌋

⌊Pāippalāda excerpts concerning book xx.⌋

⌊Roth, at the end of his Collation, adds the Ppp. variants for verses 12 and 16 and 17 of AV. xx. 34; the hymn appears in Ppp. xiii. and corresponds to the *sá janāsa índraḥ* hymn, RV. ii. 12.⌋

⌊Verse 12. In **a**, Ppp. has *paryacarakṣac* instead of *paribhávaṁ;* its **b** is *yo vārgakasya vāpibat sutam;* its **c** reads *yajamānaṁ bahuṁ janaṁ;* and in **d**, it has *āmorucakṣat* for *ámūrchat.*⌋

⌊Verse 16. In **a**, Ppp. has *vyakṣat putror up-* for *vyàktaḥ pitrór up-*; its **b** is simply *bhuvana veda janitaḥ;* its **c** is *parasyā bhaviṣyamāṇo hrojokṣad.*⌋

⌊Verse 17. In **a**, Ppp. has *haryasyaçur* for *háryaçva āsutér.*⌋

⌊Then follows a note to the effect that nothing of the Kuntāpa hymns appears in Ppp.⌋

⌊Roth's Collation closes with the words:

"explicit feliciter 25. Juni 1884."⌋

2. List of Hymns ignored by the Kāuçika-Sūtra

⌊In his copy of the Kāuçika, Whitney has noted the hymns in question. I have modified his list; but it can hardly be drawn with entire precision and certainty. Thus if we accept the statements of the scholiasts as to what hymns or verses are included in certain *gaṇas* or meant by certain terms (like *brahmagavyāu* at 48. 13 or *vṛṣaliñgāḥ* at 29. 15) or *pratīkas*, all the hymns under book v. and some others (like vi. 95) may be struck from the list. At 36. 13, *rathajitām* should mean vi. 130; but Dārila and Keçava both understand 130–132 to be intended. For some hymns as to which the reader, seeing an asterisk or a blank in Bloomfield's Index, might be in doubt, a few words may be said: iv. 4 is textually cited at 40. 14, and so is ix. 9 at 18. 25; for ii. 20–23, see introd. to ii. 19; and for iv. 7, see introd. to iv. 7. Hymns iii. 26–27 are really cited under the name *digyukte* at 14. 25; iv. 23–29, as the *mṛgāra*-hymns, at 27. 34; and vi. 35–36 as the *vāiçvānarīye* at 31. 5. Hymn vii. 81 is cited as the *dārçī*-verses at 24. 18. Certain pairs have the same *pratīka* and so give rise to questions: thus vii. 59. 1 and vi. 37. 3; vii. 73. 11 and ix. 10. 20; vii. 75. 1 and iv. 21. 7; xvi. 5. 1 and vi. 46. 2. Hymns vi. 94, vii. 92, and vii. 93 are perhaps doubtful. As to book xix., see p. 896. The table follows according to the three grand divisions.⌋

3. Concordance of two Methods of citing the Kāuçika-Sūtra

⌊The references to this treatise in the commentary as printed in the Bombay edition are made by *adhyāya*, and by *kaṇḍikā* as numbered from the beginning of each *adhyāya*, but without giving the individual *sūtra*. Bloomfield and Whitney cite by *kaṇḍikā* as numbered from the beginning of the treatise, and by *sūtra*. The addition of the *sūtra* makes the reference more precise and convenient; but both methods are at fault. The citations should be by *adhyāya*, by *kaṇḍikā* as numbered from the beginning of the *adhyāya*, and by *sūtra*. For the convenience of those who wish to study the Kāuçika as cited by the comm., the following concordance is given. The Roman numerals with the smaller Arabic figures (at the left and middle of each column) show the citations according to the method of the Bombay edition; the larger Arabic figures show the *kaṇḍikās* as numbered by Bloomfield. A better way to harmonize the two methods than by the use of this table is to write on the upper outside corner of each odd page of Bloomfield's text-edition the *adhyāya* with a Roman numeral, and the *kaṇḍikā* as numbered from the beginning of the *adhyāya* with an Arabic numeral.

5. Pāippalāda Passages corresponding to Passages of the Vulgate

⌊**Primary use of the table, its genesis and character.**—Its primary use is for finding in the facsimile the Pāipp. parallel of a given Vulgate passage. For the genesis of the table, the reader will please consult pages lxxxv–lxxxvi. It is a provisional table; but it will be, as I hope, a very useful one, pending the appearance of the transliteration of the Kashmirian text with marginal references and index as explained at p. lxxxvii. The pencilled numbers described at p. lxxxv I have used with care in making the table; but since I have not verified the table from the facsimile, I do not warrant its accuracy, nor can I vouch for its completeness.⌋

⌊**Incidental uses of the table.**—It is of no small critical interest as giving a bird's-eye view of the mutual relations of the Vulgate and Pāippalāda material as respects general arrangement. Thus the cases in which hymns of a given Vulgate book correspond to hymns of the same book in Pāipp. are noticeably frequent in books i., ii., iii., and iv.; while Vulgate book vi. appears largely in book xix. of Pāipp. The fact that the hymns of book vii. appear mostly in the very last book of Pāipp. (in xx.) agrees remarkably with our conclusions respecting the character of that book as a supplement to the nucleus of the first grand division. So, again, the fact that the material of the second grand division is massed in

Pāipp. in its books xvi. and xvii. is a striking confirmation of the view that the Vulgate books viii.–xii. constitute a distinct unity subordinate to that of the whole saṁhitā. Even yet more striking is the fact that the material of the third grand division of the Vulgate, books xiii.–xviii., has been grouped by the Pāippalāda text-makers into a single book, their xviii. The fact has already been noted above (p. clix) in its proper connection; and the details of the correspondence are given below, in the next paragraph. It will be noticed that while nearly all of the *paryāya* material of division II. appears in Pāipp., nearly all of that of division III. is no less noticeably lacking, although it is probably recognized in the case of books xv. and xvi. as a part of the text. Once more, the table shows interesting examples of the breaking up in Pāipp. of material which, although treated as a hymn-unit in the Vulgate (cf. vi. 28), is devoid of internal connection. As was noted above (pages cli and cliv), the put-together character of some of the hymns in vii. appears plainly here; and the added verse by which the Vulgate hymn in vi. transcends the norm is conspicuously absent in Pāipp. — I may add that the table gives a conspectus of the number of the verses of the individual hymns which will sometimes prove useful. In vii., although retaining the Berlin numbering, I have made shift to take account of the true division of the material into hymns (cf. the table at vii. 6, 45, 54, 68, 72, 76).⌋

⌊**Vulgate grand division III. and Pāippalāda book xviii.** — This book fills just a trifle less than a dozen of the birch-bark leaves, namely leaves 228–239: its first verse (= first vs. of Vulgate xiv.) begins on the very last line of folio 227 b, and its last (= last vs. of Vulgate xviii.) ends on line 8 of folio 239 b with the vīpsā of Vulgate xviii. 4. 89 d, *oṁ vittam me asya rodasī.* The Pāipp. book falls between 313 a and 330 b of Roth's Kashmirian nāgarī transcript (p. lxxxi); but, in the citations which follow in this paragraph, reference is made, not to that transcript, but rather to the leaves of the birch-bark original as given in the facsimile, and the side of the leaf, recto or verso, is indicated by a or b, and the line by a number. The relations of Vulgate division III. to Pāipp. xviii. are obscured in the table on p. 1023 by the straggling verses of which account is there made; I therefore subjoin (p. 1015) a tabular statement designed expressly to make those relations clear. It will be observed, in the first place, that, on the one hand, the Vulgate books xiv. (wedding verses) and xvii. (Vishṇu sun-hymn), and the first half of xiii. (Rohita sun-hymns) are given substantially in full in Pāipp.; and that, on the other, the *paryāya*-books xv. (Vrātya) and xvi. (Paritta) and book xviii. (funeral verses) are not textually given, but are merely acknowledged as a part of the text by the citation of a few representative passages; and that, moreover, so far as Pāipp. xviii. is concerned, the *paryāya*-hymn xiii. 4 and the hymn xiii. 3

are ignored entirely. — It appears, secondly, that the order of Vulgate xiii. and xiv. is inverted in Pāipp.; but that the order of the remaining four books is the same for both recensions. — It appears, thirdly, that Pāipp. xviii. consists of 6 anuvākas, and that these anuvākas correspond in the main to certain Vulgate anuvākas: anuvākas 1 and 2 of Pāipp. to the two long anuvāka-hymns which make up Vulgate xiv.; 3 and 4 of Pāipp. to the first two anuvāka-hymns of Vulgate xiii.; and anuvāka 6 of

Pāipp.[1] to the Vulgate anuvāka-hymn, or book, xvii., and the representative verse of Vulgate xviii. — It appears, finally, that anuvāka 5, containing the representative citations from Vulgate books xv. and xvi., consists of hardly 16 lines. The fact that so brief a passage should figure in the text as an anuvāka (it is expressly so called in its colophon: 238 a 12) must, I think, be interpreted as indicating that these books were acknowledged as a part of the text by the text-makers (so Roth and Whitney: cf. p. 794). — The colophon of anuvāka 3, we may add, appears to be somewhat misplaced: another case of misdivision (cf. p. 814).⌋

⌊By way of correction to p. 794, line 10, we may add that Roth errs in saying that xvi. 8. 1 is given in Pāipp.; its pratīka is like that of 9. 1, but the facsimile actually shows 9. 1 and not 8. 1. This is in accord with the general method of scribal abbreviation (cf. p. cxx), for 9. 1 is the last paryāya, and the abbreviated book thus appears to be represented, as it should be, by the beginning and end of each of its two anuvākas. — A similar error has arisen at p. 884, in my second addition to the note on xviii. 4. 49, where this verse is said to come immediately after the end of Vulgate xvii. in Pāipp. The error is due to a slip of Roth's, who, in his Collation, had written xviii. 4. 49 where he should have written xviii. 4. 89. The latter is the last verse of xviii., and is therefore the one that we should expect as representative verse. The addition should be transposed from p. 884 to p. 894.⌋

⌊**Explanation of the table.** — The table follows the sequence of the hymns of the Vulgate, book by book. At the left of each column is the number of the hymn. Then follows the word "has," with the number of verses of which the hymn consists and a colon. If the hymn is lacking in Pāipp., the colon and all else is omitted. Otherwise, after the colon comes the word "at" and then the number of the leaf of Roth's Kashmirian nāgarī transcript (p. lxxxi) on which the beginning of the correspondent of the Vulgate passage concerned occurs, with the recto or verso of the leaf indicated by *a* or *b*. At the right is added in Roman numerals, immediately after the word "in," the book of the Kashmirian recension to which the passage concerned belongs. It is to be understood that the Vulgate passage includes the whole hymn unless the contrary is indicated by the specification of the verses of the hymn between the colon and the word "at." The number specifying the verses is to be understood as an ordinal throughout division I. and the Supplement (the short hymns). Elsewhere (that is, throughout divisions II. and III., the hymns of many verses) it is to be understood as a cardinal, and the abbreviation vss. or vs. is added. To find which verses of a given hymn are meant and the

details of their order, the reader will have to consult the introduction to that hymn (cf. the introduction to ix. 3 or 4 or x. 2 or xi. 6).⌋

⌊**Manner of using the table.** — Example: to find in the facsimile of the birch-bark ms. the Pāippalāda passage corresponding to Vulgate xix. 50. 5. First find in the table the number of the leaf of Roth's Kashmirian nāgarī transcript, which is 196 b. Then find in the facsimile the number 196 b, noted in the margin in Roth's hand. Between that and 197 a will be found the beginning of the passage required, which in this case will be at line 1 of birch-bark folio 158 b, on plate 286, and in the Second Part. The passage belongs to book xiv. of the Kashmirian recension.⌋

⌊Users of the table will find it convenient to note clearly in pencil on the margin of each plate of the facsimile the number of the leaf of the transcript opposite the place where Roth has written it on the birch-bark original, since, by reason of repairs to the original or otherwise, Roth's numbers are sometimes hard to make out when taken singly. When taken together in their regular sequence, they can usually be identified with ease. Thus the 197 a on plate 286 (just cited) is very faint indeed; but the 197 b (some five inches lower down) is so plain that it enables us to identify the 197 a. Of the references to Roth's Kashmirian nāgarī transcript on the first 42 plates, only a few can be made out easily (6 a, 6 b, 7 a, 8 a, 11 b, 12 a, 12 b, 13 b, 14 a, 15 b, 16 a); but beginning with 19 a, on plate 43, there is usually little difficulty.⌋

⌊**Tabular Concordance.** — The table now follows on the next six pages. It is made up into pages in such a way as to give incidentally a good idea of the structure of the Vulgate text; and the same purpose I have endeavored to subserve also in the arrangement of the Table of Hymn-titles (pages 1024–1037): see especially pages 1034 and 1035.⌋

6. Whitney's English Captions to his Hymn-translations

⌊**These captions form an important element in his interpretation of this Veda.** — Upon this subject I have already spoken in the proper place, above, p. xcv, which see. I would merely repeat the statement that these captions or hymn-titles have been formulated with much care and deliberation by the author, and give briefly his view of the general purport of each hymn. The absence of a positive view in them is often to be taken as indicating that he could not accept the view of his predecessors. Such titles of individual hymns as are not from Whitney's hand are enclosed in ell-brackets; but the headings to the Grand Divisions and to the books of division III. and to the *paryāyas* of books xv. and xvi., although not bracketed, are from the editor's hand.⌋

⌊**In tabular form, they give a useful conspectus of the subject-matter of this Veda.** — While this fact is obvious, it is perhaps not so obvious that the giving of this table as a part of the Table of Contents in volume VII., beginning on p. xv, would have detracted much from the perspicuity of that table as a guide to this work as a whole. Moreover, such a table as this is more naturally sought near the end of the work, and the balance of the two volumes is better maintained by putting these pages in volume VIII.⌋

⌊**Note on the division of this work into two separately bound volumes.** — With reference to this subject, the reader is asked to consult the paragraphs entitled "External form of this work," volume VII., pages xxiv–xxv. In order to arrange the following matter so that Division II. should face Division III. (pages 1034–5), it was necessary to leave this page blank. The blank may be utilized in part to show clearly that the break between volume VII. and volume VIII. corresponds with the break in the text between the first grand division on the one hand, and the second and third grand divisions on the other. In using this work, it will be convenient, as it is also easy, to remember that

Volume VII. ends with book vii., page 470,

and that

Volume VIII. begins with book viii., page 471.⌋

7. The Names of the Seers of the Hymns, as given by the Anukramaṇī

⌊**Whitney's exploitation of the Major Anukramaṇī.** — In his Excerpts from the Anukramaṇī, Whitney has given most of the material of value to be found in that treatise, but of course without attempting to settle all doubtful points in such a way as might properly be expected of a critical editor of its text. One of the uses of the following Index will be to make the deficiencies of this part of his work more readily apparent. The Excerpts and Index together will make the task of producing a critical edition relatively easy.⌋

⌊**Doubtful points.** — In some cases, this Index does not tally perfectly with the Excerpts. Thus vi. 46 and 47, as well as 45, seem to be ascribed to "Aṅgiras Pracetas, with Yama": cf. the Excerpts. Again, *mantroktarṣi* of the Excerpt for vi. 48 may perhaps mean "Agni and Ṛbhu and Indra"; but I have not entered those names for this hymn in the Index. Whitney seems to have had a doubt as to vii. 27–29, whether they should not be ascribed rather to Bhṛgvaṅgiras than to Medhātithi; and as to vii. 31, whether it should not be ascribed rather to Brahman than to Bhṛgvaṅgiras; and as to vii. 33. What the Anukr. means to say about vi. 63 is not wholly clear.⌋

⌊**Entire books of division III. ascribed each to a single seer.** — It will be noticed that four entire books (all belonging to the third grand division: see p. 1035) are ascribed by the Major Anukramaṇī each to a single seer: books xiii. and xvii., each addressed to the Sun, are ascribed to Brahman as seer; the wedding verses, book xiv., most appropriately to Sāvitrī Sūryā; and the funeral verses, book xviii., to Atharvan (the Old Anukr. most appropriately calls them the Yama-hymns: p. 814). Further, so far as quasi-authorship goes, the Vrātya book, xv., is treated as a unit in that no seer is named for the whole nor for any part of it. As for book xvi., which puzzles us in more ways than one, there is good reason to think that tradition ascribes it to Prajāpati (see p. 792, ¶ 4); on the other hand, this is not wholly certain (p. 792, ¶ 5), and the Excerpts actually assign 3–4 to Brahman and 5–7 to Yama, and leave 2 and 8 and 9 without express assignment, unless indeed we are to assume that the statements for 1 and for 7 hold good respectively for 2 and for 8 and 9.⌋

⌊**Value of these ascriptions of quasi-authorship.** — The facts just cited would appear to be of some moment as differentiating the third grand division from the other two; but otherwise and in general, how much value, if any, is to be attached to these ascriptions is matter for special study. It would be interesting to compare the ascriptions of the AV. Anukr. with those of the RV. Anukr. and to see how far the two treatises agree as to hymns or verses common to both saṁhitās. The Puruṣa-hymn (xix. 6 = RV. x. 90) is ascribed by both treatises alike to Nārāyaṇa; and the Apratiratha-hymn (xix. 13 = RV. x. 103) similarly to Apratiratha. In this connection, cf. Dr. Ryder's pertinent observation at p. 739, ¶ 7.⌋

⌊**Prominence of Atharvan and Brahman as seers.** — The most prominent names among the "seers" are Atharvan and Brahman. To the former are ascribed 175 hymns or parts of hymns; and to the latter, 100. Then comes Atharvāñgiras with 17, and Añgiras with 16. The preponderance of ascriptions to Atharvan and Brahman may have something to do with the designation of the text as "Atharva-Veda" and "Brahma-Veda" (*brahman* suggests both Brahmán = 'God Brahm' and *bráhman* = 'incantation': cf. p. 931, top). It is perhaps matter for surprise that more hymns are not ascribed to the "dreadful Añgirases" (RV. x. 108. 10: cf. x. 14. 3 a).⌋

⌊**Question of contrast between hymns of Atharvan and hymns of Añgiras.** — Bloomfield, discussing at SBE. xlii., p. xviii, the name Atharvāñgiras as name of this Veda, opines that atharvan refers to the auspicious practices and añgiras to the practices of hostile sorcery (*yātú, abhicārá*) of this Veda. Similarly Victor Henry, in his *La magie dans l'Inde*, p. 22. This opinion is not in the least degree supported by the general character of the hymns ascribed respectively to Atharvan and to Añgiras. Of those ascribed to Atharvan, nearly all are indeed intended for use in working good, and the infrequent exceptions (like iii. 18; vii. 35 and 70; vi. 138, a charm to make a man impotent) do not count for much. Of those ascribed to Añgiras, on the other hand, hardly more than one (vii. 90: this also is for destroying a man's virility) may be said to be for use in working evil. It is licit, however, to adjudge the facts last rehearsed as making rather against the critical value of the Anukramaṇī's ascriptions than against the acceptability of the opinion of Bloomfield and Henry.⌋

⌊**Consistency in the ascriptions.** — Consistency does nevertheless characterize these ascriptions to a certain degree. Thus the frequency with which each of the hymns of a related pair or of a larger group (e.g. the Mṛgāra hymns) is ascribed to the same seer is significant. Significant also are such facts as follow. Of the seven hymns ascribed to Garutman, every one is an incantation to be used against poison: v. 13 and vi. 12 and x. 4, in particular, against snake-poison. Each of the three hymns ascribed to Kāṇva is an incantation against worms. Each of Jamadagni's three has for its purpose to win a woman's love. Of those ascribed to Yama or to Yama with Añgiras (disregarding xvi. 8 and 9, they number 13), all but one refer either to "Death" or to "his brother Sleep" (cf. p. 994, ¶ 4). Thus ten, as appears from the *duḥsvapna* etc. of the Excerpts, refer to evil dreams; and one (vii. 64) to the omen of a "black bird" as Yama's "messenger of death"; and one (xii. 3) to cremation of the dead. Verse 13 of this last also makes reference to the black bird, and so does xix. 57. Of the four ascribed to Bādarāyaṇi,* two (iv. 38; vii. 109) are for success in gambling.⌋

⌊**Palpably fabricated ascriptions.** — Not a few of the ascriptions are palpably fabricated from a word in the text. Of this kind are Up-heater and Forth-heater (Ucchocana and Praçocana) as seers of vi. 103 and 104, and Deliverance and Release (Unmocana and Pramocana) as seers of vi. 105 and 106. Strangely enough, none of these four words (or "names") occurs in any of these four hymns, but rather (the first two) in vii. 95 and (the second two) in v. 30, which latter furthermore is also ascribed to Unmocana.⌋

⌊**Alphabetical index of seer-names and of passages ascribed to them.** — This Index was made by Whitney, but was carefully revised by Dr. Ryder and again by me.⌋

* ⌊Weber suspected that the author of the Anukr. may have been a Vedantist, and that it was thus not unnatural that the name of Bādarāyaṇi should appear among his ascriptions (see above, p. 218, top). Weber derived his suspicion from a remark by the author of the Anukr. on the last verse of book iv., *Brahmāṇaṁ sarvatra Jātavedābhimukhyenāstāut*. If the author bases his remark upon the letter of our text (which has *bráhma*, neuter), let us hope that his philosophical acumen was more penetrant than his philological.⌋

8. Brief Index of Names and Things and Words and Places

⌊**An elaborate index uncalled for here.** — The existence of Whitney's complete and accurate *Index Verborum* to the AV. makes needless a full index of Sanskrit words for this work. Again, since the whole text is treated, each place or passage in its natural order, an index of places is also unnecessary. Moreover, an excellent English index of names and things is furnished by Griffith in his Translation. The following index, therefore, may legitimately be kept within very narrow limits. Its purpose is merely to aid in finding a few matters which are not to be found by the help of Whitney or Griffith. On the other hand, it is obvious that it would be possible and most useful to make for this work an exceedingly detailed index, giving, for example, under the heading *Surd and sonant interchanged*, every case of that kind to be found by careful comparison of the Atharvan text with the variants reported in this work. Such an index would be practically a collection of brief essays upon the subjects named in its headings, and would involve (see p. xxxvii, ¶ 2) a variety of special investigations which are too large to be undertaken here and must be left for another occasion. I hope that the student of this work will find the arrangement of the matter of the General Introduction so clear, and the analytical table of contents so thorough and perspicuous, that the absence of a detailed index to the matter of the Introduction will not be felt.⌋

⌊Arabic numerals by themselves refer to the pages of the main body of this work, the "Translation and Notes"; Roman numerals by themselves refer to the pages of volume VII. which precede the "Translation and Notes." Numerals in groups refer to book and hymn and verse, or rather to the notes thereon.⌋

9. Additions and Corrections

⌊Omissions and errors not easy to rectify in the electrotype plates. — Of the omissions and errors, the minor ones have been made good in the plates ; the more considerable ones are rectified here, and to these rectifications special attention is called at the proper places by a hand (☞) inserted in the plate and pointing to the number of this page or the following.

PAGE

lxxxii, paragraph 2, and lxxxv, top: I seem to be in error in supposing that Roth made his autograph nāgarī transcript directly from the birch-bark original. Garbe writes me, April 27, 1905, that Roth's autograph nāgarī transcript consists of two quarto volumes, that it was made from Roth's Kashmirian nāgarī transcript (see p. lxxxi), and that it has been collated with the birch-bark original at the beginning, not very far, the variants being noted in red ink. I can hardly see what Roth's purpose was in making a new transcript from anything else than the birch-bark original, unless it be that the new transcript was to serve merely as a convenient hand-copy on which to note the variants of the birch-bark leaves, which could thus be collated in their proper order without injury.

57 (ii. 13. 3): Confusion of surd and sonant, aspirate and non-aspirate. This is shown by the variants of the following passages which I have noted: AV. vi. 3. 3; 28. 1; 29. 3; ix. 9. 17; x. 4. 13, 23 (*sarvebhyo*); 7. 43; xi. 1. 2; 5. 1; xii. 2. 23; 3. 2, 55; 4. 29; xiii. 1. 1; 2. 15, 43; xiv. 2. 31, 37 (*vṛddhaye*), 68; xviii. 1. 30; 2. 14, 35, 47; 3. 52; 4. 63; xix. 9. 8; 11. 6; 13. 5; 24. 6 (*adhi dhās*); 33. 3; 34. 2, 3; 36. 3; 38. 1 (*gantho*); 39. 10; 56. 4, 5. Roth discusses these matters, ZDMG. xlviii. 106–111. Cf. above, p. 1043, Index, s.v. *Surd;* also J. Hertel, Tantrākhyāyika, 1904, p. xvi; and Bloomfield's Vedic Concordance, passim (e.g., under *atha* and *adha*).

58 (ii. 14, introd.): See Ludwig, Sb. der Böhmischen Ges. der Wiss., 1898, no. 10, p. 11.

94 (iii. 7. 1): As to *viṣāṇā*, see references in Index, s.v., p. 1044.

197 (iv. 27. 6): Neither von Schröder nor I can find the MS. citation.

266 (v. 25. 8): ÇGS. reads *abhi kranda vīlayasva.*

327 (vi. 61. 3): Add: ⌊Here ends the sixth *anuvāka*, 10 hymns with 30 verses; the Anukr. quotation is [*pañcama-*]*ṣaṣṭhāu triñçatkāu* (read *triñçakāu*?).⌋

455 (vii. 90. 3): The Old Anukr. says [*dvitīya-*]*aṣṭamāu nava*. The *dvitīya-* was not given at p. 404, but refers to *anuvāka* 2, with its 9 hymns.

461 (vii. 101. 1): The hymn is treated at length by Pischel, Album-Kern, 115–7.

547 (ix. 7, introd., line 10): The an-uktapāda verses are rather *all except* 7, 18, 19, 22, 23.

601 (x. 8. 43): Garbe, in his Sāṁkhya-tattva-kāumudī, Abh. der Bayerischen Ak. der Wiss., xix., p. 529, reports previous views as to this verse, renders **b** by "mit drei Schnüren (d. i. dreifach) umhüllt," and takes "triply covered" as referring to skin and nails and hair.

792 (book xvi., introd.): It occurred to me as an afterthought (p. clviii, note) that the Pāli term Paritta, 'protection, defense' (cf. Sanskrit *paritrāṇa*), might be an acceptable equivalent in a single word for 'a prayer against the terror by night.' See Index, p. 1043, s.v. Paritta, and compare the use of the term in the Jātaka, ii. 34^{16}, 35^{22}, and especially at 148^{9}. The Mora-jātaka contains a Paritta to be used at sunrise (ii. 33^{19}; iv. 334^{4}) and one to be used at sunset (ii. 35^{11}; iv. 334^{7}).

943 (xix. 30): It is of interest to note that a part of this hymn was translated by Sir William Jones in a botanical essay published by him in the Asiatick Researches, Calcutta, 1795, vol. iv., p. 257. In the London reprint of 1798, it may be found at

iv. 253; and in that of 1801, at iv. 243. I do not remember meeting any earlier translation into English of a part of this Veda.

970 (xix. 45. 2): Whitney cites doubtfully, at Grammar, § 194, the MS. combination *suhā́rṇ ṇaḥ.* At § 150 b he records instances of retention of radical non-nasal mute after *r*: thus, *ū́rk*, *várk*, *avart*, *ámārṭ*, *suhā́rt;* compare Kielhorn's Grammar, § 14 of either edition, German or English.⌋

PROFESSOR OF SANSKRIT IN HARVARD UNIVERSITY

Published by Harvard University, Cambridge, Massachusetts

⁂ *A copy of any one of these volumes, postage paid, may be obtained directly anywhere within the limits of the Universal Postal Union by sending a Postal Order for the price as given below, to* The Publication Agent of Harvard University, Cambridge, Massachusetts, United States of America.

⁂ *The price per volume of the royal octavos is one dollar and fifty cents ($1.50) = 6 shillings and 2 pence = 6 marks and 27 pfennigs = 7 francs or lire and 70 centimes = 5 kroner and 58 öre = 3 florins and 70 cents Netherlandish. From this, the approximate equivalents of the other prices may be estimated. The precise equivalents may be learned at any post-office that issues money-orders.*

VOLUME I.—The Jātaka-mālā: or Bodhisattva-avadāna-mālā, by Ārya-çūra; edited by HENDRIK KERN, Professor in the University of Leiden, Netherlands. 1891. Royal 8vo, bound in cloth, xiv + 254 pages, price $1.50.

This is the editio princeps of a collection of Buddhist stories in Sanskrit. The text is printed in Nāgarī characters. An English translation of this work, by Professor Speyer, has been published in Professor Max Müller's *Sacred Books of the Buddhists*, London, Henry Frowde, 1895.

VOLUME II.—The Sāṁkhya-pravacana-bhāṣya: or Commentary on the exposition of the Sānkhya philosophy, by Vijñāna-bhikṣu: edited by RICHARD GARBE, Professor in the University of Tübingen. 1895. Royal 8vo, bound in buckram, xiv + 196 pages, price $1.50.

This volume contains the original Sanskrit text of the Sānkhya Aphorisms and of Vijñāna's Commentary, all printed in Roman letters. It is of especial interest in that Vijñāna, not accepting the atheistic doctrine of the original Sānkhya, here comes out as a defender of downright theism. A German translation of the whole work was published by Professor Garbe in the *Abhandlungen für die Kunde des Morgenlandes*, vol. ix., Leipzig, Brockhaus, 1889. "In spite of all the false assumptions and the errors of which Vijñāna-bhikṣu is undoubtedly guilty, his Commentary . . . is after all the one and only work which instructs us concerning many particulars of the doctrines of what is, in my estimation, the most significant system of philosophy that India has produced."—*Editor's Preface.*

VOLUME III.—Buddhism in Translations. By HENRY CLARKE WARREN. 1896. 8vo, buckram, xx + 520 pages, price $1.20.

This is a series of extracts from Pāli writings, done into English, and so arranged as to give a general idea of Ceylonese Buddhism. The work consists of over a hundred selections, comprised in five chapters of about one hundred pages each. Of these, chapters ii., iii., and iv. are on Buddhist doctrine, and concern themselves respectively with the philosophical conceptions that underlie the Buddhist religious system, with the doctrine of Karma and rebirth, and with the scheme of salvation from misery. Chapter i. gives the account of the previous existences of Gotama Buddha and of his life in the last existence up to the attainment of Buddhaship; while the sections of chapter v. are about Buddhist monastic life.

VOLUME IV.—Rāja-çekhara's Karpūra-mañjarī, a drama by the Indian poet Rāja-çekhara (about 900 A.D.): critically edited in the original Prākrit, with a glossarial index and an essay on the life and writings of the poet, by Dr. STEN KONOW, of the University of Christiania, Norway; and translated into English with notes by Professor LANMAN. 1901. Royal 8vo, buckram, xxviii + 289 pages, price $1.50.

Here for the first time in the history of Indian philology we have the text of a Prākrit play presented to us in strictly correct Prākrit. Dr. Konow is a pupil of Professor Pischel of Berlin, whose Prākrit grammar has made his authority upon this subject of the very highest. The proofs have had the benefit of Professor Pischel's revision. The importance of the play is primarily linguistic rather than literary.

VOLUMES V. AND VI.—The Bṛhad-Devatā, attributed to Çāunaka, a summary of the deities and myths of the Rig-Veda: critically edited in the original Sanskrit with an introduction and seven appendices, and translated into English with critical and illustrative notes, by ARTHUR A. MACDONELL, Boden Professor of Sanskrit in the University of Oxford, and Fellow of Balliol College. 1904. Royal 8vo, buckram, xxxvi + 198 and xvi + 334 pages, price per volume $1.50.

Volume V. (or Part I.) contains the introduction and text and appendices. Volume VI. (or Part II.) contains the translation and notes. The arrangement of the material in two volumes is such that the student can have the text of any given passage, together with the translation of that passage and the critical apparatus and the illustrative notes thereto appurtenant, all opened out before his eyes at one time, without having constantly to turn from one part of the volume to another, as is necessary with the usual arrangement of such matter.

VOLUMES VII. AND VIII.—Atharva-Veda Saṁhitā, translated, with a critical and exegetical commentary, by WILLIAM DWIGHT WHITNEY, late Professor of Sanskrit in Yale University. Revised and brought nearer to completion and edited by CHARLES ROCKWELL LANMAN, Professor of Sanskrit in Harvard University. 1905. Royal 8vo, buckram, clxii + iv + 1046 (= 1212) pp., price of the two volumes $5.00.

This work includes, in the first place, critical notes upon the text, giving the various readings of the manuscripts, and not alone of those collated by Whitney in Europe, but also of those of the apparatus used by S. P. Pandit in the great Bombay edition. Second, the readings of the Paippalāda or Cashmere version, furnished by the late Professor Roth. Further, notice of the corresponding passages in all the other Vedic texts, with report of the various readings. Further, the data of the Hindu scholiast respecting authorship, divinity, and meter of each verse. Also, references to the ancillary literature, especially to the well-edited Kauçika and Vaitāna Sūtras, with account of the ritualistic use therein made of the hymns or parts of hymns, so far as this appears to cast any light upon their meaning. Also, extracts from the printed commentary. And, finally, a simple literal translation, with introduction and indices. Prefixed to the work proper is an elaborate critical and historical introduction.

VOLUME IX.—The Little Clay Cart (Mṛcchakaṭika), a Hindu drama attributed to King Shūdraka, translated from the original Sanskrit and Prākrits into English prose and verse by ARTHUR WILLIAM RYDER, Ph.D., Instructor in Sanskrit in Harvard University. 1905. Royal 8vo, buckram, xxx +177 pages, price $1.50.

VOLUME X.—A Vedic Concordance: being an alphabetic index to every line of every stanza of every hymn of the published Vedic literature, and to every sacrificial and ritual formula thereof. By MAURICE BLOOMFIELD, Professor of Sanskrit and Comparative Philology in Johns Hopkins University.

The work, with which Bloomfield has been busy for over a dozen years, will form a royal quarto of about 1100 pages. Of these, fully 800 are already printed (June, 1905); the completely revised manuscript of the remainder is at the press; and it is hoped that the printing will be finished soon after Jan. 1, 1906. For an account of the work, see the last page of vol. iv. of this Series. The Concordance will serve as a register of the *varietas lectionis* for the texts of the Vedic literature, and thus prove to be an auxiliary of the very first importance in the work of making new editions of the Vedic texts; and many subsidiary uses of Bloomfield's collections will suggest themselves to scholars.

IN PREPARATION

No promise of a definite time for the completion and appearance of any of the following works will under any circumstances be given; they are nevertheless in such a state of advancement that some public announcement concerning them may properly be made.

Buddha-ghosa's Way of Purity (*Visuddhi-magga*), a systematic treatise of Buddhist doctrine by Buddha-ghosa (about 400 A.D.): critically edited in the original Pāli by the late HENRY CLARKE WARREN, of Cambridge, Massachusetts.

The "Way of Purity," which has been for fifteen centuries one of the "books of power" in the East, is, as Childers says, "a truly great work, written in terse and lucid language, and showing a marvelous grasp of the subject." Mr. Warren published an elaborate analysis of the entire treatise in the *Journal of the Pāli Text Society for 1891–93*, pages 76–164. His plan was to issue a scholarly edition of the Pāli text of the work, with full but well-sifted critical apparatus, a complete English translation, an index of names, and other useful appendices, and to trace back to their sources all the quotations which Buddha-ghosa constantly makes from the writings of his predecessors. The text, it is hoped, may be published without too much further labor on the part of the editor of the Series.

Mr. Warren died in January, 1899, in the forty-fifth year of his age. Accounts of his life and work may be found in the (New York) *Nation* for Jan. 12, 1899; in the *Harvard Graduates' Magazine* for March, 1899; in the *Journal of the Royal Asiatic Society* for April, 1899 (with a list of his writings); in the (Chicago) *Open Court* for June, 1899; or in the *Journal of the American Oriental Society*, vol. xx., second half.

Buddha-ghosa's Way of Purity, a systematic treatise of Buddhist doctrine, translated into English from the original Pāli of H. C. Warren's edition, by the late HENRY CLARKE WARREN and CHARLES ROCKWELL LANMAN.

Mr. Warren had made a large part (about one third) of the translation. With this part as a help and guide, the editor of the Series hopes to complete the version and to publish it as soon as is feasible. The text and translation will perhaps take three or four volumes.

The Pancha-tantra, according to the recension of the Jaina monk Pūrṇa-bhadra (about 1200 A.D.), critically edited in the original Sanskrit by Dr. Johannes Hertel, of the Royal Gymnasium of Doebeln in Saxony, and Dr. Richard Schmidt, of the University of Halle.

The basis of Doctor Schmidt's excellent version of the Pancha-tantra was a text prepared by him from several European manuscripts. In the meantime, Doctor Hertel has procured a very large amount of manuscript material from India, chiefly from Poona, has subjected the same to searching critical study, and is embodying his results, so far as they concern the actual readings, in a thorough revision of the printer's copy of the text. The other results of his labors have been published in several periodicals, especially the *Berichte der Kön. Sächsischen Gesellschaft der Wissenschaften* for April, 1902, and in recent volumes of the *Zeitschrift der Deutschen Morgenländischen Gesellschaft* (lvi., lvii., lviii., lix.). The Çāradā-MS., numbered viii. 145 in the Catalogue of the Deccan College MSS. and containing the Tantra-ākhyāyika or Kashmirian recension of the Pancha-tantra, has proved to be of such great importance for the history of this branch of Sanskrit literature that Doctor Hertel has published it (*Abhandlungen* of the Saxon Society, vol. xxii., 1904), not as a definitive text-edition, but as part of a literary-historical investigation and as one of the essential preliminaries for the edition of Pūrṇa-bhadra's recension to be issued in the Harvard Series. It appears that the last-named recension is a fusion of the Tantra-ākhyāyika and the so-called Textus Simplicior of the Pancha-tantra.

The Pancha-tantra, translated into English from the original Sanskrit of the recension of Pūrṇa-bhadra, by Paul Elmer More, sometime Assistant in Sanskrit in Harvard University, now of the Editorial Staff of the *New York Evening Post.*

This version, prepared several years ago from Doctor Schmidt's manuscript copy by Mr. More, has yet to be so revised as to bring it into conformity with the meantime thoroughly revised text of Pūrṇa-bhadra's recension. Apart from the intrinsic interest and merit of the stories of which the Pancha-tantra consists, this translation makes an especial appeal to students of Indian antiquities, of folk-lore, and of the history of popular tales.

History of the Beast-fable of India, with especial reference to the Pancha-tantra and to the related literature of Southwestern Asia and of Medieval Europe, by Dr. Johannes Hertel of the Royal Gymnasium of Doebeln in Saxony.

Although this volume is primarily designed to be an introduction to Pūrṇa-bhadra's Pancha-tantra, its scope is nevertheless such that it may with propriety be entitled a History of the Beast-fable of India. The definitive arrangement of the material is not yet settled, but the general plan may be given under six headings.

I. Brief outline of the incidents of each story, together with a reference for each story to its precise place in the original Sanskrit text, the method of citation to be such that the same reference will apply with equal facility to either the text or the translation or the apparatus criticus or the commentary.

II. Tabular conspectus of strophes and stories contained in forms of the Pancha-tantra anterior to Pūrṇa-bhadra.

III. Apparatus criticus. 1. Account of the MSS. collated. 2. A piece of the text printed in several parallel forms side by side (Tantra-ākhyāyika, Simplicior, Ornatior) as a specimen, to illustrate the relative value of the several MSS. and Pūrṇa-bhadra's way of constructing his recension. 3. Readings of the MSS. Bh, bh, A, P, p, etc.

IV. Introduction to the text of Pūrṇa-bhadra. A. First part, extending to the death, in 1881, of Benfey. 1. Editions: Kosegarten's; Kielhorn-Bühler's; other Indian editions. 2. Translations: of Benfey, Lancereau, Pavolini, Fritze, Galanos. 3. Semitic recensions and their effluxes. 4. Benfey's results as contained in his *Pantschatantra* of 1859 and his Introduction to Bickell's Old Syriac *Kalilag und Damnag* of 1876. B. Second part, from the death of Benfey. 5. Bibliography of the various treatises. 6. History of the Sanskrit Pancha-tantra. Form, age, and name of the original Pancha-tantra. 7. The Brahmanical recensions of the work: Guṇāḍhya, Nepalese fragment, etc.; Tantra-ākhyāyika; Southern Pancha-tantra. 8. Jaina recensions: so-called Simplicior, its age, etc.; so-called Ornatior, author, age, etc.; Megha-vijaya; later recensions; mixed recensions. 9. Buddhist recension, Tantra-ākhyāna.

V. Notes to the several stories of Pūrṇa-bhadra's text. Parallels in the Jātaka, etc. References to Benfey.

VI. Indices. 1. Of names. 2. Of things. 3. Of verses. 4. Of meters.

The Çakuntalā, a Hindu drama by Kālidāsa: the Bengālī recension critically edited in the original Sanskrit and Prākrits by RICHARD PISCHEL, Professor of Sanskrit in the University of Berlin.

Thirty years ago Pischel made his first edition of this master-piece of the Hindu drama. Meantime he has published, as a very important part of the Bühler-Kielhorn *Grundriss der Indo-Arischen Philologie*, his elaborate *Grammatik der Prākrit Sprachen.* In the way of experience and study, therefore, his equipment as an editor of this play is peculiarly complete. As for the externals of paper and print and binding, it is intended that this edition shall be got up in a manner to correspond with its scholarly character and with the intrinsic merit of the play; and it is to be sold at a very moderate price.

The Çakuntalā, translated into English from the edition of Professor Pischel, with an exegetical and illustrative commentary, by ARTHUR WILLIAM RYDER.

Whereas Dr. Ryder's version of The Little Clay Cart (vol. ix. of this Series) was primarily a literary one and aimed to avoid technicalities, his work upon the Çakuntalā is primarily philological, and of it the technical commentary is an essential part. In this comment he hopes to include the most or all that is of substantive importance in the observations of his predecessors whether Occidental or Hindu; to treat the relation of the subject-matter of the play to the older forms thereof as seen in the Epos and the Jātaka; to bring out the double meanings and the various other Hindu "embellishments" of the play; to note the parallelisms in poetic thought or diction or technique between the Çakuntalā and the other works of Kālidāsa and of the Indian literature; to illustrate the allusions to the mythology and antiquities of India by citations translated from the best native authorities; to show, throughout, the relation of this play as a work of art to the Hindu canons of dramaturgy; and at least to assemble the data for the solution of the important critical question whether the Çakuntalā may not have served as the model play upon which the earlier of those canons were based.

The Commentary (Yoga-bhāshya) on Patañjali's aphorisms of the Yoga philosophy, translated from the original Sanskrit into English, with indices of quotations and of philosophical terms, by Dr. JAMES HAUGHTON WOODS, Instructor in Philosophy in Harvard University.

Of the six great philosophical systems of India, we can hardly say that more than two, the Sānkhya and the Vedānta, have been made accessible to Occidental students by translations of authoritative Sanskrit works. For Shankara's Comment on the aphorisms of the Vedānta system, we have Deussen's translation into German and Thibaut's into English. For the Sānkhya, we are indebted to the labors of Wilson and Garbe and Gangānāth Jhā for versions of the Kārikā and of the Tattva-kāumudī. The Yoga system is confessedly next in importance; and the Yoga-bhāshya, ascribed to Vyāsa, is the best and most thorough exposition of its fundamental doctrines. It is also the oldest; Garbe refers it to the seventh century of our era, and the evidence adduced by Takakusu of Tokyo may prove it to be considerably earlier.

In the preparation of his translation, Dr. Woods has had the benefit of Deussen's criticism; and he has revised his work under the oversight of Gangādhara Shāstrin and of his pupils in Benares; and he has constantly consulted Vāchaspatimiçra's sub-comment on the Yoga-bhāshya, and, as occasion required, the Yoga-vārttika of Vijñāna-bhikshu and other works of more modern scholiasts. It is hoped that this work will throw light upon the early history of the Mahā-yāna school of Buddhism.

The Talavakāra or Jāiminīya Brāhmaṇa of the Sāma Veda: critically edited in the original Sanskrit, with a translation into English, by Hanns Oertel, Professor of Linguistics and Comparative Philology in Yale University.

In 1877, A. C. Burnell brought this Brāhmaṇa to the notice of European scholars. Soon after, he procured manuscripts, and turned them over to Professor Whitney. With the aid of pupils, Whitney made a transliterated copy of one, and himself collated the copy with the others. Since 1891, off and on, Oertel has been at work upon the restoration of the corrupt text of this Brāhmaṇa, and has published considerable parts of it in the *Journal of the American Oriental Society* (vol's xv., xvi., xviii., xix., xxiii., and xxvi.) and elsewhere. It is his intention to add to his translation systematic references to the parallel passages from the other Brāhmaṇas.

離諸難處適眾會,　　唯佛世尊能應時。

[0407a15] ◎此世界海下方，次有世界海，名蓮華妙香勝藏；中有佛剎，名寶師子光，佛號明照法界；於彼如來大眾海中，有菩薩名光照分別法界，為佛光明所開發已，與世界海塵數菩薩眷屬圍遶，來向佛所；興十種一切寶光明雲，悉皆彌覆，充滿虛空，十種一切香光明雲、十種諸佛師子吼雲、十種一切佛剎功德莊嚴雲、十種一切華樓閣雲、十種一切座莊嚴雲，悉皆彌覆，充滿虛空，來詣佛所，在於下方寶藏師子座上，結跏趺坐。此世界海上方，次有世界海，名雜寶光海莊嚴；中有佛剎，名樂行清淨，佛號無礙功德稱離闇光王；於彼如來大眾海中，有菩薩名無障礙力精進慧，為佛光明所開發已，與世界海塵數菩薩眷屬圍遶，來向佛所；興十種一切無量妙色寶照雲，悉皆彌覆，充滿**虛空，十種無量光普照雲、十種一切莊嚴照明雲、十種香焰雲、十種一切莊嚴雲、十種佛光焰雲、十種寶樹華焰雲、十種一切寶樹堅固光明雲、十種一切勝光明雲、十種一切菩薩所行示現雲、十種一切解**脫光明雲，悉皆彌覆，充滿虛空，來詣佛所，供養、恭敬、禮拜已，在於上方妙音勝蓮華藏師子座上，結跏趺坐。如是等十億佛剎塵數世界海中，有十億佛剎微塵數等大菩薩來，一一菩薩各將一佛世界塵數菩薩以為眷屬，一一菩薩各興一佛世界微塵數等妙莊嚴雲，悉皆彌覆，充滿虛空，隨所來方，結跏趺坐。彼諸菩薩次第坐已，一切毛孔各出十佛世界微塵數等一切妙寶淨光明雲，一一光中，各出十佛世界微塵數菩薩，一一菩薩、一切法界方便海充滿一切微塵數道；一一塵中，有十佛世界塵數佛剎；一一佛剎中，三世諸佛皆悉顯現。念念中，於一一世界各化一佛剎塵數眾生，以夢自在示現法門教化、一切諸天化生法門教化、一切菩薩行處音聲法門教化、震動一切佛剎建立諸佛法門教化、一切願海法門教化、一切眾生言辭入佛音聲法門教化、一切佛法雲雨法門教化、法界自在光明法門教化、建立一切大眾海於普賢菩薩法門教化，以如是等一切法門，隨其所樂而教化之，於一念頃，能滅一切世界中，各如須彌山塵數**眾生諸惡道苦；各如須彌山塵數眾生，令離邪定**

[0407c05] 爾時，諸菩薩光明中，以偈頌曰：

「一切光明出妙音，　　說諸菩薩具足行，
佛子功德悉成滿，　　普遍一切十方界。
無量劫海修行道，　　欲令眾生離苦故，
不自計己生死苦，　　佛子善入大方便。
無量無邊無有餘，　　窮盡一切大海劫，
遍行一切諸法門，　　善說微妙寂靜法。
一切三世佛所願，　　皆得清淨具足滿，
佛子饒益諸眾生，　　能自具行清淨道。
皆能往詣諸佛所，　　清淨法身照十方，
佛子智海無邊底，　　普觀諸法寂滅相。
一光明中有無量，　　無上大慈難思議，
清淨慧眼照諸法，　　此是佛子妙境界。
一毛悉受諸佛剎，　　又能震動諸國土，
能令眾生無怖想，　　是名清淨方便地。
一一塵中無量身，　　復現無量莊嚴剎，
於一念中皆悉見，　　是無障礙淨法門。
三世所有一切劫，　　於一念中能悉現，
猶如幻化無所有，　　是名諸佛無礙法。
普賢諸行皆具足，　　能令眾生悉清淨，
諸佛子具自在法，　　一一毛孔師子吼。」

[0407c26] 爾時，世尊欲令一切菩薩大眾，知佛無量無邊境界自在法門故，放眉間白毫相一切寶色燈明雲光，名一切菩薩慧光觀察照十方藏。此光遍照一切佛剎，於一念中，皆悉普照一切法界；於一切世界，雨一切佛諸大願雲，顯現普賢菩薩，示大眾已，還從足下相輪中入於彼。復有大蓮華生，以眾寶為莖，一切寶王為莊嚴藏，其葉遍覆一切法界；一切寶香莊嚴其鬚，閻浮檀金以為其臺。此華生已，如來眉間有一大菩薩出，名曰一切諸法勝音，與世界海塵數菩薩眾俱，敬遶世尊無量匝已，退坐蓮華臺上，眷屬菩薩坐蓮華鬚。一切諸法勝音菩薩成就無量法界歡喜，隨順諸佛境界深智，度不可思議佛海光明，悉能往詣一切佛所。

[0408a11] 爾時，一切諸法勝音菩薩以偈頌曰：

「佛身充滿諸法界，　　普現一切眾生前，

應受化器悉充滿，　佛故處此菩提樹。
一切佛剎微塵等，　爾所佛坐一毛孔，
皆有無量菩薩眾，　各為具說普賢行。
無量剎海處一毛，　悉坐菩提蓮華座，
遍滿一切諸法界，　一切毛孔自在現。」

[0408a19] 爾時，師子焰光奮迅音菩薩以偈頌曰：

「盧舍那如來，　轉清淨法輪，
一切法方便，　如來雲普覆。
十方國土中，　一切世界海，
佛願力自在，　普現轉法輪。
一切佛土中，　無量大眾海，
言號各不同，　而轉淨法輪。
盧舍那佛神力故，　一切剎中轉法輪，
普賢菩薩願音聲，　遍滿一切世界海。
法身充滿一切剎，　普雨一切諸法雨，
法相不生亦不滅，　悉照一切諸世間。
無量無數億劫中，　一切佛剎微塵道，
盧舍那佛妙音聲，　具足演說本所行。
一切佛剎微塵數，　大光明網照十方，
一一光中有諸佛，　以無上道化眾生。
法身堅固不可壞，　充滿一切諸法界，
普能示現諸色身，　隨應化導諸群生。
三世無量諸佛剎，　其中一切諸導師，
一切音聲及名字，　普見諸佛力自在。
過去未來及現在，　如是一切諸導師，
彼聖能令一切聞，　不可思議正法輪。」

[0408b11] 如此四天下道場上，見佛神力，一切菩薩大眾雲集，一切世界海中亦復如是。

[0408b13] 爾時，普賢菩薩於如來前，坐蓮華藏師子之座，即入一切如來淨藏三昧正受，普照一切法界諸如來身，無所障礙，離垢滿足，猶如虛空。普賢菩薩於此世界三昧正受，盡法界、虛空界等一切佛剎亦復如是。普賢菩薩入是三昧已，十方世界海諸佛悉現，彼諸如來各各讚言：「善哉！善哉！善男子！汝乃能入此三昧正受，是皆盧舍那佛本願力故。又汝於諸佛所，清淨行願力故，所謂：轉一切諸佛法輪故；開一切如來智慧海故；盡度一切諸法方便及十方海悉無餘故；除一切眾生煩惱得清淨故；能到一切諸佛國土無障礙故；入一切諸佛境界無礙故；一切諸佛普門功德滿足故；入一切法方便深樂一切智故；方便觀

察一切世間法故；知一切眾生諸根海故。」

[0408b29] 爾時，一切諸佛與普賢菩薩入一切智力；與入無量無邊法界智；與能詣三世諸佛所智；與一切世界海成壞智；與入無量眾生界智；與佛甚深法門智；與一切不壞三昧住智；與入一切菩薩諸根海智；與一切眾生語言海轉法輪辭辯智；與一身遍滿一切世界智；與一切諸佛音聲智。何以故？以得此三昧法故。

[0408c08] 爾時，十方諸佛各申右手，摩普賢菩薩頂；爾時，一切菩薩見十方諸佛各申右手，摩普賢菩薩頂已，彼諸菩薩一心恭敬觀察普賢菩薩，即時同聲以偈頌曰：

「於諸佛所修善法，　滿足一切大願力，
出生清淨妙法身，　如實平等同虛空。
一切諸佛國土中，　普賢菩薩常依住，
十方世界無不見，　無量功德智慧海。
悉見十方一切佛，　清淨身行功德海，
能於一一微塵道，　普皆示現一切剎。
一切十方佛世界，　無量微塵諸劫數，
常見普賢真佛子，　無量三昧方便行。
法身充滿諸法界，　一切十方佛國土，
遍遊一切眾生海，　安住深妙清淨法。
永度無量諸法界，　離眾煩惱不可壞，
其身周遍滿虛空，　廣說無量諸佛法。
一切功德海中生，　普放光明如大雲，
堅固眾生清淨行，　微妙音說佛境界。
無量無數大劫中，　修習普賢甚深行，
無量無邊諸法雲，　雷震演說勝法界。
一切佛土如實性，　十力修集淨莊嚴，
普入一切眾生海，　如應為說清淨法。
無量無邊大眾海，　一心恭敬觀普賢，
無量深廣智慧海，　願轉清淨妙法輪。」◎

[0409a03] ◎爾時，普賢菩薩承佛神力，觀察一切諸世界海、一切眾生海、法界業海、一切眾生欲樂諸根海、一切三世諸佛海已，普告菩薩大眾海言：「佛子！諸佛一切世界海成敗清淨智、不可思議一切眾生界起智、觀察法界智、一切如來自在智、清淨願轉法輪智、力無所畏不共法智、光明讚歎音聲智、三種教化眾生智、無量三昧法門不壞智、如來種種自在智，如是等一切皆不可思議，我當承佛神力，具足演說，欲令一切眾生入佛智海。」

[0409a13] 爾時，普賢菩薩從彼三昧起，從世界微塵等三昧起，念念中不壞方便智一切三世三昧起；時，彼一切諸菩薩眾，一一皆得世界塵數諸三昧世界塵數方便法海、方便辯海、諸行願海，如此會菩薩所得功德，一切世界海、一切如來眾海，諸菩薩眾所得功德亦復

如是。

[0409a19] 是時, 一切世界六種震動, 一切眾生安隱悅樂, 一切眾寶種種莊嚴, 一切如來大眾海中, 雨十種寶王雲, 所謂：勝金色幢寶王雲、佛光明照寶王雲、金蓮華寶王雲、菩薩辯才光明寶王雲、一切妙音眾寶王雲、莊嚴佛土道場寶王雲、一切菩薩無量功德光明輪妙音寶王雲。一切如來毛孔及諸光明以偈頌曰：

「普賢悉在,　一切佛剎，　坐寶蓮華，
師子座上。　如是示現,　遍一切界,
普入無量,　無邊諸行。　悉能示現,
無量種身,　變化充滿,　十方世界。
妙音和雅,　說法無礙,　一切三昧,
方便自在,　一切佛土,　諸如來所,
一切三昧,　皆得自在。　悉能了知,
最勝境界,　示現普賢,　無量自在。
如一切土,　諸如來前,　一切剎塵，
諸世界中,　普賢自在,　亦復如是。
盡盧舍那,　本願底故,　普賢身相,
猶如虛空。　依於如如,　不依佛國,
現身無量,　普應眾生,　隨群萌類,
為現化故。　一切世界,　無量佛土,
悉能示現,　入諸法門。　普賢菩薩,
具足淨願,　如是等比,　無量自在。
一切眾海,　無量無邊,　各於佛土,
示現清淨。　如是一切,　身中悉現,
隨其起滅,　一念悉知。」

[0409b17] 爾時, 普賢菩薩欲令大眾重歡喜故, 以偈頌曰：

「諸佛深智功德海,　充滿無量無邊剎，
方便隨眾所應見,　盧舍那佛轉法輪。
不可思議佛剎海，　於無量劫令清淨，
最勝導師照一切,　悉能調伏眾生海。
眾生大海難可測,　諸佛境界不思議,
眾生樂惡著諸有,　不能了知無上道。
功德法海長養心,　常能親近善知識,
恒為諸佛所護念,　是等能度得上智。
離諸諂曲心清淨,　廣大慈悲無邊際,
深心淨信無厭足,　彼聞是法喜無量。
普賢菩薩諸地願,　安諦善住能順行,

遊心法界如虛空,　　是人乃知佛境界。
一切菩薩得善利,　　能見自在最勝尊,
非餘境界之所知,　　普賢方便皆得入。
無量無邊諸眾生,　　一切如來所護念,
於一切處轉法輪,　　盧舍那佛境界力。
一切剎土及諸佛，　　在我身內無所礙，
我於一切毛孔中,　　現佛境界諦觀察。
普賢菩薩所願行,　　無量無邊悉具足,
普眼境界清淨身,　　我今演說仁諦聽。」

[0409c10] 爾時, 普賢菩薩告諸菩薩言：「佛子！世界海有十種事, 去、來、今佛之所演說，所謂：說世界海、起具因緣世界海、住世界海、形世界海、體世界海、莊嚴世界海、清淨世界海、如來出世世界海、劫世界海、壞方便世界海。諸佛子！世界海有如是等十種事為首, 乃至有世界海塵數種事。諸佛子！當知一切世界海, 有世界海塵數因緣具故成, 已成、今成、當成, 所謂：如來神力故, 法應如是故, 眾生行業故, 一切菩薩應得無上道故, 普賢菩薩善根故, 菩薩嚴淨佛土願行解脫自在故，如來無上善根依果故，普賢菩薩自在願力故，如是等世界海塵數因緣具故，一切世界海成。」

[0409c23] 爾時, 普賢菩薩以偈頌曰：

「佛智境界,　　不可思議,　　自在善住,
悉皆如是。　　無量無邊,　　諸世界海,
盧舍那佛,　　悉能嚴淨。　　如應化度,
一切菩薩,　　無量願海,　　皆悉清淨。
十方佛土,　　一切眾生,　　以不思議,
而覺悟之。　　一切菩薩,　　無量自在,
度一切智,　　方便法門,　　出生一切,
無量願海。　　起諸世界,　　猶如虛空,
普行一切,　　菩薩善行,　　入佛境界,
無量無邊。　　悉能嚴淨,　　十方佛剎，
一一佛土,　　無量劫行,　　眾生心境,
不可思議。　　業能悉起,　　一切剎海，
眾生垢穢,　　國不清淨,　　行業無量,
世界不同。　　諸佛剎海，　　淨莊嚴藏，
離垢雜寶,　　以為校飾,　　長養無垢,
弘誓願海。　　佛子能淨,　　無數國土,
若有菩薩,　　修普賢行,　　常能履行,
清淨法界。　　當知是等,　　功德如佛,

能出無量,　如來剎海，　於一念中,
悉遍十方。　能現一切,　菩薩所行,
甚深清淨,　猶如**虛空**,　**等空界者**,
自在如是。　一切道場,　諸如來前,
坐寶蓮華,　現**眾妙色**,　**於其身**內，
容一切剎。　又一念中，　示現三世，
入巧方便,　起諸剎海，　於三世國，
示現成佛。　盧舍那佛,　此土清淨,
眾寶成就,　**無有邊際。」**

[0410a22] 爾時，普賢菩薩告諸菩薩言：「佛子！一一世界海所依住，如世界微塵數，所謂：依一切莊嚴住、或依**虛空住、或依一切寶住、或依佛光明住、或依幻業住、或依摩訶那伽金剛力士掌中**住、或依普賢菩薩願力住。」

[0410a27] 是時，普賢菩薩以偈頌曰：

「無量無邊佛剎海，　離垢妙寶以莊嚴，
摩尼寶王清淨照,　最勝威神靡不見。
清淨剎海住虛空，　寶王妙藏光普照，
暢發無量微妙音,　宣揚佛道靡不欣。
種種華光善喜樂,　如意寶珠為莊嚴,
無量光網彌覆上,　種種香雲遍充滿。
無量無邊妙蓮華,　青瑠璃寶以為臺,
清淨國土甚奇妙,　一切諸佛莊嚴故。
或有諸佛清淨土,　以佛威神得安住,
見離垢淨**眾妙寶**,　**無量菩薩悉充滿。**
或有諸佛清淨土,　金剛力士掌中住,
十力世雄盧舍那,　常為一切轉法輪。
或依寶樹平正住,　依香**焰雲亦如是**,
有依水輪住堅固,　或依金剛海座住,
有住金剛勝妙幢,　種種寶華彌覆上,
無量自在一切處,　盧舍那佛令**眾見。**
眾雜異色長光明,　**普流一切佛世界**,
悉見種種莊嚴藏,　離垢微妙甚清淨。
彼以一切願海力,　無量種種所依住,
諸如來雲悉充滿,　常依清淨**虛空住。**
或有佛剎處上方，　依淨菩薩天冠住，
彼現無量佛自在,　佛子妙音淨業化。
諸法界等佛國土,　譬如電光亦如幻,

紺瑠璃寶廣清淨,　　悉從離垢淨業起。
普現種種莊嚴藏,　　依止**虛空靜安住**,
行業境界不可議,　　佛令**眾生普得見。**
一切塵等諸佛剎，　　普賢菩薩一念起，
無量劫行化**眾生**,　　**充滿法界現自在。**
一一微塵中,　　佛國海安住,
佛雲遍護念,　　彌綸覆一切。
於一微塵中,　　佛現自在力,
一切微塵中,　　神變亦如是,
諸佛及神力,　　盧舍那示現。」

[0410c03] 爾時，普賢菩薩告諸菩薩言：「佛子！諸世界海有種種形，或方、或圓、或非方圓、或如水洄**澓、或復如華形、或種種眾生形者。」**

[0410c05] 爾時，普賢菩薩以偈頌曰：

「剎海無有量，　　殊形異莊嚴，
十方世界海,　　見諸雜種相,
或圓或四方,　　或復非方圓,
三維及八隅,　　**狀若摩尼寶。**
一切諸業海,　　種種別異故,
有如金剛掌,　　莊嚴坦平正。

「**鍊真金色**,　　**清淨妙形**,　　**入於無量**,
正法之門。　　諸佛剎海，　　種種之藏，
猶如大雲,　　懸處**虛空。**　　**彼寶輪地**,
妙淨分明,　　盧舍那佛,　　光明悉照。
諸佛國土,　　起由心業,　　無量種形,
而以莊嚴。　　彼國一切,　　各各自在,
如來剎海，　　現無量相,　　或有淨穢,
苦樂不同。
法常流轉,　　變現如是,　　一切業海,
不可思議。　　一毛孔中,　　無量佛剎，
莊嚴清淨,　　曠然安住。　　彼一切處,
盧舍那佛,　　於**眾海中**,　　**演**說正法。
於一塵**內**，　　**微細國土**，　　**一切塵等**，
悉於中住。　　一切世界,　　有種種形,
悉於其中,　　轉尊法輪。　　是弘誓願,
自在之力,　　一一塵中,　　現一切剎。

譬如幻化，　亦如虛空，　諸心業力，
之所莊嚴。　一一塵中，　眾生數等，
諸化佛雲，　神力自在。　於微塵中，
善住佛剎，　盧舍那佛，　現法如是。」

[0411a04] 爾時，普賢菩薩告諸菩薩言：「佛子！諸世界海有種種體，悉應當知，所謂：一切寶莊嚴體、或一寶體、或金剛堅固地體、或眾香體、或日珠輪體。」

[0411a07] 爾時，普賢菩薩以偈頌曰：

「或有世界海，　眾寶所合成，
堅固不可壞，　安住寶蓮華。
或勝光明起，　清淨暉焰照，
眾妙莊嚴剎，　依止虛空住。
或有光明剎，　依止光明住，
光明雲莊嚴，　諸菩薩宮殿。
或有佛剎海，　猶如電光住，
言取不可得，　斯由願力起。
或有摩尼寶，　日光明藏照，
貫真珠輪地，　菩薩悉充滿。
或有寶焰剎，　光明雲蔭覆，
一切寶莊嚴，　悉皆有變化。
或有眾相體，　微妙相莊嚴，
間錯雜寶冠，　一切佛所化。
心海業所起，　國土隨樂住，
諭如幻無方，　皆從妄想生。
如來身光明，　摩尼剎安住，
正覺雲彌覆，　一切佛自在。
或普賢菩薩，　化現佛剎海，
一切寶校飾，　願力所莊嚴。」

[0411a28] 爾時，普賢菩薩告諸菩薩言：「佛子！諸世界海有世界海微塵等莊嚴，悉應當知，所謂：一切境界種種雲莊嚴、一切世界眾生行業莊嚴、三世諸佛及普賢菩薩願力莊嚴，有如是等世界海微塵數莊嚴。」

[0411b03] 爾時，普賢菩薩以偈頌曰：

「如世界海微塵等，　不可思議業果報，
一切十方世界海，　種種嚴淨廣無邊。

無量淨色普莊嚴,　上妙功德常充滿,
雜光明雲出梵音,　聞于一切諸佛剎。
菩薩無量功德海,　妙聲遍滿一切剎，
諸誓願雲具莊嚴,　聲震十方世界海。
眾生業海廣無際,　**淨莊嚴雲出妙音**,
業報如寶隨應變,　諸佛力故悉周滿。
一切三世諸如來,　自在普現無量剎，
一一境界一切佛,　莊嚴剎海皆悉見。
過去未來現在劫,　一切十方諸世界,
於無量劫淨莊嚴,　一一佛剎皆悉見。
一切境界諸佛雲,　數等**眾生滿十方**,
佛自在行令**眾知**,　**是謂如來莊嚴**剎。
眾香焰流及華流,　**一切眾寶摩尼流**,
種種**眾妙莊嚴雲**,　**皆悉校飾諸佛**剎。
十方世界諸道場,　一切**眾具妙莊嚴**,
靡不覩見此剎海，　猶如空中電光現。
普賢菩薩佛子等,　悉能莊嚴諸佛剎，
眾生等劫淨行海,　**於此世界悉顯現。」**

[0411b25] 爾時，普賢菩薩告諸菩薩言：「佛子！當知諸世界海有世界塵數清淨，所謂：菩薩親近善知識，成就諸善根等，利一切**眾生**，**淨滿一切諸波羅蜜**，**安住一切行地**，**有如是等世界塵數清淨。」**

[0411b29] 爾時，普賢菩薩以偈頌曰：

「一切佛剎諸莊嚴，　無數願海方便生，
一切佛剎清淨色，　無量行海所修集。
久遠親近善知識,　一切淨妙諸業行,
慈悲普流潤**眾生**,　**是故清淨佛**剎海。
一切法門三昧地,　一切佛所淨德海,
禪門方便清淨地,　是故嚴淨佛剎海。
能起無量清淨心,　信佛堅固不可壞,
以忍方便淨無垢,　莊嚴剎海微妙色。
興功德雲滿**虛空**,　**利益一切修淨行**,
眾生普獲無量德,　是故嚴淨佛剎海。
剎海方便等無量，　悉淨諸度無有餘，

修無盡願波羅蜜,　是故嚴淨佛剎海。
幻化行起無有量,　一切諸法廣清淨,
種種方便淨眾生,　起是可樂佛剎海。
方便嚴淨一切地,　具足諸佛功德海,
令諸眾生竭苦源,　是故嚴淨佛剎海。
修淨力海無與等,　能淨一切眾生根,
恭敬供養無量佛,　是故嚴淨佛剎海。」

[0411c19] 爾時, 普賢菩薩告諸菩薩言：「佛子！當知一一世界海有世界海塵數諸佛出興于世, 所謂：有佛興世, 色身示現遍滿法界, 或有短壽, 或無量劫, 如是一一世界海有世界海塵數佛出興于世。」

[0411c23] 爾時, 普賢菩薩以偈頌曰：

「佛以無量方便門,　能起一切佛剎海，
隨順眾生所欲樂,　諸佛法王出興世。
如來法身不思議,　無色無相無倫匹,
示現色身為眾生,　十方受化靡不見。
或為眾生現短命,　或現長壽無量劫,
法身多門現十方,　常為世間良福田。
或有能令不思議,　十方剎海悉清淨，
或有能淨一剎土，　是彼方便願所立。
或說不可思議乘，　佛普示現隨所樂，
或有如來說一乘，　是佛方便無有量。
自然無師得正覺,　或有濟度少眾生,
或有能於一念中,　化度無量眾生海。
或有於一毛孔中,　化佛雲出不思議,
充滿一切十方界,　無量方便化眾生。
或佛音聲震十方,　隨諸眾生所欲樂,
無量億劫不斷絕，　度眾生海無有邊。
或有無量莊嚴剎，　清淨大眾圍遶坐，
充滿一切世界海,　佛遍處眾如空雲。
是佛方便不思議,　慈海充滿遍一切,
入諸莊嚴方便門,　悉現一切眾生前。」

[0412a16] 爾時, 普賢菩薩告諸菩薩言：「佛子！當知世界海有世界海微塵等劫住, 所謂：佛剎海，或住不可數劫，或住可數劫，有如是等世界海微塵數劫住。」

◎

[0412a20] ◎爾時，普賢菩薩欲分別開示故，告一切眾言：「諸佛子！當知此蓮華藏世界海是盧舍那佛本修菩薩行時，於阿僧祇世界微塵數劫之所嚴淨，於一一劫恭敬供養世界微塵等如來一一佛所，淨修世界海微塵數願行。佛子！當知有須彌山微塵等風輪，持此蓮華藏莊嚴世界海：最下風輪名曰平等，彼持一切寶光明地；次上風輪名種種寶莊嚴，持清淨光寶地；次上風輪名功德勢，持密寶地；次上風輪名曰寶焰，持日不壞寶地；次上風輪名普莊嚴，持具足寶光明地；次上風輪名離垢清淨平等，持寶華焰地；次上風輪名曰方行，持一切真珠地；次上風輪名曰一切年，持一切時，一日、半月、一月、一年；次上風輪名普持勢，持一切須彌山地；次上風輪名莊嚴光明，能持一切有，如是次上有須彌山微塵等風輪。最上風輪名勝藏，持一切香水海；彼香水海中有大蓮華，名香幢光明莊嚴，持此蓮華藏莊嚴世界海；此世界海邊有金剛山周匝圍遶。」

諸寶羅網相扣摩,　　演佛音聲常不絕，
一切菩薩諸佛法,　　普賢大士所修行。
諸佛世尊願音聲,　　於彼寶岸常得聞,
一切如來過去行,　　皆悉遍聞十方國。

一切香河諸旋流，　一切菩薩功德雲，
漸漸盈滿諸法界，　見一切剎無不至。

東晉天竺三藏佛馱跋陀羅譯

盧舍那佛品第二之三

[0414a19] 「◎彼香河中間一切平正，諸妙寶樹以為莊嚴，雜種寶幔彌覆其上，一切菩薩願力所起、佛所護念三世莊嚴而莊嚴之。」

[0414a21] 爾時，普賢菩薩以偈頌曰：

「盧舍那佛遍十方，　出一切化莊嚴身，
彼亦不來亦不去，　佛願力故皆悉見。
一切佛剎微塵中，　無量佛子修諸行，
悉受清淨國土記，　見嚴淨剎稱本行。

[0414a27] 「佛子！當知此蓮華藏世界海中，一一境界有世界海微塵數清淨莊嚴。諸佛子！此香水海上有不可說佛剎微塵數世界性住，或有世界性蓮華上住、或在無量色蓮華上住、或依真珠寶住、或依諸寶網住、或依種種眾生身住、或依佛摩尼寶王住；或須彌山形、或河形、或轉形、或旋流形、或輪形、或樹形、或樓觀形、或雲形、或網形。」

[0414b05] 爾時，普賢菩薩以偈頌曰：

「堅固清淨諸佛剎，　離垢解脫光明藏，
依止摩尼寶海住，　或有依止香海住，
或依種種方便住，　或依莊嚴眾色住，
或復須彌樹圓形，　種種方門佛剎住。
或光明身諸華藏，　寶雲普放淨光明，
光明充滿勝世界，　寶地海藏不可壞。
或淨佛剎無量色，　光明焰雲眾色等，
或有妙音諸世界，　自然常音不思議。
無數願樂種種身，　自在行雲音聲身，
眾生無量德音身，　最勝一切德音身。
種種門入諸佛剎，　漸至無盡不思議，
無數一切滿十方，　無盡無量普自在。
一切諸方如來剎，　廣大方便入佛界，
見十方剎漸次至，　國土不增亦不減。
以一國土滿十方，　十方入一亦無餘，
世界本相亦不壞，　無比功德故能爾。
一切佛剎微塵中，　見盧舍那自在力，
弘誓願海震音聲，　調伏一切眾生類。

佛身充滿一切剎，　無數菩薩亦如是，
教化**眾生無有量**,　**佛現自在無倫匹。」**

[0414b27] 爾時，普賢菩薩告諸菩薩言：「佛子！彼**眾香水海中有一香水海**,**名樂光明**,**有一切香摩尼寶王莊嚴蓮華**；**上有世界**,**名清淨寶網光明**,**佛號離垢淨眼廣入。彼世界上**，**過佛**剎塵數世界，有佛國名雜香蓮華勝妙莊嚴，依寶網住，形如師子座,佛號師子座光明勝照。彼世界上,過佛剎塵數世界，有佛國名寶莊嚴普光明，依諸華住，形如日輪雲，佛號廣大光明智勝。彼世界上，過佛剎塵數世界，有佛國名雜光蓮華，佛號金剛光明普精進善起。彼世界上，過佛剎塵數世界，有佛國名無畏嚴淨，佛號平等莊嚴妙音幢王。彼世界上，過佛剎塵數世界，有佛國名華開淨焰，佛號愛海功德稱王。彼世界上，過佛剎塵數世界，有佛國名總持，佛號淨智慧海。彼世界上，過佛剎塵數世界，有佛國名解脫聲，佛號善相幢。彼世界上，過佛剎塵數世界，有佛國名勝起，佛號蓮華藏光。彼世界上，過佛剎塵數世界，有佛國名善住金剛不可破壞,佛號那羅延不可破壞。彼世界上,過佛剎塵數世界，有佛國名華林赤蓮華，佛號雜寶華鬘智王。彼世界上，過佛剎塵數世界，有佛國名淨光勝電如來藏，佛號能起一切所願功德。彼世界上，有香水海，名淨光焰起，中有世界性，名善住。次上復有香水海，名金剛眼光明，中有世界性，名法界等起。次上復有香水海，名蓮華平正，中有世界性，名出十方化身。次上復有香水海，名寶地莊嚴光明，中有世界性，名寶枝莊嚴。次上復有香水海，名化香焰，中有世界性，名清淨化。次上復有香水海，名寶幢，中有世界性，名佛護念。次上復有世界性，名眾色普光。如是次上復有世界塵數香水海及世界性,如一方,十方亦如是盧舍那佛常轉法輪處。」

[0416b29] 「諸佛子！乃往久遠過世界海微塵數劫，復過是數，爾時，有世界海，名淨光普眼，中有世界性，名勝妙音，依止摩尼華網海住，清淨無穢，有須彌山塵數世界以為眷屬；無量寶莊嚴地有三百重，眾寶圍山高廣嚴淨，周匝圍遶，其世界性，形如須彌山天宮莊嚴，以念為食。彼世界性中，有香水海，名清淨光。彼香海中，有須彌山，名大焰華莊嚴幢，以十種寶欄楯圍遶。彼須彌山有林觀，名寶華枝，以無量華樓閣、無量寶幢樓閣、無量紺寶網、種種色華而莊嚴之，無量香雲彌覆其上，十億百千城周匝圍遶。於彼林東，有一大城，名曰焰光，純香所成，面千由旬，七寶為郭，周匝圍遶；其城寮觀，雜寶莊嚴，覆以雜華及諸寶網，微風吹動，出妙音聲；其城有門一萬二千，建雜寶幢而莊嚴之，十億園林周匝圍遶，城中眾生皆悉成就，業報神足行同諸天，一切所欲應念即至。於彼林南，有一天城，名樹華莊嚴；次有龍城，名曰究竟；次有夜叉城，名金剛勝妙莊嚴幢；次有乾闥婆城，名離垢善；次有阿修羅城，名寶輪地；次有迦樓羅城，名眾寶莊嚴善光；次有緊那羅城，名娛樂莊嚴；次有摩睺羅伽城，名寶金剛幢。時，彼林中，有一道場，名寶華莊嚴；其道場前，有大蓮華，名華焰具足，縱廣百億由旬，十億蓮華眷屬圍遶。時，彼世界過百歲已，有佛出世，如是次第，有十須彌山塵數如來出興于世；其最初佛，名一切功德本勝須彌山雲。時，佛處彼大蓮華上，眉間白毫放大光明，名一切功德覺；有十佛世界

塵數光明以為眷屬。彼光滅除一切眾生煩惱蓋障，令得淨心，起功德海，永離三惡八難諸趣，發菩提心。

[0417a03] 「諸佛子！時，彼焰光城中，有王名愛見善慧，其王統領萬億諸城，有三萬七千夫人、采女，二萬五千子；其第一子名功德勝，次名普莊嚴童子。時，彼童子見佛無量自在功德善根因緣故，即得十種三昧，名曰諸佛具足功德三昧、普門方便三昧、淨方便雲三昧、教化眾生三昧、一切音聲充滿三昧、無量功德誠向三昧、如實覺諸法三昧、廣地方便海三昧、勝解脫三昧、一切智光三昧。」

[0417a12] 爾時，普莊嚴童子以偈頌曰：

「猶如千日出，　　虛空靡不照，
離垢坐道場，　　光明亦如是。
無量萬億劫，　　難遇之導師，
出興於世間，　　一切見最勝。
觀察佛光明，　　如雲難思議，
一切處悉見，　　如對現目前。
毛孔放光明，　　如雲不可盡，
隨諸眾生音，　　讚佛無量德。
眾生遇佛光，　　離苦永寂滅，
悉安隱快樂，　　歡喜遍充滿。
觀察諸菩薩，　　充滿十方界，
放摩尼寶雲，　　讚歎諸最勝。
常於道場聞，　　深妙音聲海，
滅諸眾生苦，　　覩佛自在力。
一切興恭敬，　　歡喜心無量，
往詣法王所，　　瞻仰禮供養。」

[0417b01] 時，彼童子說偈音聲，於彼世界無不普聞。

[0417b02] 爾時，愛見善慧王聞說是偈，歡喜無量，以偈頌曰：

「宜時普宣告，　　諸王大臣等，
令知吉祥相，　　咸速詣最勝。
莊飾一切城，　　宜令悉清淨，
建諸妙幢幡，　　種種寶莊嚴。
設眾妙寶帳，　　彌覆羅其上，
興妓樂音雲，　　令充遍虛空。
掃除諸街巷，　　降以雜寶雨，
莊嚴眾寶乘，　　當詣見最勝。

各於其帳內，　　雨種種雲雨，
一切莊嚴雲,　　流行虛空中。
香蓮華光雲,　　華蓋難思議,
瓔珞半月雲,　　雨眾妙寶衣,
須彌山香水,　　摩尼寶莊嚴,
清淨眾雜寶,　　顯現虛空中。
摩尼寶華鬘,　　離垢眾寶鬘,
摩尼寶燈雲,　　凝照停虛空。
矚想皆念佛,　　生無量歡喜,
妻子眷屬俱,　　當詣見最勝。」

[0417b22] 爾時，愛見善慧王與七十七億那由他眷屬俱，往詣一切功德本勝須彌山雲佛所；到已，頭面禮足，於一面坐，有無量天、龍、夜叉、乾闥婆、阿修羅、迦樓羅、緊那羅、摩睺羅伽等往詣佛所，頭面禮足，於一面住。爾時，如來教化一切諸眾生故，於彼大眾海中說經，名現三世一切諸佛集會，世界塵數修多羅以為眷屬，隨諸眾生所應解故。

[0417b29] 爾時，普莊嚴童子聞是經已，宿世功德因緣故，得一切法具足三昧、一切法來入安住菩提心三昧、法界師子光方便三昧、法眼清淨三昧。爾時，童子以偈頌曰：

「我聞最勝法,　　清淨慧眼開,
能見一切佛,　　過去功德海。
我見一切生,　　如本色具足,
隨本名身業,　　供養一切佛。
過去諸佛所,　　無量劫海行,
我見諸佛海,　　清淨佛剎海。
於生死海中,　　捨自身無量,
修菩薩勝行,　　嚴淨佛剎海。
捨無量耳鼻,　　頭目及手足,
王身大臣身,　　具足修淨國。
一一佛剎中，　　難思議億劫，
修行菩薩道,　　令佛剎海淨。
普賢菩薩願,　　修習諸行海,
一切剎海中，　　令佛土清淨。
如日光明淨,　　悉見色具足,
佛智光照已,　　見我本修行。
見無量諸佛,　　離垢清淨剎，
成等正覺聲,　　悉充滿法界。
如彼修清淨,　　具足佛剎海，

一切佛神力,　　應修菩薩行。」

[0417c25] 說是偈時，如須彌山塵數眾生悉發無上道心。

[0417c26] 時, 彼如來為此童子而說頌曰：

「善哉普莊嚴,　　德藏大名稱,
能為眾生故,　　勇猛求菩提。
能發智慧光,　　滿一切法界,
無上道德雲,　　當得智慧海。
一國中修行,　　一剎微塵劫，
當逮是智慧,　　如我之所得。
懈怠者不能,　　解深方便海,
精進力成就,　　能淨佛世界。
一切微塵數,　　劫海修眾行,
彼得淨如是,　　如我佛剎海。
一一眾生故,　　無量劫苦行,
不厭生死難,　　能為大導師。
無量無邊願,　　一切諸佛海,
能度無上道,　　方便海具足。
恭敬供養我,　　普莊嚴大力,
勝須彌山佛,　　成汝無上道。
普賢常勇猛,　　具足大名稱,
一切法界滿,　　淨諸佛剎海。」

[0418a16] 爾時, 一切功德本勝須彌山雲如來壽五十億歲。彼佛滅度後，有佛出世，號一切度離癡清淨眼王如來。普莊嚴童子見是如來已, 即得念佛三昧、普門海藏三昧、無量智持轉法三昧、甚深法樂三昧。時, 佛說經名一切法界自性離垢莊嚴，有世界微塵等修多羅以為眷屬。普莊嚴童子聞是經已, 即得三昧, 名一切法普門歡喜藏三昧、入一切法方便海三昧。

大方廣佛華嚴經如來光明覺品第五

[0422b18] 爾時，世尊從兩足相輪放百億光明，遍照三千大千世界，百億閻浮提、百億弗婆提、百億拘伽尼、百億欝單越、百億大海、百億金剛圍山、百億菩薩生、百億菩薩出家、百億佛始成正覺、百億如來轉法輪、百億如來般泥洹、百億須彌山王、百億四天王天、百億三十三天、百億時天、百億兜率陀天、百億化樂天、百億他化樂天、百億梵天、百億光音天、百億遍淨天、百億果實天、百億色究竟天，此世界所有一切悉現。如此見佛坐蓮華藏師子座上，有十佛世界塵數菩薩眷屬圍遶，百億閻浮提亦復如是。

[0422b29] 以佛神力故，百億閻浮提皆見十方各有一大菩薩，各與十世界塵數菩薩眷屬俱，來詣佛所。所謂：文殊師利菩薩、覺首菩薩、財首菩薩、寶首菩薩、德首菩薩、目首菩薩、精進首菩薩、法首菩薩、智首菩薩、賢首菩薩。是諸菩薩所從來國，金色世界、樂色、華色、薝蔔華色、青蓮華色、金色、寶色、金剛色、玻瓈色、如實色世界。各於本國佛所，所謂：不動智佛、智慧火佛、淨智佛、具威儀智佛、明星智佛、究竟智佛、無上智佛、自在智佛、梵天智佛、伏怨智佛所，淨修梵行。

[0422c10] 爾時，文殊師利以偈頌曰：

「若有知正覺，　解脫離諸漏，
　不著一切世，　彼非淨道眼。
　若有知如來，　觀察無所有，
　知法散滅相，　彼人疾作佛。
　能見此世界，　一切處無著，
　如來身亦然，　是人疾成佛。
　若於佛法中，　其心隨平等，
　入不二法門，　彼人難思議。
　若見我及佛，　安住平等相，
　彼住無所住，　遠離一切有。
　色受無有數，　想行識亦然，
　能如是知者，　彼是大牟尼。
　見者無所有，　所見法亦無，
　明了一切法，　彼能照世間。
　一念見諸佛，　出現于世間，
　而實無所起，　彼人大名稱。
　無我無眾生，　亦無有敗壞，
　若轉如是相，　彼則無上人。
　一中解無量，　無量中解一，
　展轉生非實，　智者無所畏。」

[0423a03] 如此處文殊師利說偈，一切處亦復如是。

　為度生死故，　　大聖法如是。
　導師降眾魔，　　勇健莫能勝，
　愛語離眾怖，　　無上慈悲法。
　內得甚深智，　　能害諸煩惱，
　一念見一切，　　彼自在示現。
　能擊正法鼓，　　聲震十方國，
　令得無上道，　　自覺法如是。
　不壞無量境，　　能遊無數剎，
　不取一切有，　　彼自在如佛。
　無比歡喜念，　　諸佛常清淨，

大方廣佛華嚴經菩薩明難品第六

[0427a03] 爾時，文殊師利菩薩問覺首菩薩言：「佛子！心性是一，云何能生種種果報？或至善趣，或至惡趣；或具諸根，或不具者；或生善處，或生惡處；端正醜陋，苦樂不同；業不知心，心不知業；受不知報，報不知受；心不知受，受不知心；因不知緣，緣不知因；智不知法，法不知智？」

[0427a09] 爾時，覺首菩薩以偈答曰：

「為化眾生故，　乃能問斯義，
諸法如實性，　我說仁諦聽。
諸法不自在，　求實不可得，
是故一切法，　二俱不相知。
譬如駛水流，　流流無絕已，
二俱不相知，　諸法亦如是。
亦如明燈焰，　焰焰不暫停，
二俱不相知，　諸法亦如是。
亦如長風起，　鼓拂生動勢，
二俱不相知，　諸法亦如是。
亦如深廣地，　展轉相依住，
二俱不相知，　諸法亦如是。
眼耳鼻舌身，　心意諸情根，
因此轉眾苦，　而實無所轉。
法性無所轉，　示現故有轉，
於彼無示現，　示現無所有。
眼耳鼻舌身，　心意諸情根，
其性悉空寂，　虛妄無真實。
觀察正思惟，　有者無所有，
彼見不顛倒，　法眼清淨故。
虛妄非虛妄，　若實若不實，
世間出世間，　但有假言說。」

[0427b04] 爾時，文殊師利菩薩問財首菩薩言：「佛子！一切眾生、非眾生，如來云何隨

眾生時、隨命、隨身、隨行、隨欲樂、隨願、隨意、隨方便、隨思惟、隨籌量、隨眾生見而教化之？」

[0427b08] 爾時,財首菩薩以偈答曰：

「明智心境界,　常樂寂滅行,
　我今如實說，　仁者善諦聽。
　分別觀內身，　我身何所有，
　若能如是觀,　彼達我有無。
　觀身一切分,　無所依止住,
　諦了是身者,　於身無所著。
　能解身如實,　明達一切法,
　知法悉虛妄,　其心無所染。
　身命相隨順,　展轉更相因,
　猶如旋火輪,　前後不可知。
　智者能觀察,　一切有無常,
　諸法空無我,　則離一切相。
　因緣所起業,　無我猶如夢,
　果報性寂滅,　前後無異相。
　一切世間法,　唯以心為主,
　隨樂取相者,　皆悉是顛倒。
　世間所有法,　一切悉虛妄,
　不能解諸法,　真實無有二。
　一切生滅法,　皆悉從緣起,
　念念速歸滅,　始終無異相。」

[0427b29] 爾時,文殊師利問寶首菩薩言：「佛子！一切眾生四大悉非我,非我所,云何眾生或受苦、受樂,或作惡、作善,或內端正、或外端正，或受少報、或受多報，或有現報、或有後報，然諸法性無善無惡？」

[0427c04] 爾時,寶首菩薩以偈答言：

「隨所行諸業,　受果報亦然,
　造者無所有,　諸佛如是說。
　猶如明淨鏡,　隨其面像現,
　內外無所有，　業性亦如是。
　亦如田種子,　各各不相知,
　自然能作因,　業性亦如是。
　亦如大幻師,　在彼四衢道,
　示現種種色,　業性亦如是。

如匠造木人，　　能出種種聲，
彼無我非我，　　業性亦如是。
亦如眾鳥類，　　出[穀-禾+卵]音不同，
能作種種聲，　　業性亦如是。
如親因緣會，　　受生無來者，
諸根各別異，　　業性亦如是。
如大地獄中，　　眾生受苦惱，
苦惱無來處，　　業性亦如是。
亦如轉輪王，　　成就勝七寶，
彼無所從來，　　業性亦如是。
亦如諸世界，　　有成或有敗，
成敗無來去，　　業性亦如是。」

[0427c26] 爾時，文殊師利問德首菩薩言：「佛子！如來唯覺一法，云何乃說無量諸法音聲遍滿無量世界，悉能教化無量眾生，出無量聲，現無量身，了知無量眾生心意，示現無量神足自在，示現無量無邊世界，示現無量殊勝莊嚴，示現無量種種境界，而法性分別實不可得？」

[0428a03] 爾時，德首菩薩以偈答曰：

「佛子乃能問，　　甚深微妙義，
智者若知此，　　常樂求功德。
猶如地性一，　　能持種種物，
不分別一異，　　諸佛法如是。
猶如火性一，　　能燒世間物，
火性無分別，　　諸佛法如是。
猶如大海水，　　注以百川流，
其味無別異，　　諸佛法如是。
猶如風性一，　　吹動一切物，
風性無分別，　　諸佛法如是。
猶如龍雷震，　　普雨一切地，
雨渧無分別，　　諸佛法如是。
猶如大地一，　　能生種種芽，
地性無別異，　　諸佛法如是。
猶日無雲曀，　　普能照十方，
光明無異性，　　諸佛法如是。
猶如空中月，　　世間靡不見，
非至一切處，　　諸佛法如是。
猶如大梵王，　　普應現大千，
其身無別異，　　諸佛法如是。」

[0428a24] 爾時, 文殊師利問目首菩薩言：「佛子！如來福田等一無異, 云何布施果報不同？有種種色、種種性、種種家、種種根、種種財、種種奇特、種種眷屬、種種自在、種種功德、種種慧, 如來平等無有怨親？」

[0428a28] 爾時, 目首菩薩以偈答曰：

「譬如大地一,　能生種種芽,
於彼無怨親,　佛福田亦然。
譬如水一味,　因器故不同,
諸佛福田一,　眾生故有異。
譬如大幻師,　能令眾歡喜,
諸佛聖福田,　隨願令欣悅。
譬如辯才王,　能令眾歡喜,
諸佛聖福田,　令眾生悅樂。
譬如明淨鏡,　隨對現眾像,
諸佛聖福田,　眾生故有異。
譬如大藥王,　消滅一切毒,
諸佛聖福田,　能滅煩惱患。
譬如日出時,　能除一切闇,
諸佛聖福田,　普照十方界。
譬如淨滿月,　普照四天下,
諸佛聖福田,　平等無偏黨。
譬如毘嵐風,　震動一切地,
諸佛聖福田,　能動三界有。
譬如火劫起,　天地靡不燒,
諸佛聖福田,　能燒一切有。」

[0428b21] 爾時, 文殊師利問進首菩薩言：「佛子！眾生為見如來教斷諸煩惱耶？為知色、受、想、行、識、欲界、色界、無色界、癡、愛, 斷諸煩惱耶？若知色、受、想、行、識、欲界、色界、無色界、癡、愛, 斷諸煩惱者, 如來教法何所增損？」

[0428b25] 爾時, 進首菩薩以偈答曰：

「佛子善諦聽,　我說如實義，
或有速出要,　或有難解脫，
若欲求除滅,　無量諸過惡,
應當一切時,　勇猛大精進。
譬如微小火,　樵濕則能滅,
於佛教法中,　懈怠者亦然。
譬如人鑽火,　未出數休息,
火勢隨止滅,　懈怠者亦然。

譬如淨火珠,　　離緣而求火,
畢竟不可得,　　懈怠者亦然。
譬如明淨日,　　閉目求見色,
於佛教法中,　　懈怠者亦然。
譬人無手足,　　欲射過大地,
永不從彼意,　　懈怠者亦然。
譬如大海水,　　一毛渧求盡,
於佛教法中,　　懈怠者亦然。
譬如火劫起,　　欲以少水滅,
於佛教法中,　　懈怠者亦然。
譬人見虛空,　　便言我身滿,
於佛教法中,　　懈怠者亦然。」

[0428c18] 爾時, 文殊師利問法首菩薩言：「佛子！如佛所說，聞受法者能斷煩惱，云何眾生等聞正法而不能斷隨婬、怒、癡、隨慢、隨愛、隨忿、隨慳嫉、隨恨、隨諂曲, 是諸垢法, 悉不離心, 心無所行, 能斷結使？」

[0428c22] 爾時, 法首菩薩以偈答曰：

「佛子善諦聽,　　所問如實義,
非但積多聞,　　能入如來法。
譬人水所漂,　　懼溺而渴死,
不能如說行，　　多聞亦如是。
譬人大惠施,　　種種諸肴膳,
不食自餓死,　　多聞亦如是。
譬如有良醫,　　具知諸方藥,
自疾不能救,　　多聞亦如是。
譬如貧窮人,　　日夜數他寶,
自無半錢分,　　多聞亦如是。
譬如帝王子,　　應受無極樂,
業障故貧苦,　　多聞亦如是。
譬如聾聵人,　　善奏諸音聲,
悅彼不自聞,　　多聞亦如是。
譬如盲瞽人,　　本習故能畫,
示彼不自見,　　多聞亦如是。
譬如海導師,　　能度無量眾,
拯彼不自濟,　　多聞亦如是。
譬人處大眾,　　善說勝妙事，
內自無實德，　　多聞亦如是。」

[0429a15] 爾時, 文殊師利問智首菩薩言：「佛子！於佛法中智慧為首, 如來何故或為**眾生讚歎檀波羅蜜、尸波羅蜜、羼提波羅蜜、毘梨耶波羅蜜、禪波羅蜜、般若波羅蜜、慈、悲、喜、捨, 此一一法皆不能得無上菩提？」**

[0429a19] 爾時, 智首菩薩以偈答曰：

「難知而能知,　　隨順**眾生心**,
佛子所問義,　　諦聽我今**說**。
過去未來世,　　現在諸導師,
未曾以一法,　　得成無上道。
如來知**眾生**,　　**本性所修習**,
善順應度者,　　為**說淨妙法**。
慳者讚布施,　　毀禁讚持戒,
瞋恚讚忍辱,　　懈怠讚精進,
亂意讚禪定,　　愚癡讚智慧,
不仁讚慈愍,　　怒害讚大悲,
憂**感為讚喜**,　　**憎愛為讚捨**,
如是修習者,　　漸解一切法。
譬如造宮室,　　起基令堅固,
施戒亦如是,　　菩薩**眾行本。**
譬如牢堅城,　　防御諸敵難,
忍進亦如是,　　防護諸菩薩。
譬如大力王,　　威德定天下,
禪智亦如是,　　安隱諸菩薩。
譬如轉輪王,　　具受一切樂,
四等亦如是,　　安樂諸菩薩。」

[0429b12] 爾時, 文殊師利問賢首菩薩言：「佛子！一切諸佛唯以一乘得出生死, 云何今見一切佛剎事事不同？所謂：世界、眾生、說法、教化、壽命、光明、神力、眾會、佛法、法住，如是等事，皆悉不同，無有不具一切佛法，而能成就無上菩提？」

[0429b17] 爾時, 賢首菩薩以偈答曰：

「文殊法常爾,　　法王唯一法,
一切無礙人,　　一道出生死,
一切諸佛身,　　唯是一法身,
一心一智慧,　　力無畏亦然。
隨**眾生本行**,　　**求無上菩提**,
佛剎及眾會，　　說法悉不同。
一切諸佛剎，　　平等普嚴淨，

眾生業行異,　所見各不同。
諸佛及佛法,　眾生莫能見,
佛剎法身眾，　說法亦如是。
本行廣清淨,　具足一切願,
彼人見真實,　明達知見者。
隨順眾生欲,　諸業及果報,
各令見真實,　佛力自在故。
佛剎無異相，　如來無憎愛，
隨彼眾生行,　自得如是見。
非是一切佛,　安住導師咎,
無量諸世界,　示現見不同。
一切諸世界,　所應受化者,
常見人中雄,　諸佛法如是。」

[0429c09] 爾時, 諸菩薩謂文殊師利言：「佛子！我等所解, 各各已說，仁者辯才深入，次應敷演，何等是佛境界？何等是佛境界因？何等是佛境界所入？何等是佛境界所度？何等是佛境界隨順知？何等是佛境界隨順法？何等是佛境界分別知？何等是識佛境界？何等是決定知佛境界？何等是佛境界照？何等是佛境界廣？」

[0429c16] 爾時, 文殊師利以偈答曰：

「如來深境界,　其量齊虛空,
一切眾生入,　真實無所入。
如來境界因,　唯佛能分別,
自餘無量劫,　演說不可盡。
隨順眾生故,　普入諸世間,
智慧常寂然,　不同世所見。
度脫諸群生，　隨順其心智，
宣暢無窮盡,　唯是佛境界。
如來一切智,　三世無障礙,
諸佛妙境界,　皆悉如虛空。
法界無異相,　隨順眾生說，
若欲具分別,　唯佛之境界。
一切諸世間,　無量眾音聲,
隨時悉了知,　其實無分別。
非識所能識,　亦非心境界,
自性真清淨,　能示諸群生。
非業非煩惱,　寂滅無所住,

無明無所行，　平等行世間。
一切**眾生心**，　**普在三世中**，
如來於一念，　一切悉明達。」

[0430a08] 爾時，此娑婆世界**眾生**，**佛神力故**，**見此佛**剎一切眾生，如所行法，如所行業，如世間行，隨身所行，隨根所行，隨其行報所生之處，持戒毀禁，說法果報，如是世界中事，一切悉見。如是東方百千億世界，不可量、不可數、不可思議、不可稱、無等、無邊、無分齊、不可說虛空、法界等一切世界，乃至說法果報，一切悉見；南、西、北方，四維，上、下，亦復如是。

[0430b21] 爾時，文殊師利答智首菩薩曰：「善哉！善哉！佛子！多所饒益，多所安隱，哀愍世間，惠利一切，安樂天人，問如是義。佛子！菩薩成就身、口、意業，能得一切勝妙功德；於佛正法，心無罣礙；去、來、今佛所轉法輪，能隨順轉；不捨眾生，明達實相；斷一切惡，具足眾善；色像第一，悉如普賢大菩薩等；成就如來一切種智；於一切法悉得自在，而為眾生第二尊導。佛子！何等身、口、意業能得一切勝妙功德？

大方廣佛華嚴經賢首菩薩品第八之一

[0432c19] 爾時，文殊師利以偈問了達深義淨德賢首菩薩曰：

「佛子我已說，　菩薩清淨行,
一切諸世尊,　咸共所讚歎。
又諸大士眾,　甚深微妙行,
功德廣大義,　仁者應演說。」
賢首菩薩答：　「佛子善諦聽,
菩薩諸功德,　無量無有邊,
我當隨力說，　菩薩少功德，
我之所演暢,　如海一微渧。
菩薩於生死,　最初發心時,
一向求菩提,　堅固不可動。
彼一念功德,　深廣無邊際,
如來分別說，　窮劫猶不盡。

何況於無量,　　無數無邊劫,
具足修諸度,　　諸地功德行。
十方世界中,　　一切諸如來,
說彼功德雲，　　亦不能究竟。
今我說菩薩，　　功德中少分，
如鳥履虛空,　　如地一微塵,
非是無所因,　　又亦非無緣,
菩薩初發意,　　直心大功德。

如是等比光明門,　　無量無邊恒沙數,
悉從大仙毛孔出,　　一切業果皆悉現。
如一毛孔所放光,　　無量無邊恒沙數,
一切毛孔亦如是,　　是大仙定自在力。
隨其本行得光明,　　宿世同行有緣者,
如其所應放光明,　　是名大仙智自在。
所修行業有同者,　　及行隨喜功德分,
聞見菩薩清淨行,　　彼人得見此光明。
若修無量諸功德,　　恭敬供養無數佛,
心常樂求無上道,　　彼人覺悟是光明。
譬如生盲不見日,　　非為無日出世間,
諸有目者悉覩見,　　各隨所務修其業。
大聖光明亦如是,　　或有眾生見不見,
邪見惡害所不覩,　　勝智慧者乃能見。
摩尼寶殿上輦乘,　　眾寶香味莊嚴具,
有功德者自然備,　　非無德者所能獲。
大聖光明亦如是,　　隨其行業見不見,
聞是分別諸光明,　　精勤恭敬信向者。
滅除一切諸疑惑,　　速成無上功德幢,
出生微妙勝三昧,　　諸佛眷屬大莊嚴。
神力於此得自在,　　悉能顯現示眾生,
三千大千妙莊嚴,　　化一蓮華滿世界,
結跏趺坐悉充滿,　　是名自在三昧力。
十方世界微塵剎，　　化作七寶大蓮華，
佛子眷屬共圍遶,　　是名自在勝三昧。
宿世成就善因緣,　　具足功德求佛道,
彼等眾生遶菩薩,　　一切合掌觀無厭。
彼大仙人法如是,　　甚深正受三昧力,
菩薩處彼清淨眾,　　如月在星獨明耀。
如此一方所示現,　　諸佛子等為眷屬,
一切十方亦如是,　　示現三昧自在力。
十方世界有緣故,　　往返出入度眾生,
或見菩薩入正受,　　或見菩薩從定起,
或東方見入正受,　　或西方見三昧起,

或西方見入正受,　　或東方見三昧起,
如是出入遍十方,　　或異方見入正受,
或異方見三昧起,　　是大仙定自在力。
東方世界無有餘,　　佛剎如來難思議，
菩薩常現彼佛前,　　是名寂靜三昧力。
東方一切諸佛前,　　常見安住入正受,

西方世界無有餘,　　佛剎如來難思議，
於彼一切諸佛前,　　常見菩薩入正受。
西方見彼入正受,　　東方佛剎無有餘,

現於風大入正受, 於地大中三昧起；
現地大中入正受, 於天宮殿三昧起；
現天宮殿入正受, 於虛空中三昧起。
是名無量功德者, 三昧自在難思議,
十方一切諸如來, 不思議劫說不盡。
一切諸佛皆共說， 眾生業報難思議,
諸龍神變佛自在, 禪定三昧亦難思,
今說聲聞自在力， 無可為之作譬諭,
智慧明了聰達者, 乃能解是甚深義。
得八解脫心自在， 一身能作無量身，
以無量身作一身, 於虛空中入火定,
身上出水身下火, 身上出火身下水,
行住坐臥虛空中, 於一念中自在變。
彼不具足大慈悲, 不為眾生求佛道,
尚能示現難思議, 況大饒益自在力,
現作日月遊虛空, 普照十方諸世界,

或作河池井泉水,　　或作大海眾寶器。
如是等比難思議,　　普現十方諸世界,
深達三昧諸解脫，　　唯有諸佛能證知。
如淨水中四兵像,　　各各別異皆明了,
刀劍輪戟眾兵器,　　如是等仗皆悉現,
隨其器仗本形相,　　悉現於彼淨水中,
水影四兵無憎愛,　　是名大仙定自在。
海中有天名妙音,　　其中眾生若干種,
解彼一切諸音聲,　　皆悉令得大歡喜。
彼有貪欲瞋恚癡,　　猶能分別一切音,
況復總持自在力,　　而不能令眾生喜？
有一女人名辯才,　　父母求天由此生,
離諸惡法樂真實,　　能令眾生得辯才。
彼有貪欲瞋恚癡,　　猶能與眾勝辯才,
亦能令彼得歡喜,　　何況菩薩無量智？
譬如幻師善術法,　　能現種種無量色,
示現晝夜須臾頃,　　或現須臾作百年。
彼有貪欲瞋恚癡,　　幻力自在悅世間,
況禪解脫神通行，　　云何不令眾生喜？
天阿脩羅鬪戰時,　　阿脩羅眾即退散,
心大恐怖而奔走,　　四兵悉入藕絲孔。
彼有貪欲瞋恚癡,　　能作自在不思議,
況住自在無畏法,　　云何不能現神變？
釋提桓因有象王,　　彼知帝釋欲行時,
彼化作頭三十三,　　一一口中有六牙,
一一牙上七浴池,　　清淨香水湛然滿,
一一清淨池水中,　　各七蓮華為莊嚴。
彼諸嚴飾蓮華上,　　各各有七天玉女,
諸女竝奏微妙音,　　與彼帝釋相娛樂，
或時捨彼龍象身,　　化作天女極莊嚴,
威儀巧妙最無比,　　是名龍象自在力。
彼有貪欲瞋恚癡,　　能作如是諸神變,
何況具足方便智,　　而於諸定不自在？
如阿脩羅化作身,　　金剛地上安其足,
海水至深僅半身,　　其首廣大如須彌。
彼有貪欲瞋恚癡,　　乃能現是大神力,
況伏魔怨照世燈,　　而不能現大神變？
天阿脩羅共戰時,　　帝釋自在難思議,
隨阿脩羅軍眾數,　　現身等彼而交戰。
諸阿脩羅發是念：　　『釋提桓因來向我,

必取我身五種縛。』　阿脩羅眾大恐怖,
帝釋現身有千眼,　手執金剛出火焰,
被甲持杖自莊嚴,　阿脩羅見即退散。
彼以微小功德力,　猶能摧破大怨敵,
何況救度一切者,　無量功德不自在？
教化忉利諸天故,　得此果報妙音聲,
以諸天等放逸行,　空中自然出此音,
一切五欲悉無常,　虛偽無實如水沫,
如幻野馬水中月,　有為如夢如浮雲。
一切放逸有憂諍,　非甘露道生死徑,
若有行諸放逸者,　入於生死摩竭口。
我所有者眾苦本,　一切賢聖所厭患,
五欲功德磨滅法,　常樂清淨真實行。
三十三天聞此音,　一切來集善法堂,
帝釋為說微妙法，　隨順離欲寂靜行。
彼音無形不可見,　猶能饒益諸天眾,
何況應化眾生身,　不能大利一切世？
天阿脩羅共鬪時,　諸天眾侶大恐怖,
諸天功德勢力故,　空中出聲言勿懼。
諸天聞此安慰聲,　即離恐畏生大力,
時阿脩羅心震懼,　所將兵眾悉退散。
何況甘露妙音聲,　能滅眾生諸恐怖,
大慈具足摧眾魔,　寂靜妙音除煩惱。
帝釋普應諸天女,　九十有二那由他,
天女各各心自謂,　天王獨與我娛樂。
現身集在善法堂,　為天說法令歡喜，
帝釋能於一念中,　悉皆現此大神變。
釋有貪欲瞋恚癡,　能令眷屬悉歡喜,
況無量劫修神力,　而不能令一切悅？
他化自在六天王,　於欲界中得自在,
以業煩惱為羅網,　繫縛一切諸凡夫。
彼有貪欲瞋恚癡,　能伏欲界諸群生,
況具十種自在力,　而不令眾同其行？
三千世界大梵王,　一切諸梵所住處,
悉能現身於彼坐,　演暢微妙梵音聲。
彼於世間四梵道,　禪定五通得如意,
何況超出一切世,　禪定解脫不自在？
摩醯首羅智自在,　大海龍王降雨時,
悉能分別數其渧,　於一念中皆明了。
無量億劫勤修學,　得是無上菩提智,

云何當於一念中，　不知一切眾生心？
眾生業報難思議，　因大風輪起世界，
巨海諸山天宮殿，　眾寶光明萬物種，
亦能興雲降大雨，　亦能散滅諸雲氣，
亦能成熟一切穀，　亦大饒益群生類。
風不能學波羅蜜，　亦不學佛諸功德，
猶成不可思議事，　何況具足諸願者？
男子女人諸異類，　海龍雷震大音聲，
悉能了知皆如響，　逮無障礙無盡辯，
為一切眾說妙法，　其有聞者悉歡喜。
如海奇特未曾有，　印現一切眾像類，
大身眾生妙寶藏，　眾流悉入無增損。
如是眾生平等印，　無盡功德禪解脫，
一切智慧諸功德，　增長眾善無厭足。
龍王示現自在時，　從金剛際至他化，
興雲充遍四天下，　其雲種種莊嚴色。
第六他化自在天，　於彼雲色如黃金，
化樂天上雲赤色，　兜率陀天白寶色，
夜摩天上瑠璃色，　三十三天碼碯色，
四王天上玻瓈色，　於大海上金剛色，
緊那羅中妙香色，　諸龍住處蓮華色，
微密天中白鵝色，　阿脩羅中狀如山，
欝單越中金野馬，　閻浮提境雲青色，
餘二天下雜種色，　隨眾所樂以應之。
又復他化自在天，　雲中電耀如日光，
化樂天上如月光，　兜率天上閻浮金，
夜摩天上白寶色，　釋處金雲如野馬，
四王天上最妙色，　於大海上赤寶色，
緊那羅中青瑠璃，　諸龍住處寶藏色，
微密天中玻瓈色，　阿脩羅中瑪瑙色，
欝單越境火珠色，　閻浮提界青寶色，
餘二天下雜莊嚴，　隨眾所樂以應之。
他化雷震如梵音，　化樂天上妙音聲，
兜率天上妓樂音，　夜摩天上天女音，
於彼忉利諸天上，　緊那羅女妙音聲，
四王天上乾闥聲，　緊那羅中簫笛聲，
於彼一切大海中，　猶如兩山相擊聲，
諸龍住處頻伽聲，　微密天中龍女聲，
阿脩羅中天鼓聲，　於人道中海潮聲。
又復他化自在天，　雨妙香華為莊嚴，

化樂天上薝蔔華, 曼陀羅華及澤香,
兜率天上摩尼珠, 無上種種莊嚴寶,
明淨髻珠如月光, 上妙細衣鍊金色,
夜摩幢蓋幡莊嚴, 華鬘塗香勝莊嚴,
赤真珠衣金絞絡, 種種微妙眾妓樂,
三十三天如意珠, 堅固殊妙栴檀香,
種種欝金諸天華, 雨雜清淨華香水,
四王天雨上味膳, 眾味具足生氣力。
又雨不可思議寶, 龍王降是種種雨,
又復於彼大海中, 一一雨渧如車軸,
無量眾寶不可盡, 又雨種種莊嚴寶,
緊那雨華青寶衣, 摩利妙華細末香,
種種妓樂悉具足, 如是無量妙莊嚴。
諸龍住處赤真珠, 微密天中火珠寶,
阿脩羅中雨兵仗, 摧伏一切諸怨敵。
欝單無價寶瓔珞, 弗婆俱耶二天下,
婆師波利薝蔔華, 清淨妙寶解脫華，
閻浮提雨清淨水, 柔軟悅澤常應時。
長養眾果香華樹, 隨時成熟益眾生,
如是無量難思議, 興雲雷震種種雨,
自於宮殿身不動, 能現自在不思議。
於彼海中為尊主, 示現神變難思議,
況入法海盡源底, 云何不能大神變？
如我所說諸譬諭， 為深智慧菩薩故,
無畏大士無倫匹, 逮得自在諸解脫，
微妙無量勝智者, 能說如是解脫門，
諸未曾有奇特法, 一切不能報其恩,
聞是甚深勝解脫， 信解受持為他說，
世間一切諸凡夫, 信是法者甚難得,
思惟無量諸善法, 本有因力故能信,
一切世界諸群生, 鮮有欲求聲聞道,
求緣覺者轉復少, 求大乘者甚希有,
求大乘者猶為易, 能信是法為甚難,
況能受持正憶念, 如說修行真實解,
若以三千大千界, 頂戴一劫身不動,
彼之所作未為難, 信是法者為甚難,
大千塵數眾生類, 一劫供養諸樂具,
彼之功德未為勝, 信是法者為殊勝,
若以掌持十佛剎， 於虛空中住一劫，

彼之所作未為難,　　信是法者為甚難。
十佛剎塵眾生類，　　一劫供養諸樂具，
彼之功德未為勝,　　信是法者為殊勝。
十剎塵數諸如來，　　一劫恭敬而供養，
若能受持此品者,　　功德於彼為最勝。」
賢首說此品竟時，　　十方世界六返動，
諸魔宮殿如聚墨,　　光照十方惡道滅。
一切十方諸如來,　　悉皆普現賢首前,
各伸右手摩其頂,　　賢首菩薩德無量。
以其右手摩頂已,　　一切如來讚歎言：
「善哉善哉真佛子,　　快說是法我隨喜。」◎

◎大方廣佛華嚴經◎佛昇須彌頂品第九

[0441b06] 爾時，如來威神力故，十方一切諸佛世界諸四天下，一一閻浮提，皆有如來坐菩提樹下，無不顯現。彼諸菩薩各承佛神力，說種種法。皆悉自謂：在於佛所。

[0441b09] 爾時，世尊威神力故，不起此座，昇須彌頂，向帝釋殿。爾時，帝釋遙見佛來，即於妙勝殿上，敷置眾寶師子之座。以萬種雜寶而莊嚴之；萬種寶帳彌覆其上；以萬寶網而絞絡之；次上萬種眾妙寶蓋、天繒雜寶以為垂帶；萬種瓔珞而莊嚴之；萬種寶衣以敷座上。一萬天子在前立侍；一萬梵天而圍遶之；一萬光明以為照耀。

[0441b18] 爾時，帝釋為佛莊嚴師子座已，合掌恭敬白佛言：「善來世尊！唯願哀處我此宮殿。」爾時，世尊即受其請，昇妙勝殿；一切十方亦復如是。爾時，帝釋無量樂音，佛神力故，寂然無聲。即自憶念於過去佛所種諸善根，以偈頌曰：

「迦葉如來具大慈,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
拘那牟尼慧無礙,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
拘樓佛身如金山,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
隨葉如來離三垢,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
尸棄如來常寂然,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
毘婆尸佛如滿月,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。
弗沙明達第一義,　　諸吉祥中最無上,
彼佛曾來入此處,　　是故此地最吉祥。

提舍如來辯無礙，　　諸吉祥中最無上，
彼佛曾來入此處，　　是故此地最吉祥。
波頭摩佛淨無垢，　　諸吉祥中最無上，
彼佛曾來入此處，　　是故此地最吉祥。
錠光如來明普照，　　諸吉祥中最無上，
彼佛曾來入此處，　　是故此地最吉祥。」

[0441c15] 如此間帝釋，佛神力故，以偈讚歎十佛功德；如是十方帝釋，各自憶念過去佛所所種善根，以偈讚歎亦復如是。爾時，世尊昇師子座，結跏趺坐。坐已，宮殿忽然廣博如**忉利天處，一切十方，亦復如是。**

大方廣佛華嚴經菩薩雲集妙勝殿上**說偈品第十**

[0441c22] 爾時，十方各過百佛世界微塵數剎，一一方各十世界，其世界名因陀羅；次名蓮華；次名眾寶；次名優鉢羅；次名妙行；次名善行；次名歡喜；次名星宿；次名無厭慈；次名**虛空。其佛號不變月；次號無盡月；次號不動月；次號香風月；次號自在天月；次號清淨月；次號無上月；次號星宿月；次號不衰變月；次號無量自在月。其菩薩名法慧；次名一切慧；次名勝慧；次名功德慧；次名精進慧；次名善慧；次名智慧；次名真實慧；次名無上慧；次名堅固慧。此諸菩薩各**於其國佛所，淨修梵行。

[0442a04] 爾時，佛神力故，彼一一菩薩，各將一佛世界微塵數菩薩眷屬**俱，來詣佛所，恭敬禮拜。又佛神力故，化作寶藏師子之座，結跏趺坐，充滿十方。如此世界須彌山頂，菩薩雲集；十方世界亦復如是。**

[0442a09] 爾時，世尊從兩足指，放百千億妙色光明，普照十方一切世界諸四天下菩提樹下須彌山頂妙勝殿上，如來大**眾，皆悉顯現。爾時，法慧菩薩承佛神力，普觀十方，以偈頌曰：**

「天人師悉現，　　一切嚴淨剎，
須彌山王頂，　　帝釋妙勝殿，
哀受天王請，　　故處其宮殿，
一一各以十，　　吉祥偈讚佛。
諸佛大眷屬，　　清淨菩薩**眾**，
斯從十方來，　　跏趺正安坐。
各同其名字，　　如我菩薩**眾**，
捨離於本剎，　　往詣諸佛所。
本國諸世尊，　　名號皆悉同，
各於其佛所，　　淨修菩薩行。
諸佛子當知，　　如來威神力，
一切世界中，　　各謂佛在前。

今我等見佛,　　坐釋妙勝殿,
十方亦如是,　　如來自在力。
一切世界中,　　發心求佛者,
先立清淨願,　　修習菩薩行。
菩薩淨修行,　　無量無數劫,
於法界無礙,　　無能測量者。
悉普照十方,　　滅除愚癡闇,
一切無與等,　　是故莫能知。」

[0442b04] 爾時，一切慧菩薩承佛神力，普觀十方，以偈頌曰：

「無量無數劫,　　雖常見如來,
於此正法中,　　猶未覩真實,
妄想取諸法,　　增長癡惑網,
輪迴生死中,　　盲冥不見佛。
雖復觀諸法,　　猶未見實相,
一切法生滅,　　但著假名字,
一切法無生,　　一切法無滅,
若能如是解,　　諸佛常現前。
無取亦無見,　　空寂無真實,
諸佛本來空,　　不可得思量。
若解一切法,　　不可思量者,
彼於諸煩惱,　　其心無所染。
虛妄取法相,　　**是則為癡冥**,
是故不見佛,　　亦不得真實。
牟尼離三世,　　相好悉具足,
於住無所住,　　法界悉清淨。
因**緣故法生**,　　**因緣故法滅**,
如是觀如來,　　究竟離癡惑。
法慧先已**說**，　　清淨微妙法,
我從彼勝聞,　　菩提難思議。」

[0442b26] 爾時，勝慧菩薩承佛神力，普觀十方，以偈頌曰：

「如來智甚深,　　一切莫能測,
不知真實法,　　世間悉迷惑。
童蒙思惟是,　　**虛妄取諸法**,
是故不見佛,　　具足清淨相。
愚癡心迷惑,　　妄取五陰相,
不了真實性,　　是故不見佛。
分別一切法,　　皆悉無真實,

如是解諸法，　則見盧舍那。
因前五陰故，　後陰相續生，
次第解五陰，　見佛難思議。
如寶在闇處，　無明故不見，
真諦無說者，　雖慧莫能覩。
如目不明淨，　不見微妙色，
如是不淨心，　不見諸佛法。
猶如明淨日，　無目者不見，
若人心諂曲，　終不覩諸佛。
故當淨慧眼，　觀察諸法相，
見法相明了，　猶如鏡中像。
一切慧先說，　清淨微妙法，
我從彼勝聞，　見佛盧舍那。」

[0442c19] 爾時，功德慧菩薩承佛神力，普觀十方，以偈頌曰：

「諸法虛無實，　妄取堅固相，
是故童蒙者，　常轉生死輪。
不善非勝法，　妄作勝法相，
是故生障礙，　愚癡常輪轉。
不知八正道，　云何知自心？
彼因顛倒想，　增長一切惡。
不見諸法空，　常受無量苦，
彼人不成就，　清淨法眼故。
欲知一切心，　先當求法眼，
如我所說者，　能見真實佛。
若有見佛者，　其心無所著，
彼則見真實，　如佛所說法。
若見大智慧，　如來妙法身，
能見如來故，　彼有清淨眼。
無見乃能見，　一切真實法，
於法有所見，　彼則無所見。
妙哉真實法，　佛以導眾生，
一切諸有中，　無生亦無死。
勝慧先已說，　清淨微妙法，
我從彼勝聞，　深解諸佛道。」

[0443a12] 爾時，精進慧菩薩承佛神力，普觀十方，以偈頌曰：

「以諸妄想行，　慧眼不清淨，

愚癡邪見增，　常不見諸佛。
若能見邪偽，　及以真實法，
諦了實不實，　則見清淨佛。
見者則是垢，　彼則無所見，
諸佛離所見，　是故見清淨。
世間語言法，　虛妄無真實，
知世從緣起，　能離生死患。
世間非世間，　觀察悉平等，
二俱知真實，　是名真見者。
若能如是觀，　漏盡得自在，
非有亦非無，　是名不二見。
虛妄非虛妄，　非是諸佛法，
真實無二相，　法性清淨故。
法性自清淨，　無相如虛空，
一切無能說，　智者如是觀。
樂觀一切法，　寂滅無所有，
亦知不可修，　能見牟尼尊。
如是見佛者，　功德不可量，
一切所有行，　寂靜空無相。」◎

大方廣佛華嚴經卷第八

東晉天竺三藏佛馱跋陀羅譯

菩薩雲集妙勝殿上說偈品第十之二

[0443b12] ◎爾時，善慧菩薩承佛神力，普觀十方，以偈頌曰：

「妙哉佛世尊，　無量諸如來，
離害心解脫，　自度能度彼。
正見世間燈，　如實不顛倒，
無量無數劫，　積德故見佛。
諸行空無實，　凡夫謂真諦，
一切無自性，　皆悉等虛空。
無盡智所說，　說者無所說，
了知有悉無，　故得難思議。
無盡說無盡，　眾生空寂故，
知彼真實性，　則見大名稱。
無見說是見，　無我說眾生，
說見及眾生，　是二悉非有。
見者無所見，　是見不壞相，
是名真實法，　一切佛所說。
能知真實佛，　及佛之所說，
普見一切世，　如佛盧舍那。
如來等正覺，　善說明淨道，
精進慧菩薩，　演說無量法。
有無諸法相，　一相平等修，

如是能見佛,　　安住真實際。」

[0443c05] 爾時，智慧菩薩承佛神力，普觀十方，以偈頌曰：

「我聞最勝教,　　即生淨慧光,
普照十方世,　　悉見一切佛。
若計有眾生,　　是為最難處,
法本無真主,　　但有假言說。
愚惑莫能知,　　自身真實性,
如來非取相,　　是故不見佛。
塵垢障慧眼,　　不見等正覺,
無量無數劫,　　流轉生死海。
流轉則生死,　　非轉是涅槃,
生死及涅槃,　　二皆不可得。
虛誑妄說者，　　生死涅槃異,
迷惑賢聖法,　　不識無上道。
如是取相者,　　言有佛等覺,
顛倒無正念,　　是故不見佛。
能知此實法,　　寂滅真如相,
則見最正覺,　　超出語言道。
虛妄說諸法，　　法實無所有，
一切諸世尊,　　諦求不可得。
明了過去世,　　未來及現在,
究竟永寂滅,　　故說為如來。」

[0443c27] 爾時，真慧菩薩承佛神力，普觀十方，以偈頌曰：

「寧受無量苦,　　得聞佛音聲,
不受一切樂,　　而不聞佛名。
所以無量劫,　　受此眾苦惱,
流轉生死中,　　不聞佛名故。
實以無實法,　　正覺等真偽,
以無和合相,　　是名為菩提。
現佛非緣合,　　去來亦復然,
一切法無相,　　是則佛真性。
若能如是觀,　　諸法甚深義,
則見無量佛,　　法身真實相。
於實知真實,　　非實知非實,
善解真實際,　　故號為正覺。
覺者無所覺,　　是佛真妙法,

諸佛如是修，　非一亦非二。
知一法為眾，　知眾法為一，
法無所依處，　云何而緣合。
作者及所作，　二俱無所有，
若能如是解，　求之不可得。
是處不可得，　諸佛所依止，
法無有所依，　覺者無所著。」

[0444a20] 爾時，無上慧菩薩承佛神力，普觀十方，以偈頌曰：

「無上摩訶薩，　遠離眾生相，
上相無所有，　故號為無上。
微妙無所有，　麁者亦復無，
諸佛之所得，　非望亦非作。
是法不可數，　諸佛之境界，
亦離於無數，　是名佛真法。
慧日照十方，　滅除眾闇冥，
亦非有所照，　亦復非無照。
常樂寂靜法，　永離有所依，
解脫無依處，　不染一切法。
善見大智者，　真實所依住，
若無有二法，　當知一亦無。
無一亦無二，　一切皆寂滅，
三種世間空，　是則諸佛見。
諸佛教眾生，　安住正法中，
解達無所住，　當見真實身。
非身即是身，　不轉不可見，
無轉亦無見，　是名無上身。
真慧所演說，　無量諸佛法，
若聞此法者，　常得清淨眼。」

[0444b13] 爾時，堅固慧菩薩承佛神力，普觀十方，以偈頌曰：

「眾生不知恩，　如來發慈慧，
出現於世間，　普照除眾冥。
起大慈悲心，　普觀諸群生，
具受無量苦，　永縛在三有。
唯除等正覺，　最勝尊導師，
一切天人中，　無可歸依者。
世界若無佛，　及眾賢聖人，
彼諸群生類，　無有一切樂。

如來眾賢聖，　出現於世間，
為開淨慧眼，　令得永安樂。
若見如來者，　為得最大利，
聞佛名歡喜，　則是世間塔。
我等獲善利，　現前覲如來，
聞斯微妙法，　悉當成佛道。
三世明解脫，　甚深諸境界，
一切眾菩薩，　清淨開慧眼。
我等重歡喜，　見佛盧舍那，
無量無邊智，　演說不可盡。
無上慧堅固，　及諸佛子等，
無數億劫中，　說佛德無盡。」◎

普入十方諸佛國，　觀察法界無有餘。

灌頂色身及身業，　神足自在不思議，
觀察三世佛國智，　乃至王子所不測。
三世諸佛及佛法，　分別了知無障礙，
法界無量無有邊，　諸佛聲聞悉充滿。
盡於一切諸世界，　皆悉能持光普照，
盡於一切群生類，　為說究竟正覺智。
如是十住諸菩薩，　悉從如來法化生，
隨其方便及境界，　一切天人莫能知。
初發無上菩提心，　充滿十方悉無餘，
了達三世諸法相，　具足成就一切智。
無邊佛剎及世間，　無量無數眾生類，
煩惱業報菩提心，　如是一切無所著。
初求佛道發一念，　世間眾生及二乘，
斯等一切莫能知，　何況菩薩餘功德？
十方一切諸世界，　能以一毛悉稱舉，
彼知菩薩具足行，　疾得如來一切智。
十方一切大海水，　能以一毛渧令盡，
於一念中悉知數，　如是行者真佛子。
一切世界末為塵，　悉能分別知其數，
菩薩所行等微塵，　是則名為真佛子。
過去未來現在佛，　一切緣覺及聲聞，
分別解說不能盡，　發心菩薩諸功德。
菩薩初發菩提心，　廣大無量無有邊，
大慈大悲覆一切，　何況菩薩餘功德。」◎

大方廣佛華嚴經梵行品第十二

[0449a13] 爾時，正念天子白法慧菩薩言：「佛子！一切世界中，諸菩薩摩訶薩信家、非家、出家學道，捨離俗飾，被服法衣，彼諸菩薩云何方便修習梵行，具足菩薩十住道地，速成無上平等菩提？」

[0449a17] 爾時，法慧菩薩答正念天子言：「正士！此菩薩摩訶薩一向專求無上菩提，先當分別十種之法。何等為十？所謂：身、身業、口、口業、意、意業、佛、法、僧、戒，應如是觀：為身是梵行耶？乃至戒是梵行耶？若身是梵行者，當知梵行則不清淨；當知梵行則為非法；當知梵行則為渾濁；當知梵行則為臭惡；當知梵行則為穢污；當知梵行則為塵垢；當知梵行則為諂曲；當知梵行則為八萬戶蟲。若身業是梵行者，當知身四威儀則為梵行；左右顧眄舉足下足則為梵行。若口是梵行者，當知音聲則為梵行；當知語言則為梵行；當知心觸則為梵行；當知舌動則為梵行；當知脣齒和合則為梵行。若口業是梵行者，

當知語言則為梵行；當知所說作、無作、稱譏、毀譽，則為梵行。若意是梵行者，當知覺、觀、憶念、不忘、思惟、幻、夢等悉為梵行。若意業是梵行者，當知想是梵行；施設是梵行；寒、熱、飢、渴、苦、樂、憂、喜等悉是梵行。若佛是梵行者，為色是佛耶？為受、想、行、識是佛耶？為三十二相、八十種好是佛耶？為一切神通、業報是佛耶？若法是梵行者，為正教是法耶？為寂滅、離涅槃是法耶？為生、非生是法耶？為實、非實是法耶？為虛妄是法耶？為合、散是法耶？若僧是梵行者，為向須陀洹果是僧耶？為得須陀洹果是僧耶？為向斯陀含阿那含阿羅漢果是僧耶？為得斯陀含阿那含阿羅漢果是僧耶？為三明、六通是僧耶？為時解脫是僧耶？為非時解脫是僧耶？若戒是梵行者，為戒場是戒耶？為十眾是戒耶？為問清淨、不清淨是戒耶？為戒師是戒耶？為三羯磨和尚是戒耶？為鬚髮、法服、乞食是戒耶？菩薩摩訶薩當如是觀察十種法。

[0449b21] 「又，知過去無所至，未來無所有，現在無作者、無知者、無受報者，此世不至彼世，彼世不至此世。為何等法是梵行？梵行法為在何處？誰有是梵行法？此梵行法為是有耶？為是無耶？為是色法耶？為非色法耶？為是受、想、行、識法耶？為非受、想、行、識法耶？菩薩摩訶薩正念無障礙，觀察、分別三世諸法平等，猶如虛空，無有二相。如是觀者，智慧、方便無所罣礙。於一切法而不取相，一切諸法無自性故；於一切佛及諸佛法平等觀察，猶如虛空；是名菩薩摩訶薩方便修習清淨梵行。

[0449c03] 「又復修習增上十法。何等為十？所謂：是處非處智，去、來、現在諸業報智，一切諸禪三昧正受解脫垢淨起智，眾生諸根智，隨諸欲樂智，種種性智，至一切處道智，無障礙宿命智，無障礙天眼智，斷習氣智，是為十。如是觀察如來十力甚深無量，具足長養大慈悲心，悉分別眾生而不捨眾生，亦不捨寂滅；行無上業，不求果報；觀一切法如幻、如夢、如電、如響、如化。菩薩摩訶薩如是觀者，以少方便，疾得一切諸佛功德。常樂觀察無二法相，斯有是處。初發心時，便成正覺，知一切法真實之性，具足慧身，不由他悟。」

大方廣佛華嚴經卷第十

東晉天竺三藏佛馱跋陀羅譯

◎
明法品第十四

[0458c15] 爾時，精進慧菩薩問法慧菩薩言：「佛子！初發心菩薩成就如是無量功德之藏，以大莊嚴而自莊嚴，乘一切智乘，入菩薩離生道，遠離世間，志求正覺。諸佛所住，皆以得住，決定成就無上菩提。彼菩薩摩訶薩云何修習功德轉勝，令諸如來皆悉歡喜，具足菩薩所住功德，清淨之行，大願成滿，得菩薩藏，隨其所應而化度之，已能不捨諸波羅蜜，隨所請眾生皆悉度脫，興隆三寶，永使不絕，一切所為善根境界諸行方便，皆悉不虛？

[0458c25] 「善哉！佛子！當為我等演說此法，願樂欲聞。如諸菩薩所修功德，滅除癡闇、降伏眾魔、制諸外道、離於塵垢、具足成就一切功德，究竟永離惡道諸難。具足清淨甚深智慧，菩薩一切諸地功德，諸波羅蜜。三昧總持，六通三明，清淨之法，莊嚴一切諸佛世界，具足相好，微妙音聲，清淨心行，一切如來力無所畏，十八不共，薩婆若智。具足佛剎，隨成熟眾生，隨時，隨根，無量佛事及諸菩薩無量功德，菩薩正法，菩薩所行，菩薩之道，菩薩境界皆悉滿足，速成如來。一切諸佛無量法藏，悉能守護。分別廣說，開示顯現，眾魔外道所不能壞，攝持正法而無窮盡，於一切世界悉能演說。天王、龍王、夜叉王、乾闥婆王、阿脩羅王、迦樓羅王、緊那羅王、摩睺羅伽王、人王、梵王、諸佛法王，皆悉守護此菩薩摩訶薩。一切世間恭敬供養、尊重讚歎，常為諸佛之所護念。一切菩薩皆亦愛敬，得善根力、增長白法，能開諸佛甚深法藏，以大正法而自莊嚴，次第演說菩薩所行。」

[0459a15] 爾時，精進慧菩薩欲重宣此義，以偈頌曰：

「善哉願說大乘法，　菩薩所成諸功德，
深入廣大無量行，　具足清淨無師智。
若有菩薩初發心，　成就功德智慧乘，
入離生道出世間，　決定疾得佛菩提。
云何於佛正法中，　修習功德轉增勝，
令諸如來悉歡喜，　佛所住地而得住？
所行清淨大願滿，　具足菩薩智慧藏，
悉能度脫一切眾，　而於群生無所著？
不捨一切波羅蜜，　諸所施為悉不虛，
所請眾生皆能度，　興隆佛法永不絕？
淨眼境界無障礙，　具足功德求佛道，
人雄所行清淨道，　悉為具足分別說？
滅除一切愚癡闇，　降伏眾魔制外道，

離垢功德皆成就，　得人中尊妙智慧？
永離**眾難惡道苦**，　**清淨智慧皆具足**，
無量甚深大功德，　成就最勝諸道力？
得人中上妙智慧，　隨其所應而度之，
不可思議諸佛剎，　自在無量作佛事？
一切殊勝甚深行，　分別人雄功德藏，
常能護持最勝法，　世間諸難莫能壞？
云何無畏如師子，　功德具足如滿月，
猶如蓮華不著水，　功德清淨如最勝？」

[0459b10] 爾時，法慧菩薩告精進慧菩薩言：「善哉！善哉！佛子多所饒益、多所安樂、多所惠利、哀愍世間諸天人故，能問如是菩薩甚深清淨之行。佛子！汝住甚深真實智慧，大精進力，一心修習得不退轉，超出世間，所問自在與如來等。佛子！汝今諦聽，善思念之。我當承佛神力，為汝少說。**佛子！此菩薩摩訶薩已得發心功德之藏，應離癡闇、精勤守護、滅諸放逸。**

[0459b18] 「佛子！菩薩摩訶薩有十種法，得不放逸。何等為十？一者、持戒清淨；二者、遠離愚癡，淨菩提心；三者、捨離諂曲，哀愍**眾生**；**四者、勤修善根**，**得不退轉**；**五者、常樂寂靜**，**遠離在家、出家一切凡夫**；**六者、心不願樂世間之樂**；**七者、專精修習諸勝善業**；**八者、捨離二乘求菩薩道**；**九者、常習功德心無染**污；十者、善能分別自知己身。佛子！是為菩薩修十種行住不放逸。

[0459b26] 「佛子！菩薩摩訶薩已能住此不放逸法，又復正行十種淨法。何等為十？

[0459b28] 「佛子！此菩薩摩訶薩如**說修行，念智成就，捨離調**戲諸放逸行，安住甚深微妙善法，常樂求法，心無厭足；隨所聞法，得真實觀，具足出生巧妙智慧，能入佛自在；心常寂定，未曾散亂，聞好聞惡，心無憂喜，猶如大地等視**眾生**；**上中下類悉如佛想。恭敬供養和尚諸師及善知識菩薩法師。念念次第，如一切智。佛子！是為菩薩十種淨法。**

[0459c07] 「佛子！菩薩摩訶薩如是精勤修習念知，不捨方便，心無所倚修甚深法，入於無諍；無量無邊深妙佛法皆悉了知，令諸如來皆悉歡喜。

[0459c10] 「佛子！菩薩摩訶薩行十種法，能令一切諸佛歡喜。何等為十？一者、所行精勤而不退轉；二者、不惜身命；三者、不求利養；四者、修一切法猶如**虛空**；**五**者、巧方便慧，觀察諸法等同法界；六者、分別諸法，心無所倚；七者、常發大願；八者、成就清淨忍智光明；九者、善知一切損益諸法；十者、所行法門皆悉清淨。佛子！是為菩薩行十種法，能令一切諸佛歡喜。

[0459c18] 「佛子！菩薩復安住十法，能令一切諸佛歡喜。何等為十？安住不放逸；安住無生法忍；安住大慈；安住大悲；安住滿足諸波羅蜜；安住菩薩清淨之行；安住滿足無量

大願；安住巧方便；安住一切力；安住一切法；猶如**虛空無所依止。佛子！是為菩薩安住十法，能令一切諸佛歡喜。**

大方廣佛華嚴經佛昇夜摩天宮自在品第十五

[0462c27] 爾時，如來威神力故，十方一切諸佛世界、諸四天下一一閻浮提，皆有如來坐菩提樹下，無不顯現。彼諸菩薩各承佛神力，**說種種法，皆悉自謂在於佛所。爾時，世尊威神**力故，不離道樹及帝釋宮，向夜摩天寶莊嚴殿。

[0463a03] 時，彼天王遙見佛來，即於殿上敷蓮華藏寶師子座；十萬種寶以為莊嚴；十萬寶帳，彌覆其上；十萬寶網，以為玟珞；次上十萬眾妙寶蓋，又復十萬天諸華蓋、天繒、雜寶，以為垂帶；十萬瓔珞而莊嚴之；十萬寶衣以敷其上；十萬天子在前立侍；十萬梵天而圍遶之；十萬菩薩在前讚歎；十萬光明以為照耀；十萬妓樂自然演出；十萬正法娛樂音聲；十萬善根妙相顯現；十萬如來威神護持；十萬功德藏而長養之；十萬三昧而嚴淨之；十萬願藏以為清淨；十萬奇特未曾有法勝相顯出；十萬妙法而現在前；十萬自在處處普現；十萬功德妙相等起；十萬音聲演出諸法。

[0463a16] 時，彼天王莊嚴寶蓮華藏師子座已，合掌恭敬白佛言：「善來世尊！唯願哀愍處此宮殿。」時，佛受請，即昇寶殿，一切十方夜摩天宮，亦復如是。

[0463a19] 爾時，天王無量音樂寂然無聲，即自憶念過去佛所所種善根，以偈頌曰：

「名稱如來聞十方，　諸吉祥中最無上，
　來入摩尼莊嚴殿，　是故此處最吉祥。
　寶王如來世間燈，　諸吉祥中最無上，
　來入甘露上味殿，　是故此處最吉祥。
　喜王如來慧無量，　諸吉祥中最無上，
　來入雜寶莊嚴殿，　是故此處最吉祥。
　慧眼如來世間燈，　諸吉祥中最無上，
　來入殊特最勝殿，　是故此處最吉祥。
　饒益如來義無量，　諸吉祥中最無上，
　來入清淨寶山殿，　是故此處最吉祥。
　無師如來世間尊，　諸吉祥中最無上，
　來入微妙寶香殿，　是故此處最吉祥。
　天人中尊世間燈，　諸吉祥中最無上，
　來入輕微妙香殿，　是故此處最吉祥。
　無去如來論師子，　諸吉祥中最無上，
　來入明淨普眼殿，　是故此處最吉祥。
　分別如來功德持，　諸吉祥中最無上，
　來入娛樂莊嚴殿，　是故此處最吉祥。
　苦行如來利世間，　諸吉祥中最無上，
　來入等色普照殿，　是故此處最吉祥。」

[0463b13] 如此間夜摩天王，佛神力故，憶念過去諸等正覺，以偈讚歎。如是十方一切世界夜摩天王，各自憶念過去佛所所種善根，以偈讚歎，亦復如是。

[0463b16] 爾時，世尊昇其寶殿，寶蓮華藏師子座上結跏趺坐。爾時，寶殿忽然廣博猶如夜摩天處，十方世界亦復如是。

大方廣佛華嚴經夜摩天宮菩薩說偈品第十六

[0463b21] 爾時，十方各過十萬佛剎塵數世界，有世界名無量慧、次名幢慧、次名地慧、次名勝慧、次名燈慧、次名金剛慧、次名安樂慧、次名日慧、次名清淨慧、次名梵慧。其佛號常住眼、次號無量眼、次號真實眼、次號不動眼、次號天眼、次號清淨眼、次號安諦眼、次號明相眼、次號無上眼、次號淨光澤眼。其菩薩名功德林、次名慧林、次名勝林、次名無畏林、次名慚愧林、次名精進林、次名力成就林、次名堅固林、次名如來林、次名智林。此諸菩薩各於其國佛所淨修梵行。

[0463c02] 爾時，佛神力故，彼諸菩薩各與一佛世界塵數菩薩來詣佛所，恭敬禮拜。佛神力故，隨所來方化作寶藏師子之座，結跏趺坐，充滿十方。如此世界夜摩天上菩薩雲集，十方世界亦復如是。

[0463c07] 爾時，世尊從兩足指放百千億妙色光明，普照十方一切世界、諸四天下、菩提樹下夜摩天宮蓮華藏寶師子座，如來神力及諸大會，皆悉顯現。

[0463c10] 爾時，功德林菩薩承佛神力，普觀十方，以偈頌曰：

「普放淨光明，　遍照十方界，
一切悉覲佛，　通達無障礙。
佛處夜摩宮，　蓮華寶座上，
一切諸世間，　奇特未曾有。
讚歎十如來，　眾生皆悉聞，
世尊大眾會，　一切無不見。
普於十方界，　演說無上法，
亦悉同名字，　如我菩薩眾，
各從十方界，　來詣於此處，
彼諸上人等，　清淨修梵行。
彼諸如來等，　亦各同名號，
見佛清淨剎，　自在神通力。
一切見如來，　人中或道場，
又復見世尊，　處此夜摩宮，
一切諸世間，　莫能思議佛，
隨彼眾生願，　一切皆悉見。
眾生見如來，　無量自在力，
離世大仙人，　功德藏無量。
遊行十方界，　一切無障礙，
一身為無量，　無量身為一。
功德甚深妙，　一切莫能測，
無著無所依，　清淨如虛空。」

[0464a05] 爾時，慧林菩薩承佛神力，普觀十方，以偈頌曰：

「不可思議劫,　天人師難值，
離垢諸大人,　此會亦難遇。
悉皆一切智,　慧光靡不照,
演說深妙法，　饒益於眾生。
一切諸世間,　常為癡冥蔽,
如來世燈明,　皆悉能除滅。
施戒忍精進,　禪定三昧藏,
修習深妙智,　普照於一切。
如來無與等,　何況有勝者？
顛倒取諸法,　是故不見佛。
自在神通力,　無量難思議,
無來亦無去,　說法度眾生。
若有得聞見,　清淨天人師,
永出諸惡道,　遠離一切苦。
無量無數劫,　修習求菩提,
逮成等正覺,　廣度諸群生。
不可思議劫,　供養無量佛,
若能解是義,　功德勝於彼。
雖施無量剎，　滿中諸珍寶，
不能解此義,　終不成正覺。」

[0464a27] 爾時，勝林菩薩承佛神力，普觀十方，以偈頌曰：

「猶如春後月,　虛空無雲曀,
日曜清淨光,　一切無不照。
光明無限量,　世間無能數,
有眼尚不知,　何況盲冥者？
如來亦如是,　功德光無量,
無量無數劫,　莫能分別知。
光明無來處,　去亦無所至,
不生亦不滅,　空寂無所有。
未來一切法,　悉無有來者,
無生無現在,　是故無過去。
一切法無生,　亦復無有滅,
若能如是解,　斯人覩如來。
諸法無生故,　當知無所有,
如是分別知,　此人達深義。

諸法無自性，　　一切無能知，
若能如是解，　　是則無所解。
所言有生者，　　當知由所生，
解彼真實性，　　是則無疑惑。
一切諸所生，　　正觀亦如是，
菩薩如是觀，　　具足一切智。」

[0464b20] 爾時，無畏林菩薩承佛神力，普觀十方，以偈頌曰：

「此處無邊際，　　廣大如法界，
一切無不至，　　湛然不遷變。
若聞如是法，　　恭敬信樂者，
永離三惡道，　　一切諸難苦。
往詣諸世界，　　無量不可數，
聞此甚深法，　　憶念善受持。
聞受大仙人，　　清淨深妙法，
一向求菩提，　　究竟無上道。
深信過去佛，　　及彼諸佛法，
一切世間燈，　　除滅眾癡闇。
若有得聞佛，　　無量自在力，
決定信向者，　　具足人中雄。
若能一心信，　　現在一切佛，
彼成等正覺，　　開示無量義。
無量無數劫，　　此法甚難值，
若有得聞者，　　當知本願力。
如是佛深法，　　悉能善受持，
廣為眾生說，　　是人難思議。
是故勤精進，　　修行大莊嚴，
聞持是正法，　　究竟得菩提。」

[0464c13] 爾時，慚愧林菩薩承佛神力，普觀十方，以偈頌曰：

「得聞真諦法，　　殊特未曾有，
歡喜信樂者，　　除滅眾疑惑。
一切知見人，　　自說深妙法，
佛慧靡不照，　　是故難思議。
非從智慧生，　　亦非無智生，
了達一切法，　　除滅世間闇。
色法非色法，　　此二不為一，
愚智亦如是，　　其性各別異。
生死及涅槃，　　此二悉虛妄，

愚智亦如是,　　二俱無真實。
世界始成立,　　無有敗壞相,
愚智亦如是,　　二俱相乖違。
菩薩初發心,　　及以最後心,
愚智亦如是,　　二俱不相應。
譬如六情識,　　迭用互不同,
愚智亦如是,　　究竟不和合。
譬如伽陀藥,　　消滅一切毒,
智慧亦如是,　　除滅諸癡闇。
法王無上尊,　　是勝莫能過,
所說皆真實,　　以故難值遇。」

[0465a06] 爾時，精進林菩薩承佛神力，普觀十方，以偈頌曰：

「諸法無差別,　　唯佛分別知,
一切無不達,　　智慧到彼岸。
如金及金色,　　其性無差別,
如是法非法,　　其性無有異。
眾生非眾生,　　二俱無真實,
如是法非法,　　其性無所有。
譬如未來世,　　無有過去相,
一切法如是,　　無有真實相。
譬如過去法,　　無有生起相,
諸法亦如是,　　皆悉無有相。
涅槃不可取,　　說時有二種，
諸法亦如是,　　無有差別相。
譬如種種數,　　皆悉是數法,
諸法亦如是,　　其性無別異。
譬如數法十,　　增一至無量,
皆悉是本數,　　智慧故差別。
譬如諸世界,　　劫燒有終敗,
虛空無損減,　　無師智亦然。
十方空無異,　　眾生起分別,
如是取如來,　　虛妄不見佛。」

[0465a28] 爾時，力成就林菩薩承佛神力，普觀十方，以偈頌曰：

「一切眾生類,　　悉皆三世攝,
三世諸眾生,　　皆為五陰攝。
五陰從業起,　　諸業因心起,
心法猶如幻,　　眾生亦如是。

世間非自作，　亦復非他作，
不知真實性，　生死輪常轉。
所謂世間轉，　皆悉是苦轉，
眾生不知故，　**生死輪常轉。**
世間非世間，　二**俱非真實**，
眾生愚癡故，　**妄取諸法相。**
三世五陰法，　**說名**為世間，
斯由**虛妄有**，　**無則出世間。**
何等是五陰，　五陰有何相，
不見五陰壞，　妄取謂常住。
五陰**虛妄法**，　**真實無所有**，
空寂不遷變，　究竟離**眾相。**
世間既**虛寂**，　**佛及法亦然**，
斯等三種法，　其性無所有。
除滅諸顛倒，　明了見真實，
一切知見人，　常現在其前。」

[0465b21] 爾時，堅固林菩薩承佛神力，普觀十方，以偈頌曰：

「譬如地種性，　自性無所有，
一切佛自在，　其性亦如是。
一切諸世間，　咸共**偁讚佛**，
求彼**偁讚法**，　**十方無來處。**
眾生虛妄取，　**謂之為真實**，
分別離**眾生**，　**業性不可得。**
業性無所有，　**眾生身非真**，
種種無量色，　亦復無來處。
一切諸形色，　業性難思議，
雖見無所有，　識性亦如是。
諸佛身如是，　不可得思議，
無量妙色身，　普現一切剎。
無量身非佛，　佛非無量身，
清淨妙法身，　究竟度彼岸。
若有能得見，　清淨妙法身，
是人於佛法，　其心無癡惑。
過去一切法，　觀察等涅槃，
彼人見如來，　究竟常安住。
修習正憶念，　明了見正覺，
無相無所有，　是名法王子。」

[0465c14] 爾時，如來林菩薩承佛神力，普觀十方，以偈頌曰：

「譬如工畫師,　　分布諸彩色,
虛妄取異色,　　**四大無差別。**
四大非彩色,　　彩色非四大,
不離四大體,　　而別有彩色。
心非彩畫色,　　彩畫色非心,
離心無畫色,　　離畫色無心。
彼心不常住,　　無量難思議,
顯現一切色,　　各各不相知。
猶如工畫師,　　不能知畫心,
當知一切法,　　其性亦如是。
心如工畫師,　　畫種種五陰,
一切世界中,　　無法而不造。
如心佛亦爾,　　如佛**眾生然**,
心佛及**眾生**,　　**是三無差別。**
諸佛悉了知,　　一切從心轉,
若能如是解,　　彼人見真佛。
心亦非是身,　　身亦非是心,
作一切佛事,　　自在未曾有。
若人欲求知,　　三世一切佛,
應當如是觀,　　心造諸如來。」

[0466a07] 爾時，智林菩薩承佛神力，普觀十方，以偈頌曰：

「所取不可取,　　所見不可見,
所聞不可聞,　　所思不可思。
於有量無量,　　不應作限量,
有量及無量,　　二**俱無所取。**
不應**說而說** ,　　**是**為自欺誑,
己事不成就,　　不能悅**眾生。**
若有能讚歎,　　無量諸如來,
不可思議劫,　　功德不可盡。
猶如隨意珠,　　能現無量色,
此色非真色,　　諸佛亦如是。
如**虛空清淨**,　　**非色不可見**,
能現一切色,　　其性不可見。
如是大智人,　　示現無量色,
非識之所識,　　一切莫能覩。
雖聞如來聲,　　音聲非如來,
離聲復不知,　　如來等正覺。
是處甚深妙,　　若能分別知,

莊嚴無上道，　遠離諸虛妄。
一切諸如來，　無有說佛法，
隨其所應化，　而為演說法。」◎

功德華聚菩薩十行品第十七之一

[0466b06] 爾時，功德林菩薩摩訶薩承佛神力，入菩薩善伏三昧。入三昧已，十方各過萬佛世界塵數剎外，各見萬佛世界塵數諸佛；是諸如來，皆號功德林。時，彼諸佛告功德林菩薩言：「善哉！善哉！佛子！乃能入是善伏三昧。十方各萬佛剎塵數諸佛加汝神力故，能入是善伏三昧；盧舍那佛本願力故、威神力故、諸菩薩善根力故、欲令汝廣說甚深法故、長養一切智故、分別一切眾生性故、離一切障礙入無障礙境界故、成就一切方便故、成就一切種智故、覺悟一切法故、善知諸根故、聞持一切法故。所謂菩薩十行。佛子！當承佛神力廣說妙法。」時，彼諸佛即與功德林菩薩無障礙法、與安住法、與無師法、與無癡法、與不雜亂法、與清淨法、與無量法、與最勝法、與無垢法、與不退法。何以故？彼三昧力故。

[0466b22] 爾時，諸佛各申右手，摩功德林菩薩頂。摩其頂已，即從定起，告眾菩薩言：「諸佛子！菩薩行業不可思議，廣大如法界，究竟如虛空。何以故？菩薩摩訶薩學三世諸佛所行法故。

[0466b26] 「佛子！何等為菩薩摩訶薩行？菩薩有十行，三世諸佛之所宣說。何等為十？一者、歡喜行，二者、饒益行，三者、無恚恨行，四者、無盡行，五者、離癡亂行，六者、善現行，七者、無著行，八者、尊重行，九者、善法行，十者、真實行。是為十行。

[0466c02] 「佛子！何等為菩薩摩訶薩歡喜行？此菩薩為大施主，悉能捨離一切所有，等心惠施一切眾生。施已無悔，不望果報，不求名譽，不求生勝處，不求利養；但欲救護一切眾生，欲攝取一切眾生，欲饒益一切眾生，欲學一切諸佛本行，欲正憶念諸佛本行，欲得清淨諸佛本行，欲得受持諸佛本行，欲顯現諸佛本行，欲廣說諸佛本行，欲令一切離苦得樂，是名菩薩摩訶薩歡喜行。菩薩修歡喜行時，一切眾生歡喜愛敬，隨諸方土有貧窮處，菩薩願往生彼。豪貴大富，財寶無盡。於念念中，有無量、無邊、無數眾生詣菩薩所，白言：『仁者！我等貧窶，靡所資贍，願垂慈救，得濟生命。』菩薩念念應其所須悉令滿足，靡不歡喜。菩薩不以求索煩重，而生憂惱，但發無上大慈悲心，施無厭足，欲令常來。來已，稱慶倍復歡喜，作如是念：『我得善利。此等眾生，是我福田，是我善友，不請不求，自來教誨，發起我心修行佛道。我今應當如是修學，普令眾生悉得歡喜，我於三世所修功德，願速成就清淨法身神力自在，悉令眾生隨其所須皆得歡喜。以此功德，令諸眾生悉成正覺，度脫無量眾生，悉令究竟無餘涅槃；我當先令一切眾生，滿足諸願，然後我當成等正覺，離我想、眾生想、我所想、壽命想、種種想、福伽羅想、作者想，法界、眾生界，空無差別；離欲法、非真實法、無所有法、非堅固法、非恃怙法、非所作法。』菩薩如是觀時，不見施者，不見受者，不見財物，不見福田，不見業，不見報，不見果，不見大果，不見小果。菩薩觀察三世，發如是念：『哀哉！眾生為愚癡所覆，煩惱所纏，常流生死輪迴苦海，於不堅固法不得堅固；我當盡學諸佛所學，饒益眾生成等正覺，開悟一

切皆令清淨，隨順寂滅觀三世法。』是名菩薩摩訶薩初歡喜行。

[0467a10] 「佛子！何等為菩薩摩訶薩第二饒益行？此菩薩持戒清淨，於色、聲、香、味、觸、法，心無染著，廣為眾生說無染法。不求生於人天勝處尊貴之家、不求利養、不求端正、不求帝王，但堅持淨戒。作如是念：『我持淨戒，離一切纏煩惱熾火憂悲苦惱，不負眾生，諸佛歡喜，究竟成就無上菩提。』菩薩如是持淨戒時，於一日中，若有無量無數阿僧祇諸大魔王，一一魔王，各將無量無數阿僧祇諸天女眾，皆悉端正，顏貌姝妙，姿容妖豔，傾惑人心；又復齎持一切樂具，欲來惑亂菩薩道意。爾時，菩薩作如是念：『此五欲者，是障道法，乃能障礙無上菩提。』是故，菩薩乃至不生一念欲心，心淨如佛。除其方便教化眾生，內不離菩薩一切種智，堅固正念，不為五欲因緣故，起一惡念，惱亂眾生。寧捨身命，不加惡於人，若加惡於人，無有是處。菩薩自見佛已來，未曾有心起一欲想，何況從事？若或從事無有是處。爾時，菩薩作如是念：『眾生長夜在生死中，憶念五欲、貪著五欲、愛樂五欲、心常流轉五欲、境界永沒五欲，莫之能出，我今應當作如是學：令諸魔王、天女眷屬、及一切眾生，立無上戒；立淨戒已，又教令得不退轉地，一切種智成等正覺，乃至究竟無餘涅槃。何以故？此是我業，一切諸佛皆如是學。離諸非行、計我、無知；觀一切佛平等深法，得一切智為眾生說法，斷除顛倒。不離眾生而有顛倒，不離顛倒而有眾生；顛倒內無眾生，眾生內無顛倒；顛倒非眾生，眾生非顛倒；顛倒非內法；顛倒非外法；眾生非內法，眾生非外法。一切諸法，但是虛妄，無有真實；須臾不住，無有堅固。猶如幻化，欺誑愚夫，悟一切法，如夢、如電。』如是解者，能達生死究竟菩提。未度者度；未脫者脫；未調伏者，令得調伏；未寂靜者，令得寂靜；未安隱者，令得安隱；未離垢者，令得離垢；未清淨者，令得清淨；未涅槃者，令得涅槃；未快樂者，令得快樂。我當捨離世間眾事，令諸如來皆悉歡喜。具足成就一切佛法，安住無上最勝法中，平等正觀一切眾生，分別了知一切諸法，遠離諸惡，永捨虛妄，除滅一切煩惱習氣，成就出要勝妙方便，悉得無量無邊辯才，成就甚深空寂智慧。是名菩薩摩訶薩第二饒益行。

[0467b26] 「佛子！何等為菩薩摩訶薩第三無恚恨行？此菩薩常能修習忍辱之法，謙卑恭敬，和顏愛語；不自害，不害他，亦不俱害；不自舉，不舉他，亦不兩舉；不自是，不是他，亦不兩是；不自讚歎，但作是念：『我當常為眾生說法，離一切惡，斷貪、恚、癡、憍、慢、亂心、慳、嫉、諂曲；以大忍法而安立之。』菩薩成就如是清淨忍法，設有無量無數眾生，一一眾生，各有無量無數眷屬；一一眾生，各有無量無數化頭；頭有無量阿僧祇舌；舌出無量無數惡聲；聲出無量無數惡罵；音辭鄙穢毀辱菩薩。又此眾生，各有無量阿僧祇手；手執無量無數刀杖，捶擊摧辱毀害菩薩，乃至無量阿僧祇劫，未曾休息。菩薩遭此楚毒之時，作如是念：『我因是苦，若生恚心，則自不調伏、自不守護、自不明了、自不寂靜、自不修定、自不真實、自愛其身，何能令彼生歡喜心而得度脫？』菩薩作是思惟：『因身心故，於無量劫受諸苦惱；是故重自勸勵，令心歡喜，善自調攝。何以故？我當安住無上法故，欲令眾生亦得此法。』復更思惟：『此身空寂，無我、我所，無真實性，空無有二。若苦、若樂，皆無所有，諸法空故。我當解了，廣為人說。是故我今雖遭苦

毒，應當忍受。為愍傷眾生故、饒益眾生故、安隱眾生故、攝取眾生故、不捨眾生故、欲令眾生得不退轉究竟成就無上菩提，佛所行法，我當修行。』是名菩薩摩訶薩第三無恚恨行。

[0467c25] 「佛子！何等為菩薩摩訶薩第四無盡行？此菩薩勤修精進、勝精進、最勝精進、第一精進、大精進、微妙精進、上精進、無上精進、無等精進、無等等精進。彼菩薩不為貪欲所亂；不為瞋恚、愚癡、憍慢、惱害、慳嫉、嫌恨、諂曲、無慚、無愧之所惱亂。菩薩復作是念：『我不欲惱諸眾生，乃至不欲惱一眾生故，勤修精進；但欲捨離諸煩惱故，修行精進；欲害一切結故，修行精進；欲離一切習氣故，修行精進；欲悉分別一切眾生故，修行精進；欲知一切眾生死此生彼故，修行精進；欲知一切眾生煩惱習故，修行精進；欲知一切眾生種種希望故，修行精進；欲知一切眾生諸境界故，修行精進；欲知一切眾生諸根故，修行精進；欲知一切眾生心、心所行故，修行精進；欲知一切法境界故，修行精進；欲知諸佛實法故，修行精進；欲知諸佛平等法故，修行精進；欲以善方便知三世平等故，修行精進；欲知清淨平等法故，修行精進；欲得一切諸佛法故，修行精進；欲以一方便門知一切佛法故，修行精進；欲知諸佛無量無邊不可思議故，修行精進；欲知諸佛大智慧善方便故，修行精進；欲知一切佛法廣為眾生句句分別故，修行精進。』菩薩成就如是精進，若有人言：『無量無數阿僧祇世界眾生，汝能為此一一眾生故，於無量無數阿僧祇劫，具受無擇大地獄苦，令彼眾生究竟涅槃；復有無量無數阿僧祇佛出興於世，令無量無數阿僧祇眾生，受種種樂，汝猶具受大地獄苦，然後汝當成阿耨多羅三藐三菩提？』菩薩答言：『我悉能為爾所世界一一眾生，受地獄苦；諸佛出世，眾生受樂，我亦受苦，然後我當成無上道。』復有人言：『汝若能以一毛渧無量無邊阿僧祇諸大海水，皆悉令盡？無量、無邊阿僧祇世界末為微塵，悉知其數？如是念念次第，常不廢忘菩提之心？』菩薩若聞是語，不退、不悔，歡喜踊躍，勤修精進，作如是念：『我得善利。因我故，令無量無邊阿僧祇世界眾生永離眾苦。』菩薩復作是念：『我當代一切眾生受一切苦，普令眾生離一切苦，悉皆究竟無餘涅槃，然後我當成無上道。』是名菩薩摩訶薩第四無盡行。

[0468b11] 「佛子！何等為菩薩摩訶薩第五離癡亂行？此菩薩成就第一正念，未曾散亂，堅固不壞，第一最勝清淨無量，捨離癡冥；分別正念，善能受持世間、出世間經論，色法、非色法經論，受、想、行、識經論。無有癡亂死此生彼，無有癡亂處胎出胎，無有癡亂住菩提心，無有癡亂親近善知識，無有癡亂學諸佛法，無有癡亂覺諸魔事，無有癡亂遠離魔事，無有癡亂於無量劫修菩薩行。菩薩成就如是等無量無數堅固正念，於無量無數阿僧祇劫，從諸佛菩薩善知識所聞受正法；所謂：甚深法、微妙法、莊嚴法、種種莊嚴法、種種名味句身法、莊嚴菩薩法、莊嚴諸佛無上法、正希望清淨法、不染一切世間法、分別一切世間法、廣法、無量法、捨離癡暗分別世間法、共法、不共法、菩薩智境界法、一切智自在法。菩薩聞此法已，於無量無邊阿僧祇劫，未曾退忘。何以故？菩薩摩訶薩本無量劫修道行時，未曾惱亂眾生，正念三昧，不斷正法，不斷善根，不斷智慧故。此菩薩無量種聲不能嬈亂，所謂：高大聲、惱亂聲、令人恐怖聲、微妙聲、不可愛聲、散亂六根聲。菩薩聞如是等無量無數好惡諸聲，於正念不亂，三昧不亂，境界不亂，入微妙法不亂，菩薩行不亂，修習菩提心不亂，念佛三昧不亂，觀察真實法不亂，教化眾生智不亂，成就眾生不亂，安立眾生清淨智不亂，觀察甚深義不亂。不行惡業故，無惡業障；不行煩惱故，無煩惱障；不行不恭敬故，無不恭敬障；不行謗法故，無謗法障。如是等無量種聲，一一音

聲，充滿十方無量無邊阿僧祇世界，於無量無邊阿僧祇劫，未曾斷絕，悉能壞亂眾生諸根，令其發狂，而不能亂此菩薩甚深三昧。菩薩於三昧中，思惟、分別一切音聲生、住、滅相，善分別知生、住、滅性；亦善觀察諸聞聲者，聞好惡聲，心無憎愛，正念不亂，於彼諸聲，善取其相而不染著。知一切聲，皆無所有，非真實性，無有造者，亦無本際，與法性等，無有差別。是菩薩成就寂靜身、口、意行，不復退轉；安住諸禪三昧正受。悟一切法，智慧成就，得離一切音聲三昧，阿僧祇三昧門以為眷屬。長養大悲於念念中，能得無量阿僧祇三昧，究竟成就一切種智。菩薩聞此能壞諸根大惡音聲已，作如是念：『我當令一切眾生，安住清淨正念。於一切智，得不退轉，究竟成就無餘涅槃。』是名菩薩摩訶薩第五離癡亂行。

◎

[0468c29] 「◎佛子！何等為菩薩摩訶薩第六善現行？此菩薩成就寂滅身、口、意業；無所有無所示現身、口、意業；無縛無脫身、口、意業；無縛無脫，諸所示現無所依、無所住、隨心住無量心性等，一切法性等；無性相，示現無相，相甚深無底。如如性離業報，善方便出生、離生，不生、不滅、寂滅涅槃等，非有說有，語言道斷。離一切世間，無所依住，長養菩薩所起善根，入離虛妄無縛無著法門，入真實法門，入離世間法門，分別一切世間法。菩薩作如是念：『一切眾生，無性為性；一切諸法，無為為性；一切佛剎，無相為相；究竟三世皆悉無性；言語道斷，於一切法而無所依。』菩薩解如是等諸甚深法，解一切世間悉皆寂滅，解一切諸佛甚深妙法，解佛法、世間法等無差別，世間法入佛法、佛法入世間法；佛法、世間法而不雜亂，世間法不壞佛法。真實法界不可破壞，安住三世平等正法，亦不捨菩提心、不捨教化眾生心，增長大慈大悲心，悉欲救度一切眾生。菩薩作是念：『我不成就眾生，誰當成就？我不調伏眾生，誰當調伏？我不寂靜眾生，誰當寂靜？我不令眾生歡喜，誰當令歡喜？我不清淨眾生，誰當令清淨？』菩薩復作是念：『我以解了此甚深法，見諸眾生受大苦惱，趣危險徑，為諸煩惱之所纏縛，如重病人，常被苦痛恩愛繫縛在生死獄；常不離地獄、餓鬼、畜生、閻羅王處，不能永滅無量苦聚，不離三障。常處愚癡暗，不見真實明，受無窮生死，不得解脫道。輪迴八難，愚癡所病，諸垢所染，沒在無量深煩惱海，邪見所惑，不覩正道。』菩薩作如是觀察：『眾生若未成熟而捨取正覺，是所不應。我當先教化眾生，於無量劫修菩薩行，未成熟者教令成熟，未調伏者教令調伏，諸未度者教令得度。』是菩薩住此行時，諸天、世人、魔王、釋梵、沙門、婆羅門、諸天、乾闥婆等，見此菩薩，歡喜敬仰。若有眾生，恭敬、供養、尊重、禮拜，乃至見聞，皆悉不虛，畢定究竟阿耨多羅三藐三菩提。是名菩薩摩訶薩第六善現行。

[0469b11] 「佛子！何等為菩薩摩訶薩第七無著行？此菩薩以無著心，於念念中，能觀察阿僧祇世界，嚴淨阿僧祇佛剎，於諸佛剎，心無染著。往詣阿僧祇諸如來所，禮拜恭敬，以阿僧祇華、香、塗香、末香、眾寶、華鬘、天衣、雜寶、寶蓋、幢幡諸莊嚴具，各阿僧祇以用供養，心無所著。阿僧祇諸方便行而無所行，阿僧祇思，無思法住。於念念中，見

無量諸佛，於諸佛所，心無所著；於佛相好，心無所著；於佛光明，心無所著；於諸佛剎，心無所著；聞佛說法，心無所著；於十方世界，心無所著；於如來眾，心無所著；於菩薩眾，心無所著；聞法歡喜，心無所著；正心增廣，攝意不亂，行菩薩行，不著佛法。此菩薩摩訶薩於十方剎，一一佛所，無量無邊阿僧祇劫，恭敬、禮拜、供養，心無厭足；見佛聞法，心無所著；見諸如來菩薩大眾以為莊嚴，心無所著；見不淨剎，心不憎惡。何以故？菩薩摩訶薩寂滅平等觀諸法故。諸法無垢、無淨、無暗、無明、無分別、無不分別、無虛妄、無真實、無安隱、無危險、無正道、無邪道。

[0469c02] 「菩薩如是觀真實法性入眾生性，教化、調伏成熟眾生，於彼眾生，心無所著；受持諸法，而於諸法，心無所著；不捨菩薩心，而住佛所住，於佛所住，心無所著；入種種語言道，於語言道，心無所著；入眾生道，於眾生道，心無所著；分別諸三昧正受，皆悉能入，心無所著；往詣無量無邊不可說諸佛國土，見彼佛國，心無所著；若去佛國，心無餘戀。菩薩摩訶薩於諸佛國，以無貪著心，解佛實教；於無上道，而無障礙；於佛正教，已得安立；具足菩薩行，安住菩薩心，成就菩薩寂滅解脫；不念、不著菩薩所行，住菩薩淨道，受真實記。得授記已，作如是念：『凡夫愚癡，不知真諦，不見真諦，暗鈍無信，心不真實，常行染著，流轉生死，不見諸佛，離善知識，離於正道，迷惑邪見，不求調御師，不敬十力王，不知菩薩恩，親近惡知識，聞諸法空，心大恐怖，不正思惟，誹謗正法，棄捨正道，好從邪徑，入魔羅網，遠離諸佛，常著諸有，受種種苦。』爾時，菩薩見彼眾生受諸苦已，增長大悲，觀諸善根，心無所著。

[0469c23] 「爾時，菩薩作如是念：『我當為十方一一眾生故，住無量無邊阿僧祇劫，成熟眾生，心無疲厭。常共止住，不欲捨離去。如毫端，以一毫端，悉遍量度十方世界；為一眾生故，於一一毫端處，各住無量無邊阿僧祇劫；如為一眾生，為一切眾生，亦復如是。』以此大悲心，念念次第，未曾斷絕；而於眾生，心無所著。於一一毫端處，具足修習盡過去、未來際諸菩薩行。不著身、不著法、不著念、不著願、不著三昧、不著行、不著寂靜、不著境界、不著教化成熟眾生、不著入深法界。何以故？菩薩如是觀察：一切法界如幻；諸佛法如電；菩薩行如夢；所聞法如響；一切世界如化；業報所起。如摩㲉摩化身，知一切眾生猶如畫像，種種異形，皆由心畫。所說諸法，皆如實際；於一念中，遍滿十方。修菩薩行，廣大如法界，究竟如虛空。於一念中，悉知諸佛，決定方便，了知心相迴轉迅速，而於此心，無所染著。菩薩如是觀察無我。見佛化度一切眾生，於佛法中得無量喜；起大慈悲，救護一切，心無憂惱，得歡喜願。未成熟者，當令成熟；未調伏者，當令調伏。遠離世間，而能隨順一切世間。若聞諸方國土眾生音聲、眾生諸業、眾生施設、眾生和合、眾生流轉、眾生諸行、眾生境界、眾生諸地、眾生興起，我當乘大願之力，普至彼處，終不捨弘誓教化眾生，乃至不起一念染著。所以者何？以無所著故，自利利彼，清

淨滿足。是名菩薩摩訶薩第七無著行。

[0470a25] 「◎佛子！何等為菩薩摩訶薩第八尊重行？此菩薩成就尊重善根、不壞善根、最勝善根、不思議善根、無盡善根、不退善根、無比善根、寂靜善根、一切佛法善根。此菩薩修習行時，心常愛樂諸佛妙法；一向專求無上菩提，未曾暫捨菩薩大願；於無量劫行菩薩道，不計眾苦而生憂惱；一切眾魔所不能壞，一切諸佛悉共護念，常行菩薩諸清淨行，精勤修習一切菩薩無量苦行，未曾懈倦，得不退轉大乘弘願。此菩薩安住、尊重菩薩行已，於念念中，能轉阿僧祇劫生死、苦難，長養菩薩無量大願。若有眾生恭敬、供養、乃至見聞，斯等皆得住不退轉，決定究竟無上菩提。彼菩薩觀察眾生，了達非有，而不捨一切。譬如河水，不至彼岸，不來此岸，不斷中流，能度眾生於彼此岸，以流通故。菩薩摩訶薩亦復如是，不趣生死，不趣涅槃，亦復不住生死中流，而能濟度此岸群生，到於彼岸，安隱、無畏、無憂惱處。於眾生數，心無所著。不離一眾生，著多眾生；不離多眾生，著一眾生；不增眾生界，不損眾生界；不生眾生界，不滅眾生界；不盡眾生界，不長眾生界；不虛眾生界，不二眾生界。何以故？菩薩深解眾生界如法界，眾生界、法界無有二；無二法中，無增、無損、無生、無滅，法性真實，無來無去，無所猗著，不作二相。何以故？菩薩解一切法界無二相故。菩薩如是以善方便，解深法界；住無相、住清淨妙相，莊嚴其身。善能分別一切諸相，決定究竟到於彼岸，悉分別知眾生之數。普能現身一切佛剎，於諸佛剎心無所著，深入佛法，亦無所染，分別義味，廣為人說。於一切法離諸欲際，而不斷菩薩道，不捨菩薩行。行無盡功德，入清淨法界。譬如火珠，出火不可窮盡，如是菩薩諸功德藏不可窮盡，教化眾生亦不可盡。而菩薩摩訶薩非究竟、非不究竟；非離取、非不離取；非依、非無依；非世間法、非佛法；非凡夫、非得果。如是菩薩成就尊重心，修習菩薩行，不教聲聞、辟支佛乘；不教佛法，不教世間法；不教眾生，不壞眾生；不教正道，不壞正道；不教垢，不教淨。何以故？菩薩解了諸法無垢、無淨；知一切法無受、無轉，亦無有退。行是寂滅甚深法時，亦不生念：『我今行此法，已行此法，當行此法。』未曾生念：『有陰界入內世間、外世間、內外世間一切大願，諸波羅蜜。』何以故？一切法中，無向聲聞、緣覺、菩薩、佛乘，亦復無向諸凡夫界，亦復無向垢淨生死及涅槃界。何以故？諸法無二，無不二故。譬如虛空，求之十方，無有差別，非無虛空。菩薩如是觀一切法，悉無差別。非不究竟成等正覺；彼最真實，不違正行，普能示現菩薩所行，而不捨離無量大願；調伏眾生，轉大法輪，不壞因果，不違寂滅平等觀法。此菩薩悉與三世諸如來等，不斷佛性，不壞正法，興隆正法，辯才無盡，於諸法中，心無所著，安住法堂，分別深法，住無所畏，不捨佛住，不違世法，普現世間等，於世間心無所著。菩薩如是成就尊重智慧修菩薩行，令一切眾生，永離世間惡道、諸難；教化、成就、安置三世諸佛法中，堅固不動。

[0470c28] 「如是教已，復作是念：『一切眾生，不知恩義，更相殺害，邪見增盛，迷惑正道，煩惱充滿，癡冥所覆。設有善知識充滿世間，皆悉明達智慧具足者，我不為此等修菩薩行。何以故？我於善、惡人所，不求利養，不徇名譽，乃至一縷及一愛言。於無量劫，行菩薩道，不生一念自求己安，但欲調伏一切眾生，淨一切眾生，度一切眾生。』何以

故？一切諸佛法如是故。不求利養，不計人惡，常應等心行菩薩道，怨親等觀而無差別，欲令究竟至於彼岸，具足成就無上菩提。是名菩薩摩訶薩第八尊重行。

[0471b03] 「爾時，菩薩復作是念：『設一毛端處，於一念中，有無量無邊阿僧祇大眾來會；如是念念次第，盡過去、未來一切諸劫，大眾來會，猶故不盡。彼諸大眾，言聲不同，所問各異。』菩薩聞如是等一切問難，心無所畏，而作是念：『設令一切眾生，悉來問難，猶以一言，決其疑網，皆令歡喜。』菩薩說法，言不虛妄。於一一言，有無量無邊智慧莊嚴，成就無邊諸功德藏。慧光普照一切，諸法具足，成就一切種智。此菩薩安住善法行已，能自清淨，亦能饒益一切眾生。如此三千大千世界，乃至無量無邊不可稱數諸世界中，自化其身為真金色，妙音具足。於一切法，無所障礙，而作佛事。以無量無邊清淨法門，化度眾生。

[0484a19] 爾時，兜率天王為如來設如是等諸供具已，與無量無數阿僧祇兜率陀天子俱，恭敬合掌，白佛言：「善來世尊！善來正覺！唯願哀愍處此宮殿。」

[0484a22] 爾時，世尊以佛莊嚴而自莊嚴，眾生見者無不敬樂，一切菩薩之所願求，令兜率諸天皆大歡喜，普令眾生修佛境界，種佛善根，功德無盡，逮得清淨不可壞信，常供養

佛，心無厭倦。正心清淨，發起眾生求一切智故，受兜率天王請，即昇一切寶莊嚴殿，如意寶藏師子之座；如此世界、四天下、兜率天宮，如來受請昇一切寶莊嚴殿如意寶藏師子之座；一切十方、諸四天下、兜率天宮，一切寶莊嚴殿如意寶藏師子之座亦復如是。

[0484b03] 爾時，一切寶莊嚴殿自然殊特，妙寶莊嚴，出過諸天莊嚴之上，一切寶網彌覆其上，普雨一切妙寶雲雨、一切寶莊嚴雲雨、一切寶衣雲雨、一切栴檀雲雨、一切堅固香雲雨、一切雜寶莊嚴雲雨、不可思議**眾華雲雨；自然演出不可思議妓樂音聲，宣揚如來一切種智、微妙法言。如是一切諸供養具，悉過諸天所供養上。**

[0484b10] 爾時，佛威神力，為兜率天王故，一切音樂寂然無聲，不復擾亂；天王正念，長養善根，增益大心，勇猛精進，甚大歡喜；正心清淨，即發無上菩提之心，於諸法門總持不忘。

[0484b14] 爾時，兜率天王承佛神力，即自憶念過去佛所所種善根，以偈頌曰：

「無礙如來猶滿月，　諸吉祥中最第一，
來入**眾寶莊嚴殿，**　**是故此處最吉祥。**
無邊如來智甚深，　諸吉祥中最第一，
來入清淨金色殿，　是故此處最吉祥。
普眼如來甚明淨，　諸吉祥中最第一，
來入寶藏蓮華殿，　是故此處最吉祥。
珊瑚如來色鮮潔，　諸吉祥中最第一，
來入清淨寶藏殿，　是故此處最吉祥。
最勝如來論師子，　諸吉祥中最第一，
來入因陀寶山殿，　是故此處最吉祥。
滿月如來德無量，　諸吉祥中最第一，
來入妙寶華藏殿，　是故此處最吉祥。
無量如來光無際，　諸吉祥中最第一，
來入寶樹莊嚴殿，　是故此處最吉祥。
寶幢如來離疑惑，　諸吉祥中最第一，
來入妙寶莊嚴殿，　是故此處最吉祥。
無量慧佛人師子，　諸吉祥中最第一，
來入香山莊嚴殿，　是故此處最吉祥。
功德如來光普照，　諸吉祥中最第一，
來入勝寶莊嚴殿，　是故此處最吉祥。」

[0484c08] 如此間兜率天王承佛神力，憶念過去諸等正覺，以偈讚歎；如是十方一切世界兜率天王，各自憶念過去佛所所種善根，以偈讚歎，亦復如是。

[0484c11] 爾時，世尊昇一切寶莊嚴殿如意寶藏師子之座，結跏趺坐，清淨法身，三世諸佛境界自在皆悉平等，一向寂靜，以一切諸佛莊嚴而自莊嚴，無量無數、不可思議清淨大

菩薩眾悉從他方世界來集。如來知時而為說法，法身不二，無所染著，諸佛所起，如來法身離諸所行。

[0484c17] 爾時，一切寶莊嚴殿自然無量無數、不可思議阿僧祇諸供養具，殊特奇妙，出過諸天所供養上，所謂：華鬘、塗香、末香、寶衣、幢蓋、繒幡、種種眾寶、妓樂，恭敬供養，讚歎如來；如是等不可思議一切供養諸莊嚴具，如此世界四天下兜率天宮，一切寶莊嚴殿如意寶藏師子之座，一切十方諸佛世界亦復如是。

[0485b09] 爾時，世尊從兩膝放百千億那由他光明，普照十方虛空法界等一切世界諸四天下兜率天宮，一切如來神力自在，皆悉顯現。彼諸菩薩，其有得見如來神力自在者，皆是盧舍那如來、應供、等正覺，行菩薩道，修習無量諸法門時，善知識也。是諸菩薩，常樂諸佛甚深解脫自在神力，得不壞法界身，得無礙三昧；見不思議佛，心無所著；以無礙心，充滿法界；離垢寶心，常為諸佛之所護念；得佛無量住持神力，決定究竟到於彼岸，清淨正念，速成等覺；得諸如來心之原底，入深智慧而得自在；於甚深智，究竟彼岸，清淨法身；住佛所住，得一切智，與如來等；從智寶起，皆於如來妙趣中生，開發清淨智慧法門；究竟金剛大智彼岸，成就金剛方便三昧，永離一切愚癡闇冥，教化成熟無量無邊無數眾生；諸佛一切決定自在，究竟彼岸；不著一切數，善學一切數，究竟一切數智；善住真實法，成就如是等無量無邊、不可稱數、不可窮盡、不可言說諸功德藏。

[0485b29] 爾時，金剛幢菩薩承佛神力，普觀十方，以偈頌曰：

「如來不出世,　亦無有涅槃,
以本大願力,　顯現自在法。
是法難思議,　非心之境界,
究竟彼岸智,　乃見諸佛境。
色身非如來,　音聲亦如是,
亦不離色聲,　有佛自在力。
少智不能知,　甚深佛境界,
成就本業智,　乃達諸佛境。
諸佛無來處,　去亦無所至,
清淨妙法身,　顯現自在力。
無量世界中,　示現如來身,
廣說微妙法，　其心無所著。
無量無邊慧,　諸法無障礙,
入於深法界,　顯現自在力。
眾生及諸法,　了達無障礙,
變化身無量,　普現一切剎。
欲求一切智,　自然成正覺,
先當淨其心,　具修菩薩行。
如是見如來,　無量自在力,
除疑常親近,　無上善知識。」

[0485c22] 爾時，堅固幢菩薩承佛神力，普觀十方，以偈頌曰：

「最上無過者,　甚深不可說，
一切語言斷,　清淨如虛空。
諦觀人師子,　無量自在力,
諸佛無虛妄,　世間生妄想。
導師所演說，　其法甚深妙，
隨順因緣起,　如來清淨身。
斯等大乘智,　諸佛之境界,
若欲求此智,　常應親近佛。
清淨心供養,　一切諸導師,
心常無厭足,　究竟成佛道。
無盡功德藏,　增長菩提心,
遠離諸疑惑,　觀佛無厭足。
究竟一切法,　法化生佛子,
彼悉能解了,　諸佛自在力。
智慧王所說，　欲為諸法本,
應起清淨欲,　志求無上道。

若能敬諸佛，　知報如來恩，
彼人未曾離，　一切諸導師。
如是得見聞，　諸佛及佛法，
具足清淨願，　究竟無上道。」

[0486a15] 爾時，勇猛幢菩薩承佛神力，普觀十方，以偈頌曰：

「有眼有日光，　能見細微色，
最勝神力故，　淨心見諸佛。
勇猛勤方便，　能盡海原底，
智慧力如是，　究竟諸佛海。
譬如好良田，　植種必滋繁，
如是淨心地，　出生諸佛法。
如貧得寶藏，　除滅飢寒苦，
菩薩得佛法，　離垢心清淨。
譬如伽陀藥，　能消一切毒，
天尊亦如是，　滅除煩惱毒。
因緣善知識，　生長信佛心，
因緣善知識，　得聞諸佛法。
無量無數劫，　常行無上施，
若能化一人，　功德超於彼。
如來相莊嚴，　功德難思議，
諸佛功德藏，　一切莫能知。
如來等正覺，　不起于一座，
悉能遍十方，　一切諸世界。
譬如虛空性，　不生亦不滅，
諸佛法如是，　亦復無生滅。」

[0486b08] 爾時，夜光幢菩薩承佛神力，普觀十方，以偈頌曰：

「十方諸世界，　一切群生類，
普見天人尊，　清淨妙法身。
譬如一心力，　能生種種心，
如來一法身，　出生諸佛身。
菩提無二法，　亦無有自性，
無二淨法身，　莊嚴無不現。
究竟如虛空，　猶如幻化現，
功德不可盡，　其唯諸佛境。
三世一切佛，　法身悉清淨，
隨其所應化，　普現妙色身。
未曾生想念，　我為如是像，
遠離諸希望，　自然應眾生。

不壞諸法性，　亦不著法界，
應現種種形，　教化眾生故。
法身非變化，　亦非非變化，
諸法無變化，　示現有變化。
正覺不可量，　究竟等法界，
深廣無涯底，　言語道悉斷。
一切趣道法，　如來知實義，
遊行一切剎，　未曾有障礙。」

[0486c01] 爾時，智幢菩薩承佛神力，普觀十方，以偈頌曰：

「入於深智慧，　一切無障礙，
其心無齊限，　修習菩薩行。
普於十方剎，　常見一切佛，
彼佛無處所，　法亦無所著。
一一諸如來，　自在力無量，
不可思議劫，　說之無窮盡。
三世諸眾生，　悉可知其數，
導師功德藏，　其數不可盡。
無二不思議，　應現種種身，
十方無不見，　未曾有別異。
譬如淨滿月，　普現一切水，
影像雖無量，　本月未曾二。
如是無礙智，　成就等正覺，
應現一切剎，　佛身初無二。
非一亦非二，　亦復非無量，
隨其所應化，　示現無量身。
佛身非過去，　亦復非未來，
一念現出生，　成佛入涅槃。
譬如幻化色，　不生亦不滅，
佛身亦如是，　寂然無生滅。」

[0486c23] 爾時，寶幢菩薩承佛神力，普觀十方，以偈頌曰：

「如來身無量，　眾生見有量，
隨彼所應化，　導師為現身。
法身無處所，　充滿十方界，
佛身難思議，　如空無分際。
彼無心意識，　亦無起心想，
諸佛之境界，　究竟無生滅。

譬如無目人,　　不覩內外色，
如來不出世,　　不見一切法。
饒益眾生故,　　如來出世間,
眾生見有出,　　而實無興世。
佛剎非如來，　　晝夜亦如是，
年月至一念,　　悉非等正覺。
眾生咸說言，　　佛日出世間，
導師自覺悟,　　如來非淨日。
虛妄無所有,　　言語道悉斷,
三世諸如來,　　出世亦如是。
譬如清淨日,　　不與昏夜俱,
而說日夜相，　　諸佛亦如是。
三世一切劫,　　不與如來俱,
而說三世佛，　　導師法如是。」

[0487a16] 爾時，精進幢菩薩承佛神力，普觀十方，以偈頌曰：

「一切諸導師,　　身同義亦然,
普於十方界,　　隨應各別異。
觀察牟尼尊,　　境界甚深妙,
充滿諸法界,　　一切悉無餘。
如來淨法身,　　非是內身數，
如來淨法身,　　亦非外身數。
隨彼眾生行,　　種種無量業,
是故見如來,　　各各悉不同。
如來妙法身,　　一切莫能數,
甚深難思議,　　唯是佛境界。
如我非境界,　　思量所不及,
佛法身如是,　　一切莫能測。
如剎難思議，　　而見淨莊嚴，
佛身亦如是,　　妙相無不現。
猶如一切法,　　因緣和合生,
如是因緣會,　　得見諸如來。
譬如隨意珠,　　悉滿眾生意,
諸佛法如是,　　能滿一切願。
無量世界中,　　導師興於世,
如來本願力,　　普應十方界。」

[0487b09] 爾時，離垢幢菩薩承佛神力，普觀十方，以偈頌曰：

「諸佛智慧光,　　圓滿淨世間,
能淨世間已,　　令入諸佛法。
設有人欲見,　　**眾生數等佛**,
如來一切應,　　而實無來處。
專念佛境界,　　生起無量心,
所見諸如來,　　其數與心等。
具足白淨法,　　名聞滿十方,
彼於一切智,　　其心安不動。
導師為**眾生**,　　**如應演說法**，
隨所宜見處,　　普現最勝身。
佛身非我所,　　世界亦如是,
說心非我所，　　**覺無我菩提**。
一切人師子,　　無量自在力,
示現念等身,　　種種相莊嚴。
世間則是身,　　身即是最勝,
知身真實性,　　是佛無礙智。
一切知見人,　　普明照諸法,
佛法及菩提,　　求悉不可得。
導師無來去,　　亦復無所住,
遠離諸顛倒,　　清淨等正覺。」

[0487c02] 爾時，真實幢菩薩承佛神力，普觀十方，以偈頌曰：

「正覺遊十方,　　一切諸世界,
不離於一剎，　　普現諸國土。
如來自在力,　　應現一切身,
得道轉法輪,　　究竟般涅槃。
誰為思議佛？　　誰為不思議？
誰見諸如來？　　誰為等正覺？
一切法皆如,　　諸佛境亦然,
乃至無一法,　　如中有生滅。
眾生虛妄故,　　**是佛是世界**,
若解真實者,　　無佛無世界。
令**眾歡喜故**,　　**普現一切前**,
如來所現身,　　畢竟不可得。
遠離一切障,　　無礙安隱住,
除滅諸留難,　　具足諸佛法。
一切諸如來,　　神通力自在,
悉於三世中,　　求之不可得。

如是知心識,　　明解一切法,
一切知見人,　　速成等正覺。
如來自在力,　　但有假言說，
諸佛及自在,　　一切言語斷。」

[0487c24] 爾時, 法幢菩薩承佛神力, 普觀十方, 以偈頌曰：

「寧於無量劫,　　具受一切苦,
終不遠如來,　　不覩自在力。
無量生死中,　　未曾發道心,
若聞見如來,　　具足佛菩提。
聰達明慧者,　　若發一道心,
汝莫生疑惑,　　自謂不成佛。
無量無數劫,　　菩提心難得,
若能一心求,　　究竟無上道。
設於念念中,　　供養無量佛,
不知是方便,　　彼猶非供養。
若聞如是法,　　諸佛從此生,
無量劫受苦,　　決定求菩提。
一聞摩訶衍,　　諸佛所乘乘,
一切法界中,　　三世為導師。
雖盡未來劫,　　一切諸佛剎，
不解方便者,　　終不成菩提。
過去無量劫,　　流轉於生死,
不知真實法,　　如來所起處。
諸法不可壞,　　亦無壞法者,
照明諸世間,　　示現自在法。」◎

大方廣佛華嚴經金剛幢菩薩十迴向品第二十一之一

[0488a19] 爾時, 金剛幢菩薩承佛神力, 入菩薩明智三昧正受。入正受已, 十方各過百萬佛剎微塵數等世界之外，各見百萬佛剎微塵數諸佛；是諸如來，悉號金剛幢。

[0488a22] 時, 彼諸佛告金剛幢菩薩言：「善哉！善哉！佛子！乃能入是菩薩明智三昧正受。善男子！十方各百萬佛剎微塵數等世界諸佛，加汝神力故，乃能入是三昧正受。又盧舍那佛本願力故、威神力故、汝智慧清淨故、諸菩薩善根力故、欲令菩薩得清淨無所畏故、得無礙不斷辯故、入無礙智地故、入佛一切智廣大心故、具足無盡諸善根故、滿足無礙白淨法故、入普門法界故、顯現一切佛神力變化故、淨念過去際智慧不斷故、分別一切佛

住持諸根故、以無量法門廣說法故、聞持了知無量法故、具足演說十迴向故、攝取一切菩薩諸善根故、安住出世間法故、一切智不斷絕故、開發大願故、入真實義故、知法界故、令一切菩薩悉歡喜故、修一切佛同善根故、護持一切如來性故。

[0488b09] 「善男子！汝當承佛神力，演說此法，安住佛家故、長養出世間諸功德故、入陀羅尼光明故、入諸佛不滅度法故、普照法界故、積集白淨離惡法故、住廣智慧境界住故、住無障礙法光明住故。」

[0488b14] 爾時，諸佛即與金剛幢菩薩無量智慧，與善方便分別句身無留礙辯、與無障礙法明、與一切如來所共之身、與無量微妙音聲、與諸菩薩不可思議三昧方便、與等心迴向善根智慧、與觀察一切法出生無量方便、與一切處說法無斷辯才。何以故？彼三昧善根力故。

[0488b20] 爾時，諸佛各申右手，摩金剛幢菩薩頂；摩其頂已，時，彼菩薩即從定起，告眾菩薩言：「佛子！是菩薩摩訶薩不可思議大願，悉普救護一切眾生；菩薩摩訶薩立此願已，修學三世諸佛迴向。

[0488b24] 「佛子！何等為菩薩摩訶薩迴向？菩薩摩訶薩迴向有十；去、來、今佛，悉共演說。何等為十？一者、救護一切眾生，離眾生相迴向；二者、不壞迴向；三者、等一切佛迴向；四者、至一切處迴向；五者、無盡功德藏迴向；六者、隨順平等善根迴向；七者、隨順等觀一切眾生迴向；八者、如相迴向；九者、無縛無著解脫迴向；十者、法界無量迴向。佛子！是為菩薩摩訶薩十種迴向，三世諸佛所共演說。

[0488c04] 「佛子！何等為救護一切眾生離眾生相迴向？此菩薩摩訶薩行檀波羅蜜；淨尸波羅蜜；修羼提波羅蜜；行毘梨耶波羅蜜；入禪波羅蜜；分別般若波羅蜜；修行積集、慈哀、愍悲、歡悅、喜堪、忍捨，修如是等無量善根。修善根已，作如是念：『我所修習善根，悉以饒益一切眾生，究竟清淨；以此所修善根，令一切眾生，皆悉除滅地獄、餓鬼、畜生、閻羅王等，無量苦惱。』復作是念：『我以此善根迴向，為一切眾生作舍，令滅苦陰故；為一切眾生作護，令解脫煩惱故；為一切眾生作歸，令離恐怖故；為一切眾生作趣，令至一切智地故；為一切眾生作安隱，令得究竟安隱處故；為一切眾生作大明，令滅癡冥，得慧光故；為一切眾生作炬，令滅無明闇故；為一切眾生作燈，令得安住究竟明淨故；為一切眾生作導，令入方便法故；為一切眾生作主寶臣，令得無礙淨智身故。』佛子！菩薩摩訶薩以如是等無量善根迴向，令一切眾生究竟一切智。

[0488c24] 「佛子！此菩薩摩訶薩為怨親故，以諸善根迴向，等無差別。何以故？菩薩摩訶薩入平等觀，無怨親故。常以愛眼，視諸眾生；若眾生懷惡，於菩薩所，起怨逆心；菩薩摩訶薩為一切眾生，作善知識，廣為分別諸深妙法。譬如大海，一切眾毒所不能壞；菩薩亦復如是，一切童蒙愚癡無智，不知報恩，瞋恚貢高，破戒生盲，如是等類，無量過惡

，不能動亂菩薩道心。

[0489a03] 「譬如日天子出，普照天下，不以盲人故，隱而不現；又復不以乾闥婆城，四域塵曀，阿脩羅障，閻浮樹蔭，及餘山障，如是等類無量障蔽故，隱而不現。菩薩摩訶薩亦復如是，常正憶念，未曾散亂，深廣安諦，心無憂慼；正意思惟，悉欲究竟功德智慧，清淨法光，普照世間；示真實義，淨修一切諸法智門，為諸眾生，常修善根。一切眾生，有無量惡；菩薩摩訶薩不以惡眾生故，嫌恨退沒，不行迴向；不以難調伏眾生故，退捨善根，不行迴向。雖有眾生，邪見瞋濁；於大莊嚴，其心不轉，不捨大願，救護眾生。若見眾生，濁惡無信，不知報恩；修習菩提，未曾懈廢。若與愚癡童蒙共事，心無憂惱。何以故？我以明淨圓滿慧日，出於世間，清淨調伏一切眾生。

[0489a18] 「菩薩摩訶薩不為一眾生故，發心求阿耨多羅三藐三菩提善根迴向；不為嚴淨一佛剎故；不為信一佛故；不為見一佛故；不為聞一佛法故；不為滿足一願故。菩薩摩訶薩悉欲救護一切眾生故，以善根迴向，具足嚴淨一切佛剎；信一切佛；見一切佛；恭敬供養一切諸佛；聞一切佛所說正法；滿足一切大願故；以諸善根迴向阿耨多羅三藐三菩提。菩薩摩訶薩復作是念：『發菩提心寶，即是如來境界之力，廣大平等，無有懈怠；於一切劫，修學難得，與諸佛等。』

[0489a29] 「菩薩摩訶薩如是觀諸善根，信心清淨，長養大悲；以諸善根，普為眾生深心迴向，非但口言。於諸眾生，發歡喜心、明淨心、柔軟心、慈心、愛念心、攝取心、饒益心、安樂心、最勝心；以諸善根迴向。菩薩摩訶薩以諸善根迴向時，作如是念：『若我所有迴向功德，令一切眾生得清淨趣，得清淨生，功德滿足，一切世間無能壞者，不可窮盡；常得尊重，心不錯謬，分別了知一切諸趣；思量諸佛，具足莊嚴身、口、意業；具足莊嚴一切功德。』復作是念：『以此善根迴向功德，令一切眾生，常見諸佛；於彼佛所，得不壞信；於諸佛所，聽受正法，離諸疑惑，憶持不忘，如說修行；於如來所，得柔軟心，淨身、口業，心常安住勝妙善根；永離貧法，七財滿足；修學一切諸佛所學，得諸善根，成就平等淨妙解脫一切種智；於一切眾生，得慈愛眼；其身清淨，相好莊嚴，言論辯慧，功德具足；調伏諸根，成就十力；發起諸善，心住滿足，無所染著；令一切眾生，具佛快樂，得無量住，住佛所住。』

[0489b20] 「此菩薩摩訶薩復作是念：『一切眾生，造作無量諸不善業；因是業故，受無量苦，不見如來，不聞正法，不識淨僧；此諸眾生，具有無量大惡罪業，應受無量無邊楚毒。我當於彼三惡道中，悉代受苦，令得解脫；我當代受無量苦惱，不以苦故，其心退轉，恐怖懈怠，捨離眾生。何以故？我為眾生，荷負重擔，滿平等願；度脫一切生老病死，愁憂苦惱，無量諸難，流轉生死；一切邪見，失諸善法，愚癡無智，我當悉度，免此眾苦。眾生常為愛網所纏，無明覆蔽，染著有愛，為之走使，不得自在；縛在苦獄，隨諸魔業，於諸佛所，心生疑惑；不得出世道，不見安隱處，常馳無量生死曠野，受無量苦。』

[0489c05] 「菩薩摩訶薩見彼眾生，沒生死泥，受眾楚毒；起大悲心，饒益眾生，令得善利，免度苦難，善根迴向。以大迴向迴向，如三世菩薩迴向；如諸佛所說大迴向經迴向；令一切眾生，悉得清淨，具足善根，究竟一切智。復作是念：『我當悉令一切眾生，得無上智王安隱住處，不為自度；但欲令彼出生死淵，得一切智心，拔出眾生惡道嶮谷，救無量苦，度生死流。』復作是念：『我當為一切眾生，受無量苦；令諸眾生，悉得免出生死沃焦；我當為一切眾生，於一切剎，一切地獄中，受一切苦，終不捨離；我當於一一惡道，盡未來劫，代諸眾生，受無量苦。何以故？我寧獨受諸苦，不令眾生，受諸楚毒；當以我身，免贖一切惡道眾生，令得解脫。』

[0489c20] 「菩薩摩訶薩復作是念：『我悉當為一切眾生，作誠實語者，離惱害心，不捨眾生。何以故？我因眾生，發菩提心，度脫一切；不求尊貴，不求五欲，不求世間種種樂故，行菩薩道。何以故？五欲是世間法，諸魔境界，愚人所行，諸佛訶責；彼能出生一切苦惱，地獄、餓鬼、畜生、閻羅王處，忿恚鬪諍，更相訟說，皆由五欲；積習五欲，遠離諸佛，能障生天，況無上道。菩薩明見五欲，有如是等無量過患；是故，不以五欲修菩薩行，但欲饒益安隱眾生，發菩提心，求無上道；令一切眾生，得一切利，具諸大願；斷絕眾生煩惱鉤餌，離無量苦。』

[0490a03] 「菩薩摩訶薩復作是念：『我當以諸善根迴向，令一切眾生，得種種樂：究竟樂、饒益樂、不共樂、寂靜樂、無染樂、無動樂、無量樂、不死不轉樂、不滅樂、一切智樂。我當為一切眾生，作調御師，作主藏臣，作大明炬，示安隱趣，令離諸難，解一切法；我當令解諸甚深義；我當為作一切智船，度生死海；我當令知無量善根迴向；我當悉為示現彼岸。』菩薩摩訶薩以是無量善根迴向，救護一切，度生死海，令諸如來皆悉歡喜；得一切智，捨離眾魔，遠惡知識，親近菩薩，勝善知識；成就淨業，盡滅眾惡，具足菩薩無量願行一切善根。

[0490a15] 「菩薩摩訶薩以諸善根正迴向已，作如是念：『不以四天下一一眾生故，一一日出；但一日出世，悉能普照一切天下。又諸眾生，不以自身光明，知有晝夜，遊行觀察，興造諸業；皆由日天子出，普照天下，一切眾生，無業不就。』菩薩摩訶薩亦復如是，修諸善根迴向，普為眾生，作如是念：『彼諸眾生，無智慧光，尚不自照，何況照他？唯我一人，志獨無侶，修諸善根迴向，欲為度脫一切眾生；普照一切眾生；分別一切眾生；了達一切眾生；令一切眾生入甚深法；攝取一切眾生；成就一切眾生；悅樂一切眾生；柔軟一切眾生；滅除一切眾生疑惑。』

[0490a28] 「菩薩摩訶薩復作是念：『我當修學，如日天子，普照一切，不求恩報；不為惡眾生故，捨大莊嚴；亦不以一惡眾生故，捨離一切，而不度脫；但勤修習善根迴向，欲令眾生得一切樂，攝少善根，迴向廣大。若諸善根，不能饒益眾生者，我終不以善根迴向；以諸善根，悉與眾生，發心迴向；令一切眾生，不著諸法故迴向，以眾生性迴向而無所至。』菩薩如是迴向，亦無所著；不取所有性，安住諸善根；不取相迴向，業報虛妄，無

所有亦無所著；不取五陰相迴向，不壞五陰相迴向；不取虛妄業迴向，不求報，不起虛妄因緣；不生、不起、不住，不住堅固相，不住虛妄法，不取眾生相；不分別世界，不住心顛倒、想顛倒、見顛倒，不著語言道。但欲令眾生解真實法，迴向觀察一切眾生平等；迴向法界印，印諸善根；迴向離欲等法，觀察善根；迴向解一切法，離於顛倒，得諸善根；以無二法，觀察法界迴向。彼迴向不生諸法，不滅諸法，以如是等善根迴向，修行清淨諸對治法；迴向觀一切善根，皆悉迴向出世間法，於彼善根，不作二相。薩婆若非即是業，亦不離業；迴向觀察薩婆若，不即是業，亦不離業；得薩婆若願智業，照明清淨故，報亦照明清淨；報照明清淨故，薩婆若亦照明清淨。捨離一切動亂覺觀，憍慢放逸；隨方便智，以諸善根迴向；令一切眾生，悉得真實究竟解脫，不著法性，無量無邊善根，迴向諸法，無業報而出生業報。菩薩摩訶薩以如是等善根迴向，則能永離一切諸惡，佛所讚歎。佛子！是名菩薩摩訶薩第一救護一切眾生，離眾生相迴向。」

[0490c02] 爾時，金剛幢菩薩承佛神力，普觀十方，及一切眾，觀察法界，入深句義味，大悲普覆一切眾生；護持三世佛種不斷；入一切佛諸功德藏；出生諸佛清淨法身；善能分別諸眾生心；過去所種一切善根，知時不失，具足法身，善能示現清淨色身，以偈頌曰：

[0492c01] 「佛子！是名菩薩摩訶薩第二不壞迴向。菩薩摩訶薩安住此迴向，得見無量阿僧祇佛，悉得無量清淨妙法；普於眾生，得平等心，捨離愚癡，入一切法；得諸如來自在神力，降伏眾魔，滅諸魔業，具足生貴菩提之心；得無礙智，不由他悟；於一切法，見真實義；於一切佛剎，悉能受持，分別其相，智慧具足，普照眾生。菩薩摩訶薩以此不壞迴向力，攝取一切善根迴向。」

[0492c10] 爾時，金剛幢菩薩承佛神力，普觀十方，乃至以偈頌曰：

「修習無量無數業，　所乘堅固不可壞，
能令諸佛悉歡喜，　是名智者所迴向。
所供養佛難思議，　布施持戒伏諸根，
彼為一切修迴向，　清淨無量眾生故。
一切上妙諸華香，　無量無數眾寶衣，
種種莊嚴及寶蓋，　供養一切諸如來。
如是無量諸供具，　不可思議曠劫中，
恭敬供養調御師，　心常歡喜無厭足。
專心觀察諸最勝，　一切世間大明燈，
現在十方一切佛，　皆悉覩見如目前。
不可思議無量劫，　修行布施無厭足，
不可思議無量劫，　修諸善根亦無厭。
善分別知諸心想，　如實觀察無虛妄，
悉知諸根無有餘，　常能饒益一切眾。

心大歡喜無有量,　信心清淨而恭敬,
不思議劫忍住世,　饒益救度一切眾。
一切諸佛滅度已,　供養舍利無厭足,
悉以無量妙雜寶,　建立恒沙諸塔廟。
造作無數尊形像,　寶藏淨金而莊嚴,
巍巍高大如山王,　其數無量不思議。
修學積集諸功德,　勝妙堅固不可壞,
菩薩善知行迴向,　分別非有亦非無。
若能如是修迴向,　功德無量不可盡,
勝妙智慧觀諸法,　皆能了達無所生。
方便修習令心淨,　悉與一切如來等,
以不可盡諸方便,　迴向無盡如來藏。
發起無上菩提心,　一切世間無所依,
普至十方諸世界,　於一切眾心無礙。
方便啟導眾生心，　悉令出生佛菩提，
觀察眾生心平等,　推求真實不可得。
一切諸法悉無餘,　了達其性無所有,
迴向無著清淨眼,　永離一切世間苦。
欲令諸有悉清淨,　心不妄取諸法相,
分別所有無所有,　能令心淨大歡喜。
於一佛剎無所著，　了諸佛土無堅固，
不取一切有為法,　亦不染著法自性。
方便迴向薩婆若,　無上智慧自莊嚴,
普令諸佛悉歡喜,　是為菩薩迴向業。
菩薩一心念諸佛,　無上智慧巧方便,
如諸如來無所著,　令我悉獲此功德。
常欲救護一切眾,　遠離無量諸惡業,
常行饒益眾生心,　於饒益心無虛妄。
隨所住地守護法,　示現涅槃實不滅,
一切如來無二法,　願我迴向亦如是。
一切世界諸趣中,　於有為法無所著,
菩薩不緣語言道,　亦不染著無語言。
十方一切諸如來,　悉攝諸法無有餘,
離一切趣而受生,　於所離生無虛妄。
以一莊嚴一切嚴,　亦不分別此諸法,
了達世間悉虛妄,　一切所行無所有。」◎

金剛幢菩薩十迴向品第二十一之二

[0493b11] 「◎佛子！何等為菩薩摩訶薩第三等諸佛迴向？此菩薩摩訶薩隨順學過去、未來、現在諸佛迴向。此菩薩修菩薩行時，見好惡色，其心清淨而無憎愛；歡喜悅樂，起無壞心，離諸憂惱；得正直心，身意柔軟，諸根清涼。此菩薩得如是樂時，迴向諸佛，作如是念：『一切諸佛雖有無上淨妙快樂，復願諸佛具不思議佛所住樂，具足攝取不可稱量佛三昧樂，成就無量大悲快樂，具足成就不可計議佛解脫樂，具足攝取諸佛神足自在快樂，無上尊重最妙快樂；普覆如來，常令具足諸佛無量力樂，永離一切諸覺之樂，無上寂靜不

變易樂；具足無礙法門，心常寂定而無散亂，佛無二行不可壞樂。』菩薩摩訶薩以如是善根，迴向諸佛已，又復迴向一切菩薩，令願未滿者，悉令滿足；未淨直心者，令淨直心；未滿諸波羅蜜者，悉令滿足，安住金剛菩提之心；於一切智，得不退轉，不捨大莊嚴，守護菩提門及諸善根；能令一切眾生，捨離放逸，發菩提心；所願成滿，安住一切菩薩所住，得諸菩薩明利諸根，修習善根，證薩婆若。

[0493c03] 「如是，菩薩摩訶薩以諸善根，迴向菩薩已，又復迴向一切眾生，迴向一切眾生見佛聞法、敬心近僧，迴向具足專心念佛，迴向具足念淨妙法，迴向念僧尊重恭敬，迴向見佛未曾遠離，迴向成就諸清淨心，迴向分別諸如來法，迴向成就無量功德，迴向清淨諸通善根，迴向除滅一切疑惑，如佛迴向開化一切眾生、聲聞、緣覺及諸菩薩，菩薩善根迴向一切眾生，亦復如是；令一切眾生永離地獄、餓鬼、畜生、閻羅王處一切惡趣，無量眾難。菩薩摩訶薩令彼一切眾生悉發無上菩提之心、長養無上菩提之心、一心專求一切種智、捨離誹謗諸佛正法、常樂具足一切智地；令一切眾生究竟清淨，得一切智。菩薩摩訶薩所行善根，以諸大願攝取行等行、積聚等積聚、長養等長養，皆悉廣大，具足充滿。菩薩摩訶薩若在家時，與妻子俱，未曾暫離菩提之心，正念思惟薩婆若境界，自度度彼，直心平等，方便示現妻子眷屬。菩薩善方便智，皆悉成就，究竟解脫，雖與同止，心無所著；以本大悲故，處在家屬，以大慈故，隨順妻子，於菩薩淨道，無所障礙。菩薩摩訶薩若在家時，應以如是薩婆若心善根迴向，所謂：被著衣裳，若飲若食，服諸湯藥，行、住、坐、臥，身、口、意業，具足清淨，諸根調伏，皆悉安諦，洗浴塗身、寂靜徐步、迴旋顧眄、舉足下足、若眠若覺，不失威儀，善攝諸根，未曾散亂。菩薩摩訶薩以如是等一切諸行，未曾遠離薩婆若心，善根迴向饒益安樂一切眾生，無量諸願皆悉成就，攝取無量廣大善根，修習善根救護一切，除滅一切放逸憍慢，一心正念一切種智，欲覺一切諸佛菩提，捨離煩惱及順煩惱法，修習一切菩薩所學，於一切智道無所障礙，樂修智地及諸善根，常樂愛語，增長善根，令一切眾生，永離苦惱，不著所行，一心受持諸佛教法，是為菩薩摩訶薩處在家屬，攝取善根，一心迴向無上菩提。

[0494a11] 「菩薩摩訶薩復作是念：『乃至小犬及餘畜生，當令此等具足修習不放逸行，離畜生趣，得饒益樂，究竟解脫，永度苦海、苦受、苦陰、苦覺、增上大苦、苦行、苦藏、苦根、苦舍，如是等無量無邊一切眾苦。』菩薩摩訶薩欲令眾生悉得除滅，以淨善根迴向無上菩提，教一切眾生迴向如是境界，正念思惟彼彼善根以為上首；所謂：迴向一切種智，發菩提心、攝菩提心，遠離生死，修習善根，出生死淵，得諸如來無礙快樂；修如來慈，充滿十方，大悲饒益一切眾生；普令一切得清淨樂，守護一切諸勝善根，令一切眾生究竟佛法，遠離一切諸魔境界，入彼甚深如來境界，普能拔出一切世間，具足一切如來善根，住三世佛平等法中。如是菩薩摩訶薩今集善根、已集善根、當集善根，皆悉迴向。

「菩薩成就直心力，　於一切法得自在，
隨喜所獲諸功德，　無礙方便善迴向。
三世一切諸最勝，　嚴淨剎土及世間，
具足一切勝功德，　迴向淨剎亦如是。
三世一切最勝法，　菩薩悉能諦分別，
淨心攝取一切法，　如是莊嚴諸佛剎。
窮盡三世無量劫，　讚一佛剎諸功德，
三世諸劫猶可盡，　佛剎功德無窮極。
如是一切諸佛剎，　一切最勝悉嚴淨，
菩薩嚴淨一切剎，　與諸導師等無異。
彼真佛子心清淨，　悉從如來法化生，
一切功德莊嚴心，　充滿一切諸佛剎。
彼諸菩薩悉具足，　無量相好莊嚴身，
一切諸辯悉成滿，　不可窮盡如大海。
觀察境界心平等，　安住一切三昧門，
成就清淨無等心，　光明普照十方界。
如是無餘諸佛剎，　此諸菩薩悉充滿，
未曾想念聲聞乘，　亦復不求緣覺道。
菩薩如是心清淨，　善根迴向諸群生，
普令眾生成正覺，　具足三世諸佛法。
十方一切諸魔王，　菩薩威德悉調伏，
勇猛安住莫能壞，　決定修行究竟法。
菩薩具足諸願力，　迴向功德無障礙，
深入無盡功德藏，　三世果報無窮盡。
善能觀察一切法，　了達其性不自在，
已能分別空無我，　是故不妄取業報。
無有色法及無色，　亦無有想無無想，
亦無有法及無法，　一切諸法無所有。
亦復非有亦非無，　亦復非因非無因，
於彼一切諸緣中，　其心了達無染惑。
一切眾生語言法，　悉能了知無所著，
悉知世間施設法，　決定諸法無有我。
平等觀察眾生類，　諦了諸法無二相，
普觀三世無差別，　佛剎諸業亦如是。
菩薩如是知迴向，　隨所行業功德生，

明達諸佛真實性，　解一切佛深妙法。
菩薩如是淨迴向，　心能分別善思量，
了知自性悉非性，　於一切法無所著。
攝取一切諸境界，　迴向一切群生類，
除滅一切愚癡闇，　於真實性覺如如。
菩薩一切**虛妄見**，　**已滅已棄永無餘**，
遠離世間煩惱熱，　得到究竟清涼趣。
不壞一切諸法性，　明達真實無所生，
解了諸法猶如響，　悉於一切無所著。
了知三世**眾生類**，　**悉從因緣和合起**，
善解煩惱諸習氣，　不壞諸法真實性。
了達業性非是業，　亦復不壞諸業性，
又亦不壞業果報，　宣揚讚歎**緣起法。**
眾生所生無有生，　**亦無流轉生死中**，
不著**眾生說眾生**，　**善能隨順諸世間。**◎

[0518b24] 「復次，菩薩摩訶薩悉捨一切資生之具，心無貪著，不求果報；世間富樂無所希望，捨離愚癡，深解諸法；饒益安立一切眾生；真實相心，解一切法，種種莊嚴，諸資生具，無量境界，種種莊嚴，資生之具，饒益眾生；究竟施、一切施、內外施，增長直心，令一切眾生具功德寶心，善能饒益無量眾生；令一切眾生成就寶心；令一切眾生，清淨善根等三世佛，具一切智。菩薩摩訶薩以施資生之具所攝善根，迴向眾生：令一切眾生，清淨調伏；令一切眾生，皆悉嚴淨一切佛剎，除滅煩惱；令一切眾生，以清淨心於念念中充滿法界；令一切眾生，智慧充滿虛空、法界；令一切眾生，得一切智，了達三世，於一切時轉不退法輪；令一切眾生，悉皆示現一切種智，巧妙方便，饒益眾生；令一切眾生，悉悟一切諸如來道，盡未來劫於一切剎，廣說佛法，未曾休息；令一切眾生，於無量劫修菩薩行，心無厭倦；令一切眾生，於一切世界：淨世界、不淨世界、小世界、中世界、大世界、微細世界、廣世界、麤覆世界、伏世界，如是等一切世界，皆悉嚴淨；菩薩充滿，

行大乘行，令一切眾生於念念中，悉作三世一切佛事，調伏眾生，立薩婆若。此菩薩摩訶薩以如是等無量阿僧祇劫饒益眾生，令佛法不斷；以大悲心救護眾生，修習大慈具菩薩行；建立一切諸如來論，令一切眾生，皆悉不斷諸佛善根；有來求者悉滿其意而無恚厭，能施一切，心無有悔，捨一切物、資生之具，隨所來方，無不欣悅，於諸眾生，如一子想，見來求者，心大歡喜，作是念言：『是我善知識。』

[0518c27] 「爾時，菩薩長養大悲心、歡喜心、不可壞心、大施心；菩薩摩訶薩見來求者，隨其所須，悉資給之，充滿其意，令無所乏，皆令歡喜，斷其貧苦，具足富樂，同聲稱美，歎德而歸。菩薩爾時心大歡喜，於百千億那由他劫，受帝釋樂所不能及；須夜摩天王、兜率陀天王、化自在天王、他化自在天王，百千億那由他劫所受喜樂，所不能及；梵天王樂，乃至淨居天無量無邊阿僧祇劫禪定快樂，亦所不及；無量無數不可稱說阿僧祇劫轉輪王樂，亦不能及。菩薩摩訶薩如是大喜無量，信心增長，直心清淨，諸根柔軟，定心增廣，生菩提心堅固不轉。菩薩摩訶薩善根迴向，令一切眾生離毒害心，令一切眾生安隱快樂，令一切眾生得真實義，令一切眾生悉得清淨無上菩提，令一切眾生悉得平等，令一切眾生得賢善心，令一切眾生逮得賢善摩訶衍心，令一切眾生所行悉善，令一切眾生具普賢菩薩所修願行，令一切眾生覺十力乘。

[0519a17] 「菩薩摩訶薩以此善根迴向時，於身、口、意業無著無縛解脫迴向，無眾生想迴向；無命想、無人想、無福伽羅想、無男子想、無年少想、無禪頭想、無造想、無受想、無有想、無無想、無今世後世想、無死此生彼想、無有常想、無無常想、非三有想、非無三有想、非想、非無想無縛無著解脫心迴向，無業迴向，無業報迴向，無虛妄迴向，無真實迴向，無思迴向，無思報迴向，無心迴向，無無心迴向。菩薩摩訶薩如是迴向時，不著內，不著外；不著緣，不著境界；不著因，不著因和合；不著法，不著非法；不著思，不著思果；不著色，不著色取，不著色滅；不著受、想、行、識，不著受、想、行、識取，不著受、想、行、識滅。菩薩摩訶薩若於此法中，心不著者，則不縛色，不縛色取，不縛色滅；不縛受、想、行、識，不縛受、想、行、識取，不縛受、想、行、識滅。若於此法而不縛者，則於諸法亦無有解。何以故？一切諸法，不生、不滅，無有自性，無一、無二，無多、無少，無有量、無無量，無善、無惡，無深、無淺，無靜、無亂，無著、無離，無法、無非法，無性、無非性，無有、無無故；菩薩如是見法，則是非法，言語道斷故。非法為法，而亦不壞一切業迹；具修菩薩行，不退一切智，解知業緣如夢、如響、如鏡中像，一切法如幻，而亦不違因緣業報；入甚深業，解法真實，無行無作，亦復不違業行之道。

[0519b15] 「菩薩摩訶薩以一切善根如是迴向：一切種智，普遊十方，教化眾生。迴向者何義？永度世間生死彼岸，故說迴向；度諸陰彼岸，故說迴向；度語言道彼岸，故說迴向；度眾生相彼岸，故說迴向；度身見彼岸，故說迴向；度不堅固彼岸，故說迴向；度諸行彼岸，故說迴向；度諸有彼岸，故說迴向；度諸取彼岸，故說迴向；度諸世間法彼岸，故說迴向。菩薩摩訶薩若能以此善根迴向，則皆隨順一切諸佛、隨順法、隨順智、隨順菩提

、隨順義、隨順迴向、隨順行、隨順真實、隨順清淨。菩薩摩訶薩如是迴向已, 令一切眾生得如來法；諸佛歡喜, 無佛不值，無法不了，於一切法無違無失，悉能分別一切佛法，不捨正法，不違因緣，內外諸法，法力具足，無有休息。佛子！是為菩薩摩訶薩第六隨順一切堅固善根迴向。菩薩摩訶薩住此迴向，無量諸佛皆悉守護，得堅固法，修一切智；解隨順義，解一切法，隨順真性，得一切法，隨順堅固善根，隨順滿足諸願；得隨順堅固法，一切金剛所不能壞，得隨順堅固願，於一切法中而得自在。」

[0519c08] 爾時, 金剛幢菩薩承佛神力, 觀察十方, 觀察一切大眾, 觀察法界, 深入諸法句味之義, 修無量心, 大悲普覆一切眾生, 覺悟三世如來家法, 入於一切諸佛功德, 逮得諸佛自在之身, 分別一切諸眾生心, 隨所種善根, 應受化時, 隨順法身示現色身, 以偈頌曰：

「一切世間諸大王,　菩薩現身於彼生,
處彼尊豪大王位,　悉能調伏諸群生。
其心柔軟常清淨,　於一切眾得自在,
常以正法治天下,　方便隨順樂世間。
菩薩清淨王家生,　常能如應轉法輪,
遠離諸惡正治國,　十方眾生無違教。
菩薩色相功德滿,　具足甚深妙智慧,
堅固安住不退轉,　悉能降伏一切魔。
常能具持清淨戒,　決定安住忍辱力,
除滅一切瞋恚毒,　常能修習最勝法。
菩薩具行布施法,　飲食華鬘乘衣服,
塗香房舍明淨燈,　如是等施無有量。
菩薩所施益眾生,　常能開發廣大心,
其意清淨大歡喜,　布施尊勝及世間。
菩薩悉能捨無量,　內外所有一切物，
所行布施常歡喜,　未曾暫有中悔心。
菩薩悉能施頭目,　手足肌肉及骨髓,
一切身分盡惠施,　其心未曾生中悔。
菩薩處在大王位,　清淨豪貴人中尊,
大悲以舌施群生,　楚毒無量不中悔。
菩薩施舌淨善根,　迴向一切諸群生,
悉令此等眾生類,　具足成就廣長舌。
菩薩歡喜施妻子,　其心未曾生憂悔,
又復欣悅施國土,　亦能捨身無所吝。
隨所樂求盡施與,　應時惠施無嫌恨,
一切所有能悉捨,　諸來求者皆滿足。
為法捨身無央數,　修諸苦行求菩提,

又為眾生受諸苦,　求無上智不退轉。
聽受如來正法故,　以身布施無疲厭,
內心歡喜無有量，　救護一切眾生故。
菩薩得見諸佛已,　慈心恭敬設供養,
饒益歡喜悉具足,　皆能聞持諸佛法。
迴向一切眾生類,　悉令世間得安樂,
普能救護一切眾,　永使究竟得解脫。
菩薩具足諸眷屬,　色身端嚴順教命,
妙莊嚴具為校飾,　聰叡仁賢巧智慧。
以饒益故悉布施,　而未曾有微吝心,
不為世間資生利,　饒益眾生求菩提。
具足修習淨功德,　履行無量諸勝業,
迴向一切眾生類,　亦不取業堅固相。
菩薩能捨大王位,　嚴飾京都諸城邑,
宮殿內外一切物，　遊觀園林諸池流。
無量無數百千劫,　以無上心行布施,
開悟世間示彼岸,　隨順化導群生類。
菩薩見有來求者,　悉從他方世界至,
隨彼所須滿其願,　菩薩大喜充遍身。
菩薩迴向施功德,　三世一切諸如來,
所學究竟到彼岸,　無上導師之境界。
菩薩觀察一切法,　誰為度脫眾生者,
為度脫誰至何處，　解空不捨布施心。
菩薩迴向智慧故,　菩薩迴向求正法,
菩薩迴向甚深義,　於一切法無所著。
心不分別一切業,　於諸業報不染著,
了達菩提從緣起,　於法真性無所壞。
解了己身不染著,　其心寂滅無所依,
智慧分別無業性,　善解因緣非無業。
不虛妄取過去法,　亦復不取未來法,
了達現在無所有,　觀察三世悉空寂。
菩薩究竟色彼岸,　受想行識亦如是,
永度一切到彼岸,　其心謙順常清淨。
觀察五陰十八界,　分別諸入及己身,
於此諸法求菩提,　皆悉空寂不可得。
不取諸法常住相,　於斷滅相亦不受,
一切諸法非有無,　諸業因緣和合生。
無有眾生得菩提,　一切諸法悉寂滅,
心不染著諸佛剎，　了達三世無所有，

若能如是解正法，　亦如一切諸最勝。
雖復推求無所得，　菩薩所行亦不虛，
是故緣中求諸法，　不違一切因緣道。
分別解說諸業迹，　欲令眾生悉清淨，
是為智者所修行，　一切諸佛之所說。
隨順思惟入正義，　自然覺悟無上道，
諸法無生亦無滅，　亦復無來亦無去，
不於此死而彼生，　深解一切諸佛法，
了達諸法真實性，　於法性中無所著。
永離諸法虛妄相，　彼人得見諸佛智，
分別解了諸法趣，　眾生諸趣佛國趣，
一切三世所有法，　皆悉了知無有餘，
三世諸佛所覺法，　悉能具足聞受持。
所說三世一切法，　如是等法悉非法，
隨順修行一切法，　而亦不壞諸法相，
菩薩迴向諸眾生，　令彼疾得一切智。◎

如如離自性，　智者業迴向，
如諸相如實，　諸生亦如是，
如如自性實，　諸業亦如是，
如如無有量，　一切業如是，
無縛亦無解，　諸業悉清淨。
如是真佛子，　安住不可動，
成就智慧力，　入佛方便藏。
覺悟法王法，　無縛亦無著，
無礙無轉心，　亦復無所轉。
法身所攝業，　隨順眾生相，
深入真實相，　相亦非是相。
如是不思議，　思議不可盡，
深入不思議，　思非思寂滅。
如是思惟法，　分別一切業，
除滅諸煩惱，　是名功德王。
菩薩一切報，　無盡智所印，
盡法無盡性，　無盡方便滅。
心不在內外，　心亦無所有，
妄取故有法，　不取則寂滅。
佛子如是知，　法空無自性，
諸法無自在，　最勝覺無我。
如如等眾生，　覺法性如是，
彼見不思議，　無相智不惑。
如是深修習，　一向求菩提，
所願不退轉，　饒益眾生故。
菩薩捨此身，　無死虛妄想，
解了心如化，　調伏一切眾。
觀彼順正念，　世間業報起，
菩薩悉救護，　三界無有餘。
了知眾想行，　皆悉是虛妄，
菩薩知非實，　亦不壞法性。
彼如是迴向，　智慧妙善根，
憐愍一切眾，　令入深方便。◎

[0532c15] 爾時，金剛幢菩薩承佛神力，普觀十方，以偈頌曰：

「菩薩未曾有慢心，　一切諸方無比尊，
隨本所修功德業，　亦復不起輕慢心。
所修一切諸功德，　不為自己及他人，
以無縛著解**脫心，**　迴向饒益一切**眾。**
永離一切自高願，　亦復棄捨**惰慢心**，
於最勝所起身業，　勸請**說法種種行。**
所作無量諸功德，　饒益一切**眾生類**，
安住無著解**脫心，**　迴向一切諸如來。
世間無量群生類，　種種方便諸技術，
勝妙甚深微細事，　悉能具足分別知。
世間所有種種身，　斯由身業之所得，
覺悟無量生死行，　逮得不退智慧門。
十方一切無量剎，　微細勝妙伏世界，
菩薩深入智慧門，　於一毛孔悉了知。
一切**眾生無量心**，　**明者了知即一心**，
菩薩覺悟智慧門，　不捨增長諸業行。
一切**眾生種種根**，　**上中下品**各不同，
所有甚深諸功德，　菩薩隨性悉了知。
一切**眾生種種業**，　**上中下品差別相**，
菩薩深入如來力，　悉能具足分別知。
不可思議無量劫，　悉能了知即一念，
一切十方所行業，　菩薩覺悟清淨知。
悉能逆順知三世，　分別其相各不同，
而亦不違平等相，　是則離癡菩薩行。

一切眾生無量行，　愛慢諸結各不同，
菩薩別相分別知，　亦復不捨無相觀。
十方世界諸如來，　具足示現大自在，
難見難得難思議，　菩薩悉能分別知。
兜率陀天大導師，　無比最勝人師子，
功德甚深廣清淨，　一切如實見其性。
示現降神處母胎，　無量自在大神變，
成佛涅槃轉法輪，　一切世間莫能轉。
人中師子初生時，　一切諸勝悉奉敬，
天王帝釋梵天王，　諸有智者悉敬侍。
十方一切無有餘，　無量無數諸法界，
無始無末無中間，　示現無量自在力。
人中尊導現生已，　遊行諸方各七步，
觀察一切眾生類，　無礙法門覺一切。
觀見眾生沒五欲，　人中師子現微笑，
眾生盲冥愚癡覆，　我當度脫三有苦。
大師子吼出妙音，　我為世間第一尊，
顯現明淨智慧燈，　永滅生死愚癡闇。
人中師子出世間，　放大光明無有量，
斷除一切諸惡道，　無量眾苦究竟滅。
或時示現處宮殿，　或現捨家行學道，
人中師子現自在，　饒益一切眾生故。
菩薩初坐道場時，　六反震動諸大地，
普放無量大光明，　遍照五道眾生類。
震動一切魔宮殿，　開發十方眾生心，
昔於菩薩有緣者，　皆悉覺悟真實義。
一毛道中無量乘，　十方一切諸佛剎，
眾生道乘無有量，　彼現最勝大神變。
如是方便隨順覺，　如一切佛所演說，
若諸如來所不說，　亦悉解了分別知。
除滅一切眾魔怨，　普覆三千大千界，
深入一切無礙門，　能壞一切諸魔道。
如來或在諸佛剎，　或復現處諸天宮，
或復現身梵宮殿，　菩薩悉見無障礙。
轉於清淨妙法輪，　如來法身無邊際，
悉於三世一切劫，　最勝演說無窮盡。
諸佛無等師子座，　悉皆充滿十方界，
種種妙相而莊嚴，　佛處彼座難思議。
真佛子等悉圍遶，　充滿法界無有餘，

說菩薩行無邊際，　隨順諸佛出要道。
智者能以一方便,　攝諸佛法無有餘,
種種莊嚴最勝法,　皆悉充滿於法界。
無等無量妙自在,　示現一切種種身,
又現諸趣無量生,　或現采女眾圍遶。
示現出家行學道,　欲令眾生諸根利,
乃至示現般涅槃,　分布舍利起塔廟。
如是種種無量行,　如來演說佛所住，
一切如來諸功德,　究竟遍知到彼岸。
如是種種無量行,　於一切劫無休息,
亦未曾生憂慼心,　菩薩皆悉善迴向。
一切諸佛自在力,　及佛無量諸功德,
菩薩隨順悉了知,　普為一切眾生說。
如是一切諸法王,　隨彼無量諸境界,
於一念中悉覺悟,　而亦不捨菩薩行。
一切最勝甚深法,　及諸佛剎正法道，
隨順覺悟殊勝行,　究竟迴向到彼岸。
有數無數一切劫,　菩薩深解即一念,
具足修習菩薩行,　於彼勝道不退轉。
十方無量一切剎，　或有淨妙或垢穢，
及彼一切諸如來,　菩薩皆悉分別知。
於念念中悉明了,　不可思議無量劫,
如是了知三世劫,　具足安住究竟行。
深入了達心所行,　善方便行一切法,
一切佛剎菩薩行，　悉能明了分別知。
出生智慧無有量,　出生眾生及諸法,
出生菩提力自在,　一切皆悉無邊際。
深入一切無有餘,　分別一切諸妙法,
悉分別知同異相,　具足廣修菩薩行。
十方一切諸佛剎，　彼有無量無數眾，
彼彼諸性各不同,　菩薩皆能分別知。
過去一切諸如來,　未來現在諸導師,
若能如是知迴向,　則與三世諸佛等。
若能如是知迴向,　則與最勝功德等,
則與最勝智慧等,　則與最勝所行等。
一切世間莫能壞,　諸所學者悉成就,
隨順一切諸最勝,　善能觀察於世間。
菩薩所行不可量,　無量功德悉具足,
堅固安住如來行,　具足分別自在力。◎

大方廣佛華嚴經卷第二十三

東晉天竺三藏佛馱跋陀羅譯

◎
十地品第二十二之一

[0542a06] 爾時，世尊在他化自在天王宮摩尼寶殿上，與大菩薩眾俱，於阿耨多羅三藐三菩提皆不退轉，從他方世界俱來集會。

[0542a08] 此諸菩薩，一切菩薩智慧行處悉得自在，諸佛如來智慧入處悉皆得入；善能教化一切世間，於念念中普能示現神通等事；具足一切菩薩所願，於一切世、一切劫、一切國土，常修一切諸菩薩行；具足菩薩福德智慧而無窮盡。能為一切而作饒益；能到一切菩薩智慧方便彼岸；能令眾生背生死道向涅槃門；不斷一切菩薩所行；善遊一切菩薩禪定解脫三昧神通明慧，諸所施為善能示現。一切菩薩無作神足皆悉已得，於一念頃能至十方諸佛大會，勸發諮請受持法輪，常以大心供養諸佛，常能修習諸大菩薩所行事業；其身普現無量世界，其音遍聞無所不至，其心通達明見三世一切菩薩所有功德具足修習。如是諸菩薩摩訶薩功德無量無邊，於無數劫說不可盡。其名曰：金剛藏菩薩、寶藏菩薩、蓮華藏菩薩、德藏菩薩、蓮華德藏菩薩、日藏菩薩、月藏菩薩、淨月藏菩薩、照一切世間莊嚴藏菩薩、智慧照明藏菩薩、妙德藏菩薩、栴檀德藏菩薩、華德藏菩薩、優鉢羅華德藏菩薩、天德藏菩薩、福德藏菩薩、無礙清淨智德藏菩薩、功德藏菩薩、那羅延德藏菩薩、無垢藏菩薩、離垢藏菩薩、種種樂說莊嚴藏菩薩、大光明網藏菩薩、淨明威德王藏菩薩、大金山光明威德王藏菩薩、一切相莊嚴淨德藏菩薩、金剛焰德相莊嚴藏菩薩、焰熾藏菩薩、宿王光照藏菩薩、虛空無礙妙音藏菩薩、陀羅尼功德持一切世間願藏菩薩、海莊嚴藏菩薩、須彌德藏菩薩、淨一切功德藏菩薩、如來藏菩薩、佛德藏菩薩、解脫月菩薩。如是等菩薩摩訶薩無量無邊，不可思議、不可稱說，金剛藏菩薩而為上首。

[0542b13] 爾時，金剛藏菩薩摩訶薩承佛威神，入菩薩大智慧光明三昧。即時十方世界於一方過億佛土微塵數世界，有十億佛土微塵數佛皆現其身，名金剛藏；十方世界皆亦如是，同聲讚言：「善哉！善哉！金剛藏！乃能入是菩薩大智慧光明三昧，如是十方世界微塵數等諸佛皆同一號，加汝威神。所謂：盧舍那佛本願力故；本威神力故；汝有大智慧故；欲宣一切菩薩不可思議諸佛法明故。所謂：入智慧地故；攝一切善根故；善分別一切佛法故；廣法智故；決定說諸法故；無分別智善分別故；一切世間法不能染故；出世間善根清淨故；得不可思議智力故；得一切智人智境界故。所謂：如實說菩薩十地差別故；菩薩安住十地故；分別說無漏法故；大智慧光明善分別以自莊嚴故；入具足智門故；隨所應住次第說故；得無礙樂說光明故；具足大無礙智地故；不忘失菩薩心故；教化成熟一切眾生界故；得至一切處決定智故。

[0542c03] 「金剛藏！汝當說此法門差別。所謂：諸佛神力故；汝能堪受如來智慧神力故；自善根清淨故；清淨法界故；饒益眾生故；入法身智身故；於一切佛得授記故；得一切世間高大身故；過一切世間道故；淨出世間善根故。」即時十方諸佛與金剛藏真實無上身，與無障礙樂說辯，與善分別清淨智慧，與善憶念不忘，與善決定慧，與至一切智處，與諸佛無壞力，與諸佛無所畏，與諸佛無礙智分別諸法善開法門，與一切諸佛上妙身、口、意業。

[0542c13] 何以故？以得菩薩大智慧光明三昧故，亦是菩薩本願力故，直心清淨故，智慧明白故，善集助道法故，善修本業故，念持無量法故，信解清淨光明法故，善得陀羅尼門不可壞故，法界智印善印故。

[0542c18] 爾時，十方諸佛，皆申右手摩金剛藏菩薩頂；金剛藏菩薩即從三昧起，告諸菩薩言：「諸佛子！是諸菩薩願決定，無有過，不可壞，廣大如法界，究竟如虛空，遍覆一切十方諸佛世界眾生，為救度一切世間，為一切諸佛神力所護。何以故？諸菩薩摩訶薩入過去諸佛智地，亦入未來、現在諸佛智地。

[0542c25] 「何等是諸菩薩摩訶薩智地？菩薩摩訶薩智地有十，過去、未來、現在諸佛已說、今說、當說，為是地故，我如是說。何等為十？一曰歡喜，二曰離垢，三曰明，四曰焰，五曰難勝，六曰現前，七曰遠行，八曰不動，九曰善慧，十曰法雲。是十地者，三世諸佛已說、今說、當說，我不見有諸佛國土不說是十地者。何以故？此十地是菩薩最上妙道，最上明淨法門；所謂：分別十地事。諸佛子！是事不可思議，所謂：菩薩隨順諸地智慧。」金剛藏菩薩說諸菩薩十地名已，默然而住，不復分別；時，一切菩薩聞說菩薩十地名已，咸皆渴仰，欲聞解釋，各作是念：「何因何緣金剛藏菩薩說十地名已，默然而住？」

[0543a10] 時，大菩薩眾中，有菩薩名解脫月，知諸菩薩心之所念，以偈問曰：

「淨念智慧人，　何故說菩薩，
諸地名號已，　默然不解釋？
今諸大菩薩，　心皆懷猶豫，
何故說是名，　而不演其義？
大智諸菩薩，　咸皆欲聽聞，
如是諸地義，　願為分別說。
是諸菩薩眾，　清淨無瑕穢，
安住堅實中，　具足智功德。
皆以恭敬心，　瞻仰於仁者，
願欲聞所說，　如渴思甘露。」

[0543a22] 時，金剛藏菩薩聞說是已，欲令眾悅，以偈答曰：

「諸菩薩所行，　第一難思議，
　分別是十地，　諸佛之根本。
　微妙甚難見，　非心所能及，
　從佛智慧出，　若聞則迷沒。
　持心如金剛，　深信佛智慧，
　以為第一妙，　心無有疑難。
　遠離計我心，　及心所行地，
　如是諸菩薩，　爾乃能聽聞。
　寂滅無漏智，　分別說甚難，
　如畫於虛空，　如執於疾風。
　我念佛智慧，　第一難思議，
　眾生少能信，　是故我默然。」

[0543b07] 解脫月菩薩聞說此已，語金剛藏菩薩言：「佛子！是大菩薩眾直心清淨，善行菩薩道，善集助道法，善恭敬供養諸佛；於無量佛多種善根，成就無量深厚功德，離癡疑悔，無有貪著及諸結礙，深心信解，安住不動，於是法中不隨他教。是故，佛子！當承佛力敷演此義，是諸菩薩於是深法皆能證知。」

[0543b14] 時，解脫月菩薩欲重宣此義，以偈頌曰：

「願說安隱法，　菩薩無上行，
　分別於諸地，　令智慧清淨。
　眾智淨無垢，　安住深信解，
　於諸無量佛，　證知十地義。」

[0543b19] 金剛藏菩薩言：「佛子！是諸大眾雖皆清淨離癡疑悔，於是法中不隨他教；其餘樂小法者，聞是甚深難思議事，或生疑悔，是人長夜受諸衰惱；我愍此等，是故默然。」

[0543b22] 時，金剛藏菩薩欲重宣此義，以偈頌曰：

「是眾雖清淨，　深智離疑悔，
　其心已決定，　不復隨他教。
　無動如須彌，　不亂如大海，
　其餘不久行，　智慧未明了。
　隨識不隨智，　聞已生疑悔，
　彼將墮惡道，　愍念故不說。」

[0543c01] 解脫月菩薩言：「佛子！願承佛力，善分別此不可思議法，佛所護念事，令易信解；所以者何？善說十地義，十方諸佛法應護念；一切菩薩護是事故，勤行精進。何以故？是菩薩最上所行，得至一切諸佛法故。譬如一切文字，皆初章所攝，初章為本，無有一字不入初章者；如是，佛子！十地者，是一切佛法之根本；菩薩具足行是十地，能得一切智慧。是故，佛子！願說此義，諸佛護念，加以神力，令人信受，不可破壞。」

[0543c10] 時，解脫月菩薩欲明顯此義，以偈頌曰：

「善哉智慧子，　清淨行具足，
願說十地行，　所入十地法，
具足於智慧，　得以成菩提。
所有十方佛，　最勝人中尊，
皆共護念汝，　說是十地義。
十地為根本，　是名智行處，
亦為究竟道，　佛無量法聚。
譬如諸文字，　皆攝在初章，
諸佛功德智，　十地為根本。」

[0543c21] 爾時，諸菩薩一時同聲以偈請金剛藏菩薩言：

「上妙智慧人，　樂說無有量，
德重如山王，　哀愍說十地。
戒念慧清淨，　說是十地義，
十力之根本，　無礙智本行。
戒定慧功德，　集在仁者心，
憍慢諸邪見，　皆悉已滅盡。
是眾無疑心，　唯願聞善說，
譬病思良醫，　如飢思美膳。
我等亦如是，　聞甘露法味，
是故曠大意，　願開初地門，
乃至第十地，　次第為我說。」

[0544a05] 爾時，釋迦牟尼佛從眉間白毫相，放菩薩力光明，百千阿僧祇光以為眷屬，普照十方諸佛世界，靡不周遍，三惡道苦皆得休息；悉照十方諸佛大會說法之眾，顯現如來不思議力。是光明遍照十方諸佛大會諸菩薩身已，於上虛空中，成大光明雲臺；十方諸佛亦復如是，從眉間白毫俱放菩薩力光明，百千阿僧祇光以為眷屬，普現如來不思議力，悉

照一切諸佛大會，及娑婆世界釋迦牟尼佛一切大眾，并金剛藏菩薩及師子座。照已，於上虛空中成大光明雲臺。時，諸大光明雲臺中，諸佛神力故，而說頌曰：

「無等等諸佛，　功德如虛空，
十力無畏等，　最尊世間主。
於釋迦佛前，　而現此神力，
以佛力開現，　法王無畏藏。
說諸地所行，　諸地義差別，
承諸佛神力，　無有能壞者。
若人聞法寶，　則為諸佛護，
漸次具諸地，　得以成佛道。
若人堪任聞，　雖在於大海，
及劫盡火中，　必得聞此經，
若人癡疑悔，　終不能得聞。
是故今佛子，　說諸地智道，
入勢力觀法，　次第而修行。
得至於餘地，　各得所利益，
利一切世間，　願說勿令斷。」◎

[0544b03] ◎爾時，金剛藏菩薩觀察十方，欲令大眾增益信敬，以偈頌曰：

「諸佛聖主道，　微妙甚難解，
非思量所得，　唯智者行處。
其性從本來，　寂然無生滅，
從本已來空，　滅除諸苦惱。
遠離於諸趣，　等同涅槃相，
無中亦無後，　非言辭所說。
出過於三世，　其相如虛空，
諸佛所行處，　清淨深寂滅。
言說所難及，　地行亦如是，
說之猶尚難，　何況以示人？
諸佛之智慧，　離諸心數道，
不可得思議，　非有陰界入。
但以智可知，　非識之所及，
如空迹難說，　何可示其相？
十地義如是，　非心意所行，
是事雖為難，　發願行慈悲。
漸次具諸地，　智者所能及，
如是諸地行，　微妙甚難見。

不可以心知，　當承佛力說，
汝等當恭敬，　咸共一心聽。
智慧所隨順，　諸地相入行，
於無量億劫，　說之不可盡。
今如實略說，　其義無有餘，
一心恭敬待，　今承佛力說，
大音唱因諭，　義名不相違。
佛神力無量，　今皆在我身，
我之所說者，　如大海一渧。」

[0544c03] 金剛藏菩薩說此偈已，告於大眾：「諸佛子！若眾生厚集善根，修諸善行，善集助道法，供養諸佛，集諸清白法，為善知識所護，入深廣心，信樂大法，心多向慈悲，好求佛智慧；如是眾生乃能發阿耨多羅三藐三菩提心。為得一切種智故，為得十力故，為得大無畏故，為得具足佛法故，為救一切世間故，為淨大慈悲心故，為向十方無餘無礙智故，為淨一切佛國令無餘故，為於一念中知三世事故，為自在轉大法輪廣示現佛神力故，菩薩摩訶薩生如是心。

[0544c14] 「諸佛子！是心以大悲為首，智慧增上，方便所護；直心、深心淳至量同佛力；善決定眾生力、佛力，趣向無礙智，隨順自然智；能受一切佛法以智慧教化，廣大如法界，究竟如虛空，盡未來際。菩薩發如是心，即時過凡夫地，入菩薩位，生在佛家，種姓尊貴，無可譏嫌；過一切世間道，入出世間道；住菩薩法中，在諸菩薩數，等入三世如來種中，畢定究竟阿耨多羅三藐三菩提，菩薩住如是法，名住歡喜地，以不動法故。

[0544c23] 「諸佛子！菩薩摩訶薩住歡喜地，多喜、多信、多清淨、多踊悅、多調柔、多堪受、不好鬪諍、不好惱亂眾生、不好瞋恨。

[0544c26] 「諸佛子！諸菩薩住是歡喜地，念諸佛故，生歡喜心；念諸佛法故，生歡喜心；念諸菩薩摩訶薩故，生歡喜心；念諸菩薩所行故，生歡喜心；念諸波羅蜜清淨相故，生歡喜心；念諸菩薩與眾殊勝故，生歡喜心；念諸菩薩力不可壞故，生歡喜心；念諸如來教化法故，生歡喜心；念能為利益眾生故，生歡喜心；念一切佛、一切菩薩所入智慧方便門故，生歡喜心。菩薩復作是念：『我轉離一切世間境界，生歡喜心；入一切佛平等中，生歡喜心；遠離凡夫地，生歡喜心；近智慧地，生歡喜心；斷一切惡道，生歡喜心；與一切眾生作依止，生歡喜心；近見一切諸佛，生歡喜心；生諸佛境界，生歡喜心；入一切諸菩薩數，生歡喜心；離一切恐怖，生歡喜心。』所以者何？是菩薩得歡喜地，所有怖畏即皆遠離。所謂：不活畏、惡名畏、死畏、墮惡道畏、大眾威德畏、離如是等一切諸畏。何以故？是菩薩離我相故，尚不貪身，況所用物？是故菩薩無不活畏；心不希望恭敬供養，我應供養眾生，供給所須，是故菩薩無惡名畏；遠離我見、無我相故，無有死畏。又作是念：『我若死已，所生必見諸佛菩薩，是故無有墮惡道畏；我所志樂，無與等者，何況有勝？是故無有大眾威德畏。』如是菩薩永離一切諸恐怖事。

[0545a23] 「諸佛子！是菩薩以大悲為首，於一切眾生，心無嫌恨，直心堅固，自然清淨，轉復勤修一切善根。所謂：信心增上，多行淨心；解心清淨，多以信心分別；出生大悲，成就大慈，心不疲懈，以慚愧莊嚴，成就忍辱柔和，敬順諸佛教法，信重善知識；日夜常修一切善根，常愛樂法，求多聞無厭；如所聞法，正念觀察，心不貪著，不求名聞，不求利養資生之物，常生寶心，無有厭足；樂一切智地，欲得諸佛力、無畏、不共法、求助諸波羅蜜法，離諸諂曲，如說能行；常行實語，不污諸佛家，不捨菩薩戒，生薩婆若心，不動如山王，不樂世間事，成就出世間善根，集善助菩提法，無有厭足，常求勝中勝道，菩薩成就如是淨地法，名為安住歡喜地。菩薩如是安住歡喜地，發諸大願，生如是定心。所謂：我當以清淨心供養一切諸佛，皆無有餘，一切供具隨意供養；發如是大願，廣大如法界，究竟如虛空，盡未來際盡，供養一切劫中所有諸佛，以大供養具無有休息。又一切諸佛所說經法皆悉受持，攝一切諸佛阿耨多羅三藐三菩提，一切諸佛所教化法，悉皆隨順，一切諸佛法，皆能守護，發如是大願，廣大如法界，究竟如虛空，盡未來際，盡皆守護一切劫中一切佛法無有休息。又一切世界一切諸佛從兜率天下、入胎、處胎、初生、出家、成佛道時，勸請轉大法輪，示入大涅槃，我於爾時，盡往供養，攝法為首，三時轉故，發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，奉迎供養一切諸佛無有休息。

[0545b25] 「又一切菩薩所行，廣大無量，不可壞，無分別，諸波羅蜜所攝，諸地所淨，生諸助道法，總相、別相、有相、無相、有成、有壞，一切菩薩所行諸地道及諸波羅蜜本行，教化一切，令其受行，心得增長，發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫中菩薩所行，以諸教化成熟眾生，無有休息。

[0545c03] 「又一切眾生若有色、若無色，有想、無想，非有想、非無想，卵生、胎生、濕生、化生，三界所繫，入於六道一切生處，名色所攝；教化成熟斷一切世間道，令住佛法一切智慧，使無有餘；發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，教化一切眾生無有休息。

[0545c10] 「又一切世界廣狹及中，無數無量，不可分別、不可壞、不可動、不可說、麁細、正住、倒住、平坦、方圓，隨入如是世界智，如因陀羅網差別，如是十方世界差別，皆現前知，發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，如是世界皆現前知，無有休息。

[0545c16] 「又一切佛土入一佛土，一佛土入一切佛土；一一佛土無量莊嚴，離諸垢穢具足清淨，智慧眾生悉滿其中，常有諸佛大神通力，隨眾生心而為示現；發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，淨如是國土，無有休息。

[0545c21] 「又一切菩薩同心同學，共集諸善，無有怨嫉，同一境界，等心和合，常不相離，隨其所應，能現佛身，自於心中，悉能解知諸佛境界，神通智力，常得隨意神通，悉能遊行一切國土，一切佛會，皆現身相，一切生處，普生其中，有如是不可思議大智慧，

具足菩薩行；發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，行如是大智慧道，無有休息。

[0545c29] 「又乘不退輪，行菩薩道，身、口、意業所作不空，眾生見者即必定佛法；聞我音聲，即得真實智慧；有見我者，心即歡喜，離諸煩惱；如藥樹王，為得如是，行菩薩道；發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫，行不退道，所作不空，無有休息。

[0546a06] 「又於一切世界皆得阿耨多羅三藐三菩提，於一毛端，示現入胎、出家、坐道場、成佛道、轉法輪、度眾生、示大涅槃、現諸如來大神智力、隨一切眾生所應度者，念念中得佛道；知一切法如涅槃相，以一音聲，令一切眾生皆發歡喜；示大涅槃而不斷菩薩所行；示眾生大智地，使知一切法皆是假偽；以大智慧神通自在出生變化，充滿法界；發如是大願，廣大如法界，究竟如虛空，盡未來際，盡一切劫得佛道事，求大智慧、大神通等，無有休息。

[0546a17] 「諸佛子！菩薩住歡喜地，以十願為首，生如是等百萬阿僧祇大願；以十不可盡法而生是願，為滿此願，勤行精進。何等為十？一、眾生不可盡；二、世界不可盡；三、虛空不可盡；四、法界不可盡；五、涅槃不可盡；六、佛出世不可盡；七、諸佛智慧不可盡；八、心所緣不可盡；九、起智不可盡；十、世間轉、法轉、智轉不可盡。若眾生盡，我願乃盡；若世界、虛空、法界、涅槃、佛出世、諸佛智慧、心所緣、起智、諸轉盡，我願乃盡；而眾生實不可盡，世界、虛空、法界、涅槃、佛出世、諸佛智慧、心所緣、起智、諸轉實不可盡，我諸願善根，亦不可盡。

[0546a29] 「諸佛子！菩薩決定發是大願，則得利安心、柔軟心、調順心、寂靜心、不放逸心、寂滅心、直心、和潤心、不恚心、不濁心。如是則成信者，樂以信分別功德：信諸佛本所行道，信行諸波羅蜜而得增長，信善入諸地得殊勝功德，信得成佛十力，信具足四無所畏，信不共法不可壞，信諸佛法不可思議，信諸佛自在神力無量無邊，信諸如來無量行門，信從因緣以成果報。舉要言之：信諸菩薩普行諸佛功德、智慧、威神力等。

[0546b09] 「諸佛子！菩薩作是念：『諸佛正法如是甚深、如是離相、如是寂滅、如是空、如是無相、如是無作、如是無染、如是無量、如是廣大、如是難壞。而諸凡夫心墮邪見，無明癡冥，蔽其慧眼，常立憍慢幢，墮在渴愛網，隨順諂曲，常懷慳嫉，而作後身生處因緣；多集貪欲、瞋恚、愚癡，起諸重業，嫌恨猛風，吹罪心火，常令熾然，有所施作，皆與顛倒相應；欲流、有流、見流、無明流，相續起心、意、識，種於三界地，生苦惱芽，所謂：名色；名色和合增長六入；根塵相對生觸；觸故生受；貪樂受故生愛；愛增長故生取；取因緣故復起後有；有因緣故有生、老、死、憂、悲、苦、惱。如是因緣，集諸苦聚，受諸苦惱；是中無我、無我所；無作者、無受者、無知者，如草木、瓦石，又如影、響。凡夫可愍，不知不覺而受苦惱；菩薩於此，見諸眾生不免諸苦，即生大悲智慧，是諸眾生我應救護，令住畢竟佛道之樂，即生大慈智慧。』菩薩摩訶薩隨順如是大慈悲法，以深妙心住在初地，於一切物，無所貪惜，尊重諸佛大妙智故，學行大施，即時所有盡能施與，金銀、摩尼、硨磲、碼碯、瑠璃、珊瑚、琥珀、珂貝、珍寶、瓔珞嚴身之具，及象馬、輦輿、人民、奴婢、國土、城邑、園林、遊觀、妻妾、男女，一切所愛，皆悉施與；頭

、目、耳、鼻、肢節、手足，深重佛故而不貪惜；菩薩摩訶薩住於初地，能行大施。是菩薩以大悲心、大施心，救一切眾生故，勤求世間、出世間利益之事，心無疲懈，是故菩薩生無疲倦功德，於諸經書能自開解，是故生知經書功德；得如是知經書智慧，善能籌量應作不作，於上、中、下眾生隨宜利益，是故菩薩生世智功德；得世智功德，則知時、知量，慚愧莊嚴，修習自利利彼之道，是故則生慚愧功德；如是功德，精勤修行，心不懈退，是精進不退功德，即得堪受力；得堪受力已，勤行供養一切諸佛，隨佛所說，如說修行。諸佛子！是菩薩悉知生起如是淨地法，所謂：信、慈、悲、施，無有疲倦，知諸經書，善解世法，慚愧，堪受，供養諸佛，如所說行。又是菩薩住歡喜地，少見諸佛，以願力故，廣見數百千萬億那由他諸佛世尊，心大歡喜深心愛敬，以上樂具，供養諸佛及一切僧，以是福德皆迴向阿耨多羅三藐三菩提；是菩薩因供養諸佛故，生教化眾生法，多以二攝攝取眾生，所謂：布施、愛語，後二攝法，以信解力行未善通達，是菩薩隨所供養諸佛，教化眾生，皆能受行諸淨地法，如是諸功德皆迴向薩婆若，轉益明顯，堪任有用。譬如金師鍊金，隨以火力，調柔可用，增益光色，如是菩薩供養諸佛，教化眾生，行淨地法，此諸功德皆迴向薩婆若，轉益明顯隨意所用。

[0547a04] 「諸佛子！是菩薩摩訶薩於初地中行果相貌，從諸佛、菩薩、善知識所，諮受請問成地之法，無有厭廢；是菩薩住初地中，於諸佛、菩薩、善知識所，諮受請問第二地中行果相貌，無有厭足；如是第三、第四、第五、第六、第七、第八、第九、第十地中，行果相貌，從諸佛、菩薩、善知識所，諮受請問成十地法，無有厭廢。是菩薩善知諸地對治法，善知諸地成壞，善知諸地行果，善知分別得諸地，善知諸地清淨行，善知諸地從一地至一地行，善知諸地是處非是處，善知諸地轉所住處，善知諸地勝進業，善知諸地得不退轉，乃至善知一切菩薩淨地法入如來智地。諸佛子！如是菩薩善知諸地行，未發初地，乃知十地無有障礙；得諸地智慧光明，乃至知諸佛智慧光明；如大商主，多將賈人，欲至大城，先問道路退還過咎，在道利害；未發初處，知道宿時，乃至善知到彼城事，能以智慧思惟籌量，具諸資用，令無所乏，正導人眾，得至大城，於險道中，免諸患難，身及眾人皆無憂惱；菩薩摩訶薩亦復如是，住於初地而善知諸地對治法，乃至善知一切菩薩淨地法，入如來智地；爾時，菩薩集大福德智慧資糧，為眾生、商主，隨宜教化，令出生死險難惡處，示安隱道，乃至令住薩婆若智慧大城，無諸衰惱；是故菩薩常應心不疲倦，勤修諸地本行，乃至善知入如來智地。

[0547b02] 「諸佛子！是名略說菩薩入歡喜地，廣說則有無量百千萬億阿僧祇事。菩薩住歡喜地，多作閻浮提王，豪貴自在常護正法，能以大施攝取眾生，善除眾生慳貪之垢，常行大施而無窮盡，所作善業、布施、愛語、利益、同事；是諸福德皆不離念佛、不離念法、不離念諸同行菩薩、不離念菩薩所行道、不離念諸波羅蜜、不離念十地、不離念諸力無畏不共法、乃至不離念具足一切種智。常生是心：『我當於一切眾生中，為首、為勝、為大、為妙、為上、為無上、為導、為將、為帥、為尊，乃至於一切眾生中為依止者。』諸佛子！是菩薩若欲捨家，勤行精進，於佛法中，便能捨家、妻、子、五欲；得出家已，勤行精進，須臾之間，得百三昧；得見百佛；知百佛神力；能動百佛世界；能飛過百佛世界；能照百佛世界；能教化百世界眾生；能住壽百劫；能知過去、未來世各百劫事；能善入

百法門；能變身為百，於一一身能示百菩薩以為眷屬。若以願力自在示現，過於此數百千萬億那由他劫不可計知。」

[0547b23] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「若有諸眾生,　　厚修集善根,
成就清白法,　　親近於諸佛,
清淨信樂力,　　隨順慈悲心,
如是人能發,　　無量之佛智。
諸佛一切智,　　無量力清淨,
堪受力堅牢,　　成就諸佛法。
悲心救世間,　　淨修諸佛國,
敷演轉法輪,　　發此無上願。
一念知三世,　　而無有別異,
種種時差別,　　以示於世間。
略說則盡求，　　諸佛之功德，
發於廣大心,　　猶若如虛空。
悲心智慧首,　　方便合修行,
深直心淳至,　　其力無有量。
心向無障礙,　　而不隨他教,
同諸佛平等,　　而生於大心。
諸佛子發生,　　如是之寶心,
即離凡夫地,　　入於佛所行。
即生如來家,　　無有可譏嫌,
則同於諸佛,　　必成無上道。
生如是心時,　　即便得初地,
其心不可動,　　猶如大山王。
是菩薩便有,　　大喜相顯現,
其心常清淨,　　堪受於大事。
心不樂鬪訟,　　不好惱眾生,
無有瞋恨心,　　樂慚愧恭敬。
又習行直心,　　守護於諸根,
常念救世間,　　念求諸佛智。
心生於歡喜,　　我當得此事,
得於歡喜地,　　即過五恐怖。
不活死惡名,　　惡道眾威德,
以不貪著我,　　及與我所故。
是諸佛子等,　　遠離諸怖畏,
常行慈悲心,　　恒有信恭敬。
慚愧功德備,　　晝夜增善法,
樂功德實利,　　不樂於諸欲。

如有所聞法，　能常善思惟，
無有貪著行，　斷諸利養心。
常樂於菩提，　一心求佛智，
行諸波羅蜜，　離於諂曲心。
隨說而能行，　安住實語中，
不污諸佛家，　不捨菩薩學。
遠世間事願，　樂出於世間，
求善法無厭，　精進轉增益。
諸菩薩如是，　好樂諸功德，
而發於大願，　求欲見諸佛。
護法至佛所，　行菩薩妙行，
化一切眾生，　淨一切佛土。
我佛國土中，　滿諸大菩薩，
諸菩薩同心，　見聞皆不空。
一切微塵中，　諸佛成佛道，
發於如是等，　無量無邊願。
是願無窮盡，　如虛空眾生，
法界世涅槃，　諸佛出智慧。
心緣起智轉，　我願如是住，
如是發大願，　心柔軟調順。
能信佛功德，　而觀於眾生，
知從因緣起，　則生慈悲心。
即於苦眾生，　我當救度之，
為是眾生故，　而行種種施。
所謂妙國土，　一切諸珍寶，
象馬及車乘，　眷屬與人民，
頭目及手足，　肌肉施無悔，
求種種經書，　心無有疲倦，
得解其義趣，　能隨世而行。
慚愧堪受力，　漸令得增長，
能以恭敬心，　供養無量佛。
智者於日夜，　如是常修行，
善根轉明淨，　猶若成鍊金。
菩薩住是地，　能了知十住，
展轉修行時，　無有諸障礙。
譬如賈客主，　欲利諸商人，
先問道路中，　諸險艱難事。
菩薩住初地，　善知諸地行，
而無有障礙，　能至於佛地。
住是初地中，　多作閻浮王，

善知於諸法,　常行慈悲心。
如法而化導,　一切皆信敬,
勸令行布施,　以求佛智慧。
菩薩若捨國,　佛法中出家,
勤行於精進,　即得百三昧。
能見百諸佛,　震動百國土,
光明照百國,　飛行亦如是。
化百土眾生,　入於百法門,
念知百劫事,　示現於百身。
能以百菩薩,　眷屬而示現,
若以其願力,　過是數無量。
今明初地義,　但以略解說，
若欲廣說者，　億劫不能盡。
是初菩薩地,　名之為歡喜,
利益眾生者,　今已分別竟。」

大方廣佛華嚴經卷第二十四

東晉天竺三藏佛馱跋陀羅譯

◎
十地品第二十二之二

一切菩薩眾,　聞說上地義，
其心皆清淨,　歡喜無有量。
各於所坐處,　踊住虛空中,
以諸上妙華,　散於金剛藏。
咸皆稱讚言：　「善哉金剛藏,
大智無所畏,　善說菩薩地。」
解脫月大士，　知眾心清淨,
欲聞第二地,　行相之所說。
即請金剛藏,　大智願解說，
第二地行相,　一切皆欲聞。

[0548c16] 金剛藏菩薩語解脫月菩薩言：「佛子！菩薩摩訶薩已具足初地，欲得第二地者，當生十種直心。何等為十？一、柔軟心；二、調和心；三、堪受心；四、不放逸心；五、寂滅心；六、真心；七、不雜心；八、無貪吝心；九、勝心；十、大心。菩薩以是十心得入第二地。菩薩住離垢地，自然遠離一切殺生，捨棄刀仗，無瞋恨心，有慚有愧，於一切眾生起慈悲心，常求樂事，尚不惡心惱於眾生，何況加害？離諸劫盜資生之物，常知止足，若物屬他，他所受用，於是物中不與不取；離於邪婬，自足妻色，於他女人不生一念；離於妄語，常真實語、諦語、隨語，乃至夢中尚不妄語，何況故作？離於兩舌無破壞心，於鬪諍離散人中，常好和合；離於惡口，所有言語麁獷苦惡，自壞其身，亦壞於他，如是等語皆悉捨離；離無義語，常自守護，所可言說，應作不作，常知時語、利益語、順法語、籌量語，乃至戲笑，尚無所犯，何況故作？不貪他物，若物屬他，他所攝用，不作是念：『我當取之。』離瞋害心，常於眾生，求愛潤心、慈悲心；離於占相，習行正見，決定深信罪福因緣；離於諂曲，誠信三寶，生決定心。菩薩如是常護善道，作是思惟：『一

切眾生墮惡道者，皆由十不善道；我當自住善法，亦當為人說諸善法，示正行處。何以故？若人自不行善，為他說法令住善者，無有是處。』又深思惟：『行十不善道，則墮地獄、畜生、餓鬼；行十善道，則生人處，乃至有頂。又是十善道與智慧和合修行，若心劣弱，樂少功德，厭畏三界，大悲心薄，從他聞法至聲聞乘；若行是十善道，不從他聞，自然得知，不能具足大悲方便，而能深入眾因緣法至辟支佛乘；若行是十善道清淨具足，其心廣大無量無邊，於眾生中起大慈悲，有方便力，志願堅固，不捨一切眾生，求佛大智慧，淨菩薩諸地，淨諸波羅蜜入深廣大行，則能得佛十力、四無所畏、四無礙智、大慈大悲，乃至具足一切種智，集諸佛法，是故我應行十善道求一切智。』

[0549a26] 「是菩薩復作是思惟：『此十不善道，上者、地獄因緣；中者、畜生因緣；下者、餓鬼因緣。於中殺生之罪，能令眾生墮於地獄、畜生、餓鬼；若生人中，得二種果報，一者、短命；二者、多病。劫盜之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、貧窮；二者、共財不得自在。邪婬之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、婦不貞潔；二者、得不隨意眷屬。妄語之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、多被誹謗；二者、為人所誑。兩舌之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、得弊惡眷屬；二者、得不和眷屬。惡口之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、常聞惡音；二者、所可言說，恒有諍訟。無義語罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、所有言語，人不信受；二者、有所言說不能明了。貪欲之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、多欲；二者、無有厭足。瞋惱之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、常為一切求其長短；二者、常為眾人之所惱害。邪見之罪，亦令眾生墮三惡道；若生人中，得二種果報，一者、生邪見家；二者、其心諂曲。諸佛子！如是十不善道皆是眾苦大聚因緣。』

[0549b22] 「菩薩復作是念：『我何故不離是十不善道，行十善道，亦令他人行此善道？』如是念已，即離十不善道，安住十善道，亦令他人住於善道。是菩薩爾時於一切眾生，生安隱心、樂心、慈心、悲心、哀愍心、利益心、守護心、師心、大師心、自己心。作是念：『是諸眾生墮於邪見，隨逐邪心，行邪險道，甚可哀愍；我應令彼住正見道如實法中。是諸眾生常共鬪諍，分別彼我；我應令彼住於大慈。是諸眾生常貪財物，無有厭足，恒以邪命而自生活；我應令彼住於清淨身、口、意業。是諸眾生隨逐貪欲、瞋恚、愚癡，常為種種煩惱大火之所燒然，不能志求出要方便；我應令彼滅煩惱火置清涼處。是諸眾生常為無明所覆，入大黑闇；離慧光明，入於生死大險道中，隨逐種種無量邪見；我應令彼得無障礙清淨慧眼，以是眼故，知一切法如實相，得不隨他一切如實無障礙智。是諸眾生墮生死道，將墜地獄、畜生、餓鬼、入邪見網，為種種愚癡叢林所覆，隨逐虛妄邪道徑路，常為愚癡之所盲冥，遠離導師，非出要道；謂為出要，隨順魔心遠離佛意；我應令彼度於生死險道艱難安處，令住一切智人無畏大城無諸衰惱。是諸眾生為諸煩惱暴水所沒；欲、有、見、無明，四流所漂；隨生死流，入大愛河；為諸煩惱勢力所食，不能得求出要之道；常為欲覺、恚覺、惱覺、惡蟲所害；又為水中身見羅剎所執，入於五欲深流洄復，喜愛淤泥之所沒溺，我慢陸地之所燋枯，無所歸趣；於十二入怨賊聚落，不能得出；不遇導師

能正度者；我應於彼生大慈悲，以善根力而拔濟之，得安隱處，離諸恐怖，住於一切智慧寶洲。是諸眾生深心貪著，多有憂悲苦惱患難，憎愛所縛，欲械所繫，入於三界無明稠林；我應令彼遠離一切三界所著，令住離相無礙涅槃。是諸眾生深著我、我所、於五陰樔窟，不能自出，常隨四倒，依六入空聚，為四大毒蛇之所侵害，為諸煩惱眾賊所殺，受此一切無量苦惱；我應令彼離諸貪著，住於寂靜，所謂斷一切障礙安隱涅槃。是諸**眾生其心狹劣，樂於小法，遠離無上一切智慧，貪著小乘不能志求大乘出法；我應令彼住廣大心，無量無邊諸佛道法，所謂無上大乘。』**

[0550a08] 「諸佛子！是菩薩如是隨順持戒力，善能廣生大慈悲心。是菩薩住離垢地，得見數百千萬億那由他諸佛世尊，以衣被、飲食、臥具、醫藥、資生之物而供養之；於諸佛所生恭敬心，復受十善道，乃至得阿耨多羅三藐三菩提終不中失；是菩薩若干百千萬億劫，遠離慳貪、破戒垢故，淨修布施、持戒功德；譬如真金，**鍊之以火，一切垢盡，轉復明淨。菩薩亦如是，住離垢地，若**干百千乃至無量百千萬劫，遠離慳貪、破戒垢故，淨修布施、持戒功德；菩薩爾時於四攝法，愛語偏多；十波羅蜜，戒波羅蜜偏勝；餘波羅蜜，亦皆修集，隨地增長。

[0550a21] 「佛子！是名菩薩摩訶薩第二離垢地。菩薩住是地，多作轉輪聖王，為大法王，廣得法力，七寶成就，有力自在，能除一切**眾生慳貪、破戒之垢；以善方便，令眾生住十善道，為大布施而不窮盡；所作善業，布施、愛語、利益、同事，是諸福德，皆不離念佛，不離念法，乃至不離念具足一切種智。常生是心：『我當於一切眾生中為首、為勝，乃至於一切眾生中為依止者。』佛子！是菩**薩若欲捨家，勤行精進，於佛法中，便能捨家妻子五欲；得出家已，勤行精進，須臾之間，得千三昧、得見千佛、知千佛神力、能動千佛世界、能飛過千佛世界、能照千佛世界、能教化千世界**眾生、能住壽千劫、能知過去未來世各千劫事、能善入千法門、能變身為千，於一一身能示千菩薩以為眷屬。若以願力自在示現，過於此數百千萬億那由他劫不可計知。」**

[0550b09] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「菩薩入二地，　柔軟調和心，
堪受不放逸，　寂滅真不雜，
亦無有貪吝，　勝大悉具足，
得是十心已，　入於第二地。
菩薩住是地，　成就諸功德，
常離於殺生，　不惱害一切，
常離於劫盜，　亦無有邪婬，
不兩舌妄語，　惡口無義言，
他所有財物，　不生於貪著，
不惱於**眾生**，　**直心行正見**，
無有**憍慢心**，　**亦無諂曲意**，
柔軟不放逸，　護持諸佛教。

所有劇苦惱,　　地獄與畜生,
餓鬼熾然身,　　皆從惡心有。
我今已永離,　　如是諸惡事,
行於真實道,　　寂滅之善法。
從人至有頂,　　所有受樂處,
禪定三乘樂,　　皆從十善生。
如是思惟已,　　心常不放逸,
身自持淨戒,　　亦教人令持。
遍觀諸眾生,　　種種受苦惱,
如是愍念已,　　轉生深悲心。
凡夫甚可愍,　　墮在諸邪見,
心多懷瞋恨,　　常好起諍訟。
常樂於五欲,　　貪求無有厭,
起三毒因緣,　　我應度此等。
深覆愚癡闇,　　墜生死險道,
入大邪見網,　　墮於世籠檻。
常為諸魔賊,　　煩惱之所壞,
此等甚可愍,　　我應度脫之。
沒深煩惱水,　　四流所漂轉,
具受於三界,　　無量諸苦毒。
住五陰深樸,　　生我我所心,
我為度此苦,　　當勤修行道。
捨無上佛慧,　　生於下劣心,
令住佛大智,　　發無量精進。
菩薩住此地,　　集無量功德,
得值遇諸佛，　　承事而供養。
以是因緣故,　　善根轉明淨,
猶如好真金,　　鍊之以火力。
佛子住此地,　　多作轉輪王,
令諸眾生等,　　住於十善道。
從初始發心,　　修集諸福德,
願以救世間,　　令得佛十力。
若欲捨王位,　　出家行學道,
勤心行精進,　　得入千三昧。
得見於千佛,　　供養聽受法,
菩薩住此地,　　能示如是事。
若以其願力,　　示諸神通事,
度脫於眾生,　　過此數無量。
常為諸世間,　　勤求好事者,
具足解說此，　　第二地已竟。」◎

[0551a05] ◎第三地

諸菩薩聞是,　　不可思議行,
心皆大歡喜,　　恭敬無有量。
即時虛空中,　　雨眾名華香,
如雲而散下,　　供養金剛藏。
咸讚言善哉：　　「善哉金剛藏,
善說諸大人，　　護持淨戒行，
於一切眾生,　　深有哀愍心,
敷演解說是，　　二地之行相。
菩薩微妙行,　　真實無有異,
是諸菩薩等,　　清淨之行足,
為一切眾生,　　常求好事者,
已為具演說，　　第二離垢地。
天人恭敬者,　　願說第三地，
善示智所作,　　菩薩之所行。
願說諸大人，　　所行布施德,
持戒及忍辱,　　精進行禪定,
智慧巧方便,　　并及慈悲心,
云何行是法,　　淨於諸佛行？」
解脫月菩薩，　　請金剛藏言：
「菩薩入三地,　　當以何等心？」

[0551a26] 金剛藏菩薩語解脫月菩薩言：「佛子！諸菩薩摩訶薩淨第二地已，欲得第三地，當以十種深心。何等為十？一、淨心；二、猛利心；三、厭心；四、離欲心；五、不退心；六、堅心；七、明盛心；八、無足心；九、勝心；十、大心。菩薩以是十心得入第三地。菩薩住明地，能觀一切有為法如實相；所謂：無常、苦、無我、不淨、不久敗壞、不可信相、不生不滅、不從前際來、不去至後際、現在不住；菩薩如是觀一切有為法真實相，知諸法無作、無起、無來、無去，而諸眾生憂悲苦惱，憎愛所繫，無有停積，無定生處；但為貪、恚、癡火所然，增長後世苦惱大聚，無有實性猶如幻化。見如是已，於一切有為法，轉復厭離，趣佛智慧；是菩薩知如來智慧不可思議，不可稱量；有大勢力，無能勝者、無有雜相、無有衰惱、能至無畏安隱大城，能救無量苦惱眾生。如是見知佛智無量，見有為法無量苦惱，於一切眾生，轉生殊勝十心。何等為十？眾生可愍，孤獨無救，貧無依止，三毒之火熾然不息，閉在三有牢固之獄，常住煩惱諸惡刺林，無正觀力，於善法中欲樂心薄，失佛妙法而常隨順生死水流，怖畏涅槃。是菩薩見諸眾生如是衰惱，發大精進，是眾生等，我應救、我應解、應令清淨、應令得脫、應著善處、應令安住、應令歡喜、應令知所宜、應令得度、應使滅苦。

[0551b23] 「菩薩如是厭離一切有為法，深念眾生，見一切智無量利益，即時欲具佛智慧，救度眾生，勤行菩薩道；作是思惟：『此諸眾生墮在大苦諸煩惱中，以何方便而拔濟之，使得永住畢竟之樂；即時知住無礙解脫智慧中者，乃可得此是無礙解脫智慧，不離通達諸法如實智無行行慧；如是慧明，從何而得？當知不離多聞決定智慧。』復作是念：『一切佛法以何為本？不離聞法為本。』菩薩如是知已，一切求法，轉加精勤，日夜聽受，無有厭足，喜法、愛法、依法、順法、滿法、辯法、究竟法、歸法、救法、隨順行法。菩薩如是方便求法，所有珍寶無所遺惜，於此物中不生難想，但於說法者，生難遭想。為求法故，於內外物無不能捨，國土、人民、摩尼七寶、象馬、輦輿、眾寶、瓔珞、嚴身之具、妻妾、男女、肢節、手足，舉身施與，無所愛惜。又為求法故，於說法者，盡心恭敬供養給侍，破除憍慢、我慢、大慢，諸惡苦惱，悉能忍受。深求法故，若得一句未曾聞法，勝得三千大千世界滿中珍寶；得聞一偈，勝得轉輪聖王、釋提桓因、梵天王處無量劫住。是菩薩若有人來作如是言：『我有佛所說法一句能淨菩薩道，汝今若能入大火阬受大苦者，當以相與。』是菩薩作是念：『我受一句法故，設令三千大千世界大火滿中，尚從梵天而自投下，何況小火；我盡受一切諸地獄苦，猶應求法，何況人中諸小苦惱。為求法故，發如是心，又如所聞法，心常喜樂，悉能正觀。』是菩薩聞諸法已，降伏其心，於空閑處，心作是念：『如說行者，乃得佛法，但以口言，無有是處。』菩薩如是則離欲惡不善法，有覺有觀，離生喜樂，入初禪；滅覺觀，內清淨，心一處，無覺無觀，定生喜樂，入二禪；離喜，行捨，成就念慧，身受樂，諸賢聖能說能捨，常念受樂，入三禪；斷棄苦樂，憂喜已滅，不苦不樂，行捨念淨，入四禪。是菩薩過一切色相，滅一切有對相，不念一切別異相故，知無邊虛空即入虛空無色定處；過一切虛空相，知無邊識即入識無色定處；過一切識相，知無所有即入無所有無色定處；過一切無所有處，知非有想、非無想安隱，即入非有想非無想無色定處；順諸法行而不樂著。是菩薩以慈心廣大無量，無瞋恨，無惱害，以信解力遍滿十方；悲、喜、捨心，亦復如是。是菩薩有神通力能動大地，一身為多身，多身為一身，現沒還出，石壁皆過，如行虛空，於虛空中，跏趺而去；猶如飛鳥，履水如地，入地如水；身出煙焰，如大火聚；日月威德而能以手捫摸摩之身力自在，乃至梵世。是菩薩天耳清淨，過天人耳，悉聞人天音聲遠近。是菩薩以他心智，如實知他心、欲心；如實知欲心、離欲心；如實知離欲心、瞋心、離瞋心；癡心、離癡心；垢心、離垢心；小心、大心；廣心、狹心；亂心、無亂心；定心、不定心；縛心、解心；有上心、無上心；如實知有上心、無上心。是菩薩念知宿命諸所生處，一世、二世乃至百千萬億那由他世；一劫、二劫乃至百千萬億那由他劫，其中諸劫無量成壞，於諸劫中所經因緣，悉能念知，我生彼處，如是種族、如是姓名、如是飲食、如是苦樂、如是久住；我於彼死，生於此間；於此間死，生於彼間，如是種種悉能念知。是菩薩天眼清淨，過天人眼，見諸眾生死此生彼，形色好惡，貧賤富貴，趣善惡道，隨業受報，皆如實知。所謂：是諸眾生成就身惡業、口惡業、意惡業、拒逆賢聖、受邪見教，起罪業因緣故，身壞命終，墮於惡道；是諸眾生成就身善業、口善業、意善業，不逆賢聖，信受正見，行善業因緣故，身壞命終生於善處。是菩薩於諸禪定解脫三昧，能入、能出而不隨生；有助菩提法處；以願力故，能生

其中。

[0552b10] 「是菩薩住於明地，見數百千萬億那由他諸佛、世尊，恭敬供養，尊重讚歎，衣服、飲食、臥具、醫藥、親近諸佛、聽受經法，如說修行。是菩薩觀諸法不生不滅，眾緣而有；於百千億劫，所集欲縛、有縛、無明縛，皆悉微薄，不復積集；不積集故，斷於邪貪、邪瞋、邪癡；譬如真金巧師鍊治，轉更精好，光明倍勝。菩薩亦如是住在明地，不集三縛故，斷於邪貪、邪瞋、邪癡，一切善根轉增明淨。是菩薩忍辱心、美妙心、不壞心、不動心、不濁心、不高下心、一切所作不望報心、他少有所作當生報心、不諂曲心、不染亂心、轉勝明淨。菩薩爾時於四攝法，愛語、利益偏多；十波羅蜜，忍辱波羅蜜、精進波羅蜜偏勝，餘助菩提法，皆轉明淨。諸佛子！是名略說菩薩第三明地。菩薩住是地中，多作釋提桓因，智慧猛利，能以方便，轉諸眾生，令離婬欲；所作善業，布施、愛語、利益、同事，皆不離念佛，不離念法，乃至不離念具足一切種智。常生是心：『我當於一切眾生為首、為勝，乃至於一切眾生為依止者。』是菩薩若欲勤行精進，於須臾間，能得十萬三昧，乃至能示十萬菩薩以為眷屬。若以願力神通自在過於此數，若干百千萬億那由他劫不可計知。」

[0552c05] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「菩薩深信心，　　能得第三地，
清淨猛利心，　　厭離欲不退，
堅堪受無厭，　　勝大悉具足，
以如是等心，　　得入於三地。
智者住明地，　　觀有為作法，
不淨無常苦，　　無我壞敗相，
無有牢固性，　　不久念念滅，
如是思惟知，　　無有來去相。
見諸有為法，　　如病如癰瘡，
愛心所纏縛，　　生諸憂悲苦。
但為貪恚癡，　　猛火所焚燒，
從無始世來，　　熾然常不息。
即時於一切，　　三界生厭離，
惡賤有為法，　　心無所貪著。
但求諸佛智，　　無量無邊限，
甚深難思議，　　清淨無諸苦。
如是見佛智，　　無諸苦惱已，
哀愍諸眾生，　　貧窮無福慧。
三毒火常然，　　無有救護者，
墮在地獄中，　　無量苦所切。
放逸凡夫人，　　沒諸煩惱海，
盲冥無所見，　　失諸佛法寶。

常隨生死流,　　無怖空怖畏,
我於是眾生,　　當勤度脫之。
精進求智慧,　　為作饒益者,
思惟何方便,　　可以得救護。
唯有諸如來,　　深妙無礙智,
此智何為因,　　無行行慧生。
思惟是智慧,　　從於多聞起,
如是籌量已,　　勤求多聞法。
日夜常精進,　　聽受無厭倦,
讀誦愛樂法,　　唯法以為貴。
為欲求法故,　　以諸珍寶等,
所親愛妻子,　　隨意諸眷屬,
國土及城邑,　　資生諸寶物,
歡喜而施與,　　心無所戀惜。
頭目耳鼻舌,　　牙齒及手足,
肢節身血肉,　　心肝及髓腦,
以此等施人,　　猶不以為難,
若得聞正法,　　是為甚希有。
假令有一人,　　語此菩薩言,
汝今若能入,　　是大猛火聚,
然後當與汝,　　諸佛所說法。
聞已即歡喜,　　自投無有疑。
設使三千界,　　大火滿其中,
須彌梵世下,　　不足以為難。
若為求一句,　　諸佛所說法 ,
救諸苦惱者,　　得之為甚難。
從初始發心,　　乃至成佛道,
我於其中間,　　盡此諸劫數,
為欲求法故,　　備受阿鼻苦,
何況於人間,　　小小諸苦惱。
以聽法因緣,　　能得正憶念,
正憶念因緣,　　能生諸禪定,
深妙等三昧,　　及五神通事,
次第皆能起,　　自在不隨生。
菩薩住是地,　　能以決定心,
多供養諸佛,　　聽受所說法。
斷邪愛恚癡,　　諸縛悉微薄,
猶如成鍊金,　　調和得其所。
菩薩住是地,　　福德藏充滿,
多作忉利王,　　自在化婬欲。

愛佛功德故,　　化導無量眾,
悉能令得住,　　無上佛道中。
菩薩住是地,　　能以柔軟心,
勤行於精進,　　得百千三昧。
見百千諸佛,　　相好莊嚴身,
其心轉猛利,　　願力者殊勝。
常為諸眾生,　　勤求好事者,
分別解說此，　　第三明地竟。」

[0553b19] 第四地

諸佛子聞說，　　如是地行義，
深妙無有量,　　心皆大歡喜。
散眾名華香,　　供養於如來,
地及大海水,　　悉皆大震動。
天諸采女等,　　於上虛空中,
同以微妙音,　　歌頌此上法。
他化自在王,　　聞已大歡喜,
雨摩尼珠寶,　　以散於佛上。
踊躍稱讚言：　　「善哉佛出世,
功德藏流布,　　利益於我等。
我今聞說此，　　菩薩地行義，
是事百千劫,　　難聞而得聞。
願更說後地，　　利益諸天人，
僉皆喜欲聞,　　得地諸行義。」
解脫月菩薩。　　重請金剛藏：
「願為諸菩薩,　　說至四地行。」

[0553c07] 金剛藏菩薩語解脫月菩薩言：「佛子！諸菩薩摩訶薩淨三地已，欲得第四地，當以十法明門。何等為十？一、觀察眾生界；二、觀察法界；三、觀察世界；四、觀察虛空界；五、觀察識界；六、觀察欲界；七、觀察色界；八、觀察無色界；九、觀察勝信解界；十、觀察大心界。菩薩以此十法明門得入第四地。菩薩住焰地，即於如來家，轉有勢力，得內法故，有十種智。何等為十？一、心不退轉；二、於三寶中得不壞信清淨畢竟；三、修習觀生滅；四、修習諸法本來不生；五、常修習世間成壞；六、修習業因緣故有生；七、修習分別生死涅槃門差別；八、修習眾生業差別；九、修習前際後際差別；十、修習現在常滅不住行。是十智心，則生佛家轉得勢力。

[0553c21] 「佛子！菩薩摩訶薩住是第四地，觀內身循身觀，精勤一心，除世間貪憂；觀

外身循身觀，精勤一心，除世間貪憂；觀內外身循身觀，精勤一心，除世間貪憂；觀內受、外受、內外受；內心、外心、內外心；內法、外法、內外法循法觀，精勤一心，除世間貪憂。是菩薩未生惡不善法，為不生故，勤精進發心正斷；已生諸惡不善法，為斷故，勤精進發心正斷；未生諸善法，為生故，勤精進發心正行；已生諸善法，為住不失修滿增廣故，勤精進發心正行。是菩薩修行四如意足，欲定，斷行成就，修如意足；依止厭、依止離、依止滅，迴向涅槃；精進定、心定、慧定斷行成就，修如意足；依止厭、離、滅，迴向涅槃。是菩薩修行信根、精進根、念根、定根、慧根，依止厭、離、滅，迴向涅槃。是菩薩修行信力、精進力、念力、定力、慧力，依止厭、離、滅，迴向涅槃。是菩薩修行念覺分、擇法覺分、精進覺分、喜覺分、猗覺分、定覺分、捨覺分，依止厭、離、滅，迴向涅槃。是菩薩修行正見、正思惟、正語、正業、正命、正精進、正念、正定，依止厭、離、滅，迴向涅槃。是菩薩以不捨眾生心故行，以本願助故；大悲為首故；大慈合行故；為攝一切智；為莊嚴佛國；為具佛諸力、無畏、不共法、三十二相、八十種好；為具足音聲；為隨順佛深解脫；為思惟大智慧方便故行。

[0554a19] 「諸佛子！菩薩住焰地，所有身見等著、我著、眾生著；人壽者、知者、見者著；五陰、十二入、十八界所起，屈伸卷舒出沒，推求心所行愛著，寶重所見，為歸為洲，皆悉斷滅。是菩薩轉倍精進，智慧方便所生助道法，隨所修行，心轉柔和，堪任有用，無有疲倦；轉求上法，增益智慧，救一切世間，隨順諸師，恭敬受教，如所說行。是菩薩爾時，知恩、知報恩，心轉和善，同止安樂；直心、軟心，無有邪曲；行正定行，無有憍慢；隨順教誨，得說者意，如是具足善心、軟心、寂滅心、忍辱心，淨地諸法，思惟修行。是菩薩爾時成不轉精進、不捨精進、不染精進、不壞精進、不厭倦精進、廣大精進、無邊精進、猛利精進、無等等精進、救一切眾生精進。是菩薩修習如是精進，直心清淨，不失深心，信解明利，善根增長，遠離世間垢濁不信，皆已滅盡，無疑無悔，現前具足；於一切佛大信解事，不厭不捨，自然習樂，無量之心，常現在前。菩薩住第四焰地，能見數百千萬億那由他諸佛、世尊，恭敬供養，尊重讚歎，衣服、飲食、臥具、醫藥，親近諸佛，一心聽法，能信奉持，多於佛所，出家修道；是菩薩樂心、深心清淨，信解平等，轉更明了，住壽多劫，若干百千萬億那由他劫善根轉勝。譬如上真金為莊嚴具，餘金不及；如是菩薩住此焰地，善根轉增，下地菩薩所不能及。譬如摩尼珠，光明清淨能照四方，餘寶不及，水雨澆漬光明不滅；菩薩住焰地，下地菩薩所不能及，一切諸魔及諸煩惱皆不能壞。諸佛子！是名略說菩薩第四焰地。菩薩住是地中，多作須夜摩天王，教化眾生，破於我心；所作善業，布施、愛語、利益、同事，皆不離念佛，不離念法，乃至不離念具足一切種智。常生是心：『我當於一切眾生為首、為勝，乃至於一切眾生為依止者。』是菩薩若欲勤行精進，須臾之間得百億三昧，乃至示現百億菩薩以為眷屬。若以願力自在示現，過於此數若干百千萬億那由他劫，不可計知。」

[0554b28] 爾時，金剛藏菩薩欲重明此義，以偈頌曰：

「諸菩薩具足，　修治明地已，

觀察諸眾生,　法及於世界,
虛空識欲色,　無色勝信解,
大心清淨故,　得入第四地。
即於如來家,　增長得勢力,
不退於佛道,　三寶不壞信。
觀諸法生滅,　一切本來空,
知世間成敗,　從業而有生。
眾生業差別,　生死涅槃異,
觀法先後際,　常滅不住相。
諸大菩薩等,　得如是法已,
哀愍諸眾生,　習身受心法。
內外四念處，　依止於厭離，
亦依止寂滅,　迴向於涅槃。
除滅惡法故,　善法得增長,
習行四正法,　修四如意足,
習行於五根,　及以修五力,
修習七覺意,　行於八聖道,
修習如是法,　皆為眾生故。
本願之所助,　慈悲心為首,
為攝一切智,　莊嚴諸佛土。
成就十種力,　無畏不共法,
諸音聲言說，　甚深妙道法，
及無礙解脫，　大智慧方便。
從身見為首,　六十二見等,
眾生及我人,　壽命知見者,
於諸陰界入,　之所貪著處,
得是第四地,　皆悉已滅離。
斷諸煩惱業,　其心轉明淨,
諸所作善業,　皆為救世間。
菩薩柔軟心,　常不為放逸,
堪用正直意,　求利於眾生。
如此所求事,　皆為無上道,
大智慧職位,　利益世間故。
深心敬養師,　如說樂修行，
知恩報恩者,　易化無瞋恨。
無有邪曲心,　柔和同止樂,
修習如是法,　精進不退轉。
菩薩住是地,　不失深直心,
淨心與信解,　增長諸善根。
世間諸垢濁,　不信疑悔事,

如是等諸法，　皆悉得除滅。
諸菩薩住是，　第四焰地中，
得值無量佛，　諮受所說法。
於是諸佛所，　出家難沮壞，
如真金莊嚴，　餘金所不及。
菩薩住是地，　諸功德深心，
智慧及方便，　所行清淨道。
乃至千億魔，　皆所不能壞，
如真妙明珠，　不為水雨敗。
菩薩住是地，　天人所供養，
多作夜摩王，　能轉諸邪見。
所作諸善業，　皆為佛智慧，
其心常堅固，　不可得動轉。
若勤行精進，　得百億三昧，
能見百億佛，　願力則過是。
如是第四地，　清淨名為焰，
無量福慧者，　今已解說竟。」◎

[0556b22] 「菩薩如是行時，以布施教化眾生，愛語、利益、同事亦教化眾生；又以色身示現教化眾生，亦以說法教化眾生，亦示諸菩薩行事教化眾生，亦示諸佛大事教化眾生，亦示生死過惡教化眾生，亦示諸佛智慧利益教化眾生。菩薩如是修習，以大神力，種種因緣方便道，教化眾生。是菩薩雖種種因緣方便，心常在佛，不失善根，又復常求轉勝利益眾生法。是菩薩利益眾生故，知世所有經書、技藝、文章、算數，金石諸性，治病醫方，乾消癩病，鬼著蠱毒等，妓樂、歌舞、戲笑、歡娛、國土、城郭、聚落、室宅、園林、池觀、華果、藥草、金銀、瑠璃、珊瑚、琥珀、硨磲、碼碯、示諸寶聚，日月、五星、二十八宿、占相吉凶、地動夢怪，身中諸相，布施、持戒攝伏其心，禪定、神通、四無量心、四無色定，諸不惱亂，安眾生事，哀眾生故，出如此法，令入諸佛無上之法。菩薩住難勝地，值數百千萬億佛，恭敬供養，尊重讚歎，衣服、飲食、臥具、醫藥、親近聽法、聞法出家而為法師，說法利益，得轉勝多聞三昧，乃至過百千萬億劫而不忘失，一切福德善根，轉勝明淨。譬如成鍊真金、硨磲，磨瑩其光轉勝。菩薩住是地中，方便智慧力故，功德善根轉淨明勝，下地不及；又如日月星宿諸天宮殿，風持令去，不失法度。如是菩薩住難勝地，以方便思惟故，福德善根轉倍明淨，而不取證，亦不疾成於無上道。佛子！是名略說菩薩難勝地。菩薩住是地中，多作兜率陀天王，諸根猛利，悉能摧伏一切外道有所作業，布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念具足一切種智；常生是心：『我當於一切眾生為首、為勝，乃至於一切眾生為依止者。』佛子！是菩薩若欲勤行精進，須臾之間，得千億三昧，乃至能示千億菩薩，以為眷屬。若以願力神通自在，復過是數若干百千萬億劫不可計知。」

[0557a01] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「諸菩薩具足，　四地行法已，
　思惟三世佛，　戒心除疑悔，
　道非道知見，　菩提化眾生，
　如是平等觀，　得入第五地。
　四念處為弓，　信五根為箭，
　四正勤為馬，　四如意為車，
　五力以為鎧，　破諸煩惱賊，
　勇健不退轉，　直入第五地。
　慚愧無垢衣，　淨戒以為香，
　七覺為華鬘，　禪定為塗香，

智慧與方便，　種種念莊嚴，
如是則得入，　陀羅尼園林。
四如意為足，　正念為頭項，
慈悲明淨眼，　利智慧為牙，
以空無我吼，　破諸煩惱賊，
如是人師子，　能入第五地。
是菩薩已得，　住於第五地，
轉修勝淨法，　皆為佛道故，
常行慈悲心，　未曾有厭倦，
常為修習此，　第五地行法。
深集二資糧，　福德及智慧，
種種方便力，　上地明觀法，
常為佛所護，　得成於念慧，
次第能善觀，　如實知諸諦。
苦集滅止道，　世相第一事，
說生起差別，　無生如來智，
如是觀諸諦，　心微妙清淨，
雖未能逮得，　無障礙解脫。
以能有智慧，　及與信力故，
得勝於一切，　世間諸智慧。
如是觀諸諦，　悉知有為法，
虛偽不真實，　無一堅固相。
能得於諸佛，　慈悲光明分，
為諸眾生故，　專心求佛慧。
知有為先後，　眾生甚可愍，
墮在無明闇，　愛因緣所繫。
是菩薩能滅，　世間之苦惱，
知法無壽者，　猶如草木等。
眾生常以二，　煩惱因緣故，
從於先世來，　後世亦如是。
相續不斷絕，　不能盡苦邊，
於此生愍傷，　我當度脫之。
不能出五陰，　不畏四大害，
不拔諸邪箭，　不滅三毒火，
不除無明闇，　墮在大愛海，
無有智慧眼，　離大導師故。
知如是事已，　轉加勤精進，
有所作起業，　皆為度眾生。
常住正念慧，　有道有慚愧，
堅心覺隨智，　轉更令增益。

修福慧無厭,　　持戒不羸弱,
求多聞無倦,　　正修淨佛土。
種相好音聲,　　因緣無厭足,
所作諸善業,　　皆為利眾生。
為利世間故,　　造立經書等,
金石性醫方,　　歌舞戲笑事,
堂閣及園林,　　衣服諸飲食,
示種種寶聚,　　令眾得歡喜。
占日月五星,　　及二十八宿,
地動吉凶相,　　夢書諸怪事,
布施淨戒等,　　離欲修禪定,
四無量神通,　　安樂世間故。
大智慧菩薩,　　得此難勝地,
供養萬億佛,　　從佛而聽法。
所修諸善根,　　皆悉得明淨,
猶如硨磲寶,　　瑩磨於真金。
譬如寶宮殿,　　風持不失法,
世法所不染,　　如蓮華在水。
菩薩住是地,　　多作兜率王,
諸根轉猛利,　　破諸外道見。
所作諸善業,　　皆為佛智慧,
得佛力無畏,　　能度諸眾生。
是菩薩勤修,　　轉勝精進力,
即能得千億,　　深妙諸三昧。
供養千億佛,　　動千億世界,
隨其所願力,　　過是數無量。
如是第五地,　　種種諸方便,
上智慧大人,　　如法解說竟。」◎

[0557c22] ◎第六地

諸菩薩聞說，　　上地之行相，
在於虛空中,　　雨眾妙珍寶,
放清淨光明,　　供養於世尊,
咸讚言善哉,　　善哉金剛藏。
無量億諸天,　　心皆大歡喜,
於上虛空中,　　雨種種珍寶,
光明相綺錯,　　微妙甚可樂,
香華諸瓔珞,　　幡蓋散佛上,
他化自在王,　　與諸眷屬等,
雨眾妙寶物,　　雱雱如雪下,

歌頌供養佛，　稱歎金剛藏，
咸讚言善哉，　快說諸地行。
千萬億天女，　於上虛空中，
作天眾妓樂，　歌歎佛功德。
咸作如是言：　「如來之所說，
微妙無有量，　能滅諸煩惱。
諸法本性空，　無有毫末相，
空無有分別，　同若如虛空。
無有去住相，　亦無有戲論，
本來常清淨，　如如無分別。
若人能通達，　一切諸法性，
於有於無中，　其心不動搖。
但以大悲心，　為度諸眾生，
是名諸佛子，　從佛口法生。
常行於布施，　利益諸眾生，
本來雖清淨，　持戒而堅心，
雖本心無傷，　而行於忍辱，
雖知法性離，　而行於精進，
雖先滅煩惱，　而入於諸禪，
雖先解法空，　而分別諸法。
寂滅智雖多，　而求利世間，
能滅諸惡者，　名之為大人。」
如是諸天女，　百千種妙音，
稱讚歌頌已，　默然而觀佛。
解脫月菩薩，　請金剛藏言：
「當以何行相，　得成第六地？」

[0558b01] 金剛藏菩薩言：「佛子！菩薩摩訶薩已具足五地，欲入六地，當以十平等法。何等為十？一、以無性故，一切法平等；二、以無相故，一切法平等；三、以無生故，一切法平等；四、以無成故，一切法平等；五、以本來清淨故，一切法平等；六、以無戲論故，一切法平等；七、以不取不捨故，一切法平等；八、以離故，一切法平等；九、以幻夢影響水中月故，一切法平等；十、以有無不二故，一切法平等。菩薩以是十平等法，得入第六地。菩薩如是觀一切法性能忍，隨順得第六地，無生法忍雖未現前，心已成就明利順忍。是菩薩觀一切法如是相，大悲為首，增長大悲故，觀世間生滅相。作是念：『世間所有受身生處，皆以貪著我故，若離著我則無生處；一切凡夫常隨邪念，行邪妄道，愚癡所盲，貪著於我，習起三行，罪行、福行、不動行，以是行故，起有漏心種子，有漏有取心故，起生死身；所謂業為地，識為種子，無明覆蔽，愛水為潤，我心溉灌，種種諸見，令得增長；生名色芽，因名色故生諸根，諸根合故有觸，從觸生受，樂受故生愛，愛增長故有取，取因緣故有有，於有起五陰身名為生，五陰變名為老，五陰滅名為死，老死因緣

，有憂悲熱惱眾苦聚集；是十二因緣無有集者，無有散者，緣合則有，緣散則無。』菩薩如是於六地中，隨順觀十二因緣。

[0558b27] 「又作是念：『不如實知第一義故有無明，無明起業是名行，依行有初識，與識共生有四取陰，依止取陰有名色，名色成就有六入，根塵合故有觸，觸因緣生受，貪樂受名為愛，愛增長名為取，從取起業名為有，業報五陰名為生，五陰變名為老，五陰壞名為死；死別離時，貪著心熱名為悲；發聲啼哭，五識為苦，意識為憂，憂苦轉多名為惱；如是但生大苦積聚。是十二因緣，無我、無我所，無作者、無使作者，若有作者則有作事，若無作者則無作事，第一義中無作者、無作事。』

[0558c09] 「又作是念：『三界虛妄但是心作；十二緣分是皆依心，所以者何？隨事生欲心，是心即是識，事是行，行誑心故名無明，識所依處名名色，名色增長名六入，三事和合有觸，觸共生名受，貪著所受名為愛，愛不捨名為取，彼和合故名為有，有所起名為生，生變名為老，老壞名為死。又無明有二種作：一者、緣中癡，二者、為行作因；行亦有二種作：一者、生未來世果報，二者、與識作因；識亦有二種作：一者、能受生，二者、與名色作因；名色亦有二種作：一者、令識起相續，二者、與六入作因；六入亦有二種作：一者、能緣六塵，二者、能與觸作因；觸亦有二種作：一者、能觸所緣，二者、能與受作因；受亦有二種作：一者、覺憎愛事，二者、與愛作因；愛亦有二種作：一者、於可染中生貪心，二者、與取作因；取亦有二種作：一者、能增長煩惱，二者、與有作因；有亦有二種作：一者、能於餘道中生，二者、與生作因；生亦有二種作：一者、能起五陰，二者、與老作因；老亦有二種作：一者、令諸根熟，二者、與死作因；死亦有二種作：一者、壞五陰身，二者、以不見知故而令相續不絕。又無明緣諸行者，無明令行不斷，助成行故；行緣識者，令識不斷，助成識故；識緣名色者，令名色不斷，助成名色故；乃至生緣老死，憂悲苦惱者，令死不斷，助成死故；無明滅故，則諸行滅，乃至生滅故，老死憂悲苦惱滅，因滅故果亦滅。又無明、愛、取是三分不斷煩惱道，行有二分不斷業道，餘因緣分不斷苦道，先、後際相續故，是三道不斷，是三道離我、我所而有生滅。又無明及行是過去事，識、名色、六入、觸、受是現在事，愛、取、有、生、老死是未來事，於是有三世轉；無明滅故諸行滅，名為斷三世相續說。又十二因緣說名三苦：無明、行、識、名色、六入，名為行苦，觸、受名為苦苦，愛、取、有、生、老死、憂、悲、苦、惱名為壞苦；無明滅故，諸行滅，乃至生滅故，老死滅，名為斷三苦相續說。又因無明諸行生，無明滅諸行滅，以諸行性空故，餘亦如是。無明因緣諸行生，以生縛說，無明滅故諸行滅，以滅縛說，餘亦如是。又無明因緣諸行生，是隨順無所有觀說，無明滅諸行滅，是隨順盡觀說，餘亦如是。如是逆順十種觀十二因緣法，所謂：因緣分次第，心所攝，自助成法，不相捨離，隨三道行，分別先、後際，三苦差別，從因緣起，生滅縛，無所有盡觀。』

[0559a28] 「是菩薩隨十二因緣，無我、無人、無眾生、無壽命者、離作者、使作者、無主，屬眾因緣，如是觀時，空解脫門現在前；滅此事餘不相續故，無相解脫門現在前；知

此二種，更不樂有，唯大悲心，教化眾生，無願解脫門現在前；菩薩修行三解脫門，離彼我相，離作者、受者相，離有、無相，悲心轉增，以悲心故，勤行精進，未滿菩提法，欲令滿足。菩薩作是念：『有為法和合故增，離散則滅；緣具故增，不具則滅；我知有為法過故，不應和合具諸因緣；化眾生故，亦不畢竟滅有為法。菩薩如是知有為法無性，離堅固相，無生無滅，與大慈悲和合，不捨眾生即得無障礙般若波羅蜜光明現在前；得是智慧具足，修集阿耨多羅三藐三菩提因緣，而不住有為法；觀有為法性寂滅相，亦不住其中，欲具足無上菩提法故。』

[0559b15] 「菩薩住現前地，得勝空三昧、性空三昧、第一義空三昧、究竟空三昧、大空三昧、合空三昧、生空三昧、如實離虛妄空三昧、略空三昧、離分別不分別空三昧，如是等萬空三昧門現在前，無相、無願三昧亦如是。是菩薩住現前地，深心、決定心、真心、甚深心、不轉心、不捨心、廣心、無邊心、樂智心、慧方便和合心，如是等心轉勝增長，隨順阿耨多羅三藐三菩提，一切論師不能傾動；入於智地，轉聲聞、辟支佛地，決定向佛智，一切眾魔及諸煩惱所不能壞；安住菩薩智慧明中，修空、無相、無願解脫門，專以智慧方便行助菩提法。是菩薩住現前地，於般若波羅蜜偏勝，得明上順忍，以順是法無有違逆。

[0559c01] 「菩薩住現前地，得見數百千萬億佛，恭敬供養，尊重讚歎，衣服、飲食、臥具、醫藥，親近諸佛於諸佛所聽受正法，如說修行令佛歡喜，是人轉勝，知佛法藏，乃至無量百千萬億劫，一切善根，轉妙明淨。譬如真金，以瑠璃磨瑩，光色轉勝；菩薩住現前地，以慧方便故，一切善根轉勝明淨，餘地不及。譬如月明，能令眾生身得清涼，四種風吹，不能遏絕，菩薩住現前地，善根轉勝，能滅眾生煩惱之火，四種惡魔所不能壞。諸佛子！是名略說菩薩現前地。菩薩住是地，多作善化自在天王，智慧猛利，能破一切增上慢者、聲聞問難，不能窮盡，有所施作，布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念具足一切種智。常生是心：『我當於一切眾生為首、為勝，乃至於一切眾生為依止者。』是菩薩若欲勤行精進於須臾間，得百千億三昧，乃至能示百千億菩薩以為眷屬。若以願力能過是數若干百千萬億劫不可計知。」

[0559c20] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「諸菩薩已得，　具足五地行，
知諸法無性，　無相無生滅。
本來常清淨，　無有諸戲論，
諸法常離相，　不取亦不捨，
性空猶如幻，　離二無分別，
隨順如是行，　得入第六地。
住明利順忍，　以智慧力故，
觀察於一切，　世間生滅相。

悉知諸世間, 皆從無明有,
無明若滅者, 則無有世間。
觀察因緣法, 隨順第一義,
而不壞緣報, 所作及假名,
如實無作者, 亦無有受者,
如是觀有為, 如雲無實事。
不知真諦義, 名之為無明,
從是則生思, 身口業行果。
從行故有識, 即生於名色,
如是次第起, 生死苦惱聚。
了達於三界, 但從貪心有,
知十二因緣, 在於一心中。
如是則生死, 但從心而起,
心若得滅者, 生死則亦盡。
無明二種作, 緣癡作於業,
乃至於老死, 壞散五陰聚。
從於此事邊, 具出於苦惱,
是事若盡者, 苦惱則亦滅。
無明若具足, 相續則不滅,
因緣若盡者, 相續則亦斷。
無明及愛取, 即是煩惱道,
行及有是業, 餘分則是苦。
癡行為過去, 識名色六入,
觸受是現在, 餘則未來世。
癡業識名色, 六入名為行,
觸受是苦苦, 餘分則是壞。
癡從眾緣生, 則有於諸縛,
眾緣若滅者, 諸縛則亦斷。
從因而生果, 因滅則果滅,
如是觀諸法, 自性則皆空。
隨順於無明, 則有諸世間,
若能不隨順, 是則斷於有。
從是則有是, 是無則無是,
如是十種觀, 甚深因緣法。
因緣分次第, 去來及現在,
作不捨一心, 分別有三道。
三種苦差別, 生滅於縛法,
無所有及盡, 能行逆順觀。
菩薩如是入, 十二因緣法,
知空如夢幻, 無作者受者。
如是觀因緣, 智者修於空,

事滅不相續,　　入於無相行。
知此二虛假,　　於中無所願,
但以大悲心,　　愍度於眾生。
如是諸大士,　　修習解脫門，
悲心愛樂佛,　　無量諸功德。
知諸有為法,　　皆從和合有,
得萬空三昧,　　無相無願定。
智慧轉增進,　　入於上順忍,
得於諸菩薩,　　無礙智解脫。
如是諸善根,　　轉勝利明淨,
供養無量佛,　　諸佛所稱讚。
於諸如來所,　　出家學佛道,
入諸佛法藏,　　善根轉增長。
猶以瑠璃寶,　　瑩磨於真金,
光明轉清淨,　　餘所不能及。
如月行虛空,　　清涼被一切,
四種風所吹,　　不能令遏絕。
菩薩智慧光,　　滅諸煩惱火,
四魔不能壞,　　其義亦如是。
菩薩住是地,　　多作善化王,
諸根悉猛利,　　能破增上慢。
所作諸善業,　　皆悉隨智慧,
聲聞諸問難,　　不能得窮盡。
是佛子若欲,　　如是勤精進,
須臾即能得,　　百千億三昧。
見於百千億,　　十方世界佛,
如秋清涼時,　　月光明淨好。
如是第六地,　　深妙難知見,
聲聞所不了,　　大士略說竟。」

[0560c15] 第七地

爾時諸天眾,　　在於虛空中,
雨香華珍寶,　　如雲散佛上。
踊躍發妙音,　　咸讚言善哉：
「善哉金剛藏,　　善知第一義,
無量功德聚,　　人中之蓮華。
說此上妙行，　　利益諸世間。」
他化自在王,　　雨光明寶華,
雱雱而供養,　　除憂煩惱者。

諸天及天王,　咸發如是言：
「若聞此地義,　則為得大利。」
時作百千種,　上妙諸妓樂,
諸天女稱讚,　承佛神力故。
「諸佛最寂滅,　能轉惡為善,
一切諸世間,　皆所共恭敬。
雖出過世間,　而示世間法,
知身同實相,　而示種種身。
雖以諸言音,　演說寂滅法，
而知於語言,　無有音聲相。
能過百千土,　上妙供諸佛,
知身佛國土,　離相智自在。
雖教化眾生,　而無彼我想,
廣集大功德,　不於中起著。
以見取相故,　三毒火然世,
不取一切相,　慈悲起精進。」
諸天及天女,　歡喜設供養,
如是讚歎已,　默然而觀佛。
解脫月菩薩。　請金剛藏言：
「大眾皆清淨,　願說七地行。」

[0561a16] 金剛藏菩薩言：「佛子！菩薩摩訶薩已具足第六地, 欲入第七地, 從方便慧, 起十妙行。何等為十？善修空無相、無願, 而以慈悲心處在眾生；隨諸佛平等法, 而不捨供養諸佛；常樂思惟空智門, 而廣修集福德資糧；遠離三界, 而莊嚴三界；畢竟寂滅諸煩惱焰, 而為眾生起滅貪恚癡煩惱焰法；隨順諸法如幻、如夢、如水中月不二相, 而起分別種種煩惱及不失業果報；知一切佛國土空如虛空, 皆是離相, 而起淨國土行；知一切佛法身、無身, 而起色身三十二相、八十種好以自莊嚴；知諸佛音聲不可說寂滅相，而隨一切起種種莊嚴音聲；知諸佛於一念中通達三世，而知種種相、種種時、種種劫得阿耨多羅三藐三菩提；隨眾生信解, 作如是說，是名從慧方便生十妙行。菩薩摩訶薩修此妙行，如是方便慧現前故，名為入七地。

[0561b05] 「是菩薩住七地, 入無量眾生界, 入無量諸佛教化眾生法, 入無量世界, 入諸佛無量清淨國土, 入無量諸法差別, 入無量諸佛智得無上道, 入無量諸劫數, 入無量諸佛通達三世, 入無量眾生欲樂差別, 入無量諸佛色身別異, 入無量諸佛知眾生志行諸根差別, 入無量諸佛音聲語言令眾生歡喜, 入無量眾生心、心所行差別, 入無量諸佛隨智慧行, 入示無量聲聞乘信解, 入諸佛無量說道因緣令眾生信解, 入無量辟支佛智慧習成, 入諸佛無量甚深智慧所說，入諸菩薩無量所行道，入諸佛無量所說大乘集成事令眾生得入。菩薩作是念：『如是諸佛有無量無邊大勢力, 如是勢力, 我應修集, 得此勢力, 不以分別。』

菩薩如是智慧思惟，修習大方便慧，安住佛智，以不動法故。常起種種度眾生道，無有障礙，行住坐臥，皆悉能起度眾生法，離諸陰蓋，住諸威儀，常不遠離；如是想念，是菩薩於念念中具足十波羅蜜及十地行。何以故？是菩薩於念念中，大悲為首，修習佛法，一切迴向大智慧故。十波羅蜜者，菩薩以求佛道所修善根，與一切眾生，是檀波羅蜜；能滅一切煩惱熱，是尸波羅蜜；慈悲為首，於一切眾生心無所傷，是羼提波羅蜜；求善根無厭足，是毘梨耶波羅蜜；修道心不散，常向一切智，是禪波羅蜜；忍諸法不生門，是般若波羅蜜；能起無量智門，是方便波羅蜜；求轉勝智慧，是願波羅蜜；諸魔外道不能沮壞，是力波羅蜜；於一切法相如實說，是智波羅蜜；如是念念中具足十波羅蜜。是菩薩具足十波羅蜜時，四攝法、三十七品、三解脫門，一切助阿耨多羅三藐三菩提法，於念念中皆悉具足。」

[0561c09] 解脫月菩薩問金剛藏菩薩言：「佛子！菩薩摩訶薩但七地具足助菩提法，一切諸地亦能具足。」

[0561c11] 金剛藏言：「佛子！菩薩摩訶薩於諸地中皆悉具足助菩提法，遠行勝故，於此地說，何以故？諸菩薩摩訶薩於七地中功行具足，入智慧神通道故。佛子！菩薩於初地發願緣一切佛法故，具足助菩提法；二地除心惡垢故，具足助菩提法；三地願轉增長得法明故，具足助菩提法；四地入道故，具足助菩提法；五地隨順行世間法故，具足助菩提法；六地入甚深法門故，具足助菩提法；此第七地起一切佛法故，具足助菩提法。何以故？菩薩摩訶薩於此地中，得諸智慧所行道，以是力故，第八地自然得成。佛子！譬如二世界，一定清淨，一定垢穢，是二中間，難可得過；欲過此界，當以神通及大願力。菩薩亦如是，行於雜道，難可得過；以大願力、大智慧力、大方便力故，爾乃得過。」

[0561c27] 解脫月言：「第七菩薩為是淨行，為是垢行？」

[0561c28] 金剛藏言：「從歡喜地菩薩所行，皆離罪業，何以故？迴向阿耨多羅三藐三菩提故，隨地所行清淨，不名為過。佛子！譬如轉輪聖王，乘大寶象，遊四天下，見諸眾生貧窮困惱，王雖無苦而未離人，若捨王身生於梵世，遊千世界，現大威力，爾時乃名離於人身。菩薩亦如是，從初地在諸波羅蜜乘，知一切眾生心所行事及煩惱垢，不為煩惱垢之所污；雖乘善道，不名為過；若捨一切所修功行，入於八地，爾時名為乘清淨乘，悉知一切諸煩惱垢，不為煩惱垢之所污，乃名為過。諸佛子！菩薩住七地，過貪欲等諸煩惱垢，在此七地不名有煩惱，不名無煩惱。何以故？一切煩惱不起故，不名有煩惱；貪求如來智慧未滿願故，不名無煩惱。菩薩住七地，成就深淨身、口、意業，是菩薩所有不善業隨煩惱者，悉已捨離，所有善業常修習行；又世間經書，如五地說，自然而得，於三千大千世界，最為希有。得為大師，唯除如來八地菩薩，無有眾生深心妙行能與等者。是菩薩所有禪定神通解脫三昧，不隨禪生，所欲自在，菩薩住遠行地，於念念中具足修集方便慧力及

一切助菩提法，轉勝具足。能入菩薩善伏三昧，善思義三昧，進慧三昧，分別義藏三昧，如實分別法三昧，堅固安住三昧，知神通門三昧，淨法界三昧，順佛教三昧，種種義藏三昧，背生死向涅槃三昧，如是具足百萬三昧，淨治此地。是菩薩得是三昧，智慧方便善清淨故，深得大悲力故，名為過聲聞、辟支佛地、趣佛智地。是菩薩住是地，無量身業無相行，無量口、意業無相行，是菩薩清淨行故，得無生法忍，照明諸法。」

[0562b03] 解脫月菩薩言：「佛子！菩薩住初地，有無量身業，無量口、意業，已能過聲聞、辟支佛地。」

[0562b05] 金剛藏菩薩言：「**緣大法故過非實行力，第七地實行力故，一切聲聞、辟支佛所不能壞。譬如生在王家，即勝一切。何以故？地尊貴故，其身長大，智慧成就，爾乃真實勝於一切；菩薩亦如是，初發心時，勝於二乘，以發大願，深心清淨故，今住此地，以智慧力，勝於聲聞及辟支佛。佛子！菩薩住七地得甚深遠離無行身、口、意業，轉求勝法而不捨離，以轉勝心故，雖行實際而不證實際。」**

[0562b14] 解脫月言：「佛子！菩薩從何地來能入寂滅？」

[0562b15] 金剛藏言：「從六地來能入寂滅。今住此地，於念念中能入寂滅而不證寂滅；是菩薩成就不可思議身、口、意業，行實際而不證實際。譬如有人乘船入海，善為行法，善知水相，不為水害之所淪沒，如是菩薩住此七地，乘諸波羅蜜船，能行實際而不證實際。菩薩如是以大願力故，得智慧力故，從禪定智慧生大方便力故，雖深愛涅槃，而現身生死，雖眷屬圍遶而心常遠離；以願力故，受生三界，不為世法之所污染，心常善寂；以方便力故，而還熾然隨行佛智，轉聲聞、辟支佛地至佛法藏而現魔界，雖過四魔而現魔行；雖現外道行而不捨佛濟，雖現身一切世間，而心常在出世間法；一切所有莊嚴之事，勝諸天、龍、夜叉、乾闥婆、阿脩羅、迦樓羅、緊那羅、摩**睺羅伽、人、非人、四天王、釋提桓因、梵天王，而不捨樂法、愛法。菩薩成就如是智慧住遠行地**，值百千萬億那由他佛，恭敬供養，尊重讚歎，衣服、飲食、臥具、醫藥供養諸佛，護持佛法，諸聲聞、辟支佛智慧問難所不能壞。是菩薩哀愍眾生故，法忍轉淨，是菩薩無量百千萬億那由他劫善根轉勝。譬如真金，以諸好寶莊嚴間錯，轉勝明淨，餘金不及；菩薩亦如是，住遠行地，一切善根從方便智慧生，轉勝明淨，無能壞者。譬如日光，星宿、月光所不能及，一切泥水悉能乾竭。菩薩亦如是住遠行地，善根轉勝，一切聲聞、辟支佛所不能及，又能乾竭煩惱污泥。諸佛子！是名略說菩薩摩訶薩遠行地。菩薩住是地，多作他化自在天王，諸根猛利，能發眾生，悟道因緣，所作善業，布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念具足一切種智。常生是心：『我當於一切眾生為首、為勝，乃至於一切眾生為依止者。』是菩薩若欲如是勤行精進，於須臾間得百千億那由他三昧，乃至能現百千億那由他菩薩以為眷屬。若以願力自在示現，過於此數百千萬億那由他劫不可計知。」

[0562c25] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「深智慧定心,　　具行六地已,
一時生方便,　　智慧入七地。
行空無相願,　　而修慈悲心,
順佛平等法,　　而供養諸佛,
雖以智觀空,　　而修福無厭,
雖能嚴三界,　　而心樂遠離,
雖心常寂滅,　　而起滅惡法,
行空不二相,　　而行慈悲心。
雖觀一切土,　　空若如虛空,
而能善莊嚴,　　清淨諸佛土。
雖知諸佛身,　　同法相無相,
而種三十二,　　八十諸相好。
雖知音聲法,　　不可言說相，
而歎佛音聲,　　令一切歡喜。
雖知於諸佛,　　一念中成道,
而示時劫剎，　　引導諸眾生。
如是知諸法,　　則得法照明,
菩薩如是者,　　即入第七地。
住是地能觀,　　無量眾生行,
亦知於諸佛,　　教化眾生法。
世界及劫數,　　諸法差別相,
又知諸眾生,　　種種之欲樂。
知說三乘法，　　令眾生信解,
我應修教化,　　成就是眾生。
以如是思惟,　　方便慧和合,
於四威儀中,　　常行如是道。
於一一念中,　　能具菩提法,
所謂施戒等,　　十種波羅蜜。
如是諸菩薩,　　所修之福德,
皆與諸眾生,　　名檀波羅蜜,
滅除心惡垢,　　名尸波羅蜜,
不為六塵傷,　　羼提波羅蜜,
能起轉勝法,　　精進波羅蜜,
於是道不動,　　名禪波羅蜜,
無生忍照明,　　般若波羅蜜,
迴向於佛道,　　方便波羅蜜,
求於轉勝法,　　名願波羅蜜,

無有能壞者，　名力波羅蜜，
能解如實說，　名智波羅蜜。
是助菩提法，　念念皆能攝，
發於廣大願，　緣於大法故。
初地中功德，　名之為具足，
第二地名為，　除諸心垢惡，
第三願增明，　第四地入道，
第五隨世行，　第六入深法，
得無生相分，　漸漸而增長。
第七集一切，　具菩提分法，
能起諸功德，　及以一切願。
如是諸功德，　令後八地中，
一切諸所行，　自然得清淨。
遠行地難過，　大智力所能，
如二國中間，　難可得過度。
在於七地中，　不污如聖王，
雖住於此道，　不名一切過。
若到於第八，　菩薩智慧地，
爾時過意界，　住於智業中。
如梵王觀世，　不得名為人，
菩薩罪不污，　如蓮華在水。
菩薩住是地，　過諸貪欲等，
不名有煩惱，　亦不名滅盡。
入是正道中，　無有諸煩惱，
願求佛道故，　不得名盡者。
於諸世間中，　經書技藝事，
文頌呪術等，　自然能明了。
修習諸禪定，　及諸神通等，
無量心利世，　是事皆能起。
爾時此菩薩，　過於二乘行，
安住第七地，　菩薩諸行中。
以初發心時，　大願力故勝，
今於此地中，　自以智慧力。
猶如國王子，　生時姓尊貴，
後以功行成，　於諸人中尊。
住此得深智，　轉發勝精進，
念念入寂滅，　而亦不取證。
如人善乘船，　入於大海中，
雖行深水難，　而不為所害。
菩薩行轉勝，　方便智慧故，

功德悉備足，　非世所能知。
供養無量佛，　其心轉清淨，
如真金雜寶，　間錯而莊嚴。
得佛智慧光，　乾諸愛潤水，
猶如日光明，　消涸於泥潦。
住是地多作，　他化自在王，
諸根悉猛利，　通達諸道果。
若欲勤精進，　得見百千億，
那由他諸佛，　願力復過是。
七地智慧淨，　人天及二乘，
皆非其境界，　今已略說竟。」◎

東晉天竺三藏佛馱跋陀羅譯

◎
十地品第二十二之四

他化自在王,　　諸天及菩薩,
聞說此上行，　　心皆大歡喜。
雨上妙華香,　　幡蓋寶瓔珞,
真妙摩尼珠,　　散佛及大眾。
天女於空中,　　作種種妓樂,
供養於如來,　　并及諸菩薩。
同以微妙音,　　歌頌佛功德：
「一切智慧者,　　眾生中最尊,
哀愍世間故,　　現諸神通力,
華香珍寶等,　　皆出如是音。
於一微塵中,　　各示那由他,
無量數諸佛,　　於中而說法。
於一微塵中,　　見無量佛國,
須彌金剛圍,　　世間不迫迮。
於一微塵中,　　見有三惡道,
天人阿脩羅,　　各各受業報。
聞諸佛國中,　　一切佛妙音,
轉無上法輪,　　隨應眾生心。
諸佛世界中,　　眾生身種種,
隨國土眾生,　　示現種種身。
一切諸天人,　　皆悉同止住,
佛先觀察已,　　然後為說法。
眾生悉知見,　　微塵中佛國,
亦觀曠大剎，　　以佛威神故。
佛現如是等,　　種種神通力,
若為眾生說，　　是事不可盡。」
以是微妙音,　　稱歎於世尊,
心皆大歡喜,　　默然而觀佛。
解脫月菩薩，　　請金剛藏言：

「佛子願演說，　　入於八地行。」◎

[0564b07] ◎金剛藏菩薩言：「佛子！菩薩摩訶薩已習七地微妙行慧，方便道淨，善集助道法，具大願力；諸佛神力所護，自善根得力，常念隨順如來力、無畏、不共法、直心、深心、清淨，成就福德智慧，大慈大悲，不捨眾生，修行無量智道。入諸法本來無生、無起、無相、無成、無壞、無來、無去、無初、無中、無後，入如來智，一切心、意、識憶想分別，無所貪著；一切法如虛空性，是名菩薩得無生法忍，入第八地。入不動地，名為深行菩薩，一切世間所不能測，離一切相，離一切想、一切貪著，一切聲聞辟支佛所不能壞，深大遠離而現在前。譬如比丘，得於神通，心得自在，次第乃入滅盡定，一切動心，憶想分別，皆悉盡滅。菩薩亦如是，菩薩住是地，諸勤方便身口意行，皆悉息滅，住大遠離。如人夢中欲渡深水，發大精進，施大方便，未渡之間，忽然便覺，諸方便事，皆悉放捨。菩薩亦如是，從初已來，發大精進，廣修道行，至不動地，一切皆捨，不行二心，諸所憶想，不復現前。譬如生梵世者，欲界煩惱不現在前。菩薩亦如是，住不動地，一切心、意、識，不現在前，乃至佛心、菩提心、涅槃心尚不現前，何況當生諸世間心？

[0564c01] 「佛子！是菩薩隨順是地，以本願力故。又諸佛為現其身，住在諸地法流水中，與如來智慧為作因緣。諸佛皆作是言：『善哉！善哉！善男子！汝得是第一忍，順一切佛法。』

[0564c05] 「善男子！我有十力、四無所畏、十八不共法，汝今未得為得，是故，勤加精進，亦莫捨此忍門。善男子！汝雖得此第一甚深寂滅解脫，一切凡夫離寂滅法，常為煩惱覺觀所害，汝當愍此一切眾生。又，善男子！汝應念本所願，欲利益眾生，欲得不可思議智慧門。又，善男子！一切法性、一切法相、有佛、無佛，常住不異。一切如來不以得此法故，說名為佛，聲聞、辟支佛亦得此寂滅無分別法。善男子！汝觀我等無量清淨身相、無量智慧、無量清淨國土、無量方便、無量圓光、無量淨音，汝今應起如是等事。又，善男子！汝今適得此一法明，所謂一切法，寂滅無有分別，我等所得無量無邊，汝應精勤起此諸法。善男子！十方無量國土、無量眾生、無量諸法差別，汝應如實通達是事，隨順如是智。是菩薩諸佛與如是等無量無邊起智慧門因緣，以此無量門故，是菩薩能起無量智業，皆悉成就。

[0564c23] 「諸佛子！若諸佛不與菩薩起智慧門者，是菩薩畢竟取於涅槃，棄捨利益一切眾生，以諸佛與此無量無邊起智慧門故，於一念中所生智慧，比從初地已來乃至七地，百分不及一，無量無邊阿僧祇分不及一，乃至算數譬諭所不能及，所以者何？先以一身修集功德，今此地中，得無量身，修菩薩道，以無量音聲、無量智慧、無量生處、無量清淨國土、無量教化眾生，供養給侍無量諸佛，隨順無量佛法、無量神通力、無量大會差別、無量身口意業，集一切菩薩所行道，以不動法故。佛子！譬人乘船，欲渡大海，未至大海，多用功力，入海以風，無復艱礙，一日之行，過先功力，於百千歲所不能及；菩薩亦如是，多集善根，乘大乘船，入菩薩所行大智慧海，不施功力，能近一切諸佛智慧，比本所行，若一劫、若百千萬劫所不能及。

[0565a11] 「佛子！菩薩摩訶薩至第八地，從大方便慧生，無功用心，在菩薩道，思惟諸佛智慧勢力，知世界生、世界滅、世界成、世界壞，知以何業因緣集故世界成，何業因緣滅故世界壞。是菩薩知地、水、火、風性，小相、中相、無量相、差別相，知微塵細相，知微塵差別相，於一世界中所有微塵差別，皆悉能知，此一世界所有地、水、火、風，若干微塵，皆悉能知。知寶物若干微塵，眾生身若干微塵，世界中萬物微塵差別，分別眾生大身、小身，以若干微塵成，地獄身、畜生身、餓鬼身，以若干微塵成，阿脩羅身、天身，以若干微塵成，皆悉了知。是菩薩入如是分別微塵智，知欲、色、無色界壞，知欲、色、無色界成，知欲、色、無色界成壞，知欲、色、無色界小相、中相、無量相，知欲、色、無色界差別相，如是知三界，是名菩薩教化眾生。助智明分，善分別眾生身，善觀所應生處，隨眾生生處，隨眾生身而為受身，是菩薩現身遍滿三千大千世界，隨眾生身，各各差別。譬如日月，於一切水皆現其像，若二若三，乃至無量無邊不可思議不可說三千大千世界，身遍其中，隨眾生身差別而為受身。是菩薩成就如是智慧，於一世界，身不動搖，乃至不可說諸佛世界，隨眾生身，隨所信樂，於佛大會而現身像，若於沙門中示沙門形色，婆羅門中示婆羅門形色，剎利中示剎利形色，居士中示居士形色，四天王中、帝釋中、魔中、梵天中示梵天形色，乃至阿迦膩吒天中示阿迦膩吒形色，以聲聞乘度者示聲聞形色，以辟支佛乘度者示辟支佛形色，以菩薩乘度者示菩薩形色，以佛身度者示佛身形色；所有不可說諸佛國中，隨眾生身，信樂差別，現為受身，而實遠離身相差別，常住平等。是菩薩知眾生身、知國土身、知業報身、知聲聞身、知辟支佛身、知菩薩身、知如來身、知智身、知法身、知虛空身，是菩薩如是知眾生深心所樂。若於眾生身作己身、若於眾生身作國土身、業報身、聲聞身、辟支佛身、菩薩身、如來身、智身、法身、虛空身，若於國土身作己身、業報身、乃至虛空身，若於業報身作己身乃至虛空身，若於己身作眾生身、國土身、業報身、聲聞身、辟支佛身、菩薩身、如來身、智身、法身、虛空身，是菩薩知眾生集業身、報身、煩惱身、色身、無色身，諸佛國土，小相、中相、無量相、垢相、淨相、廣相、倒相、平相、方差別相，知業報身假名差別、聲聞身假名差別、辟支佛身假名差別、菩薩身假名差別；知如來身、菩提身、願身、化身、住持身、相好莊嚴身、勢力身、如意身、福德身、智身、法身；知智身善分別如實，知法身平等不壞相，知虛空身無量相、周遍相、無形相。是菩薩善知起如是諸身，則得命自在、心自在、財自在、業自在、生自在、願自在、信解自在、如意自在、智自在、法自在。是菩薩得十自在，為不可思議智者、無量智者、廣智者、不可壞智者。菩薩隨如是智慧，畢竟常起無罪身業、口業、意業；身業隨智行，口業隨智行，意業隨智行。般若波羅蜜增上，大悲為首，善修方便，善起諸願，善為諸佛神通所護，常不捨行利益眾生智，悉知無邊世界中差別事。舉要言之：菩薩住無動地，身、口、意所作，皆能集一切佛法。是菩薩住此地，離一切煩惱故，善住淨心力；心常不離道故，善住深心力；不捨眾生故，善住大悲力；救一切世間故，善住大慈力；不忘所聞法故，善住陀羅尼力；分別觀察一切佛法故，善住一切樂說力；行無邊差別世界故，善住神通力；不捨一切菩薩所行故，善住願力；修集一切佛法故，善住波羅蜜力；善起一切種智故，善住如來力。是菩薩得如是智力，示一切所作無有過咎。

[0565c26] 「諸佛子！菩薩此地不可壞故，名為不動地；智慧不轉故，名為不轉地；一切

世間不能測知故，名威德地；無色欲故，名童真地；隨意受生故，名自在地；更不作故，名為成地；決定知故，名為究竟地；善發大願故，名為變化地；不可壞故，名為住持地；先修善根故，名為無功力地。菩薩得如是智慧，名為入佛境界，名為佛功德所照明，名為隨佛威儀行。趣向佛法，常為諸佛神力所護，常為四天王、釋提桓因、諸梵王等之所奉迎，密迹金剛神常隨侍衛。善能出生諸禪三昧，能作無量諸身差別，於諸身中皆有勢力，得大果報神通力，於無邊三昧中得自在，能受無量記，隨眾生成就處，示成阿耨多羅三藐三菩提。是菩薩入如是大智慧，善通達諸法，常放大智光明，度無礙法界道，善知世界道差別，能示一切諸功德，隨意自在，善解先際後際，能入轉魔道智，入如來行境界，能於無邊世界行菩薩道，以不轉相故，此地名為不動。

[0566a16] 「佛子！菩薩在不動地，善生禪定力故，常見無邊諸佛，不捨供養供給諸佛，是菩薩於一一劫、一一世界中，數百千萬億那由他無量無邊阿僧祇佛，恭敬供養，尊重讚歎，親近諸佛，從諸佛受世界差別等諸法明，是菩薩轉深入如來法藏，問世界差別事，無能盡者，乃至百千萬億劫，說不可盡。又諸善根，轉勝明淨。譬如真金，眾寶間錯，為轉輪王所佩瓔珞，一切人民無能奪者。菩薩摩訶薩亦如是，住無動地，善根轉淨，一切聲聞辟支佛，乃至七地菩薩所不能壞。菩薩住是地，以善分別智門故，智慧光明，滅除一切眾生惱熱。譬如千世界主大梵天王，能於一時，流布慈心滿千世界，亦能放光，遍照其中。菩薩摩訶薩亦如是，住不動地，能放身光，照十萬佛剎微塵世界，滅除眾生諸煩惱熱，令得清涼。諸佛子！是名略說菩薩不動地。若廣說者，無量億劫所不能盡。菩薩住是地，多作大梵天王，主千世界，諸根猛利，與諸眾生、聲聞辟支佛、菩薩波羅蜜道，無有窮盡，說世界差別，無能壞者，所作善業，布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念一切種智。常生是心：『我當於眾生為首為勝，乃至於一切眾生為依止者。』是菩薩若欲勤行精進，於須臾間，得百萬三千大千世界微塵數三昧，乃至能示百萬三千大千世界微塵數菩薩，以為眷屬。若以願力，神通自在，能過是數若干，百千萬億劫不可計知。」

[0566b16] 時，金剛藏菩薩欲重明此義，以偈頌曰：

「菩薩住七地，　慧方便已淨，
善集助道法，　大願力所繫，
諸佛神力護，　善根悉成就，
求於勝智慧，　能入第八地。
善集於福慧，　而有深慈悲，
離諸有量心，　心同如虛空。
如所說法中，　心得決定力，
如是得寂滅，　微妙無生忍。
諸法從本來，　無生亦無起，
無相無有成，　亦無去來義。
諸法初中後，　與如無分別，

無有心意行,　同若如虛空。
成就如是忍,　無有諸戲論,
得是不動地,　甚深寂滅行。
一切諸世間,　不能得測量,
一切諸心相,　皆悉已滅盡。
菩薩住是地,　心識無分別,
如入滅盡定,　無復憶念想。
猶如人夢中,　方便欲渡水,
覺則意廓然,　休息諸所作。
得是深忍已,　一切想念滅,
如生於梵天,　無欲界煩惱。
以本願力故,　及佛今勸導,
如是第一忍,　是諸佛職位。
我等深智力,　無畏不共法,
汝今無有此,　當加勤精進。
汝雖得除滅,　一切煩惱火,
當觀諸世間,　煩惱常熾然。
當念本所願,　欲利諸眾生,
悉遍知諸法,　廣度於一切。
諸法實性相,　常住無變異,
二乘亦得此,　而不名為佛。
但以得無礙,　甚深微妙智,
通達三世故,　乃得名為佛。
是諸無等等,　天人所恭敬,
開是起智門,　令入諸佛法。
成就無邊底,　無量妙智慧,
先所行諸法,　不及今一念。
如是諸菩薩,　得妙智慧地,
能在一念中,　身遍於十方。
入是智慧門,　行道疾無礙,
如行於海中,　大風力所濟。
離諸功用心,　但在於智業,
觀十方世界,　成壞及與住。
能知四大一,　亦知諸別異,
小中及無量,　種種差別相。
能數知三千,　大千世界塵,
亦知眾生身,　四大微塵數。
諸天身眾寶,　微塵數差別,
皆悉遍明了,　餘亦如是知。
智慧因緣故,　心轉得調柔,
為利諸眾生,　遍諸世界身。

能於眾生身,　　而自作己身,
及以諸佛剎，　　諸餘種種身。
如日月停空,　　影現一切水,
菩薩亦如是,　　遍滿大千界。
常住於法身,　　湛然不移動,
於淨心眾生,　　各現其身像。
隨諸心所樂,　　而現為受生,
於諸天人會,　　悉皆示其身。
菩薩於因緣,　　和合中自在,
乃至能隨意,　　為現於佛身,
眾生國土身,　　業報賢聖身,
智身與法身,　　知皆同平等。
以是因緣故,　　得如意神通,
為令世歡喜,　　而現種種身。
能得於十種,　　妙大自在智,
所作隨智行,　　順於慈悲心。
諸佛所有法,　　皆能善修習,
住三淨戒中,　　不動如須彌。
能得大菩薩,　　所有十種力,
一切諸魔眾,　　皆所不能轉。
常為諸佛護,　　釋梵所敬禮,
密迹金剛神,　　常隨而侍衛。
菩薩得是地,　　功德無有量,
百千萬億劫,　　說之不可盡。
親近無數佛,　　增益諸善根,
如真金雜寶,　　莊嚴王瓔珞。
菩薩在是地,　　多作大梵王,
典領千國土,　　功德無有量。
能以三乘教,　　而無有窮盡,
慈心光普照,　　滅諸煩惱熱。
能於須臾間,　　得百萬三千,
大千世界數,　　微塵諸三昧。
能見十方佛,　　其數亦如是,
若以其願力,　　過是無有量。
今已略解說，　　第八地妙相，
若廣演說者，　　千億劫不盡。」◎

[0567b19] ◎第九地

佛子演說此，　　八地妙義時，

以佛神力故,　震動無量國。
一切智身出,　無量微妙光,
遍照十方界,　眾生得安樂。
百千萬菩薩,　住於虛空中,
設眾妙供養,　諸天所無有。
自在大梵天,　并及他化王,
歡喜設妙供,　大海功德佛。
千萬諸天女,　咸恭敬歡喜,
同以微妙音,　歌歎佛功德,
以佛神力故,　出如是妙法：
「善行寂滅者,　無有諸惡心,
各在於其地,　善修菩薩行。
利益世間故,　遍遊於十方,
示眾以佛道,　心如空無礙。
諸菩薩神力,　上妙供養具,
勝十方人天,　福德之所致。
佛子樂智者,　以此示佛力,
於一國不動,　而現一切處。
利益於世間,　如滿月明淨,
滅一切音聲,　語言諸想念,
而以諸音聲,　說法猶如響。
若眾生下劣,　其心厭沒者,
示以聲聞道,　令出於眾苦。
若復有眾生,　諸根少明利,
樂於因緣法,　為說辟支佛。
若人根明利,　饒益於眾生,
有大慈悲心,　為說菩薩道。
若有無上心,　決定樂大事,
為示於佛身,　說無量佛法。
譬如幻化師,　示種種身色,
如是諸身相,　皆無有實事。
如是諸佛子,　善知智慧術,
能示一切行,　心離於有無。」
千萬諸天女,　同以微妙音,
如是歌歎已,　默然而觀佛。
解脫月又言：　「佛子大會淨，
一心願樂聞,　入九地正行。」

[0567c29] 金剛藏菩薩言：「佛子！菩薩摩訶薩以如是無量智慧善觀佛道，欲求轉勝寂滅

[0568c04] 「佛子！菩薩摩訶薩隨如是智，名為安住善慧地。菩薩住是地，知眾生如是諸行差別相，隨其解脫而與因緣。是菩薩化眾生法，度眾生法，如實知而為說法，聲聞乘相、辟支佛乘相、菩薩乘相、如來地相，如實知隨眾生因緣而為說法；隨心、隨根、隨欲差別而為說法，又隨行處、隨智慧處而為說法，知一切行處而為說法，隨眾生性深入難處而為說法，隨趣、隨生、隨煩惱、隨習氣轉故說法；隨乘令解脫故說法。是菩薩住此地，為大法師守護諸佛法藏，入深妙義。用無量慧方便，四無礙智言辭說法，是菩薩常隨四無礙

智，而不可壞。何等為四？一、法無礙，二、義無礙，三、辭無礙，四、樂說無礙。

[0568c18] 「是菩薩以法無礙智，知諸法自相；以義無礙智，知差別法；以辭無礙智，知說諸法不可壞；以樂說無礙智，知說諸法次第不斷。復次，以法無礙智，知諸法無體性；以義無礙智，知諸法生滅相；以辭無礙智，知諸法假名不斷假名說；以樂說無礙智，知隨假名不壞無邊說。復次，以法無礙智，知現在諸法差別相；以義無礙智，知過去、未來諸法差別相；以辭無礙智，知過去、未來、現在諸法說不可壞；以樂說無礙智，於一一世得無邊法明說。復次，以法無礙智，知諸法差別；以義無礙智，知諸法義差別；以辭無礙智，隨諸言音而為說法；以樂說無礙智，隨所樂解而為說法。復次，以法無礙智，以法智方便，知諸法差別不可壞；以義無礙智，以比智如實知諸法差別；以辭無礙智，以世智說諸法差別；以樂說無礙智，知善說第一義。復次，以法無礙智，知諸法一相不壞；以義無礙智，知陰、入、界、諦因緣法；以辭無礙智，以微妙音故，一切世間之所歸趣；以樂說無礙智，所說轉勝，能令眾生得無邊法明。復次，以法無礙智，知一乘究竟攝一切無差別；以義無礙智，知諸乘差別；以辭無礙智，能說諸乘無差別；以樂說無礙智，以一法門說無邊法明。復次，以法無礙智，能入一切菩薩行、智行、法行、隨智行；以義無礙智，能分別說十地義差別；以辭無礙智，說隨順諸地道不可壞；以樂說無礙智，說一切行無邊相。復次，以法無礙智，知一切佛於一念中得菩提；以義無礙智，知種種時、種種剎差別；以辭無礙智，隨諸佛得道事差別說；以樂說無礙智，於一句法無邊劫說而不窮盡。復次，以法無礙智，知一切佛語、一切佛力、無畏、不共法、大慈大悲、無礙智，轉法輪一切種智；以義無礙智，知如來音聲，說八萬四千隨眾生心諸根欲樂差別行；以辭無礙智，以如來音聲，說一切諸行不可壞；以樂說無礙智，以諸佛智力，隨眾生所樂音聲說。

[0569a28] 「菩薩摩訶薩如是善知無礙智，安住第九地，名為得佛法藏；為大法師，得眾義陀羅尼，眾法陀羅尼，起智陀羅尼，眾明陀羅尼，善慧陀羅尼，眾財陀羅尼，名聞陀羅尼，威德陀羅尼，無礙陀羅尼，無邊旋陀羅尼，雜義藏陀羅尼，得如是等百萬阿僧祇陀羅尼，隨方便說如是無量樂說差別門說法。是菩薩得如是無量陀羅尼門，能於無量佛所聽法，聞已不忘，如所聞法，能以無量差別門為人演說。是菩薩於一佛所，以百萬阿僧祇陀羅尼，聽受正法，如從一佛，餘無量佛，亦復如是。是菩薩於禮敬佛時，所聞法明，非多學聲聞得陀羅尼力，於十萬劫所能受持。是菩薩得如是陀羅尼力，無礙智樂說力，以說法故，在於法座，大千世界滿中眾生，隨意說法。是菩薩在法座上，唯除諸佛及受職菩薩，於一切中最為殊勝。是菩薩處於法座，或以一音，欲令一切悉得解了，即得解了；或以種種音聲，欲令一切各得開解，即得開解；或以默然但放光明，欲令一切各得解法，即得解法；或一切毛孔，皆出法音；或三千大千世界所有色、無色物，皆出法音；或以一音周滿法

界，欲令得解，即皆得解。是菩薩三千大千世界所有眾生，以無量音聲一時問難，所問各異。是菩薩於一念中，悉受如是，一切問難，以一音答皆令開解，如是若二若三，若百若千，乃至不可說不可說三千大千世界滿中眾生，廣為說法。承佛神力，能為眾生廣作佛事，倍復勤攝。如是智明，於一塵中有不可說不可說世界塵數大會，佛在此中，隨眾生心而為說法，令一一眾生心得若干無量諸法，如一佛，一切諸佛亦如是；如一微塵，一切十方世界，亦復如是。於是中生大憶念力，於一念中，從一切佛所受法明，不失一句。如上大會滿中眾生，以決定法明演清淨法，於一念中，令爾所眾生，皆得開解，何況若干世界中眾生。是菩薩住是地，善根轉勝，深入諸佛行處，常與一切佛會，深入菩薩解脫；菩薩隨順如是智，常見諸佛，於一一劫中無量無邊百千萬億以上供具供養諸佛，於諸佛所種種問難，通達諸陀羅尼，一切善根，轉勝明淨。佛子！如鍊真金，具足莊嚴，為轉輪王所著寶冠，一切小王無能奪者；菩薩亦如是，住善慧地，一切善根，轉勝明淨，聲聞辟支佛、諸地菩薩所不能壞。是菩薩善根轉明，能照眾生煩惱難處，如大梵王，三千世界一切難處，皆悉能照；菩薩亦如是，住善慧地，善根明淨，照諸眾生煩惱難處。

[0569c19] 「諸佛子！是名略說菩薩善慧地。若廣說者，則無量無邊劫，不可得盡。菩薩住是地，多作大梵王，典領三千大千世界，無有能勝，如實解義者，於自在中而得自在，善能宣說聲聞辟支佛、菩薩波羅蜜，眾生問難無能窮盡，所作善業布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念一切種智；常生是心：『我當於一切眾生，為首為勝，乃至於一切眾生為依止者。』是菩薩若欲如是勤行精進，於一念中，得百萬阿僧祇三千大千世界微塵數三昧，乃至能示百萬阿僧祇三千大千世界微塵數菩薩，以為眷屬。若以願力，神通自在，復過是數，百千萬億那由他劫，不可計知。」

[0570a05] 爾時，金剛藏菩薩欲重明此義，以偈頌曰：

「諸菩薩隨順，　無量深智力，
第一最微妙，　一切世難知，
利益眾生者，　能至第九地。
得入於諸佛，　祕密之法藏，
得微妙最上，　三昧陀羅尼，
廣大神通力，　善入世界相，
智慧力決定，　能觀諸佛法，
大願悲心淨，　得入第九地。
順行此上地，　持諸佛法藏，
即能通諸法，　善不善無記，
有漏及無漏，　世間出世間，
是可思議法，　是不可思議。
知法定不定，　三乘具足相，
思惟分別此，　有為無為法，

起知如是法,　滅諸無明闇,
隨順是智心,　則為第一妙。
悉知一切難,　諸心差別相,
莊飾世輕易,　無邊自在心,
煩惱深淺相,　心伴不離相,
知使纏差別,　隨順相續有。
知業種種雜,　各各差別相,
因滅果不失,　通達如是事。
又知於眾生,　諸根軟中上,
廣大差別等,　先際後際相。
知欲軟中上,　及諸性差別,
乃至能悉知,　八萬四千種。
煩惱使難處,　無始來不滅,
皆與心共行,　繫縛不可斷。
知諸結使等,　但妄想分別,
無有方處所,　亦無定事相。
常不離於身,　又亦難得知,
禪定力能遮,　金剛道能斷。
又能知諸生,　入六道差別,
愛潤無明覆,　業田識是種。
生於後身芽,　名色共增長,
無始生死來,　相續在三界。
知諸天龍趣,　由煩惱業心,
若離於此法,　是則無所有。
一切諸眾生,　皆在三趣中,
或沒諸邪見,　或在於智道。
菩薩住是地,　悉知眾生心,
諸根及欲樂,　種種差別義。
深心善思惟,　隨宜而說法,
通達無礙智,　善以言辭說。
菩薩為法師,　猶如師子王,
牛王寶山王,　安住無所畏。
普於諸世界,　雨甘露法味,
猶如大龍王,　能雨滿大海。
是菩薩善知,　法義辭無礙,
善能隨順行,　具足樂說力。
能得於百萬,　阿僧祇總持,
能受諸佛法,　如海受龍雨。
菩薩得如是,　諸深妙清淨,
無量陀羅尼,　諸三昧力故。

能於一念中,　　得見無量佛,
聞已淨梵音,　　演說妙法寶。
是菩薩或教,　　大千界眾生,
隨心根所好,　　說法令歡喜。
如是等無量,　　三千大千國,
轉深勤精進,　　而作是思惟,
於一微塵中,　　無量佛說法，
隨眾生心相,　　演說於妙義，
是菩薩皆受,　　如地受諸種。
復作如是願,　　十方諸所有,
國土中眾生,　　皆合為一會。
我於一念中,　　皆悉知其心,
以一音說法，　　悉令斷疑網。
菩薩住是地,　　人天中法王,
為大說法師，　　隨順眾生性。
常於日夜中,　　與諸佛共會,
能住甚深妙,　　寂滅智解脫。
供養無量佛,　　善根轉明淨,
猶如轉輪王,　　真金莊嚴冠。
光明照眾生,　　諸煩惱難處,
如梵王光明,　　照於大千界。
菩薩住是地,　　於三千世界,
作大梵天王,　　諸根悉猛利。
善以三乘法,　　示悟諸眾生,
所作諸善業,　　皆順於正念。
能於一念中,　　而得無有量,
世界微塵數,　　諸深妙三昧。
得見十方佛,　　微妙音說法，
見佛大神力,　　更發無量願。
如是第九地,　　大智所行處,
深妙難知見,　　今已略說竟。」

大方廣佛華嚴經卷第二十七

東晉天竺三藏佛馱跋陀羅譯

十地品第二十二之五

說諸大菩薩， 所行無上事,
無數那由他, 首陀會諸天,
於上虛空中, 心皆大歡喜,
咸以恭敬心, 眾妙供養佛。
那由他菩薩, 歡悅無有量,
燒諸奇妙香, 滅除諸煩惱。
他化自在王, 與諸天大眾,
住在虛空中, 心皆大歡喜,
咸以恭敬心, 種種設供養,

各散眾寶衣,　　空中旋轉下。
無量億天女,　　諸根欣悅豫,
於上虛空中,　　敬心供養佛,
同作無量億,　　那由他妓樂,
一切寶器中,　　皆出如是音：
「佛坐於此處,　　悉遍於一切,
十方國土中,　　皆亦有佛現。
無量億種種,　　相好莊嚴身,
殊妙無有比,　　充滿於世界。
於一毛孔中,　　出無量光明,
滅除於一切,　　世間煩惱火。
十方微塵數,　　尚可得計量,
一毛孔光明,　　不可得窮盡。
各見有佛身,　　以三十二相,
八十好莊嚴,　　轉無上法輪。
或見佛種種,　　為眾而說法，
或見在兜率,　　教化於諸天,
或見從兜率,　　來下處胞胎,
或見初生時,　　或見夜出家,
或見坐道場,　　而成無上道,
或見轉法輪,　　或見入涅槃。
於無量國土,　　種種而示現,
欲度眾生故,　　有如是等事。
譬如巧幻師,　　善知於幻術,
多示諸眾生,　　種種異身相。
如是佛慧中,　　善巧於示現,
變化一切身,　　周遍諸世界。
一切法空寂,　　先來無性相,
同若如虛空,　　大師亦如是。
得入第一義,　　微妙之性相,
隨諸法性相,　　示佛大神力。
一切佛行性,　　法及諸眾生,
皆悉同無相,　　一切法空故。
若欲得佛智,　　應離諸想念,
有無俱通達,　　疾作天人師。」
諸天采女眾,　　皆出如是等,
千萬種妙音,　　寂然而觀佛。
解脫月菩薩，　　見眾皆寂然,
請金剛藏言：　　「大名稱佛子,
菩薩從第九,　　至於第十地,

諸大神通力，　　願今為略說。」

[0571c03] 金剛藏菩薩言：「佛子！菩薩摩訶薩如是無量智慧，善修行佛道，乃至九地，善集清白法，集無量助道法，大功德智慧所護，廣行大悲，深知分別世界差別，深入眾生難處，入諸如來行處，念隨順如來寂滅行處，趣向諸佛力、無畏、不共法，堅持不捨，得至一切智位。菩薩摩訶薩行如是智，近佛位地，則得菩薩離垢三昧而現在前，又入法界差別三昧、莊嚴道場三昧、雨一切世間華光三昧、海藏三昧、海印三昧、虛空廣三昧、觀察一切法性三昧、隨一切眾生心行三昧、如實知一切法三昧、得如來智信三昧，如是等百萬阿僧祇三昧，皆現在前。是菩薩悉入此三昧，善知其中功用差別，最後三昧，名益一切智位。是三昧現在前，即時大寶蓮華王出，周圓如百萬三千大千世界，一切眾寶間錯莊嚴過於一切人天所有，出世間善根所生，知一切法如幻如化空慧所成，光明能照一切世界；瑠璃為莖，栴檀王為臺，碼碯為鬚，閻浮檀金為葉；無量光明一切妙寶皆在其內，寶網覆上，十三千大千世界微塵數蓮華，以為眷屬。

[0571c24] 「爾時，菩薩其身姝妙，稱可華座；菩薩得益一切智位三昧力故，身在大蓮華座；即時眷屬蓮華上，皆有菩薩，一一菩薩坐蓮華上，即得百萬三昧，皆一心恭敬，瞻仰大菩薩；是菩薩昇蓮華座時，十方現在一切世界皆大震動，一切惡道皆悉休息，光明普照十方世界，一切世界皆悉嚴淨，皆得見聞諸佛大會。何以故？是菩薩坐大蓮華上，即時足下出百萬阿僧祇光明，照十方阿鼻地獄等，滅眾生苦惱；兩膝上放若干光明，照十方一切畜生，滅除苦惱；臍放若干光明，照十方一切餓鬼，滅除苦惱；左右脇放若干光明，照十方人安隱快樂；兩手放若干光明，照十方諸天阿脩羅宮；兩肩放若干光明，照十方聲聞眾；項放若干光明，照十方辟支佛；口放若干光明，照十方菩薩乃至住九地者；白毫放若干光明，照十方得位菩薩，一切魔宮隱蔽不現；頂上放百萬阿僧祇三千大千世界微塵數光明，照於十方諸佛大會；遶十匝已，住於虛空，成光明網，高大明淨，供養諸佛，如是供養，從初發心乃至九地，所作供養，百分不及一，乃至算數譬諭所不能及。是大光明網，勝十方世界所有華香、末香、塗香、衣服、幡蓋、眾寶、瓔珞、摩尼寶珠供養之具；從出世間善根生故，一一諸佛大法會上，皆雨眾寶，猶如大雲，若有眾生覺是供養者，皆是必定無上大道；如是諸光雨大供養已，遶大會十匝，入諸佛足下。爾時諸佛及大菩薩知某世界、某甲菩薩摩訶薩行如是道，成就受職；即時十方無邊菩薩乃至住九地者，皆來圍遶，設大供養，一心恭敬，各得萬三昧，一切得職；菩薩摩訶薩於金剛莊嚴胸出一大光名破魔賊，無量百千萬光以為眷屬，照十方世界，示無量神力，亦來入是大菩薩胸，此光明滅已，是菩薩即得百千萬億大勢力神通智慧。

[0572b02] 「爾時，諸佛出眉間白毫相光，名益一切智，有無量無邊光明眷屬，悉照一切十方世界，圍遶十匝，示現諸佛大神通力，勸進無量百千萬億諸菩薩，十方世界六種震動，滅除一切惡道苦惱，一切魔宮皆蔽不現，示一切諸佛得道之處；示一切諸佛大會莊嚴事，廣大如法界，究竟如虛空；照一切世界已，集在虛空，示大神通莊嚴之事，入是菩薩頂，眷屬光明；入眷屬蓮華諸菩薩頂，即時各得先所未得十千三昧；是光明入此菩薩頂，如一佛光，一切佛光，皆亦如是；一切十方諸佛光明入是菩薩頂時，名為得職、名為入諸佛界，具佛十力，墮在佛數。佛子！譬如轉輪聖王大子成就王相，轉輪聖王令子在白象寶閻

浮檀金座，取四大海水，上張羅幔，種種莊嚴幢幡妓樂，執金鐘香水，灌子頂上，即名為灌頂大王，具足轉十善道故，名轉輪聖王。菩薩摩訶薩亦如是，受職時，諸佛以智水灌是菩薩頂，名灌頂法王，具足佛十力故，墮在佛數，是名諸菩薩摩訶薩大智慧職地；以是職故，菩薩摩訶薩受無量百千億萬苦行難事，是菩薩得是職已，住法雲地，無量功德，智慧轉增。

[0572b25] 「佛子！菩薩住法雲地，如實知欲界集、色界集、無色界集；如實知世間性集、眾生性集、識性集、有為性集、無為性集、虛空性集、法性集、涅槃性集、邪見諸煩惱性集；如實知諸世間法成壞集、聲聞道集、辟支佛道集、菩薩道集；諸佛力、無畏、不共法、色身、法身集；一切智集，得佛道、轉法輪、示滅度集。舉要言之：如實知一切法差別集。是菩薩以如是智慧隨順菩提行，如實知眾生化、業化、煩惱化、諸見化、世界化、法界化、聲聞化、辟支佛化、菩薩化、如來化、一切化、分別無分別化。是菩薩如實知佛力持、法持、業持、煩惱持、時持、願持、先世持、行持、劫壽持、智持。是菩薩住十地，諸佛所有微細智，所謂：行微細智、命終微細智、受胎微細智、出生微細智、出家微細智、得道微細智、神力自在微細智、轉法輪微細智、持壽命微細智、示涅槃微細智、法久住微細智、如是等微細智，皆如實知。又諸佛密處，所謂：身密、口密、意密、知時非時密、與菩薩授記密、攝伏眾生密、諸乘差別密、八萬四千諸根差別密、業如實所作密、行得菩提密，如是等密，皆如實知。是菩薩諸佛所有入劫智，所謂：一劫攝阿僧祇劫、阿僧祇劫攝一劫；有數劫攝無數劫、無數劫攝有數劫；一念攝劫、劫攝一念；劫攝非劫、非劫攝劫；有佛劫攝無佛劫、無佛劫攝有佛劫；過去、未來劫攝現在劫，現在劫攝過去、未來劫；未來、過去劫攝現在劫，現在劫攝未來、過去劫；長劫攝短劫、短劫攝長劫；諸劫攝相，皆如實知。是菩薩諸佛所入微塵智、國土智、眾生身心智、眾生身心得道智、眾生行智、至一切處智、遍行佛道智、順行智、逆行智、不可思議智；一切世間、聲聞、辟支佛、菩薩所不能知，皆如實知。佛子！諸佛智慧，廣大無量，菩薩住是地，則能得入如是智慧。是菩薩摩訶薩隨是地行，得菩薩不可思議解脫、無礙解脫、淨行解脫、普門明解脫、如來藏解脫、隨無礙論解脫、入三世解脫、法性藏解脫、明解脫、勝進解脫。是菩薩十解脫為首，得如是等無量無邊百千萬億阿僧祇解脫、百千萬無量阿僧祇三昧、百千萬無量阿僧祇陀羅尼、百千萬無量阿僧祇神通，亦復如是。是菩薩成就如是智慧，隨順菩提，成就無量念力，能於一念頃，至十方無量佛所，無量法明、無量法雨，皆能受持。譬如娑伽羅龍王所澍大雨，唯除大海，餘不能受；菩薩摩訶薩亦復如是，如來微密雨、大法雨，一切眾生、聲聞、辟支佛乃至九地菩薩所不能受，唯此菩薩住法雲地，悉能受持。譬如大海，一龍王起大雲雨皆能堪受，若二若三，乃至無量無邊諸大龍王所起雲雨，一時澍下，皆能受持。菩薩摩訶薩亦如是，住法雲地，於一佛所，能受大法明雨，二佛三佛，乃至不可說不可說佛，於一念中，皆能堪受，如是諸佛大法雲雨，是故此地名法雲地。」

[0573a22] 解脫月言：「佛子！是菩薩於一念中，能堪受幾所大法明雨？」

[0573a24] 答言：「佛子！譬如十方所有不可說百千萬億那由他世界微塵，爾所微塵世界

眾生，假使皆得聞持陀羅尼為佛侍者，為大聲聞，多聞第一；如金剛蓮華上佛善伏比丘，其一眾生成就如是多聞之力，餘亦如是，一人所受，餘不重問，如是一切各各不同，於意云何？是一切眾生受持多聞，力為多不？」

[0573b01] 答言：「甚多，不可稱計。」

[0573b02] 「佛子！我今為汝說是菩薩住法雲地，於一念頃，於一佛所，受三世法藏大法明雨，上一切眾生多聞之力百分不及一，乃至算數譬諭所不能及；如一佛所，聞十方世界微塵諸佛，皆能受持大法明雨，復能過此無量無邊，於一念頃亦能受持，是故名為法雲地。

[0573b08] 「佛子！菩薩摩訶薩住法雲地，自從願力生大慈悲福德智慧，以為密雲；現種種身，以為雜色雲；通明無畏，以為電光；震大雷音，說法降魔，一念一時，能於上所說微塵世界，皆悉周普；以雨善法甘露法雨，滅諸眾生隨心所樂無明所起煩惱焰故，是故名為法雲地。復次，佛子！菩薩摩訶薩住法雲地，於一世界，從兜率天來下，乃至示大涅槃，一切佛事，隨所度眾生皆現神力，若二若三，乃至如上微塵數世界；又復過是百千萬億阿僧祇世界，從兜率天來下，乃至示大涅槃，一切佛事，隨所度眾生，皆現神力。是菩薩住此地，於智慧中得上自在力，或以狹國為廣，廣國為狹；或以垢國為淨，淨國為垢；如是一切世界皆有神力，是菩薩或於一微塵中，置三千大千世界鐵圍山川而不迫迮；或二或三，乃至不可說不可說世界諸莊嚴事，示入一塵；或以一世界莊嚴事，示不可說不可說世界；或以不可說不可說世界眾生，置一世界中而不迫迮；或以一世界眾生，置不可說不可說世界中；或以不可說不可說世界入一塵中而不惱眾生；或於一塵中，示一切佛神通力莊嚴之事；或於一念中，現不可說不可說世界微塵數身，於一身中示無量手；以一一手，執恒沙蓮華以散諸佛，雜香、末香、幡蓋寶物，如是一切莊嚴之具，皆以手執供養諸佛，於一一身亦復如是。又一一身化塵數頭，於一一頭有塵數舌，以是神力讚歎諸佛，如是等事，於念念中遍滿十方；於念念中以神通力，無量世界示得佛道轉法輪，乃至大般涅槃；於三世中，以神通力示現無量身，於自身中，現無量佛，無量佛土莊嚴事，於自身中，示一切世界成壞事；或於一毛孔出一切風而不惱眾生；或以無量無邊世界為一海水，此海水中作大蓮華，形色光明遍無量無邊世界，於中示菩提樹莊嚴妙事，乃至示得一切種智；或自身中現一方世界摩尼寶珠、日月星宿一切光明，乃至十方所有光明亦復如是；或口噓氣能令十方無量世界悉大震動，不令眾生有恐畏想；或示十方世界水劫盡，風劫、火劫盡，而眾生身隨意莊嚴；或於自身示作如來身，如來身作自身，如來身作己佛國，己佛國作如來身。佛子！菩薩摩訶薩在法雲地，神變如是，又餘無量神力自在示現。」

[0573c25] 爾時，會中諸菩薩、天、龍、夜叉、乾闥婆、阿脩羅、迦樓羅、緊那羅、摩睺羅伽、四天王、釋提桓因、梵天王、自在天子、淨居天等，各作是念：「若菩薩神通力、智慧力如是無量無邊，佛復云何？」

[0573c29] 時，解脫月菩薩知大眾心所念，問金剛藏菩薩言：「佛子！今諸大眾聞是菩薩神通智慧力，墮在疑網，汝今當斷一切疑惑，示菩薩神通莊嚴妙事。」

[0574a03] 時，金剛藏菩薩即入一切佛國體性三昧，時諸大眾天、龍、夜叉、乾闥婆、阿脩羅、迦樓羅、緊那羅、摩睺羅伽、四天王、釋提桓因、梵天王、自在天子、淨居天等，皆自見知入金剛藏菩薩身中，於其身內，見三千大千世界莊嚴眾事，若滿一劫說不可盡；於中見佛道場樹，其莖周圍十萬三千大千世界，高百萬三千大千世界，覆三千億三千大千世界，稱樹高廣，有師子座；其座上有佛，號一切智王如來，一切大眾咸皆見佛坐在座上，其中所有莊嚴上妙供養之具，滿一劫說，亦不可盡。金剛藏菩薩示現如是大神力已，還令大眾各在本處，一切眾會生希有想，默然一心，觀金剛藏。

[0574a17] 時，解脫月菩薩問金剛藏菩薩言：「佛子！是三昧有大勢力，甚為希有，是三昧者所號云何？」

[0574a19] 答言：「是三昧名一切佛國體性。」

[0574a19] 問言：「是三昧所有勢力境界云何？」

[0574a20] 答言：「佛子！若菩薩摩訶薩善修成是三昧力者，能以如是無量恒沙世界微塵數三千大千世界於身中現，復過是數。菩薩在法雲地，得如是無量無邊百千萬億諸大三昧；是故，菩薩住此地中，身、身業難可測知；口、口業難可測知；意、意業難可測知；神力自在難可測知；觀三世法難可測知；諸三昧行入難可測知；智力難可測知；遊戲諸解脫難可測知；變化所作、神力所作、如意所作難可測知；乃至舉足、下足，菩薩住善慧地者不能測知。佛子！菩薩法雲地，如是無量，若廣說者，無量無邊阿僧祇劫不能得盡。」

[0574b03] 解脫月言：「佛子！若菩薩行處力、神通力，如是者佛行處力、神通力復云何？」

[0574b05] 答言：「佛子！譬如有人，見一塊土而作是言：『無邊世界地性為多此耶？』汝所問者，我謂如是；如來無量智慧，云何以菩薩智慧而欲測量？佛子！如人取四天下地性少分，餘者極多，菩薩法雲地於無量劫，但可說耳，何況如來地，我今當說令汝知之，佛現為證；如十方無量無邊世界微塵等諸佛世界，十地菩薩皆滿其中，是諸菩薩有無量無邊業，修習菩薩功德智慧禪定，於如來功德智慧力，百分不及一、百千萬億分不及一，乃至算數譬諭所不能及。

[0574b16] 「佛子！是菩薩隨如是智慧，順如來身、口、意，不捨諸菩薩三昧，勤心供養一切諸佛，於一一劫，以一切供具，供養無量無邊諸佛，能悉具受諸佛神力，轉復明勝，

是菩薩於法性問難無能勝者，乃至無量無邊百千萬億劫不可窮盡。

[0574b21] 「佛子！譬如天金，以摩尼珠眾寶間錯，為自在天王嚴身之具，其餘諸天所不能及，亦無奪者，菩薩住十地，智慧善根，從初地乃至九地所不能及；菩薩住是地，得大智照明，隨順一切智故，其餘智慧所不能壞。譬如大自在天王光明能令眾生身心清涼，一切生處眾生光明所不能及；菩薩摩訶薩亦如是，住法雲地，智慧光明，一切聲聞、辟支佛所不能及，乃至九地菩薩亦不能及。是菩薩住是地中，能令無量眾生住一切智道。佛子！菩薩住是地，十方諸佛為說三世智慧、法界智慧、一切世界智慧、普照住持一切世界智慧、大慈大悲普覆一切眾生智慧。舉要言之：具足為說至一切智道。佛子！是名菩薩摩訶薩第十法雲地。菩薩住是地，多作摩醯首羅天王，智慧明達，善說聲聞、辟支佛、菩薩波羅蜜，於法性中有問難者，無能令盡；所作善業布施、愛語、利益、同事皆不離念佛，不離念法，乃至不離念具足一切種智；常作是念：『我當於一切眾生為首為勝，乃至於一切眾生為依止者。』若欲如是勤行精進，於一念中得無量百千萬億那由他不可說不可說世界微塵數三昧，乃至示爾所微塵數菩薩以為眷屬。若以願力神通自在復過是數，所謂：諸行上妙供具，信解起業，若身、若口、若光明、若諸根、若如意足、若音聲、若行處，乃至若干百千萬億劫不可稱數。佛子！是菩薩十地次第順行，趣向一切種智，如從阿耨達池四河流出，滿足四天下無有窮盡，乃入大海；菩薩亦如是，從菩薩出於善根大願之水，以四攝法滿足眾生而不窮盡，乃至一切種智。

[0574c24] 「佛子！是菩薩十地，因佛智故而有差別，如因大地有十大山王，何等為十？所謂：雪山王、香山王、軻梨羅山王、仙聖山王、由乾陀山王、馬耳山王、尼民陀羅山王、斫迦羅山王、宿慧山王、須彌山王。如雪山王，一切藥草集在其中而不可盡；菩薩亦如是住歡喜地，一切世間經書、技藝、文頌、呪術集在其中無有窮盡。如香山王，一切諸香集在其中而不可盡；菩薩亦如是住離垢地，持戒頭陀，威儀助法，集在其中，無有窮盡。如軻梨羅山王，但以寶成，集諸妙華，取不可盡；菩薩亦如是住於明地，集一切世間禪定神通解脫三昧，問不可盡。如仙聖山王，但以寶成，多有五通聖人，不可窮盡；菩薩亦如是住於焰地，集令眾生入道因緣，種種問難不可窮盡。如由乾陀山王，但以寶成，集夜叉大神不可窮盡；菩薩亦如是住難勝地，集一切自在如意神通，說不可盡。如馬耳山王，但以寶成，集眾妙果，取不可盡；菩薩亦如是住現前地，集深因緣法，說聲聞果不可窮盡。如尼民陀羅山王，但以寶成，集一切大力龍神，不可窮盡；菩薩亦如是住遠行地，集種種方便智慧，說辟支佛道，不可窮盡。如斫迦羅山王，但以寶成，集心自在者，不可窮盡；菩薩亦如是住不動地，集一切菩薩自在道，說世間性，不可窮盡。如宿慧山王，但以寶成，集大神力諸阿脩羅，無有窮盡；菩薩亦如是住善慧地，集轉眾生行智，說世間相，不可窮盡。如須彌山王，但以寶成，集諸天神無有窮盡；菩薩亦如是，住法雲地，集如來十力，四無所畏，說諸佛法，不可窮盡。是十寶山同在大海，因大海水有差別相；菩薩十地亦如是，同在佛智，因一切智故，有差別相。佛子！譬如大海，以十相故名為大海，無有能

壞；何等為十？一、漸次深；二、不受死屍；三、餘水失本名；四一味；五、多寶；六、極深難入；七、廣大無量；八、多大身眾生；九、潮不失時；十、能受一切大雨無有盈溢。菩薩地亦如是以十因緣故，無有能壞；何等為十？歡喜地中，漸生堅固願；離垢地中，不與破戒共宿；明地中，捨諸假名；焰地中，於佛得一心不壞淨信；難勝地中，生世間無量方便神通，起世間事；現前地中，觀甚深因緣法；遠行地中，以大廣心善觀諸法；不動地中，能起大莊嚴示現；善慧地中，能得深解脫通達世間行，如實不失；法雲地中，能受一切諸佛大法明雨。佛子！譬如大摩尼寶珠，有十事能與眾生一切寶物，何等為十？一、出大海；二、巧匠加治；三、轉精妙；四、除垢穢；五、以火鍊治；六、眾寶莊嚴；七、貫以寶縷；八、置瑠璃高柱；九、光明四照；十、隨王意雨眾寶物。菩薩發菩提心寶亦有十事，何等為十？一、初發心布施離慳；二、修持戒頭陀苦行；三、以諸禪定解脫三昧令轉精妙；四、以道行清淨；五、鍊以方便神通；六、以深因緣法莊嚴；七、以種種深方便智慧貫穿；八、置神通自在幢上；九、觀眾生行放多聞智慧光明；十、諸佛授智職，於一切眾生能為佛事，墮在佛數。

[0575b26] 「佛子！是菩薩所行集一切智慧功德法門品，若不深種善根，不能得聞。」

[0575b27] 問言：「佛子！若得聞者，是人為得幾所福？」

[0575b28] 答言：「隨佛所有智慧勢力，如是發薩婆若心，所緣攝福德，是人得聞此法門，所得福德，亦復如是。何以故？若無菩薩心聞是法門，不能信解受持，何況以身修習能成其事，是故當知是人隨順一切種智，得聞信解受持修行；說是品時，十方世界十億佛國微塵數世界，六種、十八相動，以佛神力法如是故，諸天雨華、末香、瓔珞、寶衣、幡蓋莊嚴身具，雨天妓樂歌頌而下，復有大音讚歎十地殊勝之事。如此世界四天下他化自在天王宮說十地，十方一切世界皆亦如是；以佛神力故，十方過十億佛國微塵數剎，有十億佛國微塵數菩薩，詣此世界，遍滿虛空，皆作是言：『善哉！善哉！金剛藏善說菩薩十地之法。』佛子！我等皆名金剛藏，發金剛德世界，金剛幢佛所來，所經歷處，皆說是經，眾會如是，言辭義趣亦如是，我等以佛神力故，來證是事，如我至此，十方一切世界他化自在天王宮摩尼寶殿，皆有十億佛國微塵數菩薩往為作證亦復如是。」

[0575c20] 時，金剛藏菩薩觀察十方、觀察一切大眾、觀察法界，讚歎初發薩婆若心，示菩薩境界，淨菩薩行力，攝一切種智；隨眾生說，除一切世間垢穢，與眾生一切種智因緣，示不可思議智慧莊嚴事，讚歎一切菩薩功德差別相；欲令諸地轉勝明顯示眾生故，承佛神力，以偈頌曰：

「諸菩薩所行，　　樂於善寂滅，
　其心無所著，　　猶若如虛空。
　除貪恚癡垢，　　安住於道智，
　如是無上行，　　願樂欲聽聞。

如是諸菩薩,　　在於無量劫,
勤心常修習,　　一切諸善根,
供養無量佛,　　辟支阿羅漢,
為利眾生故,　　乃生菩提心。
精進持戒行,　　頭陀除罪垢,
修善忍轉妙,　　慚愧威德滿。
福慧因緣故,　　勝遠心明淨,
深樂於佛智,　　同佛生菩提。
供養於一切,　　十方三世佛,
如虛空等國,　　悉皆令清淨。
一切法平等,　　善悉通達故,
為度諸眾生,　　發於菩提心。
諸菩薩如是,　　生是無量心,
至於歡喜地,　　息惡樂布施。
得諸本願力,　　增廣慈悲心,
深行十善道,　　能到離垢地。
戒聞功德備,　　慈心愍世間,
永離諸垢穢,　　深心常清淨。
普觀諸世間,　　三毒火熾然,
如是之大士,　　入第三明地。
觀三界皆空,　　無常亦如病,
如癰如瘡箭,　　無量苦常然。
見諸有為過,　　貪樂佛功德,
得佛智明焰,　　入於第四地。
成就於念慧,　　得至於道智,
在此地供養,　　百千諸如來。
常能思惟念,　　諸佛無量德,
得入於一切,　　世間難勝地。
能以慧方便,　　種種而示現,
諸有所為作,　　以利於世間。
供養於諸佛,　　行益眾生事,
無生法在前,　　得入現前地。
菩薩諸所行,　　一切世間知,
常無有我心,　　有無皆悉離。
諸法先空寂,　　十二緣故行,
善了此微妙,　　入於遠行地。
行慧方便等,　　得法寂滅相,
如是之大士,　　難知難可及。
為欲令世間,　　得善寂滅故,
還起修諸行,　　種種福德事。
普入於眾生,　　種種心行處,

如是能得入,　　如空不動地。
大智諸菩薩,　　善能悉具行,
種種諸智業,　　得十自在力。
能以無有量,　　無邊限諸身,
普現十方界,　　而為說妙法。
善達於世界,　　及諸眾生性,
如是大慈悲,　　能入善慧地。
第一妙淨智,　　善觀諸世間,
縷練煩惱業,　　甚深諸難處。
為度是等故,　　得諸佛法藏,
善說第一義，　　悉無所違錯。
如是次第行,　　具足諸善法,
乃至於九地,　　所修集福慧。
欲得諸佛力,　　第一深妙利,
乃於一切佛,　　得受智職位。
先得無數定,　　智行極廣大,
最後得難壞,　　諸智位三昧。
若能得如是,　　益智位三昧,
一切寶莊嚴,　　蓮華王即出。
菩薩稱蓮華,　　現身坐其上,
餘華諸菩薩,　　咸共一心視。
爾時大菩薩,　　從身放無量,
百千億光明,　　滅諸世間苦。
然後頂上出,　　百千億光明,
普照十方界,　　諸佛大眾會。
於上虛空中,　　化成光明網,
供養諸佛已,　　入諸佛足下。
時一切如來,　　及諸大士等,
各知某菩薩,　　得受於智職。
如是一切佛,　　放眉間光明,
名益一切智,　　入此菩薩頂。
一切無量佛,　　與此菩薩職,
猶如轉輪王,　　授於太子位。
時十方世界,　　普皆大震動,
乃至阿鼻等,　　諸苦皆除滅。
菩薩具一切,　　智慧得是職,
如是名為到,　　無上法雲地。
住於是地中,　　智慧無邊限,
善知度一切,　　世間諸因緣。
入色無色法,　　欲色無色界,

能知於眾生，　國土及法性。
又能入可數，　不可數法中，
乃至能觀察，　虛空無量性。
又此地悉知，　菩薩變化事，
諸佛威神力，　微細智密事。
又能悉通達，　一切諸劫數，
於一微塵中，　觀見諸世界。
一切諸如來，　於此無上地，
初生及出家，　得道轉法輪。
示入於涅槃，　皆隨順於智，
寂滅妙解脫，　悉得於此地。
此地諸大士，　憶念力大故，
諸佛大法雨，　皆悉能受持。
譬如大海水，　能持龍王雨，
諸佛廣大法，　菩薩受亦爾。
若於一佛所，　一時聽受法，
十方無量土，　微塵數眾生。
皆多聞總持，　成於聲聞乘，
不如是菩薩，　算數所不及。
以無量智慧，　及先大願力，
能於一念中，　遍滿無量國。
雨甘露法雨，　滅諸煩惱火，
是故諸如來，　名為法雲地。
大士住此地，　供養諸佛具，
過諸天所有，　普示大神力。
示眾轉勝力，　過是數無量，
若人欲思量，　迷悶不能解。
大智住此地，　舉足下足事，
一切諸菩薩，　乃至於九地。
皆悉不能知，　何況餘眾生，
三世諸聲聞，　及與辟支佛。
住此諸佛示，　一切智慧事，
亦與令通達，　三世無礙智。
示法性寂滅，　亦示種種變，
一切諸世界，　所有眾生類。
所行一切法，　深微隱遠事，
一切佛功德，　次第示令知。
菩薩住此地，　能以大供具，
供養十方佛，　遍一切世界。
一切諸世間，　所有眾生類，
其餘諸供具，　皆所不能及。

智者住此地,　　皆能破一切,
無明諸闇冥,　　開示以佛道。
如自在天王,　　光滅眾熱惱,
佛子智光明,　　滅惡亦如是。
住是地多作,　　三界自在王,
通達諸智慧,　　善以三乘化。
能於一念中,　　得無量三昧,
能見十方佛,　　其數亦如是。」
金剛藏菩薩,　　告諸大士言,
「我今略解說，　　十地之妙行，
若廣演說者，　　千億劫不盡。
是則名清淨,　　諸大菩薩地,
為得佛智故,　　住於十地中,
安住不移動,　　猶如大山王。
初地具一切,　　經書諸技術,
猶如雪山中,　　積聚眾藥草。
持戒及多聞,　　在於二地中,
猶如香山王,　　集一切香物。
如軻梨羅山,　　多積諸寶華,
明地集聞智,　　禪定亦如是。
焰地多積聚,　　入道法不壞,
如仙聖山中,　　善寂所遊止。
五地諸神通,　　無能得及者,
如由乾陀山,　　多集夜叉眾。
六地善分別,　　諸果無窮盡,
猶如馬耳山,　　妙果無有量。
七地方便慧,　　無有能及者,
如尼民陀羅,　　諸龍王盈滿。
住於八地中,　　自在智無量,
如斫迦羅山,　　多心自在者。
九地心清淨,　　說法無障礙,
猶如宿慧山,　　阿脩羅所止。
十地諸佛力,　　功德無窮盡,
如須彌山王,　　集一切天眾。
又復初地中,　　發於廣大願,
二地持戒品,　　三地假名壞,
第四地專一,　　五地眾妙事,
六地甚深相,　　七地廣大心,
八地中種種,　　莊嚴諸神通,
九地思妙智,　　能過一切世,

十地能受持，　　諸佛大法雨。
菩薩行大海，　　難動不可盡，
發心出世間，　　得入於初地，
二地淨持戒，　　三地修諸禪，
四地道行淨，　　五**錬方便慧**，
六因**緣莊嚴**，　　**七深方便慧**，
八到瑠璃幢，　　九地觀**眾生**，
一切險難處，　　智慧光普照，
十地受智職，　　如珠隨王意，
如是次第淨，　　菩提心妙寶。
十方諸世界，　　所有微塵數，
可於一念中，　　計知其多少。
可以一毫末，　　數知於**虛空**，
諸佛大功德，　　無量不可盡。」

；非熾然，非寂滅；非生死，非涅槃；非有，非無。如是菩薩摩訶薩處於世間行菩薩行，受持方便，觀察世間皆悉如化；不著世間，亦不著化；不妄取世間，亦不取化；不住世間，不滅世間；不住正法，不隨非法。而不捨教化眾生，一向正念，具足諸願。不莊嚴諸法，亦復不壞諸莊嚴法；於一切法悉無所有，悉能具足一切佛法，譬如化非有，非無。菩薩摩訶薩亦復如是，安住如化忍中，悉能具足諸佛菩提，饒益眾生。佛子！是為菩薩摩訶薩第九如化忍。

[0582a26] 「佛子！若菩薩摩訶薩成就此忍，於一切佛剎無所依著。譬如化，於一切世界無所依著，於一切佛法不虛妄行；譬如化，行無所行，離諸顛倒；譬如化，非身，示現一切身；譬如化，不依色，示現一切色；譬如化，不著實際，平等滿足自性無性；譬如化，非解脫法，悉能示現一切法處；譬如化，無處所性，亦非調伏，亦非清淨；譬如化，離一切神力，往詣一切諸如來所；譬如化，不可退轉，不生、不滅，悉離罣礙，一切諸力、金剛諸山所不能障。

[0582b08] 「佛子！何等為菩薩摩訶薩第十如虛空忍？佛子！此菩薩解一切法界猶如虛空，以無性故；譬如虛空，一切世界亦復如是，解一切佛剎無所起故；譬如虛空，一切諸法亦復如是，解無二法故；譬如虛空，一切眾生行亦復如是，解行無所行故；譬如虛空，一切佛法亦復如是，解無分別故；譬如虛空，一切佛力亦復如是，解無異故；譬如虛空，一切諸禪亦復如是，解三世故；譬如虛空，一切說法亦復如是，解不可說故；譬如虛空，一切佛身亦復如是，解無礙故；譬如虛空，遍一切處，解一切法如虛空故。

[0582b19] 「佛子！如是菩薩摩訶薩解一切法悉如虛空，得虛空等忍智，得虛空等身、得虛空等身業；得虛空等口、得虛空等口業；得虛空等心、得虛空等心業。譬如虛空，不生、不死，菩薩摩訶薩亦復如是，一切法身不生、不死；譬如虛空不可破壞，菩薩摩訶薩亦復如是，智慧諸力不可破壞；譬如虛空，一切世間之所依止而無所依，菩薩摩訶薩亦復如是，一切諸法之所依止而無所依；譬如虛空，不生、不滅，悉為一切生滅所依，菩薩摩訶薩亦復如是，非向、非成，令一切眾生皆悉清淨；譬如虛空，非方、非非方，而能示現諸海分際，菩薩摩訶薩亦復如是，非業、非業報，而能演說一切生死大海分際；譬如虛空，非行、非住，而能示現種種威儀，菩薩摩訶薩亦復如是，非行、非住，而能分別一切諸行；譬如虛空，非色、非無色，而能示現百千諸色，菩薩摩訶薩亦復如是，非世間色、非離世間色，而能示現一切諸色；譬如虛空，非久住、非須臾住，菩薩摩訶薩亦復如是，非久趣向、非須臾趣向，能廣演說一切菩薩之所住行；譬如虛空，非淨、非穢，菩薩摩訶薩亦復如是，非世間障覆，亦非清淨；譬如虛空，一切世間皆謂現前，實非現前，菩薩摩訶薩亦復如是，一切諸法現菩薩前，而於菩薩無所現前；譬如虛空，住一切處，而虛空無分齊，菩薩摩訶薩亦復如是，住一切法，而菩薩心無有分齊。何以故？菩薩摩訶薩思惟自己善根猶如虛空：善根清淨、善根具足、善根平等、善根一分、善根寂滅、善根一味、善根一

量、善根清淨如虛空色，善根趣一切道、不忘一切法、得一切不壞法、遊行一切剎、具足一切身，而於諸身悉無所著；普於十方，永離癡惑，具足成就不可壞力，滿足一切功德境界；得一切種法，得深樂法，得虛空等金剛善根；出生一切諸妙音聲；一切世間常轉法輪，未曾失時。佛子！是為菩薩摩訶薩第十如**虛空忍。**

[0582c28] 「若菩薩摩訶薩成就此忍，得無來身，以無去故；得不生身，以不滅故；得不聚身，以無散壞故；具足不實身，以無真實故；得一相身，以無相故；得無量身，以佛力無量故；得平等身，以如相故；得不壞身，以等觀三世故；得至一切處身，以淨眼普照無障礙故；得離欲際身，以一切法無合散故；得**虛空際功德藏，以無盡故；得無窮盡平等法辯，以一切法性如虛空一性故；得無量無礙微妙音聲，以無礙如虛空故；得清淨具足一切菩薩行巧妙方便，以**一切法無礙清淨如**虛空故；得一切佛法海，以不可斷如虛空故；得受持一切佛**剎，以無量如虛空離貪欲故；得一切法示現自在，未曾休息，以堅固如虛空故；得不可壞堅固法身，以如虛空能持一切世間故；具足成就不可沮壞金剛諸根，以示現一切世間成敗故；得具足力，能持一切世間，以受持智慧如虛空故。佛子！是為菩薩摩訶薩十種忍。」

[0583a19] 爾時，普賢菩薩欲重宣此義，為諸菩薩以偈頌曰：

◎

「◎譬如世有人，　聞有寶藏處，
聞已大歡喜，　寶藏可得故。
如是大智慧，　菩薩真佛子，
佛深寂滅法，　聞已大歡喜。
聞彼深法已，　其心不恐怖，
亦不生驚畏，　不退亦不沒。
菩薩向菩提，　聞此寂滅音，
堪忍寂滅法，　於彼不生疑。
我作一切智，　天人尊導師，
以聞甚深法，　其心堪忍故。
彼聞寂滅音，　踊躍大歡喜，
一心樂專求，　一切諸佛法。
修習調伏心，　正直求菩提，
長養諸善根，　而不壞法性。
堪忍寂滅法，　隨順彼音聲，
修習菩薩行，　安住音聲忍。
轉求勝妙道，　出生諸善法，
精進不退轉，　究竟成菩提。
聞此妙音聲，　菩提心清淨，
得勇健善根，　令諸佛歡喜。

譬如功德人,　獲大珍寶藏,
隨順身所宜,　造諸莊嚴具。
慧者亦如是,　聞此深法義,
增廣智慧海,　隨順求諸法。
決定隨順法,　分別無所有,
隨順於真如,　得彼真實法。
得淨自在心,　明徹大歡喜,
解了一切法,　悉從眾緣起。
修習平等法,　分別性非性,
不壞佛法藏,　正覺一切法。
正直心堅固,　莊嚴淨菩提,
不動如須彌,　一向求佛道。
修習深三昧,　精進不懈怠,
無量劫修行,　未曾有退失。
最勝甚深海,　究竟到彼岸,
盡諸法原底,　遠離眾恐怖。
等心觀諸法,　如無等所說，
成就隨順忍,　平等智滿足。
具足順忍門,　順佛之所說，
隨順真實智,　不分別法相。
三十三天中,　彼諸天子等,
共一寶器食,　所食各不同。
諸天種種食,　不從十方來,
隨彼所修業,　自然食在器。
菩薩亦如是,　觀察一切法,
悉從因緣起,　不生亦不滅。
若法不生滅,　是法不可盡,
了達其成敗,　清淨不可壞。
實際不可壞,　悉寂滅如如,
金剛願饒益,　具佛無礙智。
專念寂滅法,　其心未曾離,
隨順世間行,　長養大悲願。
具足諸願力,　不著於世間,
成就甚深智,　隨順廣說法。
是名無生忍,　解諸法無盡,
了達悉如如,　法界無所起。
菩薩住此忍,　一切十方界,
現在無量佛,　皆悉授彼記。
樂觀寂滅法,　出生諸善根,
一念達三世,　調伏淨眾生。

觀察諸世間,　解了悉如幻,
寂滅無所有,　於彼無染著。
諸色從心造,　示現猶如幻,
虛空非真實,　一切有如幻。
譬如工幻師,　四衢現眾像,
眾生見歡喜,　而實無所有。
世間亦如是,　一切皆如幻,
有無等諸法,　了知悉虛妄。
度脫一切眾,　解了悉如幻,
善能平等知,　眾生幻無異。
眾生諸佛剎，　三世一切法，
無量諸世間,　悉了義如幻。
譬如工幻師,　示現種種形,
男女象馬牛,　園林華果等。
幻無所染著,　亦無有住處,
幻法無真實,　所現悉虛妄。
佛子亦如是,　觀察諸世間,
有無一切法,　了達悉如幻。
眾生諸佛剎，　種種業所造，
覺悟如幻際,　於彼無所著。
菩薩摩訶薩,　常樂寂靜法,
深入真實地,　究竟住法界。
隨順向正法,　最勝法化生,
善解一切想,　纏網群生類。
想如熱時焰,　令眾生顛倒,
菩薩善知想,　能離一切倒。
世間各別異,　形類悉不同,
佛子善明達,　了相非真相。
十方諸群生,　悉為想網覆,
菩薩慧眼淨,　善見世間想。
世間猶如焰,　妄想取世間,
能斷世間想,　則離三種倒。
譬如熱時焰,　眾生於遠見,
妄想謂為水,　其實非真水。
眾生亦如是,　虛妄取世間,
想如熱時焰,　無礙心境界。
分別一切想,　成就無礙智,
想縛群生類,　勇健能解脫。
遠離放逸慢,　除滅世間想,
究竟盡無盡,　無盡者方便。

彼能解世間,　　一切法如夢,
夢性無方處,　　世間亦如是。
解法離虛妄,　　寂滅心無異,
明了世間行,　　三世皆如夢。
夢非生死法,　　非有亦非無,
三有悉如夢,　　寂滅心無縛。
解世如夢性,　　不依於世間,
觀世間寂滅,　　不染著諸趣。
明見一切世,　　不起虛妄倒,
善解法如夢,　　逮得如夢忍。
眾生於夢見,　　種種諸異相,
悉知從心造,　　而實無所有。
智月如是見,　　眾生皆如夢,
曉了如夢已,　　離一切虛妄。
菩薩方便解,　　一切法如夢,
夢性無真實,　　非一亦非異。
眾生一切法,　　佛剎諸行業，
菩薩悉明了,　　一切皆如夢。
隨一切垢淨,　　悉能如實知,
解知世如夢,　　不取虛妄相。
菩薩所行行,　　一切諸妙願,
明解悉如夢,　　於彼無所著。
決定解諸法,　　及一切世間,
菩薩能善知,　　其性皆如夢。
世間生滅法,　　眾生去來相,
解了淨如夢,　　其性無忘失。
隨順如夢行,　　亦不壞世間,
了達諸威儀,　　如修短無實。
是名如夢忍,　　解了一切法,
成就無礙智,　　度脫一切眾。
菩薩摩訶薩,　　廣行無量行,
出生於一切,　　正覺平等法。
種種諸方便,　　解法真實相,
諸法無去來,　　於彼心無著。
一切眾生類,　　無量諸音聲,
菩薩深覺悟,　　了之悉如響。
菩薩知音聲,　　非是內外法，
諦了諸音聲,　　一切皆如響。
一切諸音聲,　　皆悉是虛妄,
菩薩知非實,　　於彼無所著。

菩薩悉覩見，　十方一切佛，
又聞彼如來，　梵音演說法。
彼諸大導師，　廣說修多羅，
菩薩聞法音，　其心無所著。
所聞聲如響，　悉無所從來，
分別一切音，　善解無壞法。
分別諸音聲，　善解一切法，
解聲非是聲，　出無量淨音。
觀察一切法，　皆悉離音聲，
種種語言際，　悉能善了知。
菩薩於眾生，　了之悉如響，
如是能深解，　一切諸眾生。
菩薩善隨順，　明達語言道，
解了一切世，　種種諸音聲。
了知音聲性，　常樂寂靜地，
明解諸世間，　一切悉如響。
猶如語言道，　宣明種種法，
眾生樂染著，　虛妄之音聲。
如彼音聲相，　世間亦如是，
眾生相亦然，　真佛子明覺。
如此真實相，　明智之忍力，
令音淨微妙，　解世皆寂滅。
彼於三世中，　了達語言道，
不取虛妄聲，　其心無所著。
寂靜定意為世間，　一向專求佛菩提，
未曾虛妄取世間，　心常欣樂寂滅法。
觀察世間無有餘，　皆悉寂滅無自性，
專求菩提為眾生，　具足智力大慈悲。
不受一切世間生，　亦不解脫於世間，
一切世間無所依，　亦復不離依世間。
解知眾生諸法性，　於彼法性不染著，
於諸眾生無所依，　清淨解脫而無縛。
於一切趣知實性，　世間生死流轉法，
菩薩解法無有二，　於不二法無所著。
其心不住諸世間，　又亦不離於世間，
所行不在世間外，　了知諸法真實相。
譬如水中電光色，　彼色非內亦非外，
菩薩饒益眾生故，　演說世間無真實。
眾生無縛無解脫，　一切世間不可說，

世間非內亦非外， 如彼水中電光像。
如是清淨離垢心, 隨順甚深微妙行,
具足智慧法燈明, 成滿諸願不退轉。
智慧成就不可量, 常能饒益一切眾,
安立眾生無畏法, 除滅一切諸障礙。
修習甚深法, 饒益一切眾,
此忍增妙智, 具足菩薩行。
深入寂滅法, 諦了悉如化,
示現無量行, 而實無所行。
勝地修菩提, 隨順如化行,
如化常寂滅, 菩薩行亦然。
了知眾生類, 及無量行業,
平等悉如化, 解脫亦如是。
明解三世佛, 一切悉如化,
無量本行願, 化成諸導師。
大慈悲彌廣, 化眾生清淨,
清淨即是化, 化力持應現。
世間悉虛妄, 菩薩解如化,

成就空忍力, 如空不可盡,
境界如虛空, 不取虛妄相。
虛空無自性, 虛空不可斷,
虛空無種種, 智力亦如是。
譬如虛空性, 無有初中後,
虛空無異性, 智慧亦如是。
如是正觀法, 皆悉如虛空,
無生亦無滅, 平等觀諸法。
安住虛空法, 廣為十方說，
虛空方便忍, 調伏一切魔。
虛空無自性, 世間亦如是,

有性無性法，　平等如虛空。
一方便莊嚴，　觀世間虛空，
悉知三世法，　猶如虛空性。
菩薩智慧身，　音聲如虛空，
身性亦虛空，　安住虛空智，
是名十種忍，　佛子具足行。
心安住忍力，　廣為十方說，
真佛子善學，　超成智慧力。
法力定智力，　隨順修菩提，
深入此忍門，　成就無礙智，
調伏一切惡，　轉無上法輪。
安住無量法，　一切莫能知，
調御師智海，　菩薩盡原底，
謙下行菩提，　得此深法忍。
妙法清淨意，　悉滿一切願，
一切眾生類，　諸佛剎微塵，
悉可算其數，　菩薩德難知。
若有真佛子，　成此十種忍，
一切諸眾生，　無能知境界。」◎
